## RHS B-Team to Balmorhea Today

Rankin High's B Team, in a game that has been added to their schedule, will be in Balmorhea Thursday evening for an encounter with the Bear B Squad. Kickoff is set for 7:30 p.m.

Originally, the B schedule was to have opened on September 14 when they will host Iraan. Action thus far for the team has been a scrimmage with Big Lake and Imperial. Against Big Lake, they moved the ball but were unable to contain their stronger opponents. In Imperial last Friday, they had what might be termed a romp.

## Rankin 4-H Club to Meet Sept. 12

Notice was given today of a meeting Tuesday, September 12 of the Rankin 4-H Club. All youths nine years old or over are invited to attend and to become active members of the Club.

The meeting will be held in the County Agent's office on the second floor of the courthouse. The session will open immediately following dismissal of classes at the school.

## Host Tough Eldorado Eagles Friday Nite--

# Red Devils Open Football Season

When they tee up the ball for kickoff at 8:00 p.m. Friday night, the stands are expected to be filled to capacity on both sides of the field, regardless of the weather.

For the Red Devils, ranked No. 5 in Texas Class A Highschool

football on the Harris Power Rating, it will be time to prove their standing. For the visiting Eldorado Eagles, it will be a golden opportunity to open their season by knocking off a power rated team and proving that they, too, are contenders.

From past meetings of the two ball clubs, fans can throw away all the statistics and get ready for a rock-hard football game. The Red Devils and the Eagles have established a record of upsetting the "experts" and going out and playing games that have little, if anything, to do with how it figures on paper.

Friday night's game, very likely, will be no exception.

## City Council to hear Telephone Manager

Rankin City Council was to hold their regular September session at 7:00 p.m. Wednesday, September 6. Among items on the agenda was a meeting with the manager of Southwestern Bell Telephone Company, Mr. John Zittle of Monahan.

Although unofficial, it is said that Mr. Zittle was to discuss several items concerning Southwestern Bell's operations in Rankin with the Aldermen and Mayor. Among these were the prospects for Rankin's receiving direct long distance dialing in the not too distant future, the cost of operations by the company in Rankin and a request for a rate increase.

Other matters expected to come before the Council were said to be mostly of a routine nature.

Eldorado, although somewhat at a disadvantage in experience, will easily make up the handicap with size. They boast five players on their roster who tip the scales at 200 pounds and over and all are classified as Juniors and Seniors. Missing will be their outstanding quarterback of past years; however, they still list two Nixons on their team. One of their outstanding players is said to be a transfer student, Ron Rathbone, who plays at the right linebacker position at 186 pounds. They are well staffed with boys in the 155-180 pound area.

In two scrimmages, they had a mix-up of sorts against a good Rock Springs team, in which the affair was said to have been called off before it was over, and in a scrimmage last week, are reported to have looked good against a AA school.

In the case of the Red Devils, it will be a question mark on offense and pass defense. In a wet-down scrimmage against visiting Big Lake, the Rankin crew made a fair showing but could not get the ball across the goal line. Last Friday they tested a smaller Imperial club and had some trouble on offense in their first time with the ball. Afterwards, they showed improvement and went on to put scores on the chart.

Against the run, the Red Devils are reportedly in pretty good condition. Against the pass, their secondary is still working hard to stop up some leaks.

Rankin and Eldorado have met on the gridiron fifteen times in the current eleven-man series and pointwise are about equal; Rankin having put 226 points on the boards to 230 for the Eagles. In their last two outings, an untried Rankin eleven beat Eldorado by one point two years ago, only to have the Eagles return the favor last year.

Following are past results:

1955: Rankin 27, Eldorado 7
1956: Rankin 12, Eldorado 33
1957: Rankin 6, Eldorado 7
1958: Rankin 18, Eldorado 12
1959: Rankin 0, Eldorado 12
1960: Rankin 14, Eldorado 27
1961: Rankin 6, Eldorado 14
1962: Rankin 28, Eldorado 32
1963: Rankin 20, Eldorado 13
1964: Rankin 14, Eldorado 26
1965: Rankin 12, Eldorado 14
1966: Rankin 24, Eldorado 0
1967: Rankin 12, Eldorado 0
1970: Rankin 14, Eldorado 13
1971: Rankin 19, Eldorado 20

Let us begin.

