

# Indians Scalp Whitharral, 26-7; Tackle O'Donnell Eleven Friday

Two quick scoring thrusts in the second quarter and a lightening light jab in the form of Clifford Wall's 75 yard breakaway run in the third canto, paced the Morton Indians to a 26-7 triumph over the Whitharral Panthers at the local field last Friday night.

Despite the fact that the backfield turned in the scoring, with the exception of a few minutes late in each half, it was a hard charging Morton line that starred in the fray. No one individual should be singled out in a line which turns in an overall "good job."

The first quarter was about 7 minutes old when Morton, on its third try with the ball, drove to the Panther 27 yard line for a first and ten. Don Baldwin snaked his way around left end for 24 yards and was halted just three yards shy of the goal line. Fullback Jimmy Coats crashed the center of the Panther line to pick up the necessary yardage and a 6-0 lead. Veryl Webb's try from placement was low.

The first quarter ended that way with the Indians having 2 first downs earned and Whitharral, none.

The second quarter was still very young when Morton opened up a sustained drive for three first downs in succession. With the ball on the Panther 13 yard line, Johnny Green twisted his way down the right sideline for the second Morton touchdown. Again Webb's placement kick was low and Morton led 12-0.

Quickly Morton again rolled to a score with Whitharral unable to advance after receiving the kickoff, they punted. Morton ran the boot back over midfield to the Whitharral 43 where the Indians earned one first down to the 32 and then Jimmy Coats bulldozed his way around left end, all the way to the third Morton score. Webb's kick caught the crossbar but sailed over for a successful extra point and Morton's first string had earned a rest, now leading 19-0.

Quarterback Roland Burnett, the Panther's heaviest weapon in the fray, began rolling against the Morton second string line. Within a matter of minutes they had earned their first three downs of the game and had the ball on Morton's 5 yard line when the local "A" string came back into the game. They quickly broke up the drive twice but Whitharral was not to be denied.

Filling the air with passes in the last minute of the half, Burnett got two completions, the second one a 7 yard pass to Calvin Billings for the score. Havens ran over tackle for the point and one play later the half was over with Morton leading 19-7.

The major share of the second half excitement was over quickly. With the 3rd quarter less than 2 minutes old, Clifford Wall took the ball on his own 24 yard line and went over left guard. Two key blocks and some good side-stepping put him out in the clear at midfield and he went 76 yards to the final score. Webb's kick was perfect.

Reserves flooded the field on an off during the second half. The two teams battled on an even keel with Morton garnering 5 1st downs and the Panthers, 6. Penalties figured heavily with Morton being assessed a total of 145 yards. Clipping, delay of the game, and illegal motion in the backfield caused most of this damage.

Under the inexperienced hand of quarterback Sonny Burns, the Morton backfield did an excel-

With one scalp dangling from their belts, the Morton Indians turned their attention this week to the invasion of a hard driving O'Donnell team that will be out to put the first blot on the Indian slate this season.

The Indians, looking sometimes a little befuddled in their opening game 26-7 victory over Whitharral, will be up against tougher opposition this week the coach stated.

The Morton team is not expected to hold a weight advantage or a "depth" advantage over O'Donnell. By depth, is meant the amount of reserve strength at the various positions.

The Indians are working hard on timing in the backfield this week after some of the inexperienced boys were penalized last week for illegal motion. Coach Crawford explained after the tussle that many of the boys just hadn't understood that they cannot be shuffling their feet when the ball is snapped. It will be up to Quarterback Burns to see that his men are completely in position before the signals are called.

In explaining the tremendous number of Morton penalties for illegal delay of the game, Coach Crawford took the blame on his shoulders lamenting that under new rules, "It's next to impossible to get a boy in the game without delaying the game."

Friday's game will mark the last home game for two weeks before the Indians return against Seagraves, September 30. Season tickets will be good for admission to the O'Donnell game.

## Chiefs Again Win Wild Battle from Refiners, 16-13

Texaco's Fire Chiefs and Atlantic Refiners filled perfectly the roles they have played all season long last Thursday as the Chiefs eliminated the Refiners from playoff contention, 16-13.

Perhaps the oddest feature of the game, lay in the way the two teams maintained their all season form. Texaco, more often than not a winner in a high scoring game, again filled that bill. As usual, though not winning by a large margin, they ran into pitching they could almost belt at will. On the other hand Atlantic lost the game on errors, another typical performance. They too collected plenty of hits, to keep a secure hold on their team batting championship.

The victory put Texaco into 4th place in the league. If VFW defeats Dodge-Plymouth Monday night, the Chiefs are in the play-off. If not, they will have to play DP for the right to represent 4th place in the post season classic.

