

Morton Tribune

"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, DEC. 2, 1948. NUMBER 40.

VOLUME IX.

Shown in the above photo are (left to right) A. H. Freeman, J. W. Styles, W. C. Cook, J. L. Gobin, M. H. Fowkes, and H. D. Crockett, studying the fingerprint filing system with Joe E. Fletcher, Assistant Director, Texas Department of Public Safety, while attending a two weeks school at Camp Mabry, Austin, Texas.

AAA Committee Election To Be Held Dec. 11th.

Community farmer committee elections will be held in Cochran County Saturday, December 11, G. C. Keith, Chairman of the County Agricultural Conservation Committee announced today.

At these elections committees to administer the Agricultural Conservation Program and related programs for 1949 will be chosen. Since both the Agricultural Conservation Program and Price Supports are of vital concern to farmers of Cochran County, it is to the best interest of each farmer to participate in this election.

This farm program with its elected farmer committees gives farmers an opportunity to administer their own program. It is truly a democratic method of administration.

Mr. Keith said that any person who is participating in the 1948 Agricultural Conservation Program, who is eligible for a commodity loan or other price support is eligible to vote in the elections.

Ballots will be mailed to every eligible voter, and polls will be open in each community in the county Saturday, Dec. 11, from 8 a. m. to 5 p. m.; the wife is also entitled to a vote.

Every person who is eligible to vote has a responsibility to cast his or her ballot. "We may well be at the cross-roads this year."

Morton Trading Post Opens To Public This Week

Morton Trading Post opens its doors to the public this week with Curtis (Que) Petree, manager, ready to buy, sell or trade. The new business, as the name implies, was established primarily to deal in used articles but there is also a quantity of new merchandise on display.

Mr. Petree lists gas heaters, oil stoves, gas cook stoves, deep freeze unit, washing machine, portable radio and loud speaker among the used items. New pieces of merchandise include filling cabinet, luggage, tarps and clothing.

In the words of the manager "When you have anything to sell or if you are in need of a scarce item consult the Trading Post. We appreciate your business and solicit anything of value you may have for sale such as used cars, tractors, farm equipment, furniture and livestock."

Temperatures Below Seasonal Average Prevail

Temperatures below the seasonal average prevailed in the area this week with readings in the low twenties in the early morning hours.

Saturday's duster raging out of the north brought the temperature tumbling and heavy damage to crops still in the field. This was the worst of the season, raging from Saturday morning until well into the night, cutting visibility to a few feet at times.

Most of the county's cotton has been harvested and migrant labor is swiftly disappearing. Mechanical harvesters are being put into usage on many farms, cleaning up the scattered crop. Grain harvest is almost complete.

The prolonged drouth has prevented any land bedding in preparation of next year's crop. Farmers feel that the lack of moisture may cause dusters comparable to 1935 and without an under ground season prospects for an excellent crop in 1949 are not bright.

MR. C. B. MARKHAM is reported in an improved condition following an attack of intestinal flu.

Vets Distributive Education Class To Be Started In Very Near Future

A class for veterans, distributive education, bookkeeping one and two, will be started in the near future if as many as 20 students are interested, according to Ermon Miller, coordinator of Veterans Schools.

The class will consist of 12½ hours of instructions per week for the prescribed time, all night classes. The course will include the fundamentals of bookkeeping, accounting, typing and allied subjects qualifying the student for business administration positions. Upon completion of the course the student will have a thorough working knowledge of advanced phases of accounting procedures, plus a familiarity with machines used in bookkeeping and accounting.

All eligible veterans who can read, write and speak English and show reasonable indication of being able to complete the course in the prescribed length of time will be admitted to classes, Miller said.

Subsistence allowance as prescribed for a part time class will be allowed. Twenty veterans are needed to start the class. The class limit will be 30 students per instructor. Any interested veteran is asked to contact the coordinator in his office in the court house basement immediately.

Modern Beauty Shop Offers Two Christmas Gifts

Mrs. Jesse Paulk, owner of Modern Beauty Shop and operators, Polly Ausmus and Maurine Rowden, announced this week the offer of two free Christmas gifts to patrons of the shop.

Any patron receiving beauty service on or after Wednesday, December 1 will be asked to leave her name in the shop. On December 24 the names will be placed in a box and two names chosen from the number for the free gifts. Gift recipients will be notified by mail.

Anyone desiring further particulars may contact Mrs. Paulk or the operators at Modern Beauty Shop. No appointments will be made after twelve o'clock noon December 24, until Monday, December 27.

Rev. A. A. Kendall Suffered Injuries In Auto Mishap

Rev. A. A. Kendall, pastor of the First Methodist Church of Morton, suffered injuries of the left arm and shoulder in an automobile mishap near Pierre, South Dakota, Wednesday, November 24.

Bro. Kendall was vacationing with friends from Friona, who own land in that state. He said the driver lost control of the car on wet pavement and the car was badly damaged in the mishap. The pastor was taken to a hospital in Pierre and remained for three days. Attending physicians pronounced his injuries as a fractured shoulder and strained arm muscles. A check-up was given Bro. Kendall at West Plains Hospital and Clinic Tuesday and his condition was much improved.

Playlet Presented By WMU During Social Program

The Woman's Missionary Union of Missionary Baptist Church entertained with a playlet during a social program at the church on Monday afternoon, November 22. Special guests were ladies from Morton's First Methodist Church.

Mrs. Guy Mathews, vocalist, was presented in a special song, she was accompanied by the piano by Mrs. E. L. Willis.

The lead role in the one act play, "Its Just A Simple Matter of Arithmetic," was taken by Mrs. C. B. Markham, the two daughters were played by Mrs. Truman Anglin and Mrs. Eugene Bedwell.

Concluding the program refreshments were served to a large group.

District Meeting Of WMU Slated Tuesday Here

District Meeting of the Woman's Missionary Union will be held at the First Missionary Baptist Church Tuesday, December 7, according to Jack Eullard, pastor.

The WMU, in its work with the Plains Baptist Association, has an annual meeting within the area of the district. There are over 30 churches in the Plains Association, scattered from Amarillo to Lamesa and in Eastern New Mexico.

The host church is responsible for the day's program. Guest church groups present their programs individually adding to the educational speeches of individuals.

The public is cordially invited to attend.

Cochran Will Not Furnish Any Men For Nov. 29 Draft

Cochran County will not be called on to furnish any men for the November 29 draft, according to information received this week.

The three-county draft board, which includes, Lamb, Bailey and Cochran counties, has received a call to furnish two men to the Armed Forces in the November draft. Howard Randall Wilson of Littlefield was the first man called and the other registrant making up the quota will be Hanford Brewer of Muleshoe.

The War Department announced early this week that the draft would be cut in half for November and December because of insufficient funds for the earlier quota.

In the three counties more than 2,000 men had registered for possible induction into service under the new law before the quota change.

Veterans Football Team Wins 7 to 6 Victory Over Exes

The highly favored Morton High School Exes dropped a thrilling 6-7 victory to the Veterans on the local field Thanksgiving afternoon before a large crowd.

The Old Men of the mountains held the young bloods scoreless until a sneak pass in the second quarter netted a touchdown. The try for extra point failed and the Vets trailed until well into the third quarter when they pulled the same sneak and tied the score. A pass for extra point gave them the lead which was retained until the final whistle.

Line plunges netted very little yardage for either team; passes, wobbly and wild, accounted for few gains. Without the two sneak passes the game would probably have ended in a 0-0 deadlock.

