ers of conventional passenger
cars will find little change in the
rates—and in some instances, a
reduction over previous years may
be realized.

With filing deadlines at hand,
candidates for either of three
public boards have only a short
time more in which to get their
names in the pot. Deadline for
the city and school posts will be
midnight, Thursday, March 7
while that of Rankin County
Hospital will be open until mid-
night, March 12.

On the school board, the list
currently consists of Frank Ab-
sher, Joe D. Lee, Dr. J. D. Gos-
sett, Floyd Turner and Lloyd
Helms. Gossett and Turner are
incumbents in this race. In the
past, the school board race has
usually drawn some last minute
candidates and that prospect is
a possibility again this year.

business office, and for the hos-
pital, at the office of Mrs. E.
Dosey at the hospital. All absen-
tee voting must be done during
regular office hours at the res-
pective places.

Friday Services set for Sharon Merwin

Funeral services will be held at
10:30 a.m., Friday, March 8 at
Immanuel Lutheran Church in
Rankin for Sharon Louise Mer-
win, five-year-old daughter of
Mrs. B. R. Merwin of Rankin.
The child died near midnight
last Sunday in a Houston Medi-
cal Clinic. She had been in ill
health most of her life.

School candidates are to file
at the school business offices, the
city hopefuls at the city hall and
prospects for the hospital board
at the offices of the administra-
tor at the hospital.

Rankin Hospital Board has
two openings; these being the
seats currently held by Jerry
Barton and Pinkie Barnes. Both
have announced for re-election.

Shell Service Station Destroyed by Blaze

Striking swiftly at about nine
p.m. last Thursday evening, a
flash fire completely destroyed
the Rankin Shell Service Station
on West Highway 67. The blaze
was believed to have been caused
by the ignition of fumes from a
cleaning agent used on the

Only two new names were ad-
ded to the lists this week; those
of J. B. Pettit, Jr. for Mayor of
Rankin, and M. O. Price for the
councilman seat. Both are in-
cumbents.

With all three elections set
for Saturday April 6, absentee

Fed by a large stock of tires
and batteries inside the station,
the fire was immediately out of
control. Rankin Volunteer Fire-
men, however, managed to keep
it confined primarily inside the
building and no explosions re-
sulted. Damage estimates have
ranged between the \$18,000 and
\$20,000 mark with the building
accounting for the major por-
tion of the loss. Owned by the
Turner Brothers Oil Company of
Big Lake, plans are said to be
indefinite at this time as to what
to do with the structure. Larry
Smith of Rankin was operator of
the station and he said that he
would reopen if the owners de-
cided to rebuild.

TOUGH BIRD—

The following article, "Junksville West Texas Contest", appeared recently in the "Crane News", and was written by Gary Watson. I'm not sure I know Mr. Watson but I think he's the editor of the newspaper in Crane and if he is, he's probably now in line for the Purple Heart. At least he makes all the things I say about Rankin look like bouquets. Here 'tis:

"We are having a contest to pick Junksville West Texas and so far Crane is ahead by seven buildings, 502 junk cars and 200 tons of trash. Can you beat us? Submit your town to Junksville Contest, Box 283, Crane, Texas 79731.

"As sponsor of this contest, I feel that it is only fair to tell you that some businesses in Crane are trying to kick Crane out of the contest by cleaning up their businesses.

But due to lack of attitude, cooperation and perseverance from retail merchants, junk car dealers, service station owners, drive-in operators, and citizens of Crane, we are still in first place for the title of Junksville West Texas.

Looking to the future, we all should be mindful of the Junks-

ville USA contest, held in early spring. If we all pitch out our trash and bring in some more junk cars, we may even be considered for the Junksville USA Contest.

"Second place winner of this contest will receive a free weekend in Crane and first place winner doesn't have to stay!!

"Note: If you would like to be one of the judges of this contest, drive to the top of the hill by Carter's Chevy and cast your weary eyes upon Junksville West Texas.

If you would like to make any comments, please write to Gary Watson, Box 283, Crane, Texas.

Signed—Gary Watson"

Mr. Watson, you are one brave soul—or you're punch drunk—or maybe both by now. Actually, we in Rankin might enter the contest except for the fact that we

a point. The Volunteer Fire Department is just what it says it is—open to ALL volunteers.

