WOODWORK BY DALTON

WHY SHOULD I bother to try to think of a bunch of things to say, when some other guy already has thought of something better? For example, take these gems from various newspapers:

See where some fellow came up with a real definition of a committee: He says, "a committee is a group of unqualified persons appointed by a disinterested party to do a job that no one else would volunteer to do." —Tombstone (Ariz.) Epitaph.

Women will not be the equals of men until they have a bald spot on their heads and still think they are handsome. —Waynesboro (Miss.) News.

(That one no doubt was written by a woman—or some guy who is married to one).

It would be wonderful if high prices would come down once in a while to get on speaking terms with the country in which they were raised. —Irish Digest.

A go-getter in some offices is the fellow they send out for coffee. —Regina Commonwealth.

A college education these days is a real riot, isn't it? —Coshen (Ind.) News.

(My own explanation of this is that a lot of youngsters just don't know riot from wrong).

AN OLDTIME preacher, riding his circuit on horseback, found one of his aged parishioners puffing on a pipe on the porch of her shack. Appalled, he pointed at the pipe and asked: "Mix Wilkins, do you expect to be saved?"

"Yes, preacher, I do," she replied.

The preacher's voice rose: "Don't you know, woman, that the Bible says nothing unclean shall enter Heaven? How do you expect to go there with your breath smelling of evil tobacco?"

"Well, preacher," she said between puffs, "when I die, I 'spect to leave my breath behind me."

LAST WEEK, I missed so many games I haven't yet tallied up my score. But this week, I predict:

Nazareth 12, Sudan 8; Amherst 13, Ropes 0; Muleshoe over Friona; Denver City over Littlefield; Tulla over Floydada; Seagraves over Farwell; Kress over Happy (maybe); Anton over Hart; Baylor over Florida State; Arkansas over TCU; Texas over Indiana; Texas A&M over Texas Tech; Purdue over SMU; Rice over Duke; West Texas State over Arizona State.

BAPTIST TO HOLD ACTIVITIES MEETING

Among activities to be held at the First Baptist Church during October will be A Calendar of Activities meeting, October 4; Church Officers Installation services, October 10; Chairman of all Stewardship Committees meeting, October 11.

Brotherhood program, October 12; Annual Annetional Meeting at Farwell, October 15; and Sunday School Leadership clinic, October 18-21.

GOVERNOR DESIGNATES TEXAS 'CROP' WEEK

A memorandum from Governor John Connally designating October 24-31 as Texas CROP Week was received by Joe T. Salem of Sudan, Chairman of the Texas CROP-CWS Board, during their meeting Tuesday in Austin.

The document describes the community appeal of Church World Service in Texas and urges participation as follows:

"CROP is the only community-wide church food appeal in our State for overseas programs of the churches. As a program of the Texas Council of Churches, CROP is the program of 20 denominational units of our State through the Division of Christian Mission with its local appeals organized, planned and conducted by local volunteer workers.

"CROP also receives designations for other overseas church relief agencies such as American Friends Service Committee, Catholic Relief Service, etc.

"Texas is blessed with abundance, and most of its residents are capable of rendering a helping hand to others. Through CROP we have the opportunity to express our gratitude to God by way of our gifts to the needy in other lands.

"Therefore, I, as Governor of Texas, do hereby designate the week of October 24-31, 1965 as Texas CROP Week and urge widest participation to community CROP appeals."

Mr. Salem said, in presenting the document to the Board, "With this encouragement I am confident that the people of our State will help us reach our goal of \$100,000 in cash and commodities."

SENIOR CITIZENS CLUB MEETING SET

The Senior Citizens "Young at Heart" club will be meeting Friday, Oct. 8 at 3 p. m. in the Sudan Community Center, it was announced this week.

In charge of the program will be the ladies of the First Baptist Church, who will also serve the refreshments.

Roughnecks Take Sudan, 22-0

HOLD 'EM HORNETS - The Sudan Hornet's defensive team had a hard time holding the Sundown Roughnecks Friday night as Sundown defeated the Hornets 22-0 for the Hornets fourth defeat of the season.

(Staff Photo)

By MELVIN HOOTEN

The Sudan Hornets were upended by the Sundown Roughnecks 22-0 Friday night when they traveled to Sundown to tangle with the oil derrick Roughnecks.

The game opened with the Roughnecks kicking to the Hornets. RB Corley Behar for the Hornets picked up the ball and made a spectacular 29 yard run, dodging in and around the Roughnecks. The Hornet's rushing, however, was stopped cold in the first quarter by the Roughnecks defensive team, who held the Hornets to a slim 9 yards rushing in the first period of play.