Charlie Money suffered a hand injury during the game and Coach Fred Morrison has been confined to bed with pneumonia, partly attributed to night workouts for the game.

Commander of the V.F.W. Ken Coffman reported that proceeds from the game paid expenses with a few dollars left over. Morton High school received half of the net proceeds.

Cooperation Of Public In Preparing Christmas Mail Urged by Postmaster

The handling of Christmas mail will be greatly facilitated by careful preparation of the mail by the senders, according to Postmaster Walter L. Taylor. The following information was given for the guidance of the mailers.

Postage: Prepay postage fully on all mail matter.

Addresses: Address all matter plainly and completely in ink, giving street address or box or rural route number whenever possible. The delivery zone number should be shown when applicable. Place sender's return card in upper left corner of address side. Tags should not be used unless necessary, in which case a copy of the address and return card should be placed inside the parcel for identification if tag is lost.

Packing and Wrapping: Pack articles carefully in strong durable containers. Wrap parcels securely, but do not seal them except when bearing a printed endorsement, reading: "Contents, merchandise—Postmaster: This parcel may be opened for postal inspection if necessary," together with name and address of sender, as sealed parcels not so labeled or endorsed are subject to postage at the letter rate. The name and address of the sender may be handwritten or typewritten on the labels.

Perishable matter: Parcels containing perishable articles should be prominently endorsed with the word "perishable" by post-

masters or other postal employees. Articles likely to spoil within the time reasonably required for transportation should not be accepted for mailing.

Limit of size: Parcels may not exceed 100 inches in length and girth combined.

Limit of weight: The limit of weight of fourth-class or parcel-post matter is 70 pounds for all zones. The same limit applies to first-class matter and air parcel post.

Permissible additions and enclosures—Parcels may be marked "Do not open until Christmas," this being permitted in order to encourage early mailing.

Written greetings, such as "Merry Christmas," "Happy New Year," "With Best Wishes," and names, numbers, or symbols, for the purpose of description, may be enclosed with third- or fourth-class (parcel post) mail. Books may bear simple dedicatory inscriptions not of a personal nature. Other written additions subject parcels to letter postage.

Do not enclose letters in parcels, as doing so would subject entire parcel to letter postage. Communications prepaid at the first-class rate by securely attaching the envelopes containing the letters or other written matter to the outside of parcels.

Seals: Christmas seals or stickers should not be placed on the address side of mail.

Stamps: Mailers may save time by buying postage stamps in advance.

"Beauty Queen of Morton School" To Be Crowned Friday by Golden

"Beauty Queen of Morton School" will be crowned at the auditorium Friday night at 7:30 p. m. by Floyd D. Golden, President of Eastern New Mexico College, Portales. Admission will be 45c for adults and 20c for students from Junior High and down for reserved seats. These tickets are on sale now and may be obtained by calling the school, 75-J and contacting Gene Williamson or Beverly Blackley.

Attractive programs, carrying a group picture of the candidates have been prepared by the staff.

Approximately forty-five minutes of musical numbers will be presented by students from the college in Portales. There will be a few introductions and climaxes the evening will be the presentation of the eleven candidates from a silver revolving platform and the crowning of the

Queen by President Golden. The stage decorations carry out a Christmas motif.

Ushers for the program will be Sue Smith, Marvie Ann Fincher, Beverly Blackley, and Jamettie Jeter.

This contest and program is sponsored by the War Whoop staff and proceeds go to the senior class.

Christmas Lights Turned On In Morton Tuesday

Workmen, under the direction of Bud Nairn and Earl Crum, completed stringing Christmas lights around Morton's square late Tuesday.

The square is illuminated by an array of multi-colored lights and will remain so until after the Christmas holidays.

Christmas lighting for Morton is sponsored annually by the Chamber of Commerce. A downtown Christmas program is usually sponsored by the Lions Club at a date nearer Christmas.

Store windows are all ready bedecked with Christmas goods and gift buying seems to be going at a brisk pace.

Morton merchants cordially invite the area buying public to "Shop Morton" first. They all have a wide variety of practical as well as luxury gifts.

"Shop early" is recommended as stocks are apt to become shop worn.

Many of the stores are offering "gift wrap" as a special service to their customers. Shoppers desiring to wrap their own gifts may find beautiful gift wrapping paper, seals and ribbons in many of the stores.

Mrs. J. L. Taylor of O'Donnell, Texas is a guest here in the home of her daughter, Mrs. Carl Alexander and family.

Boy Scout Drive Scheduled To Get Underway Thursday; \$300 Goal Set

The kick-off for the Boy Scout Drive is scheduled to get underway in Morton early Thursday morning, according to W. C. Wright, Chairman of the Funds Committee.

Four teams, consisting of two men each, will make personal calls on business men during the day. The drive will continue one full week, or until the goal of \$300.00 has been reached. Half of the funds raised will be used for local Scout work; half going to the Council for its work.

The South Plains Council, which will receive half of the proceeds from the drive, serves twelve districts and twenty counties on the South Plains.

Scouting's fundamental aim is to develop a boy's character and train him for good citizenship. The boys do not simply talk about service—they serve. They learn by doing. Scouting is for

all boys of 12 years or older without regard to race, color or creed. There is no regimentation in Scouting. Each Scout is a member of a Troop sponsored by a local organization, such as the Lions Club, which sponsors the local Scouts.

Hiking, camping, meetings, working and studying to earn merit badges, give little time for a boy to get into trouble. Greater Scouting is an investment against juvenile delinquency. Records show that in communities where there is an aggressive Boy Scout program, juvenile delinquency is 75 percent less than in communities where there is no program.

The local Scouts have a Hut, largely through contributions of citizens of Cochran County. They need additional funds for the numerous activities that are necessary for growing boys.

State Appreciation Bonus for Texas Vets May Be Passed by Legislature

Tentative plans and concentrated efforts for a state bonus for Texas Veterans are taking on form that will ultimately lead to legislation granting cash benefits to veterans, in the opinion of V.F.W. Commander Ken Coffman.

Governor Jester declared that any citizen of the Lone Star state who seeks a bonus is acting in an "Un-Texan" manner. Comparative few veterans are of that opinion; those that have such sentiments are not forced to take state money.

In an effort to impress the legislature that a bonus bill is desired, various veterans organizations have agreed on the Evans Legislative Service, a non-profit organization, headed by Roger Q. Evans, in an effort to inform the public about the proposed "State Appreciation Bonus."

Texas will not be the first state to pass such a bonus bill, and probably not the last. Immediately after V-J Day several states passed legislation authorizing a vote by the citizens. From these records the Evans Legislative Service feels certain that a bonus bill will be approved by voters if they are given the chance to express their wishes.

To fully acquaint the public with the bonus bill the ELS needs money to finance publicity campaigns using both press and radio plus various display cards, window stickers and pamphlets.

There are 700,000 Texas veterans, both war included and both benefitting from the proposed bonus bill, and through their combined efforts the public can be fully informed as to the amount they would receive, benefits to widows of veterans, and the tax necessary to raise

the approximately 4 million needed for the undertaking.

To raise funds for the publicity campaign, the ELS has asked various groups for support, suggesting as a basis for each organization to accept fifty cents per person from a limited number of veterans. A local group, contacted by Coffman early this week, agreed to aid in financing the program and their contribution has been forwarded to the main office.

