

# Chamber Lays Plans For Year

An industrial fund, the printing of a brochure, and Maize Days were the main topics of discussion Tuesday night at a meeting of the Friona Chamber of Commerce board of directors.

The directors set aside \$1,000 of the year's budget for the industrial fund, which will be earmarked for the purchase of property to entice possible new industry to Friona.

Present plans call for adding money to the fund each year. The money will be invested in a savings account and at which time it is large enough the Chamber will purchase property with plans to

brochure of this type.

Pictures and copy for the brochure will be prepared in the near future. Cost of printing will be financed by selling the brochures to businessmen at 10 cents per copy.

The Chamber directors also made initial plans for the annual Maize Days celebration, and tentatively planned the event for one of the first two week ends in September.

Co-chairmen for the celebration were named. Le Veque says that a general meeting of the Chamber will be called in the not too distant future.

either sell or lease it to new industry.

"We had hoped to put \$2,000 in the fund this year, but were unable to," says Martell Le Veque, Chamber president. He says that cash on hand at the present time totals \$3,000, and \$1,500 was already earmarked for rent, salary for baseball supervisor, and other expenses.

The directors made plans for the printing of a Chamber of Commerce brochure, which will depict the progress of Friona and the advantages the city has to offer new residents and industry. Not since 1952 has the Chamber prepared a

A GOOD FISHING' HOLE is what some of the area lakes make following last week's three inch rain. Ronnie and Harold, Reed, sons of Mr. and Mrs. Leo Reed, are a couple of fellows who like to try their luck from time to time. Here they are shown fishing at the Twin Lakes west of Friona.

## Drouth-Breaking Rain Measures 3.15 Inches

"It was just what we had ordered," was the way one farmer described last week's rain, which was the first general moisture the area had received in about three months.

Coming on the eve of what is expected to be one of the best wheat harvests ever, the slow, steady rain, which lasted throughout the night last Wednesday, couldn't have been better.

It didn't hurt the wheat any, and the moisture was badly-needed on most of the cotton, grain sorghum and other crops which had been planted for fall harvest.

While the High Plains area had been receiving spotted showers and a little hail during the past month, last week's rain was a drouth-breaker for some parts of the county which had been missed by the

previous showers.

Not since the last snow, which came in March, had the area received any widespread moisture. Throughout Parmer County, the reports ranged from a little over one inch of moisture to better than three inches.

According to the rain gauge at Friona Consumers, moisture received in town measured 3.15 inches, the highest recorded in the area. Many other parts of the county reported two inches and above.

(For rain reports throughout the county, check the special moisture map in the High Plains Farm and Home section.)

The rain boosted considerably crop prospects for the year and, generally, crop conditions for this time of year are the best they've been in several years.

## Baseball Schedule At Halfway Mark

A couple of makeup games, scheduled for tonight (Thursday), will complete the first half of the schedule for Friona's Little Leaguers.

As the halfway mark nears, Brookfield Drilling and Friona State Bank are still tied for the league lead in the Intermediate Division with 4-1 records, and

Friona Motors leads the Pee Wees with a 3-0 mark. In the Babe Ruth League, Hub Grain is outfront with a 2-0 won-lost record.

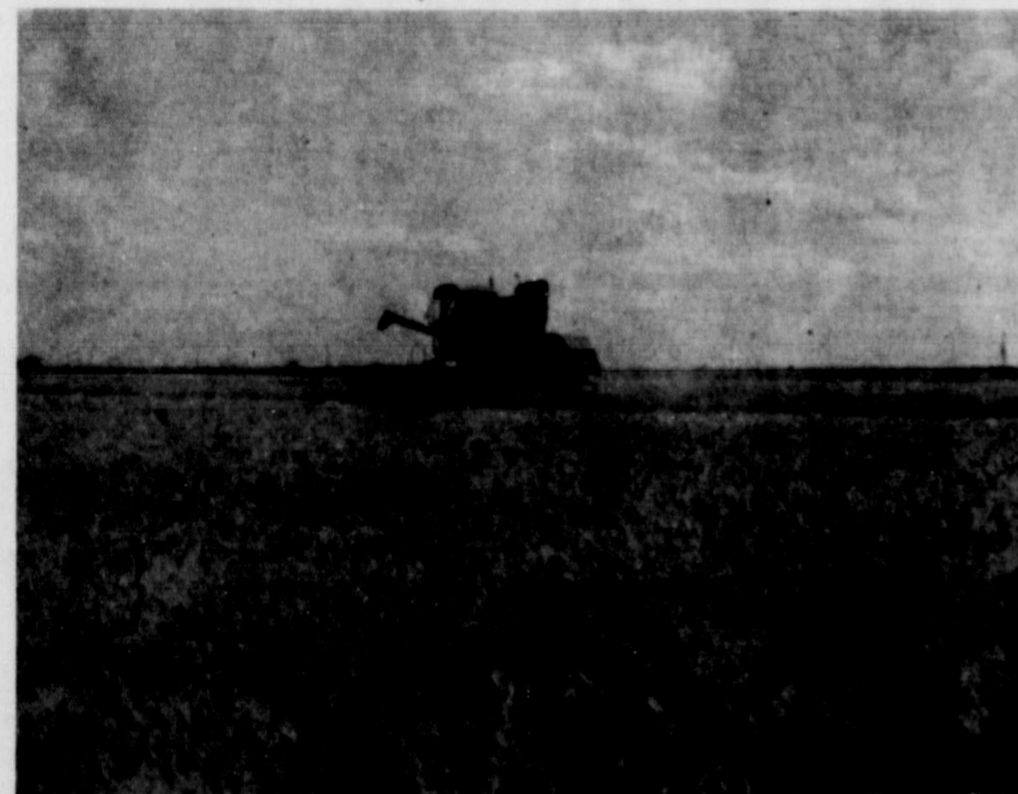

The second half of the Little League season will get underway Monday night with Star-Hurst meeting Associated Growers and Reeve Chevrolet

taking on McCaslin Lumber.

Tuesday night games will pit Ethridge-Spring against Parmer Co. Pump and the Friona State Bank against Brookfield Drilling.

Games played during the past week were as follows:

(Continued on Page 8)

WELL UNDERWAY in the Friona area this week is the 1961 wheat harvest. Here, a combine is shown making a swath through one of the golden ripe fields west of Friona. Most farmers are hopeful that the small white clouds, as shown in the background, won't come together and bring moisture until after the grain is harvested.

## A Sneaky Way, But Successful —Or Was It?

Martell Le Veque and Bill Nichols, of the Friona Chamber of Commerce, went to the south-central Texas community of Rosebud last week end for several reasons, but for one reason in particular.

They wanted to ask the new U. S. Secretary of Agriculture, Orville Freeman, about the possibility of acquiring sugar beet acreage for the High Plains area.

The two Friona men had hoped for a chance to talk personally to the secretary, but found that this was not possible, since Mr. Freeman wasn't due in Rosebud until shortly before he was to make an address at the football stadium Saturday afternoon and he was to leave shortly after.

This didn't bother the fellows too much, because they wanted to hear him talk, and thought that maybe he would mention something about sugar beets in his address.

Le Veque and Nichols listened attentively with about 1,000 other persons who braved a rain storm to hear the secretary. The speaker touched on quite a few subjects, including the administration's proposed farm program, but at no time did he mention sugar beets.

All wasn't lost, however, because the two men knew that Secretary Freeman was going to hold a press conference right after his stadium address. The only thing to do was to attend the conference, even if they were only for the press.

Le Veque marched up to the entrance of the room where the press conference was being conducted and said he was from the Friona Star. Nichols was right behind, saying he was from High Plains Farm and Home.

This got the two fellows inside and they sat by while representatives of the big city press and radio and television men asked the first questions. Finally, Nichols got his chance. His question went something like this:

"There are a lot of farmers in our area (West Texas) who would like to divert grain sorghum acreage, which there is a surplus of, and plant it to something there is a deficiency of, like sugar beets. What are the chances of

(Continued on Page 8)

## Go After Skeeters

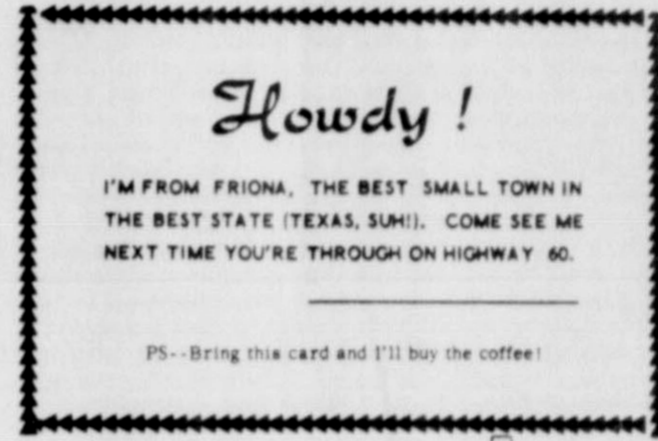

The City of Friona has declared war on the mosquito population, in an effort to rid the area of as many of the unwanted pests as possible.

Periodic dustings with a mixture of Malthon and DDT are being carried on, and the city commission has authorized Benger Air Park to dust the lakes in the area around Friona.

The lake dusting will be done pending the go-ahead from Farwell and possibly Bovina. If the other two towns decide to go along with the program, all of the lakes around the three towns will be dusted in the same operation.

Besides the above-mentioned mosquito-control measure, Albert Field, city manager, reports that the city is also spraying trash cans. An attachment has been added to the city garbage truck, which can be used to spray the trash cans after they are emptied.

Field also asks individual residents to take control-measures of their own by treating weed areas and any other damp places which serve as breeding spots for the mosquitoes.

TEXAS-SIZE BUSINESS CARD which will be distributed out-of-town by members of the Friona Chamber of Commerce is shown above. The card as shown here is about half the actual size.

