Big Question Marks Loom for Weakened Red Devils --

Red Devils Open Football Season Friday Against Bronte Longhorns

"I don't have their line-up. In fact, I don't even know my own," so said head coach Don Leach on Tuesday as he and his staff added a few gray hairs to their heads trying to decide how to field a team Friday night for the season opener against Bronte.

Chief cause of all the fretting among the coaches and fans are injuries. In a rough and rugged scrimmage game last Friday in Robert Lee, three of Rankin's biggest guns, Fullback Jerry McDonald, Halfback Sam Bean, and End Larry Braden, were shaken up. Braden later returned to the

Rankin Has Calm Holiday Weekend

Rankin passed the Labor Day holidays in a quiet mood. Sheriff Gene Eckols reported no major traffic mishaps in the area and that he had few customers for his housing facilities in the county jail. One of the bigger attractions was an approximate half-inch of rain on Friday night, the "heaviest" fall in the city limits for the past month or more.

game and intercepted a pass to score Rankin's second touchdown in a practice game that ended in a 12-12 deadlock.

However, McDonald and Bean were not so fortunate and both were still a question mark for the game Friday night. McDonald had a neck injury and Bean a twisted ankle.

Added to these woes for the Red Devils was the loss of Jerry Harris, a one-year letterman Junior guard who was the most experienced man in that particular position. Harris was forced to drop football due to a heavy schedule of classwork.

This leaves the Rankin crew

facing an opponent who showed signs last season of having first rate material that only needed seasoning. Since that time, they have had this needed experience and will be gunning for Rankin to get revenge for the 30-0 defeat handed them last year.

In the scrimmage game, Robert Lee outgained the Red Devils a good bit on yardage and were able to move the ball easily but misques and some alert Rankin defensive work by the club veterans gave Rankin an even break in the scoring column.

However, it all has a brighter side. Robert Lee, the scrimmage opponent tied 12-12 by the Red

Superintendent Bill J. Hood announced that school will dismiss at 3:00 p.m. Friday for the Rankin-Bronte football game.

Game time is at 8:00 p.m.

Devils, is considered one of the better teams in their area and should both Bean and McDonald be ready to go Friday night for the Red Devils, they will put the local club in the favorite's role to take the game.

Elsewhere in the district, Ozona plays McCamey in McCamey while Iraan hosts Sonora, Eldorado hosts Rocksprings and Big Lake and Sanderson are open.

High School Marks Up Gain Over Year Ago

School Enrollment Holds Better Than Expected

Enrollment in Rankin Schools stood up better than at first expected and even registered gains in high school over last year's opening date. Due to transfers by a number of people employed by oil companies, it was feared that a heavy loss in student enrollment would be experienced.

In the Elementary School, a total of 188 students reported to class last Tuesday—opening day of the 1963-64 term.

A healthy and wide-eyed fifty-five first graders got their opening day experience in classroom work while forty-two turned up in the second grade; fifty-two for the third grade, giving it the second largest enrollment of any class in school; and thirty-nine in the 4th grade. Last year, on opening day, the figure was 226.

At junior high, enrollment was near the same mark as it has been on past opening dates with 170 registered in four classes.

The fifth grade listed forty-three students; the sixth grade, thirty-eight; the seventh grade,

forty-five and the eighth grade, forty-four. Last opening day saw 190 enrolled.

Due to a large group of freshmen, the high school chalked up a gain in first-day students on hand with 133 as compared to 124 a year ago.

Freshmen accounted for forty-seven; sophomores for thirty-six;

seniors had thirty-three and the juniors listed seventeen, one of the smallest number of seniors in the past several years.

Superintendent Bill J. Hood said that he expected several additional students to register in the next few days as some were still on vacation and some were usually late in reporting for various reasons.

HOSPITAL NOTES

Mr. H. M. Green of Rankin, admitted July 23.

Mrs. Omar Warren of Rankin, admitted July 27.

Mrs. Maudie Frazier of Rankin, admitted August 10.

Mrs. R. V. Meinzer of McCamey, admitted August 13.

Mrs. J. M. Kinnard of Iraan, admitted September 1.

Corenlia Ortiz, eleven-month-old daughter of Mr. and Mrs. N. M. Ortiz of Rankin, admitted August 31 and dismissed September 2.

Mrs. Felipe Rivas of Rankin, admitted August 28 and dismissed August 29.

Mr. L. C. Steele of Rankin, admitted September 3.

