Undue Delay Seen Low Rent Housing

Recent order from D. C. calling for a number of financed programs, the majority of the City of Rankin expressed the hope there would be no delay in progress on the low rent project under way. Plans are proceeding with all blueprint work completed before this month. The Rankin Housing Authority was recently assigned position in Federal Housing programs due to the phase of develop-

In a Development Cost Control Statement filed with the Public Housing Administration in Washington and Fort Worth and covering operations through September 30, 1967, Rankin Housing Authority showed actual expenditures, plus contract balances, of \$7,679.27. Total amount budgeted for the ten units is \$150,051.00. Money for the program is drawn by the Local Authority as funds are needed and records indicate a total of \$9,135.00 has been advanced to the program since it was started.

Red Devils to Test Strong Sonora Bronchos Friday

Rankin's Red Devils put on a thrilling show for the homecomingers last Friday night, thoroughly trouncing the visiting Iraan eleven during the first half before a series of untimely breaks put them on the defensive and eventually enabled the Braves to win the game. In other homecoming matches, the B team defeated an Ozona squad 12-6 while the 7th Graders, after starting off in a wild affair against Ozona's 8th Grade, finally got evenly matched when the mix-up was ironed out and the game started over, played their opponents to a 0-0 tie. When the 8th Graders fin-

ally got squared off, Ozona's team was still going strong and defeated the Rankin 8th.

This week the Red Devils take to the road and journey to Sonora for their third conference

Both the B team and Rankin Junior High have open dates this week. Next competition scheduled are games on October 19 with McCamey—to be played in Rankin.

game. Sonora, defending state champions, are ranked 10th this week on the high school polls and will be favored to defeat the young Rankin crew.

Despite their record of having lost only to Class AAA Ballenger, the Bronchos have not been too strong in their wins thus far and Rankin is given an outside chance of pulling off the upset—something that would make them the only Class A team to defeat the Sonora Bronchos in some two years. Items in favor of the Devils include the fact that four of Sonora's starters will not see action in the game. Their first-

string quarterback and kicker suffered a broken leg against Junction last week, they have two others on crutches and one—their biggest lineman—is on the doubtful list.

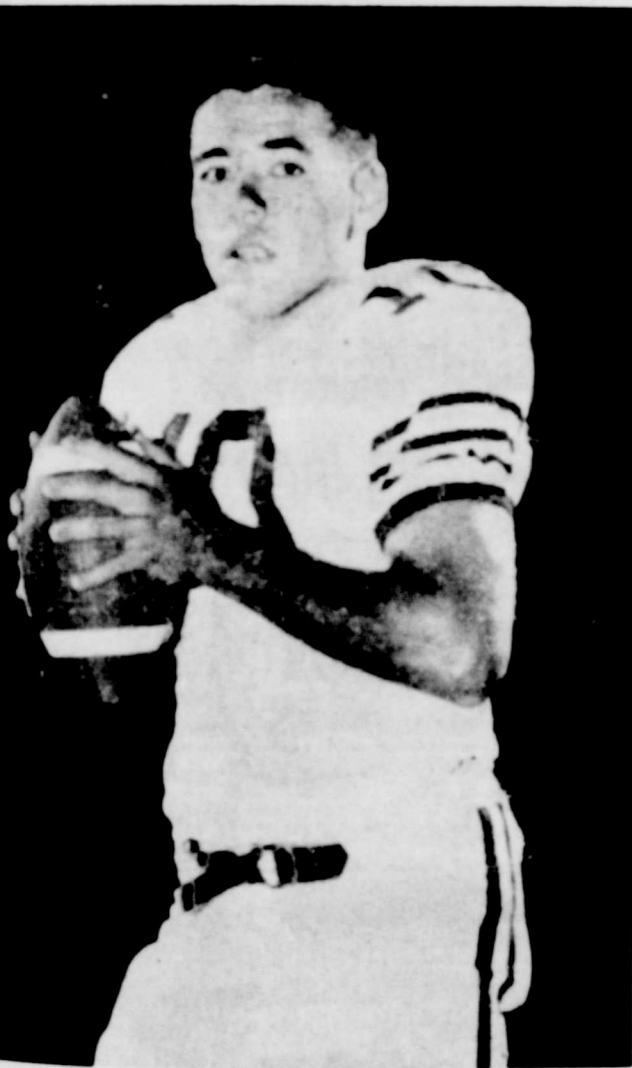

A victory for Rankin would be something of a measure of revenge for last year's defeat of the Red Devils by Sonora. Many football fans expressed the feeling that the 1966 Red Devils were the strongest opposition met by the Bronchos on their way to the state crown.

