## End at Hand on August Specials

Subscribers to The News who plan to take advantage of once-a-year rate reductions have only a few more days in which to act. The annual August Specials on the newspaper expire next Sunday.

After that date subscriptions in Upton County will go at \$3.50 for 50 issues while those outside Upton County will be \$4 yearly.

An advertisement elsewhere in this issue explains the reductions that may be earned for the remainder of August.

The originator of the company began work in the Oklahoma oil fields and his first cementing was done with a tub while work- ing out of a wagon pulled by a team of horses. Today, Hallibur- tion Services operates in every free nation in the world.

### TAYLOR TAKES OVER

Taking over Simpson's duties is C. E. Taylor, his assistant for the past several years. Taylor is a 21-year man with the company, having started work in Levelland in 1948. He, too, began as a truck driver and worked in Odessa, Monahans, Pecos and a number of other West Texas areas. He and his family have been in Rankin since 1956.

### STANLEY IS ASSISTANT

Moving up as assistant to Tay- lor is Earl Stanley. Stanley, who began as a truck driver in Kan- sas, has been with Halliburton for some 25 years.

He and his family have lived in Rankin since 1959.

## High School Largest in Several Years --

# School Enrollment Down Slightly from May Totals

As had been anticipated from findings in the school census, enrollment is down slightly from the end of school last May. The main drop came in the 1st Grade with 43 enrolled. This follows a state- wide trend where the First grade beginners are expected to show a decline.

Overall, the elementary school is some 12 students shy of the end of school while the Junior High is short about 15. In High School, however, an increase of some 15 students has been listed.

By grades the figures are: 1st Grade, 43; 2nd Grade, 32; 3rd Grade, 40; 4th Grade, 43. Elementary total: 158.

Junior High: 5th Grade, 43; 6th Grade, 44; 7th Grade, 58 (the largest grade in the system; 8th Grade, 42. Total in Junior High: 187.

In High School: Freshmen, 50; Sophomores, 40; Juniors, 36; and

Seniors 31. Total in High School: 157.

Total school enrollment: 501.

Some minor changes in the list- ings are anticipated within the next few weeks with Rankin hav- ing one of the earlier starting dates in this area.

Fourteen new teachers have been added to the staff as replace- ments due to changes and resig- nations. Of this number, nine are in high school, two in junior high and three in elementary.

Reports from the pincipals of the three sections indicate that the school year got off to a good start on Monday.

"Everything's going along real well," said high school principal A. C. Copeland. "I'm very pleased with our new faculty members and it looks like we're off to a smoothe beginning," he stated.

Classes will dismiss Friday at the regular hour and there will

be no school Monday in obser- vance of Labor Day.

## Labor Day Activitie Centers in McCamey

Generally, a one-day closing in Rankin will mark the upcoming Labor Day holiday. Coming on its usual Monday date, however, it will enable a number of resi- dents to take advantage of a three- day week-end.

Two local grocery stores an- nounced their plans: Cashway is to remain open Monday while Boggs Grocery plans to close at noon Saturday, Aug. 30 and will reopen at 8:00 a.m. Tuesday, Sep- tember 2.

No special events are planned in Rankin. However, a number of the local citizenry will drive to McCamey and take part in that city's annual Labor Day Celebra- tion which includes such items as a parade, beauty padgeant, a free barbecue, horse races and other attractions. A number of Rankin- ites will participate in several of the features.

All who plan to be on the high- ways over the week-end are cau- tioned to drive with extreme care.

The Labor Day holiday period has become one of the nation's most deadly in traffic accident counts.

## Pay Attention, Kids; That Stuff was Rain

After consulting with some of the old timers such as Tom Work- man and Herschell Shaw, and with E. M. Sullivan who used to live in Mississippi and ought to know, The News can relibly report that what happened here last Monday and Tuesday was that it rained!

Some of the smaller children who had never seen a rain, were somewhat disappointed. They had been led to believe that rain came out of a giant faucet in the sky.

Some of the more hearty of the local population ventured out in the falling stuff and there was some dog barking. Outside of that, most residents have been able to adjust to the deluge as the man- soons move in.

We got an inch.

## SLEEPING—

"What the people of of this country (school district, city, etc.) had better do is wake up before it's too late."

Now how many times have you read this stement or heard someone say something along the same line?

