RANKIN (79778), UPTON COUNTY, TEXAS

THURSDAY, OCTOBER 5, 1967

Bluff Starting New Building

ART—Workmen begin the first chores on the site of Red Bluff Lumber Company. The new building is to measure 38x94 feet and will face 8th Street. The present Red Bluff was heavily damaged in the 1954 storm.

a Series—

Problems of Physically Handicapped Children

...the second in a series of articles published by a group interested in helping physically handicapped children and their parents.

...want to say a few words concerning children with physical handicaps. Some handicaps are temporary, some are permanent, some are bone, or the time following illness or other handicaps are permanent. Children who are physically handicapped and those with special needs have an impairment of the normal function of the brain or muscles. Some of the health problems are: polio, poliomyelitis, ankylosing spondylitis, tuberculosis of lungs or vertebrae, poliomyelitis, malformation of the spine, accidents, epilepsy, and other conditions.

physically handicapped children may not require such "special" treatment.

This viewpoint raises an important question. Will a child with some impairment be better off in a class with his normal friends, rather than segregated into a special group? Will classmates make fun of my child if he is "different?" The answer is that a child will live with his handicap better if he can be a part of a normal class. However, he will be more hurt than helped if he cannot work creatively in a normal class—and a class that meets his needs now can prepare his re-entrance into a normal situation later.

Parents and interested adults are asked to call 693-2283, or 693-2208 for information on how to help the handicapped in our community.

Homecoming Mums will be Ready Friday

All fans who ordered mums from the Senior Class will be able to pick them up Friday, October 6 at the Home Economics Department in Rankin High School building between the hours of 4:00 to 5:00 p.m.

Mums which are not picked up at that time can be secured at the north (home) concession stand at the football field.

Red Devil-Brave Ball Game is Highlight --

RHS Homecomers Gather for Week-End Attractions

Thursday afternoon at 4:00 p.m. the 1967 Homecoming officially gets underway at the "Red Devil" stadium when the Rankin B team hosts the Ozona Lions B team. A large crowd is expected to be on hand to see the action.

At 7:30, the Homecoming bonfire and pep rally—across from the parking lot west of the high school—will begin. The Red Devil Band will be on hand to add to the festivities and to help the students and fans get "pepped up" for the Iraan-Rankin football game Friday night.

Bright and early Friday morning—at 8:30 a.m.—Rankin student body will pick up activities with their long-standing tradition of having the Freshmen

break out the Homecoming drum and beat up a storm until kickoff time at 8:00 p.m. This practice of drum beating is designed to lend a special emphasis to the day's events and to inspire the Red Devil football team to defeat their opponent of the night.

At approximately 2:05 p.m. on Friday afternoon, students, led by the cheerleaders and the Red Devil band, will form a parade at the high school and march to the intersection of Upton and 8th Streets, turn left and proceed to the vacant lot east of First State Bank for a pep rally. School will be dismissed from that site at 2:45 p.m.

A special attraction at halftime at the game will be the crowning of the Homecoming

Queen of 1967. Candidates are Misses Pat Carroll, Peggy Mc-Bee, Sandy Reeves and Rhonda Sproul.

Immediately following the football game, the annual Homecoming dance will get under way at Rankin Park Building. Time will be from 10:00 p.m. until 1:00 a.m. with high school students and their dates and ex-students and their dates invited to attend. The dance is sponsored by the Ex-Student Association with the music to be by the Frank Trevino band from San Angelo. Admission to the dance will be \$1 for stag and \$1.50 per couple.

Lions Club Offers Unique Drawing

Rankin Lions Club currently is offering a "different" sort of drawing from those usually to be found. In an effort to raise money for the Texas Lions Camp for Crippled Children and for their local scholarship fund, the Lions this week began accepting donations. With each donation made to these causes, the club gives a ticket that enters the donor in a drawing to be held November 20 at Rankin Park Building.

Five prizes are included with the main item being a deer hunt on fifteen sections of Crockett County land. This land, the Noelke Estate Ranch, is considered to be choice hunting ground by all West Texas nimrods and contains a variety of game, including both white tail and mule deer.

Dates of the hunt will be December 15 with the winners permitted to pick their day. First prize will be two deer; second, one deer and one javelina; third, one deer and one turkey; and fourth and fifth, one deer.

"Hunters in all parts of this area are well aware of the fact that this is a rare opportunity," said Travis Bley, president of the Rankin Lions Club. "This ranch does not normally permit hunting—at any price—and winners are sure of getting a rare privilege."

Popularity of the unique idea for the drawing is found in the fact that one member of the Lions has already received over 100 contributions since he began work on the fund raising.

