Serving the Interests of Rankin and Upton County

XXVI—NUMBER 14

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, APRIL 6, 1961

INVITED TO BARBECUE

County 4-H Club invitation to the public to attend their annual Banquet, to be held at the elementary school cafeteria on Thursday, April 6.

The banquet will be at 6:00 p.m. for which is free, followed by presentation of awards to club members for their achievements during the past year. There will be a raffle.

High School Group to Meet Fri.

Upton County High School students will meet at 6:00 p.m. for the Interscholastic Meet in Alpine. Open to all students, the contests will be in basketball, football, and tennis. The team which is set to compete will be announced at 9:00 a.m.

There will be in the boys' spelling and plain writing and number writing contests. The spelling and plain writing will be held with the boys competing. There will be a one-day afternoon of students returning on Friday night.

REPUBLICAN TAKES SCANT 1-VOTE LEAD IN VOTE --

Tower And Blakley Lead In Upton County Senate Voting

Upton County followed the trend in West Texas in last Tuesday's Senatorial election by giving good margins to the two conservative candidates while turning thumbs down on the liberals. Republican John Tower had a scant 1 vote lead over conservative Democrat Bill Blakley in final tabulations. Tower polled 195 and Blakley had 194. In third place was Jim Wright

at 177. Fourth place went to Will Wilson with a total county-wide vote of 93. Maverick polled 23 and Gonzales had 14.

In Rankin, Blakley got the nod as the favorite, followed by Tower

and Wright, while Blakley and Tower tied in Midkiff voting at 5 each.

With the so-called top six taking 696 of the 711 votes cast in the county, the remainder of the can-

didates on the big ballot got only a scattering of votes.

In an unannounced move, county officials decided to hold the voting in only 3 boxes in the county instead of the usual six with the results that boxes 1 and 2 were combined at the Rankin Park Building, box 3 was voted at its usual place in Midkiff and all three McCamey boxes were combined into one at the McCamey park building. E. C. Higday was judge at the Rankin boxes and Mrs. Bob Calcote at Midkiff.

Approximately half of the legible voters in Upton County bothered to cast a ballot in the election. This poor turn-out was attributed to the fact that so many names appeared on the ballot—71 in all—that many voters did not care to work through that many to cast a vote for only one man.

In the City election, J. W. Kennedy polled 61 votes to win his first elective term as a city commissioner. He was unopposed in the contest.

VOTING IN THE TOP SIX—

Candidate	Abst.	Box 1 & 2	Box 3	Box 4, 5, 6	Total
Tower	1	46	5	143	195
Blakley	7	61	5	121	194
Wright	6	42	4	125	177
Wilson	7	31	2	53	93
Maverick	0	4	0	19	23
Gonzales	0	5	0	9	14

Rankin LL Holding Spring Try-Outs

Spring try-outs for the young beginners in Little League Baseball got underway this week with what league officials described as a very good turnout. The hopefuls are to work out for two days to show team managers what they can do.

Bidding for payers will be held Thursday, April 6. Workouts for the teams will follow shortly.

School Board Voting Picks Gossett, Shaffer

With a small-size total of 297 votes cast in last Saturday's school board election, results saw C. J. Shaffer, the only incumbent in the race, returned to office and "Doc" Gossett getting the nod over the other contestants for the seat left vacant by Ed Guy Banch who did not seek re-election. There was a total of 56 absentee votes cast; 213 cast at the high school lobby and 28 at the Midkiff box. This was a considerable increase for the Midkiff box which had cast only 16 votes in the last two school elections.

Voting went as follows:

Name	Rankin	Mkf.	Total
Gossett	131	10	141
Shaffer	123	6	130
Miller	83	20	103
West	74	2	76
Coolidge	54	5	59
Steele	46	2	48
Gryder	7	10	17
Trowbridge	11	1	12

New board member Gossett took over his trustee seat on the board at their regular meeting, held last Wednesday night. At the same meeting, the board was to have re-organized and elected new officers for the coming year.

This gives Rankin School a new board of A. B. McGill, Joe Simpson, Carl Shaffer, Shank Bloxom,

Ed Edgar, W. O. Adams and J. D. Gossett.

"Fashions For Tots" Now Open in Rankin

Rankin got another new business firm this week—the third to announce opening within the last month—when Mrs. Geleta Chesser announced that she has opened Gleta's Fashion For Tots in the former location of Ann's Dress Shop at 910A Main Street.

