Annual Kid Rodeo Plans Taking Shape

With little more than a month remaining, plans for the Annual Upton County 4-H Club All-Kid Rodeo, to be held in Rankin June 12-13, are taking shape.

Dub Day, county agent, said that this year's show will be staged with the same thought in mind as have those in previous years: namely, to make it the best one yet. A number of improvements to the grounds have been made over the years and greater enjoyment by those in attendance has been the results.

"We set out to make this one of the best Kid Rodeos in Texas," Day said, "And if this year's show is anything like those of past performances, we believe we can say that we are succeeding."

Entries are now coming in for both Junior and Senior Divisions and girls as well as boys are entering. There will be calf roping, steer roping, hair pulling, barrel races, boot scrambles and ribbon roping among other events. All contestants are 17-year-old or less.

Belt buckles are given for first place winners and a saddle goes to the all-around cowboy.

Previously, entries have come from all over West Texas and as far away as New Mexico.

Entries should be mailed to Dub Day, County Agent Upton County, Rankin, Texas.

CRAZY MIXED UP PIG—HADN'T READ NEW LAW

Some pigs just ain't smart. One day this week, a not-so-bright Javelina Hog brought himself right smack into town—not knowing, of course, that Upton County has one of the few laws permitting open season of his species. He was, however, smart enough to make his appearance near the Rankin Hospital—just in case.

A great deal of commotion was the result of his visit. Kids were hollering, dogs barking, a puss cat or two ripped a stitch and some of the local marksmen took a couple of dozen shots at the city-going pig. Sheriff Eckols arrived on the scene but by that time, the hog had lost all interest in city life and was last seen down a gun barrel sight as he topped the hill, heading West for the wide open spaces.

One fellow grabbed his trusty Winchester and rushed to the scene only to remember that he had forgot where hed put the shells for the thing.

Hogs will be hogs and this one had his moment of glory when he was the center of attraction.

Funeral services for Mrs. F. W. Welling were held at 2:00 p.m. on Saturday, May 9 at the First Baptist Church. Rev. R. L. Shannon, pastor, officiated and was assisted by Rev. Spears of the McCamey First Baptist Church. Burial was in McCamey Cemetery.

Mr. Welling has been an employee of West Texas Utilities for a number of years and has been manager of the Rankin office since coming here. Two Boys Cop Honors In Senior Class Of '59

Proof that the shoe is sometimes on the other foot was seen this week with the announcement by high school officials that two boys captured top honors in the graduating Senior Class. Usually, the girls have these honors pretty well to themselves with one boy occasionally being able to cop one of the top spots.

This year's valedictorian and salutatorian are unusual in another way and that is that both are top athletes in Rankin Schools. Little has been awarded a scholarship by Texas Tech while Lewis has been one of the workhorses of Red Devil football teams for four years.

Little is the son of Mr. and Mrs. Rex Little. Lewis is the son of Mr. and Mrs. G. A. Lewis.

Highest honors for the girls of the graduating Seniors went to Jo Ann Maxwell, daughter of Mr. and Mrs. C. C. Maxwell. Her average for four years of high school work was 91.6111.

STUFF—

Just recently I heard three good jokes, so to speak.

Preston Patton is responsible for the one about West Texas ranchers and their never-ending desire for just a little bit more rain.

According to Preston, Noah and his crew on the Ark—which included one of the original West Texas ranchers—had just experienced 39 days and 39 nights of rain.

"Man, look out there at all that water," Noah said.

"Yeah," said the ranches. "It sure is nice but wouldn't it be dandy if we could get a little more to go with it in a day or two."

Then there is Fred T. Prentice who will be off this summer for a visit to a number of foreign countries including a stay in Russia. Fred has him one of those little hand books that gives the English words and the Russian word that means the same thing.

Fred is having a time trying to pronounce the Russian words and as of last Monday had only gotten around to mastering one word: "Help!"

Our third joke was by a traveling salesman and is told by appointment only.

COPY CAT—

Getting out this paper is no picnic.

If we print jokes, people say we are silly.

