WOODWORK CANTATA SET SUNDAY

BY DALTON

COLDS are miserable, as everyone knows who has one. And nearly everybody has one right now. Although most of our illnesses are classified under a vague term called a "virus" the common cold is still all too common.

I've spent a lot of my time lately clasping a bottle of nose-drops bearing the warning, "Keep out of reach of children," which sounds like good advice for anybody.

A twelve year-old boy muttered the other day as he blew and blew, "I hate my nose," and I could sympathize with him, because sometimes I feel the same way. One of these days, I mused, I'll blow my nose and it'll come off in my hankie, one great big red blob.

LOVED that cartoon in Saturday Evening Post which showed the little Negro girl sitting on Santa's knee and asking for a "Stokely Carmichael Doll, and a Burn, Baby, Burn Game."

ONE OF THE recommendations of a committee seeking to establish uniform safety standards for cars and drivers all over the U. S. is for comprehensive driver training programs including a state program for driver education in the school system, and for a adult driver training program and retraining of drivers.

Presumably this latter is for current drivers who really can't drive, and I'd be all for that. But I never have been convinced of the value of the Driver Education programs.

Now I know I am attacking a sacred cow when I say this, but personally I feel I am just as qualified to teach my kids how to drive as most of the Driver Training teachers.

This is another of my famous Lone Wolf opinions. Someone said recently that a person should speak up for what he believes, right or wrong, and even if everyone else holds a directly opposite view.

I don't care much for Texas Tech and the Dallas Cowboys either.

WE WILL present our annual Christmas edition of this newspaper next week.

CAGERS WIN OVER ANTON

The Sudan Hornets, coached by Mrs. Glynna Harrison and Mrs. Sandra Nelson, came out of their season starting slump to defeat the Muleshoe girls Friday in a thrilling overtime period, 36-34. Then Tuesday night they lowered the boom on the girls from Anton, 45-23. The Hornets, with Norman Nelson directing the play, defeated the Anton Bulldogs 70-39 in a one-sided victory. They also gave the Littlefield Wildcats a scare Friday although the Wildcats went ahead in the last half to win 59-55.

Leading the scoring for the Hornets against Muleshoe were Penny Mudgett with 12 points, Donna Gaston with 10 and Sharon Baker with 8. Sudan led the scoring 15-7 at the half with Muleshoe coming alive in the final quarter to tie the game 33-33, forcing an overtime playoff. Sudan sank three points in the period to win the game 36-34.

In the game against Anton here Tuesday, Sudan took a 18-14 lead at the end of the second period,

with Mudgett again leading the scoring, although Sharon Baker scored 12 points in the last half to lead the scoring for the night with 18 points. Mudgett had 16 and Donna Heard scored 6. Thelema Bell led the scoring for Anton with 15 points.

The Sudan Hornets really put on steam against Littlefield Friday night and tied the scoring 17-17 in the first period. At the half time Littlefield led by a slim margin of five points, 34-29. The Hornets had trouble in the third quarter and the Wildcats went into the final period with a comfortable lead of 14 points. However, the Hornets started hitting in the fourth period and Littlefield was forced to stall the ball in order to hang on to their victory 59-55.

Danny Martin led the scoring for Sudan against Anton with 25 points while Ronnie Hill scored 18 and Mike Bellar, 10. The Hornets took an early lead and led 40-18 at the half. Also seeing action for Sudan were Larry Morgan, Gazy Gatewood, Harry Williamson, Steve Martin and Jerry Bellas. The Hornets put 71 per cent of their free shots through the hoop to aid their scoring.

The boys b-team from Sudan didn't fare as well as the varsity, with Anton outshooting them for a 55-26 victory. Here Anton took the lead in the first quarter, 13-4 and led throughout the game. Pat Minyard was high-point for Sudan with 13 points, followed by Larry Hanna with 10 points.

Sweets to the Sweet

If you would like to give a Christmas or hostess gift that will be appreciated for its taste as well as its thoughtfulness, stir up a batch of Coconut Fudge Drops. Made creamy smooth with Carnation's evaporated milk, the fudge is prepared with just five minutes' cooking time. Economical evaporated milk has many other uses too. It makes soups and stews creamier and meat loaves juicier. And it whips just like cream for use in chiffon desserts and whipped salads but costs much less and has fewer calories.

