

T'S RODEO TIME IN RANKIN!

The Rankin News

Serving the Interests of Rankin and Upton County

XIV—NUMBER 24

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, JUNE 11, 1959

AND ANOTHER POOL IN McCAMEY—

COMMISSIONERS COURT GETS ON ASKING BOND VOTE

At their regular meeting on last Monday, the Upton County Commissioners Court was presented with a formal petition calling for a vote on a bond issue to construct another swimming pool in McCamey. This new pool, if built, is to be primarily for use by Latins living in that community.

About a month ago, the court received a petition bearing a list of names and the request that the county build such a pool. At that time, the Court told those representing the signers of the petition, that they would "look into the matter".

Since then, there has been no definite word from the Court as to any action taken. Last Monday's petition differed from the earlier one in that it made a formal request of the Court to call an election.

UNDER CONSIDERATION

Members of the Court took the petition under consideration and are said to be in the process of determining the exact status of county bond finances before taking any definite action toward calling the election. Ordinarily a Commissioners Court will honor a request for an election call; however, they can reject the request if they find cause to do so such as the county having reached its bond indebtedness limits or that there were not enough of the signers of the petition qualified. To qualify for signing a petition of this sort, the person who signs must be a property owner in the county and have paid their poll tax.

Original estimates of the cost of the pool were around \$40,000 and about \$3,000 per year for maintenance.

Both the previous petition and the current one are said to have the support of the McCamey Chamber of Commerce. McCamey now has two county-operated swimming pools.

INSPECTING ROOTPLOWED area during Soil Stewardship Week last month are Rev. R. L. Shannon, foreground, and Rev. Lynn McAden. Results shown here are on the Noelke Estate in an area which was root-

plowed and reseeded with blue panic grass. Recent heavy rainfall has resulted in an unusually fine growth of new grass in area where rootplowing wire spreaders, and other conservation practices have been put to use by landowners and operators.

Kenneth C. Welsch Named New School Superintendent

KENNETH C. WELSCH... new superintendent

Kenneth C. Welsch is the new Superintendent of Rankin Independent Schools.

Final details of his employment for the position were worked out between him and members of the Rankin School Board in a meeting held last Friday night. He replaces Joe Scrivner who is moving shortly to Goliad.

Welsch comes to Rankin from Navarro near Seguin where he has been superintendent since 1954. He is 34-years-old.

Prior to his experience in Navarro, he was a teacher at Freer and at Randolph Field. He graduated from New Braunfels high. At Southwestern State Teachers College in San Marcos, he earned a degree in Business Administration and a Masters in Education.

The Welschs have three children; one son 10-years-old, one, 8 and a daughter age 5. They are members

of the United Church of Christ and were active civic workers in their former home community. He has served as consultant for a state-level Texas Association of School Boards study, Texas Administrators study and currently serves as a member of a college's Teacher Education Advisory Council.

Mrs. Welsch also holds a teaching degree in Elementary schools. At the present time, she has not been employed by the Rankin system.

They are expected to move to Rankin shortly.

EQUALIZATION MEETING—

The Equalization Board of Rankin Independent School District is scheduled to meet on Thursday, June 11. Anyone having business with this group concerning values of property are invited to be on hand.

Rodeo Parade Will Open Two-Day Show

... in Rankin... Saturday, young... girls from all... Texas and New... for the 7th... with a large... number of entries—both local and from adjoining areas. Fresh stock from Toyha, all in good condition and said to be ready to go, have been selected for the two night performances. Additional seating is being erected at the Rankin Rodeo Arena, site of the show, and everything is ready.

PARADE FRIDAY—

Starting off the activities at 5:00 p.m. Friday will be a parade which is to form at the Rankin Park Building and pass through town on Main, out on Highway 67 and on down to the rodeo grounds. Mrs. W. E. Rankin is parade chairman and has asked that all who will enter a float in the parade. A prize will be awarded for the best entry which is open to any business firm, civic organization, etc.

Also featured will be a large number of the contestants as well as the small fry cowhands who will join in just for the

CONFUSING SOMEWHAT—

Last week The Rankin News had an article stating that local ranchers were thinking about doing a bit of spraying on mesquite trees on their ranchland and that the Federal Government has a plan whereby they will pay half of the cost.

