Pettit, Simpson, Hurst Win In City And School Elections

Rankin voters appeared to be in no mood for changes in the two elections held since last Saturday as they returned both incumbents to offices. Out of ten seeking the city and school positions, both Pettit and Simpson led their respective

tickets. Pettit was the winner over Mark Price by 71 to 44 in Tuesday's City vote while Simpson had 171 to lead the school balloting. Johnny Hurst received 158 votes to capture the other school board seat.

Simpson and Hurst were sworn in to the school board seats last Monday night following a canvass of the returns by the board. At the same time, the school officials reorganized for the coming year and maintained their same officers as previously. Bruce McGill is president, Walton Harral, vice-president and Floyd Everett, secretary.

Ray Boggs is the other City councilman and A. E. Ivy is Mayor.

RECORD VOTE

With 331 ballots marked, a record turn-out was established for the school election. Of that number, 23 were cast at the Midkiff box and 311 in Rankin.

In addition to Simpson and Hurst Dr. J. D. Gossett received 118 votes, Allen Moore, 110, Ward Thornton, 49, Myrie Brown, 31, Blanche Lewis, 22, and Willie Poyner, 20.

4-H Club Barbecue Will Be Friday Nite

Achievement night will be observed by the Upton County 4-H Club Friday, April 10 at which time they will hold their annual barbecue.

Slated for 6:30 at the Rankin Elementary School Cafeteria, the affair will see awards such as Best First Year Feeder, Showmanship, etc. made to the members of the club.

In addition, mention of some of the highlights of the past season will be given. During the current show season, the club had a large number of winners and sold most of their lambs with the results being a profitable financial year for the youngsters.

UP TO 1 INCH OF RAIN REPORTED IN AREA

With only a trace splattering the city proper, areas to the north and west of Rankin reported up to 1 inch of rain last Tuesday night.

Dwayne Lindsey received that amount on part of his ranch while Preston Patton had one-half inch on the west.

BIRTHS

Mr. and Mrs. Paul Farrar of Rankin are the parents of a son born April 2 at 7:50 a.m. weighing 8 lbs., 15 ozs. and named Frank Wesley.

PHYLLIS BROWN TO HEAD RANKIN CHEERLEADERS

PHYLLIS BROWN
'59-'60 cheerleader

Final tryouts for the Rankin High School cheerleaders for 1959-1960 season were held last Tuesday. Phyllis Brown, daughter of Mr. and Mrs. P. V. Brown, was selected as head cheerleader. A junior, she has been a cheerleader three years, was class favorite and homecoming candidate two years, was football queen, Student Council secretary and Halloween duchess one year. At the present time, she is secretary of the National Honor Society, treasurer of the Junior Class, member of the girls "A" basketball team and tennis team and the Annual Staff.

Others who will be leaders next year are Lynda Harper, a junior and daughter of Mr. and Mrs. L. D. Harper; Carolyn Miller, a sophomore and daughter of Mr. and Mrs. C. L. Miller; and Joy Braden, a freshman and daughter of Mr. and Mrs. L. V. Braden. Runners-up for cheerleaders were Sue Eaton, Kay Parting, Anna Ford, Carolyn Harper, Dovonia Higgins, Betty McCain, Jeanie Hughes, and Jean Melton.

In August the four cheerleaders will attend a week-long school at Southern Methodist University in Dallas. The girls will study various techniques of yelling, tumbling, audience participation, etc. Mrs. Avonlee English, cheerleader sponsor, is to accompany the girls.

Upton County Reports Increased Tag Sales

Sales of 1959 vehicle licenses in Upton County pushed well ahead of last year's mark in value as a total of \$127,988.46 had been sold as of March 31. This was \$26,664.21 better than last year's end of March sales which totaled \$101,324.25.

Upton County receives all of the first \$50,000 from vehicle registrations and one-half of all over that amount. Last year, the County had about \$100,000 brought into the treasury through the tag sales for the year of 1958.

In a county which is unusual in that vehicle registrations almost always outnumber poll taxes, totals for the end of March, 1959 were also up over last year. As of the 31st of March, 1959, sales were as follows:

Passenger Cars	2050
Trucks	742
Others	388
At the end of March in 1958, the totals were:	
Passenger	1773
Trucks	622
Other	312

Totals will be larger at the end of the year, both in numbers and money taken in.

PROCLAMATION

WHEREAS National Library Week has been officially set for April 12-18

AND, Whereas the citizens of Rankin & Upton County are most fortunate in having at their disposal two fine libraries

I, as Mayor of the City of Rankin, do hereby declare April 12-18 to be officially known as Library Week in Rankin and call upon all residents to visit these institutions at this time.