The Roughnecks taking the ball like a house on fire made a TD in the middle of the first quarter. The drive began from their own 46 yard line and they marched all the way to the goal with running plays. The most spectacular play of the march took place when Roughneck Jim Gray took the ball and ran 23 yards before being pulled down by a Hornet. Gray came within three yards of the goal and it took only one more play for Ronnie Popejoy to stamper three yards to cross the line, making the first TD for the Roughnecks. Dub Holly ran the ball across the line to give two more points to the Roughnecks, giving them an 8 point lead during the first quarter.

The second quarter was a hard fought battle, but neither team

was able to send the ball over the goal line. Both tried out their passing arm during this period. QB Holly for Sundown, completed two out of five attempts and netted 19 yards in the air while QB Ronnie Hill completed two out of two passes, netting 16 yards in the air.

In the third quarter, the Roughnecks had a monopoly on the ball. Following the halftime activities in the Sundown stadium, the Hornets kicked off to the Roughnecks and with their eye on the goal posts, marched from their own 34 to the goal line in 10 tries. It was Popejoy who once again gained six points for the roughnecks by crossing the line, then Gray carted the ball across to add two more points to their growing score.

In the opening plays of the fourth quarter, the Roughnecks once again were knocking up the door for another TD, but FB Mike Bellar saved the day for the Hornets when he intercepted a pass behind the goal line, which gave the Hornets possession of the ball on their own 20. The Hornets, however, in an attempt to gain yardage fumbled the ball and the Roughnecks recovered on the Hornet 6 yard line.

The Roughnecks in two tries ran the ball over the goal line adding 6 more points to their score, making it 22-0. Holly

Masten-Harrison Vows Exchanged

Miss Glynn Masten, daughter of Mr. and Mrs. W. C. Masten of Sudan, and Albert Harrison, son of Mrs. Albert Harrison and the late Albert Harrison of Clovis, were united in marriage Saturday, Sept. 25 at 4 p. m. in the First Methodist Church of Sudan.

The double-ring ceremony was read by brother-in-law of the groom, Rev. Bob LaGrone of Myra.

Charles Harrison of Amarillo, brother of the groom, played organ music and accompanied the soloist, Miss Vicki Masten as she read Edgar A. Guest's "How do I Love Thee", and sang "No Other Love" and "The Wedding Prayer".

Given in marriage by her father, the bride's floor-length gown was of white brocaded satin with brocaded length sleeves, and button-trimmed to the fitted waist line in back. Her shoulder length veil of silk illusion was fastened at the top with a white rose. She carried a bouquet of miniature white mums and forget-me-nots with white ribbon streamers atop a white Bible.

The bride's mother wore a two-piece green knit suit with dark green accessories. Mother of the groom wore a dress of printed blue with black accessories. The bride's attendants wore brocaded biscayne blue satin dresses with head bands of pale blue silk illusion and carried bouquets of pale blue mums.

Matron of honor was Mrs. Gale West, sister of the bride; Miss Jane Newman of Sudan and Mrs. Van Dunn of Vega, were bridesmaids.

Attendants of the groom were Ed Harrison of Amarillo, brother of the groom, as best man; Johnnie Harrison, also brother of the groom, and Eugene Harrison were groomsmen. Ushers were Dale and Denny Masten, brothers of the bride, and brothers of the groom, Gary and Richard Harrison.

Lighting the candles were Kim Glenn, cousin of the bride, of Rudloep, and Bezzie Harrison, brother of the groom.

Wedding guests were registered by Mrs. Don Ed Robinson of Fort Worth, aunt of the bride.

A reception was held in the church fellowship hall immediately following the ceremony. The groom is employed at Central Computer in Sudan and the bride is a teacher in the Muleshoe School System.

Following a honeymoon trip to Rudloep, the couple will be home at 400 South Street in Sudan.

SUDAN RESIDENTS RECEIVE SERVICE AWARDS

Four Sudan residents are among 54 employees of the Public Service Company who will be honored Oct. 6 at the division's 17th annual service awards dinner in Ft. Worth.

B. A. Nantmore will receive a 15-year service award while Lonnie Horn and L. J. McCarty will be honored for 10 years of service. Raymond Hanna will receive an award for five years of service.

Roy Tolk, executive vice-president of the electric company will present the awards.

Throughout Southwestern Public Service Company's 45,000 square mile service area, 292 employees with a combined service of 3775 years are being honored this year at service awards dinner.

