Expenses Cut \$46,015.56 Below 1962 Mark--

Auditors Find County Operations In Financially Improved Condition

Mr. George Donnell of George R. Donnell and Associates, Certified Public Accountants, Members American Institute of Certified Public Accountants, San Antonio,

Pack 56 Meeting Set November 24 at 7:30

Cub Scouts of Pack 56 will have their November Pack Meeting on the 24th at 7:30 at the Rankin Park Building, Den 4 will have the skit entitled "Three Rivers".

All cubbers and their parents are urged to attend and all boys who are between the ages of 8 and 11 are invited to come and join in the fun.

Boys who wish to join Cub Scouting should attend this meeting with their parents and receive the applications.

made his report to the Commissioners' Court of their audit report on examination of records of Upton County for the operating year of 1963. In his summary and general observations in the audit, Mr. Donnell reported as follows:

It may be noted that the overall deficit spending for 1963 was only \$16,340.01 compared with \$63,781.87 for 1962, a decrease of \$48,441.86. A comparison by funds reveals that all sections reflected considerable improvement over the prior year, with the capital section showing an actual surplus of \$19,601.72 compared with a deficit of \$10,558.79 for the prior year. All sections showed deficit spending for 1962. Total receipts for current year were increased \$1,426.30 and disbursements were decreased \$46,015.56. In addition this very commendable improvement in operations was accomplished with only an \$81,000.00 distribution from the 1963 assessed tax roll collections compared with \$89,750.00 distribution in 1962 from the 1962 assessed tax roll.

The results of operations for 1963 indicate that a very definite step has been taken toward the desirable objective of having the revenues from the current years

assessed tax roll provide the basis for the next years budget of operations. This ideal budget objective is difficult to accomplish once any considerable portion of the revenues to be allocated to the following year's budget have been spent for current year's operations and it may take a great deal of sound, efficient management to completely eliminate the necessity of doing so; but with suitable operating economies, it can be accomplished in time.

We feel that the Upton County officials have shown definite improvement in their handling of the fiscal affairs of the county and should be commended for their efforts to restore the county to a more economical and current budget system.

We found the records of all county officials to be suitably kept with clear accountability for all funds received and disbursed. We appreciate the many courtesies extended to us during the course of our examination; we shall be glad to furnish any additional information desired."

A copy of this audit is filed in the office of the County Clerk for the use of any of the public who wish to study it.

Rankin Lutheran Church Dedication Service

Church — one of its first anni- cating a new Sunday, Novem- attendance from sters marked the the church was er 6, 1963 in the nd Mrs. James tteen people in

attendance. At the time of the dedication on November 8, 1964, the congregation had grown to fifty with an average attendance of approximately thirty-five each Sunday during the year.

Pastor Claire Weiderhoff, pastor of St. Paul's Lutheran church of Big Spring, officiated at the dedication ceremonies. Approximate one hundred, seventy-five were

in attendance from Big Spring, Midland, Stanton, Iraan, Andrews, Odessa and locally.

All services will now be held at the church which offers classrooms, a kitchen and the sanctuary. Remodeled from an office building moved in from Kermit, actual repair work was started last July.

(Continued To Page Five)

Red Devil Band Enters UIL Marching Contest

Some eighty members of that "Good Ole Red Devil Band" will be in Odessa Saturday, November 21 to participate in the Region VIII UIL Music Contest. Site of the performances will be the W. T. Barrett Stadium. Rankin is slated to take the field at approximately 10:15 a.m.

Competition in Class A will include Rankin, Stanton, Big Lake, Coahoma, Iraan and Wink. Some eight divisions in all will be held for the various size school bands. Judges for the marching contest will be Bruce Cook of Tulla, E. A. Janzen of Irving and J. W. King of Hale Center.

