Serving the Interests of Rankin and Upton County

XXXI—NUMBER 24

RANKIN (79778), UPTON COUNTY, TEXAS

THURSDAY, JUNE 15, 1967

VACATION BIBLE SCHOOL STARTS MONDAY AT FBC

Vacation Bible School at the First Baptist Church will start Monday, June 19. Hours are 8:00 a.m. to 11:00 a.m., Monday through Friday, and 9:00 a.m. to 11:00 a.m., Saturday. Refreshments will be served each day. The first session will be held for children of all ages and getting records and departmental assignments will be the highlight of Saturday. A parade beginning at 10:00 a.m. Mothers are requesting their children by 9:00 a.m. on Saturday, remain at home for the parade and return home afterwards. The Behringer will be in charge of the school and is to be assisted by a staff of experienced teachers for the different grades. All children ages 3 to 12 are invited to attend. There is no charge for fees. Shannon, pastor of First Baptist Church, has said the school is not just for children, but for the parents, or for those who are not members

of any church."

"All are welcome," he said.

Rev. Shannon pointed out that the past Vacation Bible Schools have been successful ones and expressed the opinion that this year's would follow that trend.

Brown Makes Proposal on McCamey Hospital Site

Upton County Commissioners' Court met in regular session last Monday, June 12 and among matters transacted, heard a proposal by representatives of Mr. C. W. Brown, McCamey, for settlement of the question concerning land owned by Brown on which the new McCamey Hospital was inadvertently constructed.

Brown's representatives, Richard Barnes, an attorney, and Raymond Brooks, Brown's business manager, told the court that Mr. Brown would be willing to give Upton County a deed to the land involved under the hospital site provided the county would build a road or butane by-pass from the end of Annis Street in McCamey to a point connecting near the hospital or connecting with the McCamey - Iraan Highway near the McCamey Hospital.

According to the minutes of the court, the proposition has been

taken under consideration without further action at this time on the part of the commissioners.

In other business, the court awarded a contract for \$4000 to Jones Brothers Dirt and Paving Company to pave in the vicinity of McCamey. This was the lowest bid submitted and amounted to a cost of 45 cents per square yd. for the work.

At the same meeting, a change order—the fifth since the work started—was issued covering work on McCamey Hospital. Amount of the order was for \$130.00 and brought the total contract including the change orders to \$164,151.40.

The court also attended to routine business matters at the Monday session.

Absentee Vote End Near

Interest in the forthcoming elections in Rankin and McCamey to decide the question of whether or not hospital districts ought to be formed is just about nil if absentee voting is any indication. As of noon Wednesday, only two absentee ballots had been cast at the office of Nancy K. Daugherty, county and district clerk. Both ballots were cast in the Rankin District.

Voters residing within the boundaries of the McCamey School District will vote on the McCamey

hospital issue and those residing in Rankin School District will determine the Rankin question.

Deadline for absentee voting is 5:00 p.m., Tuesday, June 20. All absentee voting is done through the clerk's office during regular office hours from 8:00 a.m. until 5:00 p.m., Monday thru Friday.

The election itself will be held Saturday, June 24.

Highway to Start

Storm Damage Sale

Archie McDonald, owner of the Highway Grocery and Dry Goods in Rankin, announced this week that the store will begin their sale of storm damaged merchandise Monday, June 19. The firm opens at 8:00 a.m. and is offering items—all dry goods—at 50 percent reductions.

McDonald said that a wide variety of dry goods will go on the discount block and that the sale will continue until all damaged goods are cleared out.

Highway Grocery & Dry Goods was in the center of the area hit the hardest by the wind and hail storm that struck Rankin June 1 and the store suffered extensive damage, both to contents and to the building. McDonald said the store proper was moved about an inch back from its brick front, that the roof was cracked and foundation supports had to be reset.

"We almost lost it all," he stated.

Due to the fact that time had not permitted proper repairs, still further water damage was sustained at the store on Monday afternoon when Rankin again received up to one inch of rain accompanied by light hail.

School Trustees Approve New Policy for R.I.S.D.

Following continues the school policy that has been adopted by the Board of Trustees:

CHAPTER II ADMINISTRATIVE FUNCTIONS

The superintendent shall hold at least a Master's degree . . . an Administrator's Certificate, and profess to high Christian ideals and moral ethics.

B. TERM OF OFFICE: The superintendent shall be elected by the Board at an official meeting for a length of time consistent with the wishes of the Board and permitted by law. The superintendent's contract shall be considered for extension or continuation at the regular Board meeting in January of each year. On the first day of July thereafter the new or continued term shall begin.

C. DUTIES AND RESPONSIBILITIES. The superintendent shall be the chief executive officer to the Board of Trustees and the administrative head of all divisions and departments of the school system. He may delegate responsibility for the operation of the various segments of the school

system, but he shall be responsible to the board for the total educational program.

Some of the specific duties and responsibilities shall be:

1. To attend all board meetings as chief executive officer . . .
2. To administer the school system in conformity with the approved policies of the board, the rules and regulations of the state department of education and the state law.
3. To present to the board such information as is needed . . . to recommend policies . . . to develop administrative principles and procedures for placing the school board policy into effect.
4. To recommend all employees for appointment, transfer or dismissal in accordance with board policy and to assign instructional and non-instructional personnel.
5. To supervise the preparation of the budget . . .
6. To report regularly . . . upon

Plenty of Baseball Scheduled for Fans

Rankin Little League standings shifted slightly this week with the Yankees maintaining a slim lead over the Cardinals and the Giants and Dodgers moving closer together. Schedule this week has a Thursday line-up of the Cards vs Dodgers and Yanks vs Giants. Monday, it's Giants vs Cardinals and Dodgers vs. Yankees.

