And One More Time on Sept. 18, 1970

Thursday Games Moved Ahead

A one-hour move-up in the starting time for Thursday football action in Rankin was announced this week by Coach Turner. Junior High games with the visiting Wink teams will begin at 3:30 p.m. instead of the previously announced 4:30 time.

Starting with the 7th Grade encounter, there will be three games on tap—the other two being 8th Grade and B Team games.

All games are free to the public. Concession stands will be in operation.

For fans who like their football in big doses, they can open with the Thursday games, go to Wink on Friday, see college ball Saturday, and catch the pros Sunday and Monday. They will then get Tuesday and Wednesday off and it will be possible to start all over again.

Red Devils Seek First Win Over Wildcats--

Undefeated Red Devils to Contest Winless Wink Wildcats on Friday

Rankin's Red Devils, having put the stop on two good teams in a row, travel to Wink Friday to undertake a task that has never been very easy for a Rankin ball team. They will try for the first Red Devil win over a Wildcat eleven in a regulation football encounter.

The current eleven man football series between Wink and Rankin started in 1956 with the Wildcats taking a close 32-31 win. In those days, the two schools were in the same Class B district. Since then they have played a total of six games — all won by Wink and in most cases, substantially. One year, 1957, the score is not even recorded in the back issues of The News.

Now See Here . . .

Father, looking at son's report card: "One thing in your favor—with these grades, you couldn't possibly be cheating."

Results that are listed are as follows:

- 1956—Rankin 31, Wink 32
- 1957— Wink won, score unrecorded
- 1958—Rankin 0, Wink 36
- 1959—Rankin 6, Wink 14
- 1960—Rankin 14, Wink 33
- 1961—Rankin 14, Wink 58.

Of the recorded scores, this gives Wink a total of 173 points to only 65 for Rankin.

In more recent years, however, the Red Devils and the Wildcats have met several times in scrimmages and the Rankin crew has won most of these by a handy margin. Last year, in Wink, Rankin crossed the goal line 10 times to 2 for the Cats.

So far this year, Wink has not won a game, having dropped their opener to Van Horn by a score of 37-0 and lost last Friday 21-6. Without any doubt, they will have their claws out for the Red Devils this week. Big in size, their forward line averages some 198 pounds on defense and about 170 for the entire team, making

them even bigger than the McCamey Badgers.

For the Rankin squad, much improved over their Eldorado performance, it will be an effort to try to overcome the old jinx of having never won over Wink. Sporting a rock-hard defense, the Devil's offensive efforts, although able to move the ball, is still finding it hard to get points on the scoreboards. Considerable attention was given in practice to this portion of their game Monday and Tuesday.

Physically, the Rankin team emerged from the hard-played McCamey game without injury and all squad members will be ready to go against Wink with the exception of Jimmy McBee. McBee, injured in a fall from a horse a couple of weeks ago, began running last Monday and is expected to see action next week.

Coach Turner has said that he will use about the same line-up on offense and defense as he has in the past two games.

(Continued to Back Page)

Junior High 7th Grade Football Team

PLAYING their first game of the season when they host the Wink 7th. Grade at 3:30 Thursday afternoon will be Rankin Junior High 7th Graders: (front row, l-r) Ricky Lee, Daymond Lindsey, Alan Howell and Tony Peters.

(Second Row) Jimmy Martinez, Chris Mauews, Tomy Johnson, Carl Richardson, Hugh Jackson and Gary McSpadden. (Back Row) Coach Bud Poage, Kirby Shipp, Randy Johnson, Don Cole, David Turner, Gherig Feuge and Rick Hurst. Absent on picture day was David Story.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

'ROO! 'ROO!—

"Tie Me Kangaroo Down, Boys;
Tie Me Kangaroo Down . . ."

These are some of the words of a recent popular tune concerning Australia and kangaroos. It may soon become the fight song of the McCamey Badgers.

When I first heard that some of the good folk over in McCamey were considering the raising of kangaroos as a new industry, I thought it was all a joke of the leg-pulling nature about them and their recent "doctor". Then along comes Doc Adams with a newspaper clipping in which one of their more prominent citizens had been interviewed and lo and behold, they are, indeed, serious about importing kangaroos from Australia and trying to get them established in West Texas.