Signed,
A. E. Ivy, Mayor
City of Rankin

SELECTION OF UN TRIP WINNER WILL BE MADE TUESDAY NIGHT, APRIL 14

Six applicants are now under consideration for the UN Summer Tour being sponsored by the Rankin Odd Fellow Lodge. Final selection of a winner is scheduled to be made Tuesday night, April 14 with the speaking contest to be held at 8:00 p.m. in the high school auditorium.

This contest is open to the public and all are invited to attend.

As a result of the fried chicken dinner served last Tuesday week by the Rebekah Lodge, the student-winner is now assured of enough money to make the trip. However, the Lodge reports that they are still some \$50 short of having enough to cover all expenses and are asking that anyone who so desires, make a donation to either Oscar Lee or R. L. Bell.

Dr. R. E. Norris To Offer Contact Lenses

Dr. Robert E. Norris, McCamey Optometrists, announced this week that he now has on order special equipment which will enable him to offer his customers the advantages of contact lenses. Dr. Norris expects delivery of this equipment shortly.

He returned last week from Waco where he attended the Southwest Contact Lense Congress and reports that many improvements in this type of eye aid have been made.

"We feel that with the addition of the contact lense service, we can truly say that we have a complete optical service for the people of Upton County," the Doctor has stated.

Plans Planned for Library Week

County and school libraries are expecting a nice crowd to visit in the libraries April 12-18. This will be Library Week, which is celebrated by open house tea in the county library through 8:00 p.m. on April 12. The celebration has been extended to the public.

Members of Rankin who wish to be in a memorial book for the year 1959 will be requested to contribute. Mrs. J. W. Edwards, county librarian, Mrs. Janelle Moore, Rankin, will be available of those visiting during the week to acquaint each the privileges afforded in Rankin. Mrs.

THE LIBRARY

ME

In my opinion is a place where I can go to get complete information for a theme or a speech. It is a place where one can find almost any kind of reference that is almost any time.

of all the library to go where I can get the kind of books I want. The library is a place where one can just stroll up one and the other just look at them and once in a while to read a small book or to pick a book to take back to a quiet place and sit reading with nobody to disturb.

Library means to me a place where I can go to find what I need.

MAKING a good place to study but also a place of pleasure. If you need any information, you can find some.

an excellent place for pure pleasure. The library is a place of interest.

CONGRATULATIONS—

Congratulations are in order for the fine turn-out at the school elections last Saturday. Interest in civic affairs such as that record vote will insure us of a better-than average Democratic process in selecting our governing officials.

Residents of Rankin also came in for some praise a week or so ago from Rep. Louis Anderson when he was here for a visit. According to him, the folks here are more alert to Legislative doings than the big

majority. He said that he always can depend on the local folks to send him letters and telegrams concerning the various bills that go before the Legislature.

This is good. The more interest the average citizen will take in such matters, the less likely are we all to get a batch of laws which very few people favor but which are usually sneaked through the Austin law-mill without anyone catching them until they are already on the books.

Protesting or supporting a piece of legislation does not always result in the desires of those doing the lobbying being carried out but at least you have had your say—for or against. Actually, time taken for such matters is never wasted—it could be the very thing that would cause the law-maker involved to make up his mind on the matter under consideration.

OFF BASE—

In the past thirty days a lot of gabbing has been gabbed about the Juvenile Bill for Upton County. It has drawn about as much attention as any matter this year. After a goodly amount of time talking to various ones I believe that most of the citizens are against this bill. It would appear that a lot of folks just don't see any need for any such rigamarow. It would seem to be the opinion of a good majority that it's a lot of wind about a lot of nothing. Personally, I think we need about as much Juvenile supervision in this county as we do witch hunters.

Drunk drivers can scramble up and down the highways, get arrested by our laws and turned loose by our juries. Why so much bother about a handful of kids who have been caught stealing. We'd much

rather have some kid take our hub caps than have a dammed drunk wreck our entire car plus all of our upper plate and good right arm.

There was a time when a good thrashing with a razor strap took care of the "juvenile" problem. Now we must have a head shrinker, a special set of laws and a special set of enforcers.

For that matter, why bother with juveniles anyway. Under our present laws, there's nothing that can be done with them except send one to Gatesville and that certainly is only covering up a mistake—not correcting it. In that place a kid can get a real education on how to be a first-class rat—plus being marked as a bad character who was sent up the river. If a kid can't be controlled by his parents or those responsible for him and insists on breaking laws that apply to adults as well as juveniles, then it would seem that the kid could be punished under the same set-up.

