A. GIVES REGULATIONS HALLOWE'EN CARNIVAL

The Rankin Parent Association have adopted the following rules as regarding the Halloween Carnival: The carnival will be a carnival each year at the time of the Parent Teacher Association. Each year we will have a chairman, with their duties as follows: 1. Chairman of the Carnival. He will be appointed by the president of the P. T. A. This person is over-see of the carnival. He will have his helpers and in-charge of their duties. 2. Chairman. The parade will be at 5:30 p.m. the day of the carnival. Ten dollars will be given to the parade prize money to be given to the best float from each school. The winners are to be determined at the Carnival and presented at that time. 3. Chairman. He may have his helpers. The chairman will report to the P. T. A. Immediately, the amount of money that each teacher turns in should be withheld before returning money to the juniors will get the profits made from the juniors will get the seniors 50 percent.

The P. T. A. will have the food booth and keep all of the proceeds resulting from it. 4. Projects Chairman. This chairman is usually the Junior High Principal. A teacher may have the right to keep the project of the previous year. We recommend that the teacher notify the Project Chairman by the first Friday in October if she wants the previous year's project. If not, release it. The classes should have entertainment booths only and the P. T. A. will have the food booth. 5. Booth Chairman. This person will be responsible for the booth lay-out and assigning space to the various projects. Time: The parade will begin at 5:30 p.m. The booths will open after the parade is over. Selling: Class room selling on the school grounds will be done away with. Booths: Each room that has a project is responsible for setting up its booth and cleaning up and removing the booth after the carnival. Publication: A copy of this report will be given to all personnel concerned with the carnival. The Executive meeting will be on October 2, 1961, at the Elementary School Building at 4:30 p.m. If any parent desire any changes, they can be present at that time for open discussion.

Lions Have Never Lost To A Rankin Team

Rankin Red Devils Seek Win Friday Over Ozona

When the Rankin Red Devils walked off the field in Eldorado last Friday night, beaten on the scoreboard by 14-6 but unbowed on the playing field, Eagle feathers were knee deep and two Eagle players were still on the ground—one remaining in that position for about ten minutes following the last play of the game. And fans had seen one of the ruggedest, hardest fought and cleanest ball games played in West Texas for several seasons.

It was a real rib-cracker from the opening kickoff right down to that last play with players from both sides spending a good bit of time flying through the air in assorted poses and tangles of legs,

arms, footballs and shoe leather. Neither side showed any desire to do anything but win in clean, hard play.

It was the third big effort in a row for the Red Devils and has brought just about all the local fans to the point of agreeing that this year's team is one of the hardest-playing squads to take the field for Rankin High in a number of years even though they have a two lost and one tied record. They have gone against three of the better teams in this area and have given them what for on each occasion.

Friday night, they will lock horns with an old adversary from the South, the Ozona Lions.

Gametime is 8 o'clock in Ozona. Over the past seven years, some of the best games turned in by Red Devil teams have been played against the Lions but, up to this point, the local crews have never beaten an Ozona squad—on the scoreboard where it counts. Some of Rankin's winenist teams have not been able to turn the trick. Fans and players alike are confident that this year will be the turning of the tide and that the Red Devils have now reached that point in their play where they are ready to move into the win column for awhile—another prediction that has often been repeated locally.

Ozona, always fielding a good team, has a better record than the Red Devils but has not been tested by equal competition. They will feature a fair sized group—not as large as big Eldorado or "small" Crane. Their speed will be more nearly like Rankin's and they will also be somewhat pass-minded, as are the Red Devils.

Despite the fact that the Red Devils seem to like to play Ozona, the Lions have never yet let that deter them from turning in a fine performance themselves. They do not seem to take the Rankin game lightly and are always ready. So will it likely be Friday night.

It promises to be a real thriller.

B AND JUNIOR HIGH—

Rankin's B team and Junior High squads will host a similar group from Iraan here Thursday afternoon with the Juniors set to play at 5, followed at 6 by the B squad. Games are free and the public is invited.

In Crane last Thursday, the Rankin and Crane Juniors played to a 0-0 tie while in Rankin, the B team scrimmaged the Rankin A team then took the field to drop a 26-2 decision to the Crane B squad.