And I think it's a pretty good idea. Some years back, courtesy of our Uncle, I was in Australia on several occasions and have had a limited knowledge of the kan-

The Rankin (Tex.) News—

garoo and its habits. As a whole, I found them to be a very honest animal. I never knew of one that tried to palm himself off as a horse, for example . . . or as a doctor.

And, taken as a whole, the kangaroo is a very truthful animal. If one of them tells you he is sick enough to die and wants to go and see dear ole Mumsey and Dad (Continued to Next Page)

the kangaroo is a

I do feel that the
the idea are missing
bet. According to the
ng, they feel that hav-
grows growing in this
give them a consider-
of notoriety. And so

suggestion is that we
not for just fame here
at the U. S., but world

wide. For instance, since they are
somewhat similar, why not cross
the kangaroo with a West Texas
jackrabbit and produce the world's
first Jackaroo. Then we'd really
have something.

Think about it.

RAIN OR SHINE—

This squib is not so much in
the nature of a complaint as it is
a reminiscence of the good old
days gone by—the days not so
long ago when you could mail a
letter from here to McCamey and
it would get there the same day.

There were, surely, the by-gone
days.

But, as stated, this is not meant
as a complaint for I doubt very
seriously that there's anything
that can be done for the current
mail mess. Certainly I find no
fault with our local people. They
are accommodating and do the
best they can trying to run the
local post office under govern-
ment "guidance" and as we all
know, government guidance is the
next closest thing to complete

mental collapse.

For example, a letter mailed at
8:00 a.m. from Rankin to Mc-
Camey does not go straight
on to McCamey. It goes to Mid-
land—and from there it very well
could go anywhere in the world.
But, as a whole, it will eventually
find its way over that treacherous
seventeen or eighteen miles from
here to McCamey.

True, in some instances only
recently, it has taken a letter as
long as ten days to make that
trip but then if the sender had
wanted speed, I guess they would
have used air mail.

Just about everybody has a tale
about slow mail delivery these
days. One of our subscribers out
at Midkiff called one day in a
half-way state of shock and said
that his paper had taken two
weeks to get out there. Well, for
once the P. O. was not that bad.
I hadn't changed the date line on

the issue from the previous week.
It only takes—on an average—
two to three days for the paper
to reach the folk out at Midkiff.
And, would you believe, about the
same length of time for a sub-
scriber as far away as South Da-
kota?

But perhaps the story of all the
slow-mail stories comes from an

experience of Mrs. L. Z. Tits-
worth. She had written to Rev.
R. L. Shannon in Tonopah, Nev-
ada. When Preacher Shannon re-
plied, he returned her original
envelope with the comment that
he thought she might be interest-
ed in having it back. It bore a
Hawaiian post mark.

Top that one.

Services Held for Henry Ford Neal

Rankin and Upton County lost their third long-time resident in a row last week.

Henry Neal, West Texas landowner, rancher and oil man, died suddenly at his home last Thursday morning.

Henry Ford Neal was born on April 27, 1900 at Tuxedo, Texas, in Jones County. He married Clara Holt May 27, 1917 in Whitney, Texas and moved to Rankin in August, 1937.

Services were held at 3:00 p.m., Friday, September 18 in the United Methodist Church in Rankin with his pastor, Rev. Gordon Miller, officiating. Burial was in Rankin Cemetery.

Neal, with much of the pioneer spirit that believed in long hours and hard work, owned two ranches in Upton County, one in Culbertson County, one in Coleman County and leased still another in Upton County from the University of Texas holdings. Much of his property contained oil production.

A member of the Masonic Lodge, he also belonged to the Methodist Church and had served as

a member of the Rankin School Board. In other positions, he had been a director of the First State Bank and a director of Ranchers' Wool & Mohair Association of Rankin and Fort Stockton. In his ranching practices, he used many of the programs of soil conservation and land rotation as developed by the State Soil Conservation Service.

In addition, he was a member of the Scottish Rite, El Paso, and the Suez Temple, San Angelo; had served on the Animal Health Committee of Upton, Glasscock, Reagan, and Midland Counties; also, was a past member of the A.S.C.S. Committee and a past member of the Upton County Screwworm Eradication Committee.

Neal's poor health developed in 1957 with a heart attack. However, he regained much of his former stamina and continued to actively participate in ranching activities—with time out for several more bouts of heart trouble—until his death. He was 70 years old.

