Christmas gifts. Remem-  
at you can include your  
ard or letter inside your  
if you'll just add the  
First Class mail stamps

# Rankin Seeks District Crown Against Wink Friday Night

## UPTON 4-H CLUB TO ATTEND CHICAGO EXPOSITION

4-H Club Members March At International Livestock Show

CHICAGO, Nov. 11— Upton Co. entries were among the first received for the 59th International Live Stock Exposition and Horse Show, the management reports.

This will be the first time for the Upton Club to enter the "World Series" of Livestock shows. They plan to leave Rankin on November 25.

The Exposition is the world's largest competition featuring the meat-making breeds of farm and ranch animals and horses. It will be held November 28 to December 6 in the International Amphitheatre and a large area of the adjacent Chicago Stock Yards.

Upton County will enter some two truck loads of lambs with Bobby McAden, Carolyn Branch, Wayne Kennemer, Virginia Harral, James

McDonald, Corkey Thornton, Ann and Butch Moore, Bud Poage and John and Frank Boyd all having entries. They will show Southdown lambs in the fat and carcass classes in this world famous event.

The show management predicts entries of more than 10,000 animals from more than 30 states and Canada. They will compete for \$100,000 in cash prizes and the high honors that go with winnings in this largest and climax livestock event of the year.

### GIRL SCOUTS SELL NUTS

The Girl Scouts have peanuts and mixed nuts for sale. Those wishing to make purchases may contact members of that organization.

### RANKIN BAND TO BEGIN

### MAGAZINE SALE TUESDAY

Members of Rankin's Red Devil Band will begin selling magazine subscriptions next Tuesday for the purpose of raising funds for their band program.

They will be making a door-to-door campaign and offering renewals and soliciting new subscribers to a large line of nationally known magazines.

### Election Canvass Shows Tie In JP Race

In the duties of making the election official, members of the Commissioners Court last Monday canvassed the November 4 election returns and found everything to be in order. In so doing, they declared the race for Justice of the Peace in Precinct Three to be a tie with 150 votes for F. E. Carter, the Democratic nominee and 150 votes for Joe Hendrickson, Independent.

Two methods now remain for resolving the matter. The two candidates can agree on a manner such as flipping a coin or they can let the matter stand as is and it would then be up to the commissioners to call another election to settle the issue.

As of last Wednesday, no definite plans had been announced on any method of settlement.

### Iraan Turkey Shoot To Be November 15-16

Members of the Iraan Rifle and Pistol Club have announced that a Turkey Shoot will be held at the club's rifle range located beyond (Continued to back page)

Friday night will be the big one for the Rankin Red Devils, a team picked in pre-season guessing as being hard pressed to stay out of the last place in District 5-B, when they journey to Wink to play their final conference game. As matters now stand, Rankin can lose the game and still tie for first place and a chance to represent the district in play-offs by winning the flip of a coin.

However, all indications are that the Red Devils are not looking for a tie but will be out to take an undisputed championship and extend their regular season record to a 9 won and 1 lost record. It now stands at 8-1 by virtue of their heavy-ended win over the Grandfalls Cowboys last Friday. At the same time, the Wink Wildcats, considered to be one of the best Class B teams in the State, will be fighting to keep their foot in the door for a chance at the District crown. They lost by 15-0 to Van Horn last week but had to play most of the game without the services of their star fullback who was tossed out of the game on the fourth play for a personal foul.

### BOTH TEAMS SLOWED—

Reports from both schools would indicate that a wide-open is in store for fans as the squads have been preparing for this important tilt with plenty of vigor over the past week. For the Rankin Red Devils, a minor siege of sickness and injuries has plagued them recently. Wayne Kennemer, the regular right end who had played a strong defensive part two weeks ago against Van Horn, missed last week's game due to a muscle injury and is still not fully recovered. Several others are out with colds and sore spots.

Wink is reported to have lost the services of one of their first-string guards against Van Horn and is said to also have a few minor ailments in their squad.

Both teams will be about the same weight in line averages with Rankin taking a slight advantage into the game in backfield positions. For Wink, a strong full back and a speedy halfback will carry the burden offensively. The cats use an offense similar to Eldorado with a little less spreading. They are regarded to be strong on passing and will be to an advantage on speed in backfield position.

### DISTRICT FEVER—

Trick or treat came late last week for the Wink Wildcats in Van Horn and about the only one who got the favors are the Rankin Red Devil football team. By virtue of the Eagles win over the Cats, the worse that Rankin can now get out of district 5-B is a tie for first place and a chance for a flip of the coin to represent district.