Teen-Agers Split Question Concerning Going Steady

SCARBOROUGH KIFF REPORTER
of the week: Do you teen-agers up to 16 should go steady? Why? Had their say last week, the teen-agers have
Winters: No, I've never been steady, but I believe it's more fun to have a steady date.
Reeves: No, because it's a hassle.
Miller: Yes, but I think it depends on the people involved. How much they like each other.
Miller: No, I don't think it's much fun, and I think it's a hassle.
Scarborough: Yes, the

main reason is because I am going steady and because I think you learn responsibilities that will help later on in life.
Janice Hale: No, I wouldn't like to. There are too many limitations.
Ronnie Thorn: No, it's not any fun. I'd rather play the field.
Jerry Lytle: Yes, provided you are in your last two years of school and provided marriage at that time is not what you have in mind.
Betty Gaines: Yes, I think it causes a boy and girl to become closer to each others family, and therefore they respect one another more. But even if this were not true, I think it depends on how mature the boy and girl are.
Ricky Miller: No, I think when your'e young you ought to get

all the girls you can. You know—play the field.
Norma Wise: No, How could you find the time—especially if you're taking Spanish.
Judy Woodruff: No, If you are dating one boy and want to date another (of course, not at the same time) then you don't have all the complications of having to break off with the first boy.
Charles Whisman: Yes, It shows a girl you like and respect her an extra lot if you ask her to go steady.
Mary Jo Riddle: Yes—if you are ready to settle down and go with just one person.

Dukes To Stand Trial In 83rd Dist. Court

E. J. "Preacher" Dukes was indicted by an 83rd District Court Grand Jury last Monday on the charge of assault with intent to rape.

The charge grew out of an affray on or about July 14 in McCamey in which Dukes is said to have assaulted and attempted to rape a young housewife at the old race track off the Iraan Highway. Duke's bond had been set at \$3500 and was extended in that amount by Judge Pat Patterson. Do date has been fixed for the trial.

Also in the 83rd District Court, October 19 has been set as the date for the hearing of the case, filed by a McCamey contractor against the Upton County Commissioners Court in which he has charged that the commissioners of the County have violated a restraining order prohibiting them from using county equipment for private individuals.

ILLEGAL FORMATION—

Get the tape measure, boys. It may just be that Rankin is not legally Rankin at all.

Over at Marshall, Texas, the District Attorney has filed a motion to kill the incorporating of a place called Uncertain, located near Caddo Lake and containing some 66 citizens. It's basically one of those wet-dry fights where a small place sets itself up as an incorporated city and goes about votings itself wet as was the recent case of Climax near Abilene.

The DA says that the incorporation of Uncertain is very uncertain since there is a state law—wouldn't you know it—that says a town of less than 2,000 population must not have more than two square miles of area.

Anybody ever measured Rankin?

Whatever sort of nut was responsible for that law getting on the books must have never lived in West Texas. Heck, two square miles in this country is hadly room enough for a West Texan to park his cars on—much less contain 2,000 people.

A JOKE—

Guess you heard about the woman who thought she was Teddy Roosevelt and went running in and out of the stores yelling, "Charge!"

Yeah. Well then there's the one about this salesman . . .

FOOTBALL—

If you like football and did not go to Eldorado last Friday night, you can do yourself a favor by giving yourself a healthy kick in the pants. You missed a dandy.

Whether Rankin should have won or not depends on whether you're a Rankin or Eldorado fan but all will have to admit that that was about as rough a football game as has been played in these parts for a day or two—and not one penalty for unnecessary roughness or personal foul—just rugged playing.

Rankin may not win many of their remaining games but if they

The Rankin (Tex.) News— Thursday, Sept. 28, 1961

keep playing as hard as they did Friday night, they're going to make some of their opponents wish they had just forfeited.

About midway of the fourth quarter, one Eldorado fan was overheard to say, "If our boys can manage to get out of this game alive, we'd better just quit football."

After that last play, that would seem like a reasonable suggestion.

Some fans have come forth with the idea that the officiating in the contest could have cost Rankin the game. Actually, one should not be so bold as to imply that the officiating was not up to par for you must all admit that those chaps did a band-up job—on keeping count of the downs.

It's interesting to note that Eldorado moved up to No. 7 in the State Class A ratings after their win over Rankin. They had been rated 8 and/or 9 most of the year.

And, as some guy used to sing way back in the 30's "That's all in the past and we'll forget somehow. Ain't no need to worry for it's all over now."

This is another week and it looks like the following:

RANKIN finally wins one over Ozona. This has been about seven years in the making and this team is the one to turn the tide.

IRAAN is open and they need it.

WINK runs hog wild over the McCamey Badgers. The Badgers are a scrappy bunch but Wink just loves to tromple them when they can.

FABENS, that gol-darn bunch that keeps winning when they are supposed to lose and losing when they should win are going down for the count this week to El Paso Cathedral.

SANDERSON wins again—this time over Bracketville.

VAN HORN plays Jal in the hardest one to pick in this week's games but Van Horn should be ready to dump Jal. They win.

Scoop's Score: 14 right, 5 wrong, 1 tied.

There it is. See you on the 50-yard line Friday night when Rankin runs up more scores than they have all year put together.

LAST TIME AROUND —

No more cracks about the sales tax after passing on this bit of recently discovered information to you.