Nicky Armendarez, 10-week-old son of Elvira Armendarez of Rankin, admitted September 3.

Two Parties Honor Departing Families

Two different parties were held last Thursday and Friday nights in honor of departing residents of Rankin.

On Thursday night, August 29, Mrs. Linton Clark and Mrs. M. J. Edwards were hostesses to a party in honor of Mrs. Hubert Dishman, held in the Edwards home.

Guests were served salad, cookies and punch. Some twenty-nine friends registered during the evening.

Then, on Friday night, August 30, an informal get-together for the A. E. Ivys was staged. It started out as a picnic supper at the Rankin Park but was rained (Continued to Back Page)

Confront the Longhorns

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

LABOR DAY—

I guess labor unions are all for the good of the country and no doubt they thought up the idea of having the first Monday in September designated as Labor Day but they missed the boat. Labor day is on Tuesday after missing a day on Monday and if this issue of the News is a little short on news—or late on publication, you will have to excuse the Scoop who labored through 82 holes of golf over the weekend and missed stepping into the winners' circle by one shot.

The old bean is just about fried from the Del Rio sun, the feet are blistered, the hands sore and the back broken. Thank goodness there's only one labor day per year. Most of us golf nuts could not stand up to any more.

To report the results of members of Rankin Golf Club, only P. V. Brown was able to score. He won a set of Spalding Top-Flite woods as runner-up in his flight.

The Rankin (Tex.) News—
Thursday, Sept. 5, 1963

FOOTBALL—

Football is now the business at hand. It will be the business at hand for about the next twelve to fifteen weeks.

And at this stage of the season, it's all a guess as to who actually has what. Favorites have been picked and forecasts made but they mean very little.

In our own district, it looks at this time as if Eldorado may be the best with Big Lake as the top contender and Rankin and Ozona coming in as the big question marks. For my money it's anybody's match at this point. Only after three or four games will we really be able to see which teams are going to jell and which are not.

The Rankin lads made a better than expected showing against a Robert Lee team that was just

A REMINDER—

If you are a fan who takes his football seriously, then you will want to attend the Football Pete next Monday night at the school cafeteria.

In addition to a good supper, you will hear a speaker who is an authority on the rules of the game. Astound your friends with your knowledge of the rules. Be a true sideline quarterback.

Know what you are talking about when you challenge the officials from the sidelines.

Here's your chance.

THE BUTTON—

Over the past few weeks a good bit of worrying and head shaking has been going on in Rankin about how many people we are

losing—and we are having quite a shake-out. However, there is as yet no reason for pushing the panic button.

While we are losing some, one little point seems to be overlooked and that is that we have gained some. Which has been greater, the gain or loss, is not too hard to figure. We have lost more than we have gained but it has not as yet been a very drastic cut from, say, this time last year. School enrollment has not changed very much. Rental property in Rankin is doing fair—perhaps better than this time last year. A check at City Hall shows that meter deposits are down a little but no more than they have been at certain other times in the past.

Rankin, like all West Texas towns that depend heavily on the oil business, has a history of ups and downs. This series should be little if any different from those of the past. It could well be, as has been suggested, that one of the reasons this particular slump is causing so much concern is

the fact that some of the "old timers" are involved. When folk such as the Ivys, Dishmans and Everetts, who have lived here for over 10 years—which pretty well qualifies eighty percent of the population of any oil town for the title of old timers—move out, it is quite noticeable.

Actually it seems to be from talking to a number of people in Rankin and from all over the country—a golf tournament is full of experts on any subject—there seems to be a general economic shuffling all over the country. It may well be that it is nation-wide. Just why this is happening will likely take some time to decide but one thing is for sure and that's that there is still as many people in this ole

world as ever and if the forecasters are correct, there's going to be a heck of a lot more in the very near future. It would seem to me that there is coming a time when industry is going to be forced to look for room. Farming is apparently already looking for new land as attested by the amount of interest in that phase of the economy being shown in Upton County right now.

If that day comes, I reckon that Rankin will have room a-plenty. A large number of us may not be able to stick around for whatever length of time that takes but that won't change the fact that someday an ever increasing population is going to be forced to find extra room for expansion.

Penny dislikes school...

but she'd like it less if she studied by a kerosene lamp per granddad's era. In present day education Penny doesn't realize how much importance is placed upon adequate school lighting. Unlike her superiors she is unaware that Reddy Kilowatt is her silent friend, protecting her precious eyesight by lighting up the pages for faster, easier and more accurate reading. When Penny grows up she'll realize how fortunate she was to be able to study under modern electric lighting.