West Texas State Quarterback

ROY VON WINTERS

Starting assignments back for the West Texas State University Buffaloes this year is Roy Von Winters of Mr. and Mrs. W. W. Midkiff. Winters is a graduate of Rankin where he earned 10 points in athletic competition in three in football as a safety man and a back. He earned all-district honors in both football and basketball was the district long jump champion in track.

the most improved players in spring training. . . clever ball handler. . . has developed into a poised performer through hard work."

As back-up man in 1966 for an All American quarterback, Winters still managed a passing average of 11.8 and rushed for an average of 3.3 yards. In spring training at the Buffalo camp, he completed 34 of 69 passes for a total of 722 yards and 7 touchdowns.

A junior student this year, he majors in physical education and biology.

Fund Drive Planned by Basin Girl Scouts in the Near Future

The Permain Basin Girl Scout Council is currently on the verge of getting their 1968 budget financing campaign underway. A total of \$74,400.00 has been allocated for the operation that includes 443 troops composed of a total of 6997 Girl Scouts and 1276 adult leaders for a grand total of 8273 membership. Rankin's share of this budget amounts to .37 percent or \$275.

Currently, the Rankin Girl Scouts have only \$50 in their till and are facing a full year's program.

After being inactive for two years, Rankin now has a Brownie, Junior and Cadette Girl Scout Troop with a total girl membership of 36 with 8 adults, making a total of 44 registered Scouts in Rankin. Adult workers feel a potential for an even larger membership for the current year. A breakdown of the activities show sixteen girls enrolled in the Brownies with Mrs. Cecile Sabodik and Mrs. Bobby McAlister as leaders. Thirteen girls are in the Junior Scouts with Mrs. Tom Sanders, Mrs. J. T. Underwood and Mrs. C. B. Snell as leaders. Seven girls currently make up the Cadettes with Mrs. Marsha Greer as their leader.

Omicron Tau chapter of Beta Sigma Phi sponsors Girl Scouting in Rankin. Mrs. Elizabeth Byford is Rankin advisor.

Further details of their budget raising campaign will be announced as they are developed.

Lions Reporting Brisk Activity on Drawing

Rankin Lions Club reported a lively interest in their unique drawing for hunting rights on the Noelke Estate Ranch with tickets going at a fast clip. The drawing is to be held November 20 and the Lions noted one change in arrangements as previously announced: that winners may hunt any day from November 20 through December 5. As first announced, the winners had to exercise their options between the dates of December 1-5.

There is no set price on the tickets but those who accept a ticket for the drawing are asked to make a donation to the Lions Crippled Childrens Home or to their Scholarship Fund. At least one \$50 donation for a block of 60 tickets has been received by the Lions and numerous smaller donations have been made.

There will be five winners in all. First prize is for two deer; second prize, one deer and one javalina; third prize, one deer

and one turkey and fourth and fifth prizes, one deer. Donations may be made to any member of the Lions Club or may be left at B and L Money Mart on Main Street.

NEW MEMBERS

Rankin Lions also reported a hop in membership at their last meeting Monday night. Among the new faces are Charles Wheeler, Dean Nicholson, Pete Bateman, David Binkley and Leslie McPadden. Membership in the Lions is open to all interested men in this area with meetings held each Monday night at the Rankin Park Building.

Rankin Lions Club supports a number of local civic projects as well as participating in the work of Texas Lions. For a number of years, the club has been the unofficial Chamber of Commerce for Rankin and even holds membership in the West Texas Chamber of Commerce.

THE POWER PLAY—

In football they have what is known as the power play which is just what it says it is. You get all your hosses in a bunch and try to simply run over the opposition. If you have enough power, you can usually push all opposition to one side—at least for a few yards gain.

Up in Washington it would appear that Coach LBJ has sent in a play to quarterback "Mack" that closely resembles the power play in football. With Congress as the opposition, LBJ told Mack to freeze all government expenditures.

That little move was designed to rile up the home folk who have government projects in their area and those who depend on government contracts to bring in payrolls, profits, etc. The power in the play comes in to effect when said homefolks begin calling and writing their Congressman and asking "What's a matter here? Have we had 'our' money cut off?"

And that brings up the question of whether or not this bit of strategy by Coach Lyndon is working? Actually, it's a little

The Rankin (Tex.) News— Thursday, Oct. 12, 1967

early to tell but right here in Rankin I have already heard the question: "What about our low rent program? What about our dams? What about our golf course?"

