

Enrollment Shows Gain Rankin School System

Enrollment figures for Rankin Schools Tuesday morning at the beginning of the school term—and more according to school

administrators. Gains were chalked up in all three buildings over opening day of last year and over enrollment at the close of school last spring.

More students have indicated their intentions of enrolling in the Rankin system some having missed opening day due to sickness, extended vacations, etc.

Principal Robert Holden at the elementary school reported a total of 224 students on hand last Tuesday morning with a three-section first-grade class. This compared with 215 on opening day last year and 220 at the close of school last spring.

Bill Cook, junior high principal had 198 enrolled in grades 5-8 for opening day as compared to 195 last year and 192 at the close of the term.

Bill Hood, high school principal, counted 144 noses Tuesday morn-

ing as compared with 138 at the start of classes last September and 133 at the close of the season. The large increase came in the Freshman class.

This gave a total opening-day enrollment for Rankin Schools of 566 as compared to 548 last year on opening day and 545 for the end of school.

With the other students who are still out but expected to be coming in throughout the week, enrollment is expected to climb to around 575.

Red Devils, Reagan Owls Play To 8-8 Standoff

Last Friday night in Big Lake, the Rankin Red Devils and the Reagan County Owls opened their 1961 seasons with an 8-8 ball game with Rankin coming out on top in the statistics by something like 12-7 in the first-down division and about 300 to 150 yards gained. Rankin moved the ball on the ground and in the air while the Owls were never able to get their pass game going.

With approximately half the game fans in attendance from Rankin, the Big Lakers had the better of the contest during the first half while Rankin was having their troubles holding onto the ball. In the second half, however, the Red Devils got things under control and dominated the play for two quarters, having a strong drive going when the game

ended. Both teams had scoring opportunities called back due to infractions of the rules.

Big Lake, rated as a strong contender in their district, was picked by almost every sportswriter to take the opener from the Rankin squad which fielded a team that included a large number of Sophomore boys playing their first regular assignments.

This week, the Red Devils will have their only open date of the season as they get ready for their encounter with the Golden Cranes here on September 15. In this game they will have the added services of at least one transfer student who was ineligible for

the Big Lake game. One of their star linemen, Keith Whiteside, is still out of the line-up nursing a gunshot wound in the shoulder. He is reported to be recovering well and will likely be back in time for district play which is to open here with Van Horn on October 13.

Elsewhere in District 7-A, the Wink Wildcats play at Eunice, New Mexico. Iraan goes to Fort Stockton, Fabens plays at El Paso Tech. Sanderson hosts Alpine and Van Horn meets Marfa on the Eagle field.

Sanderson and Wink won their games last week while Fabens was open.

Uneventful Holidays Marked in Rankin

A safe and sane Labor Day week end was reported in Rankin and Upton County by law enforcement officers with no major auto accidents. Most drivers observed on the highways were cautious.

The only event held locally on the holiday was the Go-Kart races which drew good attendance and a large field.

Golfers returning from Del Rio reported high water below Ozona Monday around noon with locally heavy rains covering most of the Rankin area. McCamey reported only light sprinkles.

Rankin Booster Club met last Tuesday night in the school cafeteria to view films of the Big Lake game. About 25 members were on hand.

Next meeting of the club will be held at the same location at 7:30 Tuesday night when more football will be discussed. New members are welcome with membership dues being a very small amount.

Membership is open to anyone interested in joining, both men and women.

Officers of the club are the same as last year: Doc Gossett as president, Box McDonald, vice-president and K. H. Whiteside, secretary-treasurer. The club has the policy of boosting all school activities and is not limited to football only.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

The Rankin (Tex.) News—
Thursday, Sept. 7, 1961

LABOR DAY—

Names and designations are often confusing, don't you think?

For instance, who ever called the first Monday in September "Labor Day" must have never returned to work on Tuesday and tried to labor out a newspaper in two days.

One nice thing about this past Labor Day is the fact that all of us are still around what with all the traffic accidents. Congratulate yourself.

THE OLE BALL GAME—

Well, now. Don't you just suppose there are a few coaches and fans who have Rankin on their football schedule who are taking a second look at their hole card along about now? The Red Devils have not been considered much in the field of football prior to opening of the season with about their highest rating being a possible third place in district. Big Lake was supposed to murder 'em and maybe they should have but it would appear that Big Lake got a sample of what the 1961 Red Devils can do anytime they decide they want to put out that much effort.