Hermann, Atlantic's hurler, was raked for 14 hits including home runs by Lloyd Evans and Kenneth Burke. Youngblood's homer led the 14 hit Atlantic attack off two Texaco hurlers, Bill Weatherly and Burkes. Score: Atlantic 0900040-13 14 11 Texaco 6603011-16 14 6

## Harold Pollard Hurls One Hit Game; Veterans Blank Fire Chiefs 10 - 0

The VFW softball team, winners of the first half crown, clinched a playoff berth for the second half title Wednesday night with a 10-0 victory over Texaco as Harold Pollard turned in the second one-hit shutout of the season.

Pollard set down the hard hitting Texaco batters on one single and allowed only three Refiners to reach first base. The Vets pounded Stats Spence for 10 hits

and as many runs before the game was called because of the 10 run margin with the bases loaded and only two men out in the 6th.

The Vets turned in a sparkling game in the field bobbing only one time while Texaco made 8 errors. Burleson's triple was the only extra base blow of the game. The two teams stole 10 bases in the game, 7 of them recorded for VFW.

The results left Texaco with one more crucial battle to go which they must win to qualify for the playoffs; and put VFW in second place in the league. Score: Texaco 000000-0 18 VFW 303013-10 10 1

## Three Morton Men Vie for Berths on ENMU Grid Squad

With the first game of the season slated for Sept. 10 with Hardin College, Wichita Falls, Texas, Eastern New Mexico University Greyhounds started in on some rugged practice this week.

Trying for berths on the varsity squad are 17 of last season's 23 lettermen. Familiar faces on the field are Charlie Gant, Melrose halfback; Kenneth Livingston, Portales end; Newt McDonald, Portales tackle; John Adams, Lovington guard; Charlie Hoover, Adrian, Texas, guard; Fred Beard, Roy tackle; Billy McAllister, Morton, Texas half-back; Rex Ormon, Borger, Texas, end; John Ray, Lovington end.

Ray Walker, Hatch half-back; Kenneth Willis, Morton, Texas, quarter-back; Jack Barron, Big Spring, quarter-back; Paul Cisma, Mattoon, Ill., full-back; Ralph Kemp, Portales half-back; Ralph Langston, Denver City, Texas, center; Charlie Painter, Roswell full-back; and Al Whitehead, Roswell center.

## Atlantic Thumps East Side 7 - 4; Merchants Lose Playoff Chance

Halted by fine pitching from the third night in a row, the East Side Merchants lost all chance for a playoff spot Wednesday night in bowing to Atlantic, 7-4.

Atlantic kept their hopes alive but had to defeat Texaco in the game Friday to stay in. Results of that Atlantic-Texaco battle are elsewhere on this page.

Jack Montgomery hurled 4 hit ball in the game played with a brisk wind shackling the batters and aiding the pitchers. Four, 1st inning errors put Atlantic behind 2-0 but from there on they played errorless ball and collected 6 hits off MacDonald. A three run 5th inning featured by Wallace's two base hit put the game out of the reach of East Side.

Montgomery fanned 8 Merchant batters, 3 in succession in the 5th frame. He only gave up one walk. Hub Cadenhead took over

## DP's 15-5 Victory Keeps Hope Alive For Playoff Spot

Dodge-Plymouth pounded out a 15-5 triumph over the West Side Merchants last Tuesday to keep alive their playoff hopes. The DP's can retain a chance for a playoff spot if they win their one remaining game with VFW, Monday, September 5.

The Automen took advantage of the wildness of West Side hurler Bill Markham and the errors committed by the Merchants to score 9 of their 15 tallies. They collected 7 hits in the battle, the same number West Side garnered off Carl Kennell. DP committed just 2 errors in the game and Kennell allowed but two bases on balls.

Garland Beard and Winston Jerden led the DP attack at the plate with two hits apiece. Beard stole 2 bases to run his total for the season to 11. Markham and Combs got two hits apiece for West Side. Line score:

D-Plymouth	27204-15 7 2
West Side	23000-5 7 10

the league's stolen base leadership with 2 swipes to give him 12 for the season.

Again Bill Scott led the East Side parade with 2 hits in 3 trips. Only one extra base blow was registered in the game with most being long flies ending up in popups in the strong wind. Score: Atlantic 0040300-7 6 4 East Side 2002000-4 3 3

## Enochs Dropped By Lehman, 11-9; Hold League Lead

In perhaps the most thrilling softball game of the season, Lehman demonstrated why so many fans rate them as the most improved and strongest team in the league by defeating league leading Enoch's, 11-9.