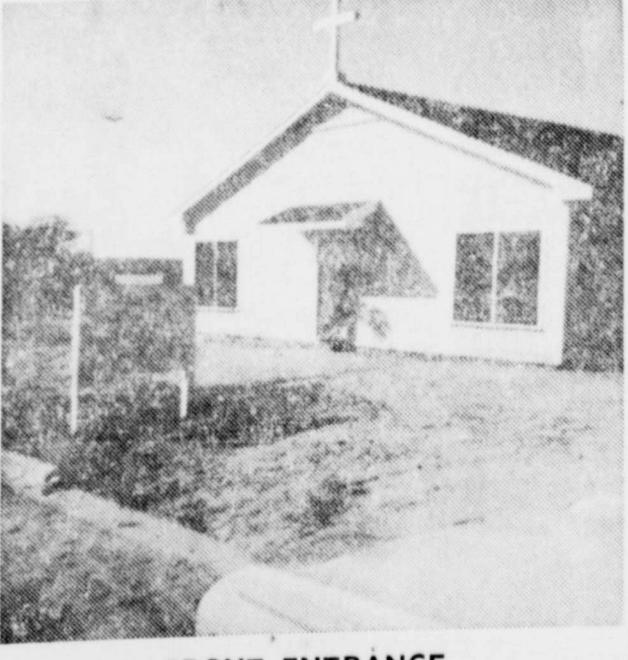

Bill J. Hood, superintendent of Rankin schools, will be vice-chairman of the music executive committee, headed by C. A. Carroll of Crane.

Rankin's six twirlers will also enter the twirling division contest to be held in Bowie Junior High

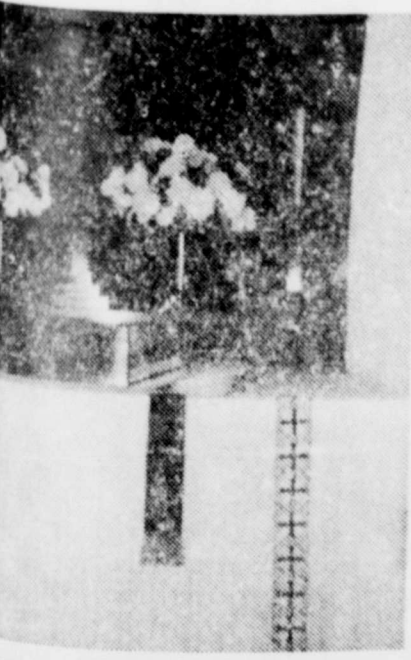

gymnasium. Judges in this event are Fred Steffey of Dalhart, Mrs. F. R. Woodard of Denson, and Bill Woods of Levelland.

Each of the girls will perform in solo routines and then will compete as two trios. For the trios, the groups will be formed of Marsha Hargrove, Tony Shaffer and Debye Putman and of Judy Elrod, Rhonda Sproul and Cheryl Little.

In past years, the Rankin Red Devil Band has had its trouble in trying for high placings in the marching events—their best efforts being in their musical performances held in the spring. It is reported, however, that this year's group has put in a good bit of time on the practice field and has its sights set on finishing among the leaders in their class. A number of parents and supporters are expected to make the trip with the band.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

PROBLEMS, ALWAYS—

It's very possible that if individuals and counties—or any other group—did not have problems, they would either be dead or living in a world about which most of us know nothing. Upton County has faced many problems over the years and has resolved most of them. Some still linger.

A fine system of public parks and their operations are maintained in the county and are of much benefit to all of us. We have perhaps, more roads and streets paved within the county than any other like unit. County facilities, such as the courthouse

The Rankin (Tex.) News—
Thursday, Nov. 19, 1964

in Rankin, still draw amazed comments from visitors. I have personally had a number say that they wished their own county had a courthouse as imposing and efficient.

We are most fortunate in having two county hospitals. The one in McCamey is presently considering an enlargement program. And there are numerous other public benefits that are derived—rightly—from county support.

Some problems still remain. Satisfactory financial operations

to county employees who played no small part in making for more economical county operations.

There is much need of a road out to Castle Gap. Having a historical site that cannot be reached without a half dozen keys, a search warrant and someone to ride shotgun doesn't make much sense. We may as well erect a marker on the highway pointing south that says, "See the Alamo—400 miles South." At least, assuming that you can get off the freeway in San Antonio, you can get to the Alamo which is more than can be said for Castle Gap.

This problem, also, is presently being considered by the county dads and its solution is apparently at hand.

And yet, there is one item that was with us twenty years ago and it's still around. Water. Sure,

we have put on a few patches here and there and managed to make sure that no one had an excuse for having a dirty neck on Saturday night. And it's possible that we may continue to "get by" in this same manner for a good long while—or at least, until—as the county agent has said—you turn on the tap and nothing comes out.

This very thing almost happened here in Rankin last summer—not once but several times. Some evenings—usually along toward the end of the week, there would be less than 6 inches of water in the main tank by Western Co. Had the fire that hit Home Appliance some months ago struck on one of those times, it would have been almost assuredly a wipe-out of that block.