Mrs. Chesser, who has had a number of years experience in the merchandising field in department stores and childrens' specialty shops, said that she now has on hand, a large selection of dresses and play-clothes for tots from the infant size to sizes 6x. She also stated that she plans to enlarge this line to include dresses for larger girls and up through the sub-teen sizes.

The Chessers are local residents of Rankin where he is employed by The Western Company. They have two small children.

"We'd like for everyone to come by and get acquainted and to look over our stock for the youngsters," she stated. She also said that she was well pleased with the reception given her new firm so far.

Cub Scouts Schedule Monday Nite Meet

The next meeting of the Rankin Cub Scouts will be on Monday night, April 10, according to Scoutmaster Robert Holden. It is to be preceded by a pancake supper at the Elementary School cafeteria. Tickets for the supper are now on sale by the Scouts at 75 cents for adults and 25 cents for children.

Time for the supper is 6:30 with the pack meeting following at 7:30.

SCHEDULE DANCE

The Rankin Square Dance Club will hold a public dance Saturday night, April 8 at the Rankin Park Building.

Time will be at 8:00 p.m. with Byrle Wortman as master of ceremonies and guest callers on hand to call the dances.

PUBLIC INVITED—

The New Hope church in Rankin has again issued an invitation to the public to attend services there on the second Sunday of the month.

"The Spiritual Wonders" a singing group from Rankin and McCamey are featured in the services. Rev. Belcher of the South Union Church will preach the sermon.

THE BIG BITE

Right now, the Legislature down at Austin is writing new tax bills that are going to be paid by the public. At the same time, up in Washington, the Feds are busy trying to figure out how to get a bigger bite. The people are in for still more burdens. But, strangely enough, nobody seems to think much about it—or if they do, they say little publically.

Ask the average man on the street if he thinks he pays too much taxes and he will usually say "Yes". Especially is this true of local taxes such as city and school. Quite often, he will include income tax. Now, why is it that we are

The Rankin (Tex.) News— Thursday, April 6, 1961

prone to cry about these taxes and say nothing about the huge hidden tax burden that we carry. Perhaps the answer is in the way they are collected—we can see the local and the income tax because they are more or less billed to us personally, but the hidden tax—well, if you can't see it, it doesn't hurt—sorta like putting medicine in orange juice—it may taste a little different but it's still there.

They say that a bushel of wheat sells for \$1.73 and that that same wheat, made into 66 loaves of bread costs the housewife \$13.20. This same wheat has been traced all the way through the process from the farmer to the housewife and has been found to carry only a few cents profit per handler. The farmer gets 2½ cents profit for his share of a loaf, the wholesaler gets 1/20 of one cent, and so on—but the bread sells for 20 cents. (Whoever figured that out had not bought any bread lately.) Why the big gap? Hidden taxes. Over 100 different ones on a single loaf of bread.

It is said that a gallon of gas could be sold with the same margin of profit for about 5 cents if all hidden taxes were removed.

A \$2,000 car has over \$200 in hidden taxes included in its selling price. And on down the line.

Another misconception about a tax is that a lot of it is paid by big companies. But how do big companies and corporations make a profit? By figuring all their overheads and adding a margin of profit and selling their product or service to the consumer—a consumer usually being people—and taxes are overheads to a business so you ought to be able to guess at least on the second try, who really pays taxes.

Now the Texas Legislature says we must have more taxes to do all these grand things we are doing for the citizens here in Texas. I say we need more taxes like we need fleas but if we must have them, then let's cut out this busi-

**Robert Reams Now
In Korean Duty**

7th Inf. Div., KOREA (AHTNC) PFC Robert P. Reams, son of Mr. and Mrs. John P. Reams, Rankin, was one of more than 1,000 U. S. Infantrymen to join the 7th Infantry Division in Korea on Mar. 12 as part of Operation OVUREP, the Army's Overseas Unit Replacement program.

Reams and other members from a battle group of the 2nd Infantry Division of Fort Benning, Ga., became members of the 7th Division's 2nd Battle Group, 3rd Infantry (The Old Guard) upon their arrival in Korea.

Operation OVUREP, a long-range unit replacement plan, is designed to provide infantry replacements for units in Korea on a unit exchange basis at battle group level. The move marked the first time since the Korean War that a battle group unit was replaced in Korea by a unit of the same size from the U. S.