A team which has been improving with almost every game, the Lehman team won the battle on 10 well spaced bingles. Their heavy hitting shortstop, Tom Rowden, perhaps the most feared batter in the circuit, rapped out four hits including his 6th home run of the campaign. He batted in 5 runs.

Enochs also collected 10 hits but its biggest trouble was leaving men stranded on base. Seven men were left on the paths. Errors almost cost Lehman the game. They bobbled 8 times, 5 of the errors coming in the 3rd inning when Enoch's ran in 6 runs. Enoch's committed 4 errors, one of them proving very costly as 3 unearned Lehman runs came home.

The victory left Lehman tied with VFW for second place in the circuit. They each have one game to go. Enoch's maintained the league lead but it was cut to 1 1/2 games.

Thomas, Neutzler, and Vandeventer batted out two hits apiece for Enoch's. E. Hall gathered 3 for Lehman giving Rowden and Hall, 7 of the 10 bingles. Bob Dyer also rapped a home run for Lehman.

I want to thank you many folks who have taken time out to tell me how you enjoyed this column when I wrote it up on my vacation in New Mexico. I sincerely appreciate you mentioning it. I can not help but be surprised at the number of people who read this column. I write it for you home folks in Whiteface and Cochran county in general. It is your column. When you enjoy it I am always glad to know it.

Here is one taken from the June edition of the Reader's Digest: During one of the big snowstorms out West, so few people came to church one Sunday that the minister wondered whether to deliver the long sermon he had prepared or to give instead the short sermon he had used before. Finally he decided to go ahead with the long one. Afterwards, he asked one of the ranchers in attendance how he liked the sermon. "Just fine," replied the rancher. "But if I take a big load of feed out to the cattle during a storm, and only a few show up, I darn sure don't give them all the feed I have."

**Mr. and Mrs. Paul Adams Injured in Auto Accident Sat.**

Mr. and Mrs. Paul E. Adams were admitted to St. Mary's Hospital, Lubbock, last Saturday morning following an accident in which their car overturned.

Mrs. Adams, 16, is the daughter of Mr. and Mrs. C. P. Monroe. Mr. Adams, 20, a former resident of Morton, son of Mrs. P. E. Adams and the late Mr. Adams, is a Texas Tech student.

The Highway patrol said Adams, driving west toward Levelland in a 1936 Ford sedan, was traveling behind a 1947 Chevrolet coach driven by John C. Englin, 27.

The wreck came, according to the patrol, when Englin started to turn right off the highway into an intersection. Adams headed for the borrow ditch on the right to avoid hitting the Chevrolet, which kept going down the main highway.

The Adams car jumped the ditch at the intersection and overturned twice.

Mrs. Monroe, her daughter and son, Mrs. Bobby Rhyme, and Merle Monroe, left here for Lubbock as soon as notified of the accident.

Mrs. Adams had been released from the hospital Monday but Mr. Adams was still under treatment.

**H. D. Rally Day Gives Instruction In Handicrafts**

By Mabel Ann Manley

Two handicrafts were taught at the county-wide Home Demonstration Club Rally Friday, Aug. 26. They were aluminum tray making and block printing.

Mrs. Glenn Thompson gave the demonstration on tray making. She used two rectangular pieces of 10 gauge aluminum sixteen by twenty inches and a fourteen inch circle of the same gauge aluminum in making the three trays. Mrs. Thompson traced a design onto the flat pieces of aluminum which had been cleaned with soap, water and steel wool. The portion of the design that was to be raised was painted in with asphaltum and allowed to dry for twenty four hours. A pair of wire pliers well padded with a turkish wash cloth was used to turn up the edges of the tray. The tray was filled with a solution of 2 parts of water and one part of commercial hydrochloric acid. The acid solution ate into the metal that was not covered and left the design raised. After the tray had been washed several times in clear cool water the asphaltum was cleaned off with kerosene. The trays made by Mrs. Thompson cost about two dollars each and the same trays retail for \$5.00 to \$10.00 each.

The afternoon was devoted to block printing taught by Mrs. home demonstration agent. Making prints with linoleum or wood blocks is an old art. The first prints on material were made in this way. The design is cut into the wood or linoleum block. The ink for doing the printing is placed on a sheet of glass or tile and rolled out with a rubber roller called a brayer. The brayer is then rolled over the design on the block, the block is applied to the surface of material with pressure to make the colors go into the fabrics. Some of the most expert block printers use their foot to give the desired pressure. The women at the rally applied the pressure to their design with a wooden mallet.

The last part of the program was a group of games led by Mrs. Charlie Sanders, Mrs. E. L. Freeland and Mrs. K. A. Wilson.

Guests for the Rally program were Mrs. Elkin of Lubbock and Miss Kate Adele.