But who wants a tie—a clean

sweep is the thing that would settle the argument definitely and the Rankin football team is just the bunch who can pull it out of the hat—or the helmet as the case may be. Van Horn's win ought to prove to everyone that Wink can be stopped and if we can beat the Eagles—we can beat the Wildcats.

It won't be easy — in fact, when it is considered that the game will be played on the Wink field— it could be said that the Wildcats are at least 6 point favorites to win. But, we can't buy that. Rankin has one of the best defensive units in Class B as anyone who saw the Van Horn game must admit and we are sure the boys want to win.

So—one more time we go with the Red Devils; having picked them to win 10 times now and having missed only one and that by a fluke as far as we're concerned in the O-zona game.

And a word to the team—you are the bunch picked throughout West Texas to get little better than out of the cellar this season. You have been accused of playing an easy schedule and have been picked to loose on all of the big ones by first one "sportswriter" and then another. Now is your chance to prove to one and all that you are a championship ball club.

Get a Wildcat.

And a word to the fans: Let's go over in bunches and cheer the Red Devils. These kids have worked hard and have already done a wonderful job regardless of how the game comes out Friday night.

Let's all go to Wink.

### POOR DRIVERS—

Almost every day now the post-man delivers to Rankin law enfor-

cement officials a notice from traffic officers in Midland, Odessa or San Angelo—Midland, mostly—to the effect that they have picked up a Rankinite for breaking traffic laws in their town.

That proves two things: Either we are spending a lot of time shopping out of town or we need to get in a little practice right here at home on obeying traffic laws, stop signs, etc. The City of Rankin went to considerable expense and trouble to put up all the stop signs around town—not with the idea of making driving difficult or to have excuses for picking up violators—in fact, they have been extremely lenient on such matters. Those signs were put up to make driving safer—the same reason they are in any town. We could all likely improve our city-driving manners by being a bit more careful with our hometown driving.

### STARTING EARLY—

One of our local grocerymen reports that he recently had a youngster who bought a 10c piece of candy and paid it out a nickle down and a nickle a week.

Who says we don't give our youth a liberal education in modern living.

### THAT'S SETTLED—MAYBE—

This year has been one of the roughest we can remember in a good while on candidates. There was a time when election in a democratic primary assured the winner of taking over the office without any further ado. But not this year.

Races were hot and seats were still changing hands as of last Tuesday and the thing is not fully settled yet with the tie for the JP office in McCamey. Other than that particular office, things appear to be pretty well settled—maybe.

### FLOWERS—

We would tip our cap this week to Upton County voters who turned down four of the nine proposed amendments. Only two lost in the state-wide race but we got in our licks here.

Mr. and Mrs. Shirley Little had as their guests the past week end her aunt and uncle, Mr. and Mrs. D. W. Barns from Santo, Texas.

## Annual Livestock Survey Starting

Postmaster Grace Roach announced today that she will begin distribution of Livestock Survey Cards at the Post Office about November 20. These cards will be given patrons having livestock or poultry.

This livestock survey, which the Post Office and Agriculture Departments have made cooperative ever since 1924, provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating number of cattle, hogs, sheep and chickens on Texas farms and ranches.

In order that this area be well represented in the survey, the Postmaster requests that patrons fill out and return cards promptly.

### EAT LIVER ONCE A WEEK

For variety and food value include liver on the menu at least once a week. Beef, lamb, pork and veal liver are all exceptionally high in iron.

The need for iron varies at different ages and under different conditions. During infancy, adolescence and pregnancy it is especially high. A deficiency of iron in the diet may result in nutritional anemia.

It is generally believed that the iron of animal foods is more valuable to the human body than that of vegetable foods. Only a portion of the iron in food is absorbed by the body; therefore, it is important that a good supply of oysters, eggs, vegetables, dried fruits, whole grain or enriched bread and cereals be included in meals.

Utilize the distinctive flavor of liver to advantage by combining it with other foods, such as bacon, mushrooms, tomatoes, onions, potatoes, carrots and parsley.

### SAVORY LIVER RECIPE

1½ pounds calf or pork liver  
¼ cup chopped onions  
2 teaspoons chopped parsley  
2 tablespoons butter or marg.  
2 tablespoons flour  
1 teaspoon salt  
dash pepper  
2½ cups bouillon (made from bouillon cubes)

Cook liver, onion and parsley in fat until lightly browned, turning to brown both sides; remove liver, stir in flour, seasoning and vinegar; gradually add bouillon stirring and cooking until well mixed. Place liver in gravy and cook, covered, 15 minutes. Serves 6.

