WOODWORK BY DALTON

ONE OF THE big problems with American news media is that when they get a good story, they beat it to death.

This is true of newspapers, magazines, radio and TV. We're all guilty, speaking in the group sense, of taking a good thing (and sometimes just a fairly good thing) and hammering at it until the average reader, viewer or listener is sick of the whole deal.

This week we got another example of what I mean, in the coverage given the Pope's visit to the U. N. and the U. S. Newspapers began running reams of stories from the time it first was announced that the Pope was coming, and most of them carried a bunch of stuff on each day's activities—as they should have — and also a whole lot of speculation, background, and pure ecstatic idiosyncrasy—which they shouldn't have.

Television networks pooled their resources to make sure that nobody who wanted to watch anything on TV other than the Pope would be able to do so—at least not for a day or so.

It was stated by some of the TV people that the visit of the Pope would be covered in the same way as the Kennedy funeral, except that it wouldn't last as long.

The Kennedy funeral coverage was overdone. The Pope coverage was overdone. When Queen Liz of England had her last baby some years ago, it was overdone. When MacArthur was fired by Truman, it was overdone.

All of these were undeniably top news stories in which many were interested. But not quite so many (especially in the Queen's case) nor quite so interested as the news media seemed to think.

The same is true of the Pope's visit. His coming to the United States is big news. It should have been reported factually and minus a lot of hogwash. But especially in this part of these reasonable United States the Pope doesn't rate nearly so high as the coverage seemed to indicate. We have quite a number of Catholics in this part of the country, but they remain in a definite minority. To non-Catholics, the Pope is just a man, albeit a good man, and we admit that if his pleas for world peace will do any good, we're for him 100 per cent.

