RANKIN, UPTON COUNTY, TEXAS

## Courthouse Work Scheduled To Get Underway On Monday

Work is due to begin Monday on the remodeling and enlarging of the courthouse and county jail.

Company of San Angelo, that firm is scheduled to begin moving in their equipment the latter part of the week with preliminary activity to get underway on the renovation job not later than May 19. Some

9 months is allowed for completion of the work which would indicate that Upton County offices should be in their new quarters sometime in early '59.

Low bidder on the general construction and jail alterations was the J. D. Burk company with a total bid of \$109,850.00. Weathermasters, Inc. of Odessa got the bid on plumbing, heating and air conditioning with a total of \$38,177.00. C & D Electric Company of Big Spring was awarded the electrical work at a bid of \$15,622.00 while Southern Steel Company of San Antonio bid \$10,687.00 for the jail equipment.

In addition to the \$174,276.00 actual bid for the overall repairs and construction, other costs to the county will include bond servicing charges, architectural fees and any incidental costs that may arise. Also, \$25,000 has been set aside for the McCamey sub station which is already well along on construction. This is expected to leave approximately \$9,000 to cover any unforeseen expenses or alterations in the county-wide expansion program which sold bonds in the amount of \$225,000.00 to finance the work.

### LOW BIDDERS

Bids on the construction work were let in four separate parts last Thursday and totaled \$174,276.00 for general construction on the courthouse and jail, plumbing and heating, electrical work and jail equipment.

### Elsie Turner Out In JP 2 Contest

Mrs. Elsie Turner, acting on the advice of her doctor, has withdrawn from the Justice of the Peace race in Precinct 2 and has requested the Democratic chairman not to place her name on the ballot for the coming election.

Mrs. Turner returned to Rankin Thursday following a week's stay in a San Angelo hospital where she underwent treatments and check-ups for internal ailments. Doctors there advised her to drop all of her working activities and to return to the hospital for further treatments.

"It is with a great deal of regret that I make this withdrawal from the race," she said. "I had already made a number of contacts of voters in the precinct and met a lot of nice people. I want to thank everyone for the encouragement and cooperation they have given me in this matter and to express my appreciation to everyone."

With the withdrawal of Mrs. Turner, W. J. Cowen, seeking reelection, will be opposed by Charlie Campbell for the post.

### BIG LAKE WOMEN WILL GOLF MAY 17

Entries for the Big Lake Women's Golf Tournament to be held Saturday, May 17, are now being taken. Entries should be mailed to Mrs. G. F. McCray, 400 Penn St., Big Lake.

Coffee and do-nuts will be served at the clubhouse at 8:30 a.m. with registration also scheduled at that time. Tee-off will be at 9:00 a.m. with both 9 and 18 hole matches set. Bridge play will be from 9:00 a.m. and at 1:00 p.m.

Lunch will be served at 12:00 noon. At 5:00 p.m. awarding of prizes will be made. Entry fee is \$2.50 and will include coffee and lunch.

### CEMENTERS RAP WESTERN 32-2

In a game that had a score more like a football game than a baseball contest, the Halliburton Cementers ran across 32 runs in 7 innings to defeat the Western Acidizers 32-2 last Tuesday night at the local baseball field. Getting off to a fast jump, the Halliburton crew found the range to their liking and knocked every pitcher they faced for heavy scores. The Western squad was never able to get their hitting into line and had to be content with their two markers.

Last week the News stated that the standings between these two teams was three games to two in favor of the Acidizing team. This should have been three and three with last Tuesday's game being the "sugar" game and as a result of the win, the Cementers now hold a 4-3 score card over Western. Western has been the only team able to cope with the Halliburton nine and hold the only wins registered over the Cementing crew this season.

Mr. and Mrs. Sammie Hodges, Buddy and Corkie of Eldorado, were Sunday visitors in the home of his mother, Mrs. Dora Hodges.

Mr. and Mrs. Bud Cummings and Mr. and Mrs. Mark Grimm were visitors Sunday in Midland and Odessa.

### CANDIDATE COSTS SHOW SLIGHT DROP

At least one item in recent times has shown a slight drop from previous years and that is the announced filing fees for candidates in the coming Democratic Primary elections. This year, the executive committee with Bill Ramsey as chairman, has announced that the fees figure 6 percent of the salary of the jobs while last election year costs were a little more than 7 percent.

As released this week, the following fees were assessed the candidates seeking the various offices:

District Judge 112th	180.00
District Judge 83rd	120.00
County Judge	405.00
County Clerk	405.00
County Treasurer	405.00

J. P. No. 2	122.40
J. P. No. 3	190.80

All filing fees must be paid by May 17 in order for a candidate to get his name on the ballot for the July primary.

200 ministers. The meeting is in San Antonio. The local pastor and family will attend and one or more laymen will attend.