"Wake up . . . before it's too late."

Something about that statement always shakes me just a little. Heck, I try to stay awake. Every so often I pinch myself to make sure, but try as I may, I never seem to be able to be awake enough to see what it is that I'm suppose to see before it's too late.

And that bothers me. I wish the folk who are always admonishing us to "wake up" would go on and tell us what to look for when we get awake. What's about to happen? Has somebody got rabies and is about to start biting? Is there a danger of a tick outbreak?

Who's on first?

From here on in, I'd just as soon they didn't bother to waken me if they're not going to tell me what it is—this impending disaster. I might rather sleep right through it if I only knew what it was.

## ASEA—

Along the same line as the above is the thing about people trying to find out who they are. I have never been able to understand how it is that they got lost from themselves in the first place.

Oh sure, we all get a little confused once in a while. Somedays

**COPIED—**

"Perhaps the reason many parents don't take a hand in disciplining their offspring who are rebelling at college is fear they will get mad and come home to stay"—from the Ft. Worth Star-Telegram.

**TEXANS—**

Each year, along with the subscription renewals, we always get a batch of notes from readers. These are most appreciated.

One of the more interesting was from Rev. R. L. Shannon who is now in Tonopah, Nevada. He said in part:

"It has been real nice here this summer. It has rained showers a long all summer . . . there is still plenty of snow on the high mountains. Our highest temperature has

been 93 . . . and that for only a day or so at a time.

"We had a nice rain last night. It thundered and lightened just like the weather in good old Texas (Preacher Shannon means like it used to), but I was not supposed to mention that State out here.

"They have a saying here that the tumbleweeds, Texans and Baptists are taking Nevada. You would be surprised how many people come here as tourists."

Well, Bro. Shannon, I might be surprised and I might not. You, in your profession, probably don't hear as many people talk about their trip to Nevada as I do. And would you believe, not many of them speak of the state in the terms you have used. They're more likely to tell about the odds in Vegas than they are to mention the snow on the mountains—if they even saw the mountains.

But it was good hearing from you—and another side of the story. Some day I'm going to get out to Nevada—and, considering my finances, I'll probably get to see the mountains.

**SURPRISE, SURPRISE—**

It rained in Rankin. Now there's one that will blow your mind.

And you know what? Ever since it became apparent that the moon shots had messed up the rainfall pattern for Rankin, the good wife has been saying that it would rain "when school starts."

For a while there Monday, I thought she was just the average run of weather forecaster but at about 11:55 p.m., down it came.

Now how did she know that? Sometimes these women with their intuition can spook a fellow.

**SHORT SHOT—**

"Gee, Mom," he complained, "none of the other guys are wearing lipstick!"

"Shut up, stupid! We're almost at the draft board."

**Services Held for Mrs. Paul Cormier**

Funeral services for Mrs. Paul Cormier, 23, of Dallas, were held Tuesday morning in Fort Worth with graveside services Tuesday afternoon in Lometa. She died on Saturday at noon in Ft. Worth after an illness.

She was the daughter-in-law of

Mr. and Mrs. Howard Cormier of Rankin.

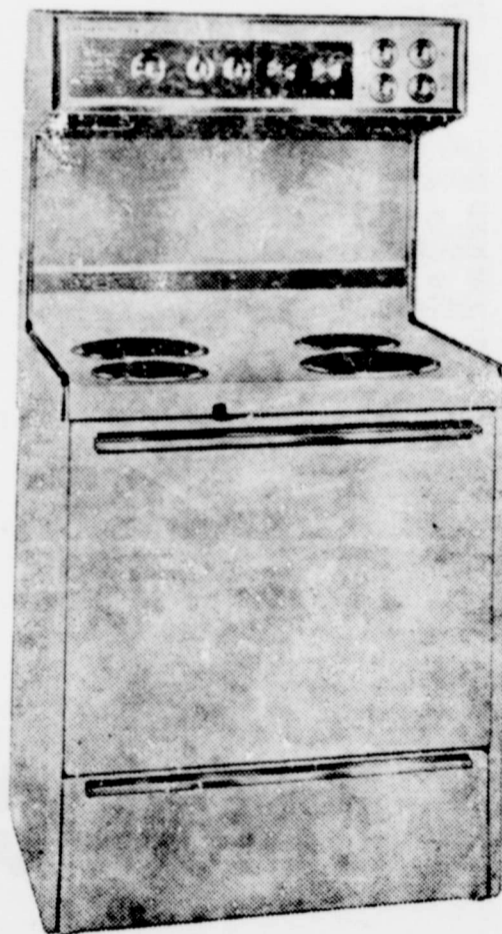

She and Paul Cormier were wed April 6, 1969. She was a 1967 graduate of Angelo State College and was employed by American Air Lines at the time of her death.

