Present existing farm laws, and just how the present farm program will operate, unless amended will be the subject of a discussion of interest to all Cochran County farmers, especially farmers today, at 10 a.m., at the Lubbock Hotel.

Today Set As Morton's Cleanup Day

Today is cleanup day. If you'd forgotten, you'd better do something about it, right away.

Mrs. Joe Gipson Is Elected Head Of "Grandmas"

Sponsoring four projects this past year, the X-16 (Grandma club) closed their year with a bridge and canasta party at the home of Mrs. C. H. Silvers Thursday.

Mrs. S. K. McCasland, One of Earliest Settlers Here; Honored On Birthday

Mrs. S. K. McCasland, certainly one of Cochran County's oldest residents, a resident since 1922, three years before the county was organized, was surprised on her 80th birthday last Sunday with a family reunion that united her with her three children and a host of other relatives.

Thompson Warns Of Need For Increased Storage Facilities

Each day brings the problem of what to do with this year's grain crops closer to the critical stage. A rush by producers to market great quantities of grain is sure to cause price to drop and cut farm income.

Seniors Wire "Great Time"

The Morton High School seniors telegraphed the Morton Tribune they are having a wonderful time, late Wednesday.

'Terrapin Derby' Has 125 Entrants

Members of Morton Legion Post 374 and members of the Cochran County Sheriff were making final rounds this week preparing the official entry list in the first terrapin derby ever held here.

An expected list of from 125-150 entries was to be completed by Friday and the list of entries will determine the number of heats in the race which will be held at the Cochran County Agricultural Barn.

One hundred and twenty-five terrapins, all ready and waiting to be entered in the Terrapin Derby, have arrived in Morton in a bushel basket, Albert Morrow announced Wednesday.

All those who have paid for an entry in the Derby and who are expecting the Terrapin to be furnished, should come and select their own racer on the Court House lawn, Saturday morning.

Sunday afternoon, May 30, at 2 p.m., Albert Morrow, representing the Legion, said this week that in all likelihood no heat would have more than 30 entries.

Announcement of the formal opening of the La Mesa Cafe (formerly Laura's Drive-In) under the new ownership and new management, was made this week.

Mr. and Mrs. Roy Bridges of Morton have leased the cafe and are also managing the adjoining motel, now named La Mesa Motel, located on the Levelland Highway, just inside the city limits of Morton.

Mr. and Mrs. J. E. Clappitt, who have resided in the farming area here, moved away four years ago and are now back, are the new owners of the property, both cafe and the motel, Clappitt operates the Karl Griffith Inn.

The cafe, recently repainted and with new asphalt tile floor, will be open until midnight every night, serving breakfast, lunch, dinner and short orders, and will remain open later on Saturday nights.

Clappitt purchased the cafe from Laura Yeary and the motel from O. H. Horton.

The new management has emphasized the La Mesa Motel is ready to offer accommodations for overnight guests or permanent residents.

Gin To Sponsor Cotton Contest For Students

Rules and regulations of the Casey-Cannon Gin contest were announced this week by M. E. Casey, general manager.

A total of \$350 in cash prizes, \$175 in each of the dryland and irrigated divisions will be awarded to those school boys or school girls with the best cotton yield.

Entries must be made before July 1st and Roy Crawford, vocational agriculture teacher at Three Way must measure the land.

Only a five acre plot of land will be allowed. Cotton must be ginned at the Casey-Cannon Gin. First prize in each division is \$100, second, \$50 and third, \$25.

Garden Club Placement Show, Sunday

The Spring Placement Show, featuring varieties of table decorations and a horticulture exhibit, and sponsored by the Cochran County Garden Club will be held in the new County Activities Building dining room Sunday, May 30, from 4 until 6 p.m.

Every type of flower or shrub now in bloom in this area is open for entry in the exhibit which will be held in addition to a demonstration of table settings, each following particular preannounced themes.

The public is cordially invited to attend the show.

The Church of Christ of Morton has announced their Vacation Bible School from May 31 through June 4th with classes for all ages, from "two to 100."

