MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, APRIL 28, 1949.

NUMBER 9.

By Homer E. Thompson
The County 4-H and FFA Fat Stock Show will be a big one day event with the showing of animals which will be a credit to any show's dry lot feeding. The committees are working tirelessly to make this show worth while to all entrants, whose fine job well done, will be demonstrated here Saturday, April 30 right on the show grounds by the water tower.

Approximately \$650.00 in premium money will be awarded to the show participants as a token of appreciation to the encouragement of the splendid work completed by 4-H and FFA boys. The Chamber of Commerce of Morton and business men are backing this show 100 percent. All deserve much credit for contributing toward this occasion, the all out efforts away from their businesses, and money sacrifices for premiums and donations for the sale of calves at Lubbock, May 3, a list of the business men and organizations will be published in this paper, upon completion of sale who have made definite contributions. Boys, girls, men and women of this trade area do have a definite right to be proud of Morton. Do not forget this when you do your shopping, the agent mentioned.

4-H Club Dress Revue Slated for Thursday, May 5

Final instructions have gone out from the county home demonstration agent's office to all 4-H Club girls concerning the dress revue to be held Thursday, May 5. Each girl is to have her dress ready for her sponsor to bring into Morton when she comes to town Thursday morning. If it is necessary for the garment to be folded the girl should use plenty of tissue paper, to prevent wrinkling.

Girls attending Morton Schools will model their dresses before 10:00 p. m. therefore, it will be necessary for them to bring their necessities to school the morning of the revue. Everybody is invited to attend the revue. Girls that did not make dresses for the revue will act as ushers, and preside at the registration table.

Allsup Heads MHS Student Council; Killian and Alford Elected Officers

Lonnie Allsup Student Council President

Lonnie Allsup, Vaughn Killian and Jean Alford were elected president, vice-president and secretary respectively of the student council for 1949-50 recently, according to Wendell Watson, principal.

Allsup and Killian will be seniors and Jean will be a junior next fall. Student Council constitution requires a president to be a senior, vice president to be a junior and the secretary may be either a sophomore, junior or senior.

"With these fine officers to help me and the backing of the student body, I hope we can help our school for a better year in 1949-50," Allsup said.

VISITED McDERMETTS

Mr. and Mrs. R. B. Marchbanks of Lubbock visited this week-end at the home of Mr. and Mrs. Charles McDermett.

Vaughn Killian Student Council Vice-President

Every man and woman attending the dinner received an award of some kind, said E. C. Pool, member of the arrangements committee. Prizes were contributed by Lubbock merchants.

The informal convention began Saturday afternoon with registration. A program, buffet supper and dance were held at the Naval Reserve Training Center, Eighth and College Ave., Saturday night.

A coffee for YVL members, the women's auxiliary, was held at the Pine room of Lubbock hotel Sunday morning.

COUNTY-WIDE CHEST SURVEY BY X-RAY TO BEGIN HERE MAY 11

Final plans are being made for a four day stay in Cochran county of a mobile X-ray unit for a county-wide chest survey. The X-ray equipment will be moved in to Veterans Hall May 11 and remain there through May 14.

The X-rays will be given to all Cochran countians over 15 years of age, and local sponsors are urging full cooperation of students over 15 and adults throughout the county.

The X-rays will begin at 9:00 a. m. May 11. The office will be open for service from 9 to 6 on May 11, 12 and 13. On the 14th they will be open from 10 to 5.

No charge will be made for this service and undressing will be unnecessary. The entire registration and X-raying process will consume about two minutes of the individual's time.

The mobile X-ray unit is being made available to local people through the State Health Department.

The following procedure will be followed: At the time the X-ray is made, the person will be asked to name the physician to whom he wishes the report sent, should there be any abnormality found. Then if the film interpretation for an individual shows signs of

tuberculosis, the designated physician is notified. If the interpretation of the film is negative, the person X-rayed will be notified directly by post card.

The findings from the X-rays are completely confidential. All civic clubs in the county are asked to cooperate with the sponsors of this survey and to publicize the importance of this drive.

Tuberculosis found early and treated at once has the best chance of being cured and less chance of being spread to other people.

Morton Band to Parade Preceding Annual Fat Stock Show Saturday

The Morton High School Band, dressed in their colorful uniforms of blue and gold, will parade around the square preceding the official opening of Cochran county's annual Fat Stock Show, Saturday, April 30.

The band will form on the southwest corner of the square, and the parade will start at 9:30 a. m.

This year's show will be held in the City Park just north of the water tower.

Premium money amounting to about \$650 will be awarded as a token of appreciation from the business men and firms to the 4-H Clubs and FFA.