The question of water always

brings up the old saw: "How are you going to get blood out of a turnip?" There's not any large amounts of water in Upton County. Perhaps. Ten years ago you could have gotten pretty good odds that a man would never walk on the moon but I expect those odds have dropped considerably about now. It may well be that there are no large water deposits in Upton County but I wonder if we have really taken a good look in that matter. And then, there's no actual law of nature that says the deposits must be large. One thing we do appear to have is a generally even spread of water beneath the county in some quantity.

A few months ago the Commissioners Court turned down a proposal to participate in a water survey of the county with the State of Texas. At that time, it appeared to me that that was a

wise move—and maybe it was—but the question of water keeps cropping up and there is no indication that it will go away.

A thorough county-wide look into the water situation with a definite plan of making use of the information learned holds a good promise at this time of being of much benefit in the immediate future to McCamey and Rankin and the county as a whole.

REMEMBER WHEN?

Netleton Industrial Museum

If you're under 40 you won't remember your grandmother spinning her back over this old fashioned washing apparatus. It's hard to believe that a washing machine like this actually existed yet this 1905 model was the first one put on the market. In 59 years, washing machines have improved to the point of complete automation. All the modern young housewife of 1964 just puts the clothes and detergent in her automatic, presses a button, sets a dial, and forgets it. Isn't modernization remarkable? You too can gain the pleasure and satisfaction of push button washing. See your local appliance dealer right away."

BUSINESSMEN:

9 OUT OF 10

shop the

Yellow Pages

Will they find you?

People use the Yellow Pages when they're ready to buy, rent, lease, or order services. Make sure they find *your* business easily with a display ad under each product, service, or brand-name item you sell. Featuring selective information about *your* business will help turn shoppers into buyers.

The better *your* business is represented in the Yellow Pages, the better opportunity you have of reaching consumers when they're ready to buy or order services. So why take chances?

THE PLACE WHERE BUYERS AND SELLERS GET TOGETHER

MIDKIFF

BY EVA CLARK

I had an anniversary the 15th and you'd never guess what I received from Virg. A bicycle! No, I didn't make a mistake—he really brought home a shiny new bike for an anniversary gift — which is exactly what I wanted. You see, nearly all the girls in camp had one and Virg, fearing I might develop a complex, decided to get one for me. Kinda disappointed he didn't get one that goes VAROOOOOM though.

The Baptist church members are planning an old fashioned Thanksgiving for November 22nd. Each family will bring their lunch which will be spread together. A singing session will take place after the luncheon.

The Bible Learners class of the Baptist Church met in the home of Lettie Frymire Tuesday night for their monthly meeting. Songs were sung and a devotional was given my Lettie.

Girl Scout Cadet Troop No. 236 attended a Hootenany at the Sam Houston Cafeteria in Midland last Saturday.

David McElrath is enjoying the company of a cousin, Jim Geise, who is waiting to join his parents, Mr. and Mrs. Jack Geise of the Philippines.

Bill and Bernice Johnson are in Sulphur Springs to help cele-

brate the birthday of Bill's mother who, I understand, is in her late eighties.

Glad to hear Joe Scott is home from the hospital in Bronte where he was stricken with a bad case of strepp throat while visiting relatives.

Ben Draws is at Sealy Smith Clinic in Houston undergoing intensive medical tests.

Mr. C. T. Potter underwent surgery at a Midland hospital on Tuesday.

As far as I know, Johnny Bo. o Pyeatt brought the first deer into camp killed in Texas during the Texas season.

Cam and Bill Burson have returned from a successful deer hunting trip to Moab and Blanding, Utah. They brought home their quota and Bill showed me the largest set of antlers I've ever seen.

Thayer Lewis is in Cape Giraud, Missouri attending the funeral of a brother-in-law who passed away this past week.

Oh yes, I was hostess for our card club Tuesday night. Those attending: Virginia Sparks, Joanne McCutchen, Mary Bobb, Colleen Taylor, Freda Howard, Mary Draper, Donna Caviness and Betty Harding.

I would like to compliment the Spanish students on the delicious meal that was served last Friday. We thoroughly enjoyed it.

Rains Douse Area; First in November

For those who have sharp eyes, it can be seen that a Red Rooster appears on this issue of the News—it rained in Rankin Tuesday night.

Mr. Fred Welling, official rain gauger for the US Weather Bureau in Rankin, reported 42 inches Tuesday night and showers were still falling at mid-day Wednesday. Areas east and south of Rankin reported over 1 inch.

