Homecoming Plans Taking Shape

Plans for Rankin, September 24, are according to ex-student school administrators.

of \$2.50 to \$10.00. Mums will be available with special lettering in the center designating "Exes" and "RHS".

All mum orders must be placed not later than 4:00 p.m. Friday, September 17. Orders may be given to any member of the Junior Class and those planning

to make purchases are urged to do so early in order that all arrangements may be made.

Other homecoming plans include the traditional bon-fire scheduled for Thursday night at 7:30 p.m. across from the high school behind the parking lot. Students will gather wood for the fire be-

tween the hours of 1:00 and 3:40 p.m. on September 16.

Anyone in the community who has scrap lumber or other material that would be suitable for the fire—old trees and tires excluded—are invited to call the high school and the scrap will be picked up free of charge.

Friday, September 17, a pep rally will be held on Main Street. The entire student body, led by the Red Devil Band, will parade down town for this annual event. The public is urged to as-

sist in boosting the Red Devils in a non-conference game against the Wink Wildcats at 8:00 p.m.

Homecoming queen candidates, selected by the student body of RHS, are seniors Cindy Braden, Rene Sproul, Connie Varnadore, and Marilyn Workman. The 1971 Homecoming Queen, who will be crowned during halftime activities at the football game, will also be determined by a vote of the student body.

Rankin has Won Last Two Matches --

Red Devils, Badgers to Joust for Upton County Championship Title

Comes Friday night, put the cat out early, latch the door and head for McCamey for the Rankin Red Devils and the McCamey Badgers are once again set to do hard and ferocious battle for the title of Upton County's Champion Football Team. Kickoff time is 8:00 p.m. in Badger Stadium and it's expected to be a full house affair.

In the more recent meetings of the series, Rankin has been putting the hairy mash on their country cousins from down near the Pecos, having won three of the last five games, tied one and lost one. However, word coming up from the greasewood aid oil wells of the McCamey area this week has it that the Badgers are all set to change the direction of the win-streak and return the Championship Crown to the hallowed halls of McCamey High.

Both the Badgers and the Red Devils were underdogs in their openers last week and both emerged with a moral victory of sorts. McCamey held a good Alpine team to a 0-0 score while the Red Devils had the Eldorado Eagles in the hole and behind all night until the last 2.5 minutes of the game when a pass play backfired and the Eagles emerged with a one-point victory 20-19.

Due to their lack of experienced hands, Rankin will be rated in the

underdog role, however, ratings have never meant much in the game in prior years and it is rated about a toss-up in some areas. Reports this week from Rankin High School indicates that school spirit is running high and that the team and their supporters are ready and eager to meet their rivals in a game that has been a friendly rivalry between two good ball clubs. It has been marked by clean play, generally, and good sportmanship by the fans—along with intense support of their particular team.

Friday night, another exciting chapter is expected to be added to the record books. Past games are as follows:

1962—Rankin 12, McCamey 28

1963—Rankin 20, McCamey 42
1964—Rankin 6, McCamey 7
1965—Rankin 6, McCamey 14

B-TEAM, 8TH GRADE

Thursday afternoon in Iraan, the Red Devil B Team and the Junior High 8th Grade will open their season with a pair of games with the Braves. The 8th Grade game will open action at 5:00 p.m. to be followed immediately by the B game.

Iraan does not field a 7th Grade football team. RJHS 7th Graders will see their first action next week in Wink.

Loaded

Pecan trees in the yard of Pearl Rankin sag over a fence and lay on the ground this week from the extra heavy load of pecans. Efforts to prop up the heavy limbs have been to no avail.

County Agent Dub Day noted that the current pecan crop apparently will be one of the best

in the history of the county Rains in August, plus cool weather, has aided in the growth and he says the nuts are well filled out and heavy.

The Second Annual Upton County Pecan Show will be held this year on November 20th in McCamey. Last year's event was termed a huge success.

A LETTER—

As will be noted in this week's Letters to the Editor, I am in receipt of a correspondence from Preston Smith, Governor of Texas. More than likely, every other newspaper editor in the state got a similar letter and it's not my usual practice to publish "chain letters." However, since I took the Governor to task in the column a week or so ago, it's only fair that his side be presented.