Object of this program being to help the ranchers produce more in the way of wool and meat from less land.

Now if I was in the ranching business and decided to spray my mesquite trees, I would take advantage of this offer by the boys in Washington to pay half of the expense. More than likely—just about anyone else would, too.

This seems like a sensible program and one that would be of benefit for the rancher and everyone else concerned since the more that is produced, the more there is available for sale and this—in an ordinary situation—would eventually result in cheaper prices due to the old law of supply and demand.

But there is a strange aspect to the whole thing. While trying to help the rancher produce, the same Federal Government has another program that pays farmers **not to produce**. This same program also pays out a lot of tax payers money each year to buy up surpluses—to keep the price high.

Seem confusing? Don't go away, there's still more.

Should one of the ranchers have a farm on which he raised—say, wheat—to feed his livestock and make them produce more—the government would tell him that he could plant only so much—not all, perhaps, that he would need—just an allotted amount.

And if he planted more than his allotment to feed his livestock to help produce more, he would be subject to a heavy fine. Yet, we have the mesquite-spraying allotment for the same reason.

Aw, nuts. You figure the thing out.

WEEK'S CAP TIP—

A week or so ago I gave Ennis

Hurst a write-up on the improvements he has made in his barbecue establishment. This week, I'd like to tip the cap to Luther Parrish, manager of the Ford Theatre for his efforts.

Parrish is making a sincere effort to give Rankin movie-goers a better place of entertainment at the picture show than has been provided for some time.

One thing he has done has been to put an end to all the yapping and talking by the younger set who apparently don't care much about what is showing as long as they can impress one another with a lot of talking, running round and noise making. That, of course, is natural

for youngsters but also has been one thing that has kept adults away from the Ford Theatre for a good while.

He is also making an effort to have some better shows and to run the type of place a person can enjoy. He has plans for still more efforts to encourage people to try the Ford Theatre and I'm all for anyone who will try.

THE NEW MAN—

Last week the school board made it official and hired Kenneth Welsch as the new superintendent. Nobody has asked me to, but on behalf of

myself and others who wish to join in, I extend a word of welcome to the Welsch family as they come to Rankin.

Mr. Welsch comes with some fine recommendations and will likely be a good man for Rankin Schools.

Of course, he will have to learn not to say naughty words like discipline, hard work and better grades and McCamey Badgers.

Seriously, it would seem that the board has done a good job and found a man who has established a record as a school builder which is what everyone should want.

TRUE TO FORM—

TOURNAMENT PLAY—

It must be admitted—as usual
the women won all the prizes in
tournament play the past week-
end. Winning the third flight in
Big Lake was Oma Lowery with
Irma Harkrider winning the fourth.
Grace Roach received a prize for
having the most putts. Others who
played were Gena Johnson, Mollie
Taylor and Genevieve Tittsworth.

Grimm and Shorty Taylor were
the only Rankin entries in the
Crane scramble this week and both
got the hand-shaking routine.

Play on the local course has held
up better-than expected during the
hot weather and despite the fact
that last week's washout did a lot
of damage to the course. Repairs
are underway.

Masonic Lodge Hosts Guests At Dinner

Members of the Rankin Masonic
Lodge were hosts at a dinner in the
Rankin Park Building on Friday
night, June 5 with their wives and
members of the Rankin OES Chap-
ter as their guests. Charles Vardy,
Johnny Rankin and Gordon Steele
were co-chairmen of the dinner.

A film depicting life at the Mas-
onic Crippled Childrens Hospital in
Dallas was shown. Rev. R. L. Shan-
non was presented a Past Worship-
ful Master's pin in appreciation of
his services to the local order.

Table games were enjoyed the
remainder of the evening.

Historical Society Hears Of Early-Day Crossett

At the June meeting of the Upton County Historical Society, Mrs. E. C. Higday gave an interesting report on one of the has-beens of the county—the little town of Crossett. Hurchell Shaw supplied much of the information.

The town was founded by J. W. Taylor before McCamey was laid out by George McCamey, in 1924. Some of the business houses and their owners were: Crossett Mercantile, owned and operated by a Mr. Mathews. This was a general store and did a thriving business selling \$1800-a-day for some years. Mr. Mathews also owned a filling station and garage across the street from the store.