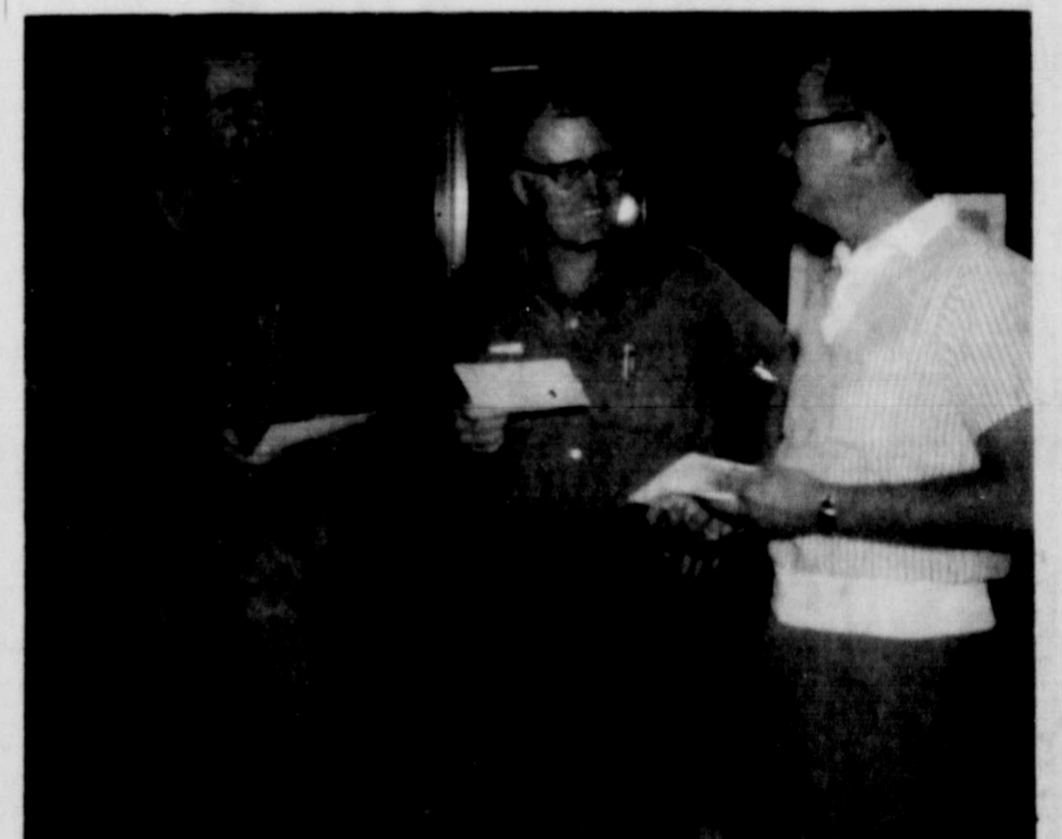

## Texas-Size Card To Plug Friona

When members of the Friona Chamber of Commerce go off on summer vacations, they will be carrying with them some Texas-size calling cards.

The cards, which were designed to help advertise Friona, will be distributed at service stations, motels, cafes and other places that local businessmen might happen to stop when they go somewhere out of town.

Carrying a friendly, informal message, several hundred of the cards were printed by the Friona Star and presented to the Chamber.

Persons who would like to pick up some of the cards and carry them along on trips out of town may do so by contacting Martell Le Veque, president of the Friona Chamber of Commerce.

HANDING OUT THE BIG CALLING CARDS to fellow Chamber members is Martell Le Veque (right), president of the Friona Chamber of Commerce. On the receiving end are Newman Jarrell and Andy Hurst. The Chamber members will distribute the cards when on out-of-town trips.

## Building Permits Drop During First Half Of Year

Building permits issued in Friona since January 1 show a decline in construction during the first six months of 1961 compared to the same period a year ago.

Through June 20, 31 permits had been issued for construction valued at \$223,450, compared with 36 permits and \$340,785 worth of construction during the first six months last year.

Both residential building and construction of commercial buildings are down, according to figures released by Albert Field, Friona city manager.

Thirteen permits have been issued since January 1 this year for new homes valued at \$179,000, as compared to 20 permits for homes valued at \$210,000 for the same period last year.

Only two permits have been issued for new commercial

buildings this year, and their estimated value was \$13,500. A year ago at this time, six permits had been issued for \$102,000 worth of construction.

Permits for additions to commercial buildings were down from \$16,500 during the first six months of 1960, to \$5,850 this year.

Additions to residential buildings, however, were up from \$10,900 last year to \$19,200 this year, as were permits for other type buildings, up from \$1,385 in 1960 to \$5,900 this year.

Despite the decline in permits for the first half of this year however, the city manager doubts whether they were a true reflection of economic conditions in Friona.

He points out that Friona had one of its biggest years on

record in 1960, when new construction was valued at \$630,365, compared with \$554,190 in 1959, and \$465,565 in 1958.

New construction was down considerably, not only locally but throughout the state and nation, during January, February and March of this year.

Construction started picking up in April and if it continues, 1961 could still be a good year, Field says.

Just what all the reasons were for a decline in construction during the winter months, Field doesn't have any explanation, but he says that it was something being experienced all over.

One of the reasons may have been of the change in national administrations which was taking place about that time, Field says. It may have been that many people were adopting a

wait-and-see attitude.

Anyway, construction has been picking up, and if a good wheat crop is harvested, Field says that there could be a jump in construction during the next several months.

A factor which makes the building permits look a little lower this year than a year ago was the construction of a bowling alley in the city limits early last year.

This new bowling alley was included in the building permits issued last year, while the construction of a new indoor swimming pool just outside of the city limits this year, was not included in the permits.

Also there were a couple of new homes built just outside of the city limits, which had been inside the city limits, would have altered the picture a little, Field says.

**Black News**

By MRS. BURL FISH  
Mrs. Bob Coker's sister and family, Mr. and Mrs. L. C. Campbell and Gall, spent the weekend with the Cokers and with relatives in Friona, the C. A. Turners and the B. W. Turners. Nancy Lock, a friend, visited also.

Miss Iva Ben Parr has returned from Austin, where she was accompanist for the voice and flute solos in the State Intercollegiate League Meet. The Lloyd Prewett family enjoyed a trip to Alamogordo Lake last Saturday.

Visiting in the Ralph Price home is Ralph's mother, Mrs. W. H. Price of Ector.

R. E. Barnett returned home from the hospital Saturday and is doing very well. Weekend guests in the Barnett home were Mrs. Barnett's sister and her husband, Mr. and Mrs. O. W. Frost of Vernon.

Viveca and Kevin Welch attended Vacation Bible School

In Summerfield last week. Mr. and Mrs. Clyde Hays visited in Amarillo Friday night with Mrs. Hays' brother, Mr. and Mrs. H.A. Burnett.

Sunday dinner guests in the H. H. Elmore home were Mr. and Mrs. Jim Black of Houston, Mr. and Mrs. Dale Spivey and daughter of Carlsbad, Mrs. Bud Elmore and Tim of Friona, Mr. and Mrs. Dick Rockey, and H. V. Rockey of Albuquerque.

Mike Hall of Odessa has been visiting his cousins, Steve and Gary Stone, and attending Bible School at Summerfield with them.

The Pete Braxtons visited their son, Ray, over the weekend at Branson, Missouri, where he is attending baseball camp.

Mr. Bill Crow, Glenna and Beatrice Crow, and Mary Williams visited during the weekend with the Les Deaton family.

Mrs. Lester Dean's mother, Mrs. Merler Shirley of Friona, who has been ill in the Dean home recently, has returned to her home. Visitors in the Dean home recently have been Mr. and Mrs. Carl Shirley of Ocean Park, Calif., Jake Lindsey, Donald Lindsay, and Mrs. Cleo Kidwell, all of Granite, Okla.

The Bill Carthel family spent several days last week in Branson, Mo. This week Bill's sister and her family, Mrs. Dee Chappell, Clint, Sherry, and Sondra of Alamosa, Colo. have been visiting in the Carthel home.

The Black Community Meeting was held Thursday night in the Community house, with an ice cream supper. Miss Brenda Deaton and Burl Fish were hosts for the meeting.

**4 out of 10 jobs in private employment are related to agriculture.**

FIRST IN INCENTIVES FOR NOT WORKING

In a previous column we pointed out that the U.S.A. is first among nations of the world in giving money away.

In this short article we would like to draw attention to another nifty first of Uncle Sam's achievements (?): He is first in giving incentives for not working. Nikita Khrushchev proudly boasts that because of the communist dictatorial system, Russia is first in putting people to work. The Russian people have no choice—they work at what and when they are told—or else.

But here in "free" America workers are free to work at whatever they please. No penalties are meted out for not working. In the contrary, our architects of the welfare state bend every energy to create incentives for either not working at all, or for shirking on the job.

The outstanding of these incentives is, of course, unemployment benefits. No one quarrels with the basic idea of paying wages for a limited period to workers who just can't find employment. The trouble is in the abuse of unemployment benefits. We have carried them almost to the point where it pays a worker to be permanently unemployed.

So chalk up another first for the U.S.A. Let Russia hold to her claim to be the first nation to send a man into space—the U.S.A. is the first in rewarding workers for not working.

**Shower Courtesy To Mrs. Boyd Jones**

A bridal shower given Friday, June 16, in the Friona Club house was a courtesy to Mrs. Boyd Jones, the former Linda Crow.

Hostesses were Andrea Milligan, Iva Ben Parr, Sharon Reeve, Carol Ray and Cynthia Guinn.

The serving table was laid with a white linen cloth and centered with an arrangement of roses. Other floral decorations used in the entertaining room were white mums.

Attending and sending gifts

were LaVoyce Burrow, Janet Buckley, Pat Barker, Wanda Ready, Betsy Frye, Willene Baxter, Joy Ingram, Kay Johnson, Mary and Martha Knight and Mrs. George A. Jones.

**Fidelis Class Met Thursday**

The home of Mrs. Dale Williams was the scene of a meeting of the Fidelis Class of the First Baptist Church Thursday evening, June 15. Mrs. Leon Massey was co-hostess.

A social hour followed the business meeting. Brownies, ice cream and cold drinks were served.

**Mrs. Gary Goetz Is Honored With Shower**

Mrs. Gary Goetz, nee Tommy Lewellen, was honor guest at a miscellaneous shower in the Fellowship Hall of the First Baptist Church Friday, June 16, from three to five p. m.

Hostesses were Mesdames W. E. Smith, Fred Dennis, Leroy Collier, E. R. Day, Beatrice Stevick, Viola Warren, T. A. Sherley, Bee Westbrook, Cayse Dunn and Roscoe Parr. The refreshment table was covered with a lace cloth and decorated with a floral arrangement using the bride's chosen colors of lilac and white.

Crystal and silver appointments completed the setting.

Attending and sending gifts were Mesdames Joe Lewellen, Delton Lewellen, Forrest Osborn, Walter Cunningham, Ronny Ferguson, Alma Goetz, Claude Osborn, George Taylor, Dean Bingham, Ella Faye Holcomb, Bud Reed, Du'e Williams, Kenyth Cass, Ralph Shelton, W. H. Graham Jr., Glenn Floyd and Claude Potter.

