Serving the Interests of Rankin and Upton County

LXXVII—NUMBER 38

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 19, 1963

HD Agent Named Upton and Reagan

LOUIE JEFFERS
new HD agent

Mrs. Louie Simpson Jeffers will become Upton - Reagan County Home Demonstration Agent on October 10. The joint announcement of Mrs. Jeffers' appointment was made by Allen Moore and S. E. Stout, Jr. County Judges representing the Upton and Reagan County Commissioners' Courts, and Mrs. Roberta Johnson, District Agent for the Texas Agricultural Extension Service.

Mrs. Jeffers is a native of Johnson County, Texas. She finished high school in Whitesboro and received a degree in Home Economics from North Texas State. She has completed advanced work at Texas Woman's University, Colorado State University and Oklahoma State University.

Her professional experience includes 10 years as a teacher and 11 years with the Extension Service. She has served as county home demonstration agent in Cottle, Dickens, Childress and Ochiltree Counties.

Mrs. Jeffers' mother is Mrs. Myra Simpson of Sanford. A sister, Mrs. Cecil Palmer lives in Silver. Mrs. Jeffers will make her home at Elizabeth and Ninth Streets in Rankin. She replaces Miss Myrna Holman who retires September 30.

City Council Asks Public Cooperation On Clean Streets

Rankin City Council has asked for the cooperation of the public in helping keep Main Street in particular, and all city streets in general, clean.

Work has been going on for

ough the Cubs are not active at the present time, the Lions are earmarking proceeds from this sale for that purpose should the Pack began operations in the future.

Bulbs may be purchased by the sack at \$2 or individually.

Red Devils in Way Down Underdog Role --

Red Devil-Crane Game Slated for Friday Night

Last Friday night, the Rankin Red Devils defeated the Coahoma Bulldogs 31-14 in a non-conference game played before an almost capacity-stand gathering of local fans and a fair group of visitors. It was a rather expensive victory for Rankin and the end of the season for the Bulldog quarterback who was carried from the field by ambulance to the Rankin Hospital and treated for a displaced hip before being transferred to a Big Spring hospital. Dr. James Gossett stated that the young athlete would not likely see any more football action this season.

For Rankin it looked as if the entire starting line-up was going to mark up an injury. On the opening play of the game David Brown was clipped from behind and suffered a sprained foot. And so it went. It was that kind of a game. Before the final play, Jerry McDonald, Tom Gossett, and Larry Braden had all sustained painful injuries and several other Red Devils had knots of one kind or another.

As of Wednesday, only Braden and Gossett were still out of the line-up. It appear doubtful, according to the coaching staff, that either will see action Friday against Crane. Both Brown and McDonald were slowed in their workouts because of their ailments.

the past several weeks in Rankin on cleaning up the downtown area. Weeds and brush have been cut from behind buildings and a much neater appearance is now in evidence.

City of Rankin pays an employee to hand sweep Main Street each Saturday morning. There is no regular maintenance program for keeping other streets cleaned.

It is for this reason that the council has asked the cooperation of the general public.

"If the public were so inclined, we could present a clean looking town with very little effort," Mayor E. B. Bloodworth has said.

He pointed out that candy wrappers, paper cups and tin cans make up most of the litter on the streets.

Friday night the Red Devils host the Golden Cranes. Kick-off is at 8:00 p.m.

Crane, a power in AA football circles, perennial winners of their district, and rated to make a possible run for state honors this year, will be heavily favored to defeat the Red Devils. This part of the contest will be nothing new for the home team. They always play in the underdog slot against Crane but on at least one occasion—the last time Crane visited Red Devil Stadium—the much smaller Rankin squad almost pulled off a major upset of

The school administration respectfully requests the cooperation of the parents in seeing that their children do not sit or hang on the rail in front of the bleachers at the football field during the remaining home games.

Not only do these actions distract the spectators in the lower seats but there is the possibility of injury to the children.

the season. Memories of that stand still linger with followers of both teams and if they can get back into shape, the Red Devils are expected to make a better showing than their 41-0 mark of last year.

One thing that will be new to the local squad is the so-called "Denver City" offense installed by Coach Dan Anderegg in Crane this year. In this particular formation, offensive linemen may be spaced very wide apart and all backs take position about a yard behind their forward men. It has strong passing possibilities, at which the Cranes excell and calls for very rapid shifting by defensive players.