I served a year or two on it but got tired of ruining a pair of shoes, pants and shirt every time there was a fire and especially tired of people who did not belong to the department but who suddenly took the notion to volunteer whenever a fire started and proceeded to get in the way and take over in general.

If you want to be a fireman, go to it but at least attend the meetings and learn—along with the rest, what they are trying to do before the fire starts.

Now for equal time from the other side—and there are usually two sides. Another local citizen approached me and pointed out that the fire department had a considerable amount of new fire hose laying at the fire station that was not on the fire truck the night of the fire—resulting in some confusion and delay in getting the unit into operation.

When I called this to the attention of one of the firemen, he said that the new hose had just arrived and that the firemen had not had time to put it on

the truck. This has now been done, he said.

Arts-Craft Festival Planned Mar. 20-22

The annual Art and Craft Festival, sponsored by the McCamey Woman's Study Club, will be held on March 20, 21 and 22, according to announcement made last week. Open to all local artists, exhibitors are requested to have their materials at the McCamey Park Building not later than 5:00 p.m. Wednesday, Mar. 20 so that displays may be set up. The building will open on that date at 9:00 a.m. and exhibits may be brought any time up to the 5 p.m. hour.

Mrs. Guy Hilber and Mrs. Cecil Copeland will be display chairmen and should be contacted for further information.

Omicron Tau Hears Art Teacher Speak

Omicron Tau Chapter of Beta Sigma Phi met February 26 in the home of Mrs. Lloyd Helms. Eighteen members answered roll call.

Mrs. Tommy Owens read the minutes of the previous meeting. President, Mrs. Tommy Greer, conducted the business meeting and read a thank you note from Tri-County Foster Home for the donation of baby clothing. Committee reports were made and members voted to purchase flowers to be used for Public School Week.

Mrs. Greer announced that the chapter had already achieved enough points to retain a three-star rating at the International office.

POSTER MATERIALS — Everything you'll need — cardboard, markers, inks, tempera color, brushes, stencils, rulers, chalk, etc. The Rankin News.

Program chairman, Mrs. Jim Terrence, introduced the guest speaker for the evening, Mrs. Glen Mathews, who is an art teacher in the McCamey school system and also conducts private classes of art.

Mrs. Mathews stated that any person who truly puts forth an effort can paint. Remembering that the beauty of a painting is

in the eyes of the viewer, she proved this statement with a story of an old farmer and his painting.

Mrs. Mathews made several other comments on art and held members entranced with her answering anecdotes.

Refreshments were served by the hostess, Mrs. W. R. Sobotik won the door prize.

Hobo Social Held by Sorority on Feb. 24

On February 24 a "Hobo" social was held at the Rankin Park Building for Omicron Tau, Beta Sigma Phi members and their

husbands.

At the entrance was a large trash barrel filled with tin cans and an old cream can containing large paper flowers.

The buffet table was covered with a red bandanna tablecloth. Extra tables were covered with white tablecloths holding center-

pieces made from tin cans, colorful paper flowers and brimweeds. Each table also held a "hobo knapsack."

The meal, eaten from aluminum plates, consisted of Mulligan's stew, plus other meats, an assortment of salads, vegetables and desserts.

Following the meal, special guest, Mr. and Mrs. Bill Lewis, and members enjoyed playing "Crazy Bridge". Scores were kept on paper sacks and winners were Mr. Lewis and Mrs. A. A. Beringer, Jr. Each received a large can of pork and beans.

"Let Us Keep The Record Straight"

The County Attorney's Office in Upton County is responsible for the prosecution of all misdemeanors, whether in Justice Court or County Court; the County Attorney generally assists Officers in developing the testimony and preparing evidence in all felonies; assists and develops evidence and testimony in coroners inquests; handles all juvenile cases; advises county and precinct officers in official duties; and handles civil cases and legal problems of the county.

The importance of the office of County Attorney is generally conceded by most people who give any thought to it. It has great influence on the moral environment, safety, liberty and well being of the people of the county; and its importance is only questioned by folks not familiar with the duties of the office.

Hot checks are not a problem now in Upton County, because of past vigorous prosecution. Of the 140 hot check cases filed since 1946; 10 cases involved second offenders and convictions resulted; 79 were first offenders, restitution was made and such cases continued for one year, and then dismissed if such person did not commit a second offense. The sum of \$2,466.54 was recovered for holders of said hot checks. Fifty-one persons have not been arrested by Sheriff and warrants are still outstanding.