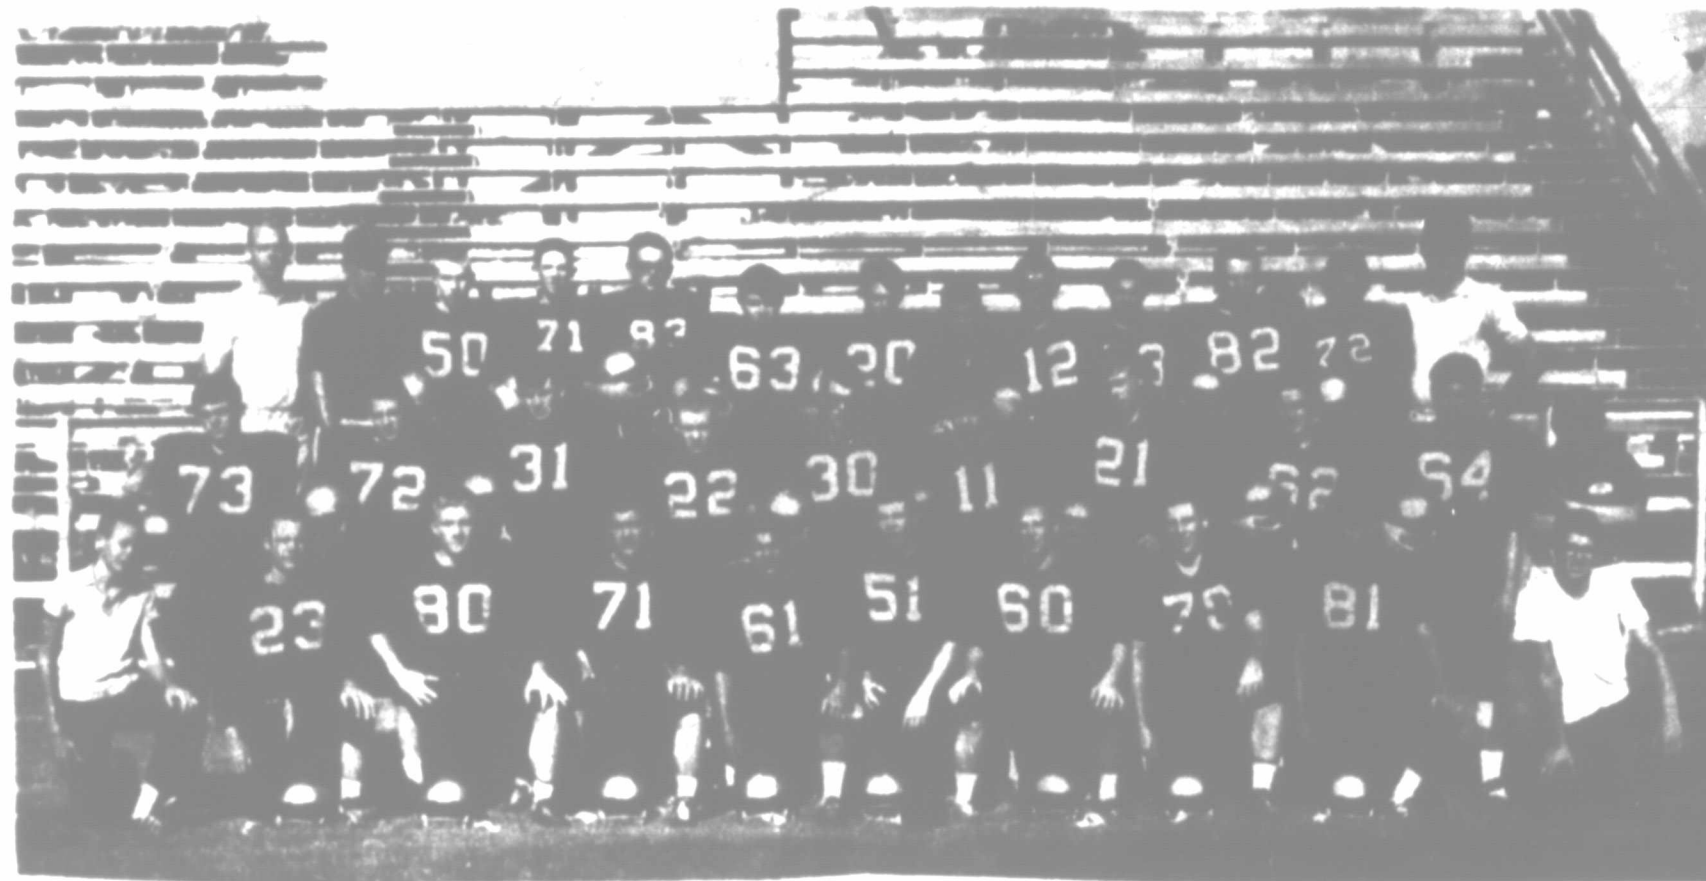

Nevertheless, if you tried to read your paper the first of the week, or watch your TV, you no doubt got pretty tired of hearing about him.

Personally, I think Billy Graham should demand equal time at the U. N.

LAST WEEK, I happily missed on Sudan, and unhappily missed predictions on five other games out of 15. This was not too good, but for this week: Springlake 24, Amherst 8. Here, by the way is the game I'd most like to be wrong on. The Bulldogs have a fine team, and might turn the trick, but Springlake doubtless has been warned

HORNETS WIN OVER SWIFTS, 34-20

1965 SUDAN HORNETS FOOTBALL SQUAD

By MELVIN HOOTEN

Sudan Hornet fans left Masten Stadium in a happy mood Friday night following the Hornet's 34-20 victory over the Nazareth Swifts. Even with three starters out of Friday night's game, the Hornets showed that they have what it takes to play football.

The excitement Friday night started in the second quarter when the Hornets started moving the ball to try to overtake the 13 point lead netted by Nazareth in the first half of the period.

Nazareth made their first TD when QB Marvin Hostling threw 10 yard pass to Clyde Venhaus. HB Bernard Withington split the uprights to add a point to the TD.

After receiving the ball, the Hornets tried to move the ball but were held by the big Swifts defensive line. Mike Bellar then booted the ball to the Swifts 10 yard line, but Hostling caught the ball and made a walloping 90 yard run, completely avoiding any contact from the Hornets to make the second Swift TD.

The Hornets, still in the second quarter showed that they too could make a TD. After receiving the ball following the second Swift TD, the Hornets moved the ball from their own 32 yard line to the goal posts in seven plays. It was HB Larry Morgan that took the ball from QB Ronnie Hill and scampered 25 yards for the TD. The Hor-

nets tried to add two more points to their first TD, but the try fell short of the goal line.