Forty Local FHA Girls Attended Tech Open House

Approximately 40 Morton FHA girls attended Texas Tech Home Economics Open House, Saturday, April 23.

Nell Brown entered the high school fashion parade as a model from the Morton homemaking classes. She had recently placed first in a contest of the H. E. classes. Katherine Fleener placed second and Sybil Neagle third, but only one girl was allowed to enter from each school.

25 schools from area 11 were represented in this fashion parade. It was such a success that it was repeated three times in order to accommodate the crowd.

Wash blouses, cotton dresses, light weight suits and party dresses were modeled. Nell wore a pretty plaid taffeta party dress.

This fashion revue was not a contest. The purpose of it was to show the public what the high schools are doing.

The girls saw exhibits or demonstrations of all phases of home economics including home management, foods and nutrition, child development, clothing and textiles, art, etc.

At noon the group went to McKenzie park, spread their lunches and relaxed.

Those attending the open house were: Ethel Corder, Betty Doyle, Doris Drum, Jerry Harris, Glynda Lewallen, Joye Minor, Betty Rhynne, Jimmy Taylor, Ruth Williams, Betty Lightfoot, Ruth Baker, Clovia Buchanan, Jowynn Chesher, Ramona Harris, Carolyn Heflin, Mary Lee Smith, Jean Alford, Barbara Barton, Nell Brown, Evelyn Culpepper, Katherine Fleener, Peggy Lilljedahl, Sybil Neagle, Jo Beth Russell, Martha Willis, Juanice Cooper, LaDean Cravens, Twila Deen Daniels, Wilma Jean Gandy, Glenna Kennedy, Jeanette Mills, Joyce Ramsey, Mary Redmond, Verna Mae Stanfield, Ernestine Stovall, Gay Sullivan, Shirley Tucker, Janelle Williams, and Mrs. R. R. Benham, Mrs. J. H. Rhvne, Mrs. Fred Danforth and Mrs. D. E. Benham, sponsor.

ROY SMITH visited Sunday with his brother and family, MR. and MRS. BILL SMITH in Floydada.

LIONS SPONSORED "MINSTRELS OF '49" SET FOR THURS. AND FRI.

Three rehearsals this week, by the cast of Minstrels of 1949, put the finishing touches on the show scheduled for Thursday and Friday nights. The stage is set and everything in readiness for one of the biggest and best shows ever before presented here, according to M. C. Ledbetter, director of the Minstrel.

Only one replacement has been necessary to-date, Ledbetter said. Artie Hicks, manager of West Plains Hospital, is replacing Willard Cox as "Hambone" due to recent illness of Mr. Cox.

Fourteen members of Morton High School Choral Club will participate in the chorus.

A large number of gifts have been donated by Morton merchants and will be given away during the two shows.

Tickets may be obtained from any member of the Lions Club or at the door the night of the show.

Morton Fire Dept. Answered Call Tuesday Morning

Morton volunteer fire department answered a call about 8:30 Tuesday morning in the northeast section of town.

The fire was of little consequence, according to fire chief Amos Taylor. Grasshopper poison stored with county equipment on the lot east of Morton Lumber and Supply, caught on fire. No other damage was reported and only a small loss suffered in the burning of the poison.

How We Licked The Parking Problem

For a while it looked like we'd have to put up parking meters. Folks working in town—including some of the store owners—were taking up all of the space along Main Street.

Farmers coming in to shop never found a place to park, and sometimes had to lug stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together—with the result that the empty field near the depot was fixed up for all-day parkers.

Now farmers get their shopping

done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy.

From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that?

Woman's Work Is Easily Done

ELECTRICALLY

Remember when grandmother sighed over the wisdom in the old saying "Man works from sun to sun—woman's work is never done?" It's not like that today—thanks to electricity.

In a home where electricity is used, woman's work can be done much more easily, and rapidly than in the old days. Too, it's done economically, because the cost of dependable electrical service is so slow.

Look around your home and notice in how many ways electric service is making it easier for you to be a real homemaker. You'll be surprised and pleased, and odds are you'll soon be shopping for more electrical appliances to take even more work off your hands.

Traveloge, Local Movies Shown at Lions' Luncheon

Lions saw themselves as they appear to others in a colored movie made and produced here by R. D. Ormand and Lloyd C. Miller, at the noon meeting of Morton Lions Club, Wednesday, April 20.

The local picture was followed by a traveloge made by R. D. Ormand in 1945 while serving with the U. S. Army Air Corps as Major. The latter picture had its beginning as Ormand flew overseas to the Azores continuing on through French West Africa.