Virgil Crawford, District Commander of the V.F.W., has been requested by the local post commander to stage a rally in Lubbock, or some neighboring post with sufficient facilities to accommodate a large group. The purpose of this and succeeding rallies is to acquaint the public with the bonus bill, to concentrate efforts of all veterans in securing a State Appreciation Bonus.

Winter Carnival To Be Held At School Dec. 10th.

The Winter Carnival, school fun classic, is scheduled for December 10 in the school auditorium.

Each class has chosen a queen to be crowned at the close of the evening's entertainment. All contesting candidates will be Her Majesty's attendants during the coronation ceremony.

Concession booths have been chosen by a number of classes. Visitors may expect bingo, duck ring, grab box, fish pond, "Take It or Leave It" program, cake show, weight guessing, side walk—for men only, crazy house, game room, food booth and others. Any class or organization that has not chosen a booth is urged to contact Mrs. Al Mullinax, Chairman of Booth Committee.

WEEK-END IN CLOVIS

Mr. and Mrs. Leo Nippert spent last week in Clovis. Their son, Merle 4, had his tonsils removed during that time. Mr. Nippert delivers freight in Morton for the Lang Freight Co.

Christmas Movies, Carols Feature for Christmas Party at Veterans Hall

Colored sound Christmas movies will be shown by Carl England, and Mrs. C. M. Cravy will direct the Carol singing at the Christmas party sponsored jointly by American Legion and Auxiliary at Veterans Hall, Thursday night, December 2.

The general public is invited to attend this party. Each guest is asked to bring a gift, which will be forwarded to Veterans Hospital at Waco. Gift suggestions include toys of all kinds, linens, items for the home and anything suitable for Christmas giving. Unbreakable items have been requested since everything has to be packed and mailed.

Tables have been set up for games. Arrangements have been made for a Bingo game with all proceeds to be sent to a veterans hospital. Refreshments will be served.

Fred Morrison, suffering from pneumonia since Thanksgiving is reported by members of his family to be improved. Morrison is still confined to his home.

"more merchandise for less money"

-- **annegrams** — by ann england —

Thursday night—tonight— seems as good time as any for us to get started on doing "our bit" for Christmas. The American Legion and Auxiliary are having their annual Christmas party and all guests are asked to bring a gift. The public is invited.

• These gifts are to be sent to the veterans hospital at Waco, and will be placed in the hospital gift shop, where each disabled veteran is given the opportunity of selecting gifts, free of charge, for members of his family.

• In buying gifts for the gift shop let us remember to get something we would like to receive. We feel sure that everyone who has a part in this very worth while project will feel happier at Christmas by knowing he has contributed to the happiness and good will of an ill or wounded veteran.

• Goodness—the Thanksgiving parties around here were certainly numerous—now here it is practically Christmas and the whole job (or pleasure we might say) of eating begins again.

• The Thanksgiving Guest Party put on by the Garden Club last Tuesday night had everything, beautiful women, extra good food, pretty decorations and Mrs. O. E. Stevenson as book reviewer.

• Mrs. S is missed around here and everyone is always delighted when she can persuade Steve to bring her back to Morton from Mertzon, where they are now living.

• Amy looked mighty pretty as usual and some of the gals had given her a corsage that was made up of dimes (ten cent pieces) and pastel ribbons.

• It just wasn't possible for us to make notes on all the pretty clothes but we did manage a few in between the book review.

• Mrs. Elizabeth Greer had on a black dress and was wearing a shocking pink wool stole across her shoulders—think she said she made it and copied it from a picture in Vogue—anyway it was very becoming.

• Mrs. Lester Baccus, a new member of the Garden Club, was all dressed up in a grey dress, shot with silver threads. Her corsage was of dark purplish red chrysanthemums.

• Mrs. A. G. Hemphill, newcomer to Morton, was there with Mrs. Greer. Mrs. H. was wearing a black dress with the most exquisite choker effect necklace embroidered in clustered pearls around her neck. Altho she doesn't look it Mrs. H. is bound to be almost middle-aged as she has grown children. One son is a Methodist preacher somewhere.

• Morton is mighty lucky to have all these nice folks move in here.

• Mrs. R. E. Burselson, comparative newcomer and member of the club, is a lovely little brunette. She wore a pastel blue dress.

• Mrs. Charles Glenn, was wearing a fitted black crepe with two full ruffles of black taffeta around the bottom of skirt. Her necklace was a long strand of gold beads.

• Mrs. L. F. Hargrove wore a steel grey crepe with gold beading around neck, gold earrings and her hair was done in a new way that was most becoming.

• Mrs. A. A. Fralin, who always reminds us of an animated doll, was wearing a little girl dress of black taffeta and a necklace of pearls.

• Mrs. John Tice, lovely and vivacious blonde, was wearing a purple wool suit, a figured blouse collar peeping out at the neck was sequin trimmed.

• Mrs. R. T. Ray, with the beautiful white hair, wore brown crepe and taffeta and a sparkling rhinestone clip.

Mrs. W. B. Evans looked mighty fetching in a dark blue frock. She wore a gold necklace and her earrings were gold with tiny seed pearls.

• While sitting there minding our own business we received a note that brought joy to our heart, written on a bank check it said, "Noted among guests was our own Ann England, possessor of a charming, sweet personality and looking so pretty as always, she wore a smart black dress and cute, perky pink feathers in her hair. We all love Ann and there are not enough words to express how much we appreciate all she has done for our once little (big now) paper. This is subject to some change—but not too much—we want this published."

• Whew—we get a grateful thrill each time we look at that note, which we do about every 15 minutes, and we shall always treasure the kindly thoughts that provoked its writing. We know Mrs. C. A. Baird was the instigator and she told us that she was joined in expressing the sentiment by Mrs. L. A. Cochran, Mrs. Carl Alexander, Mrs. Stevenson and several others.

• Those gals can't possibly be as fond of us as we are of them.

• The spouse seems to think compliments might go to our head—the contrary—we are humbled by them and always try doubly hard to justify our friends' belief in us. Anyway the compliments he dishes out will never do any harm as he is just about the stingiest person we ever knew along this line.

• Again we repeat, "Thanks, gals," it does so much good to actually know there are a few who like us and say so.

• However in all fairness we must say we only do 1.5 of the work on the Tribune. It is the splendid work of the spouse and three Bill's that makes the Tribune an outstanding paper. We just have to breakdown and confess tho we actually think the Tribune is good—there is always room for improvement too.

• Now the hobbies of people are varied, some collect cups, ornate antiques, they vary and show all kinds of trends—but ours is and always has been—that of collecting friends.

• Much to our surprise we didn't come unjointed on the Carlsbad Cavern tour Thanksgiving day. That was our third trip and it seems the cave gets more awe inspiring each time. We still think of it as a natural cathedral and on each trip keep listening for celestial music.

• A nice note from Miss Bettie Newell of Corpus Christi and San Antonio, inviting us to visit her. She said, "I'm still taking life easy alone, and as you say like it." We hope Miss Newell visits us out here. We'd like to introduce her to the finest people in the world, our friends and neighbors right out here on the South Plains.

• Heard a cute description of a little boy the other day, it was, "a lot of noise covered with dirt."

• And this one brought quite a chuckle:

THAT OLD QUESTION
Little Johnny came home from school one afternoon and asked "Mama, where did I come from?" His mother was shocked. Johnny was awfully young to be hearing about the facts of life. But she knew the children at school had been talking. Now was the time.