This team will go about as far as they are willing to work for with no outstanding stars on the team but a pretty fair sprinkling of talent all through the squad. If they decide to dig in and work out their fumbling, rules infractions and general inexperience in a few spots, they can be real contenders this year.

The Scoop will have to be just a little bit chesty about picking all games correct in District 7-A last week. You say Rankin did not win? Had it been a district game, they would have won on all counts and that's good enough for me.

This week's pickings are going to be considerably harder for on a couple of games, the contest may go either way but from the Scoop's golf ball, we see the following results in District 7-A this coming Friday night:

RANKIN will, of course, keep their present unbeaten record intact with an open date while getting ready to plop Crane on the 15th.

IRAAN won't make much of a showing against Ft. Stockton—Rankin might but Iraan is never ready this early.

FABENS will open their season with a big fat loss to El Paso Tech but this could be one of those grudge games in which the Fabens lads make it a game.

SANDERSON will run all over Alpine and that's about as sure a thing as you will find in this week's schedule.

Now the two toughies.

VAN HORN plays Marfa and it is sorta a question of which one can outlast the other but for fact that Van Horn was able to stay on the field with Eunice, the nod must go to them to win this one.

WINK will get their opportunity to prove their number 2 rating in Class A when they play Eunice. If the game was to be played in Wink, there would be little question but since it is in Eunice, the nod will have to go to the New Mexico crew to down the Wink Wildcats—and they are going to have to hurry.

NEW SUBSCRIBERS—

It is with a great deal of pleasure and a slightly less red bank account that The Rankin News extends a welcome this week to all the new subscribers who took advantage of the special rates in the past month and to say thank you to our faithful who have been on the mailing list—some for a many long year.

Perhaps the greatest number of new folks are in the Midkiff area where Mrs. Faye Scarborough did a mighty fine job on a subscription drive—adding around fifty new readers. Mrs. Scarborough is also going to do a bit of reporting for the News from that area and that, too, will be most appreciated.

Hi ONE AND ALL

BY FAYE SCARBOROUGH
Box 6607
Midkiff, Texas

I recently had the pleasure of talking to a lot of you while I was out "drumming up subscriptions" to the Rankin News. We talked it over and agreed it would be nice to have more news from Midkiff in the paper. So, I went into Rankin—talked to "Scoop" about the job. He has agreed to let me give it a try—so—here I am! Your No. 1 Hare-brained reporter—Faye !!

New, let's see what has happened out here that maybe you haven't heard about. Did you know that MYRTLE JEAN DUNN, daughter of Mr. and Mrs. Gene Dunn, El Paso Camp, had her tonsils removed in the Big Lake Hospital? Also, in the hospital over there was Mrs. ROSS IVEY.

Hope both of them will soon be up and around.

Have you been out to the Phillips Gasoline Camp and seen the long faces of the people there? The company did away with four "Still Helpers" jobs and as a result three of their nicest families are having to move. DICK and ANN CUNNINGHAM are moving to Andrews, DEANNE and LOIS ALEXANDER to Benedum Field and BARY and MARGE IKER to Artesia, New Mexico. MILBURN PHILLIPS was the fourth man, but he is going to get to live here and work at the Benedum Plant. Thank goodness, cause we really like that VELMA PHILLIPS—you know, she keeps the nursery at the Baptist Church, and losing her would be like losing a right arm. Say, did you know the BUD CANNONS and BOB RILEY'S moved to Sprayberry this past Friday?

Did your camp look as deserted as ours did over the Labor Day week-end? I think everyone but my family went somewhere—we just stayed home and Cecil work-

ed. That double time and a half he made was pretty good compensation though. Don't you agree? Just a few of those who went places were James and Patsy Burns and daughter, Pam. They visited Patsy's mother in Coleman. Opal and Mac McCann went to Houston to visit her son, Leon Smith and his family. Jackie and S. G. Tarbett and their girls, Sammie Jean and Jo Ann, visited with friends in Crane.

Several of the families had company. The Robert Hazlett, Jr.'s were especially lucky. Both sets of parents came in. Her parents, Mr. and Mrs. Hayden Salisbury and another daughter, Diane, came. I forgot to ask where they were from. But, I do know that his parents, Mr. and Mrs. Robert Hazlett, Sr. are from Crockett. The Hazletts were also the guests of another daughter and her family, Mr. and Mrs. Earl H. Goodrum. We also had "Yankees" in our midst—Mr. and Mrs. A. F. Panning of the Humble Camp were honored to have as their guests, Mr. and Mrs. George

Thompson of Chicago. Dee Mills and his family had a nice surprise. His two brothers, Jack and Floyd and their families came to see them. Jack's family is from Eldorado and Floyd's from Big Spring.