One other grocery store and a meat market, Stockton Lumber Co., owned by a Mr. Harris from Fort Stockton, Oil King Blackies Cafe, Crossett Hotel, Upton Hotel and other hotels, a cleaning shop, a barber shop, modern cafe, post office and service station combined and operated by Bill Manning, a number of beer joints which at that time sold bootleg liquor, a night club and pool hall on one floor of a building and a gambling hall on the top floor, one tank farm and a number of residences made up the town.

To-day, all that is left of the original Crossett is the Texaco Bulk Station operated by Bill Morton on the outskirts of McCamey on the Ft. Stockton Highway.

In other actions by the Society, Mrs. J. L. Clark, Mrs. Higday and Miss Maggie Taylor were appointed to make plans for a pilgrimage to

Hospital Notes

Mr. O. C. Scarborough of Rankin was admitted May 25 and dismissed June 8.

Mrs. A. C. Beckham of Big Lake was admitted May 25 and dismissed June 3.

Mr. Joe Kosel of Texon was admitted June 8.

Mrs. Bobby Jean Norwood of Midland Route 1, was admitted on June 8.

Mr. Jim H. Cook of Iraan was admitted June 9.

Mrs. W. H. Gleen of McCamey was admitted June 9.

Mrs. Elizabeth Rains attended a bridal tea Saturday in Odessa for Miss Judy Fripp, bride-elect of Mr. Fredrick Gibson, grandson of Mrs. Rains. The couple will be married June 16 in Odessa.

Mr. and Mrs. Dave McKeivy spent the week-end in Rockport. Mrs. Woodie Lowe returned home with them for a visit.

Mr. and Mrs. Hank Elliott of Lubbock are the parents of a son born June 2, weighing 6 lbs., 9 ozs. and named Walton Clyde. Maternal grandparents are Mr. and Mrs. Walton Herral of Rankin.

Mr. and Mrs. W. M. Boyce of Ft. Worth are visiting the Bill Johnsons this week.

the old Upland courthouse.

fun.

Action will get underway at the rodeo proper at 8:00 p.m. each evening.

DANCE FRIDAY —

On Friday night, following the rodeo, the 4-H Club will sponsor a dance at the Park Building which will be open to all teenagers. Admission is to be \$1.00 per person with the "Night Beats", a popular teenage band from the McCamey Youth Center, scheduled to furnish the music.

AWARDS SATURDAY

Following the final performance Saturday night, the awards will be presented. The all-around cowboy will receive a saddle with silver engraved belt buckles going to the winners of the various events.

Concession stands will operate both nights at the arena with proceeds going to the 4-H Club.

"We believe this will be one of our best Kid Rodeos", Dub Day, County Agent, has said.

Harral-Culbertson Marriage Announced

MRS. JAMES E. CULBERTSON
... the former Ann Harral

Mr. and Mrs. Walton Harral announce the marriage of their daughter, Ann, to Mr. James E. Culbertson of Lovington, New Mexico. Miss Harral is a graduate of Rankin high school and Texas Technological College of Lubbock, and has been a teacher in the English department of Seagraves High School this past year.

Mr. Culbertson is a graduate of Wichita Falls High School and has served four years in the Navy. He is the son of Mrs. Vernon Goodwin of Lubbock and Seagraves.

The couple are at home in Lovington where Mr. Culbertson is employed with an oil servicing company.

Mrs. L. R. Warren of Houston, a former resident of Texon, visited her aunt, Mrs. Omar Warren, last Thursday.

Mrs. Laura Smith of San Angelo spent last week-end with her mother, Mrs. Effie Earnest.

Blanche Mitchell attended a family reunion in Ballenger early this week.

TELEPHONE TALK

by Kenneth Cochran, Manager

NITE-LITE

A new light-up telephone has been developed which combines in one set the features of an illuminated dial plus a night light. It is easy to dial in dimly lighted and dark rooms—such as, bedrooms, nurseries, sick rooms, and halls.