Survivors include her husband, her parents, Mr. and Mrs. Bailey Spivey of Ft. Worth, and a sister.

### Public Notice

#### NOTICE OF HEARING ON DESIGNATION BY THE TEXAS WATER RIGHTS COMMISSION OF AN UNDERGROUND WATER RESERVOIR

THE STATE OF TEXAS  
COUNTY OF TRAVIS

TO THE HOLDERS OF TITLE TO LAND IN, and to all persons interested in the proposed designation of an underground water reservoir or subdivision thereof, which underground reservoir may underlie all, portions thereof or segments of the Texas Counties of Glasscock, Reagan, Midland, Upton and Irion.

Notice is hereby given that a hearing will be held at ten o'clock a.m., on the 18th day of September, 1969, in the County Courthouse in the City of Big Lake, Reagan County, Texas, for the purpose of designating any portion or all of the Texas Counties of Glasscock, Reagan, Midland, Upton and Irion as an underground water reservoir or subdivision thereof, in keeping with the following order, duly passed by said Texas Water Rights Commission, to wit:

THE STATE OF TEXAS  
COUNTY OF TRAVIS

#### ORDER OF THE TEXAS WATER RIGHTS COMMISSION SETTING HEARING ON DESIGNATION OF AN UNDERGROUND WATER RESERVOIR OR SUBDIVISION THEREOF.

On this 21st day of July, 1969, the Texas Water Rights Commission met in regular session at its office in Travis County, Texas, with the following members present, to wit:

- Joe D. Carter, Chairman
- O. F. Dent, Member
- Leslie R. Neal, Member

There came on to be considered by the Commission the matter of designating an underground water reservoir or subdivision thereof in that region of Texas wherein are situated the Counties of Glasscock, Reagan, Midland, Upton and Irion.

And it appearing to the Commission that any designation in such region may include all, portion thereof, or segments of said counties;

And it further appearing to the Commission that it has jurisdiction on its own motion, under the provisions of Article 7880-3c, Vernon's Annotated Civil Statutes of Texas, to set a hearing for designation of an underground water reservoir or subdivision thereof; and thereafter as future conditions may require and factual data justify to alter the boundaries thereof.

And it further appearing that due notices, postings and publishings thereof will have to be made in the manner and for the time provided by Article 7880-15 and 7880-21, Vernon's Annotated Civil Statutes.

IT IS, THEREFORE, ORDERED by the Texas Water Right Commission that a hearing will be held at ten o'clock a.m., on the 18th day of September, 1969, in

the County Courthouse in the City of Big Lake, Reagan County, Texas, for the purpose of designating all portions thereof, or segments of the Texas Counties of Glasscock, Reagan, Midland, Upton and Irion.

On the date set for hearing, any person whose land is included, or would be affected by a designation of any or all of said counties as an underground water reservoir, or subdivision thereof, may appear and offer testimony to show that any areas concerned would, or would not, be a part of said underground water reservoir; and evidence may be presented in person, by attorney, or by affidavits; and the designation may thereafter be made pursuant to said hearing based on the records of the Texas Water Rights Commission and all evidence adduced at said hearing.

It is further ORDERED that a proper notice, of such hearing which shall include a copy of this order, shall be prepared, and one copy shall be posted at the courthouse door in each of the following counties, to wit: Glasscock, Reagan, Midland, Upton and Irion; each of said copies to be posted at least fifteen (15) days prior to the date of such hearing; and one copy shall be published in a newspaper or newspapers of general circulation in said area of the proposed designation once a week for two consecutive weeks, the first publication or publications thereof to be made at least twenty (20) days prior to the date of said hearing.

Upon motion made by Mr. Dent, seconded by Mr. Neal, the foregoing order was passed by the unanimous vote of all members, all members voting 'aye' and no one voting 'no.'