Also Mesdames Henry White, Charles Allen, Dai Ethridge, Walden, Eldon Jones, Loyd Messenger, Gerald Wright, Lillian Jones, Bud Elmore, John Wright, Johnny Mars, Herbert Walker, Tommy Witten, Dalton Caffey, Eric Rushing, J. **Lullaby Shower For Mrs. Woodruff**

Members of the WMC of the Assembly of God Church were hostesses to a lullaby shower honoring Mrs. E.P. Woodruff, June 16, in the church parsonage.

The honoree was presented with a corsage of pink and blue baby socks which were folded to look like tiny roses.

Gifts were placed on a table laid with a white lace cloth over blue and centered with an arrangement of sweet peas.

Crystal serving plates featured pink and blue napkins fashioned into tiny baby apparel. Cookies, frosted punch, and mints were served to the guests.

Attending and sending gifts were Mesdames C.H. Veazey, J. T. Wilson, Noah Young.

Bessie Watson, J. A. Loflin, Jim Baxter, Roy Young, L. A. Judkins, Irvin West, W. P. Woodruff, Alvin Askins, Horace Edwards, and Kenneth Williams.

Also Mrs. Malinda Schlenker, Brenda Woodruff, and Mrs. L. R. Capps.

**Robert Dickeys Have Baby Boy**

Robert Paul is the name of the first son born to Mr. and Mrs. Robert Dickey Friday, June 9, at 10:40 p.m. in the Parmer County Community Hospital.

He weighed seven pounds and seven and one-half ounces.

The baby has two older sisters, Dianna and Caroline.

Mr. and Mrs. J. L. Stowers, Friona and Mr. and Mrs. J. E. Dickey of O'Donnell are the proud grandparents.

**Mrs. Cogdill Hosts Rebekah S.S. Class**

Thursday, June 15, the Rebekah Sunday School Class of the First Baptist Church met in the home of Mrs. W. F. Cogdill for the regular monthly Bible Study.

Refreshments were served by the hostess to Mesdames E. E. Taylor, M. A. Black, L. R. Dilger, C. W. Dixon, Charles Rauh, Eva Roberson, Bert Chitwood and two visitors, Mrs. J. F. McCutchan of Bovina and Mrs. C. J. Hughes.

**Salad Making Demonstrated**

Mrs. J. B. Williams gave demonstrations for salad recipes at a recent meeting of the Friona Home Demonstration Club.

Mrs. Williams and Mrs. J. R. Varner served refreshments to Mesdames Kenneth McLellan, Earl Drake, Walter Cunningham, L. D. Taylor, Glenn Reeve Jr., Lee Campbell, Paul Williams and one visitor, Mrs. Ronny Ferguson.

## To Pass Hat At Ball Parks

In order to raise money for the upkeep of Friona's two ball parks, the hat will be passed at future Little League and Babe Ruth League games, according to sponsors of the summer baseball program.

Reeve Field, just recently completed, will be available for use by any group, the sponsors says. Persons wanting to use the field should contact either Wes Long or Vernon Scott.

## in and around FRIONA

WITH JUNE

Perhaps the most watched television program in Friona this week was Play That Hunch. The featured attraction was two Frionans, Hollis and Lunell Horton. The Hortons, who were on their way to Lions Club Convention at Atlantic City, stopped off in New York City for a few days of visiting friends and vacationing.

They appeared on the program Monday, Tuesday and Wednesday. Mixed emotions were displayed by the three children of the couple who are staying with their grandparents, Mr. and Mrs. J. G. McFarland. Kathy felt lonesome for her parents while watching them. Trip was overjoyed and thought his mother was "the prettiest woman on T-V."

Tracy, who is only eight months was completely disinterested. Even though the program was in color, Tracy, who usually gets excited over pictures of people she knows, showed no sign of recognition of her mother or daddy.

Other Frionans who are attending the convention in Atlantic City are Mr. and Mrs. Steve Messenger.

Although riding a bicycle fifty miles isn't any kind of record, it was a new experience for David Coldron of Amarillo last

week. In order to receive a Boy Scout merit badge David wanted it was necessary for him to make a 50 mile trip on a bike.

During the past weekend, he decided to visit his Friona relatives while earning this badge, so came to Friona to spend the night with his aunt, Mrs. W. S. Crow. David is the grandson of Mrs. J. M. Bradley, also of Friona.

It would be most interesting to know how many of our readers listen to the daily newscast presented through facilities of Friona Clearview. Those of you who aren't familiar with it, may be interested in knowing that it is presented daily at 12:25.

Friona merchants sponsor the program as a public service and are most anxious for everyone to make use of it. Any item of interest will be reported if it is called to me before noon each day. You may dial 2291 or 4811.

News tips that are called in are appreciated by Friona Clearview, Farmer County Implement Company, Bi-Wize Drug, Hurst's, Piggly-Wiggly and the Friona Star.

Since long before Solomon said "If one wants a friend, he must first show himself

to be friendly," friends have been a very important part of the lives of most people.

Ralph Waldo Emerson and some person who has been forgotten were responsible for two of my favorite discourses on this subject.

Emerson wrote, "It makes no difference, in looking back five years, how you have dieted or dressed; whether you have been lodged in the first floor or attic; whether you have had gardens and baths, good cattle and horses, have been carried in a neat equipage or in a ridiculous truck; these things are forgotten so quickly, and leave no effect. But it counts much whether you have had good companions in that time."

Then someone else described friendship as a sacred trust. He wrote, "We should never let a friend go out of our lives if we can possibly help it. If misunderstandings arise, let them quickly be set aright. Friendship is too rare and sacred a treasure to be thrown away lightly. . . . And yet, many people are not careful to retain friends. Some lose them through inattention, failing to maintain those little amenities, courtesies, and kindnesses which cost so little

--hooks of steel to grapple and hold our friends. . . . Some drop old friends for new ones. Some take offense easily at imagined slights, and ruthlessly cut the most sacred ties. Some become impatient of little faults, and discard even true friendships. Some are incapable of deep and permanent affection, and fly

## IT PAYS TO BE HEALTHY

Follow These Tips

from friendship to friendship, like birds fly from bough to bough.

When we have once taken friends into our lives, we should cherish them as rarest of jewels."

### News From RHEA

MRS. FRANKLIN BAUER

Congaled and fruit salads were demonstrated at the Rhea H.D. meeting held June 14, at the home of Mrs. Herbert Schueler. Mrs. Ray Martensen and Mrs. Leland Gustin demonstrated the salads to the group. The hostess later served an assortment of crackers, coffee and punch with the salads that were made.

Mrs. Cordie Potts, president, presided at the business session. It was decided to postpone making plans for July 4th until the next meeting.

Members present were Mesdames; Herbert Schueler, Cordie Potts, Walter Schueler, Franklin Bauer, Norman Taylor, Roy Huddelston, Herman Schueler, Malinda Schlenker, Ray Martensen, Leland Gustin, Elmo Dean and Carl Schlenker.

The next meeting will be held Tuesday, June 27th, 8:30 p.m. at the home of Mrs. Norman Taylor. The program "Fire Prevention and Fire Fighting," will be given by Mrs. Franklin Bauer and Mrs. Roy Huddelston.

Rhea Ladies Aid will meet Thursday night, June 22nd, at 8:30 p.m. in the Parish Hall. Each member is asked to bring summer pajamas for the children's home to this meeting.

Visiting in the Melvin Sachs and Chris Goetz home the past week were: Mr. and Mrs. Paul Krueger and Rolfe of Austin, Texas, Mr. and Mrs. Oscar Mertz and Mr. and Mrs. Alex Leschber and Joan of Taylor, Texas, also Mr. and Mrs. August Tatchke and children of Slaton, Texas.

Visitors in the Herman Schueler and Raymond Schueler home Tuesday were Mr. and Mrs. Bob Zwick of Decatur, Ind.

Visiting in the Herman Schueler home for a short time Wednesday morning were Rev.

and Mrs. Herbert Ries and children from Kansas. David, their son, remained here to work for Walter Schueler.

Arvin Martensen of Colorado is driving a truck for Ray Martensen during wheat harvest. Arvin is Ray's brother and has just received his discharge from the service.

Mr. and Mrs. Ray Martensen and children went to Nebraska Friday. Mr. and Mrs. Martensen returned Saturday. The children will remain in Nebraska with Mrs. Martensen's parents, Mr. and Mrs. Alfred Loseke, during harvest.

Jack Patterson and Florian Jarecki returned from Nebraska the past week. They had gone to get a wheat truck for Jack.

Mrs. Shirley Smith and Shirley Lynn have been attending Girl Scout camp.

Melvin Sachs, Franklin Bauer, Paul Krueger, and Gilbert Schueler attended a meeting to organize a L.L.L. Club at Lariat Tuesday.

Attending the Water Conservation supper held Thursday night at the Bovina Cafe was Carl Schlenker and Franklin Bauer. Carl is county water board member.

About eighteen men met Friday to poison bindweed in the community ditches and roadsides. About 1700 lb. of sodium chloride was used. Also present were Joe Jones, county agent, Judge Loyde Brewer, J. T. Jones of Bovina and Mr. and Mrs. Jesko of Lazbuddie, both on the county Farm Bureau weed committee, C. H. Jefferson, county commissioner, and Mr. Kellogg of the Highway Department and also Richard Hapke, editor of the Friona Star.

Mr. and Mrs. Walter Schueler and children visited in Sudan Sunday with Mrs. Schueler's parents.

Mr. and Mrs. George Collier, Archie and Gaylene of Denver have been visiting with Mr. and Mrs. Preach Collier and family and other relatives in Friona this week.

### Judy Smith Is On Honor Roll

Judy Faye Smith of Friona was one of 178 students named to the spring semester honor roll at West Texas State College.

The dean's honor list is composed of the upper five per cent of the undergraduate student body.

Miss Smith, daughter of Mr. and Mrs. Ralph A. Smith, completed her sophomore year in May at WT, where she is majoring in English.

Rex Jones and Janie Raneaurdo of Buena Park, Calif., were visitors in the home of Mr. and Mrs. Truett Johnson Monday evening. Rex is a nephew of Truett's and is enroute to Georgia where he will attend the University of Ga.

Mr. and Mrs. Richard Davis, Denise and Jeanie from Abernathy are guests in the home of her parent's Mr. and Mrs. L. A. Jutkin, this week.

### Black News

The Black Community extends its sympathy to Mrs. Lester Dean and family due to the death of her mother, Mrs. Merler Shirley, who passed away Friday.