YOUNG HOMEMAKERS CHANGE MEETING DATE

There has been a change in the meeting date of Sudan Young Homemakers from Tuesday to Thursday, October 7 at 7:30 p. m. in the Homemaking Cottage.

The program topic will be "The Use of Cosmetics". A cosmetician from Littlefield will be present to aid in and discuss individual uses of makeup.

Personals

Mr. R. E. Scott has a new nephew, born last week to Mr. and Mrs. Joe W. Parrot of Loveland. His name is Joe Lynn and he weighed 9 pounds, 9 ounces.

Dr. and Mrs. Bill Tucher and family of Pueblo visited during the weekend in the home of his parents, Mr. and Mrs. John Tucher.

Mr. and Mrs. John Gilliam attended the Pushhandle-South Plains Fair in Lubbock Tuesday.

Local Lumber Company Has New Managers

Boyd Allen and George Figg, previously manager and assistant manager of the Foxworth-Galbraith Lumber Co. in Littlefield, have taken over the management staff at the Foxworth-Galbraith Lumber Co. in Sudan, following the retirement of Reed Markham.

SUDAN MOTOR COMPANY TO SHOW 1966 FORDS

Sudan Motor Co. will be showing the 1966 Fords here Friday, Oct. 1, as announced in this issue by the Ford Motor Company and your local Ford Dealer.

Included in the new Ford models are the Thunderbird, Fairlane, Mustang, Galaxie and Falcon, with the many and varied designs such as hardtops, sports Coupe, convertibles, etc.

"The Ford was all-new just a year ago," said M. S. McLaughlin, Ford Div. asst. general manager. "It represented the greatest tooling investment in Division history and was superior in style and quietness to some of the world's finest cars."

"In every sense, we had a sound competitive base for 1966 but we chose not to stand still. On that solid foundation we have built still more safety, convenience, quietness and performance into all 1966 Fords."

Mr. and Mrs. Joe Fisher visited during the weekend in the home of his brother and family, Mr. and Mrs. Carl Fisher in Goldsmith.

Allen and his wife, Bobbie Nell, both belong to the Methodist Church and anticipate joining the Methodist Church in Sudan when they move here. They have three boys, Marshall Lynn, 13; Douglas Boyd, 10; and Bradley Dale, 6. Allen said that Marshall Lynn visited with the Sudan Band one day and is anxious to move so that he can start to school here and join the band.

A member of the Lions Club, Allen served on the board of city development in Littlefield, and was also treasurer for the Cub Scouts.

He said that he is looking forward to meeting the Sudan people and invites them to come in and visit with him at the lumber company.

George Figg, will assume the position of asst. manager here. Figg said that he has been associated with the lumber business since 1948, and during those years he has worked with lumber companies in Littlefield and Loveland.

Figg was born in Amherst and graduated from Spock High School. He is single and is a member of the Church of Christ.

MOOTH PLAINS HOSPITAL HAS NEW DOCTOR

The South Plains Hospital and Clinic in Amarillo announced today with the appointment of a new doctor on the staff at the hospital and clinic. W. J. Walker, M.D. began his

DR. W. J. (BILL) WALKER

office as doctor in Ambrose Monday.

Dr. Walker and his wife, Mary Lee, moved to Ambrose from Sulphur when he was engaged in medical practice. They have four children, Joe, 12; Mike, 10; Nancy Lee, 7; and Doug, 5. They are Baptist and anticipate joining the First Baptist Church in Ambrose.

Dr. Walker first became interested in the medical profession as a pharmacist. After being in the pharmacy business for five years and learning a great deal about medicine, Dr. Walker decided to go to medical school. He graduated from the University of Texas Medical Branch in Galveston in 1946 and served as an intern in the Baptist Memorial Hospital in San Antonio in 1946-47.

Having been in general practice since 1947, Dr. Walker said that he has found the medical profession to be a very rewarding field.

Dr. Walker spent the first years of his life in Cleburne and graduated from Cleburne High

School. He also attended classes for one year at Junior College in Cleburne.

In speaking of the hospital, Dr. Walker said, "South Plains Hospital is well-equipped and a very friendly hospital." He said that he and his wife are anxious to become a part of the Ambrose community and to meet the Ambrose area residents.

ZETA DELTA CHAPTER OBSERVES PARTY NIGHT

It was "party night" Thursday evening, Sept. 16, at the bi-monthly meeting of Sudan's Zeta Delta chapter of Ipsilon Sigma Alpha International.

Zeta Delta members and their husbands were feted to a buffet supper, in the home of Mr. and Mrs. Edward Fisher. The supper featured "Sluppy Joe".