EXECUTED AND ENTERED, this the 4th day of August, 1969.

## Kindergarten Sets Registration Dates

Registration for the second annual Rankin Methodist Kindergarten will be held Friday at 10 a. m. at the Church's Fellowship Hall. It is for all pre-school age and almost pre-school age children in Rankin.

School hours will be 8:30 to 11:30 a.m. Monday-Friday. School holidays will coincide with those in the public schools.

Mrs. Eddie Autrey will be the teacher again this year. Activities will include music appreciation, building good habits, sharing experiences, and developing skills which will help the child learn when he or she enters the public schools.

Cost of the school will be \$20 a month. The kindergarten is a mission project of the Rankin Methodist Church, so some assistance can be arranged for those needing financial aid.

Additional information may be obtained from Rev. Gordon Miller, 693-2283 or Mrs. Autrey, 693-2724.

### McMillin is New Teacher

McMillin, a new teacher in the Rankin area, is a native of Oklahoma, having been born in Tulsa. She attended public schools in New Mexico and Texas, and a Bachelor of Science degree from college.

at Odessa and San Angelo. She comes to Rankin from Barnhart where she taught last year.

A member of the Church of

Christ, the family consists of Mr. McMillin and daughter, Cindy, an 8th grader. Mrs. McMillin likes to design and make dresses in her sparetime and is a baseball fan.

"I am happy to be associated with the Rankin Schools and hope that before long I will have come to know many people in Rankin," the new teacher said.

### Meredith-Eckols

#### Vows Read Aug. 22

Miss Dollie Meredith, daughter of Mr. and Mrs. Cecil Meredith of Rankin, became the bride of Mike Eckols in a double ring ceremony read at 7 p. m. last Friday, August 22 at the home of the groom's parents, Mr. and Mrs. H. E. Eck-

### Mrs. McKenzie new on High School Staff

MARILYN J. MCKENZIE  
in high school

Marilyn J. (Mikey) McKenzie is a new high school science and P. E. teacher. A native of Chicago, Ill. where she graduated from public school, she holds a B. S. degree from Sul Ross and comes to Rankin from Fort Stockton where she taught last year.

Mr. and Mrs. McKenzie have two daughters, Linda, 16, and Jody, 15. She is a Presbyterian and a member of Alpha Chi and Kappa Delta Pi sororities.

She favors rodeo, softball and outdoor activities and follows both professional and school sports activities of all kinds.

As a newcomer to Rankin, Mrs. McKenzie said that she was impressed by the friendliness of the people in the area.

The Rev. J. C. Tankersley read the ceremony.

Given in marriage by her father, the bride chose a white lace over pale blue A-line dress in Princess styling. Her corsage was white and blue carnations.

Her maid of honor was Miss Jeanie Wade of Crane. She wore a pale blue frock of crepe. Kenneth Bean of Rankin served as best man.

A reception was held in the home immediately following the wedding. The bride's table was laid with a lace cloth. It was centered with an arrangement of white gladioli and blue carnations. White wedding cake and punch were served from crystal appointments.

