# Hallowe'en Carnival Set October 30th Run

Chapter of Beta  
Sponsoring organiza-  
1965 Hallowe'en Car-  
the date for the

annual event on Saturday, Oc-  
ber 30. The carnival proper will  
be staged at the school bus barn.  
Prior to that, however, one of

the highlights of the Carnival is  
to be held starting at 5:30 p.m.  
This, of course, is the parade in  
which a wide assortment of little

and big spooks, goblins and as-  
sorted other Hallowe'en creatures  
march through town accompanied  
by the good ole Red Devil Band  
and an assortment of floats ap-  
propriately decorated for the oc-  
casion. Sponsoring the parade is  
the Rankin Lions Club.

At the conclusion of the par-  
ade, which will disband in front  
of the Junior High School, prizes

will be awarded for the best  
float entered in the parade and  
for the best five individual cos-  
tumes. The float prize will be a  
\$10 bill and the individuals will  
receive \$1 each.

Omicron Tau has announced  
that anyone interested in secur-  
ing booth space at the carnival  
should contact Mrs. Bill Wrinkle  
after 5 o'clock at MY 3.2514.

white mums. Plain mums are \$2;  
a \$3 corsage includes the mum  
with a maroon "R", football and  
streamer, a number of a football  
player if wished and "Ex"; a \$4  
corsage includes all of the items  
on the \$3 corsage plus an indi-  
vidual's name on a long streamer.  
These corsages may be purchased  
from any senior class member.

Postal cards containing the  
schedule of events has been mailed  
to many ex-students, and  
school officials are hoping for a  
large number of visitors for all  
of these events.

Registration will begin at 9:00  
a.m. with members of the Wo-  
men's Auxiliary to Midland Me-  
morial Hospital as hostesses. The  
Rankin Auxiliary is a part of the  
Area group and a delegation is  
expected to attend the meeting.

Football fans, however, will not  
go hungry this week. Beginning  
at 5:00 p.m. at Red Devil stad-

Rankin Junior High and the B-  
Team and their counterparts  
from Iraan will open up. At ap-  
proximately 6:30, the once bea-  
ten B-Team will take the field  
in an effort to add another win  
to their 2-1 record. They hold  
wins over Stanton and McCam-  
ey and have lost to Big Lake.

## Commissioners' Court Gives Their O. K. --

# Plans for Upton Museum Take Big Step Forward

Plans for the construction of  
an Upton County Museum in  
Rankin—which have been brew-  
ing for some half-dozen years—  
took a giant step forward last  
Monday when the Upton County  
Commissioners Court gave their  
approval to the plan and promis-  
ed to assist with a portion of the  
financing and work. Property for  
the site was also donated at that  
time by Miss Maggie Taylor of  
Rankin.

Proposed location of the build-  
ing would be adjacent to the new  
Masonic Lodge Building on the  
South side. The County agreed  
to do the levelling of the prop-  
erty and H. Wheeler Company  
also promised equipment to be  
used in the work.

County participation in the  
plan will be similar to that pres-  
ently being carried out with the  
group in McCamey supporting the  
construction of the Mendoza Trail  
Museum in that city. In that in-  
stance, the county has put up two-

thirds of the money and the City  
of McCamey has pledged a third.

In the Monday meeting, mem-  
bers of the Rankin group seeking  
the museum said that they had  
talked to Rankin Mayor J. B.  
Pettit and that he supported the  
idea but that the City Council  
would like to wait and see what  
action the county took on the  
matter. Following the agreement  
with the county, the supporters  
indicated that they would go  
back and seek to get the City  
backing.

Presently, the museum is using  
one room in the Rankin Park  
Building. This small area has

## Absentee Voting on for General Election

You may now cast your ballot  
by absentee for the November 2  
amendment election—if you know  
how you want to vote. The ballot,  
a king-size affair, contains ten  
proposed amendments to the  
Constitution of the State of Tex-  
as.

All absentee voting must be at  
the clerk's office during regular  
office hours: 8 to 5; five days a  
week.

Absentee voting will continue  
until three days prior to the e-  
lection. Voters, to qualify, must,  
among other things, possess a  
current Texas Poll Tax.

## Coin Club Meets Next Tuesday Night

Members of the Castle Gap  
Coin Club will gather in Rankin  
on Tuesday, October 19 for their  
regular monthly meeting. Time is  
7:30 p.m. at the courthouse. All  
interested parties, men and wo-  
men, boys and girls are invited  
to attend the meeting.

A speaker will be on hand and  
an auction and trade session will  
follow the business portion.

long been overcrowded and there  
are many items waiting to be  
placed in the museum once a  
proper home for it is available.  
Although they were delaying an  
actual building plan until the  
financial arrangements can be  
worked out, tentative desires of  
the museum backers call for a  
tile building approximately 40 by  
70. Property donated by Miss  
Taylor is 50 by 150.