In any case, Preston's letter—you will note that we're on first-name basis—didn't touch very heavily on my heart strings. His efforts to picture Texas school teachers as hardship cases do not stand up and he sorta let the cat out of the bag when he said he had previously wanted "the Republican Administration" in Washington to mend its ways. That put the whole business on a political basis which is where most

of us felt he stood all along.

Another point: if, as he contends in his letter, he had "very good, logical and legal reasons for our position", why did he back off? It seems to me he never made any real effort to test the freeze, especially on a legal basis.

From the talk I heard immediately—

Rankin Study Club To Meet Saturday

Rankin Study Club will open their 1971-72 club year Saturday, September 18. Time will be at 10 a.m. at the Rankin Park Building.

All club members are urged to be on hand as plans and goals for the years are presented and discussed.

Xi Epsilon Chi has Monday Meeting

Xi Epsilon Chi chapter of Beta Sigma Phi met Monday nite in the home of Mrs. O. R. Adams.

Faye Copeland presided over the business meeting. New program and yearbooks were distributed.

Theme of this year's program book is "In Word and Deed and Thought."

The chapter received a "Thank You" note from Bob Parham for

the scholarship he received from the sorority.

Sybil Browning gave a program entitled, "Conversation". The element of surprise was the tape recorder she had set up before the meeting.

After the tape had been played back the member discussed some "much needed" tips for conversation. One of the main points was to be a good listener.

Refreshments were served to nine members and sponsor Mrs. Nancy Daugherty. Vicki Ratliff won the door prize.

LETTERS To The Editor

Mr. J. B. Huttchens, Jr.
Rankin News
Rankin, Texas 79778

Dear J. B.:

Most Texas newspapers and unfortunately large numbers of our citizens reacted to our position on the wage-price freeze, as it affects State employees and teachers, on the basis of emotion, without realizing that there were very good, logical and legal reasons for our position—reasons which

several projects that would be of benefit to the system but so far have decided not to put any of them into effect. Their judgment may be well taken. However, the point I would make is that we should not now sit on our hands, afraid of any new expansion, simply so we can remain debt free. The system, as it stands today, was not attained without the borrowing of funds.

By the same token, simply because we are free of debt, ill advised ventures are not in order just to be "doing something." Since it is a new experience for all of us, it may well be a time for close attention to all future expenditures.

Not many of us have ever had the experience of being debt-free. It could take some getting used to.

RINGS A BELL—

In football, we are all familiar with the expressions of "wide receiver" and "split end". And yet, in the more daily vernacular and using these same expressions, I somehow get a picture of a tax payer who has just had a closed session with the income tax people.

compelled us to take that position.

The issue is not, as has been suggested by many, that we or the State of Texas oppose any reasonable means of curbing inflation. Nor is it that we want special treatment for our State, its employees or teachers.

It is simply a question of whether Texas will be treated in a manner consistent with other States, almost all of which have already had pay raises go into effect for their employees in the past year, whether the Governor is supposed to protect and defend the Constitution and laws of his State, or simply forget his oath of office, and whether the Congress actually could authorize, or did authorize, the President to void State laws.

Indeed, we in Texas have been in the vanguard of the fight against inflation and recession. We operate under a spend-as-you-go budget, unlike the federal government's inflationary policy of deficit spending, which put this nation more than \$20 billion in the red last year.

We have cut spending wherever possible and even vetoed the entire second year of the biennial appropriations bill so that we could reduce spending to more sensible levels. We have prevented the enactment of unnecessary

taxes which would have placed an added burden on the already economically strained pocketbooks of our citizens. And, more than a year ago we called on the Republican administration in Washington to revise its failing economic policies in favor of well-planned, reasonable wage and price controls.

complex legal problems involved which make it difficult for the people to understand the action we took. Hopefully, greater understanding of the necessity for our action will become apparent as more and more people acquaint themselves with the facts.

ON YOUR OWN TWO

* Give a fan the ball and he'll run for a touchdown every play—in the stands.