It seems that back before the sales tax was written in Austin, the legislature sent out one of their men to make a tape recording of a speech given by a big

government tax expert—from said speech were to come ideas for the Texas Sales Tax.

On his way to hear the noted expert, the representative—along with his tape recorder, stopped at an auction sale and on getting out of the car, he accidentally turned on the machine. His car was parked next to a pen full of mentally deranged donkeys which were on their way to the donkey nut house.

This fellow was gone for about an hour and . . . Aw, heck, why go on. By now you have figured out that our sales tax bill was inspired by a bunch of crazy jackasses.

Hi ONE AND ALL

BY FAYE SCARBOROUGH
Box 6607
Midkiff, Texas

Well, I am all excited! It looks
like I might finally get a tele-
phone. The installers were at our
house last Friday morning and
put in all the wiring and every-
thing, except the actual phone.
Seems that they ran out of phones
because they had had to send so
many down to the coast to replace
those destroyed by Carla. Well,
I just hope they get them in by
the first of November. Mr. Beard,
the manager of the phone compa-
ny, said that the phones should
be in service sometime during the
first week of that month. I am
sure hoping that a lot of you will
call me then and fill me in on
some of the happenings here.

Speaking of Carla and her dam-
age, I was talking to Rance Cock-
rell in the Sinclair Benedum
Camp, and he told me that dur-
ing the hurricane his brother,
Emmett, his family, and his bro-
ther's two daughters and their
families came and stayed with
them. They were from Port A-
ransas. He said when the three

families went home they found
nothing. Their homes had been
demolished and all their belong-
ings destroyed. I don't think I
have ever mentioned it, but Jerry
Bob Taylor, chairman of the Hur-
ricane Relief drive, was really very
proud of the way that the Mid-
kiff people gave—and said he was
especially grateful since they were
given such short notice and had
so little time to give. Thanks a-
gain.

Sara Brenda Adams is at her
home in the Texas Natural Camp.
She's the little girl who fell off
the merry-go-round at school and
broke her leg. She was sitting on
the couch and had several of her
little friends in to play with her.
Of course, the cast on her leg
made her the "Queen". She will
not be able to go back to school
for a couple of weeks, but in the
meantime, she is being a real
sweet little girl and anxious to
get back to "learning".

How many of you know Mrs.
Carl Miller in the Phillips War-
ren Production Camp? Well, she
has gone to Pauls Valley, Okla.
where she is to undergo major
surgery either Wednesday or
Thursday. Carl is with her, and
his mother is staying here keep-
ing Ricky in school. I think it
would be nice if we gave her a
"sunshine shower." You know,
each of us send a get well card
to her at the Pauls Valley Hospi-
tal.

Mr. and Mrs. Eddie Schriver
visited in our camp Saturday.
They have moved to East Texas
but had come back to pick up
a few belongings and visit friends.
They said James and Maurice
were doing just fine and sure did
like school there.

How many of you have met
Evelyn Warriner in the Plymouth

Camp at Benedum? If you don't
know her, you should make it
a point to meet her. She is one
of the best friends I ever had
and one of the nicest people you
could ever hope to know. I first
met her six years ago when we
moved to Texon. She is original-
ly from a little town outside of
London, England. I still laugh
when I think of some of the
funny stories she has told me of
some of her first experiences in
the United States. Remember, the
"Bubbles and Squeaks"? Anyway,
Evelyn recently underwent major
surgery in the Big Lake Hospital.
She is up and around again—and
are we glad! Put the coffee pot
on, Evelyn, we're all coming to
have a cup with you.

Guess this is all for this week,
but would like to have you re-
member this, "Please don't feel
hard at people who don't agree
with you. After all, they're enti-
tled to their ridiculous opinions."

Bye now—See you next week?

Mr. and Mrs. J. B. Smith, Mid-

SW Bell Manager Tells About Midkiff's Rates

BY FAYE SCARBOROUGH
MIDKIFF REPORTER

On Wednesday, Sept. 20, I was honored to have Mr. G. K. Beard, manager of the Southwestern Bell Telephone Company in Midland, as a guest in my home. Mr. Beard was nice enough to answer some perplexing questions that have confronted us in regards to Midkiff Telephone Service.

Of course, the first thing asked was where the exchange would be located? This one was easy—it is approximately one block west of the Oil Field Cafe in downtown Midkiff.

Second: When will the tele- phones be installed and when will we get service? Answer: They are

already being installed, and just as soon as the men can work around to you, yours will also be installed. Service should be in force around November 1.

Third: What is it going to cost to have telephone service in my home?

Answer: It all depends on how many phones you want, and if you want black or colored, and also if you want plain or princess styles. Also, how far you are from the exchange building.

The following examples are based on the "within 5 miles limit".

