Serving the Interests of Rankin and Upton County

XXXVII—NUMBER 44

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, OCTOBER 31, 1963

## Club Turkey Shoot for November 9-10

and Sunday, November 10 has been selected as the date for the 1963 Upton County Club Turkey Shoot. The event will be staged on the same forest-

mat that has proved so successful over the past years with shooting all day Saturday and beginning at 1:00 p.m. on Sunday. There is no restriction on who may be in the various contests other than having shooters divided into age groups for special events and an open shoot in which all may enter.

Site will be the Upland Gun Club Skeet Range, just east of the Western Company installation on the Midland Highway.

"Everyone is invited to come try their luck with shotguns, 22 and skeet shooting," DuB Day, County Agent, has stated.

Pies, cake and coffee will also be sold with all proceeds from the entire event going into 4-H Club work.

## Club Plans Open House

The Rankin Ceramic Club will hold its annual display and tea for the public this year, from 10 a.m. to 4 p.m., Saturday, November 9. The display will be arranged in the auditorium of the Rankin High School. There will be some of the twenty-five members—from competitors to novelties and art pieces.

Tables of hand-painted will be arranged by the club. Guest artists have been invited to display with the group. The affair is "The Fall" and everyone is invited to attend at no admission.

## Lutheran Services May Come to Rankin

A quest is now underway in Rankin to find those who would be interested in attending local Lutheran church services. It is believed that if enough interest in the proposal is shown that a Lutheran minister will be sent to Rankin and a regular schedule of church work commenced.

All those who are interested are invited to get in contact with Mr. James Mabry in Rankin, either in person, by telephone or by mail.

## Defeather Sanderson Eagles by 27-8 Mark--

# Red Devils on the Prowl; Cook Up Lion Hunt Next

After a two-weeks diet of Eagle meat, the Rankin Red Devils are honing the tines on their pitchforks and getting up a Lion hunt for Friday night. The safari is expected to be an exciting one since the Red Devils have only one win on the record books over the Ozona Lions since they renewed their current rivalry.

Gametime is 7:30 p.m. in Red Devil Stadium in Rankin.

Another near-capacity crowd is expected to watch the game between the two rivals.

Ozona has had one of their most

discouraging seasons within the past 10 years thus far and will be looking for some opportunity to prove their worth before the end of play. Knocking off the district favorite Red Devils would be a big feather in their caps.

Rankin, however, has indicated in their last two ball games, that they have their sights set on a bit of honor grabbing in District

8-A and will be expected to go all out in an effort to make it win number 3 in district play on Friday night. In their trip to the Sanderson Eagles nest last Friday, they rang up a 27-8 win on the cash register in a game that was much more closely contested than the score indicated. The Devils did not put the game in the sack until the last quarter of play.

The Red Devils may be without the services of Senior half-back Sam Bean this week. He is favoring a stiff neck picked up in the Sanderson game. In an effort to find the key that will unlock a win for the Red Devils over the Lions, considerable maneuvering has been taking place this week on the practice field for the Red Devils and some shifting around may result.

Again this week the local squad is expected to be in the favorites role over the Lions—as they were last week over the Eagles—then, they were favored last year to dump Ozona and that score came up 52-13 in favor of the boys from Crockett County.

In truth, it promises to be a thriller.

## Scout Meeting to be Thursday, Nov. 7th

All persons interested in Boy Scouting are asked to be on hand at the First State Bank next Thursday, November 7 at 7:00 p.m. At that time, plans for the Kick-Off Breakfast for the annual Boy Scout Fund Raising Drive will be made.

It has been pointed out that Rankin has not made its quota in the Scout Fund Drive over the past few years and added attention is needed. All who can are urged to attend this meeting.

## CUB BULB SALE—

On Saturday, November 2, the newly re-organized Cub Scouts of Rankin will hold a light bulb sale. Sales will be on a door-to-door basis by the Cubs themselves and they will offer bulbs by the sack.

Special light bulb orders may also be placed with them at that time.

## B. JUNIORS TO IRAAN—

This week, the Junior High and B teams go to Iraan for a return match. The Juniors start at 5:00 p.m., followed by the B contest.

In their last set-to the Juniors won their game over the Braves while the B team dropped theirs.