Mrs. Pete Braxton, Jimmy Braxton, and Charles Myers went to Branson, Mo., last weekend to bring Ray Braxton home from the baseball camp he has been attending for two weeks.

R. M. Rockey of Omak, Washington, has been visiting over the weekend with the H. H. Elmores and the Dick Rockeys. Mr. and Mrs. Gore had supper at the Elmores' especially to visit with Mr. and Mrs. Jim Black, who have now returned to Houston.

Last Monday Gene Welch went to the funeral of his uncle, Grady Herd, at Sanger.

Thursday dinner guests in the Welch home were Mr. and Mrs. F. B. Harkins and Mr. and Mrs. Earl Harkins. Voreca went home with her grandparents, Mr. and Mrs. F. B. Harkins, of Plainview. The Welch family visited in Amarillo on Father's Day with Gene's parents, Mr. and Mrs. W. H. Welch, and his brother, Wayne Welch.

Danny Nettles, son of Mr. and Mrs. Leonard Nettles, is visiting this week in the home of his grandparents, Mr. and Mrs. O. R. Pifer of New Home. Mr. and Mrs. Glenn Floyd and family were guests in the home of Glenn's father, Mr. and Mrs. C. F. Floyd of Shallowater Sunday.

**Something To Think About**  
6th. Street Church of Christ  
Box 515 -- Friona, Texas

Physicians tell us that everyone should have a thorough physical check-up at least once a year, and in some cases, every six months. We believe that each of us would be wise to put himself through a thorough spiritual examination at regular intervals. It is so easy for us to get out of focus. If we are not careful we will be over-emphasizing some features of Christianity, and underestimating another. When we do this we will most likely find that we will have to give up some of our former habits, and it might even be necessary that we perform spiritual "surgery." It was the Lord who said, "If thine eye offend thee, plunk it out . . . If thine hand offend thee, cut it off . . ." He did not say that this would be painful, it always is, whether it is a physical operation or of a spiritual nature. But he did say that this is the only way we can entertain a real hope of eternal life.

For the sake of your soul's salvation, will you take enough time to make this spiritual check-up? It may not be pleasant for a while, but you can rest assured that if you will take whatever action that is necessary, not only will your life here on earth be made happier, but you will then have a valid reason to anticipate eternal life in that home that the Lord has gone to prepare.

**Girl Scouts Attend Camp**

Fifty-four Brownies and Girl Scouts attended Day Camp week at the Ralph Wilson farm six miles west of Friona. Ten High School girls and fourteen adults assisted with the program of activities that began Monday, June 12. Also there was a Papoose Patrol of five pre-school girls.

Five troops set up camp homes under trees and each built their own brick fireplace, clothes line, dip bag and dribble bucket.

Because of heavy rains Wednesday night, Girl Scout campout was postponed until the following Monday. Scouts met at 6:30 p.m. and cooked their supper of campfire stew, walking salad and somemores. Mrs. Pearl Kinsley was guest of honor for supper and campfire program that followed. Mrs. Nora O'Brian showed films of past activities of scout troops. About 40 girls slept in the Wilson barn.

Day Camp ended Tuesday morning after the group prepared breakfast, had a general cleanup and presented the Court of Awards.

Appreciation is extended to each leader for their time and labor and to Piggly Wiggly for furnishing 40 pounds of bacon.

Leaders assisting were Mesdames Mary Bandy, Lillie Mae Baxter, Thelma Ford, Louella Drake, Olive Massie, Maydell Taylor, Genevieve Riethmayer, Nora O'Brian, Elizabeth Ferguson, Marie Perkins, Gladys Awtrey, Minnie Knight, Gladys McVey and Pearl McLean.

Also Misses Carolyn Her-ring, Carolyn Guinn, Kay Coffey, Marca and Merylene Massie, Donna Fulks, Jan Wells, Ada Beth Akens, Mary and Martha Knight and Mrs. Louisa Wilson, camp director.

BY THESE THINGS MEN LIVE  
Today many people have much to live on, but little to live by and for. Isaiah 38:16 reads, "O Lord, by these things men live, and in all these things is the life of my spirit: so wilt thou recover me, and make me to live."

People who put their faith and trust in 'things,' trusting in the God of Money, living by the God of Greed, Power, Prestige, the God of Pleasure or indulgence and sin; they have much to live on perhaps, but little to live by and for. A brief look will reveal that most of the 'things' we had and enjoyed but a few years past are now gone, but the intangible things we still have. The material cannot be taken with us, but the intangible things done for God and for others remain.

Jesus said that even a cup of cold water given in His name would not lose its reward. A knock on the door to bring a word of cheer to a grieved heart, a kindly visit to a shut-in, help extended to a less fortunate person; all of these are bed-rock virtues of Faith that men should live by. They do not procure Faith, but they are declaratives of our Faith. People who have never met the Saviour, people who yet walk alone live in a vacuum of emptiness and are void of purpose. But real Faith in God brings real purpose. "O Lord, by these things men live, and in all these things is the life of my spirit: so wilt thou recover me, and make me to live." "The just shall live by Faith."  
"Without faith it is impossible to please God."

# Summer School Draws To Close

Friona's first elementary summer school session drew to a close Wednesday.

During the three-week session, which was taught by Mrs. Guy Lemmond, 16 students studied reading, math and other special subjects which they needed, or desired assistance with.

Mrs. Lemmond says that reading for speed and reading for enjoyment were stressed during the session. Also, math was a subject which occupied a good part of the students time.

## Guests Visit In Bruns Home

Morris Bruns, who is teaching English for eight weeks of summer school in Lubbock, was a recent guest in the home of his parents, Mr. and Mrs. Les Bruns.

Also visiting in the Bruns home during the memorial holidays was their daughter, Mrs. Jos Pattie, of Amarillo.

Mrs. Bruns has been ill for several weeks and will have to remain in bed for at least two more weeks.

IMPROVING THEIR READING are these students who attended the summer school session at Friona Schools. Front row, left to right, are Kent Thurman, Donny Gibson, Dewayne Procter, Ted Renner, Floyd Schlenker and Delbert Davis. Back row are Ronnie Altman, Vincent Schilling, Gary Phipps, Troy Bass, and Keith Howell. The teacher is Mrs. Guy Lemmond. Four students who also attended the summer session but were not present when this picture was taken were Ricky Jennings, Joanne Jennings, Danny Hrecht and Freddie Hughes.

HAMBURGERS AND COKES were the order of the day for lunch during the summer school session which ended Wednesday. The cafeteria wasn't being operated and the youngsters bought their lunch at a nearby snackbar. Front row, from left to right, are Ted Renner, Ronald Altman and Delbert Davis. Standing are Guy Phipps and Floyd Schlenker.

DISCUSSING A MATH PROBLEM with Mitty Mann is Mrs. Guy Lemmond, instructor for the summer school session. Fewer students permitted the teacher to give more individual instruction than during a regular term.

## Judkins Attend Family Reunion

Mr. and Mrs. L. A. Judkin attended a family reunion June 17 at Pottsville, Ark.

Mrs. Judkin's mother, Mrs. A. Harkey, was a special guest of honor at the occasion. She was celebrating her 90th birthday.

About ninety-five were present.

## Lt. Don Lewis Visits In Friona

First Lieutenant Don Lewis of Fort George Meade, Maryland, is visiting in the home of his parents, Mr. and Mrs. Henry Lewis, for about two weeks.

Lewis has just completed an all army entertainment contest and when he returns to Ft. George Meade he will direct the Army Chorus that will be touring the 2nd Army area.

## Burton Pitches Perfect Game

Billy Burton pitched a no hit, no run game for the Friona First Baptist Church RA's Saturday afternoon, against the Highland Baptist RA's of Amarillo.

He struck out all but one batsman, who popped to the pitcher, thus a perfect game with no one reaching base and not one fielder assisting in an out.

The Friona team scored one run in the first inning, and nine in the second to establish a 10-run lead which concluded the game after three innings.

The local team is currently in second place in league standings, behind South Lawn of Ama-

rillo. Friona lost to South Lawn last week, 9-6, and is now entering the second half of play.

## Hospital Notes

Admitted to Parmer Community Hospital June 14 to June 21.

Patsy Jo Goetsch, Farwell, Surg.; Gladys Marie Day, Friona, Surg.; Estabon Moreno, Friona, Medical; Nettie Mae Collier, Friona, Medical; Jimmy Mack Reed, Keys, Okla., Surg. T & A; Earl Graham, Friona, Accident-Med.; Ruth Terry, Friona, Med.; Jose Lara, Friona, Med. and Wanda Joyce Manfield, Bovina, OB.

## McKenzie Family Met For Reunion

The Friona Club house was the scene of a family reunion held Friday, June 9 in honor of J. L. McKenzie.

Following the dinner, that was served to 39 of the 91 descendants, the group participated in music and singing of songs of their childhood days.

Mr. McKenzie who will be 82 in August, has ten children and nine of them were present for the occasion. Unable to attend was L. J. Jr. of Leveland.

Attending were Mrs. Eula Kuykendall of San Pueblo, Calif.; Mr. and Mrs. Clayton Taylor, Joey, Terressa and Kirk; Mrs. Ettie Mae Kuykendall, Jack and V. C., Hereford; Mr. and Mrs. Aaron Kent, Cynthia, Joe Ann, David and Johnny of La Grande, Oregon; Mrs. John Mann and Janice, Canyon and Mr. and Mrs. Roy Triplett of Cortez, Colo.

Also Mr. and Mrs. Keith McKenzie, Mike and Jeanne of Muleshoe; Mr. and Mrs. R. A. McKenzie, Bill and Jim Rob of Bronco, Mr. and Mrs. Olen Triplett, Tatum, Mr. and Mrs. Lamotn Davis, Pamela and Nancy, Kenniwick, Washington; Odel and Edsel McKenzie of Portales, N. Mex.; Mrs. Hulien, Fort Worth and Mr. and Mrs. J. L. McKenzie.

Guests in the home of Mr. and Mrs. Sloan Osborn for several days are their grandsons Bill and Burt, sons of Mr. and Mrs. Charles Osborn of Houston.

Mr. and Mrs. Eugene Boggers, Robbie and Joe spent last weekend at Carlshad. While there they made a trip through the caverns.

**WEDDING DATE SET**—Mr. and Mrs. Duane Darling of Lazbuddie are announcing the engagement and approaching marriage of their daughter, Janice, to Darrell Thompson, son of Mr. and Mrs. John S. Thompson, Friona. Vows will be exchanged August 13 at 3 p.m. in the Church of Christ at Lazbuddie. Friends of the couple are cordially invited to attend.