A. 1 black phone: \$3.75 a month, plus tax, \$4.50 for service connection. \$8.25 plus 10% tax is total cost.

B. If you want a colored tele- phone you must pay ten dollars extra for installation charge. For example, you want just one phone, but want it colored. You would have to pay: \$3.75 a month plus 10% (basic rate) \$4.50 for service connection, \$10. for color installa- tion. A total of \$18.25 plus 10% tax.

C. Say, you want one phone in the kitchen and one in the bed- room: (black phones), \$3.75 plus 10% tax for first phone, \$1 plus 10% tax for second phone or a total of \$4.75 plus 10% for basic bill, \$4.50 installation charge for first phone; \$2.50 installation for second phone. Total bill would be \$11.50 plus 10% for first month total bill.

Color Phones: Add \$10 each for colored telephones. This would be \$31.50 for entire bill. It will be noted that on the \$10.00 color installation charge, you can take 5 months to pay this—also—if you ever pay the one-time installa-

tion charge of a color or a prin- cess telephone, you can move to any place in the U. S. that is served by Bell Telephone System and have your choice of color or Princess without ever paying the \$10 installation charge again—that is with the exception of the state of Florida and provided service is re-established within 60 days of the date of disconnection. Prin- cess telephones are .75 a month higher on the basic rate.

I think I speak for all of Mid- kiff when I say we certainly appreciate everything Mr. Beard has done to help us obtain the ser- vice—also all the linemen and in- stallers have been especially nice and our heartfelt thanks to all of you.

Nice to know that "Woody" Gains of the El Paso Midkiff Camp is home after spending al- most a week in the Malone-Hogan Clinic in Big Spring. He was suf- fering from a back injury.

The First Baptist Church of Midkiff has entered the 1962 Texas Baptist Church Achievement Program, pastor Jerry Bob Taylor said this week.

Sponsored by the Baptist General Convention of Texas, the program is designed to stimulate

interest in small-church work by providing growth incentives. Outstanding achievements by pastors and churches in areas of church, community and world improvement are recognized locally and at the annual Texas Baptist convention.

More than 660 Texas Baptist town and country churches entered the program last year. Some of the churches recorded twice as

many baptisms per member as the SBC average. Others recorded outstanding increases in Sunday school attendance and gifts to missions.

Goals for advancement are adopted by each participating organization for the three improvement areas. An inventory questionnaire furnishes suggestions for projects.

Pastors recognized in each of

the denomination's 17 geographical districts receive parchment scrolls and the churches receive achievement certificates which may be displayed in a prominent position.

Churches in open country and in towns of up to 2,500 population, all Latin American churches and missions, and city churches with less than 300 members, are eligible to enter the program. About

A New World of Worth from Chevrolet for '62!

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minded style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ New steel front fender underskirts guard against corrosion. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

The car that puts sport in the driver's seat!

Step right up and meet the latest version of the car that's proved its mettle in the fiercest competition going—'62 Corvair. Bigger new brakes team up with Corvair's renowned rear-engine traction for just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

Chevy II 300 2-Door Sedan

HERE'S THE NEW CHEVY II

Modern basic transportation in a totally new line of cars

Here are all the solid, time-tested virtues you know you can count on from all the Chevrolet family—plus some surprises you've never seen on any car before. A full line of saucy new-size models, each built a new way for easier service and maintenance. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasan surprise!

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

system previously.

A get-acquainted game was play-
ed and cake and coffee were serv-
ed to 96 parents and teachers. A
very good program is scheduled
for the coming year. Parents are
urged to attend.

Evening Worship 7:00 p.m.

The First Quarterly Conference
for this church will be held Sun-
day, October 1. The Rev. Law-
rence K. Brown, District Supt. for
the San Angelo Dist., will pre-
side. There will be a covered dish
dinner following the morning ser-
vice.

The pastor would like to extend
an invitation to all who read these
lines to share in the evening wor-
ship this Sunday night. The mes-
sage for the evening will be "The
Four Horsemen of Apococalypse."

Here is a message from the Word
of God that goes straight to the
heart of the church of today. For
those who have the courage to
face the truth there awaits a liv-
ing Christ to bless and set you
free. We invite you to come.

Mr. and Mrs. Frank Beck and
family have moved from Midkiff
to Crondurous, Texas.

Rankin Study Club Opens Year With President's Tea

WHY NOT PHONE THEM? SO ECONOMICAL

WHEN YOU CALL STATION-TO-STATION AND

SAVE ONE THIRD . . . When you're away, call your family more

often by taking advantage of the bargain rates of station-to-station (a call to
distant number instead of to a particular person). Why not call them
right now? They'll enjoy it and so will you.

HERE'S HOW TO CALL: Give the operator the area code for the
city you want to call . . . next, the number you are calling . . . and,
when the operator asks, give the number you are calling from.

If you don't know the area code number, the operator
will be glad to give it to you. Jot it down for future use.

Call by number . . . it's twice as fast.