I can't say that any Rankinites have wired their Congressman but the boys in Washington have a way of finding out when the natives are restless and usually react accordingly.

So what is Lyndon trying for? Six points on the scoreboard? Oh, no. He wants a 10 percent hike in income tax.

Wanta bet his team doesn't score on this series of downs?

HOME FROM THE HILLS—

Homecomings come and homecomings go but the 1967 version somehow strikes a feeling of having been one of the better ones in recent years. There appeared to be a larger than usual number of folks in town and seats at the ball game were all filled.

Of course we had one "show." (Continued to Next Page)

do a good bit of work but get very little recognition for their efforts—and they are not now seeking such. All they are asking for is a little help—financially or in the form of donated work.

Leaders of Rankin Girl Scouts are faced with the task of meeting a pretty fair-sized budget this year—something they did not have to do last year since they were not in operation full time. In addition, the Scout Hut is in need of some maintenance work and some of it is of a nature that is a bit beyond the physical capabilities of the girls and their leaders.

So here is another cause that rates your consideration. A few bucks in the pot would help, the purchase of Girl Scout cookies, etc. would help and a little donated labor would help. Any takers?

ANOTHER JOKE—

Six-year-old: "Pop, gimme another answer like you did last night."

The father: "What do you mean?"

Six-year-old: "Well, when the teacher asked me today how much a million dollars was, I said, 'A helluva lot more'n you'll ever have,' and she said, 'Jack, you may go home,' an' I got out early. Pop gimme another for tomorrow, will you?"

The reason some people get so lost in thought is probably because it's such unfamiliar territory.

Those who criticize Sen. Ralph Yarborough for refusing to ride in LBJ's car just haven't ridden with LBJ.

Funeral Services for Oscar Lee Held in Rankin Wednesday

Funeral services were held at 2 p.m. Wednesday, October 11 at First Baptist Church in Rankin for Oscar Lee, longtime resident of the Rankin-Texon area. Lee died in Crane Memorial Hospital Monday morning. He had been a patient in Miller Nursing home in Crane for the past four or five years and had been in poor health for a number of years. Rev. R. L. Shannon, pastor of First Baptist Church, officiated. Arrangements were under the direction of Crites Funeral Home and graveside services were held at 6 p.m. in Ballenger Cemetery.

James Oscar Lee, Sr., Oscar to his many friends in this area, was a barber. He worked in Santa Rita and Texon in the early oil boom days and moved to Rankin in 1932. He was well known to many people—from both the early days and more recent times. He was an avid baseball fan, a member of the Odd Fellows Lodge, the Masonic Lodge and the First Baptist Church. Born December 25, 1895 in Henry, Arkansas, he was 71 years old at the time of his passing. He had been preceded in

Martha Howell is Gold Star Winner

The Gold Star Award, the most outstanding and top award in 4-H work, was presented to Martha Howell, daughter of Mr. and Mrs. Sam Howell of Midkiff, at the annual 4-H Awards and Achievement Banquet held last Saturday night at Rankin Park Building.

Miss Howell has completed 3 years in a clothing project, two years in food and nutrition and three years in meat animal projects. She entered two county dress revues and is eligible for district this year, and also was in two food shows placing second with her bread exhibit in the District Food Show this year.

"Martha has made great strides in personal development in the three years she has been a member of the Midkiff 4-H Club," said Mrs. Lou Jeffers, County Home Demonstration Agent.

Omicron Tau Holds October 3 Coffee

Fifteen members of Omicron Tau chapter, Beta Sigma Phi, were present at a "Get Acquainted" coffee which was held at Rankin Park Building October 3. Guests for the evening included Mesdames T. O. Midkiff, Tom Sanders, M. P. Bateman, Dan Ogden, Tommy Wilkes and A. A. Behringer, Jr.

Several items which were on display for the guests to view included the present yearbook, a copy of the official magazine, "The Torch," current scrapbook, and a large key representing the theme, "Turn the Key"

Mrs. Bill Anderson and Mrs. Tom Owens served cookies, punch and coffee from the main table which held a large bouquet of yellow roses.

CARD OF THANKS

WE WISH to express our great appreciation to all of our friends and neighbors in Rankin, Crane, Midland, Odessa and the surrounding communities for their help and comfort in our recent hour of sadness. We also wish to express our gratitude to Brother Shannon who was so helpful.

• Being a Column Dedicated to the Proposition that all men are created equally but not necessarily so when it comes to winning football games — or forecasting their outcomes in advance.

