Heading for Lion Country Friday --

Red Devil Troupe Ready for Westward-Ho Treck

Like the wagon trains of old, preparing to face the hazards of far places, Rankin has been busy most of this week in preparation for the westward journey of the Red Devils & their followers Friday to Clint. Clint is located between Rankin and the West Coast and is on the Rankin schedule via courtesy of the powers that be in Austin who decided to make District 7-A one of the most ridiculous-sized monsters ever dreamed up by what passes as responsible people.

Be that as it may, the Red Devils will not be lonely for accompanying them will be three

extra bus loads of band members, cheering people, sponsors and assorted personnel—and apparently a pretty fair aggregation of fans. The chartered buses originally considered will, however, not be used.

Clint, winners of no games, has posted only 14 points thus far in the season and the ball game is expected to be Rankin all the way.

B-Team, Juniors in Thursday Action

Before their big brothers head west, the Rankin B-Team and the 8th Grade Juniors will put on a Thursday night exhibition

when they host Iraan. The first game — the Juniors — will get underway at 5:00 p.m. with the B game slated for a 7:00 p.m. start.

For the B-Team it will be a return match against a Brave squad that almost upset them in their first meeting October 10 in Iraan. Undefeated in five starts, the Rankin B squad is expected to go all-out in an effort to keep their record clear.

The Juniors lost their last encounter with Iraan and will be trying to even that score.

OES Program starts in Rankin Monday

Lucille Robledo, recently appointed representative of the Office of Economic Opportunity for Upton, Crane and Reagan Counties, announced this week that she will begin work Monday, October 28 on the program in the Rankin area.

Mrs. Robledo, whose office is located in the Upton County Courthouse, has been attending OEO schools in San Angelo for the past week in preparation for the work ahead.

"We will be visiting in a number of homes in this area starting Monday," said Mrs. Robledo, "and we will need the cooperation of our citizens in order for this program to be of assistance to them."

The Office of Economic Opportunity offers a number of self-help programs for people who meet its qualifications.

Ernest Angelo has Statement in Race for State Senator

ERNEST ANGELO

With less than three weeks to go before Election Day, Ernest Angelo, Republican nominee for State Senator is making final preparations for the climax of a vigorous seven month campaign throughout the 25th District. The campaign will be successful according to Angelo, "Because of my having fulfilled an obligation to let the voters know where I stand on the issues, and because of the tireless efforts on my behalf by thousands of concerned citizens. My Upton County Campaign Committee headed by Don Ross has been a tremendous help."

Ernest Angelo has been active in civic groups in Midland for the past ten years, being a member of the Midland Jaycees, United Fund Board of Directors, Board of Midland Community Action Program and the Mid-

COLLEGE, 1968—

This bit was handed to us by Mrs. W. O. Adams who cut it out of the Bastrop Advertiser—which had copied it from the Pleasanton Express—who picked it up out of the Columbus, Wis., Journal-Republican. It sez:

"Dear Mother and Dad: I'm sorry not to have written . . . but I have been very busy here on the campus. You will be glad to know, however, I had a long talk with the dean recently about my grades . . .

I had the opportunity to talk with the dean while we were holding him hostage for 48 hours in the administration building.

We had a good confrontation, but I don't think the dean understood that I failed English History 202 as a conscientious protest against colonialism. He is just too old — 37, I think—to

comprehend that many of us feel a deep commitment to making college meaningful. I broke his water cooler to give him something to think about. Sooner or later the college administration is going to have to realize that we of the new generation mean business . . .

We students have advanced the cause of free inquiry farther in the past couple of weeks than in the entire previous history of the place. We now hold the dorms, the library, the student union, the second floor of the administration building and about half of the chemistry building, and we have the whole science faculty shut up in a lab with a bushel of frog cadavers.

We find that it is beautifully provoking to the police, faculty, administration and other enemies of free inquiry if we arrive at riots with our beards blowing in the wind. What I am missing about English history I am learning about life as it really is.

Please don't worry about my failing the one course . . . if this Fascist crowd insists that we come to class to receive credit—truth is that we plan to take charge shortly and will be issuing our own grades . . . something on the order of a freely intellectual self-evaluation.

So it won't be necessary. Dad for you to talk with the dean when you come up here for your 25th reunion. In fact, I doubt that you will be coming . . . We students have about decided to take over all the alumni functions to prevent any reactionary

influences on campus, and to insure absolute independent academic atmosphere.

Mother, I am sending the usual bag of laundry. Please go easy on the starch in the collar of the Nehru jacket. That reminds me; were my beads in the pocket of anything I sent last week?

Dad, I'm afraid I need \$200 as quickly as possible for my club and one thing and another. And do you suppose it would be possible to come up with \$1500 by the end of the month. I have a marvelous opportunity to go to Paris this summer. A bunch of us are planning to help the French students in their magnificent undertaking of remaking the entire French nation.

So long now . . .

