Now if you're saying to yourself "That's a swell looking car, but I couldn't afford it," we'd like a quiet word with you.

That car is a Pontiac Catalina, lowest priced of the big Pontiacs. Catalina has everything that makes a Pontiac a Pontiac—the superlative style, the extra-careful construction, the big-muscled Trophy V-8 performance, the road-wedded Wide-Track ride. Everything. And, the price is very, very right. It must be. After all, you don't get into third place in sales just by selling cars to rich people. Now, how about having a quiet word with your nearest Pontiac dealer. Wide-Track Pontiac

See your authorized Pontiac dealer for a wide choice of Wide-Tracks and good used cars, too.