## Lucky Numbers Dropped by MDA

Due to insufficient widespread interest in the project, the MDA has dropped their Lucky Numbers series. Ordinarily this would have been the date for new sets of numbers.

In deciding to discontinue this particular drawing, the MDA has not, as yet, come forth with any new type promotion.

## Absentee Voting On for Nov. 9 Ballot

Absentee voting in the November 9 General Election, in which four amendments to the Texas Constitution will comprise the main issues—and the only one on the Upton County ballot—is now underway at the office of the county clerk in the courthouse in Rankin. It closes next Tuesday.

Thus far, it might be said that interest in the election is light—only one absentee vote had been cast as of last Wednesday, October 30.

## HOSPITAL NOTES

## WINNING FLOAT

CUB SCOUTS from Troop 56 took the top award in the Lions Club Hallowe'en Parade last Saturday for their display of Scouting and a strong plea for adult workers in the organization. They not only won the prize—they got additional workers.

WITH A PART OF the Red Devil Band in the lead, the Hallowe'en Parade got off to a fast start last Saturday and headed up Main Street which was lined almost from end to end with a carnival-minded audience.

## DOESN'T FIT—

A few years back some chap in a high government position made the statement that "what's good for General Motors is good for the United States" and for that bit of philosophy he was jumped upon by many feet and thoroughly pounded about the head and ears. It seemed that one must not make statements to the effect that private business was in anyway responsible for the good things that happen in the U. S. but that all good things come from Allah—in this case Uncle Sam.

Now we are serving time beneath a new philosophy—that of the New Frontier and it seems to be their thinking that what is good for New York, or Houston, or Los Angeles or Dallas, is good for the United States. The only thing wrong with that little tid-bit is that it just doesn't work out in practice like it does on paper.

For all appearances, all present

The Rankin (Tex.) News—  
Thursday, October 31, 1963

government "big help" projects—outside of relief—are pointed toward building certain huge centers of activity over the United States and paying little if any attention to the smaller, overall structure of the Nation. As recently as last Tuesday, a statement from Washington appeared to the effect that the planners have a plan for re-training the people of depressed areas—which, despite all the flowery pictures painted about our booming economy, includes almost everywhere except these chosen few build-up centers—so that they will be able to move from the depressed areas into the huge complexes and find work. In other words, vast sections of the Nation are earmarked to be stripped of their inhabitants and said inhabitants are to be gathered into the selected areas.

Now that's a real pretty picture—

se who will be left be-  
those who have spent a

lifetime trying to build up their  
small communities, to pay for  
their homes, their businesses, to  
build up their schools and their

civic installations. No mention is  
made as to what is to happen to  
these citizens or who is going to  
help shoulder to load of taxes,  
public responsibilities, etc. when  
all who can do so leave an area.

It's not a pretty picture when  
you look behind the folwers but  
then governmental planning never  
is.

Somehow these plans never get  
around to providing for individ-  
uals—just for multitudes.

It would seem to me, that since  
the government is apparently set  
on spending huge loads of money  
on such projects as getting to  
the moon, there ought to be a  
plan somewhere that would make  
it possible to spread this vast  
expenditure across the Nation and  
not jam it all into a few dozen

selected areas. In that way, all  
of us who are paying the bill  
might have some chance of bene-  
fitting. But then, what sometimes  
seem logical is not always what  
is put into practice.

I would suggest that we all  
troop to the nearest re-training  
center and put in our applications.  
Who knows, those of you who  
have been ranchers all your lives  
might be re-trained and appoint-  
ed as head of some big depart-  
ment—say the governmental pro-  
gram on the care and feeding of  
the humming bird. I expect that  
somewhere in the Federal Budget  
there's a good size appropriation  
for that very cause.

Cheers for the New Frontier.  
Ugh.

#### LIONS NEXT—

To the apparent embarrassment  
of some of our big city sports-  
writers— notably those of the  
Rooster paper in Angelo—Rankin  
keeps right on winning district  
ball games and they keep right  
on trying to ignore the facts of  
life. I suspect that if these so-  
called sports writers would get  
outside the city limits of San An-  
gelo some Friday night and take  
a good look at teams playing a-  
round the area, they would get  
a somewhat more inlightened  
idea of just who can do what when

the chips are down. I don't know  
what the Rooster paper's practice  
is on sports coverage at this time  
but over past years, they have  
paid first one and then another—  
usually school teachers from San  
Angelo—to cover the games out  
in the sticks There's nothing par-  
ticularly wrong with this proced-  
ure except that the writer may  
well be making his first trip to—  
say, Rankin—and he has very lit-  
tle if any knowledge of the teams  
involved in the game.