**A GOOD BUNCH**

There is a group of adults in Rankin—just as there seems to be in every town—who are among the most worthy of praise but seldom are mentioned. These would be the people who spend so many hours working with the youth of the community.

In Rankin there is a rather large number of these people scattered through the various youth programs such as scouting, baseball, summer recreation and youth center activities—but there never seems to be enough help to meet the demand of the abundance of youngsters who are willing to participate in all these activities.

And most of these people do not spend just an hour or so a week at their non-paying jobs. Many of them are year-around positions and others are almost seven-nights-a-week programs. We're sorry to admit it but we don't even know all of the names of this group but we would just like to mention a few who give so freely of their time to supervise the "kid" programs while most of us parents are not too interested one way or another.

In the baseball schedule there would be Cleddy Vickers, Willie Poyner, Box McDonald, the Bushong brothers, Jake and Alvin, Mike Hughes, Jimmy James, and—as we said—others we do not even know.

In Boy Scouts there is Bill Cook, Ward Thornton, Roy Bell, Dick Shotwell, Ward Thornton, Oscar Pettit, Roy Bunton and still others unknown.

For the girls' there are such leaders as Mrs. Hubert Hurn, Mrs. Alvin Bushong, Mrs. Hubert Dishman, Mrs. Jake Bushong, Mrs. Joe Simpson, Mrs. J. K. Colquitt and still more.

These are only a few of those who take a part—not just once in a while but almost consistently. None are paid for their services, unless you can count the thanks they get from the youth of the community and when all is said and done, that's about all they ever ask for.

We honestly believe that the City of Rankin or some civic or-

ganization ought to sponsor at least one dinner a year and give some sort of recognition to all of those who work with the youth of the community. As it is, about all they get for their troubles is just a few added worries and some extra loss of sleep.

**IT'S PROMISING**

El Mayor, A. E. Ivy, was down to the Capitol this week-end and says

that he talked with some of the people connected with the house building business in Texas. He reports that these folks say that it is now easier to get money for home building than it has ever been before.

Previously, about \$10,000 was all that would be loaned on a house in the Rankin area. They told the Mayor that they are quite sure that \$13,000 or even more could be loaned at this time without any trouble. It looks like it might be a pretty

good time to do a little building for those who have such plans in mind.

**WE'RE BOUNCING**

Just yesterday, we hear in the news that some big shot has said that the "recession" has "reached rock bottom and is levelling off." That's good to know but we wonder what ever happened to the "big shot" who said the same thing about three months ago.

Either that "bottom" is awfully

Another golf tournament has now  
gone into the books for the Rankin  
Club and came out just about as ex-  
pected with the exception that it set  
a record for attendance on the part  
of the public and on the amount of  
money involved.

A count of the gross shows that  
\$916.58 was taken in for the two-day  
affair which was \$144.28 more than  
last year. Concessions alone totalled  
\$237.56.

### TOURNAMENT PLAY

Tournament play officially began  
Saturday with qualifying and medal-  
ist shooting with H. O. Allen of Big  
Lake tying the course record for both  
9-hole and 18-hole play when he  
carded a 35-32 to earn the top spot  
with a three-stroke margin. Ed Wea-  
therby of Iraan had a 70 for second  
best.

A total of 96 golfers registered for  
play while only 93 made the tour. As  
expected, Allen again proved to have  
the range on the local course and  
scored a 34 to win the championship.  
H. D. Gibson of Goldsmith was  
runner-up at 38.

## FUTURE CITIZENS

A PAIR: RUSTY AND RANDY,  
2-year-old twins, sons of Mr. and  
Mrs. Tommy Arnold.

In championship consolation, Bill  
Varnadore and Ed Weatherby  
went extra holes before settling the  
match. Varnadore of Midkiff won  
the match.

The first flight has a repeater in  
Walter Sneed. Sneed won last year  
with the same score of 37. Runner-  
up was Jelly Alford at 39. Alford  
is from Iraan, while Sneed is from  
Midland.

In consolation, James Whitehead,  
a youngster from Texon, showed a  
great deal of promise in winning  
that department with a 37. Second  
was Grimm Taylor of Rankin at 39.  
Tied on the 9th hole with J. B.  
Hutchens of Rankin, these two set  
the record for the tournament play-  
off with an extra four holes before  
a decision was reached.

Brooks Page of Goldsmith and  
Ronnie Ward of Iraan shot 40 and  
41 for the second flight. Harold  
Gardner of Big Lake and J. K. Col-  
quitt of Rankin had 42-44 for con-  
solation.

Third flight went to Ike Williams  
of Penwell with a 40, while Fred  
Farmer of Iraan had a 41 for run-  
ner-up. For consolation, E. L. Cher-

ry, Rankin, had a 41, with J. D.  
Poage, Big Lake, a 43.