"Sit down, son," she said. "I want to tell you a story about the birds and the bees..." She proceeded to describe the facts of life to little Johnny.

When she had finished Johnny remarked, "Well, I just wondered where I came from. Suzie Smith told me she came from St. Louis."

MRS. C. D. RAY and MRS. C. A. BAIRD made a business trip to Lubbock, Wednesday, November 24th.

Al Wolfenbergers Observed First Year In Morton

Mr. and Mrs. Al Wolfenberger observed their first year in Morton on Thanksgiving day.

Guests in the Wolfenberger home for turkey dinner were Mr. and Mrs. Jack Nelson and two daughters of Lubbock, Mr. and Mrs. J. W. McDermott, Mr. and Mrs. W. E. Angley, Mr. and Mrs. Bill Weatherly, Mr. and Mrs. J. I. Blanton, Guy Blanton and Zeke Sanders.

The turkey, served was a wild one killed on a recent hunting trip near Johnson City by Mr. Wolfenberger.

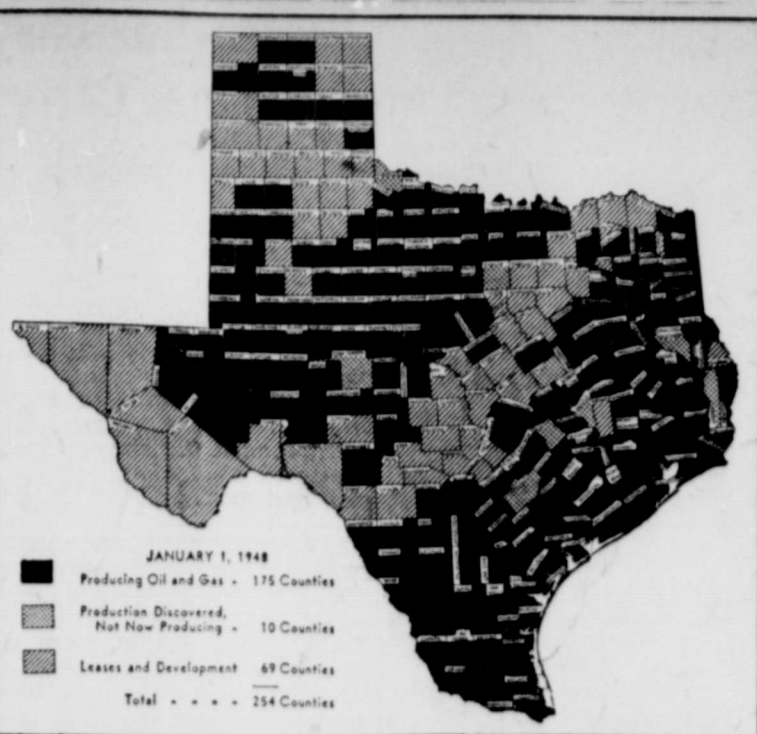

Grammar School Girls Organized 4-H Club at Meet

The girls of the fifth grade in Morton met Wednesday, November 24 to organize a 4-H Club.

They elected the following of ficers: President, Mary Ann Harris; Vice President, Betty Gandy; Secretary, Sherline Moore. The president with the advice of the adult leader and other officers will appoint the reporter, recreation leader, and committee chairmen at a later meeting.

MRS. W. A. JOHNSON, Jr. of Lubbock, visited briefly here Monday with friends.

Tribune, Morton, Cochran County, Texas, Thursday, Dec. 2, 1948

This map indicates the Texas counties which were producing oil and gas as of January 1, 1948. The petroleum industry spends about

one-third of a billion dollars annually in 254 counties for leases, bonuses, and royalty payments.

Cotton Work Specialist Predicts More Cotton Acreage To Be Planted In 1949

Cotton planting time is still several months off. But Texas cotton farmers already have a good idea as to what they intend to do about cotton next year, says Fred Elliott, extension cotton work specialist of Texas A. and M. College.

This year's three and a quarter million bale crop that was grown on nearly nine million acres will probably be increased in 1949, says Elliott. This is especially true of the irrigated areas around El Paso, Pecos, Ft. Stockton, the Lower Rio Grande Valley and in the High Plains.

On August 1 of this year, the record shows a carryover of three million bales. Spinning will use close to nine million bales, and four million will be shipped out. There goes 13 million bales. Take that from the 15 million bale crop this year, and you get two million bales to add to the carryover. And come August 1, 1949, the carryover will have built up to five million bales.

Price supports will run about the same—at no less than 90 percent of parity. This parity price is the product of 12.4 cents (the 1910-1914 cotton price average) and the August 1949 index of

price paid. This includes the tax and interest.

If this index were to drop as much as 5 percent—which seems unlikely—the parity price of cotton would be 29.45 cents per pound, says Elliott. And the loan rate 26.50 cents per pound on middling seven-eighths inch cotton in the average location.

NATIONAL RESOURCES

Although Latin-American production of Portland cement has increased during the past several years, with new mills built or building in Cuba, Ecuador, and Chili, the United States remains the World's largest producer, the Bureau of Mines reports.

Last year's domestic production, stimulated by great building activity, rose to 186,519,317 barrels, a new all-time high. Output was up in all producing districts. The increase over the previous year, 14 per cent nationally, ranged from 5 per cent in Michigan to 26 per cent in the Oregon-Washington district. Cement was produced in more than 150 plants in 34 States, Hawaii, and Puerto Rico.

An estimated 3,000,000,000 tons of coal, or about 48 per cent of known World reserves, are in the United States, the Bureau of Mines reveals. With the exception of fissionable materials, coal constitutes more than 90 per cent of the Nation's mineral fuel-energy reserves.

The average American fisherman produces 47,000 lbs. of food per year and pays \$541.38 taxes to the Federal Government. Fish and Wildlife Service statistics show. The average American farmer produces 34,500 lbs. of food and pays \$177.17 in Federal taxes.

United States petroleum refineries had record-breaking rated operated capacities of 6,034,252 barrels of crude oil per day at the beginning of 1948, an increase of nearly half a million barrels daily over the past year.

VISITED HEREFORD, CANYON

Mr. and Mrs. Joe White and nieces, Louise and Ovella Nesbitt spent Thanksgiving visiting relatives at Hereford and Canyon, Texas.

VISITING HERE FROM CANYON

Mr. and Mrs. Dan O'Donnell and Frankie, Canyon, and Mrs. A. S. Bell, Hereford are visiting here in the G. G. Nesbitt and Joe White homes.

Mrs. O'Donnell is the mother of Mrs. White and a sister of Mr. Nesbitt and Mrs. Bell.

Furniture Makes an Ideal Christmas Gift — Todd Furniture Store.

Have You Heard These Things About the Church of Christ . . .

You may have heard many rumors about the Church of Christ during your lifetime, but have you ever honestly investigated to learn if these things were true?

It is said that members of the Church of Christ are usually odd, backward people who cling to their religion because of their ignorance.

Others have told that the Church of Christ practices an over-emotional "hallelujah" type of "Holy Ghost deliverance" not based on intelligent reasons.

Another rumor heard is that we condemn all people to hell that do not "join our church" and accept "our brand" of religion.

Still worse is the claim that we accept only a bigoted, pre-

judiced interpretation of religion and will not reason with others as to our attitude in religion.

If these things were so the Church of Christ would have long since vanished from the face of the earth. Fortunately, these are only rumors spread to prejudice the minds of individuals against any truth that might be taught by the Church of Christ.