I'm sure much more has happened out here, but this is all I know of. You readers help me. Any news items that you know of, please let me know. Either write me at the above address or just leave it at the grocery store and the Whismanns will pass it on.

Must close—Bye Now—See you next week?

Hey, I almost forgot to tell you—can you guess what happened to me? I got up to fix bread for breakfast and it wouldn't rise.

Guess what was wrong? My pop-up toaster was broken.

Uh—Bye now.

MIDKIFF CHURCH OF CHRIST

Dick Edgar of the Midkiff Church of Christ has accepted the job as Pastor of the Medina Church of Christ, Medina, Texas. At the present time, the church at Midkiff is without a pastor. Glenn Quinn of Sprayberry was guest speaker this past week. Who will fill the pulpit Sunday is not known at this time but someone will be there and all are invited to attend.

FIRST BAPTIST CHURCH Midkiff, Texas

Jerry Bob Taylor, Pastor

Last Lord's day was a special day with our church. A special day in many ways as God blessed us with His presence and the people were blessed by a great warmth as all Saints should be. The special treat was the leadership of our new staff member in the Music and Educational field, Bro. Billie Brasch, a senior at Hardin Simmons University in Abilene, spent his first day on the field and his first Lord's day in leading the music program since accepting the call to the position. Bro. Billie will need all of our prayers and support as he labors with each of us in the work of our Master.

This week the church is in a special training session for our new workers who will begin their duties on October 1 in the Educational Departments. Directing this work is W. R. Smith, Sunday School Superintendent.

We are looking forward to a great and progressive year as one of Christ's churches. His presence has been made known in such a mighty way this past year and His promises hold even greater riches for the future.

Mills Chapter No. 1032
 will have its regular stat-
 ing Monday, September 11
 o'clock at the Sprayberry
 hall.

Mr. and Mrs. Moore Jones and
 son, Jay, of Midkiff are vacation-
 ing in Hot Springs, New Mexico.
 Mr. Jones is recuperating from a
 recent illness.

Mr. and Mrs. "Rusty" Riddle and
 children of Houston were weekend
 guests of Mr. and Mrs. Gilbert
 Riddle of Midkiff.

Frankie Jean Clay, ex-Rankin
 High beauty queen, and Frank
 Boyd, Jr. former Rankin grid-
 man, were among those present at
 the Big Lake-Rankin game. Miss
 Clay was stunning in her new fall
 outfit.

Nancy Woods, daughter of Mr.
 and Mrs. Ben Woods, Jr. of Mid-
 kiff, has recently returned to Long
 view, Texas where she plans to
 enter college this fall.

**J. Ramirez Enters
 Texas University**

Johnny Ramirez of Rankin has
 gained admission to Texas Uni-
 versity and left this past week-
 end to take up his studies.

Ramirez, a graduate of Rankin
 High School where he was an
 outstanding basketball and track
 contender, as well as being a mem-
 ber of the debating team, has at-
 tended Howard County Junior
 College in Big Spring for the past
 two years.

**Flo Darling School
 Of Dance Schedules
 Registration Thurs.**

Mrs. Darling of Flo Darling
 School of Dance and Allied Arts
 will be in Rankin at the elemen-
 tary school from 2:30 until 6:00
 p.m. Thursday, September 7 to
 enroll pupils for fall classes. Pre-
 school pupils will enroll and be
 fitted for shoes at 2:30. Others
 will enroll as school is out. Ball-
 room pupils will enroll at 6:45.

Few parents give their children
 dance lessons with a theatrical
 career in mind but rather for the
 grace, poise, charm and self-con-
 fidence which is a natural result
 of such training in coordination
 and body development and the
 feeling of accomplishment which
 comes from public performances,
 Mrs. Darling has pointed out.

"However, many women find
 their previous dance training can
 come in handy if it becomes nec-
 essary to support themselves and
 perhaps a family or to temporarily
 supplement the family income. It
 is an investment—not a luxury,"
 she stated.

Rates are \$6 monthly, \$11 for
 2 months. Interested parents will
 please enroll their children at the
 stated time as no discount is
 given for lessons missed.

"Inquiries have been made a-
 bout speech and adult ballroom
 classes. These can be arranged if
 the interest justifies," Mrs. Dar-
 ling said.