Mr. and Mrs. Leroy Wiest of Kermit are the parents of a girl born November 4 weighing 7 lbs., 11 ozs. and named Darla Jo. Mrs. George Ferguson of Rankin is a grandparent.

Mrs. Ray McKnight and son, Ronnie, of El Paso visited last week with her parents, Mr. and Mrs. B. P. Miller. Ronnie remained with his grandparents for an extended visit.

Mr. and Mrs. Pat Yocham were in Quemado last week visiting with his mother, Mrs. L. P. Yocham.

Mr. and Mrs. W. L. Gotcher were in Rankin last Wednesday from the Fort Stockton Robbins ranch.

Mr. and Mrs. Alfred Sanders and son moved recently to Artesia

## TEXAS CHAMPIONS OF FREEDOM JUDGE ROY BEAN

Defender of Liberty and Justice for All

Judge Roy Bean, Texan by choice and famous as "Law West of the Pecos," not only believed in and fought for freedom... he lived it, ignored with magnificent unconcern the conventionalities of his times... and dealt out considerable measures of liberty to his fellow citizens when he had the power to do so. Originally a Kentuckian, he drifted West to fill several adventurous and romantic years... with duels, jails, escapes, prosperity, and service as a Southern irregular in New Mexico during the Civil War. Then... Texas, as a freighter, butcher, wood contractor, saloon keeper in San Antonio. There his home neighborhood on Flores Street is still sometimes called "Beanville." His schemes for raising money, winning lawsuits and avoiding payment of rent gave rise to a wealth of legend. In 1882 financial and domestic difficulties indicated a new base of operations... elsewhere.

Bean departed westward, to follow the grading camps of the Sunset Railroad builders with a profitable tent saloon. Near Vinegaroon, across the Pecos, he settled down... where he later named a small town Langtry and made it famous. As Langtry's Justice of the Peace, he adopted the title of "Law West of the Pecos"... and made the title stick.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Texas Division, United States Brewers Foundation,  
206 VFW Building, Austin, Texas

## TELEPHONE TALK

### IDEAS FOR '59

One of the biggest "brainstorm" sessions of the year now is being conducted by Southwestern Bell Telephone Company.

All telephone men and women are attending "ideas" meetings to offer their suggestions on new and better ways to do their jobs and run the business, whether it is a suggestion for saving paper clips or a better way to design telephone equipment and buildings.

All ideas will be examined by top officials of the company, and suggestions which are accepted will be included in our company's program for next year.

But telephone people who make good suggestions won't necessarily have to wait until next year to see them put into effect. Good ideas with local application, which will help us provide better service or do our jobs better or more economically, will be put into effect IMMEDIATELY.

The company has always encouraged new ideas from employees, but the "Ideas for '59" program provides a system for insuring that all suggestions will be considered and the people making them will get full recognition.

The end result? Better telephone service, constantly improving through the years, for you and all our customers.

### A NEW FAMILY PLAN

For some time now, railroads and airlines have been telling people about "Family Plans." Well, I recently heard of an older couple who thought up their own "Family Plan" for get-togethers with their married children living out of town.

Since Sunday always seemed the loneliest day without the family around—and because long distance rates are lower all day—they set up a regular Sunday calling schedule for their sons and daughters. On the first Sunday of the month, Bill, the oldest son, calls and puts the whole family on the line; on the second Sunday, it's the middle boy, Ralph. Jane, the only girl (she has a little girl of her own now) calls on the third Sunday. On the fourth Sunday, it's Tom's turn. He's the youngest, and just married.

I didn't learn what happens when a month has five Sundays, but I do know that these Sunday calls turn a lonely day into a happy one for the folks back home.

### Touchdowns By Telephone

Many telephone employees aren't as lucky as I am when it comes to football. Usually—if I can duck all the projects my wife saves up for me to do Saturday—I can enjoy a game on radio or television.

For other telephone people, football is work, because broadcasts and telecasts, as well as news accounts of the games, are flashed from city to city over telephone company lines.

Here in our part of the country, where there's so much interest in football, it takes a lot of skilled telephone people and a lot of telephone facilities at work to keep fans in touch with what's happening to their favorite teams.

Call by number. It's twice as fast.

## CREDIT BUREAU OF WEST TEXAS AT REGIONAL CONFERENCE

Mrs. P. V. Brown, Credit Bureau of Rankin Pinkie Holt, her assistant, and other prominent visitors in San Antonio attended the West Texas Regional Consumer Credit Conference.

Held in the Hotel Comstock, the conference dealt with a variety of subjects relating to the credit business throughout West Texas in particular.

"We feel that it was a very successful meeting and that a number of things that we can do to better serve the public in the Credit Bureau," Mrs. Brown has said.