AW, HECK—

Losing sure hurts but then, to quote Darrel Royal, it's supposed to. I guess when you get to the point that you don't mind losing, you're truly beaten. As long as you'd rather win, you're still in the game.

But all the excuses and rationalization put together will not alter the facts and the facts were we lost by one cruddy point. (You will recall that when we won by that same margin last year, it was a substantial victory.)

Anyhow, it was a fine ball game and had the proper amount of thrills and suspense. Rankin took the fight to the Eagles all night long and as one of the officials noted at halftime: "there's some hard hitting going on out there." That there was.

Rankin looked much better than they did a year ago for their opening game with an offense as good or better than much of the entire last season. Should they be able to improve as the season progresses as much as they did last year, their chances are very bright.

Time will tell.

FORWARD, HO—

Looking back and speculating on what might have been does no good. We take our lumps, try to learn from our mistakes and eye what's ahead. In this case, what's ahead right now is the McCamey Badgers and they don't look very docile. Playing without their main-string quarterback most of the game, they still battled the Alpine Bucks to a standstill and that speaks rather highly of them.

In all probability, they have as good, if not better, team as any they have had in the last several years. And I expect they are about ready to go all out to spank the Red Devils for past favors rendered.

Still, assuming that all this is true, I think the Red Devils will give an account of themselves. They always seem to play well against good competition and—win or lose—that's what the game is all about. These two teams have staged some dandies in the past and I don't think anyone will be disappointed Friday night.

OTHER RANKIN TEAMS—

This week two more Rankin ball teams open their season when the B Squad and 8th Graders go to Iraan. Starting time is 5:00 p.m. Iraan does not have a 7th Grade team.

It will be a long season for this year's B Team unless they began to show a little fire. They are far from the head hunters sparked last year's crew and yet they probably have, overall, the best B Team material to come along in some time.

But they're going to have to get mean. They may have tough teeth but they haven't looked to tough on the ball field.

As for the Junior teams, 4th & 10 has not seen them in action as yet and Coaches Poage and Goodwin are playing them under wraps and not putting out too much information. As a rule, however, they do allright.

PICKINGS—

RANKIN 16, McCamey 14. The boys have been palying one another since junior high and are pretty evenly matched. Rankin has the win streak going in the series.

IRAAN 28, Wink 8. The Braves did a respectable job with Big Lake last week and should be ready to roll against Wink.

ALPINE 18, Van Horn 12. Last year this was the only game Van Horn lost until the playoffs. They may pull off the upset this time

and keep their record clean. Wouldn't be surprised at all if Van Horn pulled off the upset.

SANDERSON 14, Marfa 8. The Sanderson lads have an easy non-conference schedule but this is not one of them.

SONORA 21, Junction 8. The big Broncos had a hard time with Coahoma but then a lot of people may have a hard time with those Bulldogs.

ROTAN 28, Stanton 7. Stanton is a lot like Stockton, the football takes some bad bounces for their teams.

BALLINGER 14, Big Lake 6. This pick is for our local Owl supporter, Johnny Howard. Ole Big John is a little worried about his Owls although he whistles a good tune.

OZONA 25, Eldorado 16. It's not that Ozona can do anything Rankin can't but they have a bit more experience. If Eldorado wins it, it will make the Red Devils look even better.

JAL 20, Crane 7. The Cranes

almost had the honors last week when Stockton had them down. Jal is bookoo tougher.

As for Clint and Socorro, 4th & 10 will make no further effort to keep up with them. It's about like trying to keep up with the Tokyo Tigers to find out anything about them.

Hopefully, this will be our last year in this idiotic district but if past records are any indication, you'd better not take any bets on it. Those nuts down in Austin couldn't care less about doing what's right—or reasonable — for West Texas schools.

LAST WEEK—

Eldorado 20, Rankin 19
McCamey 0, Alpine 0
Sonora 20, Coahoma 16
Van Horn 28, Wink 6
Big Lake 12, Iraan 0
Ozona 7, Junction 0
Sanderson 37, Imperial 8
Crane 34, Fort Stockton 21
Tahoka 36, Stanton 14
Clint won, score unknown