To get around to what we set out to say, our neighbor over in McCamey in the newspaper business has been getting after this Juvenile Bill and Rep. Anderson, the Commissioner's Court and the County Probation Officer pretty heavy the last two weeks. I'm glad to see them take a stand but must point out that in last week's issue there were some unanswered questions that ought to be answered.

In the first place, the Upton County Commissioners did not appoint W. O. Adams as Probation Officer for juveniles. McCamey's own pride and joy, Jim Langdon, in connection with Judge Pat Patterson was responsible for that. And Adams was reluctant to take the job since there was no pay attached for which we do not blame him.

Nevertheless, he did accept and served the County for almost 12

months without pay. Nor did the Commissioners Court vote to pay him a salary—that idea was brought up by a Grand Jury, with several McCamey citizens on it. They recommended that a salary be paid to Adams. First figures kicked around for the job was about \$6,700. per year but the Upton County Commissioners would not go for that figure and set it at \$300 per month which is less than is paid park caretakers.

Then comes the matter of a suggestion by the editor that H. Wheeler was anxious to get Adams on the County payroll. Anyone who knows Wheeler and has watched and listened to him in discussions which have come up in the Commissioners Court, knows that that could not be so. Wheeler has been reluctant all the way through on even going into this juvenile business. He has spent a good deal of time trying to get Anderson's Bill stopped before it is passed and is still against it in principal.

The job of Probation Officer may be a plumb in the sense that there are only 10 or so juveniles in Upton County, but it is not a political plum and no bargains were made—

The story of

WILLIAM ALLEN WHITE and The Church bell

"I don't need to advertise," an established merchant in Kansas once told William Allen White, renowned publisher of The Emporia Gazette. "Everybody knows me and knows what I sell."

"In that event," replied the thoughtful publisher, "we can dispense with the oldest advertising medium for the oldest institution in the world. See that church down the street," continued Mr. White, pointing to one of Emporia's oldest and most beautiful structures, "That church has been established here for many years. Everyone knows what it is and what it does. In the tower of the church is a bell and every Sunday it rings out to remind folks to come to church.

"Shoppers go where they are invited and stay where they are well treated," concluded the publisher.

"Regardless of how well established a firm may be, newspaper advertising is a repeated invitation and a reminder to come and do business with that store."

NEED MORE MILK?

Do you find it a problem to use all the milk the family needs each day? That's a quart for every child and at least a pint for adults, you know. There are many ways to include milk in the foods we eat without altering taste nor adding much in the way of calories but adding a lot in the way of essential minerals and other food elements.

This month we have been working some on "eating" your quart

of milk a day and will be glad to share the recipes with you if you'd like them. We have one page mimeographed. Here is one for cheese fondue that's just loaded with milk.

- 2 cups soft bread crumbs
- 1½ cups grated cheese
- 1 cup dry milk, whole or non-fat
- 1 teaspoon salt
- 3 cups water or fluid milk
- 1 tablespoon fat, melted
- 4 eggs, beaten

Combine bread crumbs, cheese, milk powder, and salt. Mix thoroughly. Add liquid and fat. Stir until milk powder is dissolved. Stir mixture into the eggs. Pour into greas-

ed baking dish. Bake in moderate oven (350 degrees F.) until set—about 30 min.

In general you can add as much as ¾ cup of milk powder to 1 cup of liquid called for in the recipe in preparing foods. This would make the dish at least twice as rich in milk as dishes made with fluid milk alone. Up to three tablespoons of milk powder may be added for each cup of flour in baked products without altering the quality, other than richer browning. Main dishes, desserts, breads, may all be enriched through the use of powdered milk to help you "eat your pint a day".

FIRST AID COURSE IS COMPLETED IN RANKIN

The last of a series of four classes on approved Red Cross First Aid was held in the Rankin Park Building on Thursday evening, April 2, at 7:00 o'clock.

Shell Pipe Line Corporation offered this training without charge to its employees, their families and others who were interested in First Aid.

The new ten-hour course covered the techniques of "What's New In First Aid". It was presented in two and one-half hour sessions on Thursday evening of four consecutive weeks and was well attended.

Mary Pierce and Mrs. Bill Nix honored Mrs. Linton Clark with a birthday dinner Sunday at the home of Mrs. Pierce. Others present were Mr. Clark, Miss Grace Roach and Miss Rebecca Reed.

New Officers Elected For Xi Epsilon Chi

New officers were elected at the Tuesday meeting of Xi Epsilon Chi Chapter of Beta Sigma Phi.