Braves Boast They Will Scalp Devils --

IRAAN WAR PARTY EXPECTED TO BE TOUGH TEST FOR RED DEVILS

Comes Friday night and about the closest thing to a grudge battle on the Red Devil schedule will be staged for the benefit of homecoming football fans. The Rankin Red Devil-Iraan Brave tug-of-war, always a spirited affair, will have even more meaning this year since the Braves have publically announced, in bold newspaper print, that they have as one of their goals for the season, the clobbering of the Rankin Red Devils.

Sporting a big, well experienced team that has a better won-lost record currently than the Red Devils, the Braves are definitely in a position to make good their boast of collecting "heap plenty scalps" in Rankin Friday night. On most of the "star-gazing" polls, the Braves will be favored. For those who are a bit closer to the situation, Iraan will rate a possible slight edge but the fast-improving Red Devils will be on the home field and will be performing for homecomers. On

one point, all agree: it promises to be a first-rate game—as always.

Both squads are reported to be in good condition physically with Rankin having only one starter on the doubtful list. The Braves have had a few injuries but are expected to be back in good shape by Friday night.

In the last thirteen games between the two schools, Rankin has a definite edge, having won all but four. There have been no ties and only three shut-outs—two for Rankin and one for the Braves. Rankin has scored a total of 294 points while Iraan has put 186 on the books—and none of this well count comes Friday night.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

SUBMITTED—

The following bit has been in circulation about the country for a good long while and has once been published in The News. It was again called to our attention this week by a reader and is worth a re-run.

Of the 190 million people in this great country of ours, 70 million are either attending school, or are of pre-school age.

Of the remaining 120 million, 45 million are housewives. Subtracting 20 million government employees, 10 million either enlisted in, or employed by the armed forces, and 15 million over age and or retired leaves 40 million.

Of this amount, 25 million are either on welfare or unemployed, 10 million have no intention of working, 3 million are in hospitals, asylums, rest homes, or are physically incapable of working, and 1 million are in penal institutions.

The remaining million consists of 100 thousand rich who don't need to work, 500 thousand alco-

The Rankin (Tex.) News—
Thursday, October 5, 1967

holics, 200 thousand actors, actresses, and artists, 150 thousand dope addicts, and 49,998 executives.

This leaves only you and me, and I wish you would get busy, because I'm tired of trying to do everything by myself.

QUESTION—

The closer we get to 1968 and election year, the more I wonder whether people in high public office were fools before they

On the national scene, we election. It's almost pathetic to see grown people running all over one another in their scramble to

DOUBLE STAMPS ON WEDNESDAY

goner Carr, who says he's running for something but he's not sure what but that he's sure running hard and wants everybody to vote for him as he will do a real good job at whatever it is he's running for.

And on the nation scene, we have more comedy with people not running in every direction. That Flower of the Family—the Blooming Idiot—Bobby Kennedy, says he just wouldn't hardly think about trying to root ole buddy Lyndon out of the top job but hasn't done anything as

yet to discourage the "Dump Johnson" clubs that are being bought up around the country. Even the Ft. Worth Star Telegram—that conservative real old down to earth West Texas newspaper, has been giving Bobby as much as a full page write-up for the past week or so—while the hooch people—with strong Kennedy holdings—spend a few pesos with the Telegram in the form of liquor advertising.

And the most comical part of it all is that the candidates really believe that they are fooling the public—and after the elections are over, I'm not so sure but what they are right.

1968 may or may not be a good year but one thing you can bet on—it will be one big headache.

TRAPPED—

A rather interesting item turned up in the newspapers one day last week. It seems that a high school lad was doing a pretty good business selling a foreign-made cigarette to his school pals. Being an enterprising young American he had hit upon the idea of doing a little false advertising and was calling his product marihuana.

And for this bit of deception, he was hauled in by the law and charged with selling a product under false pretence.

Apparently, had he been selling the real stuff he would not have been in near as much trouble. Just goes to prove that if you are going to be a crook, the best bet is to be an honest one.

A JOKE—

A small boy came home to his mother with the query, "Mother where did I come from?" Mother felt this was the opportunity and proceeded to tell him what she had read that he ought to know.

He listened patiently and then said, "That's all right, Mom, but

4-H Members Plan Oct. 7 Observance

Upton County 4-H members are joining more than 2¼ million American boys and girls in observance of National 4-H Week September 30 to October 7.

Annual Achievement exhibits followed by a salad supper in the Rankin Park Building October 7, will climax a year of 4-H activities and projects.

The awards program will emphasize the opportunities 4-H offers boys and girls 9 to 19 years of age. Exhibits will be whole or part of projects carried by the county members.

Judging of exhibits and open house for visitors will be Saturday afternoon, 2:30 - 5:00 p.m.

The dinner at 7:30 is contributed by the members. Each is to bring enough salad for himself, his family and his guests and two additional people.

Awards will be given to lead-

ers, Junior leaders and 4-H Club members.