Drive Backers Say Veterans' Officer "Thanks" for Help Makes Statement

The Multiple Sclerosis Drive in Rankin was a great success, according to its backers. Mr. David Binkley, chairman of the local chapter, this week expressed his appreciation to the O-Micron Tau Chapter of Beta Sigma Phi and all the wonderful people who donated pies for the pie sale.

A special thanks was issued to

Thomas T. Edwards, Veterans' Service Officer for Upton County, this week issued the following statement to Veterans and widows of veterans drawing pensions:

"Your annual Questionnaire Cards will be mailed with your

Mrs. Helen Hurst for the use of her cafe on Saturday, October 12.

"This is typical of the fine people in Rankin who see a need and work together to fill that need. It is this cooperation that makes Rankin a wonderful place in which to live," said one of the sponsors.

Dedicated to the proposition that football is here to stay and that the Red Devils will be in there tough when the game is over.

HOOT MAN—

By now a good many fans and all the ball players know that Norman Guess over in Big Lake had a bit in his column a week or so ago concerning the licking the Red Devils gave the Owls on October 4. Personally, I think Norman wanted to josh about the whole thing for he spoke of the character it built in the Big Lake team and fans and how they would not let it happen again. In fact, the week before the game, he had said something about "Poor Rankin" and made remarks about how the Owls would make it no contest.

A loyal Rankin fan— Guess called him brave—sent him his own clipping and said, "Poor Owls", to which—and we quote, writer Guess said:

"But Hey! Don't go away laughing yet. We have one last word. We still say "Poor Rankin". They have prepared all year for "one" game and so what if they won it. It didn't mean a thing in the standings.

We place more importance on conference games than practice games. We are glad we didn't exert all our season's efforts on "one game". Poor Rankin! Six games to play and nothing left!

"Don't take us seriously. We admire the Rankin team, the fans, and all the citizens and their school system . . ."

So said Mr. Guess.

Now ever since I was a small lad I have, from time to time, heard owls hoot but that's the first time I ever heard one cry.

It's a sorta pitiful sound, don't you think? Sounds a little like a hootin-nanny.

But then, I guess you'd cry too if a bunch of mean ole Red Devils went and plucked all the feathers out of your pet owls. As for the part about not "counting in the standings", how long has it been since Big Lake was list-

ed in the top ten in Class AA— since about October 4, would you say?

STUFF—

Last week's district openers in 7-A pretty well laid it on the line. Rankin, Van Horn and Iraan are heading for a collision. Naturally, this corner picks the Red Devile but with an "if". If they don't get so flat playing Socorro and Clint that they can't get it going against Van Horn and if they do get by Van Horn, they are not down for Iraan.

Football being the game it is, don't start making plans for any playoffs just yet. We have a long, hard road—at least in two places—to cover before that day.

And with another performance or two like that Socorro game—with over 100 yards in penalties—

and we can forget about the whole business for Van Horn or Iraan either one will sure as heck beat us if we put on anything like that sort of show against them.

Football is a rough and tough game but it's also designed to be played with a little smart. As

A TIME FOR DECISION

A Presidential election, the most important one in our lifetime, is close upon us. With three candidates in the race Texans are confronted with such a variety of appeals that some confusion is not surprising. We see some of our top state political leaders urging support of Hubert Humphrey on the self-serving appeal of party loyalty. We see fine Texans tempted to support George Wallace because they like his outspoken position on certain issues and are thus swayed by an appeal of sheer emotion. With full respect for the right of every Texan to make a personal decision, this message in behalf of Richard Nixon is offered as

... AN APPEAL TO REASON!

HUBERT HUMPHREY WILL NOT

change. He has proved consistently anti-Texas. He is famous for his filibuster against Texas owning its tidelands. He has fought our right-to-work laws and sought to destroy our vital oil depletion allowance. On every issue of world importance his position is contrary to that of most Texans. Humphrey, an ultra-liberal founder of the ADA organization, would gain executive authority for radical minority viewpoints should he become president. This cannot happen by popular vote. In view of his vicious attacks upon George Wallace, what a ghastly miscarriage of intent it would be if Wallace supporters themselves should throw the election into the House of Representatives where every Wallace vote in Texas would automatically go to Humphrey!

GEORGE WALLACE CANNOT

be denied his impressive showing. A number of fine people heed his third party call. The very least that can be said is that he has dramatized the desires of many people for a change of direction in the affairs of our government. However, the very most his supporters can hope for is to split the popular vote so that all of us would be at the mercy of Washington politicians who would elect our president for us. This is Hubert Humphrey's only hope for election. The more positive way to vote for change is to recognize the many fine merits of Richard Nixon and his program, then vote for Nixon to assure the election of our president by the people instead of by the Congress!