The Church of Christ is growing by "leaps and bounds" throughout the world and is recognized today as being the fastest growing religious body in Texas.

If you care to investigate our teachings we invite you to any and all of our services or you may write us for information.

Texas Kids See Christmas Angels

As a Christmas gift to the children of Texas, the classic Christmas story of “The Littlest Angel” has been brought to life in Dallas. One of the life-size cherub figures is shown, above, to four-year-old Patsy Parker, of Ennis, by Arthur L. Kramer, sponsor of the free display. The huge exhibit, requiring twenty figures of angels, cherubs and birds to reproduce the characters in the story, is on display at Main and Akard Streets in downtown Dallas through Christmas Day.

Highlights From Cochran County H. D. Agent's Office Mabel Ann Manley

CARE OF CHRISTMAS TREE

Small cedar, pine and spruce trees to use for Christmas trees and other greens for Christmas decorations are now on the market. If these greens are not given proper care they will lose their needles and leaves before the Christmas season. Too, when the tree dries out it is more susceptible to fire. If you wish to purchase your tree now you may do so if you will give it the proper care.

The tree should be put in a bucket of water. Don't let any of the water come up over the limbs. When the water has a slight greenish skum appearing, empty it and put in fresh water. The tree should be placed in a cool place. Heat and dry air

cause needles to shed. If some one has given you some lovely holly branches give them the same treatment.

Here is a nice little trick. There are always some of your tree limbs that you trim off to get just the right effect. Use some of this greenery with some cranberries, pop corn, gay little bells and a bit of Christmas ribbon to make little corsages to tie on your gifts. They will add much to the appearance and your friends will be pleased to have a bit of Christmas green to wear on her lapel.

Mrs. J. T. Holloman Honoree at Bridal Shower Tuesday

Mrs. J. T. Holloman, the former Betty Rankin who was married November 11 to Mr. Holloman, was honoree at a bridal shower in the Roy Allsup home, Tuesday afternoon, November 23.

Hostesses were Mrs. Allsup, Mrs. Lloyd Evans, Mrs. Wesley Lackey, Mrs. C. M. McMaster, Mrs. John Tice, Mrs. Arlee Barnard, Mrs. Minor Yarbrough and Mrs. Carl Ray. They alternated in greeting guests, serving and presiding at the guest register.

The lace covered refreshment table had as a centerpiece an arrangement of roses and gardenias, bouquets of flowers carried out the bridal theme in the entertaining rooms.

Refreshments of spiced tea, cookies and pastel mints were served to about fifty guests.

Chili Supper Fri.

Ladies Auxiliary of Morton's Canton number 26 is sponsoring a Chili supper at Odd Fellows Hall this Friday night, December 3. A small charge will be made for the dinner. The general public is invited.

MARRIAGE ANNOUNCED

The marriage of Miss Dorothy Crosslin and Clair T. Sommers has been announced. The service was read in “The Little Chapel in the Woods,” Denton on Thursday, November 25.

Mrs. Sommers was Cochran County Home Demonstration Agent at one time.

CLOVIS VISITORS SUNDAY

Mr. and Mrs. Hume Russell and son, Jack, were in Clovis, New Mexico last Sunday. They attended the wedding of her niece, Miss Betty Hays to Douglas Delaney at the Central Baptist Church of Clovis.

CHURCH OF CHRIST BULLETIN OF NOVEMBER 28TH:

From where I sit... by Joe Marsh

Why Dutch is Growing a Beard

That beard on Dutch Miller's chin doesn't mean that he's getting ready to play Santa Claus. He's simply paying off the election bet he lost to Cappy Swanson.

And while some folks allow it's all a lot of nonsense—like the wheelbarrow ride that Cappy had to give Dutch after last election day—from where I sit, it's a mighty wholesome aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty seriously. But when the issue's

settled, and the die is cast, they accept the verdict in a spirit of good humor.

And that's as it should be when it comes to any difference of opinion. Some folks vote for beer as their favorite beverage—others vote for cider. In fact, we all have differences of taste in almost everything! But that doesn't mean that we can't live together in a spirit of good fellowship.

Joe Marsh

LETTERS TO

SANTA CLAUS:

DEAR SANTA,

How are you this year? O. K. I hope. I am just fine, I guess.

Santa, I wish you would bring me a real watch like my mother's but just a cheap one and I want a stretchy ban on it, please, and a little record player and some records to go with it please. Please dear Santa do not forget the other little boys and girls around the world. Santa if they want something that I want give it to them before you give it to me please. Santa I have had a good time on my bicycle that you gave me last year. I am sure you remember don't you. Dear Santa I love you very much. Santa I will be a good girl. Santa I want you to write me a letter Christmas night please. We will leave the fire burning for you and we will have electric lights this year. I want you to leave us some fruit.

Well Santa I guess I had better close now. I love you.
Patsy Rawls.

DEAR SANTA,

Please bring be a bicycle, doll dishes, baton.
Your friend,
Linda Rae Taylor.

DEAR SANTA,

I love you very much. I want you to bring me a BB Gun.
From W. A. Jones

DEAR SANTA,

I am a little boy 8 years old. I think I have been as good as little boys can, so please Santa, bring me a football suit and a jigsaw and all the good things to eat.

Thanks for everything,
Charles Lyons.

DEAR SANTA:

I am a little girl 3 years old. I would like to have a tricycle, doll and some dishes. Please bring all the other little boys and girls something too.
Love—Linda Lyons.

DEAR SANTA,

Please bring me a bicycle.
Your friend, Carl Wright.

DEAR SANTA CLAUS,

I think I have been a good little boy. I want you to bring me a lot of cars and trucks. Then I want you to bring me a filling station. And please bring all of the other good children some toys.

Your little friend,
Murvin Roy Gathright.

DEAR SANTA CLAUS,

I want a 26 inch bicycle. I am 8 years old. I am in the third grade.

Donald Sharon Hawthorne.

DEAR SANTA CLAUS,

I want you to bring me a 25 inch bicycle and one cowboy suit and two guns.

Jesse Max Hawthorne.

DEAR SANTA CLAUS,

Please bring me a baby doll, cash register and nurse kit. Bring some toys to the other children.

I love you, Cathy Huggins.

DEAR SANTA,

I am a little girl 5 years old, will be 6 in Feb. I live 15 miles south of town. I dry dishes for my mother and help her keep the house clean. I have tried to be a good girl so this is what I'd like for you to bring me.

A dy-dee rubber doll with layette in a suit case, a little sewing machine, cooking pans, black board and if I've been a good enough girl and it's not asking too much bring me a little bicycle. Bring all the little kids something nice. Hoping to see you Christmas.
A friend,
Phyllis Hope Gardner.

DEAR SANTA CLAUS,

I am a little boy. I go to school. I am six years old. I want a double gun and holster, also some fruit, candy, nuts. Remember all the other children.

Larrie Darland
P. S. Please bring Dixie a nice gift. I don't know what she wants.

M. C. Ledbetters Observe Tenth Anniversary

Mr. and Mrs. M. C. Ledbetter observed their tenth wedding anniversary with an evening "Coffee" at their home, Wednesday, November 24. Invitations were extended to ninety-eight.

Coffee and fruit cake was served by Mrs. P. B. Ramby and Mrs. C. M. Cravy. The linen covered refreshment table was centered with an arrangement of snapdragons in a pottery bowl. Napkins bore the inscription, "The Ledbetters, 1938-1948."