Reams is a telephone maintenance specialist in the 3rd Infantry's Headquarters Comany. He entered the Army in April, 1960 and completed basic training at Fort Benning.

A 1957 graduate of Rankin High School, the 21-year-old soldier attended Texas Tech.

Mr. and Mrs. Dunn Lowery spent the holidays in Huntsville with their daughter and son-in-law, Mr. and Mrs. Don Lewis.

We send this free booklet to industry leaders
as another step in our area development program

THE business of West Texas Utilities Company is growing because the area we serve is growing. But our plant expansion is growing faster than our business. That's because we work hard to stay ahead of the additional area growth we are convinced is coming. To stimulate even more growth, we are engaged in an extensive program designed to invite new industry our way. The campaign includes an advertising schedule in national publications, personal visits to industrial areas, development of statistical data, and area booklets such as the one shown above. This is one of the ways we work with and for our communities to assist in local development. We do so with enthusiasm and vigor because of our conviction that this area faces GROWTH UNLIMITED.

ness of trying to sneak them upon folks in orange juice and give it to us straight—then we will know what it tastes like and often, when you find the taste bad enough, you are not long in deciding that you are not sick enough to need the medicine in the first place. If we must be taxed even more, make it a sales tax. That way people can see taxes for what they are—a legal form of robbery—a Robin Hood idea that takes from the rich and gives to the poor except it doesn't work that way either.

LOOPHOLES—

Mr. Kennedy and company have had a lot to say about tax loopholes and have devised a number of way to plug them up. Their main items of interest seem to be tax "loopholes" individuals take such as interest on homes, loans, medical bills, etc.

They, like the administration before them, have been very quiet about one "little" loophole that has knocked a mighty big hole in the income of people living in Texas oil producing areas—Rankin for instance.

For each barrel of oil produced in Texas, there is something like \$1.65 in taxes (hidden to the consumer). On each barrel of foreign oil imported, there is not one red cent of taxes—but you pay the same price for your gas and oil, regardless of whether it's imported or not.

Now if we are not going to get any of the benefits of this free tax ride out here among the peasants, then it would seem that if anyone is really interested in putting the plug in loopholes, they would do well to start right in the

TELEPHONE TALK

NEW WIRE CHIEF

Tommy T. Lee of Midland is appointed Wire Chief for the Southwestern Bell Telephone Company in McCamey. The announcement was made by H. H. Redding, district plant superintendent, Midland, who said the appointment was effective April 1.

Lee began his telephone career as a staff assistant in Dallas in 1957, following his graduation from North Texas State College in Denton. He was appointed frame foreman in Amarillo in April of 1959 and later that year transferred to Plainview where he served as construction foreman. In July of 1960 he was promoted to Facilities Engineer at Midland.

Lee is married and has two children. He is a member of the Church of Christ and is active in church activities.

James F. Parker, whom Lee succeeds, is promoted to Quality Results Supervisor in Lubbock. Parker was appointed Wire Chief in February 1960.

SPRING PHONE FAIR

Well, by now, most of us in Rankin don't need the weather man to tell us spring is here. There are signs of it everywhere. Have you noticed the kids lately . . . skipping rope, swinging bats, and chasing pop flies?

The grown-ups, too, are busy around the house. Painting and rearranging rooms, even adding on to the house itself to make it more comfortable for the family.

We're busy at the telephone company, too, getting ready for spring with an event called Spring Phone Fair. It is to be our way of reminding you about the many new telephone services we have to help you make your home more convenient and attractive.

For instance, how about a new phone in color for a bedroom? Or a phone for the kitchen, playroom or work area? Perhaps you'd like the smart Princess phone for your living room . . . so little, so lovely and it lights. Or maybe you'd prefer the soft musical tones of the bell chime. You can see all of these new telephone services on display at our Spring Phone Fair in the McCamey telephone business office.

If you don't get a chance to see them and would like more information, just dial "operator" and ask for the business office—or ask any telephone service man.

FREE PROGRAMS FOR YOUR GROUP

Since some Rankin civic, church and social groups already are planning spring programs, this seems like a good time to remind you of our standing offer to provide entertaining and informative telephone programs for your organization.

A booklet describing the variety of programs available—films, talks, lecture-demonstrations, telephone tours—is yours for the asking. Just call the telephone business office.

Call by number. It's twice as fast.