**SNEAKY WAY--**

there being any new allotments for domestic sugar beet acreage?"

The secretary answered him by saying that his department had nothing to do with the matter. "That will be left up to the president," he said.

Both LeVeque and Nichols said it was a worthwhile trip, even though they had to admit that they didn't find out any more than they knew before making the 500-mile trek to Rosebud.

Not only did the secretary of agriculture not have much to say about sugar beets, but the two Friona men said he didn't have much to say about anything else, either.

As to their success at cracking the press conference, both men were gloating over the fact that they made the Friona Star one of the best represented publications at the press conference.

They were both demanding press cards, so that next time they could act in an official capacity instead of having to be impostors.

**More Swimming Lessons Slated**

All beginning swimmers who would like to enroll for the second go-around on swimming lessons may do so at the school office of Baker Duggins next Thursday, June 29, from 9 to 12.

If the four classes are not filled with beginning students, persons who would like to enroll in intermediate swimming may do so Friday, June 30, from 9 to 12 at Duggins' office.

The new classes will start on July 3 and will continue for 15 days, Duggins says.

Parents who have students enrolled in the first three-

week class, are welcome to attend the final session this Friday, June 23, and view the progress the youngsters have made, Duggins says.

Les Bruns returned to Friona Monday night from a business trip to Snyder and Hobart, Oklahoma.

**Setback for Progress**

*on Home Avenue*

**B**USINESS WAS GOOD... all afternoon the free enterprisers had been piling up business volume...trading with each other. Then Johnny let the ice cream man get off with their nickel.

A competent financial advisor, if consulted in time, could have told Johnny that diverting money from the trade channel upon which his business depends would inevitably depress that business.

Unfortunately, this is an old story. On a far larger scale it's the story of our own community, where out-of-area trading drains off an important amount of our prosperizing lifeblood, slowing down our growth and holding back our progress, endangering our own jobs and businesses, and handing over to the people of other cities and towns the extra benefits we could enjoy by recirculating our money in home trade channels.

# Wheat Harvest Swings Into High Gear

GOLDEN WHEAT pouring out of a combine spout is a typical sight throughout the Farmer County area this week as the harvest of a bumper crop swings into full force. Here, Jerry Strawn, watches the wheat fill up a truck on the farm of his father, Norvel Strawn, near Bovina. This 30-acre field was making better than 60 bushels per acre.

## Yields, Quality Running High

Wheat harvest, temporarily delayed by general rains throughout the county last week, swung into high gear early this week with every indication that yields and quality of this year's crop will be about the best ever.

Combines started moving into the fields Sunday and Monday, and if the weather holds good, the bulk of the crop should be harvested this week and next week, according to elevators throughout the county.

Last week's soaking rain came just about the time the first fields of wheat were ready to cut, thus delaying the harvest even before it really began. Hardly anyone was complaining about the moisture, however, because it was a slow, steady rain which lasted throughout the night Wednesday and came at a time when cotton and grain sorghum was badly in need of some water. The rain didn't hurt the wheat any, and about all it did was to make all of the wheat in the county ready to be cut at the same time.

Because there appears to be ample combines in the area, and the wheat is all ready for the sickle, this year's harvest could be one of the shortest on record. A couple of elevators predicted that a good portion of the crop will be cut this week and for all practical purposes, the harvest will be over by the middle of next week. Again, though, it depends on the weather.

A spot check with a few of the elevators early this week revealed that yields were running high and the quality of the golden grain was exceptionally good.

Elevators reported that, of the few fields completed, the irrigated yields were ranging from 50 bushels per acre up to 70.

It was mostly all weighing out at 60 pounds plus and the moisture content was around 14 per cent.

At Farwell, Johnie Williams, manager of Sherley-Anderson-Pitman, Inc., said Monday night that the wheat was "looking awful good."

"It'll be as good or better than last year," Williams said. Two of the first yields that had been figured up at the elevator were 63 bushels per acre on a field of Bert Williams, who farms near the West Camp community, and 58 bushels per acre on the Mark Chadwick farm, northeast of Farwell.

The 58 bushel yield for Chadwick was despite the fact that one end of field reportedly received 60 percent hail damage. Ray Pritchett of Golden West Seed at Texco, thought this year's crop was going to be about the best in quite a number of years. "It'll be better than last year," Pritchett said, "the wheat is well matured, better quality, and a better test-weight."

He said that some of the early dryland yields in the area were averaging from 30 to 34 bushels per acre.

At Friona, Preach Cranfill of Continental Grain said the wheat was of good quality and that the yields should be high. He said Tuesday morning that it was still to early to know yet what any of the irrigated yields were, but he said dryland wheat was making between 25 and 30 bushels per acre.

J. P. Macon of Macon Elevator at Bovina, estimated that the wheat yields would turn out "way above average" and be considerably better than last year.

There hadn't been enough irrigated wheat cut by Monday

# THE HIGH PLAINS FARM AND HOME

## "Why I Believe In Soil Conservation"

Each year the Farmer County Soil Conservation District sponsors an essay contest to the young people of county. This contest is held in conjunction with the Fort Worth Press contest. However, the Fort Worth Press gives separate awards for the winners of their contest.

The students are given a title on which to write. This year the title was "Why I Believe In Soil Conservation." The top four essays are picked by a team outside this county and the winners are presented awards and cash prizes. All the essays are then sent to the Fort Worth Press to be entered in that contest.

During the next few weeks we will publish the winners and their essays as we have space for them. The first place winner

MARILYN SUE BRANDON

this year was Marilyn Sue Brandon of Bovina. This is the essay that she wrote.

### "Why I Believe In Soil Conservation"

In this world in which we live, the two basic resources are the land and the people. As individuals, communities, states, and as a nation, I believe we need to get better acquainted with the land, its needs, and the practical possibilities of taking care of these needs.

Soil Conservation is one of the most important agriculture sciences. If we are courageous in accepting new ideas and willing to work with, instead of against, nature and the land, we shall find in conservation farming an avenue to the best system of agriculture the world has ever known. What is needed now is the desire and the decision to go ahead and get the job finished on time. It is being done, but it would be better if it could be done faster. This will require the help of everybody. There are no short cuts to the permanent conservation of soil and water. Nature made the land, turned the rains on it, and fashioned natural affairs so as to keep the land perpetually productive. We cannot restore the soil after it is lost, and, I believe, we as people have the responsibility of keeping it fit and in good shape.

We can hold and improve what is left, but topsoil scattered over the bottom of the ocean cannot be returned to the fields and pastures from whence it came by any practical operation available to man.

The view of land capacity, looking out a window or driving along in our automobiles, is based on what has happened and what can be accomplished through prompt and efficient soil and water conservation.

I, as a citizen of our great America, believe that since we do have soil conservation that we do need to care for it. That is why I believe in Soil Conservation.

night to determine any yields yet, but Macon said they would be high. He said the wheat was of good quality, but on Monday most of the wheat cut was high in moisture content. Macon said Tuesday morning that if the weather cleared up, the harvest should all be completed in a couple of weeks.

# Farmers Union Resists Sales Tax

Texas Farmers Union has issued a call to all of its officers and membership to rise up in arms to fight the general sales tax proposal for Texas. State President Alex Dickie, Jr. states that the Farmers Union program calls for all-out opposition to any further addition of sales tax as a source of state or national revenue.

"Generally speaking, there is no question that a retail sales tax would have a considerably heavier impact upon farmers, either per capita or upon a farm family basis than the impact of the same tax upon non-

farmers per capita or per family," he says. This is obvious from the fact that farmers buy considerably more at retail than do non-farm families. Farmers purchases for household and family living purchases are very near to being on a par with those of the typical non-farm family. Besides, farmers buy their machinery, equipment, and other capital items at retail, plus hundreds of smaller supplies and materials in the field of lumber, hardware and various durable goods.

In Iowa, farmers pay an estimated \$21 million a year under the 2% sales tax, and according to the Iowa tax department figure, farmers pay 50% more taxes per capita than non-farmers. "Wouldn't Texas farmers also pay this much more than non-farmers?" Dickie asks.

Approximately 2,000 boys and girls, their leaders and friends attended the annual Texas 4-H Roundup at Texas A&M College. From 1954 to 1959, the number of farms producing turkeys declined, but the number of turkeys produced rose. Hatchings for the first part of this year indicate this trend may continue, says F. Z. Beamblossom, extension poultry marketing specialist. Unless hatchings in the next few months move closer to last year's total, price decreases from last year are likely to be even greater in the fall of 1961 than the present spread.

Special Nations -- The so called special fund of the UN recently approved a \$1.1 million loan for Fidel Castro's Cuba. Of that amount, 40% will be paid by the United States. The Soviet Union, in contrast, will pay only 3% of the loan. Does this meet with your approval, as a taxpayer???

## Four Parmer Men On Committee

The High Plains Founders Committee for the Cotton Producers Institute was announced today by Roy Forkner of Lubbock, chairman of its organizational committee.

Forkner said committee members in their areas will sponsor and help organize efforts to acquaint cotton growers with the program and aims of the Institute.

The Institute is a new, voluntary business organization of cotton growers. Its aim is to expand the total market for U.S. cotton in ways that will expand acreage, production, and profits for the grower, Forkner explained.

"Program of the Institute centers around research and promotion," he said. "Through research we can lower production costs and improve fiber quality and thus overcome the one-billion-dollar inefficiencies now existing. Research can also give cotton improvements

in consumer qualities which will enable it to compete in additional markets totaling five million bales. In promotion, cotton desperately needs a national advertising campaign directed to consumers."

For the Institute, Forkner envisions up to a 10-million-dollar research and promotion fund to expand the market for cotton.

"World fiber consumption is tending to rise at a spectacular rate," he explained. "If U.S. cotton can maintain its present share, projected expansions in world fiber demand will give us a 20-million-bale market in seven or eight years."

Forkner pointed out that bigger markets do not necessarily mean bigger profits to cotton growers.

"If we are to earn larger profits, we must lower our unit cost of production, improve quality, and sell cotton products more aggressively," he stated.

The High Plains Founders Committee for the Institute includes:

A. L. Hartzog, Gilbert Kaltwasser, Elmer Hargrove, and W. L. Edelman of Parmer County.

# Tommy Lewellen-Gary Goetz Wed In Double Ring Ceremony

A double ring ceremony united Miss Tommy Lou Lewellen and Gary Goetz in marriage Saturday, June 10, in the First Baptist Church.