TEAM	W	L	T
YANKEES	7	4	0
CARDINALS	6	4	1
DODGERS	4	6	1
GIANTS	4	7	0

In the teen-age league, the Go team, composed of 13 and 14 year olds, marked up a perfect record over their McCamey opponents, having defeated each of the three neighboring nines for a 3.0 record. Next action for the Go Team will be Thursday night in McCamey.

The Rankin Reds, the 15 and 16 year old boys, had their first game rained out and will host the Crane Stars here Thursday night. In an earlier practice game, the Reds downed the Crane crew. The game will have no bearing on standings.

BETTER VOTE—

A reminder—if you plan to be out of town on Saturday, June 24, you ought to cast your absentee ballot in the Hospital District election. This must be done before 5:00 p.m., next Tuesday, June 20.

Everyone is entitled to his own opinion as to how he wants to vote on this district thing but I can assure you of one thing—approval of the district will save every taxpayer a batch of money over what it is going to cost him if the hospitals are to continue to be operated by the county.

As presently operated and at the going loss rate, taxpayers would save something like \$110,000.00 this year if the hospitals were under districts. That is THIS YEAR. Extend that by, say, ten years, and you have a figure that looks like a Senator's expense account in the Federal budget.

We'd better pass this thing and without being presumptuous, I would respectfully advise McCamery folk to do likewise. If hospital costs continue to rise for the next ten years as they have for the

last ten, we're going to be lucky to keep ours open even with the best management and the best taxing program. And these are not just the opinions of a county editor. Some mighty high paid oil company tax men have said the same things and the oil people don't pay out good money to their hands for being wrong—especially about taxes.

A SHOOT OUT—

I know it's rather frivolous for someone as far removed from the halls of wisdom as myself to comment on such matters but it seems to me that Uncle might take a good, long, hard look at the way the Jews handled their war against the Arabs.

To begin with, the Jews set out to win. They made no bones about that and they didn't bother to consult the Russians, the British, the French, the Americans or

ting" when the sign was right. They didn't— apparently—sit around and wait until they were hit before striking at their enemy.

In short, they fought anywhere and everywhere and they didn't bar any holds. They did almost exactly what we are not doing in Vite Nam.

They won all the grapes in a

matter of hours. We've been years and haven't really done anything except spend a lot of money and lives and gum up the works in general.

It might also be pointed out that with their quick and direct methods, the Jews not only suffered fewer losses for their own forces, the enemy was also spared both on the field of battle and on the homefront.

No war is painless. Some are—if such be possible—less painful than others. The dragged-out kind may well be the sort that cause the most grief in the long run.

WEST TEXAS—

West Texas is getting a bad reputation. Last Tuesday I talked to a chap who had just arrived in these parts from Kansas. His question was: "Does the wind always blow like this in West Texas?"

Fortunately I was able to assure him that it did not. Some times it blows harder. He was about ready to head back to Kansas, sometimes referred to as "Tornado Alley".

Oddly enough, Roy Bell had a relative, Mr. Thomas O'Gara — would you believe an Irishman— and his family from Oklahoma City by way of Boston, who fell in love with Rankin on his trip here last week. Mr. O'Gara, a retired Army Master Sergeant, had been all over the world but said he was taken in by two things here: the Mule Train and the jack rabbits.

Being Irish I can see why he took a liking to the Mule Train but his fascination with the jack rabbit leaves me at something of a loss unless he gets the impression that they remind him of his fellow Bostonian, Senator Bobby Kennedy—shall we say, in more ways than one.

Noted Author Speaks at Historical Session

Paul Patterson, well-known folklorist, humorist and author of Crane, was guest speaker at the Upton County Historical Society meeting May 11 at the fellowship hall in the Rankin Baptist Church.

Mrs. Patterson told the 22 assembled members and guests the history of Horsehead Crossing near Girvin. He began with the Spainards, who first crossed that way in the 16th century.

"The first white man to use Horsehead Crossing was a Dr. Connally from Kansas City who took some cattle through the lonely stretch," he said.

He detailed the other crossings by others and said that it was believed that the place got its name in 1849 when W. M. C. Whil-

ting, John R. Bartlett, and John Rip Ford crossed it. Rip Ford was the man who noticed so many horse skulls and thus named the place.

The Upton County native noted, "The first man who was accidentally killed there was a feller named Feller." Patterson wryly commented, "That on a tombstone might have been a hard tale to take, even in 1849."

The Crane educator continued with a brief rundown on the old Butterfield Stages which used the crossing beginning in 1858.

"The big cattle drives began in 1860. One time when Charles Goodnight used the Crossing, he lost 120 head of cattle," Patterson said.

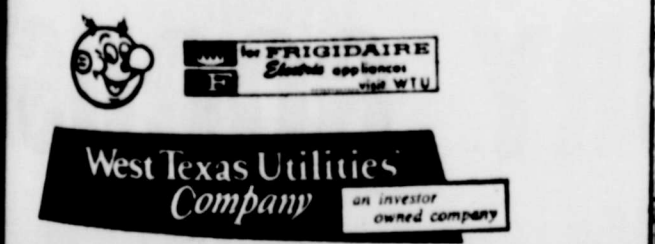

He concluded by telling the (Continued to Next Page)