ENGLANDS AND DOVES SPEND WEEK-END IN SNYDER, TEXAS

Dr. and Mrs. W. S. Dove and Mr. and Mrs. Carl England spent the week-end in Snyder, Texas. They were guests of Dr. and Mrs. H. P. Redwine, and family, and Mr. and Mrs. H. Carroll Gore, uncle and aunt of Mrs. England.

Saturday night the group were dinner guests of Mr. and Mrs. Harold P. Brown and family at Snyder Country Club.

Sunday at noon the Redwine family were hosts at luncheon and that evening the group was honored with dinner at Hector's, Lubbock, in observance of Dr. and Mrs. Dove's third wedding anniversary.

MRS. ELIZABETH GREER and MRS. J. B. NICEWARNER were business visitors in Lubbock last Friday.

Riding Circle Around Whitefaces

by Art. N. Wall

This column finds itself on Thanksgiving eve freshly back from Fort Worth, having been gone since last Saturday the 21st. Now I must take the wife and son to Pampa for Thanksgiving and as I will leave within two hours what can I use for news?

This should be written up before I go as I will not be back till Sunday the 28th. Well, on Thanksgiving eve we should have plenty to write about. Let's pretend we people of Whiteface are going to write down all the things we should be thankful for. First: We should be ever thankful that there was no children injured in the boiler explosion at the Whiteface school. The explosion occurred between 5 and 6 p. m. the 22nd. Glass was hurled from the heating plant's windows for considerable number of feet over the school's playground. At that hour no children were playing about the building and at this Thanksgiving eve let us be thankful it was not a recess time. Too, let us be thankful that some foreseeing mind or minds, when drawing up the blueprints of this fine school, recognized that for safety, that the heating plant should be in a building unto itself. The kids are thrilled over the idea of getting an unexpected long holiday, there is no bandages on anyone, no lives lost so lets sit down to our holiday dinner and enjoy it, with the full knowledge that when the school re-opens, as it will soon, the heating system installed, will undoubtedly be far safer than the former installation. That we have all the kids alive and yelling for more drumsticks, you bet it is something to be thankful for.

Now number two: Let's be thankful that we can walk into church next Sunday, the church of our choice, listen to our ministers deliver their sermons as they wish to, that our Sunday school teachers can teach their classes as they wish to, that we can pray as we wish to. That each of us can talk to our neighbors freely, of our beliefs, our work, our government, our army, our navy, and as citizens of this country, stay steadfast in those beliefs. Yes, that's something indeed to think of as you carve the turkey.

Now number three: We wage earners can bargain with our employers. We can call him George, Jim or John. We are not slaves. We can work for him or we can quit. You can say, "Look, Pete, you can save money if you do this job this way". He can say, "No Jack, I don't think so. I can show you though how the office has it doped out where we can save money." That, folks of Whiteface, is a good old American way of working, a way to be thankful for as we reach for a second helping.

Now number four: We can take our kids into the toylands of large department stores and show them what this coming Christmas is going to bring. We can stand by and watch the Santa Clauses tell them of the reindeer, sleighs, and the beautiful dolls. We can stand by and watch this and grin to ourselves with our hands in our pockets and our fingers entwined around a few dollar bills, knowing we can buy nearly all the kids Christmas. But there is some folks in Europe who will be hanged if they know where the next meal is coming from let alone Christmas. There is some kids in Europe who will not be setting on Santa Claus's lap in "Toyland" but will continue to set on some rubble in some bombed out buildings if this Thanksgiving we don't pledge to ourselves to help them. So let us thank God we are in a position

Birthday Party Honors Vyla Liles

Mrs. P. E. Liles honored her daughter, Vyla, on her 13th birthday with a party the 13th of November. Many games were played and a good time was enjoyed by all.

Refreshments of cake and hot chocolate was served to the following:

Wanda and Paule Wiley, Norma Davis, Nadine Morris, Jimmy Denny, Billie Ashby, Margaret Joe Scott, Billy Ray and Ruby Whitehorn, Kay Marlar, Vyla, Mauna Lou, Paula May, Christine and Paul Jr. Liles. Adults served: Mr. and Mrs. Virgil Scott, Mr. and Mrs. L. Marlar, Mrs. Jake Wiley, Mr. and Mrs. Lamon Keith, Mr. and Mrs. Paul Liles, and Miss Janell Moore.

Beautiful Mineral Collection On Display At Tech

Part of a recent mineral collection in rock form, considered among the most beautiful, complete and rare collections, is on exhibit in the science building at Texas Technological college before it becomes laboratory property in the geology department.

The collection which contains 45 different minerals in 200 specimens was donated the college through Eldon P. Dennis, lecturer in geology, by Alfred M. Barunek of Utah. Barunek is geologist for the Utah Publicity and Industrial Development commission. He was a student under Dennis while majoring in mineralogy at Brigham Young university.

RANDALL HOLLOMAN, employed with a construction company in Snyder, Texas, spent the Thanksgiving holidays here with his family.

Market Review

Strong, cold winds accompanied by light snow flurries and sand, interrupted harvesting in Oklahoma and Texas during the week. Gins were forced to close due to fire hazards and compresses refused to take additional cotton for fear of fire bales. The high winds have depleted the small amount of top soil moisture and has seriously affected the recently planted small grain. In other sections light rain benefited small grain and cover crops. Trading in the spot markets slowed to some extent as sales declined considerably. Prices made some advances but closed about unchanged from last week.

According to reports the cotton in Oklahoma is about 80 to 85 percent ginned and farmers are making every effort to complete the harvest as soon as possible. Labor is adequate and more mechanical harvesters are now being used. Demand has eased slightly and low grades are predominating.

In west Texas cold weather and high winds have retarded harvesting to some extent. Mechanical harvesters are being used on dry land cotton in increasing numbers. Demand eased slightly and prices declined on some qualities, however prices paid are better than loan values.

Texas cotton ginned lower in grade but slightly longer in staple compared with the same period last year. Ginnings through the first half of November were considerably lower in grade and only slightly longer in staple length compared with the ginnings during the first half of November 1947.

CIVIL SERVICE COMMISSION ANNOUNCES EXAMINATIONS FOR SAFETY INSPECTOR

The Civil Service Commission announces examinations for filling vacancies in the positions of Safety Inspector at the entrance salaries of \$2974.80 and \$3727.20 per annum and Safety Program Administrator at the entrance salaries of \$4479.60 and \$5232.00 per annum.

Employment will be with various Federal agencies in the state of Texas. Application forms may be obtained from the post office or from the Regional Director, 210 South Harwood Street, Dallas 1, Texas.

LOOKING AHEAD By George S. Benson, President, Harding College, Searcy, Ark.

IT PAYS TO FIGHT
Everybody loves a fighter. For that reason, the popularity of Harry S. Truman is running pretty high at this time. All the pollsters, all the misled, have had their say: President Truman was the man who wouldn't be licked! Mr. Truman was apparently the only candidate who really took the opinion polls to heart. While the general public was being lulled to sleep by everybody's opinion as to the outcome of the election, Candidate Truman got in there and fought.

The result was that Mr. Truman got voters enough to come to his aid—enough to win. Nor will this experience be the death of the pollsters. They were probably correct in their reported findings. Their samplings were calculated on the basis of some 90 million eligible voters. But only about 47 million (little more than half) of these eligible voters went to the polls to vote. And not a few of these were fighting—for Mr. Truman.