Parents of the couple are Mr. and Mrs. Thomas Lewellen and Mr. and Mrs. Chris Goetz of Friona.

Wedding vows were read by Rev. Bill Burton before an altar decorated with standing baskets of white and orchid mums and candelabra holding white tapers.

Musical selections "Whither Thou Goest," "I Love You Truly" and "The Wedding Prayer" was given by Bobby Daniel. He was accompanied by Nelda Douglas, organist, and Cynthia Caffey at the piano.

The bride, escorted to the altar by her father, wore a floor length gown of silk bombazine fashioned with princess lines and long tapered sleeves. Re-embroidered lace and seed pearls decorated the neckline and bouffant skirt. Her fingertip veil of silk illusion and chantilly lace was attached to a crown of pearls. She carried a white Bible topped with a white mum centered in a cascade of white pom-poms and bridal satin streamers.

Maid of honor was Eleanor Dodson and bridesmaids were Joan Leschleur of Austin, Audrey Ann Kelly, Plainview, Billie Barnett, Hereford and Celia Weatherly, Friona. Candelighters were Pam Roden and Brenda Collier. They wore princess styled orchid brocade taffeta dresses.

Delton Lewellen, brother of the bride, served as best man and groomsmen were Joe Lewellen, Jerry Loflin, Dwayne Hudley, and Ronnie Castleberry.

Other attendants were Katie and Donna Lewellen, flower girls, wearing dresses identical to the bridesmaids, and Pamela and Bobby Lewellen, ring bearers. Gayle Knight registered the guests.

A reception in the Fellowship Hall was held following the ceremony. The table was covered with a cloth of white net trimmed with a satin border, cupids and hearts made by Mrs. Dock Skipworth, and centered with the bride's bouquet surrounded by each bridesmaid's bouquets. Milk glass and silver appointments were used.

The four tiered wedding cake was decorated with orchid roses and love birds. Presiding at the serving table were Mrs. Delton Lewellen, Mrs. T. A. Kelly and Mrs. Joe Lewellen.

Out of town guests included Mr. and Mrs. Jim Matlock and children; Lawanna Houlette; Wilbur Dean Moore; Mr. and Mrs. Winford Smith; Mrs. Ernestine Craig; Mr. and Mrs. Nellan Smith and Mr. and Mrs. E. D. Madock.

## Double Ring Ceremony For Brummett-Winzler

A double ring ceremony performed Saturday, June 3 at 7:30 p.m. united in marriage Miss Linda Karen Brummett, daughter of Mr. and Mrs. Joe S. Brummett, and Robert M. Winzler, son of Mr. and Mrs. E. M. Winzler of New York City.

Dr. H. E. Bergstrom read the vows before an improvised altar, decorated with orchid and white mums and lilac carnations flanked by candelabra with lighted tapers. In the home of the bride's parents at 1120 Washington Street, Clovis.

Given in marriage by her father, the bride wore a street length dress of white dacron trimmed with lace and a shoulder length veil. She carried a white Bible topped with her bouquet of orchids.

Miss Jo Beth Brummett was her sister's maid of honor. She wore a lilac dacron dress and a white and lilac corsage. The dresses, worn by the bride and maid of honor, were originals fashioned by their mother, Mrs. Brummett.

Jessie Eubanks served as best man.

The couple was honored with a reception following the ceremony. Miss Sue Willingham and Mrs. Earl Drake presided at the serving table covered with a lace cloth over lilac and decorated with a three tiered wedding cake. Silver and crystal appointments were used.

Miss Elana Beene, cousin of the bride, registered the guests. Mrs. Winzler is a 1960 graduate of Clovis High School.

Also Mr. and Mrs. Dean Skipworth; Mrs. Billy Johns; Mrs. J. B. Ratliff; Mr. and Mrs. Bob Ratliff; Mr. and Mrs. Harvey Shapley; Mr. and Mrs. Frank Matlock; Mr. and Mrs. Chester Hooper; Mr. and Mrs. Irving Mason; Mr. and Mrs. Oscar Mertz; Mr. and Mrs. Alex Leschber and Mr. and Mrs. Paul Krueger.

Following a wedding trip to Colorado Springs Mr. and Mrs. Goetz are at home in Friona.

She attended Friona Schools prior to moving to Clovis.

Mr. Winzler graduated from Brunswick High School in New York City and has served four years in the United States Air Force. He is now employed at Montgomery Ward.

The couple will be at home at 1421 1/2 Wallace St., Clovis.

## Miss Bragg Sets Wedding Date

Mr. and Mrs. James G. Bragg of Brownfield have revealed the engagement and pending marriage of their daughter, Betty Caroline, to W. A. Wells, son of Mr. and Mrs. S. C. Clark of Dallas.

The ceremony is set for July 22 in First Presbyterian Church at 5 p.m.

Miss Bragg is a graduate of Brownfield High School and North Texas State University where she was a member of Sigma Alpha Iota. She is a former resident of Friona and is the niece of Clyde and Miss Lola Goodwine and Mrs. Fred White.

The couple will reside in Denton following their marriage.

"I'll carry this case to the highest court in the land," said the lawyer to the prisoner, "but in the meantime, you'd better try to escape."

Mrs. Winzler is a 1960 graduate of Clovis High School.

## Of Interest To THE WOMEN

### Linda Crow-Boyd Jones Exchange Wedding Vows

Before an altar decorated with white mums, daisies and greenery, Linda Crow, daughter of Mr. and Mrs. C. S. Crow, and Boyd Jones, son of Mr. and Mrs. George A. Jones, exchanged wedding vows.

Rev. Wallace Kirby read the single ring ceremony in the Friona Methodist Church Monday, June 12 at 7 p.m.

The bride chose a pale blue brocaded satin dress with fitted bodice and tunic overskirt. She

### Wedding Is Solemnized

Wedding vows for Carolyn Joyce Vaughn and Kenneth Marion Carter were solemnized in the parsonage of the Assembly of God Church in Dumas Saturday, June 10, at 7 p.m. with Rev. H. L. Stevens officiating.

Mrs. Carter is the daughter of Mr. and Mrs. Fred O. Vaughn, Dumas and her husband is the son of Mr. and Mrs. Clark K. Carter, Dumas and formerly of Friona.

The couple will reside at 1525 Fox, Dumas.

### First Son Born To DeWayne Neels

2nd Lieutenant and Mrs. DeWayne Neel are the parents of a son born Wednesday, June 14 in the Plainview hospital. He was named Michael De and weighed 8 lbs and 4 ozs. Grandparents of the baby are Mr. and Mrs. Otis Neel, Friona and Mrs. Stella Williams, Plainview.

Michael's daddy is stationed in Korea and plans to return to the states in October.

He: "It will be real simple for us to get married, darling. My father is a minister."  
She: "Okay, let's give it a whirl. Mine's an attorney."

## Formal Ceremony Unites Martin-May

Miss Anna Martin, daughter of Mr. and Mrs. A.G. Martin, became the bride of Kenneth May, son of Mr. and Mrs. Willard May, Sunday, June 11, in the sanctuary of Wesley Methodist Church in Hereford.

The double ring ceremony was read by Rev. E. H. Martin as the couple knelt on a white satin prayer bench before an altar covered with white satin and decorated with an arrangement of white stock, gladioli and greenery, flanked by candelabra holding white tapers.

Mrs. E. H. Martin played traditional wedding selections and accompanied Mrs. Betty Stephens as she sang "Always" and "The Wedding Prayer."

Escorted to the altar and given in marriage by her father, the bride wore a gown of white chantilly lace with a chapel train and scalloped neckline trimmed with seed pearls and sequins. Fingertip sleeves were fastened with tiny buttons. Her vogue butterfly veil was secured with a crown of sequins and seed pearls. She carried an arm bouquet of white roses tied with white streamers.

Miss Linda Martin, wearing a blue chiffon dress, a white veiled hat and carrying a bouquet of white carnations and flower buds, was her sister's maid of honor. Bridesmaids, cousins of the bride, Misses Brenda and Kathy Jones of Bovina, wore identical dresses of blue chiffon and carried nose-

gays of white carnations. Muriel May, brother of the groom, served as best man and ushers were Archie G. Martin, Plainview; Donnie Jones, Bovina and David May, Hereford.

Other attendants were Teena May, sister of the groom and Karen Harper of Amarillo, candelighters; Rhonda Stephens, flower girl, and Clifford Martin, nephew of the bride, ring bearer.

Guests from Friona included Mr. and Mrs. Folster Rector and Linda, Mr. and Mrs. Floyd Brookfield, Mr. and Mrs. Floyd Rector and Mr. and Mrs. Frank Griffith.

Mr. and Mrs. May are both graduates of Hereford High School and the groom is a former student of the Friona Schools. The couple will reside at 303 Witherspoon in Hereford until August when they will enroll in Draughon's Business College in Amarillo.

# Grain Sorghum Watering Guide

The above chart shows the consumptive use of water by grain sorghum at various growth stages. The seed begins to use water at germination, but the rate used by the plants is low for the first two or three weeks. As more leaves are developed, water use rises rapidly and reaches a peak at the boot stage. Water use continues high through the bloom stage to maturity.