Classes will be held from 9 a.m. until 11 a.m. each weekday including Saturday.

Stanley Lockhart, minister of the Austin Street Church of Christ, Levelland, will teach the adult classes.

A special series of lessons will be conducted on the home and marriage for high school boys and girls.

Cecil Allen, minister of the Plains Church of Christ will instruct the boys in this series and Mrs. R. C. Strickland will instruct the girls.

Clyde Moore, minister of the Whiteface Church of Christ will instruct the 6th through 8th graders. Other teachers include: Effie Collins, Bessie Cartwright, Reba Brown, Mildred McDermott, Mrs. C. O. Brant, Betty Hoffman, Wanda Behrens, Aurelie Huggins, Marie Cammack and Etta Marie Doty.

The entire school is under the direction of Jesse Brookshire, local Church of Christ minister and the elders of the local congregation.

Four Attend Fashion Meeting

Mrs. Beryl Reed, James St. Clair, L. B. Childs and Paul Goodman were among the more than 5,000 buyers who attended the American Fashion Association's Fall and Back-to-School Market in Dallas, May 16-21.

The American Fashion Association, comprised of 500 salesmen, displayed more than 1,200 lines of children's apparel at Adolphus, Baker and Dallas Hotels.

Heading the events of Market Week was the A.F.A. Breakfast Clinic Style Show, presented in the Crystal Ballroom of the Baker Hotel on Tuesday, May 18 and Wednesday, May 19.

The theme of the shows, "SEVEN LABELS FOR A FALL FUTURE" emphasized fabrics with brushed on color, new bulk, new lengths in coats, washable fashions for school days, fashions in little accessory accents, and the winsome ways of fashion in its late day mood.

The Fashions shown were from the Fall and Back-to-School lines shown at market. The sales story in each trend was told by Evelyn Lambert, fashion and sales promotion director for the clinics.

The next market week will be held in Dallas, August 13-20, and will feature Midwinter and Holiday Fashions.

Lights Go Out Again, Sunday

Once again last weekend, for the second time in a week, Morton was plunged into early evening darkness by a storm which ripped down power lines.

Heavy winds tore down a section of Morton Power and Light lines and necessitated a two and one half hour early evening darkness, here Sunday evening. The lights went off about 7:30 p.m. and were restored to duty at about 10 a.m.

No other damage was reported in the late Sunday wind-storm.

Farmers Should Apply To ASC Office

Cochran County's share of help in the Federal Government's Emergency Wind and Soil Erosion Control Program was explained last week through bulletins received at the ASC office here.

According to Ruth McGee, the following practices have been approved for Cochran County. All are methods in which farmers can actively combat three years of soil erosion through an elongated drought:

Field strip cropping, at \$125 per acre.

Contour listing, contour chiseling, chiseling not on contour and listing or re-listing not on contour, at 50 cents per acre.

Seeding grain sorghums, sweet sorghums, sudan, millet, barley, oats or rye to establish as a cover crop. Must be planted after July 10, seeded in rows \$1 per acre and drilled or broadcast, \$1.25 per acre.

Chiseling of grazing land at \$125 per acre.

Deferred grazing.

A special emphasis was made to make sure Cochran County farmers understood that all work done since April 1, must be approved by June 1st.

Thereafter, prior approval of payment must be secured before the job is started.

In other words, if Cochran farmers wish to use certain methods to obtain a cover crop or stop soil erosion, they should go to the ASC office, explain what they are going to do and apply for approval if they expect to get federal aid.

Naturally, if they seek no federal aid, they need no approval.

A specific allotment for all counties in the emergency belt has been set up. At the present, Cochran County may receive an additional sum from that first allotment.

32 Are Honored For Service to Whiteface School

WHITEFACE (Spl.) Thirty-two members of the Whiteface School, teachers and Board members who have contributed three years of more of service to the school system, were honored during a portion of the grade school commencement exercise, Thursday night, in the school auditorium.