Later the couples played card games and had home made ice-cream for dessert. Mrs. Fisher and Mrs. Robert DeLoach were hostesses.

Those present were Mr. and Mrs. Bill Palmer, Mr. and Mrs. Joe Bellar, Mr. and Mrs. Al Carllock, Mr. and Mrs. Robert DeLoach, Mr. and Mrs. Edward Fisher, Mrs. Guss Masten.

Only half of the sorority's meeting are social affairs. The business meeting each month is devoted to educational and philanthropic activities.

ESA is known throughout the world for its three-pronged program. Each year the ESA's 40,000 members and 1,500 chapters donate more than one million dollars and hours to aid the handicapped on a local level.

Zeta Delta chapter meets every first and third Thursday evenings of each month. The next social will be a Rush Party in the home of Mrs. Jacky Van Ness in October.

has been reduced to 40 cents for 1965.

Officials of Plains Cotton Growers, Inc., are urging maximum attendance at the organization's annual meeting in Lubbock on October 2. The meeting will begin at 9:30 a. m. in the Municipal Auditorium on the Texas Tech campus.

Donald A. Johnson, executive vice president of the 23-county cotton producer organization, said: "The problems now facing cotton in general and High Plains cotton in particular make it more important than ever that cotton farmers take an active interest in their producer organization."

L. D. (Don) Anderson, PGC Secretary-Treasurer, said: "This is a time when PGC can

Study Club Meets Here

"Responsibility to My Club" was the program theme directed by Mrs. S. D. Hay at the meeting of the 1965 Study Club held Monday evening in the home of Mrs. Kenneth Wiseman when a salad supper was served.

The motto for the meeting was "Whatever you do, do well". Mrs. Marvin Tollett made the presentation of the club year-books.

Initiated into the club as new members were Mrs. Webb Watts and Mrs. W. E. Hancock. Also returning to the club as a member was Mrs. F. M. Smith. Mrs. R. S. Gatewood was in charge of the initiation services.

Mrs. Hay presided at the business meeting.

The project for the program was to place a United States flag in all Sudan homes. The flags will be sold by club members.

Present were Mesdames Hay, Wiseman, Tollett, Watts, Hancock, Gatewood, Wesley Hargreaves, C. E. Nichols, J. W. Olds, Jack Riley, Gordon Taylor, W. V. Terry.

and must take the lead in seeking ways to maintain our cotton industry in this area."

The meeting October 2 is to be built around "an internal look at PGC," and this will be the theme of the principal address to be given by Wilmer Smith of New Home. Smith is Chairman of the Board of Plains Cotton Growers, a past president and one of those who founded the organization in 1956. He has been an officer or director since that time.

Johnson explained the "internal look" idea for the meeting by saying that it would include an evaluation of past accomplishments and a look at future activities of PGC.

Directors and officers for the 1965-66 year will be installed at the meeting. PGC has two directors from each of its 23 counties and most of these have already been elected at county meetings. Officers will be elected from the Board of Directors at a meeting of that group on September 29.

The financial report will be given by Anderson and Johnson will give a report.

A free barbecue lunch will be served and all present will receive a ticket to the fair.

SCIENCE SKETCHES

TELEVISION does not hurt children's eyes, and the amount of viewing doesn't make much difference to their school performance, says Prof. Eleanor MacCoby, Stanford University child psychologist. In fact, she says, preschoolers exposed to TV have a handout in vocabulary over non-viewing youngsters.

JUPITER is surrounded by a sea of hydrogen gas 100 miles deep, according to studies by Penn State University. This estimate is 10 times higher than previous research indicated.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

"Satisfactory progress with exceptional efficiency and organization" sums up reports given yesterday on the High Plains Boll Weevil Control Program being sponsored by Plains Cotton Growers, Inc.

The reports came from entomologist evaluating the program for PGC's Area-wide, Steering and Technical Advisory boll weevil committees at meeting in Lubbock. Approximately 65

people attended, including Dr. Edward F. Kaspiling, Director of the Entomology Division, Agricultural Research Service, USDA, Beltsville, Maryland.

D. H. Russell, District Supervisor of USDA's Plant Pest Control Division in Lubbock, reported that spray operations are now back on schedule. Spraying was interrupted recently by almost four full days of rainy weather.

Russell said cumulative acres sprayed in the program to date come to over 600,000. The control zone covers some 250,000 acres of cotton spread over parts of nine counties and according to Russell almost all of it has now been sprayed for the third time. The first three applications were set on a five to seven day schedule, and spraying will continue until frost every 10 to 14 days. Ultra low volume malathion is being used to kill weevils on cotton in the control zone.