The Girl's Gold Star Award winner will be announced. This is the highest award 4-H members receive from Extension Service.

Helping Insure a Win for Rankin

4th AND 10

ON YOUR OWN TWO

* Being a Column Dedicated to the Proposition that all men are created equally but not necessarily so when it comes to winning football games — or forecasting their outcomes in advance.

WHACK—

4th and 10 strikes again. Eight right and no goofs for last week which doesn't prove a thing about how much this writer knows about football but rather that every once in a while—due to characteristics of the mathematical odds of the situation—anyone

will get lucky once in a while. And after watching the games on the telly last week-end, there comes to mind the thought that Rankin ought to think some about trying to get the Dallas Cowboys worked into their schedule. It might not be much of a game but I guess we could use the subs the last half to hold the score down.

Of course should the Cowboys refuse to play the Red Devils, we could always fall back on the Texas Longhorns. After Oklahoma gets through with them next week, they're going to be looking for something more in their line.

STUFF—

Last week's play in District 8. A didn't turn up many surprises but at least one of my scouts

reported that Sonora was a bit lucky to come out on top in the Ozona game. It seems that ole Ozona is big and tough and that they gave the Bronchos a pretty good ride before going down.

Rankin had even less trouble with Sanderson than expected and that might be due to Rankin's having reached a point in their workouts to where they are beginning to realize that they do have a pretty fair ball club and that they are fully capable of winning ball games.

At least, it is to be hoped that that is the case for they are to be thoroughly tested here before the homefolk Friday night. The Iraan Braves are a big bunch of Indians and you can dang well bet they are coming out of their tepees with more than just their war paint on when they ride into town.

Rankin has spoiled several of the Braves' homecoming outings the last few years and Iraan will be all set to return the favors Friday night. This could well be one of the best games that will be played in Rankin this year and could be the game that may make or break the team that wins and the one that takes the loss. Either one will have passed a big step up the ladder toward a district crown.

THIS WEEK—

So here we go.

RANKIN 18, Iraan 15. Rankin has the edge in won-lost standings with the Braves and the Red Devils—if they are ready—have the better materials over, all.

SONORA 20, Junction 6. Sonora is not as strong—by far—as last year but they can score on you anytime during the game.

ELDORADO 40, Sanderson 0. The Eldorado crew is not bashful about thumping a weaker team. They'll beat 'em by all they can

put on the scoreboard.

OZNOA 35, Menard 0. Poor little ole Menard will get what the Lions wanted to give the Bronchos last week.

BIG LAKE 12, McCamey 10. Just a guess and provided the Owls are ready to play as they did in the second half against Rankin.

CRANE 20, Marfa 6. A good single wing team meets a defense that will force it up the middle. The Big Lake-McCamey game—overshadows this one.

PARKLAND 18, Alpine 6. The defending Alpine Bucks are a gain finding scores hard to come by—a situation they had to face for several years.

FABENS 12, Clint 8. One of the few Fabens is likely to win and it may not be easy.

LAST WEEK'S RESULTS—

Rankin 34, Sanderson 0
Sonora 13, Ozona 7
Iraan 21, Junction 6
Eldorado 17, Menard 6
Big Lake 20, Alpine 0
Crane 82, Fabens 0
Marfa 22, Parkland 13
McCamey 33, Stanton 22

County Agent, Upton County

COUNTY AGENT'S KORNER

World of Opportunity" for National 4-H September 30 - Oct. 1. 4-H activities will emphasize opportunities 4-H of boys and girls between the ages of 10 and 19 and the achievement of members during the year for an interested parent to become a 4-H member. These range from gardening, raising foods and clothing—career exploration and photography. For the youth in science, entomology,

electric, conservation and others, many opportunities for learning are open. There are projects also for the youthful owners of dogs and horses.

Then there are many activities and projects which can be conducted by the club. These include projects aimed at beautifying the neighborhood, improving health and safety records of the community, developing recreation and conservation programs for the club.

Volunteer adult leaders work with the 4-H members in the local clubs and give assistance and guidance to the individual member. In Upton County, 21

such leaders render valuable service in the clubs they lead. They are a most important part of the 4-H teams and their services are appreciated by the boys and girls and their parents with whom they work.

Older 4-H members, who have developed into Junior leaders, are also credited with helping make the 4-H program in Upton County a going concern.

Business, professional and civic leaders in the county and area, many of them former 4-H

members, also are members of the 4-H team. They support 4-H programs and activities by providing awards that make many achievements possible in 4-H. Thus, 4-H requires much teamwork to insure successful programs. In Upton County, we have that kind of teamwork and are thankful and appreciative for it.

The County Extension agents extend a special invitation to parents of youth in the 4-H age bracket to visit them along with their sons and daughters for

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind

out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!