Crane is also strong on kick-off and punt returns and will be expected to give their slower opponents a bad night in this department. It should, however, be a much cleaner game than the performance seen here last Friday night. The visitors usually come to play football and they put their full energies toward that goal.

It could be a long night for Rankin but it could also be one in which the young Red Devils will learn a great deal and emerge a much better ball club.

And there's always the possibility of the upset, which, if the Red Devils should pull it off,

would almost certainly mark them as the strongest team in District 8-A.

A bumper crop of fans are expected to be in attendance.

Junior High to Play Monahans Thursday

The off and on football games scheduled last week between the Rankin Junior High and "B" Team and the McCamey Badger Juniors and "B's", has been set aside.

This week the "B" team is free while the Juniors go to Monahans for a game at about 5:00 p.m. Thursday.

Now See Here . . .

Success is not cheap—but then, there hasn't been any bargains in failures recently.

Gospel Series Set At Church of Christ

LANNY HENNINGER
evangelist

Lanny Henninger of Odessa is to be the evangelist when the Northside Church of Christ at 1106 Upton Street holds a series of Gospel Meetings. Dates for the meetings are each night at 7:30 p.m., September 23 to September 30.

Jim Hance, minister at the church, has stated that everyone is invited to worship and study with the congregation during this series of meetings.

A LITTLE HELP—

The city dads have asked for a little cooperation from the public in helping keep Rankin's streets a bit cleaner. It's rather sad that a request for such cooperation has to be made.

And I reckon that I've been about as guilty as the next one in tossing aside cigar wrappers, bits of paper and now and then a tin can. But no more.

When you stop and think about it a minute, very few of us are guilty of the offense of littering our own personal property so why should we be careless with city or public property. After all, it, too, belongs to us. And we have to pay to keep it cleaned up—from the mess we make ourselves.

Sorta foolish, isn't it—to toss aside rubbish on streets?

And it's really not at all necessary.

THE LAND OF THE FREE—

Down in San Antonio is located the Witte Museum. Some of the readers of this column have no

The Rankin (Tex.) News—
Thursday, Sept. 19, 1963

doubt visited its exhibits.

Among these exhibits is—or was, a coin collection consisting of certain gold coins. It has been on display for a number of years.

A few months ago agents from the Treasury Department swooped down on the Museum and seized 21 gold coins—with a value of about \$400 in gold bullion—charging that they were not rare and that by having them in their possession, the museum was in violation of the treasury regulations concerning the ownership of gold in the U. S.

It's very possible that the charges are correct so far as the regulations go. It is a bit confusing as to why the Witte Museum was chosen when similar displays can be found in many museums, including, it is said, the Smithsonian Institute. But you can't buck city hall and the Kennedy boys are grasping at straws nowadays in their efforts to shore up U. S. Gold reserves. The \$400 taken in San Antonio won't put

it does not concern most of us.
Sadly enough, this is not true.
When a little chip is knocked from
the foundation of constitutional
government it weakens the en-
tire structure and sooner or
later enough of these little chips
are going to add up to a great
big chunk and the whole thing
will come tumbling down upon
us all and we will have law by
man instead of by constitution.

Those chips are falling rapidly
of late.

FOOTBALL—

It's hard to say who was the
more surprised at the football
game last Friday night—Coahoma
or Rankin football fans. It was
quite a show.

Undoubtedly the Red Devils
caught the Bulldogs when the lat-
ter was far too overconfident of
an easy victory but still, there
was not much doubt about who
had the best football team on the
field. Rankin made up for what
they lacked in size with some
of the classiest football seen by
local fans in recent years. They
quickly spotted the weak spots
in an otherwise strong Coahoma
defense and went right to work,
running up a score of 25-0 be-
fore the first quarter ended and
before Coahoma as much as made
a first down. As had been ex-

pected, the good right arm of
Quarterback Roy Winters was
what put the chill on the Bull-
dogs—along with some fancy
maneuvering by Rankin pass re-
ceivers who constantly broke in-
to the open. In fact, Winters had
a hand in all the scoring— even
Coahoma's when they picked off
two of his jump passes for TDs.
But perhaps he'd just as soon
pass up those two honors.

It was a fine team effort. And
a very sweet victory for the Red
Devils and fans.