Don Rummel, entomologist with the Texas Agricultural Extension Service here, said a 90 percent reduction of weevils was seen in heavily infested fields around Dougherty two days after the first spraying. "How-

A distinctive roof line is featured on two new Thunderbird models for 1966, the Town Landau, top, and the Town Hardtop. Both cars offer an elegant "town car" look contrasted with convertibles and the traditional and more sporty Thunderbird roof line continued on 1966 Thunderbird hardtop. An option is reflected in the styling of all 1966 Thunderbirds and is availability of an optional 128-cubic-inch performance engine. Other new options include a Stereomonic tape player integrated into the radio in the center console, and five-way automatic Mustang First speed control integrated into the steering wheel. An overhead console containing door-jamb warning light, fasten-seat-belt warning light, emergency flashers, and low fuel warning light is standard on all "Town" models. All 1966 Thunderbirds will be in Ford dealer showrooms October 1.

Baking Soda Kills Cooking Fires

Whether a bride of the jet age or jazz, You know whenever you cook with gas That a fire can break out in the broiler or skillet... So be fully prepared to quickly kill it.

Fill up a canister with a load-a That household staple... baking soda. Label it FIRE and station it close To the stove so you can dump a dose Of bicarb when the first flame rises, And you'll prevent a major crisis.

For as soda hits flames they promptly die, They don't have a chance to multiply. And unless too burned, food's safe to eat. (Soda's used in cooking), so just rinse and heat.

GA Coronation Held Here

A Coronation Service for the Girl's Auxiliary of the First Baptist Church was held Sunday Sept. 26 at 7:30 p. m. with Mrs. G. C. Ritchie acting as coronation officer.

Candidates for maiden were Tranya Chester, Pamela Seefeld, Jana West, Libby Chisholm, Alice Ailla, Mita Whiteaker and Sun Templeton.

Lady-in-Waiting candidates were Gwen Churchman and Debbie Stanley. Candidates for the Princess step were Rene Markham and Kathy Rice.

Queen candidates were Susan

Benton, Cynthia Wiseman and Connie Lance with Crown Bearers Steve Ritchie, Tammy Baker and Kelly Hargrove.

Candidate for Queen Regent in Service was Diana Clark with Wyatt Shanks as her crown bearer.

Judy West was pianist and Joann Cartwright played a concert fanfare announcing the entrance of each Queen.

Ushers were Judi Hazel, Frances Hanna and Nancy Lason.

Counselors for the GA's are Mrs. Billy Chester, Mrs. C. L. Seefeld, Jackie Noblett and

Mrs. Lester Shanks.

The GA's, a girls organization of the Baptist Church, is for all girls between the ages of 10 through 16. Steps are earned through individual work.

Son Qualls received a 5 year Sunday School and Training Union Attendance Pin from the First Baptist Church of Sudan.

SHORT AND SWEET

Kansas holds the record for the largest number of tornadoes—1041—over a 40 year period... Texas is a close second with 999, followed by Oklahoma, Iowa, Nebraska, Arkansas and Missouri... The safest states are Nevada, Rhode Island and Alaska... Only one tornado occurred in each of the states in 43 years... The longest officially recorded tornado traveled 293 miles in Illinois and Indiana in 1917, lasting seven hours, 20 minutes...

Dental drills today operate at a speed of 250,000 revolutions per minute... Drills forecast for the future would make use of the laser beam, doing in seconds what it takes minutes for the conventional drill to do... Another revolution in dentistry would be in the use of aluminum for filling teeth... It would eliminate the tendencies of current fillings to leakage which in time causes teeth to decay and discomfort when taking hot or cold drinks.

THOUGHT FOR THE DAY

Don't you know we're only brothers,
When we're really one at heart,
How we differ from all others
Is the way we play our part.
Love we have for one another,
That's the way we really know
That we're one another's brother,
And how far for each we'd go.

SCHOOL OFFICIALS ATTEND HEALTH SEMINAR

William Doolittle, school nurse, and Roy Smith, supervisor-counselor of the Sudan school, attended a seminar on Health Care in Amarillo last Wednesday.

Dr. Donald Webb, Austin physician, gave the keynote address. He told a crowd of more than 150 physicians, school officials, nurses and civic leaders from 35 cities in Texas, New Mexico, Kansas and Oklahoma that present shortage of health personnel is rapidly becoming more critical.

A team of four will be at Sudan High School Nov. 11, to present program which is designed to encourage young people to consider health careers.