Now it was Nazareth's turn to make a touchdown in the second quarter. Once again, Hostling threw a pass, this time to Gerald Brockman that was good for the Swifts third TD. Withington kicked the extra point giving the Swifts a total of 20 points in the first half of the ball game.

With the clock threatening to end the first half, the Hornets were not ready to give up yet. Morgan again taking the ball made a spectacular 64 yard run for the second Hornet TD. Once again the two point try failed and the first half closed with the score 20-12 with Nazareth leading.

The Swifts superiority soon started falling in the third quarter when the Hornets gained a monopoly of the ball and moved it within the Swift 20 yard line two times and gained five (in downs). In the same period, the Swifts only had the ball for five plays and gained only 17 yards.

In the fourth quarter, the Hornets determined to win the ball game, showed the Swifts how to play football.

In the early part of the fourth quarter, the Hornets took the ball from the Swifts on the Swifts 28 yard line and in six plays had another Hornet TD. It was QB Hill who ran the ball for one yard to cross the goal line for the TD. This time, the Hornets were successful in adding two more points to the score when Morgan ran the ball over the line. The Hornets were now only four points behind the Swifts, but the Hornets were quick to close the gap with the fourth Hornet TD.

This time it was FB Bellar who ran 30 yards for the TD and HB Gary Gatewood added two more points to the growing Hornet score.

It was Gatewood who cinched the game for the Hornets when he broke through the line to make an exciting 60 yard run for the fifth Hornet TD.

The Swifts, now furious with the power surge of the Hornets, vigorously tried for another TD, but were unable to come close to the goal line. The game ended with the score 34-20 in favor of the Hornets.

Friday night's game noted Sudan's first victory of the season and Nazareth's first loss.

The Hornets gained a total of 332 rushing yards Friday night and HB Larry Morgan made 223 of these yards.

The four Sudan Hornets that were not in Friday's game were Corley Baker, Monte Roberts, Rodney Bowling and Hector Salinas.

Fire Insurance Key Rate Increased For Sudan, Goes Down In Amherst

The State Board of Insurance this week announced changes in the fire insurance key rate for both Amherst and Sudan. Amherst received a decrease in its key rate, from 65 cents to 60 cents, which will mean a savings of \$635 for residents of that town if the insurance is bought at the same rate as last year. Sudan received an increase in its key rate, from 36 cents to 39 cents, which will mean that residents of Sudan will pay \$793 more for fire insurance this year if bought at the same rate as last year.

The key rate represents the basic premium for \$100 for fire insurance and is determined through a system of charges and credits applied after the state agency checks on a city's fire hazards, protective equipment

and other factors. Charges against Amherst totaled 63 cents, but were reduced to the 60 cent figure by credits amounting to three cents. Principal charges against Amherst were 10 cents each for deficient water mains in the mercantile district and for having a wholly volunteer fire department.

LOCAL CAR DEALERS PRESENT '66 MODELS

Two Sudan automobile dealers will present their new car models this week.

Baccus Chevrolet will show the '66 Chevrolet today (Thursday) and Friday, climaxing the festivities with a drawing for a door prize to be held Fri. at 4 pm.

Doyle Baccus, owner, stated that the new models have many improvements over the '65's in styling and convenience to the operator along with mechanical achievements. There are 50 models of passenger cars to choose from including the new Caprice series. So come by and see for yourself.

Robinson Motor Co. will be showing the new Pontiacs this weekend, starting today.

Lloyd Robinson, owner, in extending an invitation to all residents to come by and see the new models, reported that from the Tempest to the Grand Prix, extensive advancements in automobile styling, engineering, safety and an assortment of models are offered this year. He added that the Tempest line has been redesigned including a new GTO motor.

A complete new motor, the 2 plus 2, has been added.

Monday Car Wreck Injures Two Sudan Residents

Rev. and Mrs. Willie Hazel, who were injured in a car wreck in Shallowater Monday, are in Methodist Hospital, Lubbock. Mrs. Hazel remains on the

critical list in the hospital's intensive care unit at press time Wednesday.