It's easy to operate, with the button in the left hand corner of the base of the telephone. In one position it operates the illuminated dial and the dials is illuminated only when the receiver is taken from the cradle. With the button in another position the light burns at half brilliance offering the nite-lite feature, and of course when the receiver is lifted the illuminated dial operates.

If you need to answer or dial a telephone in the dark or dimly lighted rooms, the nite-lite telephone is for you. Just call the local business office for more information and have one installed.

VACATION HINT

When you stop in the middle of your vacation this year to remember friends or family back home, why not give the "wish you were here" greeting a new twist.

Do it with a Long Distance call. It's more fun that way, and you can catch up on the news at home, too.

And remember to call station-to-station. It's cheaper—you can make three calls for the price of two.

BUSY TELEPHONES

With school out for the summer, telephones in many houses will probably be getting a real workout.

There'll be calls from the children's friends at most any hour of the day—to round up the group for a game, to arrange to meet at the movies, or to compare notes on a new bike or the latest record album.

Whatever the call, the telephone is always there to help teenagers—and small fry, too—have more fun during vacation.

If you have children whose friends keep the phone ringing at a merry clip, make it easy for your youngsters to answer without running through the house. Extension telephones will do the trick.

Why not call the telephone company for a home extension telephone today? The cost is low, just \$1.00 a month plus installation.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

TEXAS CHAMPIONS OF FREEDOM

PASTOR JOHN KILIAN

Leader and Teacher of Courageous People

Faith, wisdom and unremitting service won for scholarly, gentle John Kilian a place second to none in the hearts of his people. They were the Wends, those Baltic Germans of Slavic descent, who abandoned their homeland for a new world wilderness in the cause of religious self-determination. In 1854, 558 Lutheran Wends, refusing to obey the Prussian decree of organic union with the Reformed church, asked John Kilian to become pastor and leader in their migration to Texas. On December 16th of that year they landed at Galveston and settled in present Lee County, naming their settlement Serbin. At Serbin, Kilian was more than pastor... he was squire, legal advisor, doctor, consultant and teacher. He established preaching stations at New Ulm and Roeder's Mill in Austin County, at Louis Settlement in Fayette County and in Bastrop. Through his efforts fraternal relations with the Evangelical

Lutheran Synod of Missouri, Ohio, and of other states, were established... and today some 20 other congregations look upon St. Paul's Lutheran Church at Serbin as the mother church.

Texans will always honor the memory of a good and fearless man, John Kilian, champion of freedom.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Texas Division, United States Brewers Foundation,
206 VFW Building, Austin, Texas

CONGRATULATIONS—

Congratulations go to Fayne Zoller and Kathy Shaw for being the first to complete Clothing Unit No. 1 and having their skirts all ready for the county and district dress revue. They have already modelled them for the local group.

They are also to be congratulated for having their records all up to date. Now they are ready for the contest for the county trophy, and set to turn their records in for the various contests in August.

Kathy is moving to Big Spring. Howard County will be getting a wide-awake 4-H'er and an excellent leader in her mother, Mrs. J. D. Shaw who has been leader for the group in her camp.

METALS NEED POLISHING?

While giving our door knocker a bit of a shine, we remembered a bulletin in our office that you may like to have. It's called "Take Care of Household Metals". Directions are given for cleaning brass, pewter, copper, silver, aluminum, stainless steel, and other metals. Keeping the different household metals clean and attractive is easy when you use the right method and materials. They look better and last longer with right treatment. You may have a copy of the bulletin for the asking—phone, write or in

DRIP DRY FABRICS—

The dripping part is important for smooth drying of cotton and rayons with a minimum of care finish. For best results, lift the clothes from the rinse water, hang

smoothly on a hanger. Don't wring, twist or squeeze. As the water drips off, it smooths out creases or wrinkles left from laundering.

Some synthetics such as dacron, also have this drip-dry quality. Clothes made of these synthetics will be wrinkle free when dry **ONLY IF**

LIFTED from rinse water and hung with least possible handling. The more they drip, the smoother they are.

Upton Savings Bonds Permian Employees Sales Above Average To See Safety Film

Dunn Lowery, County Savings Bond Chairman, announced today that Savings Bonds sales for the first four months of 1959 totaled \$52,827 which equaled 37.7% of the county's 1959 goal. April sales in the county were \$4,212.