This week we host Crane. We
are not supposed to beat Crane.
No one actually expects us to
beat Crane. Most of all you can
bet that Crane doesn't expect us
to beat Crane. The last time the
Golden birds visited Red Devil
Stadium they were expecting an
easy victory and almost lost their
shirts. They will come prepared
this time. And they have have
too much depth for us. But it
will be a clean game—nothing
like the mess the Bulldogs tried
to put on last week. We should
learn a good bit and will likely
get a good thumping. On the other
hand the Red Devils are not go-
ing to lay down and it could well
be that we'll see another game
like the one played here two years
ago when the end of the game
was about all that saved Crane
from defeat.

Pickings this week are going to
be much tougher. Iraan still is
the team that's hardest to figure,
even though they haven't won a
game since way back. Eldorado
got whacked last week but that
was a grudge fight so you can't
put too much on that one. Big
Lake (note that the Scoop called
the upset) got a taste of playing
without outstanding material and
ought to be a better team be-
cause of the defeat. Rankin and
Ozona appear to be about the
same.

This week's pickings:

CRANE hands Rankin its first
loss of the season in a clean, fast
game by something like 28-12.

It would be great to see that
score reversed.

ELDORADO gets back into the
win column against Eden by 20-
6. If they don't make it now,

they may not make it at all.

BIG LAKE over McCamey in
a real toughie, 14-12. Actually, it
could go either way. Big Lake
has the material if they will get
down to business and they may
now be ready to do so. Last year
McCamey would have won had
it not been for Franklin. This
year they haven't jelled as yet.

SAN FELIPE dumps Sander-
son by 28-6. San Felipe has many
to choose from while Sanderson
runs thin.

Ozona and Iraan—open.

Recent visitors in Rankin were
Bill Hood's father, Mrs. W. A.
Hood of Bangs and Mrs. Hood's
mother, Mrs. Bessie Clark, and
Mrs. Hood's sister, Mrs. Glenn
Mitchell and her son, Gary, all
of Lubbock. Mrs. Clark remains
in Rankin for an extended visit.

Northern Natural Posts Extended Safety Record

Mrs. O. R. Adams is Hostess to Club Fete

The Xi Epsilon Chi Chapter of Beta Sigma Phi held its first meeting of the year on September 10 in the home of Mrs. O. R. Adams. The president, Mrs. Sug Boggs, presided over the business meeting. Reports were made by the various committees. It was announced that a coffee for members and their families would be given after the football game in the home of Punk McFadden. A party was planned for the night of September 25 in the home of Mrs. Boggs with guests being invited.

An interesting program on "The Face of the Earth" was presented by Sug Bloxom and Coral Rankin and films were shown.

Refreshments were served by the hostess.

SOCIAL HEALD

Xi Epsilon Chi Chapter held its first social event of the year in the home of Mrs. McFadden on Friday, September 13. Coffee and cookies were served to the members and their families after the Rankin - Coahoma football game.

About twenty-five guests called.

MIDLAND— Nine employees at Northern Natural Gas Company's Plymouth Compressor Plant were among the thirty-three employees honored at a luncheon on Tuesday, September 9 for working more than five years without a lost-time injury. Other locations included the Midland Pipeline District and the employees previously assigned at the Pembroke Compressor Plant.

Vice-President A. L. Vaughn, Omaha, of Northern's Operating Division, presented engraved pla-

ques to Gene Funnell, Plymouth Plant Superintendent, Avis Waldroop, previous Pembroke Plant Superintendent, and E. C. Bohling, Midland District Superintendent, in recognition of their employees' safety achievement.

Each of the employees at these three locations who helped compile the safety record was presented with an engraved cigarette lighter by Jack Seaman, Northern's Area Manager at Midland.

There has never been a lost-time injury accident at the Plymouth and Pembroke Plants since becoming part of Northern's system in November, 1953. The last lost-time injury at the Midland District was December 9, 1954. The Pembroke Plant was recently removed from the gas transmission service and the employees assigned to other locations within the system.

Northern Natural Gas Company is honoring employees at 26 field locations from Texas to Minne-

sota for working five or more years without a lost-time injury. Waldroop and his family, who were well remembered in the Rankin and Midkiff area, are now living at Skellytown, Texas. Bill,

The Rankin (Tex.) Thursday, Sept. 19

one of their sons, was standing football player kin several years ago.