...adequate study light is important in the home too.

New and Tougher Plastic Turned Up

BY W. M. (DUB) DAY
County Agent, Upton County

A tough new plastic made of pine gum rosin has shown many advantages over other polyester

resins now on the market, says the U. S. Department of Agriculture.

The new plastic is strong, lightweight, and easy to fabricate, so says the USDA. It is of the type used in glass fiber-reinforced plastic boats, automobile and truck bodies, on construction panels, furniture and home appliances.

Other apparent advantages of the pine-gum-based product are its higher strength and greater impact resistance, according to research being carried out by the USDA's Agricultural Research. It also has a low rate of water absorption and good resistance to alkalis and acids, indicating that the plastic can be used to produce stronger and longer lasting glass fiber-reinforced plastic products.

Although additional research is needed to finish development of the product, work thus far indicates good possibilities that it will claim a share of the 200 million pounds a year market for polyester resins. This market is expected to expand to a level of 300 million pounds by 1969.

The new plastic reflects the Department's continuing efforts to develop new uses and markets for agricultural commodities through research.

MASONS START BUILDING FOR LITTLE CHILDREN

The cornerstone of a building for pre-school age children of Masonic Home and School in Fort Worth was leveled recently by George R. M. Montgomery of Fort Worth, right, Past Grand Master of the Masonic Grand Lodge of Texas and president of the Masonic Home board of governors. The building is scheduled for completion about January 1, 1964.

A substantial part of the building cost came from the Mary E. Bryant Estate. The building is the fourth addition to the Masonic Home campus

in its current modernization program. A new school building will be occupied this fall.

Shown putting mementos in the cornerstone are several three-to-six-year-old children who will benefit from home-like facilities of the building. On the left is Hugh M. Craig of Fort Worth, Masonic Past Grand Master and member of the Masonic Home Independent School Board. He is a graduate of the school.

Children and grandchildren of Masons are eligible for admission to Masonic Home and School.

Farrow Vows Read for Mid- week Reading

Mrs. Walton Harral of Rankin, formerly of Rankin, announced the approaching wedding of their daughter, Helma, to Franklin Arthur of Rankin. A mid-week wedding is planned.

Both Miss Harral and Mr. Farrow are graduates of Rankin High School where they participated in a number of student activities and sports.

Miss Harral was also an outstanding 4-H Club member, having won a number of prizes in the lamb shows throughout the state.

Visitors in Rankin Tuesday included Mr. and Mrs. Bill Jenkins of Lubbock, and Mrs. Jenkins' father, Mr. V. M. Lotlar of San Angelo. Mr. Jenkins was a former welfare worker in Rankin.

Wedding Vows Read In Bride's Home

In a ceremony held in the home of the bride's parents at 8:00 p. m., Friday, August 30, Miss Elsie Sharon Wheeler and James J. Coffee were united in marriage. The Reverend Billy J. White, pastor of The Rankin Methodist Church, officiated at the double ring ceremony before an altar flanked by floor stands of white spider asters.

Mrs. Tom Workman was organist.

Given in marriage by her father, the bride wore a magnolia white silk sheath dress with a portrait neckline. The sleeves were fitted at the elbows.

Her circular face veil of silk net was held by a bandeau of white satin. She carried a cascade of feathered carnations with a white orchid atop her white Bible.

Matron of honor was Mrs. Billy Ross Wheeler, sister-in-law of the bride. Her dress was of beige brocade.

Serving as best man was Billy Ross Wheeler, brother of the bride.

Parents of the newlyweds are Mr. and Mrs. Ross Wheeler of Rankin and Mr. and Mrs. Glenn Cornett of Truth or Consequences, New Mexico.

Following the ceremony, a reception was held with a serving table covered with a white drawn linen cloth and centered with an arrangement of white gladiolas. Appointments were of early American fustoria, featuring double candlesticks of white tapers.

Serving in the house party were Mrs. E. G. Branch, Mrs. Charles Wheeler, Mrs. Bobby Wheeler, Mrs. Cox N. Wheeler and Mrs. Billy Ross Wheeler, the latter four all sisters-in-laws of the bride.

Out-of-town guests included the bridegroom's parents, Mr. and Mrs. D. L. Wheeler of Brady, Mr. and Mrs. Cox N. Wheeler of Austin, Mr. and Mrs. Mohler Simpson of Goldwaite, and Mrs. Bethel Eiland and children of Midland.