Spokesman for the group at  
the Monday meeting was Mrs. E.  
C. Higday, president of the U-  
pton County Historical Society. She  
was accompanied by Miss Taylor,  
Mrs. Sam Holmes, Mrs. Jack  
Smith, and Mrs. Tyson Midkiff.  
A cordial and friendly atmos-  
phere prevailed throughout the ses-  
sion that lasted some 30 minutes.

## Clean-Up Workers Invited to Terrell Barbecue Saturday

Bill Cooksey, Sheriff of Terrell  
County, advised Upton County  
Sheriff H. E. "Gene" Eckols that  
he and all those who assisted in  
the clean-up of Sanderson last  
summer are invited to be the  
guests of honor at a Barbecue in  
Sanderson next Saturday, Octob-  
er 16. The barbecue will be held  
at noon.

Cooksey's letter read in part:  
"The Citizens of Terrell County  
are having an Appreciation Bar-  
B-Que for our friends who came  
to our aid during our recent dis-  
aster. I have been instructed to  
invite you, members of your de-  
partment and citizens who assist-  
ed you . . . We will be looking  
forward to having you as our  
guests on the 16th."

Following the flood that hit  
Sanderson earlier this year, a  
group of Rankin and McCamey  
men, under the direction of Eck-  
ols, spent a day helping clean-up.  
All those who participated are  
invited to the Saturday barbecue.

AW, HECK—

If, like me, you are one who has already sent in for his G. I. insurance refund... as mentioned last week in The News, get set to receive a "Dear John" letter from the Veteran's Administration. They now say that it was all a mistake and that they did not authorize the news release.

But don't feel too badly. You and I will not have been the only ones who lost five cents in the deal. The letter being sent out—one Rankinite received his early this week—is a printed form, indicating that the VA has received letters in bunches.

Oh well, it was fun spending it before we got it anyhow. And besides that, back in 1945 I recall a good many G. I.'s who vowed never to write the War Department if the Department wouldn't write them—again.

## THE MUSEUM—

Rankinites ought to lend their support to the establishment of the Upton County Museum in

The Rankin (Tex.) News—

Rankin. It matters not whether one is interested in ancient history, museum pieces or a bygone era. That's not the point.

The point is that there are those who do have such interests, both locally and scattered among those who visit in Rankin and the area from time to time and a museum means a great deal to these people. Not all of us are interested in baseball, in football, in swimming, in rodeos, in youth centers, in golf courses, in skeet shooting—or museums; but each facility established for one of the above does contribute to the overall advantages offered by a community and in that respect, a proper home for the Upton County Museum is long overdue.

City and County Officials are to be commended for their foresight on this project. They have indicated that their governmental bodies will stand behind the program. About all that leaves for the rest of us is to lend our moral support. And from this corner,

## Rankin Teacher is Convention Speaker

Mr. F. H. Goodyer, teacher of English, civics and speech at Rankin High School, was a featured speaker on the University Interscholastic League program of the Texas Speech Association meeting in Lubbock October 7-9. More than 350 members of the Association convened for the three-day meeting. The Association's membership is composed largely of teachers of speech and theatre on both the college and secondary school levels.

The theme for the convention was "Life Begins At Forty" and was the occasion for honoring more than 20 past presidents. Fifteen different program in the areas of speech, theatre, radio, television and oral interpretation were featured at the convention.

## School Pictures Set for Oct. 21 Shooting

The school annual staff has announced that individual pictures will be made of the students on Thursday, October 21. Parents wishing to have pictures made of pre-school children are asked to bring the children to the activity room on the second floor of the high school building at 3:40 p.m. that date.

Pictures made on the above date will be received four to six weeks later.

Want something different in your home grounds landscaping? A tree or large shrub trained to grow on a trellis or wall may be the answer.

Advanced gardeners may spend years developing a large espalier tree or shrub, but the results are worth the effort. Fruit trees are especially adapted for use as espaliers and many of the ornamental plants with colorful fruit such as the pyracantha are also very effective.

The training is started when the plant is very young, preferably a 1-year-old whip or at most, a 2-year old budded or grafted fruitstock. Start it before the plant has produced a stiff trunk and large side branches.

Usually the whip is pruned back to within a foot or two of the ground by heading back the main stem. Allow only those side shoots to develop which are growing in the proper position and direction to produce the desired effect. The selected lateral shoots are tied to the trellis or post as they grow and the side shoots developing from them are pinched out except those wanted for additional arms in the frame work or for fruiting spurs.

In most cases espaliers are trained to grow so all branches will form a vertical plane. The plant trained to a single shoot, or to two shoots lying in opposite directions, usually horizontal, and is known as a cordon. The cordon is usually trained along a horizontal wire or low wooden fence. Other methods include the fan-shaped and gridiron espaliers and both are suitable for growing along a wall.