Former Plant Superintendent Honored

Mr. A. L. Vaughan (left), Vice-President of the Operating Division of Northern Natural Gas Company, presents a plaque to Mr. Avis Waldroop, previous Superintendent of the Pembroke Compressor Plant, a plaque recognizing excellent safety record achieved at this location.

Rebekah Lodge News

DeAlva Snell, Reporter

Rankin Rebekah Lodge No. 8 met September 12 with Mrs. W. C. McDonald, noble grand, presiding.

There were 21 sick visits made, 5 cards sent and eleven members present.

Mrs. Fern Kosel, Mrs. Elizabeth Rains and Mrs. Dave McKeely presented the program on Lodge work to the gathering.

A report on sickness was given in which it was revealed that Mrs. Troy Gampbell, a former resident of Rankin now living in Merton, is in a San Angelo hospital and Mrs. Henry Tumey, the former Mrs. L. G. Arledge of Rankin, is in St. David Hospital in Austin.

"After six years the boss traced the source
 of his allergy—ME!"

Report Given On '63 Eradication Results

BY W. M. (DUB) DAY
County Agent, Upton County

135,402,250 sterile screwworm flies were released August 25-31.

Texas counties reporting cases last week were: Jeff Davis (8), Pecos (3), Presidio (5), Culbertson (2), Reeves (1), Crockett (1), Glasscock (1), Brewster (5), Terrell (1), Cochran (1). Beckman County, Oklahoma, reported its first case.

During August, the eradication

Mrs. Rains to Install Association Officers

McAllen— When Mrs. Kathryn Granahan, U. S. treasurer, comes to McAllen September 21 to address the annual convention of the County Treasurers Association of Texas, she had better be a gourmet as well as financier, the program planners say.

One of the banquets will be in Reynosa, Mexico, a 15-minute drive from McAllen. Mrs. Granahan may take her choice of quail, wild turkey, venison, wild duck, cebrito, frog legs, whitewing dove, chicken and filet mignon, served by internationally known wild game restaurants of the Mexican tourist city.

Officers of the state association meeting to be held in McAllen September 19-21 are James Fuller, Longview, president; Mrs. Helen Singelton, Edinburg; Avora Owens of Alpine; Isla Eckert, San Angelo; Ava Johnson, Dickens; all vice-presidents.

Mrs. Elizabeth Rains of Rankin will install the new officers.

Directors are John Crow, Austin; Sulema Garza, Falfurrias; Clinton Uher, San Angelo and Mrs. Rains.

area experienced 4.6 percent as many infestations as during 1962; Texas recorded 1.6 percent; Oklahoma 77.7 percent and New Mexico 55.4 percent. A total of 27 counties were infested last month as compared to 216 in August, 1962.

The distribution center at the Marfa-Alpine County Airport has been re-opened, according to Dr. E. M. Meadows, USDA Veterinarian-In-Charge of Field Operations. The airplane assigned there will be used for strategic and hot-spot fly release in the Trans-Pecos area. The center had originally been opened in mid-March but was closed when fly release on the grid basis was discontinued in that area.

The sterile fly production plant is now rearing screwworms on beef and mutton lungs, and early observations indicate it will prove to be a successful product. Use of lungs is the result of continuous experimentation by the methods development section to find the best rearing media at the lowest cost. Previous tests have been conducted on whale, fur seal, sea lion, fish flour, calf 'slunks', croaker fish, mink, beef spleen, chicken heads and feet, mink and salmon viscera. Along with horse meat, the best product found as a result of this testing has been nutria, which has been used in production since last winter.

Thousands of residents of Northern Mexico learned about El

Programa Para la Extirpacion del Gusano Barrenador recently through a screwworm eradication exhibit placed at the Regional Cotton Festival in Matamoros. The exhibit displayed the life stages of the screwworm and outlined procedures that should be followed in treating wounds and reporting infestations. The booth, which was located in a prominent position near the livestock barns, through the assistance of Mexican livestockmen and fair officials, was manned by the US

DA-Mexico inspectors working in that area of Mexico. Each evening the American inspector, Ashley Taylor, showed the film, "Round-Up", turning off the sound and narrating the film in Spanish. Taylor noted that the film always drew good-sized audiences, and he and his counterparts were kept busy answering hundreds of questions from persons attending the fair. This same exhibit will be set up at other fairs in Mexico in the months ahead.