The leaders were presented service pins by E. H. Boulter, member of the State Board of education, who also gave the Commencement address.

'Mac' Wins In Golf Tourney At Denver City

Nine Morton golfers ventured to Denver City last weekend to compete in the DC invitational golf tourney and one, T. L. McAlister came back with a first place trophy.

Mac placed first in the 3rd flight and brought home a handsome trophy for his efforts. Other competing included: Babe Van as the 1st flight; J. T. Porter, James St. Clair, E. L. Willis and Button Silvers in the second flight; and Luke Cole and Joe Niewarner in the 5th flight.

It was the largest participation by Morton County Club golfers in a tourney this season.

Two Scheduled For Degrees At Texas Tech

Two Cochran Countians, one undergraduate student and one graduate student from Whiteface are slated to receive degrees at Texas Technological College next Sunday.

Among the 652 students that will receive degrees in the May-30-31 ceremonies will be George Greer Hargrove of Morton who is seeking a bachelor of business administration degree in advertising.

The graduate student is Tonnie Wayne Smethers, Coach as Whiteface who is slated to receive a master of education degree.

We're Hiding A Very Red Face

We're sorry and we apologize for the horrible error we made in Cobb's ad last week.

Especially do we apologize to the many ladies who called at Cobb's to buy three pairs of "beautiful Nylons" at the advertised price of only 1.00.

The ad should have read three pairs for 2.00, a bargain in itself... The Tribune

Property Must Be Rendered For Exemption

Cochran Countians seeking a homestead exemption under their 1954 tax rendition must have the rendition sheet properly filled out and signed by July 1st.

Assessor-Collector Hazel Hancock warned this week.

Hancock has made trips to contact all residents. However, he has been unable to find all the people at home. Those who have been missed and who have not rendered their taxes should make that rendition at the Assessor-Collector's office in the County Courthouse.

Mrs. E. Lawson Transferred to New District

Mrs. Estelle Lawson, Department of Public Welfare worker in Cochran County for the past few years, has been transferred to another area. It was learned early this week as Mrs. Lawson came to the Tribune office.

Formerly serving Hockley and Cochran Counties from her office in Levelland, Mrs. Lawson will now serve Hockley and Terry Counties with office remaining in Levelland.

Mrs. Blanche Dodgens of Littlefield will be working this area. Mrs. Lawson, citing that 167 cases from Cochran County are being assisted and checked out through the Department, said she was sorry to be leaving the many friends she had made in this area.

Frontiersmen Drop 12-11 Baseball Tilt

The Morton Frontiersmen had an even record, 2 wins and 2 losses, this week after dropping a 12-11 decision to Smyer in a windy, rainy afternoon.

A triple to centerfield in the 8th inning was the decisive blow for Smyer, breaking an 11-11 tie. Morton lashed out 14 hits, three more than the home team but poor base-running was the biggest cause of Morton's troubles plus a variety of wild pitchers who served up nine walks. Head, F. Zimmelle and Don Lamar took turns on the mound for Morton.

The Frontiersmen play in Morton Sunday afternoon but their opposition has not been announced.

PHILLIPS GUESTS

Guests in the P. M. Phillips home Sunday were Mr. and Mrs. Howard Julian and Eddie, Mr. and Mrs. Lloyd Pollard and boys of Bula and Mr. and Mrs. Kelton of Muleshoe.

A NEW MORE POWERFUL GASOLINE!

PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

Phillips is the first to bring you a gasoline with the added super aviation fuel component — Di-isopropyl (pronounced di-iso-pro-pull). This is a Phillips exclusive developed originally for highest powered military aircraft.

Today, start enjoying the exciting step-up in performance you get from new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Phillips was the first to make Di-isopropyl and HF Alkylate — so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions, and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL.

New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from cold stalling. . . plus famous Phillips 66 controlled volatility. And thanks to the clean burning qualities of Phillips 66 FLITE-FUEL, you don't need a special additive to combat spark plug fouling.

Only Phillips 66 FLITE-FUEL contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.

