## WOODWORK BY DALTON

A FELLOW name of Richard Starnes writes (in his syndicated column) a few comments about the coming April 15, which isn't as far away as most of us would like for it to be.

He says the guys in Congress set up the tax cut to take place two-thirds this year and the last third next year. But, he says, the withholding rates were cut all the way back this first year. This means that people who have been enjoying the added amounts on their pay checks all year will have to cough it back up come next April, or at least part of it.

He says this may even have a good point to it though, when people working for salaries have to pay all that dough in a lump, instead of having it re-moved under the anesthesia of the withholding system. He said it might even make enough people so mad they'll do something about it.

"It never will happen, but abolition of withholding would bring with it the instant cry for tax reform," says Starnes. This is an event most employers would be delighted to see come about. Farmers and people operating businesses already are well aware of the staggering blow of having to pay it all at once. If everybody had to do it, maybe some changes would be made.

EDITOR & PUBLISHER magazine reports that the Beaumont Journal recently printed a headline on a wedding story, reading "Several Affairs Precede Jones-Smith Marriage." (It really wasn't Jones-Smith). And the Elizabeth, N. J. Daily Journal had this statement in a story: "He suffered a fracture of the right nose in the crash." Reminds me of the time when I was working for the Evansville (Ind.) Courier and we sent back to the printing department a story which was published with this statement: "The attractive young mother and her little two-headed boy were guests at the Optimist Club Fun Festival..." Anyway, it was supposed to have been "Two-headed."

MY FOOTBALL daze is nearly over. Maybe it's a good thing, since I missed three more out of 11, giving me a mark of 79-31 for the year, or .718. This week, Amherst may beat New Deal, about 20-14, but Sundown wins district anyway, and also likely will pour it on Anton by about 30-6. Arkansas will beat Tech, I believe, say 24-6. Otherwise: Brownfield 23, Littlefield 14; Dumas 28, Hereford 0; Monterey 24, Lubbock 7; Florida State 7, Florida 6; Nebraska 14, Oklahoma 6; Baylor 28, SMU 7; Rice 20, TCU 13.

Charles Rodney Nichols was home from WTSU during the weekend to visit his parents, Mr. and Mrs. Rodney Nichols.

Mr. and Mrs. J. W. Olds were Lubbock visitors Thursday and returned by way of Plainview to visit the Leland Bouldins.

Mrs. J. B. Wren of Littlefield visited this week in the home of her daughter, Mrs. Kenneth Wiseman.

The Sudan Hornets closed out a disappointing season with an 18-14 loss at Hale Center last Friday night, but the Gold and Black did turn in one of the season's best efforts in the finale.

Coach Henry Hall's charges struck like lightning on two long scoring plays in the first half, and a third thrust at the goal line in the last half was stymied about half an inch from the promised land.

Early in the game, QB Mike Smith tossed a perfect strike to HB Larry Morgan who caught the ball on the dead run shoulder-high and outran all defenders on an 80-yard play. Mike Bellar kicked the point, and Sudan led 7-0.

Christmas came early for Hale Center a few minutes later when Sudan fumbled on its own 17 and the Owls recovered, scoring two plays later as FB Leroy Taylor waltzed across from the 5. Frank Cantu and Kessel May stopped an extra point running effort and Sudan led 7-6.

In the second quarter, Hale Center went into the lead, with HB Buddy Dukes going 5 yards at the end of a short 28-yard drive. May again led the charge that stopped a running effort and it was 12-7, Owls.

The lead was plenty brief, for on the ensuing kickoff, Smith bobbled the ball, finally picked it up at the 12, ran to the right sideline, where he appeared trapped around the 20 yard line. But he suddenly reversed himself completely and ran back toward the left sideline, where he broke free and ran all the way to score. The play covered 88 yards downfield and about 50 yards sideways. Bellar again split the up-rights and it was 14-12 Sudan at halftime.

Hale Center took the second half kickoff and moved quickly to the Owl 46. Then the quarterback lofted a pass to HB J. D. Davis, who juggled it at the sideline, finally wrapped it in with one hand and sped straight down the corridor for 54 yards and the winning touchdown. A run failed, and it was 18-14.

Late in the third, the combination of Smith to Morgan clicked again, with Morgan racing 48 yards with the aerial down to the Hale Center 6. FB Danny Masten made 1, then mashed to the 6-inch line. But Sudan failed to score in two more plays, one by Masten and one by Smith, although a few admittedly prejudiced observers thought Masten went over on the third down effort. Anyway, never again did Sudan have it so good, and that wrapped it up.

Masten was the Hornets' leading

rusher with 62 yards in 17 efforts. Morgan caught all of Smith's four completions, for a total of 139 yards. Bellar threw one pass, which was intercepted, but also went high to intercept one of the Owl tosses. In addition, Bellar punted four times for an average of 43 yards.

The Hornets had one touchdown called back as a player was off-side when Smith tossed a 28-yard strike to Robert Williamson, normally a tackle, who was playing end and who thereby missed his only chance to score in four years of Sudan football.

Tommy King, Kessel May, Morgan and Ronnie Brown all looked good defensively for Sudan, which wound up the season with a 3-7 mark.

A phone hookup will be arranged especially for the program, which Saunders said drew a packed house when presented to another club recently.