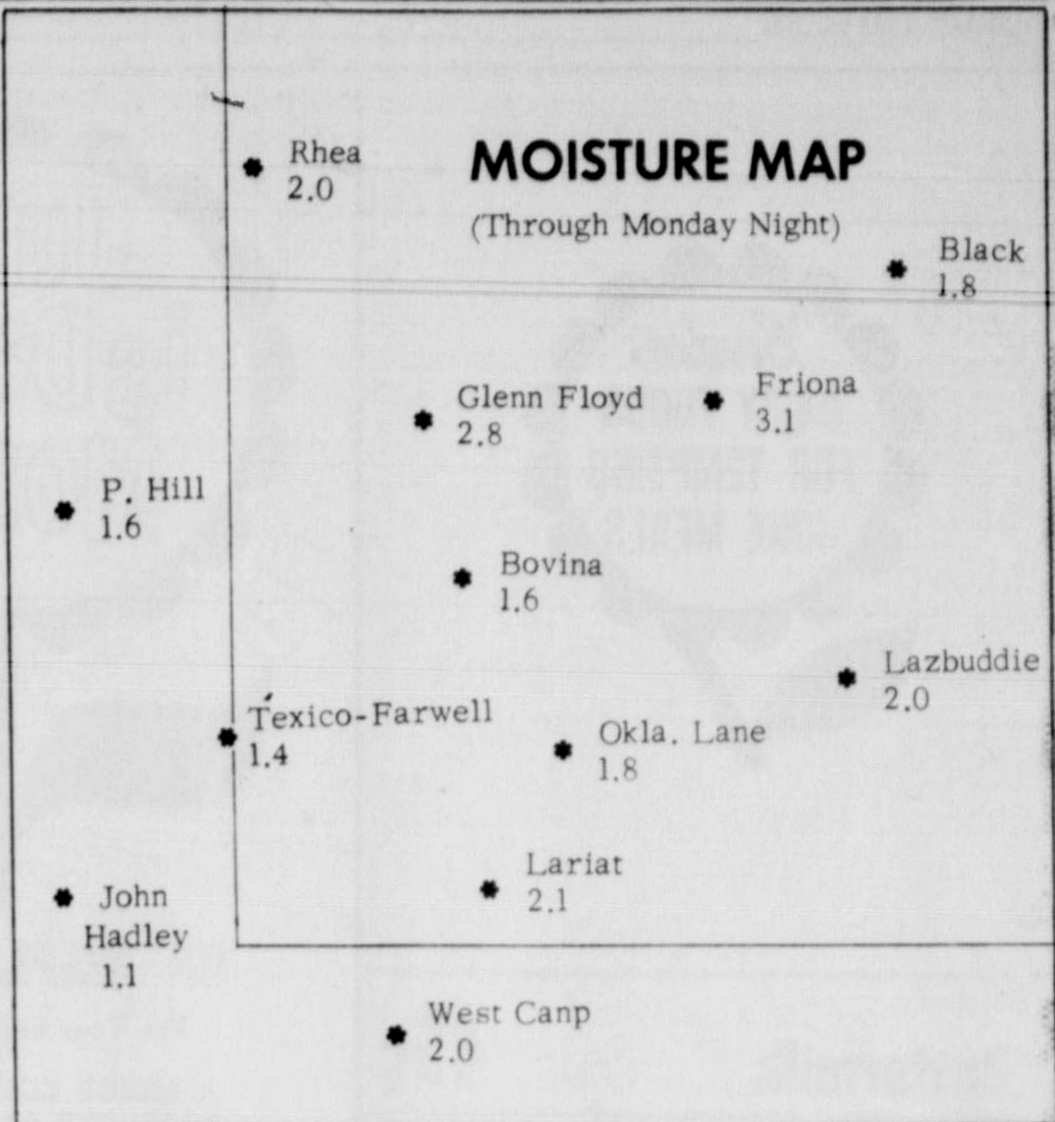

## Tests Prove Need For Phosphate

"The 1960 cotton fertilizer tests at the High Plains Research Foundation disclosed the importance of proper amounts and placement of phosphate fertilizer," Delbert Langford, associate agronomist, remarked as he released the reports this week.

"Placing phosphate in bands of 3 inches to 10 inches from the seed and 2 to 3 inches deeper than the seed, produced the best results in the fertilizer placement tests with yields of 1011 to 1016 pounds of lint per acre compared with 928 pounds with no fertilizer." Several methods of placement were compared in the test.

"Eighty to one-hundred twenty pounds of phosphate combined with 40, 80 and 120 pounds of nitrogen produced significant increases over no fertilizer.

The low rate of application of 40 pounds of phosphate per acre did not prove profitable with any rate of nitrogen. Phosphate applied without nitrogen was not profitable. This has

## The HAPPY HOMEMAKER

BY JUNE FLOYD

It will soon be time to start eating fresh vegetables from the garden. This is always a nice time of year for homemakers, but it also presents problems. When garden produce first gets ready to eat, preparing it is no prob-

lem. However, most of us soon tire of eating or serving the same thing cooked the same way day after day. Then your family tires of eating vegetables cooked the conventional way, try something different.

Those of you who have copies of "What's Cooking In Farmer County" can find some unusual ways to prepare just about anything that grows.

Mrs. Grady King, a member of the Midway Home Demonstration Club likes the following recipe.

Peel large cucumbers and cut in round slices. Cook in salted boiling water until tender. Drain well. Drench with heavy cream which has been well seasoned with pepper, salt, a few grains of cayenne pepper and nutmeg. She also recommends using this same recipe using sour cream.

Mrs. Ralph Shirley of the Friona HD Club likes TOMATOES STUFFED WITH

**EGG SALAD**  
6 hard cooked eggs, chopped  
1 cup finely chopped celery  
1/3 cup sliced stuffed olives  
1/4 cup minced green onion  
1/2 teaspoon salt  
dash of pepper  
1/2 cup mayonnaise  
6 medium tomatoes  
Combine first six ingredients and add mayonnaise; mix well. Scoop out centers of tomatoes and fill with egg salad and top with olive slices.

If you like raw spinach, you will probably like this

**POPEYE SALAD**  
1 pound washed spinach  
1 teaspoon grated onion  
1/2 teaspoon salt  
2 hard cooked eggs  
4 slices diced bacon  
4 tablespoons vinegar  
2 teaspoons sugar  
Wash spinach and trim. Dry, chop fine. Add onion and salt. Toss lightly with the chopped eggs and bacon dressing. Fry bacon slowly until crisp. Add the vinegar and sugar. Mix well and pour over prepared spinach. Serves 4.

This recipe was submitted by Mrs. David Gulley of the Midway HD Club.

Mrs. Truitt Hardage of the Town and Country Club submitted the following recipe for

**CHEF SALAD**  
Crisp salad greens  
2 tomatoes, quartered  
6 radishes, sliced  
2 carrots, cut in strips  
1/2 green pepper, cut in rings  
4 hard cooked eggs, quartered  
4 slices cooked bacon, crumbled  
Chill ingredients, except bacon, in refrigerator. Just before serving toss lightly with salad dressing. Sprinkle bacon over top.

For a salad that is different and very tasty, try this

**Twenty-Four Hour Salad**  
1 cup milk  
4 egg yolks  
1/8 teaspoon salt  
1/8 teaspoon dry mustard  
3 tablespoons lemon juice  
1 cup whipped cream  
1 No. 2 can Royal Ann cherries  
1 No. 2 can crushed pineapple  
1 pound miniature marshmallows  
1/2 pound slivered almonds  
Scald the milk in a double boiler. Beat the egg yolks slightly with a fork. Add a small amount of the hot milk to the egg yolks. Gradually add the egg mixture to the remainder of the milk in the double boiler. Stir and cook until thick. Add salt and mustard. Remove from heat and allow to cool; then add lemon juice and whipped cream. Pour over the fruit and nuts which have been combined in a large bowl. Refrigerate for 24 hours. Yields 12 servings.

**Coconut Meringue Pie Crust**  
Combine two egg whites with 1/8 teaspoon cream of tartar and a dash of salt. Beat until foamy; gradually add 1/2 cup sugar, beating until stiff peaks form.  
Fold in 1/2 teaspoon vanilla and 1 cup angel flake coconut. Shape into a 9 inch round unglazed paper baking sheet. Bake at 325 degrees about 30 minutes. Cool.  
For a very delicious dessert add any kind of fruit or congealed fruit salad and top with coconut.

Women should give commercials. When a T.V. rating outfit queried a number of men as to what they were listening to, 78% answered, "My Wife."

## WITH THE COUNTY AGENT

JOE JONES

In looking over this year's soil test reports I find most of them show organic matter very low, low, or low to medium. This should be a reminder to all of us as we decide just how to handle this year's crop of wheat straw. Burning wheat straw as compared to working it in always reminds me of the story of the grasshopper and the ant. Remember how the grasshopper lived it up in the summer, but starved in the winter, while the ant stored up food in the summer to eat in the winter. Well it is not quite that bad, but it does bring out this question, are we going to continue to sacrifice good soil conservation practices that will benefit us through the years, for a little easier less expensive farming program at the present?

With the diverted feed grain acres to plant wheat on this fall we should not be in the usual rush of getting this land ready for fall seeding. This will give most of you plenty of time to get the wheat straw worked up for row crops in 1962.

I saw a few farmers who did a jam-up good job of decomposing wheat straw last year by spraying liquid nitrogen (UREA) on the straw before they ever started working it. These fertilizers could have real value in this type program. All forms of nitrogen have done a good job in past years when moisture was available and the stubble was turned under, but liquid fertilizer will put nitrogen in a little closer contact with the straw which could be more beneficial.

No matter how you do the job why don't you plan now to use the diverted acres to put conservation on your farm. This will be one result of the feed grains program if you manage it so you plant your wheat on the diverted acres and then use your 1961 wheat stubble as a soil improving crop. If you handle it this way you should have clean land ready to seed to cotton and other row crops in 1962.

I attended a meeting in Bovina Thursday night, called by the High Plains Water District, to hear leaders of this organization review district problems and their program of work for the coming year. There were 30 leaders from the county in attendance to hear the discus-

sion presented by these men. Each person present was asked to present his own ideas as to the best way to alleviate problems presented.

Representative Jess Osborn was present and gave a very enlightening presentation of what we will likely face in the way of water legislation unless we prove to the people of Texas that we can effectively run our water district. Congratulations to Mr. John Gammon of Lazbuddie, District president, and to Mr. Aubrey Brock of Bovina for arranging such a meeting to inform irrigation farmers on these vital issues concerning our most enviable natural resource -- water.

Most all irrigation farmers present admitted that they were not doing the job of controlling their water that they could and should do. Thus after 10 years of operation, The High Plains Water Conservation District, is

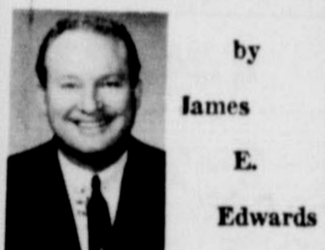

been true in four years of experimentation at Halfway."

Egg producers should market from 90-93 percent of their output as grade A for best returns. Here are suggestions from F. Z. Beanblossom, extension poultry marketing specialist, on how to do the job -- gather eggs 3 to 5 times daily; clean dirty eggs immediately after gathering and before cooling; cool eggs in mechanical coolers immediately after cleaning and before casing and deliver eggs to buyers 3 or more times weekly.

Cotton that was planted in May had to be replanted on June 16, 1960 due to wet weather blight and seedling disease. The highest yield under these circumstances was obtained from an application of 40 pounds of nitrogen and 120 pounds of phosphate. In a longer season, as in 1958, the highest yield increase was received from an application of 120 pounds of nitrogen with 80 pounds of phosphate.