During a business session conducted by Lion President A. E. Sanders, the club voted to pay for medical treatment of a school child who has a serious eye affliction; and to pay the expenses of another child who needs a tonsillectomy. In both instances, it was reported, the children's parents are unable to pay for the treatment. David Todd reported that Rev. A. A. Kendall took two children to Lubbock last week where both were given examinations and one fitted for glasses.

Guests included three visitors from Lubbock, who were Earl Wilson, C. S. Callicotte and Dick Caldwell; J. S. Harrison, Morton City Clerk, Gene Benham and Mrs. Carl England were the other guests.

Members present: Lloyd C. Miller, Fred Stockdale, E. H. Timian, V. L. Lawson, R. D. Ormand, James St. Clair, Jack Rice, Carl Ray, J. B. Knox, L. E. Huggins, Homer E. Thompson, Hume Russell, W. C. Fourteen Steps Necessary for A Good Lawn

By Homer E. Thompson

1. Before excavation is started for the house, the top 5 or 6 inches of soil should be pushed off to one side until the building and grading operations are completed.
2. Building debris plaster, stones, trash, should be removed not buried.
3. The subgrade should be sloped away from the house, slopes should be gradual to the sidewalk.
4. Protect trees, if grading or leveling is raised around trees. Permit air to reach the roots around trunk of tree, if necessary put stone around trunk of tree. Deep layers of soil around trunk of tree may kill it.
5. In establishing subgrade special attention should be given to spots likely to be poorly drained.

6. After the subgrade has been finished (if soil test show the need) 75 pounds of lime and 25 pounds of superphosphate per 1000 square feet should be barrowed into the soil, or spaded to a depth of 4 inches (o. k. in most places in Cochran county).
7. The top soil should then be replaced and graded.
8. Lime, fertilizer, or manure, etc., should be incorporated into the top soil before the finished grade is established. Cost factor will determine how far the lawnmower may want to go. A good balanced fertilizer is 25 to 50 lbs. of commercial fertilizer of 5-10-5 analysis to 100 square feet.
9. The surface should be smooth by raking and rolling.
10. Seeding, sodding or sprigging may be done. Hand sowing is very satisfactory. The seed may be deluted by mixing with soil or fertilizer. It should be divided into two lots. One lot should be sown while walking lengthwise to the area—the second at right angles to the first direction of sowing. Cover seed lightly by raking.
11. Light rolling will press the seed in the soil and encourage quicker germination.
12. Spreading a bale of straw to 1000 sq. feet will conserve moisture and help the seed to get established.
13. New seedlings of sod or sprigs may be a complete failure unless adequate moisture is available constantly during the period of establishment. Water light and frequently while roots are gaining a foothold.
14. Mowing should begin when there is enough top growth to cut with mower at proper height. With most grasses, do not delay mowing so that grass blades bend over and become matted. Remember a fertilizer of 5-10-5 is recommended. This means 5 percent nitrogen, 10 percent phosphoric acid, and 5 percent potash. When used annually 20 lbs. per 100 sq. feet in the spring is good in this area.

The seeding rate for Bermuda grass and bent grass is 4 ounces to 1000 sq. feet. Buffalo and native is 1 lb. to one thousand sq. feet of ground.

Looks as of this coming week-end is going to be a big one—what with two nights of the Lions minstrel and the Fat Stock Show on Saturday.

In the April 14 issue of Scurry County Times we noticed a picture of the "Melody Belles" a group of talented young ladies of Snyder. Included in the group is our little (we still think of her as one of the cutest babies we nearly ever saw) friend, Annetta Jeanne Jones. Jeanne has grown into a lovely young lady and we are confident she is as sweet as she is pretty.

We have only had one little short visit with Alice Jeanette Childs but fell in love with her. She is tiny but perfect and a mighty good babe. Despite the fact that L. B. thinks Minnie played a trick on him (he ordered a boy) he thinks Jeanette is the "best and prettiest baby of them all, and wouldn't trade her off for any boy he ever saw."

Kitsey Lee Bennett, small daughter of Mr. and Mrs. Joe Bennett, is a darling curly haired blonde. Kitsey has dark eyes in contrast to her golden curls.

A cute "thank you" note from Mrs. Andrew Essary, she wrote in part, "I'm going to miss all of you very much but not annegrams for we are carrying our subscription right along to Lamesa. I'll feel as if I've had a visit back home every week—and if you dare let us miss a copy of the Tribune we'll haunt your dreams."

Confidentially Geneva our dreams are already haunted—so please, no more.

The Louie Taylors, who formerly lived in Cochran county, write from Route 4, Modesta, California. They were, until recently, located at Valley Home, California.

Well, Friday night, we went to see Ann England, Eleanor Roosevelt, Madame Chiang Kai Shek and others in the Junior High school show. We liked the show first rate.