### Miss Bonnie Jean Garvin and J. W. Flinn Married

Miss Bonnie Jean Garvin, daughter of Mr. and Mrs. H. W. Garvin, Maple and Mr. J. W. Flinn were married at the home of the bride's parents, Sunday, September 4. Reverend C. A. Norcross, pastor of the Maple Methodist Church, officiated for the double ring ceremony.

A bridal luncheon was served to members of the wedding party and guests following the ceremony. A beautifully embossed wedding cake was cut by the newly wedded couple and served to thirty seven guests.

The bride is a 1948 graduate of Three-Way High School. She attended Texas Tech and West Texas Hospital School of Nursing prior to accepting a position as office nurse at Amherst Hospital.

Mr. Flinn attended schools in Clovis, New Mexico, and is a veteran of World War II, having served four years with the Navy as Laboratory and X-ray technician. He has been employed more recently as technician at the Amherst Hospital.

Guests present for the wedding and bridal luncheon were Mrs. G. R. Fort, grandmother of the bride, Mr. and Mrs. E. B. Fleming and sons, Mr. and Mrs. George Tyson and family, Mr. and Mrs. Garvin Long, Garland Fort, Mrs. Olga Long, Mrs. John Tyson, Maxine and Jessie Wynn Tyson and Dorothy Reeves, all of Maple. C. A. Norcross and son, James of Lubbock, Mr. and Mrs. W. W. Chamberlin and son of Weatherford, Texas. Parents of the bride and her sisters, Misses Anna Jewell and Janella Garvin and brother, H. W. Garvin, Jr.

A recording was made of the service and pictures of the wedding party made.

The young couple left Sunday afternoon for Ft. Worth, Texas where both will enter school.

## Greater Attractions to be Featured at South Plains Fair, Sept. 26 thru Oct. 1

Greatest attractions ever to be held in West Texas will be seen daily at the Panhandle South Plains Fair, which will be held Sept. 26 through Oct. 1, at Lubbock.

"Lucky" Lott and his troupe of Hell Drivers will make three performances at the fair, officials announced recently. Lott is one of the best known daredevils in the nation, critics believe. His troupe will appear Sept. 26 at night, Sept. 27 at 1:00 P. M. and Oct. 1 during the afternoon.

Although "Lucky" Lott's troupe will feature everything from driving one of their members heading over a burning plank wall, pulling their cars end-over-end, jumping a car on top of a moving trailer, probably the greatest act of all will be when the troupe crashes through 2,000 pounds of ice.

In the grand stand nightly, Barnes and Carruthers will present the most sensational musical revue ever held on the Fair Grounds, according to the showmen.

### ORDER OF COMMISSIONERS' COURT

On this the 19th day of August, 1949, at the regular August term of the Commissioners' Court of Cochran County, Texas, there came on for consideration the proposition of dividing the county into convenient election precincts, and after due consideration the court determined that it was to the best interest and for the convenience of the voters of Cochran County, Texas to leave election precincts nos. 1, 2, 3, 4, and 5 established as they now are of record but that in addition thereto one additional election precinct be added which shall be a part of Justice Precinct No. 3 and also a part of what is now election Precinct No. 3 and that such new additional election precinct be known as election precinct No. 6.

It is therefore accordingly ordered by the Commissioners' Court of Cochran County, Texas that election precincts Nos. 1, 2, 3, 4, 5, as now designated and on record in the commissioners' court minutes be and remain as they are therein described except election precinct No. 3 shall be divided and the new election precinct territory taken from said election precinct shall be known as election precinct No. 6 and shall consist of the following described territory in Cochran County, Texas all of which is wholly located within the boundaries of Justice Precinct No. 3 and described as follows, to-wit:

Beginning at a point in the south right-of-way line of the Panhandle and Santa Fe Railway Company where said right-of-way line intersects with the east boundary line of League No. 129, Carson County School Land.

THENCE, West along the south right-of-way line of said Panhandle and Santa Fe Railroad Tract to a point where the same intersects with the east boundary line of League No. 149, Randall County School Land.

THENCE, South along the east boundary lines of Leagues No. 149, 150, 151, and 152 to the Southeast corner of said League No. 152.

THENCE, West along the South boundary line of League 152 to the Northeast corner of Section No. 53 Harrison and Brown Survey.

THENCE, South along the East boundary line of Sections Nos. 53, 52, 51, 50, and 49 to the Southeast corner of said Section No. 49, all of said sections being in the Harrison and Brown survey.

THENCE, West along the South boundary line of said section No. 49 to the Northeast corner of Section No. 2 in Block L, Public School Land in said Cochran County, Texas.