The Rankin (Tex.)
Thursday, Sept. 19

A rancher dropped by County Agent I. C. Meadows recently with a \$150. The rancher stated he had been calving some heifers a rainy period highly for screwworms. "I have a single case" the rancher mentioned. "I know I have at least \$150 in labor. I would like to add to my previous contract

Some important information for every man who will need a new truck within the next 12 months

New Chevrolets are a lot more truck than your money bought the last time. Here are some of the things that have been done to give you more value for practically the same investment.

Double-wall construction. This feature of Chevrolet cabs and the Fleetside pickup body has two advantages. Insulation and sound-deadening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

Suspension to fit the truck. You get a much better ride in every size Chevrolet truck today than you used to.

Conventional half- and three-quarter-ton models have independent front suspension with variable pitch coils in the rear. Variable pitch coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leaf springs. This variable-rate leaf-type suspension automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

The right engine. Chevrolet has been building truck engines since 1918 but never has it been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel Chevrolet truck engines—fours, sixes, V8's.

Stronger frames. Every conventional 1964 Chevrolet truck has a ladder-type frame. Formerly used on heavier trucks only, this type is more resilient, better able to give with the load and terrain, to stand up

under stress. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

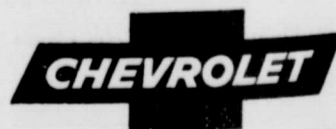

Greater model selection. This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

There are also the Corvair 95 vans with the air-cooled engine in the rear. And the Corvair 95 Rampside with its exclusive side-loading feature. These trucks have more power this year.

In the medium- and heavy-duty area there are stakes, tilt cabs, low-cab-forward models and cab-and-chassis units to suit almost any requirement—including school bus bodies of up to 66-passenger capacity.

Dump truck operators now can order a Chevrolet tandem with either gasoline or diesel power.

Quality and value. Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet Dealer for information or for a demonstration.

Quality trucks always cost less!

ffi The 1963-64 Red Devil Band ffi

Nothing adds more to school spirit nor creates more enthusiasm among students and fans than the snappy performance of a good band at pep rallies and sporting events. In this department, the 1963-1964 Red Devil Band thakes a back seat to none. And those new uniforms . . . real sharp, kids.

THE RANKIN NEWS

Rankin (Tex.) News—
Sept. 19, 1963

Board Makes Award; Crange Pool Policy

Rankin Independent School Board of Trustees met in session last Tuesday, Sept. 10. A discussion was held concerning the parking of the football stadium. A "no parking" sign will be erected at the main gate along the parking between the gate. The public has been asked to cooperate in propelling their vehicles in the

area. Bids were considered for following companies submitting bids: Dan Daugherty of \$27 cents per gallon; Company of McCamey, .225 Oil Co. of McCamey, Phillips 66 of Midland, Eddins-Walcher Oil Co. .2125 cpg; Phillips 66 .2125 cpg; Hale Oil

County Agent Acts As Judge for N. M.

County Agent Dub Day was in Albuquerque, New Mexico over the week-end where he judged the sheep and wool shows at the New Mexico State Fair.

He was accompanied on the trip by Mrs. Day.

Co. of Midland, .2050 cpg; Conoco Oil Co. of Lubbock, .1898 cpg; and Conoco Oil Co. of Ft Worth, .1898. The low bid of .1898 cents per gallon by Conoco—local distributor, E. O. Hyde—was accepted.

School policy concerning sponsored school activities was discussed with the following policy being adopted:

"Students will not be permitted to leave the building in which a school sponsored social activity is being held and then return."

Mr. A. C. Copeland, high school principal, gave a demonstration of new visual aids and other classroom equipment purchased by the school recently.

Mrs. Gary is Hostess For Omicron Tau Sorority Meeting

The Omicron Tau Chapter of Beta Sigma Phi met at the home of Mrs. Wallace Gary on the evening of September 10. The business was conducted as usual with reports from all the committees.

Mrs. Dub Mow and Mrs. Jimmy Mathews gave a very interesting program on the modern standards of beauty.

Punch, coffee and cookies were served to eighteen members.

Members are to be reminded that there will be an After-the-Game Coffee in the home of Mrs. Don Deel following the game between Rankin and Crane Friday night.

Work is now underway on the foundation for the new Rankin Masonic Hall across from the Rankin Park Building. A ceremony for the laying of the cornerstone will be held in the near future.