THE GAME—

The most often heard question heard about the current football season among Rankin fans goes something like this: "What's wrong with the Red Devils—why do they jump off to a head start and then lose the game?"

The truth of the matter may well be that there's nothing wrong with the Red Devils. They are a scrappy bunch of kids who want very much to win and they get off to a fast start because their opponents are shocked off their feet in the first quarter by the sheer guts and determination of the ball team—one which they had expected to be a weak sister. It takes the opposition until the half to realize that they are up against a bunch that will claw them all the way—as was most evident in last week's Iraan game.

The Braves were deep on experience and probably were a two touchdown better ball club than Rankin but they were shelled in

the first half simply because they didn't understand the determination of the young Red Devils to pin their ears back.

Despite all its emphasis on power and strength, football in 1967 is a thinking man's game. Gone are the days when eleven men lined up on the field, threw a little sand in one another's eyes and had a man laying down on the sideline for a sneak pass.

With the advance in learning, football has become smarter. The main reason there were no split T's, formations, men in motion, belly series, and all the rest thirty years ago is that there was no one in the game smart enough to think of these formations, much less coach them to the "kids" who played the game in the "good old days."

1967 football is coached by men who have made a life's work of the game. They have majored in physical education in college and are constantly taking advanced courses and training in the subject. Football — even in high school in 1967 is a science and a profession.

It is no wonder coaches plead for extra minutes on the practice field as they strive to teach the game. Players of modern-day football have to learn whole books full of plays with assignments changing from one series to another. They have to "read" defenses and offenses and react to every step taken by an opponent. The average senior ball player in high school today has been exposed to football for as

much as six years—some even more. Unless he is a natural—and they are few and far between, he simply cannot be expected to look like a pro in high school and when he comes up against a team that has equal material—plus experience—he is working at a considerable handicap.

All of which is in no way an effort to make excuses for the Red Devils. They don't need any. Ask any of their opponents.

THIS WEEK—

RANKIN 8, Sonora 6—the 1st quarter . . . but it won't likely last as the Bronchos—like those before them—finally decide they are going to have to put out to win and ought to take the game by about 20-14.

IRAAN 28, Eldorado 7. The Braves won't likely taken another team for granted as they did the Red Devils.

OZONA 14, Junction 12. Ozona has lots of stuff if they decide to play football.

SANDERSON 8, Menard 7 — the battle to see who gets the cellar in District 8.A this year.

BIG LAKE 18, Wink 12—or it could go the other way around. Wink, at this point in the season, is a good test for anyone.

McCamey 25, Parkland 12. The Badgers just didn't believe Big Lake last week. They ought to be ready this time.

CRANE 40, Alpine 0. Crane warms up for McCamey next week.

MARFA 14, Fabens 12. That's provided Crane didn't wreck the Shorthorns last week.

too sticky, add a little more flour. Roll dough in wax paper and leave in refrigerator over nite.

Any amount may be used. The dough keeps well when covered or wrapped.

This recipe makes from two to three dozen pies, depending up. on size.

Any desired filling may be us. ed. The original favorites were dried peaches, apples or apr. cots.

APRICOT FILLING

Soak dried apricots over night in refrigerator. Simmer covered in water they were soaked in for one hour. Take from heat, add sugar, cornstarch or flour to mixture. Cornstarch or flour may be added without lumping if mixed with sugar first.

Pie filling will not break through crust if cooled before using. Seal crust edges by brush- ing with water before putting together.

4-H Clubs Hold Annual Awards and Achievements Fete

"A better world begins with you." Daarrell Boyd, Minister of Iraan Church of Christ told the 4-H members at the second annual Achievement Banquet, Sat- urday night, October 7. 4-H girls and boys from the county clubs were assembled in the auditorium of the Rankin Park Building to receive awards for outstanding 4-H work done the past year.

"Your attitudes are most im- portant in your beginning a world. The right attitude gives you confidence and leadership," Boyd continued.

Pam Stonehocker, recreation chairman of the Rankin Club, gave the invocation.

Debra Braden, treasurer of the Midkiff Club, led the pledge and motto. Sharon Johnson introduc- ed the guests.

Debbie Brown, president of the Rankin Club, introduced the speaker and Frank Hoelscher, president of the Midkiff Club, gave recognition to leaders.

The 4-H Award of the Clover was presented to leaders for ser- vice to 4-H. Mrs. Sam Howell re- ceived a two-year award and a 1967 knitting leader; Mrs. K. D. Cranfill, six years as Food and