The youngsters in junior high school really put on a fine two hour program. The auditorium was filled and we have an idea considerable funds were realized by the youngsters for the benefit of their library.

We were again impressed with the inadequacy of the auditorium and it is our sincere hope that the citizens of this community will soon be provided with a larger and more suitable gathering place.

Saw Mrs. James St. Clair at the Study Club meeting last Wednesday afternoon. First time we'd seen her in some time. The four children have kept her pretty close lately. She looked wonderfully smart in a sort of beige two piece spring dress, brown off-the-face hat and purse and slippers of brown reptile.

Dorthea Weekes, who took part on the program, was chic in a full skirted suit, small green veiled hat and suede pumps in that beautiful new color, cinnamon. Her shoulder corsage of red tulips was tied with white ribbons—we aren't sure but believe the corsage the handwork of Mrs. Albert Morrow.

Speaking of tulips, there were two bowls of them in the Ledbetter home, that were simply out of this world. One low bowl contained all yellow ones—about as pretty as we've ever seen, the others were red.

The Ledbetter's small fry, Mary, Vivian, Betty Lou and Charles Coleman, all had a hand in helping their grandmother, Mrs. J. A. Gowdy, with hostess duties. They did a good job of it too.

Mrs. R. C. Strickland was wearing a tailor made suit of steel grey and a black hat. Attractive rhinestone clips were attached to her coat lapel.

Mrs. H. S. Hawkins, always smart, was wearing a black suit, cart wheel black straw hat and pink blouse.

Mrs. Hume Russell, program chairman for the day, discussed design for various figures. She opened her talk by saying, "The normal human figure is the most beautiful thing in the world."

We wonder who of us possess the "normal" figure. You know the tall girl is advised to do so and so to make her look shorter—the short one is given different instruction in order that she may appear taller. The fat ones are told to dress to look slim and the slim ones vice-versa.

Some women go to great lengths to dress beautifully because

it does something for them personally, others dress to please their husbands or sweethearts and we understand there are women who dress extravagantly in an effort to outshine all the other women.

Actually we think the really correct thing in dress is appropriateness for the occasion, comfort for the wearer. A color scheme harmonious to the ensemble as well as the person and above all material of good quality and fine workmanship.

We are exactly the type to give advice—as we can't sew a lick and our taste is very erratic. Another thing in which we excel is giving advice to parents on "how to rear their children."

We saw many strapless dresses last year, but nothing as compared with what we are going to see as soon as the weather becomes warmer. These dresses are wonderfully youthful affairs with bodices that are boned for a corset-like moulding.

Cotton broadcloth and iridescent chambray dresses will be seen frequently with a stole or cape decorated with heavy white fringe. Fichu scarves are numerous.

Scarves, stoles and capes, however, need not be of the same material as the dress. Many of the new print dresses are paired with lightweight wool scarves in a solid color. This is a good idea if you want to do some remodeling of your wardrobe.

Many fabrics star in the new handbags that are paired with suits, while leather is used for trimming many of the fabric bags.

Last Friday while lunching at Hectors in Lubbock with an old time friend, Mrs. Earl Louder of Seagraves, we saw some beautiful cotton styles. These costumes were modeled during the luncheon period and caused both of us to want to dash out and buy up a bunch of material and start sewing.

However for the ones who are not adept with the needle, there are many ready-mades to be had right here in Morton, at economical prices.

There is no policy like politeness and thoughtful consideration, since a good manner often succeeds where the best tongue has failed.

District Two 4-H Club Forum Held Saturday, April 23

A 4-H Club Forum for the south half of District Two was held Saturday, April 23, at the Labor Camp near Lamesa. Mrs. Katherine Randal, Farmer's Stockman magazine, and Mr. T. C. Rev. A. C. Halsell preached at the Methodist Church Sunday morning.

Rev. Coffman will be present at a Brotherhood meeting to be held in the Baptist Church this week.

Mr. Fay, assistant county agent of Hockley county, and Joe Hayes, Pettit's 4-H Gold Star boy, made a trip to Lamesa to a 4-H club meeting. The owner of the Farmers Stockman was present at this meeting.

Mr. and Mrs. Dennison spent the weekend at their farm in Brownfield.

Mr. and Mrs. Will Cane of Pettit and Mr. and Mrs. James Masten of Morton spent Sunday at Tulla with Mr. and Mrs. Owen Stracener and girls.

The Pettit Seniors are making preparations for their senior trip. They are leaving May 7, for Tennessee and Alabama.

Mrs. R. L. Johnson of Pettit is slowly recovering from her illness.