First offenders of the check law are always given another chance; because such offense involves moral turpitude and a conviction follows them all their lives. Most all employment questionnaires ask the question, "Have you been convicted of a crime involving 'Moral Turpitude'?" To answer "Yes", generally disqualifies the applicant. Most first offenders do not know this.

The story of drunk driving is a long one. For many years drunk driving was a felony. Juries were reluctant to convict and

send people to the penitentiary for such offenses; and through the years, a great many people developed the attitude that they could not be convicted; and that they could drive a motor vehicle in any degree of intoxication that they wished. Years later, after the first law concerning drunk driving, the legislature made the first offense a misdemeanor; but by that time, a great many people had little regard for such law.

In 1947, I made it known that Upton County regarded Drunk Driving as a serious offense; and that my recommendation would always be a minimum of ten days in jail. The prosecutors, in all this area, told me that I could not make such a harsh penalty stand up. That they were doing good to get pleas of guilty and just money fines; otherwise the defendants would get lawyers and contest the case, and that the juries generally acquitted the defendants. I maintained, that if the law was enforced impartially, and that if all offenders, of high and low degree, were filed upon, the juries of Upton County would convict; and that by securing convictions with stiff penalties, we would eventually force respect for the law; then the actual commission of such offenses would be greatly reduced, which was the whole point of the matter.

During the years 1947 through 1954, 180 drunk driving cases were filed; 2 cases resulted in acquittals; 1 resulted in a mistrial; 4 persons died before trial; 1 defendant was in the service and the case was dismissed; 12 resulted in convictions of fines only; and 160 convictions which involved jail sentences of ten days or more. That broke the back of drunk driving in Upton County. Since which time, the offense of Drunk Driving, is not often committed in Upton County.

During the above years, I handled other cases as well as performed other duties of the office.

Since 1964, sixteen drunk driving cases have been filed; six resulted in jail or more; two resulted in jail probation; one consolidated with another case and convicted; two which two will be dismissed. One is in the Marines. There were two convictions in aggravated assault; each in jail and one \$250.00 fine. Two years in jail probation and more in other cases.

The only public job I have held is that of County Attorney; and for that I am seeking your favorable opinion and vote on my record.

I represent the political interests of the people referred to by my opponent. My employment is arranged for in the county; any attorney is engaged. The County Attorney's Office occupies the offices of council members and director are elected by the people of the area. Such office holders are able and respected citizens; and they take pride in the performance of their duties and conducting the affairs of the county districts efficiently for the benefit of the constituents. They secure the services of an attorney in whom they have confidence; because the way he performs his duties could very well affect the reputation and the service they receive from the people.

I am proud of the confidence of the people, responsible for good government, have shown in me; and I consider it a compliment to my professional ability.

It was not my intention to seek employment in this campaign; but if I thought to do so, would be a disadvantage to take of my opponent. If he brought it up, I am happy to have the opportunity to refer you to such persons as trustees and directors for an opinion of my ability, work habits, the way I perform my duties; and the competence with which I perform the professional services of the County Attorney.

I seek your vote, confidence and support on my record as your County Attorney, and on my record as a citizen, all of which should be known and certain, because of my long residence in this county.

**Archaeological Meet
February 26th**

The Archaeological Society met Monday, February 26 at the Rankin High School lounge with 17 present. New members paid dues; Mrs. Calvin Luck, Jimmie and Marcus Price.

Roy Johnson called the meeting to order. Minutes were read and approved and the treasurer gave a report on club membership. The club voted to place a sign on the use of the lounge in the Uptn County on reserve, as reference

Johnson reported on a hunt that he made, along with his Boy Scouts, on the ranch, and displayed his trophies. Tentative plans were made for a field trip if arrangements could be made. Members will meet at the high school on March 2 at 8:30 a.m.

Committee and committee chairmen were assigned, and work was done on the by-laws for the chapter. Particular emphasis was placed on the responsibility

of the chapter, as a group or as individuals, on field trips. This includes abiding by the wishes of the property owner regarding keeping gates closed, not building fires without permission, not hunting or fishing without permission, leaving no litter, refilling excavations, and hunting within boundaries designated by the owner. The president is to present prepared by-laws for approval and revision at the next meeting.