THENCE, South along the East boundary line of said section No. 2 to the Southeast corner thereof.

THENCE, East along the South boundary line of Section 3, Block L, to the Northeast corner of Section No. 15 in Block L.

THENCE, South along the East boundary of said Section 15, Block L, to a point where the East boundary line of said Section 15, Block L intersects with the Cochran and Yoakum County line.

THENCE, East along the Cochran and Yoakum County line to a point where the same intersects with the East boundary line of

Talent, music, and color will not be lacking from this event.

On the Midway, Forsythe and Downs, rides, shows and concessions, will thrill Fair visitors throughout the six day exposition. Especially the "New Loop-er" should thrill the fair visitors as it has many crowds over the nation. Not overlooking the kiddies who visit the fair, many rides such as the Super Rocket Kiddie Train, Miniature automobiles, and many others have been especially designed for them. Other rides for the grown-ups include the tilt-a-whirl and the flying scooter.

All prices on rides, shows and attractions will fit the most modest pocketbook, officials stated.

Besides the main events are the hundreds of educational displays and exhibits. Radio stations will broadcast daily from the fair grounds, and will feature well known radio performers.

Beautifully displayed exhibits in the Merchants Building; Women's Department, Agriculture and Livestock Departments will thrill and educate Fair spectators.

Officials of the Panhandle South Plains Fair Association believe this year's Fair will have more clean wholesome attractions than any fair ever held in this area.

### Sayles Attached to Aircraft Carrier USS Valley Forge

E. J. Sayles, stewardman, USN of Morton, is attached to the aircraft carrier USS Valley Forge which has just been awarded the Battle Efficiency Pennant and 'E' for her general excellence throughout the fiscal year July 1, 1948 to July 30, 1949.

The award is a competitive one, based on overall battle efficiency. Each department of the ship is graded to determine the vessel's final mark in the competition.

The pennant is a red triangle with a black circle in the center and is therefore termed a "meatball". In addition to the "meatball" each enlisted man having served on board the Valley Forge for at least six months of the competition year is entitled to wear an 'E' on the sleeve of his uniform and receives a cash award as well. This is an old peacetime practice in the Navy revived two years ago to incorporate into training the lessons learned by war and the "meatball" has once again become a coveted Naval trophy.

The Valley Forge is presently out of San Diego, Calif.

### Section 8 in Block L.

THENCE, North along the East boundary line of said Section 8, Block L to the Northeast corner thereof.

THENCE, West along the North boundary line of said Section 8, Block L to the Southeast corner of Section 7, Block L.

THENCE, North along the East boundary line of Section 7, Block L to the Northeast corner thereof.

THENCE, West along the North boundary line of said Section 7 to the Southeast corner of Section 19 Harrison and Brown Survey.

THENCE, North along the East boundary lines of Sections 19, 20, 21, 22, 23, all in the Harrison and Brown Survey to the Northeast corner of said Section No. 23.

THENCE, East along the South boundary line of League 132 Carson County School Land to the Southeast corner of said League 132.

THENCE, North along the East boundary line of League Nos. 132, 131, 130, and 129 of the Carson County School Lands in Cochran County, Texas to the place of beginning.

It is further ordered by the Commissioners' Court of Cochran County, Texas that this order be published in the Morton Tribune, a newspaper of general circulation in Cochran County, Texas, for three consecutive weeks beginning with the first issue immediately following the passage of this order.

## Social Security Your Protection Against Old Age

"Judging from inquiries received by this office, many workers do not know what they are buying with their social security taxes," John G. Hutton, manager of the Lubbock Social Security office, said today.

All workers covered by social security should realize that the penny taken out of each dollar of wages pays the premiums for old-age and survivors insurance which is, in effect, a combined life insurance and retirement annuity policy. The plan provides monthly retirement payments to workers and their families. It also provides monthly benefits to families of workers who have died. Eligibility and the amount of benefits hinge on the wages the worker has earned in jobs covered by social security.

Hutton suggested that anyone having questions about social security should contact the Social Security Office, 1311 Texas Avenue, in Lubbock.

## County Residents Contribute \$81,000 For Owning Autos

The motor transportation industry was responsible for the expenditure of \$81,401 in Cochran County in 1948 for highways, schools and other governmental functions.

"This was made possible by payment of license fees, motor fuel taxes and intangible tax" said Roy Sanderford, President of Texas Motor Transportation Association in releasing a statistical study of the motor transportation industry's share of the cost of state and local government.

Sanderford stated that these figures do not include city and district ad valorem taxes, franchise taxes or unemployment insurance taxes.

Total taxes and license fees paid by motor carriers for the entire state amounted to more than \$50,000,000.