An American Ideal
Preferences for candidates in the voting on November 2 were not the same as reported by the poll takers before election. What happened? My guess is this: a larger percentage of those who favored a fighting man went out to vote than was the case with those favoring the non-fighter, who thought he would be elected anyhow. In other words, the opinion polls were interpreted by each candidate—by Mr. Truman in a way that helped elect Mr. Truman and by Mr. Dewey in a way that defeated Mr. Dewey.

The important thing is that the fighting man won. This is an old American principle. The man who works the hardest, who never-says-die, is favored in the struggle for success. Our nation has been built by heroes, sung

and unsung, who lived by that rule. May I submit that in these critical times, it will not be possible for America to keep her traditional place as the most favored of lands, unless Americans are willing to take up the fight.

Fight or Die
Why has America more national income than any other six nations you can name? Why do more American youth have a chance to go to high school and college than go in all the rest of the world put together? Why do American workers have the highest wages in all the world? Here are some of the reasons: we have the right to own property, to operate our own businesses and compete with each other, to invest capital in industrial tools.

Moreover, we Americans can work at the job we like, wherever we like, with equal justice for all. If we keep these liberties, preserve constitutional government, and maintain freedom of individual opportunity, it will be possible for us to double our wages and standards of living, as we did during the last generation. If we turn to government management and thus kill our incentives, we can expect wages and living standards to go down 50 per cent below the present level.

Stakes Are High
World trends are toward government management, with low standards of living. Step by step America is being pushed in that direction. A few more steps, and we may find ourselves under such pressure that we cannot avoid socialism, and the communism that follows it. Our people must understand these facts. More important, we must be active in preserving the fundamentals of our American way of life.

Our fathers gladly fought for freedom. They pledged fortune and honor to its preservation. The price is still "eternal vigilance". Are we willing to fight valiantly by every means: platform, radio, press, screen, and conversation—to preserve America's freedoms? If so, we can keep our freedoms. Otherwise, they will pass away, as from Greece and Rome. It takes a valiant heart. Those who win are those who fight.

COTTONSEED REVIEW

The movement of cottonseed to crushing mills decreased during the week as ginning operations were curtailed due to unfavorable weather.

Cottonseed prices in Texas for wagon-lot seed f.o.b. gins declined slightly according to reports. Average price for the state was \$74.90 per ton compared with \$75.40 per ton last week. Prices ranged from \$65.00 per ton in District 5 to \$83.00 per ton in District 2.

The average price in Oklahoma was \$75.40 per ton compared with \$75.60 per ton last week. Oil mill prices ranged from \$75. per ton in Texas to \$85. per ton in Oklahoma. Some seed was purchased on "as is" basis but the bulk was purchased on base grade 100.

Cottonseed grades in Texas averaged 102.5 compared with 103.0 last week. In Oklahoma the state average was 100.5 which is slightly lower than the 101.0 average last week. During the corresponding week last year the average grade for Texas was 103.5 and for Oklahoma 96.5.

Deadlines For Veterans Benefits

Until July 25, 1952: Competition for all Federal Civil Service positions of guards, elevator operators, messengers and custodians, is restricted to veterans only, in cases where sufficient numbers of qualified veterans are available.
Until Sept. 27, 1954: Veteran has preferred right of application

for 90 days before general public may apply for homestead entry on public lands reopened or reclamation projects opened for settlement.

Until July 25, 1956: All Education and Training under GI Bill and Public Law No. 16 must be completed.

Until July 25, 1957: Veterans may apply for GI Bill Loan Guarantee for purchase of home, farms, or businesses.

2 Years After Discharge: Veterans have this grace period for paying all premiums on non-government insurance policies on which payments were deferred and guaranteed by the government under Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

Four Years After Discharge or After July 25, 1947, whichever is later: Veterans may initiate Educational Rights under GI Bill, and/or Public Law No. 16 (Vocational Rehabilitation).

10 Years After End of War: Spouse or minor children of veterans are entitled to preferred right of application for 90 days before general public may apply for homestead entry on public lands reopened for settlement.

15 Years After Discharge or 15 Years After June 22, 1944, whichever is later: Appeals may be made for Review of Discharge.

Indefinitely: Surplus Property Priority can be exercised as long as WAA has surplus items for sale.

Indefinitely: Job-finding Assistance through Veteran's Employment Service in public employment offices.

Lifetime: Insured veteran may change type of converted NSLI, reduce amount of coverage, change beneficiaries, apply for waiver of premium (if totally disabled for six consecutive months). After converted insurance is in effect for one year, veteran may apply for loan or cash surrender.

Lifetime: Application may be made for disability compensation (pension), but compensation or pension at "wartime rates" is based upon service between Dec. 7, 1941 and July 25, 1947.

2 Years After Death of Veteran: Dependents may apply to Veterans Administration for burial benefits.

5 Years After Death of Veteran in VA Hospital: Dependents may claim lump-sum payment of any compensation or pension withheld during hospitalization of the veteran; also personal effects of the deceased.

7 Years After Death of Veteran: Eligible next-of-kin may apply for gratuitous insurance benefits of those veterans who were en-

Twenty-Eight Members Attend Lions Luncheon

Twenty eight members and one guest attended the Lions luncheon, Wednesday, November 24.

Two patriotic songs, "America" and "My Country 'Tis of Thee", symbolic of the day before Thanksgiving, were sung by the group, led by P. B. Ramby and accompanied at the piano by E. H. Timian.

"Pledge to the Flag" was given in unison with Rev. W. C. Wright giving the invocation.

Lion Wright outlined briefly plans for the area Scout Fund Drive, which is scheduled to get underway this week. M. C. Ledbetter suggested the sponsoring Lions either support the drive wholeheartedly or withdraw from the scout organization.

Lion Ramby talked to the group on inactivity of the club. He suggested more civic projects for the club.

Members present were M. C. Ledbetter, Lloyd C. Miller, Carl Ray, Lloyd Evans, R. C. Strickland, Al Wolfenberger, Zeke Sanders, David Todd, Watted Taylor, J. W. McDermott, C. M. Cravy, Willard Cox, Bud Nairn, Jack Nelson, Lubbock, Carl England, T. K. Williamson, Courtney Sanders, W. C. Wright, P. B. Ramby, E. H. Timian, M. T. Beard, L. E. Huggins, J. B. Knox, Tom Arn, Jr., Murray Crone, Lloyd Allsup, Hume Russell, and Andrew Esary. Mrs. Carl England was the only guest.

14,359 Officers Needed By Dept. Of U. S. Army

Department of the Army has announced that 14,359 officers are needed for its present mission. Colonel Oscar B. Abbott, Senior Army Instructor for the Organized Reserves in Texas, announced in Austin. This is approximately the number of the entire officer strength in the Army in 1939. Nearly all branches of the Army are in great need of qualified officers.

The processing of applications for Reserve Officers have been streamlined to permit direct application to The Adjutant General, Washington D. C., yet the total required officer strength progresses beyond the number of applications. All civilian component officers have been urged to consider re-entering the Army on extended active duty.

The program for increasing the Army, because of the critical condition of the world today, has created this officer shortage. Application forms and information can be obtained from any local Organized Reserve Corps Instructor Office. Notification of acceptance will be given within considerably shorter time than formerly.

Charles Glenns Entertained "42" Club Thursday

Mr. and Mrs. Charles Glenn entertained members of the "42" Club with a Thanksgiving party at their home Thursday night, November 25.

A turkey dinner with all the trimmings was served, followed by games of "42".