WATKINS GIN HAS THE NEW K-B (KIMBELL-BISHARD) COTTON CLEANER AND GREEN BOLL SEPARATOR. THIS UNIT MEANS TO YOU:

- BETTER GRADES:** Earlier harvesting of the cotton before weather damage and deterioration of staple and grade. The K-B removes green bolls and preserves the quality of the lint. Dirt and trash are also removed in the first gin operation instead of the last operation as previously.
- NO INJURY TO FIBER:** All cleaning is done by air. The K-B unit does not break or damage the fiber as is done with beating cylinders, etc. Fiber damage means shorter staple and lower micronaire.
- MICRONAIRE NOW PART OF GRADE:** Removal of immature bolls means better micronaire. Reduces number of wasties and barkies, which can mean up to \$15.00 per bale more to you.
- BETTER TURNOUTS:** Through the return of green bolls to be ginned later after they open. This can up the turnout by as much as 5 per cent.
- PRACTICALLY 100% WEED SEEDS REMOVED** from burs and seed eliminating noxious weeds, and less hoeing.
- EARLIER PULLING:** This machine will allow you to pull your cotton 2 to 3 weeks earlier. You do not need to wait until your cotton is completely open before stripping.

**THE TIME IS NOW!**

Scripture: St. Luke 17: 26-36; Genesis 6: 5-8, 14.  
The careless, indifferent, pleasure mad, power-mad, or immoral day by day lives of some people of America today is an appalling thing to me.  
Jesus said that as it was in the days of Noe (Noah), so it would be at the time of His returning to the earth. (This time He will come, not as a babe born in a manger with nothing, but in power and great Glory, accom-

panied by the Holy angels). So, think of how it was in the days of Noah.  
When God told Noah that the flood was coming, there was violence, materialism and wickedness on the earth. And God repented that He had ever made man. He then decided to destroy all men which He had made, because "that every imagination of the thoughts of his heart were only evil continually" — except Noah.

We can well imagine that Noah was the most ridiculed and "laughed at" man when he started to build the Ark according to God's instructions. Up until this time it had never rained on the earth, and nobody heeded, or cared about God, much less an old man like Noah.

In our day we see and hear the people of God, almost in desperation but for the Presence of the Holy Spirit, crying out both in word and action that "God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." Do you really hear this message?

The indifference and carelessness of our fellowman breaks the Christian's heart over and over again, because we as Christians love our human family. We can see the deadly peril that threatens them, but which they do not see.

Danger? This peril is a much more terrible fate than just being killed by an atomic or nuclear bomb. To say that death ends everything is as silly as saying that you can destroy an entire family just by destroying the house in which they live. We only live in these physical bodies. The time of Jesus coming again is drawing very near. The way

is being prepared for the coming of the "man of sin" (anti-Christ), the Rapture of the true Church, the great tribulation, and then Christ, with the Church age saints, will come to earth to reign on David's throne for a 1,000 years. You can believe all this, I think, if you will read your Bible Prayer fully, then take a look at yourself before God, and also take a look at events and at others.

Laugh or ignore this, if you will, but this does not change God's Word. All of us who know and love Him, are watching eagerly for His coming back and are joyful, amid all the confusion and turmoil and even in pain and sorrow, for we know we are God's child and that He loves us. Since we love our fellowman, we want you to know Jesus, too. But, remember your choice must be made before Christ's coming, and your time to get ready to meet Him may be shorter than you think.

Him. You are doing one or the other this minute. There is no in-between way—for while you may ignore Jesus, still He died for you. And God says you either accept Jesus or you are rejecting Him, because He accepts only Jesus in payment for your sins.

Are you ready to meet God? Can you say that you can get into heaven (where not even an evil thought can enter) without accepting Jesus as God's Son, and your Savior? Accept Him, so that His blood shed for you may cover even that sinful thought and make you pure again.

Jesus said that He was the only door into heaven, so don't be so careless, or busy, or anything that might cause you to miss Him! For Jesus can give you now eternal life, and lead you all the way Home. Choose Jesus — But the time you have to make your choice is NOW.

It's Chico Bargain Fare time again on the Santa Fe—through April 30, 1965.

For example, a regular round-trip ticket costing \$100 will be sold at the off-season bargain fare of \$80. Round trips costing \$75 now will be only \$60, and similar reductions will apply for round-trip tickets from all stations except for local trips within the State of California.

No matter where you travel on Santa Fe trains, round-trip bargain fares will save you approximately 20%. Tickets on sale every day with a return limit of 30 days. Yes, bargain fares apply for both round-trip coach and first-class tickets.

Now you can leave the car at home and save money traveling by Santa Fe.

**Santa Fe**

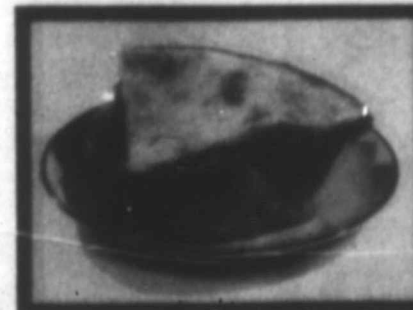

There's ever walking side by side,  
To be accepted or denied,  
A right or wrong that fills each day,  
That never fails to come our way,  
A task that we're to live, to do,  
In making choice between the two,  
We find it's one continuous fight,  
To always stand for what is right.