Texas sales in the first 4 months of the year totaled \$58,105,381 of which \$12,908,783 were purchased in April. Texas has achieved 31.8% of its yearly goal of \$182,500,000.

"Savings Bond purchases play an important part in the U. S. Treasury's task of wise debt management. Each individual who buys a bond is helping to provide for his country's future security as well as his own. Secretary of Treasury Robert B. Anderson pointed out recently that any person who buys

ed sheepmen on Wednesday, June 24th.

The Sale proper starts Thursday at 10:00 A.M., June 25th with Lem Jones as auctioneer.

A color movie on job safety, produced by Northern Natural Gas Company, will be shown to Permian employees and their wives from Pembroke, Plymouth and McCamey locations and to area leaders at a safety meeting in the Rankin Park Building, Wednesday, June 10.

Superintendent W. A. Walroop said showing of the movie, entitled "1,000,000 Hours" will be the highlight of the program, which will also include a discussion on home safety and a social hour during which refreshments will be served.

The movie is based on the outstanding safety record achieved at the company's Beatrice, Nebraska plant and reviews the attitudes and actions that produced the record.

"We hope that by showing what Beatrice has done to prevent on-

a Savings Bond is putting real meaning in the slogan 'Share In America.'" Chairman Lowery said.

the-job accidents, we can spur our employees at this and other locations to a greater safety-consciousness," Mr. Walroop said.

He added: "It is important that safety become a habit in the home as well as on the job if we are to realize the wish expressed in the theme of the movie—'not one injury in a lifetime'."

Scheduled to attend Mitre Peak Girl Scout Camp near Alpine this summer are Georgia Dishman, Marsha Hargrove, Gayla Wilson and Wanna Smith.

Spending a few days in the home of Mr. and Mrs. Bill Johnson are Mr. and Mrs. John McCord and children, Jerry, Judy and Jackie of Rutherford, New Jersey.

OTHER LOW-PRICED CARS WOULDN'T BE LOW PRICED IF THEY HAD WHAT CHEVY HAS!

SAFETY PLATE GLASS EVERY WINDOW

How much is this eye-protect worth to you? Chevrolet's the only low-priced car that gives you Safety Plate Glass—not Safety Glass—all around. And you get more visibility area in a Chevy, whether you pick a sedan, hardtop or convertible.

WATER ROOMINESS

Chevrolet seating space to a full 5.9 inches more than other leading priced cars. And Chevy even outdoes most higher priced sedans on seat head room.

CRANK-OPERATED VENTIPANES

A pair of real fingernail-savers, as you know if you've ever tried to open a ventipane without that handy little crank.

\$

HYDRAULIC VALVE LIFTERS

No other low-priced car gives you this oil-hushed assurance of smoother, quieter performance on all standard engines.

\$

OVERHEAD-CURVING WINDSHIELD

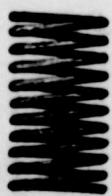

This one's a real neck-saver, as you'll find the first time you pull up to one of those elusive overhead traffic lights.

\$

BIGGEST BRAKES IN THE FIELD

Chevy's new Safety-Master brakes are built for up to two-thirds longer lining life. And you actually get more lining area than on many heavier, higher priced cars. How much is this extra margin of safety worth to you?

\$

FULL COIL SUSPENSION

A few minutes behind the wheel will leave no doubt what this is worth. Chevy's the only leading low-priced car that coddles you with coil springs at all four wheels.

\$

HIGHER RESALE VALUE

Your Chevy's worth more now—and it'll be worth more when you trade it. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the "other two."

*Based on official Guide Book figures of the National Automobile Dealers Association, industry-wide source of used car prices.

\$

Who's shopped around knows that buying low-priced three are only a few dollars apart on cost. But when you're figuring what you get for your money, Chevy widens the gap in a big way. Look over the accompanying

list of Chevrolet exclusives, then make a conservative estimate of how much they're worth to you. We'll leave it to your own arithmetic. How long would the other two be in the low-price field if they gave you what Chevy does?

TOTAL \$

Make sure you get the most for your money—see your local authorized Chevrolet dealer!