The espaliered plant requires less room than a free standing plant and is an effective way to screen or protect a wall from the full heat of the sun. The plant can be fastened to a masonry wall but it is better to use a wood trellis to hold the plant 4 to 6 inches from the wall for air circulation and less heat damage to the plant. East and north exposures are best.

To be effective, a uniform balance of growth must be maintained over the entire plant. This re-

afternoon, a quotation in the club yearbook points out; "All educated Americans, first or last, go to Europe."

Also, at the meeting, club president Mrs. W. O. Adams gave a report on her trip to Austin to attend the State convention of the Texas Federation of Womans Clubs. At the same time, announcement was made that the fall meeting of the District of TFWC will be held in McCamey on October 23.

A nice gathering of twenty-seven members and guests attended the Thursday meeting of th Study Club.

quires constant observation and careful pruning. Root pruning may be necessary if the plant is growing in unusually fertile soil and controlling the growth of side shoots becomes difficult.

**LYDICK ROOFING CO.**

Lydick Roofing Co. is located in Midland at 19 Industrial Loop, phone MU 3-4633, if no answer, MU 2-8869. They feature all types of roofing; built-up, asphalt, roll, shingles, composition . . . for commercial and residential—and of course, they repair and re-roof. They have over 70 years of service in the Southwest to their record of experience.

Lydick Roofing Co. has made a most exhaustive study of roofing problems of this area and have looked over the entire field of roofing as presented by various manufacturers. They have selected the most artistic lines of roofing and will be glad to go over any problem you may have that will make your home more attractive. These roofs add to the value of your property and if you ever want to sell, you will find that an attractive roof will make the house or place of business one to be desired.

Their employees are men who thoroughly understand their work and who are careful to see that all roofing is correctly put on. The right amount of space is left everywhere and there is no stinting on materials to thoroughly cover the space, so there will be no leaks or trouble after the job is completed. Be sure to call Lydick Roofing Co. if you are interested in receiving a real first class roofing job. (pd. adv.)

## 4th AND 10

### ON YOUR OWN TWO

\* Being a Column Dedicated to the Proposition that only a Nut would try to predict Football Scores in Advance.

#### TWO TO NUTIN' ?

Man and boy, 4th and 10 has been around football games for thirty-five years now and that's the first 2-0 he's ever seen. But the stands was full of such folk. In fact, there was a few on the field who didn't know what the score was there for a minute and the Red Devils declare that one of their number was half-way home on the bus before he learned that Rankin had won.

Yessir, that was some ball game in more ways than one. I guess Rankin must have moved the ball almost 400 yards not counting penalties, and never got it over the goal line. One wag in the stand started calling them the Rankin Cowboys after that ball club in Dallas that can do all things well but always is in Dutch.

One of the big mysteries of the season to a lot of fans, and I suspect, coaches and football players, is how a club can have a defense as strong as the Red Devils have but can never seem to get their offense going. They have just about everything it takes to make a good offense but can never seem to put a series together long enough to move across the goal line. They have moved the ball well against all comers—in spots—but untimely penalties fumbles, muffed signals and calls have contributed a lot more to their failure to keep going than has the opposition.

Perhaps it's just one of those things that time alone can improve. In fact, if you have watched the club through the season, you will note that their offense has gained considerable strength. One of these nights, it's all going to fall in place and there's going to be much joy in Muds-ville.

Rankin has practically three weeks to get ready before their next big battle. Sanderson comes in between there but will not be much of a workout for the Red Devils . . . that's allowing for the fact that any team will beat you if you fail to get ready for them and it's a pretty fair bet that Rankin will be ready for

Sanderson on homecoming. That leaves Eldorado, Junction and Ozona in that order. If the Devils get their offense smoothed out, they can win the rest of them. If they don't they can expect trouble from Eldorado and heck from Ozona.

For this week, let's try:

**RANKIN**-Open. Touch luck, defense, you won't get to chew on anybody this Friday night but I sorta feel sorry for Iraan in that B-Team game Thursday night.

**IRAAN 16**, Sanderson 0. Iraan is pretty shook over last week's encounter with Rankin but has too much for Sanderson.

**OZONA 38**, Menard 6. Lions like to run up the score along about this part of the season.

**SONORA 25**, Eldorado 6 This is something of a grudge battle and could be a bit closer but is not too likely to come out any differently.

**BIG LAKE 35**, Junction 8. The Junction crew has played spotted ball but wouldn't have much of a chance upsetting Big Lake if they were playing their best.

#### Last Week's Results—

Rankin 2, Iraan 0  
 Sonora 63, Sanderson 0 (wow)  
 Junction 20, Menard 0 (?)  
 Big Lake 16, Eldorado 15