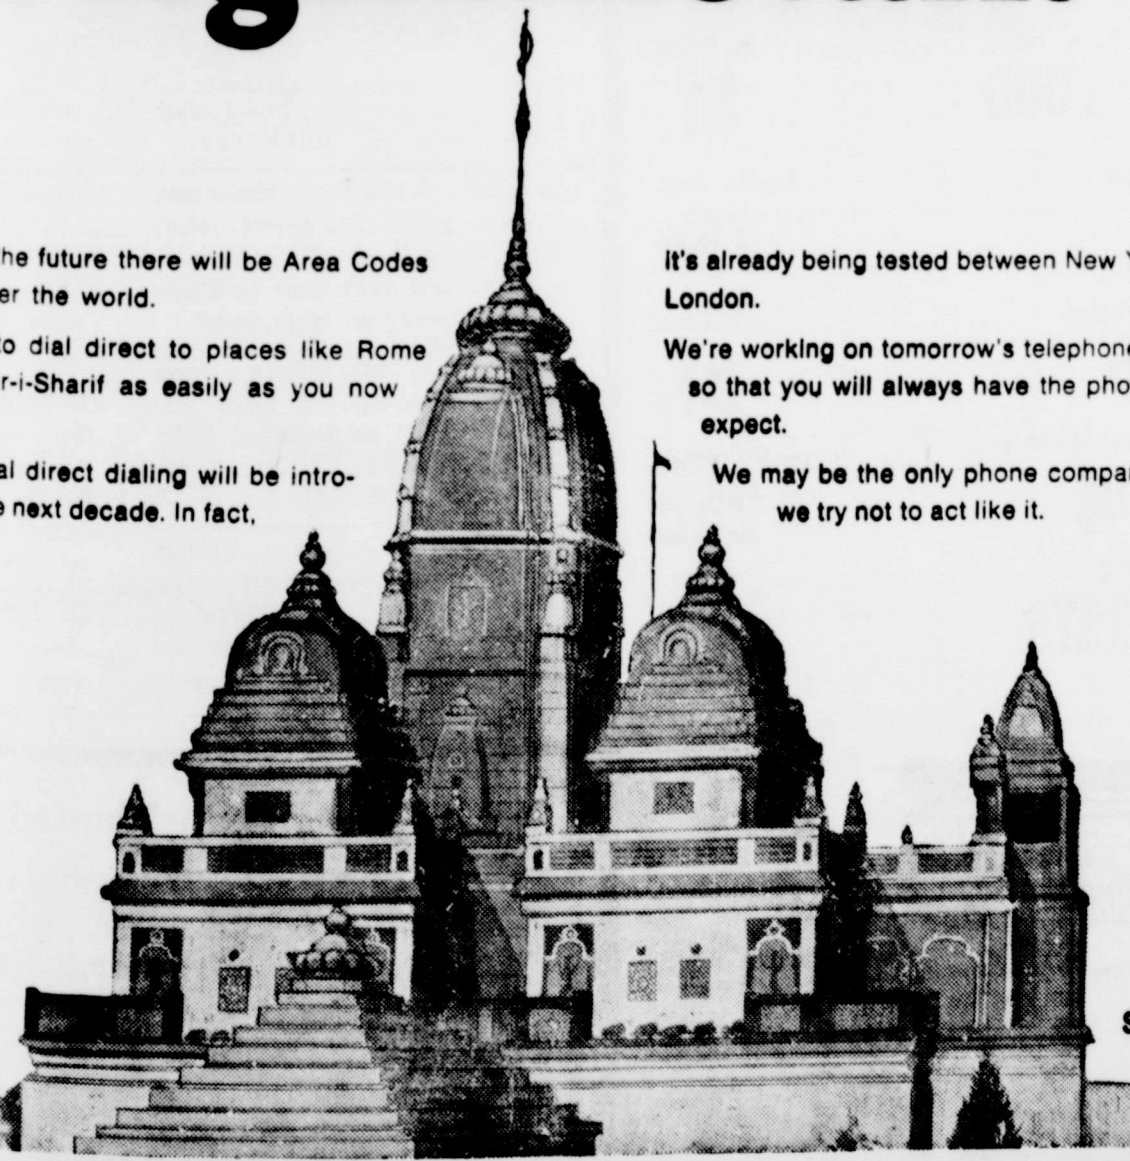

In the house party were Miss Wade, Debbie Henry, Mrs. Allen Moore, Mrs. Claude Sheffield and Mrs. Edith Windham. Miss Debra Houchins of Rankin registered the guests.

Following a wedding trip to Ruidosa, N. M. the couple will be at home in San Angelo.

The bridegroom is the son of Mr. and Mrs. H. E. Eckols, Rankin. He is a life-long resident of Rankin and a 1966 graduate of RHS. He has completed two years of study at ASC and will return there this fall.

Out of town guests included Mr. and Mrs. Ronnie Jones and Cheri of Odessa, Miss Wade, David Dringman, San Angelo, Mr. and Mrs. Tom Hott, Midland, and Mrs. Windham of McCamey.

# Is there an Area Code for Mazar-i-Sharif, Afghanistan?

But in the future there will be Area Codes all over the world.

be able to dial direct to places like Rome even Mazar-i-Sharif as easily as you now dial New York.

International direct dialing will be introduced during the next decade. In fact,

It's already being tested between New York, Paris and London.

We're working on tomorrow's telephone service today so that you will always have the phone service you expect.

We may be the only phone company in town, but we try not to act like it.