## Certain Veterans

### to Get Tags for \$1

Upton County Tax Assessor-Collector's office announced today that they have a supply of forms that enable certain disabled Veterans to purchase license plates for a \$1 filing fee. Application for these plates must be submitted to the Texas Highway Department's Motor Vehicle Division prior to October 1 preceding the registration year for which request is made.

"If we have Veterans who wish to apply for these plates, they should check with us right away," noted Chief Office Deputy Edith Windham. "We will be happy to assist them in every way possible," she said.

Veterans must have a 70 percent service - connected disability, and may receive only one set of plates at this price, either for a passenger car or a commercial vehicle up to one ton.

The vehicle must be registered in the Veteran's name and be for his or her personal use only.

If the application is approved, the plates will be mailed to the Veteran at the beginning of the registration renewal period, February 1, 1973, in this instance.

# Somebody's Living Right; It Rained Again in Rankin

Lightning may not strike twice in the same place but it has come two good rains in a row in Rankin and that's about as rare.

Over the week-end, Mr. Fred Welling officially measured a total of 2 inches, a quarter the first day and 1.75 for the last effort.

And that last one was a real quickie. With water falling in sheets several draws went over both the Midland and Crane Highways and at least one pickup was washed off the road at-

tempting to cross a draw on the Midland Highway. No one was injured but several people got wet. Naturally, it came on the opening day of dove season and several bird hunters were caught out in the dampness.

Mr. Welling reported that Rankin has received slightly over 15 inches of rainfall thus far in '72 and there's a good possibility of a banner year being set in this department. September is, generally, one of our "wetter" months. Nothing guaranteed, naturally.

# THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

## TIS SAID—

Tough luck is when you reach your September years and find out you missed the best of July and August.

## THE ODD BIT—

All of a sudden there's a rush to limit the powers of the Governor in Texas—to make his office little more than a ceremonial position and all this at a time when the huge load of state affairs almost demands that someone with authority head up the state operations.

Laws that have been on the books for a dozen or more years are—all of a sudden—becoming unconstitutional and at the rate things have gone in the past few weeks, about the only thing the next governor will be able to preside over with anything close to authority will be a tea party in the garden.

Now why do you suppose we have this almost "pop-up" rash

The Rankin (Tex.) News —  
Thursday, Sept. 7, 1972

of decisions limiting the powers of Governor in Texas—especially after many of these powers were voted by the Legislature and have not been questioned for all this time?

It's one of two things: the powers that control state affairs are finally getting around to realizing that Dolp Briscoe could be governor—and the resulting disaster that would follow; or, these same powers are beginning to

WE GIVE GOLD BOND STAMPS

DOUBLE STAMPS ON WEDNESDAY

outcome for you can't have any business as big as the State of Texas and nobody with the authority to run the thing.

**TODAY—**

Someone ought to write a really modern Western. The big scene would feature the hero in front of the saloon trying to find a place for his horse.

**THOSE BUGS—**

Ralph Nader and his elk are hell on wheels when it comes to putting the bad mouth on U. S. automobiles. It would seem that anything bearing the "Made in U.S.A." sticker turns Ralph and supporters up to a high pitch. They can find more faults with American-made cars than there are parts.

One of their big yaks is safety features in American cars. According to Nader and his Raiders, it's not even safe to sit down in most automobiles made in the U. S.—much less drive them.

But for some oddball reason Mr. Nader has very little to say about the safety factor in foreign made cars — most especially the biggest killer of drivers in Amer-

ica, the German - made Volkswagen. Not only is the VW dangerous to the people who would be foolish enough to risk their necks in this "bug", but it is a further hazard to others who drive the streets and highways.

An example of just what to expect from the VW was seen in Rankin last Wednesday when one glazed a light reflector and proceeded to turn over three or more times, resulting in the death of one young man and serious injury to another. Similar fatal accidents have been recorded in West Texas when VW drivers have hit jackrabbits, deer and tumbleweeds — and even, suspected instances where the wind has blown the bug off the road.

Most of the above "brushes" would amount to little more than a bump in almost any American-made automobile.

