Rev. White also called atten- tion to the fact that Saturday night, November 13 is Youth Night at the church.

In speaking of the guest min- ister, White pointed out that he is an accomplished preacher of the Bible, having served as pas- tor in some five churches and also preached in four other reviv- als this year.

Park Group Meets Tuesday in Crane

State Senator Dorsey B. Harde- man, along with members from several Texas state departments in Austin, will hold a hearing in Crane at 4:00 p.m., Tuesday, November 9. Discussions will be on development of Horsehead Crossing and Castle Gap into state park areas, according to Hardeman.

All interested persons are in- vited to attend. The meeting is to be held at the Community Building.

Scout Workers Needed for Drive

Ed Edgar, finance chairman of the Rankin Boy Scout Fund Drive, said that another attempt would be made to get workers to- gether for the drive. Last Mon- day, a meeting was set but no- one showed up.

The next meeting will be at 7 a.m., Tuesday, Nov. 9 at Hurst Barbecue.

1966-67 FOOTBALL SCHEDULE MADE

With the move-up of Big Lake to Class 2A, District 8-A will be composed of only eight teams for the 1966 and 1967 seasons. As a result, Rankin will play 3 practice games before district play gets underway on Septem- ber 30. The Red Devils will have no open date in '66 and '67— nor will any team having a 10. game schedule. The new UIL rule says that no games may be held before Sept. 9 and none af- ter Nov. 11 with the exception of play-off games.

Only opponent change for the Red Devils will be the replace- ment of Coahoma with Marfa. This was brought about when Coahoma refused to continue the Rankin date because they were able to secure a closer-to-home game with Colorado City.

Replacing Coahoma for openers will be the Marfa Shorthorns. With this alignment, Rankin will test 3 AA teams before starting district play.

Following is the 1966 and 1967 schedule. The '67 schedule will be reversed as to "Here and There"

Non-District Games—8:00 p.m.		
Sept. 9	— Marfa	There
Sept. 16	— McCamey	Here
Sept. 23	— Big Lake	Here
District Games—7:30 p.m.		
Sept. 30	— Sanderson	Here
Oct. 7	— Iraan	There
Oct. 14	— Sonora	Here
Oct. 21	— Junction	There
Oct. 28	— Ozona	There
Nov. 4	— Eldorado	Here
Nov. 11	— Menard	There

RED DEVILS HOST JUNCTION EAGLES FOLLOWING ELDORADO CONTRIBUTION

Playing in another of their generous moods, the Rankin Red Devils thoroughly lashed the El- dorado Eagles last Friday night, then thought better of it and deeded them the football five times on fumbles—most of them deep inside Eagle territory. E.do- rado, in an effort to add inter- est to the game, had thoroughly wet down the field just prior to the start of the game. This little maneuver gave additional thrills to the lighter, fast-hitting Red Devil team as they tried to keep their feet.

Rankin moved the ball well— when they could keep it—and spent most of the night headed for the Eldorado goal line. De-

fensively, they all but stopped the much heavier Eagles.

Eldorado won 14-12. This week, the Rankin squad hosts another Eagle team—Junc- tion. This ball club is a team much like the Red Devils—a good ball club but one having a rather poor won-lost record.

Junction sports a team loaded with fourteen seniors. In addi- tion, they list six juniors. Hold- ing only one district win, that over Menard, the Junction Eag- les have been tough all year and scored more points against So- nora—14—than has any other club in the district.

Kickoff time is 7:30 p.m.

LET'S—

Somewhere out in California, I think it was, one of these protestor clowns suggested that volunteers be recruited to fight on the side of the Viet Cong in the war in Viet Nam.

That's the best idea I have yet heard one of these cookie cooks put forward. In fact, I believe that the United States government ought to pay all transportation charges for these "volunteers" to North Viet Nam. I'd go so far as to say that if Uncle felt he couldn't afford it, the general public would contribute more than enough to get this bunch shipped over to the Viet Cong.

I'd even like to see the United States work out a draft of sorts that would induct all these placard carrying fools into the Viet Cong army. Wouldn't you just like to see a company of these "defenders of human liberty" come up against a group of real American fighting men? They wouldn't last long enough to get hot.

It has long been my contention

The Rankin (Tex.) News—
Thursday, Nov. 4, 1965

that anyone who doesn't like the United States ought to be given free passage to the county of his choice—one way. In the case of this group protesting U.S. involvement in the Far East—and that includes draft card burners and nutty professors—it ought to be made compulsory.

Differing with the governmental leadership is one thing; siding with the enemy is another and when someone is killing our people—in war or peace—he is enemy. It may well be true that wars do not solve problems but so far they have kept America in a position of freedom from which we are able to keep trying for something better. I wonder where

SAD—

J. Edgar Hoover has just re-
leased his FBI Annual Report
for Fiscal Year 1965. It contains
its usual listings of the work
performed by the FBI and tends
to show that crime in the U.S.
does not pay. But, at the same

FORMER RED DEVIL, Jerry McDonald
will be among the Angelo Rams when
they test Sul Ross in Midland Saturday
at Memorial Stadium. Time is 7:30 p.m.

Tickets are \$2, reserve, \$1.50 general ad-
mission and \$1, students. Angelo is 3-4
and Sul Ross, ranked 3rd in the nation,
is 7-0. McDonald is a sophomore.

time, that doesn't keep some from
trying that route as almost every
chart in the report shows a con-
tinual and steady increase over
the past few years. As has been
pointed out, this increase might
be contributed—in part—to the
fact that a lot more small police
forces report crimes now than
they did say ten years ago.