Cochran County's share of the industry's contribution to government was made up of the following: county portion of registration or license fees (commercial vehicles only), \$13,419; State highway construction, \$4,498; State highway maintenance, \$8,294; county and district road debt paid, \$44,009; surplus in road bond fund distributed to county, \$4,155; per capita apportionment to schools, \$6,640; and intangible tax paid to county, \$386.

The above facts and figures prove beyond doubt that the motor transportation industry is paying its full share of the cost of government.

**Western Chat and Sew Club Meeting Held August 24th**

Mrs. David Rice was hostess to members of the "Western Chat and Sew" Club at the home of Mrs. Roy Durham in Levelland on Wednesday afternoon, August 24th.

Names for "secret pals" were drawn during a brief business session and dues paid for the month.

A refreshment plate of sandwiches, punch and small individual angel food cakes served to Mesdames: Laura Brittain, C. M. Robinson, W. C. Wesson, Jullie Robinson, Marie Stanley, W. F. Robinson, Tom Robinson, Wade Taylor, Mickie Harbison, D. L. Moore, Buck Smith, Leta Pierce and Miss Bobbie Robinson.

Visitors attending the meeting were Mrs. Mary Cliff, Cement, Oklahoma and Miss Billie Hackney of Abilene, Texas.

Mrs. Jullie Robeson will host the club at her home here on Wednesday, September 7.

**PVT. R. W. PLEDGER RECEIVES INVITATION TO 31ST INFANTRY REGIMENT CELEBRATION**

Private Reber W. Pledger 18, son of Mrs. Ella T. Pledger, box 483 Morton, has recently received an invitation card to attend a party commemorating the 33rd anniversary of the 31st Infantry Regiment.

Pvt. Pledger first entered the Army October 7, 1947 for a period of three years. Upon completion of his preliminary training he was then sent to a port of embarkation for his initial overseas assignment. Upon arriving in "The Land of the Rising Sun", Pvt. Pledger was assigned to Company "E" 2nd Battalion of the Famed 31st. Infantry Regiment. Prior to his enlistment Pvt. Pledger attended the Winkler School, and worked on a farm. He has a hobby of horseback riding, and he is also an ardent sports fan.

Something else—think Emily Post advocates keeping ones gloves on at a reception but we feel much more comfortable holding a piece of cake minus a glove and so far haven't raked up the courage to pick up a piece of cake without first removing glove.

Sunday afternoon we kept watching Mrs. Price—she kept her gloves on alright but the last time we looked that cake was still on her plate, intact. She had an advantage in that remains of cake would be taken home and she could eat all she wanted—bare handed—but in our case it was then or never—and we were hungry.

— by ann england —

Noticed in last week's Lorenza Tribune where Cochran County has a new deputy sheriff. The Tribune said Mr. John Goswick (Cochran County's new deputy) was one of the best peace officers in that section and the people liked him so well they circulated a petition in an effort to get him to stay.

Mr. G gave financial reasons as his excuse for moving, saying and we quote the Lorenza Tribune, "the new job is much better from a financial standpoint as it pays \$425 per month and furnishes his own car."

We have had a longing ever since getting in this newspaper racket to put out one perfect paper; that is all facts correct, no typographical or other errors.

BUT have finally reached the conclusion that if we or anyone else ever put out a perfect issue; if it were noticed at all there would be nothing said about it.

The only time readers ever call attention to anything in the paper is when they spot an error. The good things, the correct things the things publishers and editors should be commended for apparently are all taken for granted.

Don't misunderstand us—we can take criticism—but do like to have critics identify themselves. Now our friends have been carrying us high about saying Edison invented the telephone, which we do not mind.

Some man called, said he was "the telephone man", he was gloating because he was able to call our attention to an error we'd made. Have an idea the telephone company is mighty proud to have in their employ a man with such mental brilliance.

Of course the spouse and David Todd said, "why everyone knows Alexander Graham Bell invented the telephone, that is why they are called Bell phones."

Now isn't that funny? We thought they were called bell because they ring.

However if one ever wants to test readership just put in some easily detected error or misspell some one's name and he will soon find out whether or not the paper is being read.

It is gratifying to know this column is read—after all we spend ten or 15 minutes each week on the thing and it'd be a shame for such concentrated literary effort to go unnoticed.

When pretty little Virginia Doughty married Carl McClintock she carried a handkerchief belonging to a great aunt, "for something old"; her suit was "something new"; her garters were "something blue" and she carried a white Bible belonging to Jaunita Parr of Lubbock.

Newspaper conventioning gets in full swing with a one day regional meeting in Borger, September 10. South Plains Press Day, October 1 in Lubbock—wonder if this was planned purposefully as a birthday party for ae? Then on October 8 practically all of Texas newspaper folks will be in Dallas for press day at the Texas State Fair.