This was the first rainfall of any consequences to fall in the county during November. It was about a year ago that the freak hailstorm hit Rankin resulting in several thousands of dollars damage to roofs.

Some old domino playing pals of P. A. Whisman's surprised him with a birthday stag party last week. Hamburgers were served and a hot domino game followed. Those in on the surprise were Misters Blex, Yarger, Miles, Bowden, Flannigan, Smith and Bob Whisman.

Bob and P. A. Whisman and friends have returned from their deer hunting expedition. Don't know how the others fared but do know P. A. had the same luck as last year and that Bob brought home two large "jack rabbits" with small horns.

JUST TRY TO LIFT YOURSELF

Did you ever hear the story of the man who tried to lift himself? Of course, he found that it couldn't be done.

For instance, try wheeling yourself in a wheelbarrow. Or try lifting yourself by your own boot strap!

You say, you never did try it? Don't be too sure. Many people try to lift themselves to heaven by their own efforts.

You've heard them. They say, "I never steal, support my family, I don't get drunk, I treat everybody right, I'm as good a man as any church member. If anybody goes to heaven, I will."

No chance, sir. Not that way.

The only way to heaven is by accepting Jesus Christ as your Savior. Christ said so:

"I am the way, the truth, and the life. No man cometh unto the Father but by me."

That teaching was the heart of the Reformation; it is the heart of the Gospel; it is the heart of our Church's preaching. Find the true way to eternal life. Come and worship with us this Sunday.

tie last Thursday night. Coach Skinny Taylor has claimed a victory for the Dalton Gang on the grounds that they were a more imposing looking team than was the Panthers and that their coaching clearly displayed superior skill and aforethought, et el.

Coach McDonald of the Pink Panthers says that after viewing films of the game, he intends to file a protest with the USDA—charging among other things, that the Dalton Gang had a lot of beef on the field that was of inferior grade. He also stated that the Panthers drew one five-yard penalty for having twelve men on the field when the film shows clearly that they had at least twice that number and that they should have been penalized fifteen yards which would have given them the advantage of having their squad perform at a better position in front of the stands. This, he feels would have added considerably to the morale of the team.

Principal ground gainer for the night was Pat Yochem. He moved

HOSPITAL NOTES

Linda Dolan of McCamey, admitted November 12 and dismissed November 18.

Michael R. Phillips of Crane, admitted November 13 and dismissed November 15.

Mr. R. C. Quick of Rankin, admitted November 14.

Mrs. Albert Deel of Midland, admitted November 14 and dismissed November 17.

Mrs. Eddie Yochem of Rankin, admitted November 15 and dismissed November 17.

Mrs. Nancy K. Daugherty of

the ball for something like 500 yards from his position as referee.

Star attraction of the evening was the Pep Squad Girls who put on a stirring performance at the half time and who had the stands on their feet more than once—to see if they could get up after one of their flip-flops had flopped.

A nice gathering of about 400 people was on hand and a good time was had by all. The Boosters, by charging admission to all players, coaches, officials and the spectators, reported a collection of over \$150 for their scholarship fund and the Senior Class rang up a good night's work in the concessions stand.

By mid-week, most of the participants in the game—and the pep squad—were able to carry on.

Last Week's Results—

- Ozona 12, Rankin 6
- Iraan 36, Menard 14
- Big Lake 36, Sonora 14
- Sanderson 12, Junction 0

The Red Devils finished their season with a 3-won, 7-lost record for one of their poorest showings in the past several years. Big Lake, for the third year in a row, will represent District 8-A in Bi-District play next Friday when they meet Van Horn in Big Lake.

4th and 10 had 36 right, 14 wrong and 2 ties to finish near the bottom of the pile for football forecasting—about the only accurate pre-season forecast made in this column.

Student Pictures

Go Out Friday

Students' pictures will be distributed by room or grade on November 20, according to Mrs. Jean Shaffer, yearbook sponsor.

Pre-school children's pictures must be paid for when received at the high school principal's office only.

Cost for each packet is \$2.30 including state tax. Information about reordering and cost per picture is on packet envelopes.

CARD OF THANKS

THE RANKIN Lutheran Church wishes to publicly thank each and every one of you who helped us complete our building and for the many contributions of time, encouragements, money, and other gifts of love the people of Rankin so generously gave and made it easier for us to have a church. We want all of you to know you have a personal invitation to visit us and worship with us at any time.