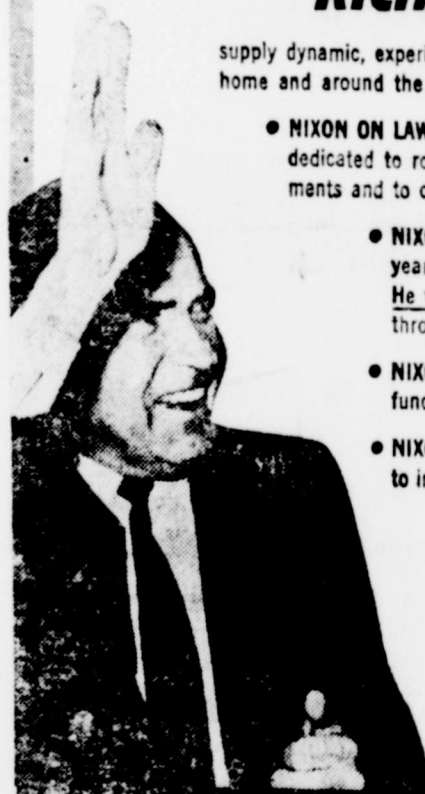

RICHARD NIXON CAN... AND WILL

supply dynamic, experienced leadership for an immediate change of direction—at the top—in all our national affairs at home and around the world. Your concerns are his concerns!

- NIXON ON LAW AND ORDER is pledged to help improve local police protection, to appoint an Attorney General dedicated to rooting out crime, to restore balance in our courts strengthening peace forces against criminal elements and to cease freeing so many of the guilty on technicalities.
- NIXON ON VIET NAM will call upon his experience as vice-president during eight great Eisenhower years of peace to reform world alliances now in disarray, to redirect our strategy on new global terms. He will end this war and avoid future ones by dealing with adversaries in the only way they respect—through strength, collective security and patience.
- NIXON ON LOCAL GOVERNMENT is pledged to move control of local schools and all other governmental functions which properly belong at the local level closer to the people.
- NIXON ON OTHER PROBLEMS has solid solutions PLUS solid backing of enough members of Congress to implement those solutions.

IF YOU REALLY WANT A CHANGE... AND IF YOU WANT TO BE SURE YOU REALLY GET IT... VOTE FOR NIXON/AGNEW

After the game the officials came into the dressing room and told the boys they played one of the cleanest ball games they had ever seen. So this time, a tip of the helmet goes to the B-Team for improved play and to the coaching staff and the school administration for insisting on it.

THIS WEEK—

RANKIN 40 (yards in penalties), Clint 0. This would be a good week to work on fundamentals like play execution and how to keep from getting flagged to death.

VAN HORN 45, Socorro 0. Van Horn and Iraan will be out to see which can put the largest

When I neglect the services of my church, I injure its good name, I lessen its power, I discourage its members, and I chill my own soul.

NOTICE

**ABSENTEE VOTING WILL CLOSE AT
5:30 P. M., FRIDAY, NOVEMBER 1, 1968**

I wish to call to your attention the change in the method of marking your ballot. You must place a check mark or an X in the small box beside the name of the candidate you wish to vote for; otherwise, your vote

will not be counted for your candidate.

You may vote a straight ticket by placing a check mark or an X in the box by the name of the party but if the party does not have a full slate of candidates, you will not have voted for the other offices named on the ballot.

In voting a straight ticket be sure you mark the box by the name of the party rather than just marking the box by the name of the presidential candidate; otherwise, your ballot will not be counted in the other races.

To make sure your full ballot will be counted, you should place a check mark or an X in the box beside the name of each candidate you wish to vote for.

You may cast your absentee ballot in my office, in Rankin, during business hours through November 1, 1968.

My lawful office hours are:
8 to 5 (close 12 to 1 each noon)
Monday through Friday

**Good Turn-Outs at
Country Club Fetes**

At their covered dish dinner last Sunday, Rankin Country Club drew another good turnout of 125-140 people who enjoyed a wide assortment of good eating. At their chili supper Tuesday night, between 90-100 went through the chow-line and the club reported sales of about \$75.00.

With November 1 the deadline for payment of initiation fees, the club was less than \$1000 away from their goal by Wednesday.

In the Sunday ABCD golfing, the team of Rex Shepard, Mr. and Mrs. Jake Van Zandt and E. M. Sullivan defeated the J.B. Hutchens, Charlie Hale, Max Taylor trio one-up after 25 holes of play. The team of Jim Wells, Joe Clark, Dunn Lowery and Edith James finished third.

**Rebekahs Enjoy
Tuesday Nite Skit**

Rankin Rebekah Lodge No. 8 held their regular meeting on Thursday, October 17 with Noble Grand Dora Laudamay and vice-grand Travis Crothrum in charge. After the business a skit was presented honoring the Junior Past Noble Grand, Grace Ramsey.

Those taking part were Mary Stonehocker, Travis Crothrum, Ned Malone, Ruth Hale, Fern Kozzell and Doris Speed. They presented Mrs. Ramsey with a comic book, miniature rolling pin and rocking chair.

From the Lodge, she received the past noble grand jewel and a scenic picture. The pin was pinned on by her daughter, Doris Speed.

Next meeting is tonight, October 24. All members are asked to bring canned food, costume jewelry, new and used clothing, toys etc. for the Country Store which the Lodge will operate at the Halloween Carnival.