If we don't, they say we are too serious.

If we stick close to the office all day, we ought to be around hunting material.

If we go out and try to hustle, we ought to be on the job in the office.

If we don't print contributions, we don't appreciate genius. (This article was contributed.)

And if we do print them, the paper is full of junk.

If we edit the other fellow's stuff, we're too critical.

If we don't, we're asleep.

If we clip things from other papers, we are too lazy to write them ourselves.

Now, like as not, some guy will say we copied this from some newspaper.

We did, from The Publishers' Auxiliary, which in turn copied it from the Interstate Press, which copied it from

WELL, NOW—

For a good many years now Rankin has been sending teams of athletes, both boys and girls, to State and has always come home with an also ran record. These teams have been praised as being outstanding and that they have been. Everyone has been proud of the athletic record of Rankin Schools.

But, lo and behold, if it wasn't a group of literary students who finally captured one of the coveted "Best in the Whole Second Big-

gest State of Texas" awards, and by mere play-acting.

Of course, the athletes didn't lose all their face what with Wayne Windham winning first in the 440 yard dash and putting up a new State mark at that.

Last week end was just a good week for Rankin in the State meet business. Too bad it had to end but flowers and all that sort of stuff are in order for the kids who won the grapes.

EXPLANATION—

From what I hear, some folks got the idea from last week's editorial on County finances, that the Rankin News has changed horses and is now set against any further bond issue. Not so.

As faithful readers will recall, I

said some time ago that there was no longer any use of fighting against such things a government assistance in matters of social betterment—whether they be from a County, State or Federal level. Such things are here to stay.

Americans are a proud people. They won't admit openly that they want to get in on this "something for nothing" routine, yet they will go to the polls and approve bond issues for such things and will ask their governmental officers for added aid of this kind. And I don't think this trait of human nature is going to be repealed any ways soon.

Last week's editorial was meant to call attention to the fact that there is a limit to how much any government can do and Upton County may be nearing that limit—

BARBECUE—

Thursday night the Golf Club will throw a whing-ding to celebrate getting out of debt. This will include a barbecue with the meat being furnished by Boggs Grocery. Bert Browning has tendered his services to do the cooking. At that time, a good deal of lying about past performances on the golf course will also be in order.

Invitations were to be mailed this week to all members, both the \$6 kind and the \$3 players. Every cotton-picking one of you are expected to be on hand. No excuses, no refunds.

Time for the eating to start is set for around dark. Maybe.

JOKES HERE, TOO—

A couple of donations were made recently to this column. Among them are this definition from one Sug Boggs:

Golf: A game in which a small white ball is chased by a bunch of men too old to chase anything else.

Editor's Note: Membership in the Rankin golf club is now about 40 men—and a number of women.

WILL A SECRETARY GO TO HEAVEN?

If a Secretary writes a letter, it's too long.

If he sends a post card, it's too short.

If he doesn't send a notice, he is lazy.

If he attends a committee meeting he is butting in.

If he stays away, he is a shrinker.

If he duns the members for dues, he is insulting.

If he fails to collect dues, he is slipping.

If he asks for advice, he is incompetent.

If he doesn't, he is bullheaded.

If he writes reports complete, they are too long.

If he condenses them, they are incomplete.

If he talks on a subject, he is trying to run things.

If he remains quite, he has lost interest in the meeting.

Ashes to ashes, dust to dust;

If others won't do it, the Secretary must.

CARD OF THANKS—

We have no means of expressing our humble appreciation to all the many friends and neighbors who sent flowers, gave food and rendered so many other deeds of comfort during the illness and passing of our loved one other than to say from our hearts: "Thank You". We are especially grateful to the nursing staff at Rankin Hospital who made her last days as comfortable as possible.

To all, we again express our deepest gratitude.

Joint Breakfast Held By Betas For Mothers

Members of Xi Epsilon Chi and Omicron Tau Chapters of Beta Sigma Phi held their joint traditional Mothers' Day Breakfast, Sunday morning at 8:30 in the dining room of the Highland Cafe at which time they honored mothers and their children.