Rose Home Scene Of Junior G.A. Tea

The Junior G.A.'s entertained their mothers and sponsors with a seated tea, Sunday, May 16, from 3 until 4:30 in the home of Mrs. Neal Rose.

The Lucy Belle Stokes circle of the WMU is the sponsoring organization of the Jr. G.A.'s. Intermediate GA's with their leader, Mrs. Buck Huckabee, assisted in receiving the guests and serving.

The attractive tea table was centered with an arrangement of yellow roses. Following the refreshment hour guests were seated in the den.

The Jr. G.A.'s, under the leadership of Mrs. Elmo Smith, gave an interesting program featuring the type of study done through their organization. The intermediate girls provided piano selections and a quartet. A total of 47 members and guests were present.

West Side, Muleshoe Are Softball Winners

West Side hammered out a 15-8 decision over Bula's player short entry, Monday night and the Muleshoe Printers took a forfeit win over Bula in an exhibition game.

The results left four teams tied for first place in the league with more games on tap this week, two tonight (Thursday) and two Friday.

Bula had four of her star players missing on the school's senior trip. However, with Thurman Gibbs on the mound for West Side and in command of the situation all the way, Neal Rose Merchants were never headed.

The local high school team either got the dates mixed up or weren't informed properly because they failed to show up and Muleshoe's Printers were credited with a 7-0 victory.

Tonight, Maple tangles with Hawkins in the opener and Bailey Coop levels off against West Side in the second game. Tomorrow, (Friday), it's Bula vs High School and Muleshoe Printers vs Enochs.

**Mrs. Hill Winner
In Garden Club's
Hat Contest**

A breakfast for members of the Cochran County Garden Club Tuesday morning in the activities building hosted by Mrs. Roy Hill proved to be one of the nicest events of the club year. Members wore hats created from flowers grown in their own flower gardens. Following the breakfast, club members modeled their hats for

judges Mrs. L. A. Cochran and Mrs. Fred Danforth. Mrs. Roy Hill was winner. She wore a hat completely fashioned from flowers - canna leaves and various colored roses.

Second place was given Mrs. W. L. Miller who wore a black straw hat trimmed with yellow roses and yellow satin ribbon. Miss Lenora Jackson modeled a blue and white straw garden bonnet with yellow calendula placed on the crown. This was created by Mrs. H. O. Rogers.

Upon arrival each member was given a rosebud corsage and tiny paper bonnets giving specific duties in the preparation of the breakfast. Centepieces for the breakfast table were pink, yellow, wine and pale green crepe paper bonnets

filled with matching flowers. These were made by the hostess. Menu included orange juice, bacon, eggs, hot biscuits, jelly, coffee and was served to 10 members and 2 guests.

Mrs. A. E. Sanders, president, presided over a short business meeting following the breakfast. Entries in the horticulture exhibit to accompany the annual placement show Sunday were made.

Details on the show Sunday were discussed and the public is invited to attend our placement show and tea Sunday afternoon from 4 to 5 p.m. at the Activities building," Mrs. Sanders advised. Members present at the breakfast included the hostess, Mrs. Hill, Miss Jackson, Mrs. Miller, Mrs. H. O. Rogers, Mrs. Sanders, Mrs. Charles Jones, Mrs. Cliff Davis, Mrs. A. A. Fralin, Mrs. J. S. Boyd-stun, Mrs. W. L. Foust, and the judges, Mrs. Cochran and Mrs. Danforth.

District Soil Conservation News

Frank Bennett, cooperater with the Cochran County Soil Conservation District has recently planted eighty acres of weeping lovegrass.

Bennett also plans to use a one way plow on an abandoned field to kill out the weeds and plant this to weeping lovegrass. This block of land has 160 acres which will make him a total of 240 acres of weeping lovegrass.

F. O. Masten, whose ranch is 16 miles southwest of Morton, plans to use a one way plow on 3,500 acres and plant 2,500 in blue panic grass. This blue panic grass will be planted in rows, thus allowing him to cultivate it as needed to control weeds and other grasses. He also plans to sew a thousand acres of weeping lovegrass.