Survivors include his wife of the home; one daughter, Mrs. Mary Katherine Ratliff of Fort Stockton; one son, James A Neal of San Angelo; one sister, Mrs. Ollie Lethco of Killeen; one brother, Bill Neal of San Angelo,

Thursday, Sept. 24, 1970

four grandchildren and nine great grandchildren.

Open House Honors Mr. and Mrs. Buford

Mr. and Mrs. E. K. Bufford, of McCamey, were honored with an open house Saturday, Sept. 19, 2 to 5 p.m. at the Park Building in honor of the 50th wedding anniversary.

Hosts for the occasion were their three children and families: Mr. and Mrs. Jake VanZandt of Rankin, Mr. and Mrs. Bob Buford of Monahans and Mr. and Mrs. Doug Buford of San Angelo.

Mr. and Mrs. Buford were wed Sept. 7, 1920 in Ballinger. He is the son of the late Mr. and Mrs. J. E. Buford and she is the daughter of the late Mr. and Mrs. Robert Harwell, of Coke County. Mr. and Mrs. Buford lived in Coke County until moving to McCamey in 1947. He worked for Upton County and served as Commissioner from 1955 to 1968. Now retired, he and Mrs. Buford are member of the McCamey Baptist Church.

In addition to their children, they have eight grandchildren and four great-grandchildren.

The challenge of being the only.

As any wise husband knows, no woman likes to be taken for granted. It's the little things that count, like remembering anniversaries, or bringing home flowers for no particular reason.

Like the wise husband we try not to take you, our customer, for granted. Being

the only phone company in town, we make a special effort to be courteous, kind, considerate, and understanding.

The fact that we are the only phone company in town is a challenge. The challenge is "not to act like it."

ON YOUR OWN TWO

* Every man over 35 has a trick football knee—whether he played or not.

TEAMWORK—

Well, if you were there, you saw what happened. The Red Devils took the field, and in a closely contested game, beat the McCamey Badgers with teamwork. You know, I have yet to hear anyone say that it was luck—or that we got all the breaks.

It's an odd thing about a team that goes out and performs as a team. They look great and they can just about lick anybody. The Red Devils have about a half dozen boys who have considerable talent for football. Then they have a pretty fair number who are no more than average footballers.

Of the "stars", you expect the big play, the outstanding performance. And you usually get it. But when those of lesser ability give their best and make the big play—even once or twice in the game—that's when you go out and beat a good ball club.

And that may well be the rea-

son the Red Devils have now put the damper on two good teams in a row. Our talented boys are giving their usual good performances while boys who were not supposed to make much of a mark are turning in efforts that are—perhaps—even surprising to themselves.

That good effort, coupled with pride, is a tough combination for anyone to beat as we shall see in the weeks ahead.

THIS WEEK—

Comes now the Wink Wildcats. And there was a time that you mentioned the world, "Wildcat" to a Red Devil and he sorta fell out of his tree. We have journeyed to the Wink game on more than one occasion with high hopes and a good ball team only to come away with our pitchfork all bent out of shape.

In a regulation game, I find no record of a Rankin team ever having defeated a Wink team in the current eleven-man series.

Oh, sure, we've been shelling them pretty good in scrimmages for the past several years but scrimmages don't go into record books nor do they count in the won-lost column. Unless we can change something that has been going on since the 1950's, it will be a long trip home Friday night.

But perhaps this is the time. Most of the boys on the current Red Devil team were not even in Junior High the last time Rankin

and Wink met on the football field in official battle. And they have already indicated that they are a team that pays no attention whatsoever to statistics, press clippings or past records of their opponents. All they apparently ask if for the opportunity to do their own thing.

An in only two games, that's been pretty impressive. Our offense has yet to jell although it is improving fast. As of now, it is the defense that has been outstanding, and it, too, is apparently still getting the fell of itself.

Unless we go into shock over playing the once mighty Wink Wildcats, I see no way we can lose the game—a 0-0 tie maybe, but I can't believe Wink can put any points on the boards against a defense such as we had last Friday night against McCamey.

If the offense gets to hitting on all cylinders, well, name your own score—it could be a big one.

PICKING—

RANKIN 14, Wink 0. The offense appears to still be a few games away from its peak.