Van Greene planted a nice hunk of mint near our leaky faucet in the back yard. Now if the spouse doesn't take a notion to put a washer in that faucet maybe we can have mint in our

tea or julep, if we have the tea or julep.

Tye Williamson has gone off somewhere on a holiday. Think maybe the skeet shooting at Midland will be one of his stops. T. K. has several real nice skeet trophies to his credit.

The other night after the Morton-Whitharral football game three of KLV's radio staff members came by Vagabond House for coffee, that is Don Daniels, Bill Davis and Bill Skiller, the latter two are six feet and five inches tall and both practically ruined our porch light as they walked up. You'd think they would have learned to duck by now.

Don is the sleepy one who has the early morning programs—generally we are wide awake but by the time Don yawns audibly via KLV for 30 minutes we get so sleepy almost have to go back to bed.

Ruth Price's wedding Sunday was one of the prettiest we've attended. As usual we went alone—the spouse was invited but his stock answer to attending a wedding with us is, "I've been to one too many weddings with you already."

We were quite impressed with the bridegroom, especially the pleased smile he gave his bride as she walked up the aisle on the arm of her father. Think we were more nervous than anyone in the wedding party. Had the camera and wanted to get a good picture just as the ceremony was completed then got upset for fear we'd forget to do something, a flash would fail to go off or something.

Sat next to Michael Todd, he is the dearest little boy.

Beverly Price, the maid of honor, looked so pretty and quite composed too. Marion Porter, one of the bride's maids, was mighty attractive too.

Jimmy Porter and Barbara Ramby took their candle lighting duties very seriously and did a beautiful job.

Isabel Proctor, as usual sang beautifully. Isabel is the pretty little brunette that Bill found and married while he was stationed during the war in New York.

Have never inquired but think maybe Isabel is Italian. She has a smooth creamy complexion, dark eyes and black curly hair. She and Bill have a darling little blonde baby boy.

Read in one of the exchanges last week where some publisher editorially was giving his county officials a fit because they hadn't been publishing quarterly reports. That is one of the things that is a "must" according to law. The person or persons responsible for same are subject to loss of salary for the first offense and afterwards loss of job.

Attorney General Price Daniels gave this ruling at the West Texas Press convention held recently in Brownwood. Mr. Daniels was pretty cagey in answering the various questions regarding these publication laws but did give a definite answer on this particular one.

At present his office and the Texas Press Association are compiling a book on this matter and we have an idea that before it is all settled there will be test cases tried in various courts scattered around over Texas—for precedent setting purposes etcetera.

The garden-club clinic held out here last Friday was informative and the gals certainly made up some lovely flower arrangements and corsages.

However in discussing corsages Mrs. Arrington said, "corsages may be worn at anytime or anywhere except to coffees." Be that as it may and Mrs. A is privileged to not wear as she sees fit but we wear a corsage to a coffee if we can buy, borrow or steal one. Of course we are certainly no authority—we just like to wear flowers.

### Dr. and Mrs. James William Morris On Wedding Trip to Mexico City

Dr. and Mrs. James William Morris who were married here Sunday are honeymooning in Mexico City. When they left Mrs. Morris was wearing a travel suit of light green tweed with russet accessories. The trip to Mexico was made by plane from San Antonio. They will return to Wilmington, Delaware on September 19 where both are associated with the Du Pont Company, he as Research Chemical Engineer and she as Chemical Secretary.

The bride is the daughter of Mr. and Mrs. Lucien Lee Price and the bridegroom the son of Mr. and Mrs. F. B. Morris, Paris, Texas.

The ceremony at four o'clock was followed by a reception in the church parlor.

Given in marriage by her father, the bride wore a white floor-length marquisette dress with narrow taffeta bands on the short sleeves and at hip level on the full skirt. A row of tiny covered buttons fastened the fitted bodice from waist to Peter Pan collar.

She wore elbow length mitts,

her fingertip veil of imported Swiss illusion with lace applique fell from a seed pearl tiara. She carried an old fashioned nosegay of white rosebuds with Stephanotis caught in white satin ribbons.

The double ring service was read by Reverend C. C. Armstrong at the First Methodist Church. The altar was decorated with fern, palms, white gladiola and white chrysanthemums in antique baskets of wrought iron. Candles in the seven branched antique candelabra were lighted by Barbara Ramby and Jimmy Porter.

Mrs. William Sharbutt, pianist of Levelland, gave a prelude of bridal music and accompanied Mrs. Billy Rae Proctor as she sang, "Because" and Grieg's "I Love Thee."