You can now get live fishing worms in vending machines (that you have to go to Holland)... The Riverside (Calif.) City Council named a street after the last resident of the old Chinatown in that city. The name: Wong Way... In Dallas, Tex., a laundrette manager called police to remove the owner of a dirty fur coat. The coat-owner was a possum discovered in a night laundry deposit box... There are 94 lakes in Kosciusko County in Indiana...

## FOOTSAVING EDUCATION

by James E. Edwards

### Do High Shoes Cause Weak Feet?

No. Recently a mother quoted the writer as saying that high shoes weaken the feet and ankles but that was a misquote. The writer stated that high shoes neither weaken nor strengthen the foot because high shoes cannot be laced tight enough to give support. It would be unfortunate to discourage the use of high shoes for babies. They are cute and appropriate. And you can buy them with plenty of grow room without worrying about the shoes falling off.

I would be guided by the advice of my shoefitter and once I made my choice of high shoes or low ones I would not be disturbed by the advice that flows so freely from the generation that made bunions famous.

# Return From 4-H Roundup

Judy and Bruce Billingsley and Gary Foster represented Parmer County and District I in the Texas 4-H Roundup held June 6 and 7 at College Station on the Texas A&M College Campus. Neither team from Parmer County placed in the top three ratings. No other ratings below third place were announced.

Attending the 4-H Roundup this year was a record 2500 4-H boys and girls, adult leaders, extension agents, and guests. District method demonstration winners were competing with other district winners throughout the state. State winners were determined in 25 subject contests.

Judy and Bruce presented a 10 minute method demonstration, "All the Way the Egg Protein Way" in Poultry Marketing awards program. They showed the grades of eggs and how the egg could be used in food preparation. Judy and Bruce were among 23 teams entered in this contest.

Gary Foster took part in the Tractor Operators awards program. Gary had to take a written examination about tractor care. The second part of the contest was a practical examination consisting of inspecting a tractor and in 5 minutes listing all faulty maintenance and safety items found. The last part required the contestants to drive and back a tractor with two-wheel and four-wheel trailers. Gary competed with 23 boys.

The annual 4-H Roundup is

the highlight of a year's work for 4-H Club members under the leadership and guidance of volunteer adult leaders and county extension agents.

Expenses to the 4-H Roundup were paid by the Parmer County Farm Bureau. Attending from Parmer County besides the contestants were Mr. and Mrs. Leon Billingsley, Nelson Foster, and Miss Ettie Mustil, County Home Demonstration Agent.

### SHORT SNORTS

Car-jammed Texas cities are getting sympathy and an offer of help from the Texas Highway Department. Commission announced that cities may use the space under elevated expressways for parking lots -- to be operated by the cities or under contract by private parties.

Noting that the number of 1961 polio cases in Texas is up 9 per cent above the same period last year, State Health Department is launching a new campaign for inoculations -- especially for "babies and breadwinners."

"Moonshining" is not just a part of the colorful past. Texas Liquor Control Board reported that it seized eight illegal stills and confiscated 2,970 gallons of mash and 34 gallons of liquor in April.

CHECKING A MAP for marked locations of the bindweed are these three fellows, Raymond Schueler, left, Leland Gustin, and Franklin Bauer. The map had been prepared as an aid to the more than 20 farmers who turned out Friday afternoon for "Operation Bindweed" in the Rhea community.

## Rhea Farmers Declare War On Bindweed

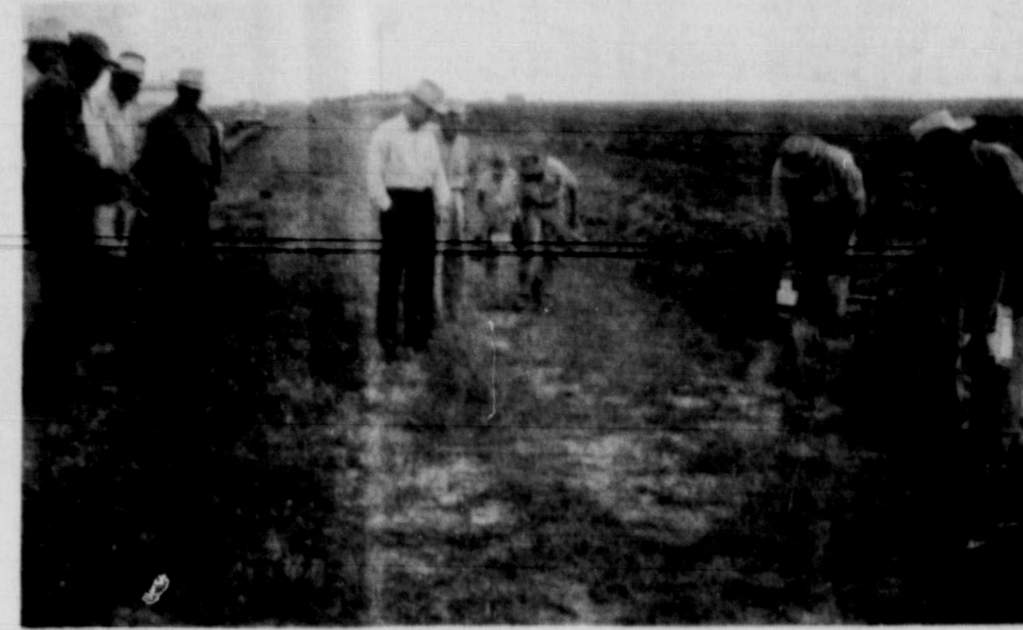

Twenty farmers from the Rhea community turned out Friday afternoon to participate in a community-wide effort to rid road right-of-way in that area of noxious bindweed.

The farmers met at the Rhea Parish Hall, observed a demonstration by Parmer County Agent Joe Jones as to how to apply the sodium chlorate herbicide, and then went to work treating the infested areas.

Bindweed patches on the road right-of-way had previously been marked off on a map and the farmers paired off into the several teams and started spreading the herbicide which had been furnished by the county.

The county will furnish the herbicide to any individual farmer, or for a community effort such as the one at Rhea, for application on county road right-of-way, providing the farmers sign agreements to purchase herbicides and treat infested areas on their own property.

This program has been in effect for several years, and it is now being pushed jointly by the commissioners court, the county weed control committee,

APPLYING SODIUM CHLORATE to a patch of bindweed in the Rhea area Friday afternoon were these farmers, who are joining with others throughout the county in an effort to rid road right-of-way and farm land of the noxious weed. The herbicide was furnished by the Parmer County Commissioners Court.

## HD Agent's Notes

BY MISS ETTIE MUSIL

Planning a family trip? If so, put aside the road maps and travel folders long enough to place valuable household papers in order. This is an important practice because an accident may happen to any member of your family.

Loss of a valuable paper from theft, fire or carelessness could spoil your vacation. A safety deposit box at your bank is one of the best places for wills, stocks and bonds, insurance policies, or family records of birth. Other papers that need added protection are citizenship papers, marriage license, military service, deeds, leases, promissory notes and other documents.

You know, even be careful of the friends you tell that you are leaving. Leave the house looking as natural as you possible can. Travelers may think you will be back that evening, so they may not want to plan a night visit when all the neighborhood is asleep. Porch lights that shine day and night is a sure sign that you are not at home.

For traveling take no more clothing than is absolutely essential. Traveling with light luggage is lots easier these days with all new fabrics and finishes. New fabrics make clothing so much easier to care for when traveling.

A household inventory is another valuable record. Before leaving on your trip, make duplicate copies or bring existing ones up-to-date. One copy can be placed in the bank box and the other kept at home. You'll be glad you did if you have to settle a theft or fire claim.

Take with you a list giving the name of your automobile insurance and hospitalization insurance companies. Include the number of each policy and the names and addresses of the agents.

Make a plan and build your wardrobe around a basic color scheme. Well chosen separates and such small accessories as scarfs, flowers and jewelry help vary your costume.

Take the type of clothing you know you like to wear. As useful as separates are to most women, if you don't like them at home you won't like them away from home. The same thing applies to knitted suits and dresses. They're ideal for packing but remember you want clothes ideal for wearing, too.

Be practical but not drab. When in doubt, don't take that extra dress.

If you carry travelers' checks, don't forget to make one or more lists of check numbers to carry separately in case you should lose the checks.

Before you leave don't publicize your leaving on the radio or in the newspapers. This is ideal information for the burglars that make notes for home visits. You'd hate to come back to an empty house.

Don't forget to stop the milk, newspapers, or any city deliveries. Post offices should be notified to hold your mail for the date you are expected home. We can never be too careful.

## Six Accidents During May

The highway patrol investigated six accidents on rural highways in Parmer County during the month of May, according to Sgt. Roger Rosebee, highway patrol supervisor of this area.

These wrecks accounted for two persons injured, and a property damage of \$2,625.

This brings the total for the first five months of 1961 in this country to rural traffic crashes resulting in one person being killed, ten injured, and a combined property damage amounting to \$15,953.

After noting the accident picture for this county for the first five months of this year, the sergeant pointed out another significant fact. As summer approaches with longer days and additional good driving weather, the driver should be especially aware of the danger period at dusk.

Many accidents happen during this period. One cause of this is the driver fails to turn his lights on soon enough. Although the law sets out when lights must be turned on, the driver should also use his own good judgement.

Any time a driver cannot see an unlighted object approximately one-half mile away, he should turn his lights on. He may be able to see the other driver, but can the other driver see you?

### Cotton Quiz

WHAT IS THE MOST POPULAR FIBER TODAY?

MORE COTTON IS USED IN TEXTILES THAN ALL OTHER FIBERS COMBINED.

# the FASTEST cultivator you've ever seen!

COMPARE THE HARROWEEDER WITH THE UNITS IT OBSOLETE AND REPLACES! DRAG HARROW ROTARY HOE CULTIVATOR

The Harrowweeder:  
• leaves firmer seed bed  
• does better job of leveling  
• sheds trash better  
• makes soil hold moisture better  
• is easier to transport  
• can be used for cultivation

The Harrowweeder:  
• does better job of weeding in row  
• covers more acreage faster  
• can enter fields earlier after rain  
• can be used on taller crops without damage  
• is easier to transport  
• is not subject to damage in rocky fields  
• can be used for seed bed preparation

The Harrowweeder:  
• doesn't disturb root system of corn  
• does a better job of cultivating in the row  
• saves time in first cultivations  
• no shields required  
• causes less operator strain  
• requires no skilled operator for first cultivations  
• does not require tractor with good hydraulic system  
• does not hill dirt up around plants, rows are more level  
• can be used for seed bed preparation