Rev. Hazel, who is pastor of the First Baptist Church here, suffered head injuries, deep cuts and bruises and was in fair con-

dition, according to reports. Pink Parson, driver of the other car also sustained minor injuries and was taken to Methodist Hospital.

Highway Patrolman W. W. Baker who investigated the accident, said all three persons were thrown through the windshield at impact.

Baker said Parson was traveling south on County Road 15 at Shallowater and attempted to pull onto the highway. Hazel was headed east on U. S. 84 at the time of the accident.

AMHERST JUNIOR CLASS TO SPONSOR SUPPER

Kids' Photos To Be Made

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a good look at their future "World Builders".

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

MR. SMITH VISITS

Mr. Smith visited the office of the state tax administrator, Mr. Wiley Malyon, on Sept. 27. They discussed the state's tax situation and the state's participation in the conference. Mr. Smith is the state tax administrator of another state. They also discussed the state's budget and the state's economic situation.

Following the visit, they were served refreshments. Mr. Smith is expected to return to his home state on Sept. 28. They will be in contact with each other during the conference.

SHORT AND SWEET

The first basketball game ever played between five-man teams took place in Iowa City, Iowa in 1896. The contestants were Iowa and Chicago Universities. Chicago took the game with a score of 15 to 12. In France and Germany, jury votes do not have to be unanimous to convict. In France, a two-thirds majority is necessary and in West Germany just a simple majority is enough for a conviction. Every United States Senator has a glass shaker of black blotting sand on his desk, a custom dating back to the days of quill pens. The word penny is believed to derive from Penda, a ruler of the 7th-century Anglian kingdom of Mercia.

"Conscience is a still small voice that makes us feel small."

Champion Golfer's Fitness Tips

Gery Player, 1945 Open Golf champion, and winner of the recent World Series of Golf, is a physical fitness enthusiast. He advocates no rigid regimen, but believes that balanced exercise, rest and diet are important for everyone, professional or amateur, businessman or homemaker. As for diet, Mr. Player prefers natural foods—lean meat, vegetables, milk and fruit. A favorite snack, on or off the golf course, is a banana. He likes the energy the fruit gives, and its few calories (only 88 in a medium banana). Cereal, milk and sliced bananas make a nourishing quick breakfast. A 19th-hole refresher is this Banana Apricot Shake:

BANANA APRICOT SHAKE

- 1 banana
- 1 1/2 cups cold milk
- 1/2 cup apricot puree, chilled
- 1 tablespoon honey
- Dash of nutmeg

Using blender or electric mixer, combine all ingredients and blend until smooth. (Or, mash banana with fork and shake or beat with remaining ingredients.) Top with nutmeg. Makes two 8-oz. servings.

Apricot Puree: Simmer 1 12-oz. package dried apricots in 1 1/2 cups water in covered saucepan until tender, about 20 minutes. Stir in 1/2 cup sugar. Blend or beat in electric blender or mixer (or force through sieve). Makes about 2 cups puree. Store in refrigerator.

TIPS FOR OUTDOORSMEN

ARGUMENT SETTLER—Most Texans hunt deer in a group on a season's lease. At times arguments arise as to which hunter shot which deer once it has been hung on the rack.

To avoid misunderstanding, and to positively identify your deer, write your name on one of the antlers with a felt marking pen before bringing it into camp. Then if your tag becomes detached, your deer still will be identified.

TAPE WARNS OF DOGS—Night-hunting dogs such as coon hounds, fox hounds, etc., are in dire danger in this motorized age. Frequently these hunting dogs cross busy highways during their run. You can protect them from being run down by attaching reflector-type tape all around their collars.

This will give them a measure of protection since the tape will glow when caught in the beam of an approaching headlight, and give the motorist time to avoid hitting them. Also, it will enable you to keep better track of your hounds in the woods.

CARSICK DOGS—Car sickness is a common ailment found in many hunting dogs.

Owners of the larger breeds, such as pointers and setters, have recourse only in anti-seasick pills—or other such remedies.

But small dog owners can slip a plastic bag over the rear end of their animals when transporting them. This will protect car upholstery and simplify the clean-up job later.

BEWARE OF SICK RABBITS—Most rabbits are healthy. But rabbit hunters always should be on the alert for sick animals.