Now I ask you, why is a vehicle such as this allowed to be sold and driven on the highways? Why isn't Mr. Nader doing his thing in trying to get it banned—or is his thing only to draw attention to so-called shortcomings of American - made products while totally ignoring something as deadly as a Volkswagen?

It would be interesting to know the true facts.

**THE RAIN GAUGE—**

Rankinites have noted for most of the summer that rain clouds have frequently been in operation to the south in the area of Ozona and Sonora. Reports of big rain-falls have been given from time to time.

Over the Labor Day, I had occasion to talk with several natives from that part of the country and they said that, indeed, it had been a wet summer. One ranch-

er near Comstock said that he'd quit trying to keep up with the measurements but that his range was in great shape.

But perhaps the biggest news—and it was missed by the daily newspapers—has to do with the water in the Juno area. For the first time ever, water backed up into the Juno store. And, that friends, is about the biggest bit

of news ever to come out of Juno.

One night, in that area, it rained 7½ inches according to one native of the area. Needless to say, the Devil's River has been more than living up to its name with roads washed out, fences gone and at least one car becoming a victim.

Mucho agua.

Rankin High National Honor Society Officers: president, Billy Eggenmeyer; vice-president, Jimmy Eggenmeyer; secretary, Deb-

bie Bloxom; and treasurer, Debbie Winters.

Junior High Band Officers include Chris Barton, president; Randy Doege, vice-president; and Mike Vick, secretary.

## Midkiff H. D. Club has Tuesday Meet

The Midkiff Home Demonstration Club met Tuesday afternoon in the El Paso Natural Gas Co. recreation hall at Midkiff. Upton-Reagan County Home Demonstration Agent Jalyn Burkett presented a program on using fabric scraps.

Such items as patchwork skirts, house slippers, bottle jackets, and tapestry-type pictures were shown to members with instructions on how to make them.

New federal regulation requirements to comply with recent additions to the Civil Rights Act in regard to club membership were

## CARD OF THANKS

TO Dr. Gossett, Mr. Feuge, the nurses and hospital staff, just wanted to say a special thank you for being so nice to us and Jake while he was in the hospital. Also would like to thank the many wonderful friends and neighbors for all the many kind deeds you did for us, your concern, visits, love offering of Halliburton men, cards, foods and most of all your prayers. We will always be most humble and grateful to each of you.

Our Love,  
Mr. and Mrs. Jake VanZandt  
and families

appropriate than Eldorado for an opener. We will know pretty well after Friday night where we need more work and what to expect at almost every position. The Eagles will test us.

from Page 1)

of Red Devils that field Friday night. have been under and have not been A majority of the fine B Team ago that scored over the giving up only 6, flubbed play.

know what it is to they know what it namely, a 100 per- um every man on of any team more

And to those who would point to the fact that Rankin is rated— on the Harris Power Points— a solid 12 point favorite, forget it, Rankin and Eldorado have never played according to the experts over the past 15 years. I guess I've seen all those games and in most instances, the favorite has come off the field defeated. You will recall the last two encounters and see what is meant. Eldorado waxed us all over the field in 1970 but lost the game— only to return the favor last year after we hammered them most of the night.

**LOVINGTON 14**, Jal 13. This is strictly a guess and after we play them, Jal will be dropped from the pickings here because there's no way to keep up with them or the teams they play.

**Ozona 21**, Junction 7. The Lions look good on paper but as yet are not "way out".

**SONORA 20**, Coahoma 8. That's not unusual for the Red Hosses from the Devils River country.

**CRANE 12**, Ft. Stockton 8. One of these days Stockton is going to turn it around. They may start this year. One report said they had 200 out for football.

**STANTON 14**, Tahoka 13. This should be an improved year for the Stanton lads. They won't be great but they won't be the push-over of former years.

### Omicron Tau Holds Opening Meeting

Beginning day for Omicron Tau was held Monday, August 28, in the home of Mrs. Jim Kelley. Mrs. Kelley, president, conducted a business meeting which included various officer and committee reports.

Yearbooks were given to each member, and the Scrapbook from the previous sorority year was presented. The Ways and Means Committee sponsored a White Elephant sale. Items donated by the members were auctioned off to those present. Proceeds went into the chapter treasury.

### School Menu