Leaflet Available on Proper Deer Care

BY W. M. (DUB) DAY
County Agent, Upton County

With deer hunting season upon us, hunters may be interested in a new leaflet, "Field Dressing a Deer", now available at the county agent's office.

Since quality venison depends primarily on how the deer is handled from the time of the kill until it is placed in the freezer, field dressing is important.

Leaflet L-634 gives one method of field dressing and skinning of a deer. However, any method resulting in a clean, well-bled carcass is satisfactory. Unpleasant experiences with venison usually result from lack of care before the meat reaches the kitchen.

Information in the leaflet has been provided by Wallace Klussmann, Extension wildlife conservation specialist, and by the Texas Game and Fish Commission.

Another publication that should be of interest to hunters and housewives during the hunting season is Extension Bulletin B-987, "Wild Game Care and Cooking." It offers many suggestions for preparing delicious dishes of venison as well as other wild game meats.

This bulletin is also available at my office.

Mrs. Lucille Harlan Hosts Omicron Tau

BY PAT WRINKLE
Omicron Tau Reporter

Mrs. Peggy Collins, president of Omicron Tau Chapter of Beta Sigma Phi, conducted the business session when the chapter met

turkey will have about half the calories of the traditional bread stuffing. A low-calorie salad, such as apple gelatin, can be served. Baked potatoes and broccoli are low-calorie vegetables.

For dessert, serve Cranberry Crowns. These fruit-topped pastries are as taste-tempting as the traditional mince pie, but have up to 200 fewer calories per serving. And their light texture will be the perfect finishing touch to a filling Thanksgiving feast.

Made with self-rising flour, Cranberry Crowns are mixed in seconds. Because leavening ingredients are already pre-measured and pre-mixed, mixing time is reduced and baking results are assured.

CRANBERRY CROWNS

- 1 cup whole cranberry sauce
- 1½ cup sifted self-rising flour
- 1/3 cup liquid shortening
- ½ cup pecans, chopped
- ½ cup sugar
- ½ teaspoon almond extract
- 2 eggs, separated
- 2/3 cup milk

Divide cranberry sauce among eight greased custard cups.

Place shortening in a mixing bowl. Add sugar and almond extract. Beat until smooth.

Add egg yolks one at a time, beating well after each addition.

Pour in flour, mixing alternately with milk. Blend until smooth.

Beat egg whites until fluffy—not dry. Fold egg whites and nuts gently into batter.

Pour into custard cups until 3/4 full. Place cups on baking sheet.

Bake in moderate oven (350 degrees) for 30 minutes. Remove from oven and loosen Cranberry Crowns from cups with knife. Invert on serving plates so the "Crown" is on top. Serve hot.

Make extra Cranberry Crowns and store in your freezer for a quick treat all during the holiday season.

NOTE: If straight bread flour is used, add 3 level teaspoons of baking powder to flour, add 1 level teaspoon salt, and sift together.

Monday evening in the home of Mrs. Lucille Harlan. Following the business meeting, Mrs. Barbara Mabry and Lucille Funderburg gave a program on poetry. Their guests for the evening, Kay Collins, Janice Brown and Sharon Dayton, recited several poems which they have been working on for UIL contest to be held in the spring. The girls gave a very fine example of their recitation abilities.

The Ritual of Jewels was given to our five pledges: Nancy Poags, Edra Owens, Barbara Barton, Darlene Bachelder and Tommye Reeves. Mrs. Donna Bell, a transferee from Crane, was introduced to the members. The Ritual of Welcome was given for Mrs. Bell.

Social Chairman Lucille Harlan, has set December 19 as the date for the annual Christmas Dance. More details will be given

The Rankin (Tex.) News—
Thursday, Nov. 19, 1964

at a later date.

Refreshments were served by the hostess, Lucille Harlan. The next meeting will be November 23 with Loma Serber as hostess. Peggy Collins will be in charge of the program. She has requested that each member prepare a poem about their husband or themselves.

TAKE A NUMBER

(we'll find the city)

Give your Long Distance calls a flying start . . . use Area Codes!

When you place a Long Distance call with the operator, give her the Area Code of the city you want, then give her the number you're calling. You'll save yourself precious waiting time on the line. You'll get your call through faster, easier.

Area Codes for most cities are listed in the front section (white pages) of your telephone directory. Or you can get them from the Long Distance operator—any time—and jot them down for future reference.