Miss Beverly Price of Wilmington, sister of the bride and maid of honor, wore an aqua replica of the bridal gown and aqua net headpiece with pastel flowers and aqua ribbons and carried an old fashioned nosegay of light pink carnations.

Miss Billie Knutson of Lubbock and Mrs. James Porter, bridesmaids, wore pink dresses identical in style to the maid of honor's and carried nosegays of dark pink carnations.

William H. Raschke of Austin was best man and ushers were Bill James Cox of Lubbock and James Porter.

A reception was held in the church parlors for members of the wedding party, close friends and out of town guests. Miss Myra Jo Morris, sister of the bridegroom had charge of the guest register.

The bride's table was covered with lace over blue and centered with a white wedding ring cake embossed with pink rose buds and lilies of the valley. Lighted pink tapers in crystal holders and the bouquets of the bridal party completed the table decorations.

Mrs. Mary Beth White, Muleshoe, Miss Inez Ross, Lubbock and Miss Millie Moorehead of Canadian presided at the refreshment table.

Saturday night a rehearsal dinner was given for the bridal party in the private dining room of the Steak House.

### Double Wedding Performed in Monroe Home Thursday Night, September 1st

Miss Minnie Mildred Monroe and Mr. Bob J. Rhyne were married in a double wedding ceremony Friday night, September 1.

Miss Mona Zuber and Mr. Merle Monroe was the other couple united in the double rites.

Parents of the couples are Mr. and Mrs. C. P. Monroe, Mr. and Mrs. J. H. Rhyne and Mr. and Mrs. W. T. Zuber.

Reverend W. C. Wright performed the double ceremony at the Monroe home, the single ring service was read for both couples.

Miss Monroe was wearing a Palomina crepe frock with brown accessories. Her bridal corsage was a shoulder arrangement of Gardenias.

Miss Zuber chose brown taffeta for her wedding dress, her accessories were brown and she wore a Gardenia corsage.

Families of the group have all lived in Morton and Cochran county for several years.

The four popular young people are Morton High School graduates. Mrs. Rhyne attended Texas

University and is a graduate of Hardin-Simmons University, Abilene, Texas. She is a teacher and coach in the local public school system. Mr. Rhyne is a farmer.

Mr. Monroe attended ENMC at Portales. He is employed at Truett's Food Store.

Immediately following the ceremony a reception was held in the Monroe home for members of the bridal party and 16 guests. Mr. and Mrs. C. P. Monroe were assisted at the reception by Mrs. Paul E. Adams, Lubbock, and Mrs. Steve Monroe.

Both couples took a wedding trip to New Mexico.

**VISITED IN CHILDRESS**  
 Mr. and Mrs. Hume Russell and son, Jack, returned Sunday from Childress. Mr. and Mrs. Russell spent the week-end in Childress visiting with friends and relatives.

Jack met them there Sunday, he had been in Ft. Worth.

**F. B. MORRIS FAMILY OF PARIS ATTENDED WEDDING HERE**  
 Mr. and Mrs. F. B. Morris, their son and daughter, Don and Myra Jo, of Paris, Texas, were here last week-end and attended the wedding Sunday of their son and brother, Dr. James William Morris and Miss Ruth Price.

**Scoggin Graduates From Recruiting Course in Virginia**

M/Sgt. William H. Scoggin, NCO in Charge of the US Army and US Air Force Recruiting Station in Harlingen, Texas graduated from the Enlisted Recruiting Course, The Adjutant General's School, Camp Lee, Virginia on August 12th as an honor graduate of Recruiting Class 35. In a class of 73 students representing every state in the Union M/Sgt. Scoggin finished in the "Top 4" and was a member of the winning debate team of the same class.

A letter of commendation from Col. R. H. Chard, Acting Commandant of The Adjutant General's School reads as follows: "It gives me great pleasure to inform you that your high academic standing permits me to name you as an honor graduate of the Enlisted Recruiting Course, Class 35, which you attended at The Adjutant General's School, during the period 15 July 1949 to 12 August 1949, inclusive. Only by complete and serious application can such an academic standing be attained. Your record therefore not only reflects much credit on you as an individual, but also increases your value to the Armed Forces of the United States."

M/Sgt. Scoggin is the husband of the former Frances Hancock, daughter of Mrs. Mallie E. Hancock of Morton. He entered the Armed Service from Morton in May, 1942 serving 25 months with the 15th Air Force in Italy during the late war as a first sergeant and warrant officer. He has over 7 years service in the Air Force, wears the Bronze Star Medal for meritorious service, the EAME medal with 1 battle star, the American Theatre medal, the Good Conduct medal, and World War II Victory medal.