But one thing can be said for  
the Standard-Times sports page—  
once they decide on who is to do  
what in a district, all the rest  
of the teams might as well pack  
up and go home as far as the  
Times is concerned for their favor-  
ite is going to get all the credit,  
regardless of the score.

All of which only makes the  
upsetting of their pride and joy  
the more relishing.

This week we face the Ozona  
Lions and if Sanderson had a  
chance of upsetting the Red Dev-  
ils, then the Lions have the same,  
with cream. For some reason, the  
Ozonans seem to have the Indian  
sign on the Red Devils. They  
have handed us some of our worst  
shelackings over the years with  
that 52-13 spanking last year a  
real shocker. It would be well  
for Rankin to keep their mind on  
their business Friday night for  
you can't ever tell about the Lions  
and whom they will devour.

As they warned that Roman  
chap, Julius Caesar, some years  
ago before he got the knife in the  
back to beware the Ides of March,  
so it is well to say now to the  
Red Devils, "Look out for them  
cotton picking Lions."

For the pickings: it will be  
Rankin over Ozona. Remember:  
52-13 is downright degrading and  
such tactics deserve a little some-  
thing in return but to those who  
expect the Red Devils to be able  
to manhandle the Lions, I would  
only point to the fact that we  
never have. If we can come out  
six points ahead, we'll have had  
a good night.

**BIG LAKE** will whack Iraan a  
few good licks while looking for-  
ward to the Red Devils. Let's upt  
it at 28-0.

**ELDORADO** will put the ham-  
mer down on Sanderson in an ef-  
fort to see if they can outdo the  
Red Devil victory. Lets say 35-12  
on this one.

## Don't Burn Valuable Autumn Leaves

by  
**MRS. LOU JEFFERS**  
County HD Agent

Don't burn those autumn leaves! They're just the thing for a compost pile.

Many homeowners throw away valuable materials that could be saved for use in improving their soil. Leaves, grass clippings, old tomato plants, bean vines, even weeds can be turned into fertilizer for next summer's gardens.

Such materials, after they have wintered in compost, make excellent organic matter. Compost, spread around trees and shrubs and worked into the soil in flower and vegetable gardens, makes the earth rich and porous. It loosens the ground so that roots can develop naturally, and air, moisture, and plant food can penetrate easily.

Here's how you go about making a compost pile.

Select a spot at the back of your lot, yet within reach of your garden hose. (That's because the pile should be kept moist.) Use ordinary wire fencing or boards to enclose an area 3 to 8 feet high and 3 to 5 feet square.

Dump leaves, lawn clippings and garden trash into the bin in layers 6 to 12 inches thick. To

or from J. Silas Pittman at 1210 Gaston Street, Crane, Texas.

Given under my hand, the 23rd of October, 1963.

## Marker Ceremony To be Held Nov. 11

Preparations are now underway for the dedication of the Historical Marker of Col. John Cunningham and William Felton Upton at 3:00 P. M. Monday, November 11 at the Upton County Courthouse in Rankin.

Among those being contacted to be on or assist in the program are Senator Dorsey Hardeman, Representative Gene Hendryx, Honorable John Ben Sheppard, County Attorney John Menefee, Superintendent H. L. Wheat of McCamey Schools, Superintendent Bill J. Hood of Rankin Schools,

each layer add some commercial fertilizer (whatever you use on your lawn) and 1/2 layer of soil. Moisten the leaves as they are added.

Keep building up the pile as you accumulate material. Top it with 1 to 2 inches of garden soil.

Remember to keep the compost pile damp. If the pile is kept reasonable moist and has a cap of garden soil, it should have no odor. And, by May or June, last year's leftovers will be ready to perform springtime magic in your yard and garden.

the American Legion and the Veterans of Foreign Wars.

The program will be completed this week and will be published in the next issue of the McCamey and Rankin News, according to the office of county judge Allen Moore.