Be that as it may, the busi-
ness of crime is big time now—
on both sides—the crooks and
the enforcers.

One sad little incident, how-
ever, can be noted in Hoover's
report. In the classification of
types of crimes handled last year
by the FBI, there are some 67
listings. They begin with Admir-
alty Matters and run through
White Slave Traffic of which
the FBI obtained 96 convictions
from their investigations.

In the "Fugitives Located" col-
umn, 4,479 were located—by far
the highest of any category —
for Desertion, Harboring Deser-
ters, Enticing to Desert. In the
Civil Rights field, only six fugi-
tives were located by the FBI.

In another section, the various
categories of crimes are describ-

ed and discussed. Civil Rights
is given three pages—with pic-
tures and charts. Desertions,
Harboring Deserters, etc. is not
even mentioned.

It's a crying shame when an
agency such as the FBI gets in-
to the field of playing political
football—even in their reports—
and is a way below the standing
of a man such as J. Edgar Hoov-
er. One wonders how many arms

were twisted in this little instan-
ce of petty political pussyfooting?

If desertions mean what I think
they mean, there's no need to
gloss over the fact by trying to
point out the wonders of Civil
Rights And certainly Civil Rights
should not be given undue atten-
tion by the FBI simply because
it's a political gimmick that can
win votes.

GNATS—

Pshaw. We should not have bothered to get out of bed last Friday. One thing for sure, however, Rankin ought to get the "Sportsmanship Award" for the district this year. Every game we've played with possibly the exception of Sanderson, we've tried our durndest to give away and in most cases, the opposition has been obliging. However, I do believe we had a little more trouble forcing the win onto Eldorado last Friday than usual.

But, and again—as usual—the defense made the trip worthwhile. They gave up almost 100 pounds per man in some instances and proceeded to thresh the daylights out of the Eagles. They were a feather-tattered bunch before the game was over.

In fact the Red Devil defense is such a sharp bunch that I expect them to start doing shaving commercials during the times-out most any day now.

And yet, for all practical purposes, it's the same bunch on offense as it is on defense. About the only explanation that makes any sense is that the team likes defense better than offense.

But you still have to admit—they're a fine bunch of people and they put up a good effort and that's the next best thing to winning.

That brings us to the final 2 games of the 65 season . . . not much time in which to improve on a season record that has been about as expected but that could have easily been greatly different. And, for the third week in a row, Rankin will play the Eagles. This week it's the Junction Eagles and they are a ball club with many Seniors and one that has given everyone trouble although they don't have much of a won-lost record. They will be no match for Rankin on defense but our offense is our own worst enemy and may still again be the difference in whether we win or not.

RANKIN 12, Junction 0. Rankin has played a little better on the home field.

ELDORADO 44, Sanderson 0. It hasn't been too hard to pick in a Sanderson match all year.

SONORA 30, Menard 0. Ozona didn't check 'em—Menard won't.

OZONA 25, Iraan 6. The Ozona crew might be a little flat after failing to stay in contention for district but still ought to handle the Braves easily.

Big Lake—Open.

Last Week's Results:

Eldorado 14, Rankin 12 (Ha!)
 Sonora 14, Ozona 0
 Iraan 3, Junction 0
 Big Lake 46, Menard 14
 Sanderson was open
 4th and 10's season record: 33 right, 14 wrong.

Former Rankinite Nominated to SRC's "Who's Who" List

Mrs. Leslie Young, a former resident of Rankin, was among 66 students of Sul Ross State College in Alpine to be nominated to the list of "Who's Who in American Colleges and Universities." Nominees are named by the faculty members and members of the student council. In order to qualify for nomination, a student must have at least 60 hours, a B cumulative average, be a full-time student; completed 30 consecutive hours of Sul Ross credits, have had no probations, either academic or disciplinary, and must have a clear financial record.

Mrs. Young is the daughter of Mr. and Mrs. Ed Guy Branch of Rankin. She is a 1960 graduate of Rankin High School and was employed in the geophysical division of the Texaco Company in Midland two years previous to enrolling at Sul Ross.

A senior, she will receive her BS degree in Business Administration and Elementary Education in May, 1966. After completing the required hours, she plans to start her practice teaching at mid-term.

Both Mr. and Mrs. Young have been enrolled at Sul Ross for the past three years. They have a 2-year-old daughter, Lessa.

Suddeth-Stacy Vows Read on October 22

Mr. and Mrs. James Don Stacy are at home at 907 Nimitz, Odessa, following a honeymoon to Carlsbad, New Mexico.

The couple was wed at 7 p.m., October 22 in the chapel of First Methodist Church. Rev. Robert Whitis officiated for the single ring ceremony before the altar, lighted by candles and centered with a mum bouquet.

Mrs. Stacy is the former Carolyn Suddeth, daughter of Mrs. T. C. Suddeth of 3008 N. Gold, Odessa. Mr. and Mrs. N. J. Stacy of Rankin are parents of the bridegroom.

The bride chose for her wedding a two piece suit of white lace and silk and a shoulder length veil held to a coronet. Pink carnations were carried on a white Bible when given in marriage by a family friend, Mr. J. A. Adams.

Wedding music "Because" and the "Lord's Prayer" was sung by Lewis Jordan, accompanied by Mrs. Jordan.

The reception was held in the parlor of First Methodist Church where a four tiered wedding cake and sherbert punch were served from a silver punch bowl and tray. Dawn Jordan presided at the bride's register.

Mr. Stacy is employed with Trinity Testing Laboratories. Mrs. Stacy is a 1965 graduate of Odessa High School and has attended Odessa College. Her husband is a graduate of Rankin High School and has attended Odessa College and Texas Tech.