Never shoot a sluggish bunny. If you bag one that has acted suspiciously, don't clean it if there is so much as a mosquito bite on your hand.

If the animal's liver seems spotted, throw the carcass away ... or better yet, bury it. Tularemia is a dreaded disease!

USE STRING ON FAST DRAW GUN—Many a handgun has been damaged by being dropped while practicing the fast draw.

You can protect your prized handgun from such damage by tying one end of a string to your belt, and the other end to the gun's trigger guard. String won't interfere with a fast draw, but it will catch the gun should it be dropped.

Remember to say no bullets should be in the gun when you're practicing the fast draw.

BONNEVILLE CONVERTIBLE

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

GTO CONVERTIBLE

and again!

You're looking at the newest tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests, Tempest Customs and Le Mans. V-8's? Up to 360 hp in the GTO. See all the '66 tigers in tiger country today. **Wide-Track Pontiac/'66**

**ESA CHAPTER
HAS SOCIAL**

The opening night of "The Silver Dollar Casino" was the scene in a drama acted out for members and their husbands of the Iota Eta Chapter of Epistol Sigma Alpha, Thursday, Sept. 29, at the First Baptist Church.

The social meeting was in the home of Bob and Martha Taylor. Jackie Matham served as co-hostess assisted by her husband, Joe.

The local actors were apparent waitresses imported from Las Vegas, who served the dinner consisting of fried chicken, French fries, tossed salad, hot rolls, cherry tart.

Dinner music was followed by an after-dinner floor show furnished by a group "flown in" from Las Vegas for the special opening. They were Danny Martin, Gordon Gilstrap, Brenda Drake, Jan Harper, Sheila Baker and Susan Jones.

Members and husbands in attendance were Messrs and Mesdames O. D. Martin, Noel Lumpkin, Donnie Cowart, Emery Blume, Harlan Pickett, Gayle Brown, Don Wood, Paul Provence, Bobby Jack Matham.

Also attending as guests were Mr. and Mrs. Ronnie Fisher.

The members of the Iota Eta Chapter met in the home of Alma Lumpkin for coffee Saturday when Christmas cards to be sold by the organization were on display. The display, including an assortment of cards, was viewed by the public while coffee and cookies were being served.

Anyone interested in purchasing Christmas cards are asked to contact any Iota Eta member for a private showing of the cards in your home.

**HAVE FAITH
IN GOD**

Scripture: St. Luke 16:10-13. Looking at ourselves today we begin to say, "This is not right for them to do this to me, so I'll just do this to them" Looking at Jesus, we would say, "God, have mercy on me, a sinner, and also forgive my neighbor."

I get a little sick taking a look sometimes at our beloved America. Every man's deer's seem right in his own eyes. You may say there is corruption in high places, but I say there is corruption in "low places" too. There is good also in both high and low places.

Then let's look at Jesus, the Savior of the world. Everybody runs for cover when one begins to talk of sin—especially personal sin. Instead of repentance in our nation today—personal or national—a lot of us substitute different emotions and "pass the buck" so to speak, until we have deceived ourselves for so long that our Faith in God and each other has been

greatly damaged.

We have become mighty poor stewards too, over so great gift from God, and our inheritance, America. We are a people chosen as stewards over America. A Christian nation based on faith in God and the teachings of His Word. Our national and personal freedom cost something. We did not just win a home in America at the toss of a coin.

Jesus said, "He that is faithful in that which is least is faithful also in much; and he that is unjust in the least is unjust also in much." That takes in all of us, small or large in the eyes of the world. Our America as a nation is made up of people. I am one of them. It is true I am only one, but, if Jesus has even one person who truly seeks to know His will, and is obedient so that Jesus can use that one—live in that one—then, every single person, small or great in the eyes of men, is important in the stewardship of

this world for God. In our personal lives, and in our business, Christians, are we really faithful over "unrighteous money" (our money)? Do you think how you answer, because you cannot hide from God.

So you ask, "What can I do as one person who looks at Jesus, and, in the light sees the Truth?" Here's one answer: if you think you nation is doing wrong, pray for your nation; if you feel that your neighbor is doing wrong, pray for your neighbor; and, always remember Jesus' warning to us in Matthew 7:3-5. Warn your neighbor of his wrong doing in love, and, do all you can to make the place where you live a better place to live. Look at Jesus (read God's Word) and repent.