Pettit's grade school children with the exception of the eighth grade, will present varied program to the public Thursday night. Plays and dances will be included in the program. The eighth grade graduation will be held May 4 at the Pettit high school gymnasium.

UNDER TEXAS SKIES

A. Garland Adair, Curator of History, Texas Memorial Museum

Just as the proper study of mankind is man, so the proper study of our democracy is the study of the constitutions, federal and state, under which it operates and from whence comes its authority to serve in the cause of justice and freedom for all the people.

The Texas Heritage Foundation Incorporated, a non-profit organization whose membership is derived from "the Builders of Texas" and of which Governor Beauford Jester is the honorary chairman, has accepted for the present as its major mission the publication of both of these great documents and which are now available to the public.

The great event held in the Coliseum recently was a glowing tribute to many of the great of Texas today, not the least of whom at all was "Chief Host" Mayor Tom Miller of the Capitol City of Austin. It was conceived and carried out as an honor to the notable Sam Rayburn, "Chief Guest" and in sacred memory to Jefferson and Jackson.

Jefferson, it was who said in his first inaugural address as President of the United States: "I deem the essential principles of our government: Equal and Exact Justice to all men, the support of state governments in all their rights, as the surest bulwarks against anti-republican tendencies; the preservation of the general government in its whole constitutional vigor."

Jefferson left behind him a high respect for the Constitution of both the nation and the states. Senator Hardeman and many other members of the present legislature are lending their enthusiasm to the tendency now which should soon assume state-wide proportions leading to a thorough study of these important democratic documents.

Judge Jack Roberts of the 126th Judicial District Court, in Travis County, has recently written the "Introductory Remarks" for the Texas Heritage Foundation's publication of the Constitutions. Excerpts follow from Judge Roberts' most excellent and timely comments:

"The Constitution of the United States is the fundamental law of our land. The founding fathers in convention duly assembled, in approximately one hundred working days, wrought what Gladstone so aptly termed 'the most wonderful work ever struck off at a given time by the brain and purpose of man.' It has stood the tests of time because its authors were inspired by the Supreme Architect of the Universe at a time when the chant of adversity was prevalent in our youthful nation. During its entire life the constitution of the United States has been a monument to freedom and democracy. It is the haven of security to which all make their pilgrimage when threatened with the loss of personal freedom or property right."

Then Judge Roberts, who is chairman of the Americanism Committee for the American Legion, discusses the state constitution like this:

"So it is with our own Texas Constitution which is designed and animated to guarantee unto the subjects of its sovereignty in its jurisdictional sphere the same rights and privileges promulgated in our Federal Constitution."

"The Constitution of the United States and of Texas were purchased with sacrifice and devotion to duty. They have been maintained in defiance of the tyrant and his puppets, and have prevailed over the venomous attacks of unfriendly foreign ideologies. The primary weapons of those who would destroy our heritage are indoctrination and propaganda against our democratic systems under our state and Federal Constitutions. The youth of our state and nation must not fall prey to these weapons but must preserve the American way that they may pass to their sons and daughters the heritages, principles and tenets which our fathers have passed to us. It is my hope that the youth of Texas and the nation will ever realize their civic responsibility to keep high the will for liberty, through individual initiative and an honest understanding of the sacred instruments upon which happiness and freedom are founded—our National and State Constitution. Both were written in the closing hours of stormy periods, littered with the wrecks of governments and dynasties throughout the world. In their flexibility they strengthen with age because as fundamental law they guarantee to every citizen of our land equal rights of protection and participation in governmental affairs, and at the same time exacts of us as citizens the devotion due from a grateful heart."

MRS. BESSIE CURTIS, MR. and MRS. L. W. RAY were business visitors in Portales, New Mexico Sunday.

PRINCIPAL SPEAKER—

John Ben Shepperd, Glade-water attorney, and former President of the United States Junior Chamber of Commerce, will be principal speaker at the annual banquet Friday, May 6, of the South Plains Press Association in Lubbock, it was announced by Lois H. Vestal, Secretary. Shepperd is presently touring Europe and this will be his first speaking engagement upon returning to the states.

CITATION BY PUBLICATION
 THE STATE OF TEXAS

TO: O. A. ALSTON—GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 16th day of May, A. D., 1949, at or before 10 o'clock A. M., before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's Amended Original petition was filed on the 2nd day of April, 1949.

The file number of said suit being No. 780.

The names of the parties in said suit are: First State Bank of Morton as Plaintiff, and O. A. Alston et al as Defendant.