COCONUT FUDGE DROPS
(Makes about 2 pounds)

- | | |
|---|---|
| 2 tablespoons butter | 1 1/2 cups (1 1/2 six-ounce packages) semi-sweet chocolate pieces |
| 1/2 cup (small can) undiluted velvety evaporated milk | 1 teaspoon each: grated orange peel, vanilla |
| 1 1/2 cups sugar | 1 cup flaked coconut |
| 1/2 teaspoon salt | 1/2 cup dark seedless raisins |
| 2 cups miniature marshmallows (about 4 ounces) | |

Combine butter, evaporated milk, sugar and salt in saucepan over medium heat. Bring to a boil. Cook 5 minutes, stirring constantly. (Start timing when mixture starts to "bubble" around edges of pan). Remove from heat. Stir in marshmallows, chocolate pieces, orange peel and vanilla. Stir vigorously 1 minute (until marshmallows melt and blend). Stir in coconut and raisins. Drop by teaspoonfuls onto a buttered cookie sheet. Cool.

ACCIDENT REPORT MADE
BY HIGHWAY PATROL

The Texas Highway Patrol investigated nine accidents on rural highways in Lamb County during the month of November, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in one death, one person injured and an estimated property damage of \$5,290.00.

The rural accident summary for this county during the first eleven months of 1966 shows a total of 101 accidents resulting in four persons killed, 51 persons injured, and estimated property damage of \$68,835.00.

The 1966 December traffic cloud hangs very low and dark over the Texas streets and highways horizon. What does the traffic picture look like for this

year-end holiday season? If it is anything like the repeat of the past it is going to be a very sad one for Texas History.

Since 1960, traffic deaths in Texas have risen from 2,254 to 3,028 in 1965. At the beginning of this present month, the traffic fatality count in Texas was 2,921. Motorist are now driving during the most deadly month of the year. December, 1965 was the most deadly month in the history of this state with 363 traffic fatalities.

What kind of picture could this year end with? The 2,921 traffic deaths already recorded plus 363 deaths similar to last December would give a total of 3,284 traffic deaths. The Sergeant stated it is estimated that this year's traffic death count will be about 15 per cent over 1965.

Scriptures; Psalms 40; St. Luke 25-34 1:26-38.

"If ye then be not able to do that thing which is least, why take ye thought for the rest?"

This is written to declare the faithfulness of God to love us with an eternal love, and to proclaim

the gospel Good News that Jesus Saves!

Why clutter up this message with words and more words, when the great, and only, real need of any man is a Savior, which is Christ the Lord.

God, in His great Mercy and

loving kindness, offers us forgiveness of our sin, and eternal life by our faith to accept Jesus Christ as Lord. One by one, as we accept Christ as our personal Savior, God the Father, accepts us as His Child. And Jesus said "Fear not, little flock, For it is your father's good pleasure to give you the kingdom."

Are you fearful that you are not good enough to be God's Child? I would remind you, then, that Jacob was not "good," Zacchaeus was not good-in fact none are good except God. It is God in Christ who is good, and who can take us as we are, and mold us, make us more like Him day by day, if we trust Him and give ourselves to Him.

Have you been almost overcome by the temptations and evil around you? Has your sinfulness taken such a hold upon you that you cannot look up? Then, call upon God as the Psalmist of old, and remember to believe in this as you seek the Lord:

"But I am poor and needy; yet the Lord thinketh upon me; thou art My help and My deliverer; make no tarrying. O my God."

God is thinking of you; will you "make room in your heart to think of Him? Blessed is that man that puts His trust in the Lord.

The Virgin Mary was troubled at the greeting of the Angel Gabriel, but she listened as he said,

"Fear not, Mary for thou hast found favour with God. And behold thou shalt conceive in thy womb, and bring forth a son, and shall call His Name JESUS.

He shall be great, and shall be called the Son of the Highest; and the Lord God shall give unto Him the throne of His father David;

And He shall reign over the house of Jacob for ever; and of His Kingdom there shall be no end."

Mary did not fully understand, but her response was "Behold the handmaid of the Lord; be it unto me according to thy word."

Will you listen, read God's Word, and make your response to God in willingness and obedience according to His Word. Hear Him, and live in praise and joy forever with Him. Fear not, seek Him first, and He will give you "the Kingdom."

Don't you know we're only brothers,
When we're really one at heart;
How we differ from all others
Is the way we play our part.
Love we have for one another,
That's the way we really know
That we're one another's brother,
And how far for each we'd go.