Repentance is knowing that you need to be saved from sin and death unto life. A feeling of shame and remorse for what you have done that is sin, a humble asking of God, your Father's forgiveness, and a turning around from your way, desisting by the help of God, to follow in the way that Jesus walked.

Take God at His word (Faith) when He said that He gave Jesus to pay for our sins, because He loved us so much that He wanted us back home to live forever with Him. Just take Jesus and trust in Him, because Jesus never fails! He keeps His promises. Try Him and see. Look at Him and live eternally!

The glorious liberty of the children of God.—(Rom. 8:21—A.V.)

God, in his infinite goodness, provides for all of us the truly glorious liberty of being His children. To deserve that status we must make every effort to pattern our lives in His true image, in every way that we can.

QUEEN REGENT IN SERVICE—DIANA CLARK is shown as she gained the step of Queen Regent in Service in GA's. She is the first to earn this rank in the Sudan First Baptist Church Girl's Auxiliary organization. Wyatt Shanks was her crown bearer during the ceremony.

Hide Keys in Hub Cap Taking car keys on a long hunt can cause problems. While changing pants or when sitting down you may lose the keys.

Here's how to lock your car and still have keys handy. Just pry off a hub cap, toss the keys inside and replace the cap. They will be there when you return.

DELTA KAPPA GAMMA CHAPTER MEETS IN AMHERST

The Spring Delta Chapter of Delta Kappa Gamma met Saturday at the Fellowship Hall of the First Methodist Church in Amherst when Paula Skivins and Joyce Hodge were hosts for the meeting and tea.

A fall social arrangement highlighted the tea table bearing crystal appointments.

Blanche Johnson of Mulahoe, vice president, presided when committee reports were given.

"Educational Patterns in Mexico" was the program topic directed by Elizabeth Ayres of Littlefield.

Bonnie Tullis of Littlefield led the group singing.

It was announced the Fall regional meeting will be Nov. 6 in Denver City.

Those attending from Sudan were Elsie Wilson, Hazel May, Maxine Nichols, Hattie Bowen, and Mary Tollett.

It's not at all a thing that's won. For you and me to survive. A life we think is not in him. Instead of watching yours and mine; Corrections we would likely make. Might prove to be a sad mistake; So let's proceed to do our bit, In making our own lives more fit.

CARD OF THANKS
I would like to thank the people of Sudan who have been so kind to my parents, Mr. and Mrs. Ben F. Fisher during my father's prolonged illness. I also want to thank them for being the friendly Texans that they are, since I had forgotten how nice it was to walk down a street and be greeted by everyone. It's a very warming experience just to know you have such loving loyal friends. It makes it a little easier for me to return to my home.
Most Sincerely,
Lola (Fisher) Shroy

**WEDNESDAY NIGHT
TO BE HELD IN PLAINVIEW**
A Future Wagoner Show will be held Oct. 14, at the Civic Auditorium in Plainview, 227-4111. The show will feature the new model "Tribble" which will be one of the special numbers played during the program.
Showmaster also stated that proceeds from the show would go to the Little League baseball program in Plainview.

KIDS PHOTOS
Winton E. Lucas of Irving, Texas, will be here Tuesday, Oct. 19, with all the necessary equipment for this specialized work.
Pictures will be taken at the Sudan Beacon-News office from 9:30 a. m. to 12:30 p. m.
There is no charge to the parents. There are absolutely no strings to this invitation. It is beneficial in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

This paper simply wants pictures of all the youngsters and the more, the better. So the mothers and fathers of the community in which this paper circulates should remember the date, Tuesday, Oct. 19, and bring their children to the photographer.
You will be mighty glad afterwards, if you did and very very sorry if you do not permit your children to participate in this event. The kiddies will have fun and both mother and dad and the youngsters too will be proud to see their pictures in print later.
Appointments may be made by calling 227-3911.

Miss Joann Henry and Wix Gaston were luncheon guests Sunday in the home of his sister, Mrs. Joe Price and family in Lubbock.