The nature of said suit being substantially as follows, to-wit: This is a suit filed by plaintiff First State Bank of Morton, Texas, against the defendants O. A. Alston, N. C. Faulkner and wife, Vera Faulkner, Pacific Finance Corporation, and Wood Brothers, a partnership lien upon one 1949 Mercury Sedan Automobile, Motor No. 9CM-38343, now in custodia legis and alternatively for title and possession thereof.

That the defendant, O. A. Alston did execute and deliver to plaintiff his promissory note dated January 31, 1949, for the principal sum of \$2,405.00 payable to the order of plaintiff at Morton, Texas, on or before February 5, 1949, and to secure said note and payment thereof the defendant, O. A. Alston executed and delivered to plaintiff his certain chattel mortgage lien against said automobile. That said note is past due and unpaid and plaintiff has made demand for the payment thereof but the defendant, O. A. Alston has failed and refused and still fails and refuses to pay the said note or any part thereof.

That all other defendants are claiming some interest in said automobile, the nature of which is unknown to plaintiff, and plaintiff prays for judgement for the amount of its debt, for foreclosure of its lien against said automobile, and order of sale; and in the alternative that plaintiff have judgement against all defendants for the equitable title to said automobile, and that said title be decreed superior to any right, title or interest of any of said defendants.

Issued this 11th day of April, 1949. Given under my hand and seal of said court, at office in Morton, Texas, this 11th day of April, A. D. 1949.

Outstanding Musician to Appear with Lubbock Symphony Orchestra May 6-7

Amparo Iturbi, distinguished concert pianist now on successful concert tour in England will fly back to this country the first week in May and will be the guest artist with the Lubbock Symphony Orchestra on May 6 and 7. Critical reviews of her concerts in London newspapers have been unstinting with their praise of her musicianship.

Miss Iturbi, sister of famous Jose, with whom she has appeared in movies and concerts, is a native of Valencia, Spain, the youngest of a family where music was considered an integral part of the cultural aspect of daily life. She soon showed signs of musical genius and after studying with the foremost teachers in Spain, she joined her

Amparo Iturbi

brother in Paris.

There will be approximately 300 additional seats for sale on Friday, May 6, when season tickets will be honored. The concerts on Saturday, May 7, will be a repeat concert with the entire auditorium available for individual tickets. Tickets may be obtained by mail from the Lubbock Symphony, Box 894, Lubbock, Texas by check with the enclosure of a stamped self-addressed envelope.

Hockley County Annex Dedication Slated for May 30

Hockley County Judge LaVern I. McCann announced that plans are underway for dedication of the new courthouse annex on May 30.

In addition to the building dedication, Levelland's Wm. E. Evans post of the American Legion will decorate graves of veterans in the cemetery at Levelland.

A wreath will be placed on the Memorial Marker on the courthouse lawn by Jack Thomman, past district commander and a past Fifth Division commander of the Legion. Mr. Thomman was division commander at the time the memorial marker was erected as a memorial to William E. Evans, for whom the Levelland Legion post was named.

A memorial service is scheduled in the County Library in the new building for Gold Star parents, wives and relatives.

Dedication of the courthouse annex is scheduled for 10:30 a. m. The Commissioners' Court and American Legion have secured services of the Fourth Army Band of Fort Sam Houston for the occasion. Honorable John Winters of the State Department of Public Welfare has been invited to be the main speaker.

Mr. Winters is well-known to Hockley Countians. He was commissioner and later county judge from Potter County before his appointment to the Welfare Department.

The Memorial Day program sponsored by the American Legion is being arranged by Sam Blair and Burnie R. Carraway.

Mrs. J. A. Gowdy Hosts 1936 Study Club Meeting Held Wednesday, April 20

Mrs. J. A. Gowdy was hostess of the 1936 Study Club Wednesday afternoon, April 20. A refreshment plate of frosted devil's cake and coffee was served. Mrs. Gowdy, assisted by her daughter, Mrs. M. C. Ledbetter, and the Ledbetter children, Mary, Jean, Betty Lou and Charles, reports were made by the library committee and from delegations attending District Federation meeting in Lubbock recently. In the library report, announcement was made of the removal of the library to the Vocational Agriculture office and of employment of a full time librarian. Mrs. Albert Morrow gave the graduation report; she congratulated

the club upon winning fourth place with the current year book in competition with over 400 year books at the district meeting. Mrs. Hume Russell was program leader, she discussed, "Designs for Various Figures." Mrs. Morrow introduced Mrs. Roy Weekes, who presented a paper on, "Trends in Hair Styles". Mrs. P. B. Ramby concluded the program with a discussion on, "Influence on Home of Modern Dress." Mrs. B. C. Ross, president, had charge of the business meeting. The club will meet next with Mrs. Frank Barker. Mrs. Carl England and the guest speaker and the following members were present: Mrs. Frank Barker, Mrs. H. S. Hawkins, Mrs. C. M. Cravy, Mrs. Joe Gipson, Mrs. J. B. Knox, Mrs. Ramby, Mrs. L. F. Hargrove, Mrs. Morrow, Mrs. Ross, Mrs. Scott Hawkins, Mrs. Jess Burns, Mrs. James St. Clair, Mrs. Russell, Mrs. J. D. Hawthorne and Mrs. R. C. Strickland.