RANKIN B TEAM 30, Wink B 8. If you think Rankin doesn't have some fine ball players on the way up, see a B game. They are just plain good.

RANKIN 8TH GRADE 20, Wink 8th Grade, 12. The Red Devil 8th Graders are another real fine ball club and are exciting to watch.

Fabens 18, Clint 6. This is one that, should Clint upset Fabens, could be very important to Clint's Lions.

SOCORRO 20, Del City, 6. An easy mark for Socorro's Bulldogs, or should be.

MCCAMEY 14, Iraan 8. The Badgers have a good team—and so does Iraan. Another possible upset game.

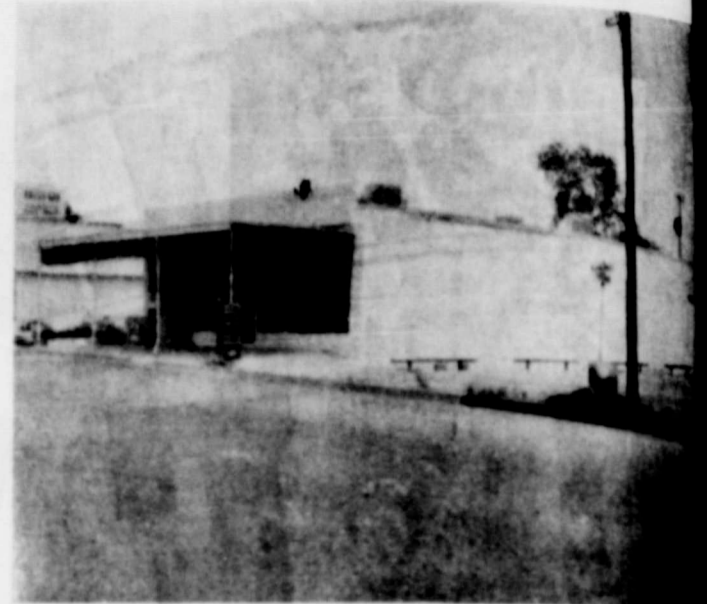

SANDERSON 30, Grandfalls 7. Look out for Sanderson, they are, indeed, contenders this year.

EUNICE 18, Van Horn 12. Van gets another toughie on their schedule.

SONORA 28, Big Lake 10. The Big Lakers are apparently without much offense at this point.

MONAHANS 24, Crane 7. The Cranes appear to be having their

Job is Finished

WITH the addition of a coat of paint, Boggs Grocery, on corner of Main & 8th Streets in Rankin, completed work several months ago which included the removal of the old Cafe and conversion of the site into a parking lot.

trouble putting it all together.

FRIENDSHIP 20, Stanton 12. Stanton plays teams from way out in the Panhandle and it's hard to rate them.

SHORT SHOTS—

7th Grade games will not be rated. This is no slur on the boys nor their team, Rankin has some good prospects on this year's 7th Grade team but being first-year ball players, there's no way of truthfully determining what they will be able to do at any one given time. But they can rest assured that they have the full support of the fans and that many good days are ahead as they move up from grade to grade.

How'd you like that turn-out at Friday's game? I think every seat was taken—plus the fence riders. And they certainly saw a thriller. It would suit me just as well if the Devils would put a few more

A LOOK AT CAPITOL HILL WITH Dick Gill

YOUR CONGRESSMAN

FOR THE '70s
AND BEYOND

★ ★ ★ ★

Last February President Nixon sent to Congress his Federal Economy Act of 1970 which was aimed at the reduction, termination, or restructuring of 57 programs labeled by the President as "obsolete, low priority or in need of basic reform". Fourteen of these programs required Congressional action to change.

The Democratic - controlled House has blocked, procrastinated on, and outright ignored President Nixon's request in every instance. In fact, as Presidential Counselor John Ehrlichman noted "Congress . . . has perpetuated all 14 and in some cases has increased either the authorization or the appropriation associated with some of them."

Faced with the continuing threat of inflation, this is inexcusable, and no matter how hard O. C. Fisher tries he cannot dissociate himself from the policies of the Democratic House leadership to whom he is completely subservient and whom he votes to keep in power year after year after year. The solution is clear: President Nixon must have the strength of a Republican-controlled House.