Mrs. Herbert Hurn brought the invocation. Rita Rozean played a piano selection and a reading was given by Mrs. Sybil Browning which was one of her original writings.

The group was dismissed with prayer by Mrs. M. J. Edwards.

Omicron Tau Chapter Has New Officers

Installation of officers of the Omicron Tau Chapter was held recently in the home of Cecil Shurtleff. Officers include Cecil Shurtleff, president; Coral Rankin, vice-president; Dorothy Sawyer, secretary; Stella Hughes, corresponding secretary; Naomi Odum, treasurer; Ann Harkey, extension officer; Teresa Hurn, director; Velma Lane, member advisor and Dee Rankin, sponsor.

Mrs. Sara Rozean, retiring chapter president, conducted the Ritual of Jewels. A centerpiece of yellow roses and twelve candles used in the ceremony decorated the table. Jeweled pins signifying full membership were presented to Faye Medley, Catherine Cook, Sug Bloxom and Betty Ann Holder.

The "Girl of the Year" award, which was a miniature urn, was presented to Sara Rozean by chapter director Teresa Hurn.

Following the ceremony, the group met with the Exemplar Chapter for a party honoring Founder's Day.

Mr. and Mrs. N. E. Walcher of Houston were in Rankin Monday visiting with friends. They were former residents of Rankin.

TEXAS CHAMPIONS OF FREEDOM

"BIGFOOT" WALLACE

Friend and Defender of the Young Republic

Loyalty to his clan brought William Alexander Anderson (Bigfoot) Wallace to Texas, and his loyalty to Texas enriched the history of his chosen country. Born in Lexington, Virginia, in 1817, Wallace set out for the Southwest in 1836, to avenge the massacre of a brother and a cousin at Goliad. Later he told his friend and biographer, "Texas John" Duval, that he believed the account had been squared.

Wallace was a magnificent physical specimen . . . 6 feet 2 inches tall in his moccasins, 240 pounds of bone, muscle, and courage and humor . . . a mellow and convivial soul except when it was time to fight Indians, Mexicans or outlaws. He loved to sit in the shade and tell about such sights as the last buffalo run down Austin's Congress Avenue. But Texas history records him as a fearless soldier, scout, hunter, Ranger throughout the years of the

Republic and those of the Civil War and Reconstruction. For many years he lived as he liked, and re-lived in tall tales the old days of free ways and free land . . . Bigfoot Wallace died January 7, 1899.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland . . . "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

LET THEM—TRAIN THEM

Are you expecting the youngsters to help with work around the house this summer? They can be of help and at the same time know the joy of accomplishment and develop a sense of responsibility early in life.

But you will need to give attention and patience to training them in the jobs they are to do. You will get best results if you:

1. Explain to the child exactly

what he is to do.

2. How it is to be done step by step.

3. Why things need to be done, when and where.

4. Work with him, then watch while he does it alone.

5. Leave him while he does the job.

6. And most important, praise him for good work and effort.

And we might add another—once he has been assigned a job and trained for it, let him do it. He can't learn a sense of responsibility if he's given a job and then you go ahead and do it for him.

MAKE YOUR OWN KITCHEN

STORAGE DEVICES

Need extra storage space in your kitchen? If so, you will like the ideas presented in a bulletin you may have for the asking.

The bulletin entitled, "Kitchen Storage Devices You Can Make", illustrates ideas in clean-cut sketches so even an inexperienced home carpenter can follow through. Only simple tools are needed, and many of the cupboard accessories can be made from wooden boxes, scrap pieces of lumber, or inexpensive soft wood.

Ideas for narrow shelves that fit

between counter top and upper cupboards are illustrated. Removable step-shelves, and hanging shelves are also shown. Different types of cutlery racks, files for pans, sliding trays, towel racks, and drawer dividers also are pictured.

THE WEEK AHEAD—

We meet with a 4-H group on Tuesday, attend an agent's meeting in Kermit on Wednesday, upholster one day, and two home visits to be made. With the fewer than usual scheduled meetings, we'll be glad to answer whatever calls you may have.