Officers for the incoming year are: President, Lurline Owens, vice-president, Lucy Simpson; recording secretary, Dorothy Hurst; corresponding secretary, Velma Lane; treasurer, Sug Boggs. Standing committees are headed by: Program, Alma Adams; Social, Mae Price; Ways and Means, Carolyn Hood; Historian, Publicity and Photography, Lelia Scarborough; Telephone, Christine Day; Service, Bettie Elrod.

During the business meeting, the Chapter voted to give \$15 toward sending a delegate to the U.N. and \$15 to the National Honor Society for the banquet. The Chapter also voted to donate a book to the library during National Library Week.

Mrs. Bill Hood gave the program to the group on "Stimulants to Thought". The topic was divided into internal emotions such as joy, love, sorrow and fear and stimulants to external emotions such as TV, radio, newspapers, reading, music, contact with people, etc. This was reported as having been a most interesting program which was enjoyed by all.

Following the business session, refreshments were served.

"ISAIAH SPEAKS" IS TOPIC OF WSCS TUESDAY MEETING

The Woman's Society of Christian Service met at the Methodist Church Tuesday, March 31 at 7:30 p.m. to continue the study of "Isaiah Speaks" by Paul Schilling.

Those taking part on the program were Mrs. Walter Goodwin, Mrs. C. A. Shaffer and Mrs. Bruce McGill.

Mrs. Grace Clark Turner was a recent visitor in the home of her son and daughter-in-law, Mr. and Mrs. M. F. Turner.

Mr. and Mrs. Sam Holmes left Wednesday for Pearsall where they will visit with his brother who is ill.

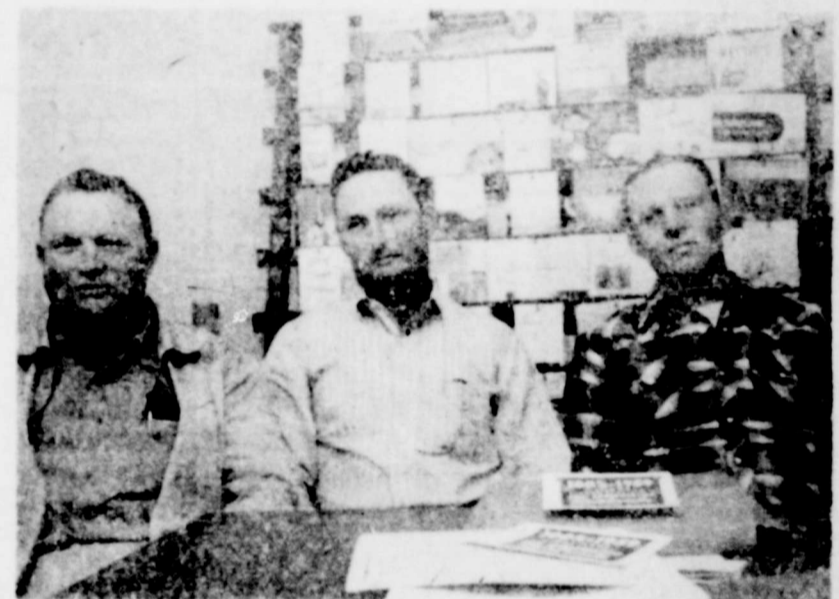

Mr. and Mrs. C. B. Davis visited over the week-end in Eldorado with their son and daughter-in-law, Mr. and Mrs. Robert Davis.

"Cold" season is almost gone, but wouldn't it be wonderful to not have to worry with the sniffles? and when a new vaccine against the common cold has been tested and proven, the telephone company may have a part in the experiment. TEXAS CHAMPIONS OF FREEDOM LT. DICK DOWLING

The Fighting Irishman Who Stood Against an Army

Because a young Irish immigrant didn't know how to be afraid, Texas was spared the devastation suffered by Georgia and the Old South during the latter years of the Civil War. Lt. Dick Dowling, 25 years old, was a bashful, simple, easy-going "paddy" from County Galway. With 46 of his fellow dockworkers from Houston, he was commanded to defend Sabine Pass in that September of 1863, when it was selected by the North as the invasion point through which the entire state could be taken. Lt. Dowling and his 46-man homeguard outfit had six small and ancient guns, in a low mud fort, with which to defend his adopted state. Against him... a massive Yankee amphibious force of 21 warships, three field batteries, two heavy batteries, 5,000 well armed soldiers and two Generals.

But then, David had only his sling-shot to use against Goliath. It seems incredible, but it's Texas history, and a glorious chapter... Dick Dowling's

little band of "Dockwallopers" beat off or destroyed the fleet, ship by ship. They captured 350 of the invaders who succeeded in landing, and got away with quantities of supplies. Texas remained free of Northern occupation, to become the refuge, the hope, the new home for thousands fleeing the Union forces.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.