Riding Circle Around Whitefaces

by Art. N. Wall

On Friday, April the 22nd the juniors and seniors of the Whiteface School had their banquet. It will not be long till graduation and now the seniors are beginning to realize they will soon have to decide what the future will hold—college or now am I finished with school.

At approximately 4 a. m. on the morning of April 19th fire broke out in the interior of the Driller's Cafe in Whiteface. The furnishings inside of the cafe were practically destroyed. It was fortunate the fire was discovered when it was or the entire block could have been a sheet of flame. The new theatre building, located next door to the Driller's Cafe was damaged by the fire to the extent of about \$300.00. Ashby Cleaners on the east side of the blazing cafe received very little damage. Volunteer firemen handled this conflagration very efficiently but Whiteface is in bad need of modern fire fighting equipment. A good hard wind and this block could have been nothing more than smouldering ruins.

Mr. and Mrs. Fisher who operated the Gulf Service Station have sold this business to Mr. Jessie Henson of Levelland, Texas. Mr. Henson and his wife operate a cafe along with the service station. Jessie and his wife are a young couple and anxious to make a go of this business. Any of you folks in this community who have no set location where you buy gas drop around to Jessies! He has lots of filling station experience behind him and will appreciate your business.

Mr. A. M. Walker and Mr. A. D. Walker are busy erecting a building east of the postoffice. It is understood this building will be a dress shop operated by Mrs. A. D. Walker.

Master Jackie Spurlock has been out of school this past week due to measles.

A lot of local oilfield workers are getting itchy feet as that oil boom in western Canada gets bigger and bigger.

The Whiteface Wesleyan Guild will have a silver tea at the School Cafeteria on Wednesday, April 27th at 8 p. m.

The front appearance of our new picture show building is very attractive. Whiteface is indeed lucky in securing this business. The interior is also very neat.

Mr. Ben Neal has a new M. M. tractor. Ben drove to El Paso and hauled this tractor back by truck recently.

How's your fishing reels? I worked mine over not long ago and found they were not in too good a condition. Dust working into those small bearings can cause lots of trouble. On May 1st fishing season opens. As for mountain trout the mountain streams will be swollen from high water till late Spring due to heavy snowfall this year.

Not long ago I was reading in the Amarillo Globe-News about safe driving taught in the Dalhart High School. This is indeed a worth while project. They are going at this safe driving in a big way in Dalhart. Whiteface High School has a reputation of being modern in every way. Surely such a course as this is worth while and is taught in a great number of high schools. The results of this course is a payoff of less property damage, less death, less maiming. Why not write the AAA and get the particulars on this?

Mr. Jim Casey, proprietor of the Red and White grocery store here in Whiteface, has been on the sick list this past week and in the Levelland hospital.

Mr. Hays Robbins, our justice of the peace, has become the owner of one of those small cars. I believe it is called a "Prefect." Hays has had lots of cowboy experience behind him and is an authority on this western country of ours.

Here is one: In one real small southern town there was two churches across the street from each other. A newcomer asked a native, "Couldn't those two churches be combined?" "Naw," the native replied. "That church there says there ain't no hell and the other church says the hell there ain't."

Junior High Girls Win Second in Sudan Tourney

Friday, April 15, the Grade school entered the Junior Tournament at Sudan and the girls team won second place, according to Elmo Smith, grade school principal.

The girls played Sudan and won 22-24. Friday night they played their second game against a tall Levelland team and won 26-20. In these two games Morton played near perfect basketball. The defense was very strong due to the playing of guards Barbara Kendall, Doris Hanna and Billy Sullivan.

The offense depended very largely on the long set shots of Patsy Patterson who made 47 points in three games. She was aided by the passing of Betty Carter and Betty Ruth Embury.

Morton girls lost the final game to Whiteface 25-9.

The boys' team had the misfortune of meeting a strong Sudan team and were defeated in their first game.

GRADES REPORT

The Junior Garden Club has bought two books for the library with money from a noon cold drink sale, according to Anna Lois Alford, treasurer. One book is about wild flowers and the other one about garden flowers.