Refreshments were served by Yvonne Vick and Lucy Davis. The next meeting of the Rankin Archaeological Society will be held Monday, March 11 at 7:30 p.m. in the Rankin High School lounge.

**Red Devil Tracksters
to Wink Saturday**

Rankin Red Devils will go to Wink Saturday for their third track meet of the season. On the two previous week-ends they ran at Fort Stockton and McCamey.

Other dates on the schedule include the Plateau Relays in Eldorado March 16, San Angelo, Mar. 22.23, Cactus Relays in Iraan on March 30 and the District Meet in Eldorado on April 6.

After qualifying for regional slots, the team will participate in the Andrews Invitational April 12 before going to the Regional Meet April 19 and 20 in Lubbock.

For the Junior High, the current schedule lists only two encounters, Crane on March 15 and Wink March 23. Other area junior meets will be attended if they are scheduled. The Junior High participates in District on the same date and place as the High School.

Savings Available on HemisFair Visits with Bonus Books

Extra values as high as 50 per cent are available to persons planning to attend HemisFair in San Antonio through the pre-opening sale of a wide variety of Bonus Books, now on sale at the Rankin News.

The Bonus Books range in price from \$3 to \$11 and carry admission to various special attractions on the grounds.

The variety includes Books for persons who already have their \$2 gate admission and those who do not but are just beginning their vacation planning for the April 6 - October 6 International Exposition.

The gate admission will offer the holder free access to exhibits of foreign countries from every continent on the globe and a host of industrial pavilions as well as passage through the beautiful 92.6-acre fairgrounds.

The Bonus Books, however, include full price tickets to wide-ranging special attractions not included in the regular admission.

A \$1.50 savings can be enjoyed on a child's Bonus Book at a cost of \$3. The special does not include gate admission, but does include an official guidebook

and admission for one Tower of the Americas elevator ride, skyride, mini-monorail trip, lagoon cruise, three fun rides on Fiesta Island, and admission to the HemisFair Theme Gallery and the "El Encanto de un Pueblo" (The Magic of a People) exhibit showing new world life and customs in miniature.

The lowest price adult Bonus Book, which does not include a gate admission, is available at \$5, and represents an extra value of 45 per cent, counting tickets worth \$7.25 on the Fairgrounds.

It entitles the bearer, after admission, to the tremendous display of exhibits, the guidebook, Tower ride, skyride, mini-monorail, scenic lagoon cruise, one fun ride at Fiesta Island, entrance to "El Encanto de un Pueblo", the HemisFair Theme Gallery and to *Laterna Magika*, an European hit show combining live actors and film in its first southwest appearance.

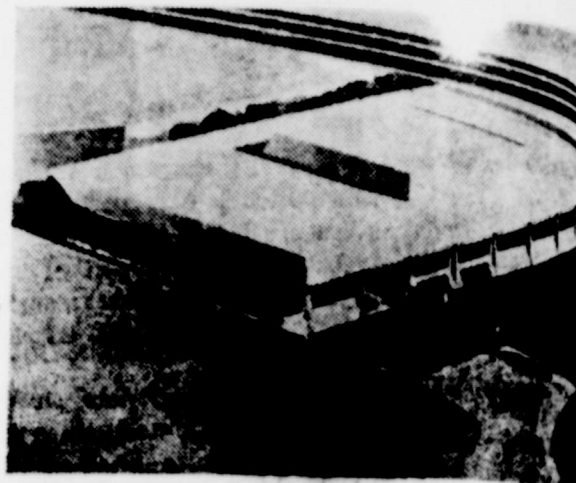

For \$7, the traveler can buy an adult Bonus Book worth \$9.85. It includes one gate admission,

all the extra values of the \$.50 bonus book plus two additional rides at Fiesta Island.

The biggest Bonus Book savings, a 44 percent extra value, includes two adult gate admissions, two tickets each to the Tower of the Americas elevator ride, mini-monorail, two admissions to each of the three exhibits included in the other Books, two fun rides, a guidebook, scenic lagoon cruise and skyride. The Book may be purchased for \$11, a savings of \$4.85 under its \$15.85 value.

Bonus Books will not be available on the Fairgrounds and are in limited supply. Fair visitors are urged to take advantage of this unique way to save on admission to some of the most exciting attractions at HemisFair before the World's Fair opens on April 6.