Present for the party were Mr. and Mrs. C. C. Reynolds, Mr. and Mrs. H. S. Hawkins, Mr. and Mrs. J. W. McDermott, Mr. and Mrs. Gage Knox, Mr. and Mrs. Roy Hill, Mr. and Mrs. L. W. Ray, Mr. and Mrs. L. A. Cochran, Mr. and Mrs. R. C. Strickland and Mr. and Mrs. L. F. Hargrove.

Those who died in line of duty after Oct. 8, 1940 and prior to April 20, 1942.

Anytime After Death of Veteran: Eligible dependents may establish right to compensation or pension based on death of veteran.

LIGHT — POWER — HEAT

Get a FORD "PHYSICAL"

Every 5000 MILES

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical"—which includes a thorough engine, ignition, electrical, wheel and brake check . . . and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Your Ford Dealer invites you to listen to the Fred Allen Show—Sunday Evenings—NBC network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.

"The St. With No Name" to Show at Wallace Theatre

Wherever law and order break down, the F.B.I. moves in on the counter-attack. Here is the story of that counter-attack on "The Street With No Name."

Mark Stevens is starred with Richard Widmark, who scored a sensation as the laughing killer in "Kiss of Death". Lloyd Nolan and Barbara Lawrence head the featured cast.

Produced with the complete cooperation of the F.B.I., Walter Winchell quotes J. Edgar Hoover as saying, "The Street With No Name" is even better than "The House on 92nd Street."

Mrs. O. E. Stevenson Reviews Book For Annual Garden Club Guest Dinner

Mrs. O. E. Stevenson, popular reviewer, formerly of Morton and now living in Mertzon, Texas, was honor guest and reviewer at the annual guest dinner given by the Cochran County Garden Club, Tuesday night, November 23.

Mrs. Stevenson gave a forceful and direct review of Norman Mailer's, "The Naked and The Dead." This is the third review Mrs. Stevenson has given for the Garden Club. In the past she has chosen a more or less humorous selection for her review. None of her charm in reviewing was lost in this more serious book. Mrs. Stevenson as usual held her audience spellbound from the time she introduced the author of her selection until she "thanked" her listeners for their attention.

In condensing a large book, approximately 800 pages, Mrs. Stevenson wisely chose to more or less character sketch the principal actors in this book about World War II. She gave the background and reactions of these men who tear their hearts out trying to capture an island from the Japanese. She told how they had lived, that they were the product of the years; they had been formed by their wives, their sweethearts, their farms, their jobs and their colleges.

To each, war had been an activating agent. Frightened, morose, humorous, sick, scabrous, full of yearning for home as it was, or home as it seemed in memory. They were men in war, but like most of us they did not know where they were going or why.

The review followed a traditional Thanksgiving dinner served in the Auxiliary room at Veterans Hall. The U shaped table was decorated with tall blue candles in crystal holders, silvered branches, berries and flower pods. Plate favors were silver

MRS. BETA TAYLOR AND E. L. WINKLE MARRIED NOVEMBER 10 IN LOVINGTON, N. M.

Mrs. Beta Taylor and Mr. E. L. Winkle of Brownfield were married Wednesday, November 10, in Lovington, New Mexico.

Following a wedding trip to New Mexico Mr. and Mrs. Winkle are at home in Brownfield, where he is engaged in the transfer business.

Mrs. Winkle formerly lived in Morton and was employed at West Plains Hospital and Clinic.

wrapped tulip bulbs tied with blue ribbon.

Concluding the review, Mrs. Roy Hill, president of the club, conducted a short business meeting.

Guests other than Mrs. Stevenson were: Mesdames M. C. Ledbetter, L. F. Hargrove, L. A. Cochran, Robert Lively, L. E. Huggins, Charles Glenn, Carl England, John L. McGee, J. T. Young, W. B. Evans, A. G. Hemphill, Glenn W. Thompson, Claude Bowden, Tom Arnn, Jr., John Tice, Pat Hatcher and E. L. Willis.

Members: Mesdames John Alford, Carl Alexander, Tom Arnn, R. E. Burleson, C. W. Davis, A. A. Fralin, Lester Baccus, J. A. Gowdy, Elizabeth Greer, Roy Hill, Carl Macon, C. A. Baird, Albert Morrow, L. W. Ray, C. H. Silvers, Hessie B. Spotts, Tim Tanner, Homer E. Thompson, and Miss Mabel Ann Manley.

THANKSGIVING AT LAMESA

Sheriff and Mrs. Hazel Hancock and their children, Wanda, Richard, Marie, Herschell, Johnnie and Lynda, spent the Thanksgiving holidays with Mrs. Hancock's parents, Mr. and Mrs. J. A. Richardson, in Lamesa.

Sgt. John Cundiff, and Mrs. Cundiff, sister of Mrs. Hancock, of San Angelo were also guests in the Richardson home.

VISITED PARENTS HERE

Mr. and Mrs. Joe Bill Gipson of Lubbock spent the Thanksgiving holidays here with his parents, Mr. and Mrs. Joe Gipson and his sister, Yvonne.

Football Season Completed Last Week At ENMC

Eastern New Mexico College wrapped up its 1948 football campaign last week and tagged it "most successful season since 1939."

As one of many colleges to abandon football during the war due to lack of manpower, Eastern New Mexico College has spent four post-war seasons reshaping its gridiron team—with a great deal of success.

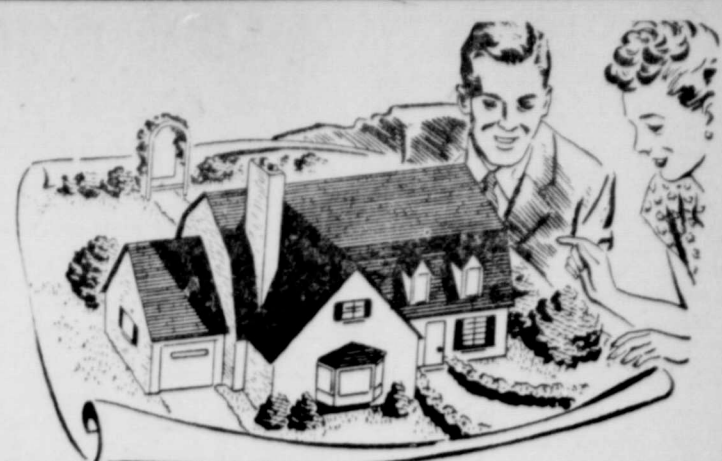

The Greyhounds have advanced from a winless eleven in 1945 to a winning outfit in 1948 with a record of six victories, three set-backs. In 1946 the Silver Pack won only one game out of nine, but managed a 5-4 season in 1947.

The ENMC coaching staff, Al Gerten and Joe Dickson, maintained the upward trend this season and look forward hopefully to even greater heights next year. Not a single member of the present team will be lost by graduation.

ENMC finished last in the New Mexico Conference in 1945, sixth in 1946, fourth in 1947.

Ray Walker, elusive Hatch halfback, Ralph Kemp, Portales halfback and Billy McAllister, Morton halfback, accounted for two TDs apiece. Fullback Paul Ciska, Mattoon, Ill., B. B. Lees, Big Spring halfback; Rex Ormori, Borger end, and Bud Livingston, Portales end, scored a touchdown each.

Jack Barron, Big Spring, quarterback, kicked nine extra points and Ken Willis, Morton quarterback made four conversions.