Four new books have been purchased for the library by the 7-2 English club. Two of these books, "White Stag" and "Daniel Boone" are Newberry award books. The other two are "Johnny Appleseed" and "Your Manners are Showing."

Patsy Ann Holt from Kilgore, Texas, has enrolled in Mrs. Miller's second grade.

Charlie Silhan won the Easter chicken for finding the most eggs in Mrs. Carter's first grade.

Robert Means, Shirley Wharton and Lorenzo Escobedo won the prizes for finding the most Easter eggs at the second grade hunt.

Mac Cravy brought a pink Easter chicken to his first grade room which delighted all the pupils, according to Marie Baldwin, teacher. They had five guests for their special Easter day.

The entire fifth grade went in a school bus to the skating rink for their Easter party last Friday afternoon. The room mothers served refreshments.

The sixth grade chose the cabbage pot for their picnic and egg hunt, while the seventh graders had a skating party Friday afternoon after school. Mrs. Redmond served ice cream to all the guests.

Jr.-Sr. Reception Set for May 3rd

Tentative plans are for the Junior-Senior reception to be Tuesday, May 3, at 8 p. m. at the American Legion Hall, according to the sponsors, Mrs. Marie Benham, Miss Betty Barnett and Fred Dandforth.

Committees have been appointed by the class president, Corky Evans, and preparations are being made. An Indian motif will be used. Special programs are being ordered.

The committees include the following:

Food: Dorothy Akin, Geraldine Gandy, Frances Peters, Laura Sue Waller, Royce Smith, Olin Coon and Clifford Wall.

Decorations: Beth Winder, Betty Monroe, Ted Wood, Lonnie Alsup, Clarence Moore, Glenda Evans, Charlotte Lindsey, Bunky Hargrove, Mona Zuber and Joe Igo.

Program: Beverly Blackley, Pat Weaks, Neida Brisco, Billie House, Joyce Seanev and Doris McMaster.

The invitation committee, Dorothy Taylor, Imogene Jeter, Vaughn Killian, and Edith Lightfoot, announce that approximately 125 invitations will be sent.

MORTON NINE FACE SUNDOWN IN FINALE

The Morton Baseball nine face the last scheduled game of the season when they do battle with Sundown on the home field Friday afternoon. For Morton it will mean having a chance at the district pennant and they will be giving all they have in an effort to cop the "big game".

Bill McDaniel, curved ball artist who has been extremely successful thus far this season will probably be on the mound for the locals with Clifford Wall doing the catching chores.

Morton has one of the better teams of this league, with a sharp, smooth-working infield. Let's all back the team in their last regularly scheduled contest at Slaughter Field Friday afternoon.

Taylor Home Scene Of Stitch, Chatter Club Meet April 17

The Whiteface Stitch and Chatter Club met recently at the home of Mrs. J. A. Taylor, one mile south of Whiteface.

Large vases and bowls of Iris decorated the house. Games of Bingo were played and each member received a gift.

A refreshment plate of salad and snacks and Coca Cola were served to the following members: Mesdames James Yoder, Lewis Ledbetter, W. Taylor, H. Taylor, Caudle, Flowers, Burton, Sapers, Valentine and the hostess, Mrs. Taylor. Two members were absent, Mrs. Lester Baccus and Mrs. E. C. White.

Mrs. Yoder was hostess to the club on April 27. The club had an all day meeting at McKinnis Park in Lubbock.

Sportsmen who forget time on the golf course or at their favorite stream will appreciate the new stainless steel wristwatch with a built-in alarm device.

Senior Kid Day Set for Thursday

The Annual "Kid Day", presented each year by the seniors, has been set for Thursday, April 28, according to Wayne Shader, president.

On this day all seniors come to school dressed as young kids.

Stainless steel serving trays can be wiped clean with a cloth because they don't spot or tarnish.

FOLKS WHO'VE HAD EXPERIENCE WILL TELL YOU

"Get a Servel GAS Refrigerator."

IT HAS A
TEN-YEAR GUARANTEE"

ONLY SERVEL STAYS SILENT, LASTS LONGER

The people who appreciate Servel most are those who've also owned other kinds! And it's easy to see why. You're sure of long-lasting, noise-free, worry-free performance with the Gas Refrigerator!

Fact is, Servel alone guarantees ten years of silent, dependable refrigeration. (And thousands of Servel's more than 2,500,000 owners report that their Gas Refrigerators are still on the job after even 20 years!)

For only Servel has no moving parts in its freezing system. No machinery to wear, no motor to make a sound. A tiny gas flame does the work. So Servel stays silent, lasts longer.

But see for yourself. Come in today and discover Servel's wealth of latest modern conveniences. Choose a Gas Refrigerator—and get more for your money!