Snelson said that he is of a change in the Senate that the entire legislature have a greater voice in the writing of the appropriations bill," said Snelson.

Present rules have made it difficult for certain legislators to vote for selfish influence. The head of state agencies and state employees are not given the opportunity of their writing of the appropriations bill," said Snelson.

Meeting the educational needs of our growing state has long had the dedication of Snelson, both in and out of the Legislature. Many point to Snelson's background of 10 years as a teacher and administrator in high school, college and junior college as im-

"It is the duty and responsibility of the Legislature to write workable laws and to provide the financing necessary to vigorously enforce those laws."

Financial restrictions placed on the current Liquor Control Board are such that it has only 159 agents to police 254 counties with 40,000 licenses in wet areas, and 1,360 private clubs. All of the agents are paid less than other comparable state positions.

"The salaries of all our state law enforcement officials must be increased to a level commensurate with their duties and responsibilities," stressed Snelson. "This, plus additional changes in the code of criminal procedure, will be necessary if we are to win the fight against crime."

Meeting the educational needs of our growing state has long had the dedication of Snelson, both in and out of the Legislature. Many point to Snelson's background of 10 years as a teacher and administrator in high school, college and junior college as im-

portant qualifications in playing a lead role in bringing better educational opportunities for our citizens and in making the teaching profession even more attractive financially and otherwise.

Snelson said that he would continue his dedication to the growth and development of those institutions of higher learning in the 25th senatorial district including Sul Ross State College.

Angelo State College, Odessa Junior College, Southwest Texas Junior College in Uvalde and pledged his cooperation with plans for the proposed Junior College to serve the Trans-Pecos area.

"I shall continue my efforts to secure the elevation of Odessa College into a four-year state college because of the great need for such a facility in the Permian Basin," said Snelson. "This need will be stressed to the Coordinating Board of Higher Education and to the Legislature."

Snelson was successful in getting a bill through the Legislature in 1965 which called for the elevation of Odessa Junior College into a four-year state supported college.

"Also, I work for continued improvements for such state facilities in the 25th District as McKnight State Hospital and Ft. Davis State Park," said Snelson. "Other areas to which I will devote my attention and energies include the continued development of the oil, gas and sulphur industries; farming and ranching needs; protection and development of our water resources and the promotion of tourist attractions."

Born into a pioneer West Texas farm and ranch family in Ward County Snelson is active in the business affairs of the area as an owner of an advertising agency. He is married to the former Susan Sutton and they live at 2406 Shell Street in Midland with their children, Gene, 8; Sandra, 6; and Steven, 4. They are members of the Presbyterian Church.

Snelson received a Bachelor's degree from the University of Texas in El Paso and a Master of Science degree from Northwestern University. He is a

count with The News.

Deadline for announcements is Tuesday of each week. Candidates will be listed in the order in which they are received—on a first come, first serve basis.

One announcement carries the candidate's name in the Political Column until he is either defeated or wins election. An announcement entitles a candidate to one front page write-up. All other announcements made by him pertaining to his quest for office will be considered political advertising.

The News will assist any candidate in preparing his announcement or in working up advertisement whenever such assistance is requested. Pictures will be published if furnished by the candidate at no added charge.

Now Possible To Shrink Hemorrhoids

And Promptly Stop Itching, Relieve Pain In Most Cases.

Science has found a medication with the ability, in most cases—to relieve pain, itching and shrink hemorrhoids. In case after case doctors proved, while gently relieving pain, actual reduction took place. The secret is Preparation H[®]. It also soothes irritated tissues and helps prevent further infection. Just ask for Preparation H Ointment or Suppositories.

Purple Heart veteran of World War II, during which he served three years in the U. S. Army, including 18 months in Europe. He saw line action with the 44th Infantry Division and later served as a Special Agent of the Counter Intelligence Corps.

In seeking to again represent West Texas in the Texas Senate, Snelson emphasized that it is vital that the attention, interest and energy of our state be dedicated to meeting the challenges of the future because we cannot afford the luxury of keeping our heads buried in the sands of 20 years ago.

SALUTE

The County Employees

This group of dedicated public servants get little recognition. Many are not even known to the people they so faithfully— they do not "run" for office and are not in the limelight . . . and yet, theirs is an important and worthwhile duty that makes for smooth and efficient county service to all citizens.