Fourth flight winner was Ear-  
nest Poteet, Big Lake, at 42 and P.  
V. Brown, Rankin, runner-up at  
46. Consolation winner was Bill  
Perkins of Rankin with 45 and  
Bland Blanton of Big Lake with 47.

Iraan defeated Noble Harkrider,  
Rankin, with a 46. Harkrider had a  
47. Consolation was J. B. Hilliard of  
Iraan at 48 and Ronald Woods of  
Rankin with 51.

and Miss Myrtle Reed spent the  
week-end in Midland with Mr. and  
Mrs. Stanley Eddins.

Mr. and Mrs. Bob McRae and  
son of Midland spent the week-end  
with her parents, Mr. and Mrs.  
Frank Boyd.

Mr. and Mrs. Pat Monroe Yoc-  
ham, Cindy and Pattie of Mona-  
hans spent the week-end with his  
parents, Mr. and Mrs. Pat Yocham.

## George Slept Here...

He pulled off the highway and asked if he could  
take a little snooze.

We pride ourselves that Phillips 66 Stations are  
first-rate service stations. We're even glad to  
make them *sleeping* stations in an emergency. So  
George took his snooze.

Good thing he did because, dog-tired and drowsy,  
he might have fallen asleep at the wheel while  
driving.

This little incident suggests, in a small way, the  
hospitable attitude of Phillips 66 Service men  
generally. Ask any regular patron of Phillips 66  
Stations and he'll tell you that Phillips Dealers go  
out of their way to treat you and your car right  
—perform many a service you wouldn't expect  
to get elsewhere.

Better yet, drive in and see for yourself what  
"Hospitality on the Highway" means.

### Texas Champions of Freedom

## COMMODORE EDWIN W. MOORE

### Stormy Petrel of Texas Independence

Edwin W. Moore was the only Com-  
mandant the Texas Navy ever had, his-  
tory's lonely man with one ideal . . . to  
champion freedom. The Commodore  
was never noted for his deference to  
the opinions of others or the orders of  
his civilian superiors, but during the  
war for Texas independence Mexico's  
ships and shores had ample cause to  
respect his daring and naval genius.  
With a fleet of four small ships he  
disrupted Mexico's commerce, harassed  
and captured several of her coastal  
towns, and kept the ports of Texas open  
to supplies and shipping. A former  
officer in the United States Navy, Com-  
modore Moore chose to fight for lib-  
erty and Texas . . . as so many other  
brave and bold adventurers did. They

were the men who left us a heritage of  
courage and determination to bow to  
no man's dictation.

Today Texans still demand and get  
their right to choose the way they want  
to live. In this vigorous and freedom-  
minded homeland . . . "Beer Belongs"  
and this is why the United States Brew-  
ers Foundation works constantly, in  
conjunction with brewers, wholesalers  
and retailers, to assure the sale of beer  
and ale under pleasant, orderly con-  
ditions. Believing that strict law enforce-  
ment serves the best interest of Texans,  
the Foundation stresses close coopera-  
tion with the Armed Forces, law en-  
forcement and governing officials in its  
continuing Self-Regulation program.

## ABOUT TIME

After a year of hard fishing, Charlie Hale finally latched on to what he considers a respectable-sized yellow cat last week-end. Weighing about 18 pounds, the fish proved to be the sporty type and took from Thursday night until Monday to get out of the water.

Bobby Absher, 4-year-old son of Mr. and Mrs. Frank Absher, also came up with two nice catches, the largest weighing 5 pounds. His father, Oscar Hill, and Buri Williams were also on the fishing party, but none came up with any worthy of an honorable mention.

The best protection is a thorough cleaning before real hot weather arrives—maybe the old fashioned Spring cleaning had its points! This will get rid of moths, larvae and eggs and also remove dirt and stains which encourage them.

For best results in day by day care, use the vacuum at least once a week, giving special attention to breaks, creases, seams, and base-board areas—all favorite hiding places for insects.

**MAKE A WILL**

Do you know what would happen

to your property if you died tomorrow? That's the usual question asked in connection with making a will. We're wondering, however, if an equally important question, especially for the fellow who has little property, might not be, "Do you know how much trouble and expense your heirs will have in getting your estate settled if you don't leave a will?"

We have it fresh on our minds since we spent part of the weekend helping our nephew get signatures to some of the multitude of papers and other details necessary to settle his father's estate. It will be interesting to know just how many miles he travels, how many letters written, and how much expense he goes to just to get an estate consisting of a lot, a house and furnishings, a few personal effects, and a car settled! All this and there were no disagreements between the children, no minors to consider, insurance and bank account weren't involved, no complications at all—just a very simple problem! Anyway, after having the experience, my nephew's colorful remark was to the effect that anyone who owned two suits of clothes "just doesn't have all his marbles if he doesn't make a will."

Important questions and answers concerning wills are discussed in an extension bulletin "Why Make A Will." Copies are in our office if you'd like to have one.