Leroy Spirez, whose ranch is located south of the F. O. Masten ranch, plans to use a one way plow on three hundred acres, abandoned field and sew it, to weeping lovegrass.

Jeanetta Millsap, Sam Tollett Wed Recently

In an impressive candlelight ceremony Friday evening, May 21, Jeanetta Millsap, daughter of Mr. and Mrs. Wastel J. Millsap of Goodland became the bride of Sam Tollett, son of Mr. and Mrs. L. G. Tollett of Rogers, N. M.

Rev. A. R. Coleman read the double ring service before an altar decorated with roses, larkspur and greenery, flanked by candleabra and white tapers.

Ann Cole played "Indian Love Call," "Moonlight Sonata," "Ave Maria," "Clair De Lune," "Love Everlasting" and "Ah Sweet Mystery of Life," as Gail Arnn and Shirley Reeves lighted the candles. Mamie Fowler sang "I Love You Truly" and "Always" accompanied by Miss Cole.

Given in marriage by her father, the bride was attired in a white street length, nylon dress with fitted bodice and gathered skirt and with matching accessories. She carried red roses on a white Bible. For something old and borrowed she wore her grandmother's locket, for the something blue, a garter and the dress was new.

Mrs. Clifford Dupler served as Matron of Honor and Loretta Millsap, her sister, was bride's maid. They were attired in blue nylon dresses with white accessories and rose corsages.

Harold Belcher of Rogers was best man and Dale Krebs served as bridegroomsman. The bride's brothers, Jack and Claude, were ushers.

The bride's mother wore a black crepe dress with white accessories and white rose corsage. Mrs. Pauline Hodnett registered guests at the wedding.

Following the ceremony the bridal party was feted with a reception at the home of Mr. and Mrs. Millsap.

Mrs. Tollett attended High School at Three Way and graduated this year. Mr. Tollett attended school at Rogers.

The couple are making their home on a farm at Rogers.

A Message To You In Caricature And In Words

Here's Why They Don't Do Guesswork:

"No Job Too Small,
No Job Too Large"

Drive Still On

Folks haven't really forgotten where Loran-Stripling Co. is located.

That's not the reason at all that the boys who were conducting the Heart Fund campaign forgot and left their collection box (it's still there) about three months too long.

As Jack says, "It's just because they know it'll be Fall before the farmers have any money to donate to the drive anyway," he continues, "Don't wait until Fall to get the rotar hoes and combining equipment you're going to need it before too long."

LORAN-STRIPLING CO.

Business Had to Be Better

Another Morton merchant who wouldn't wish anyone any bad luck but who had to concede that recent rains have helped his business is Skinner Butler. Seems that drivers never learn that wet, muddy pavement is too slippery for excessive speed. Result: Skinner's business improves. "That's all right," Skinner says, "as long as the Butler Body Shop, Morton's only exclusive automobile body shop is the only body shop in town that gets an increase in business from the accidents."

BUTLER BODY SHOP

No French Cafe

Rob Richards doesn't make a practice of advertising his Morton Malt Shop as a French Cafe, complete with the service by candlelight, but he could.

By way of emphasizing the fact that folks who take their friends out for a treat choose the Malt Shop, Rob fed 15-20 dinners last week during the two spells when the city was without electricity.

In fact, Rob might oughta make it an everyday--or everynight--affair. His place was jammed during the hours they had to serve by candlelight.

MORTON MALT SHOP

Giving His "All"

Don't ever let it be said that the folks at Rose Auto and Appliance aren't going "all" out for their customers.

Neal Rose announced this week, as long as it lasts, everyone who beats a path to the door of Rose Auto and appliance and asks for a 24 ounce of "All" will be rewarded with the box of detergent absolutely free.

There's no hitch to it. They just had a big supply of the washing soap on hand

ROSE AUTO AND APPLIANCE

Not Too Tired, Yet!

At the risk of making a few farmers unhappy, because they may not understand his position, Don was hoping this week, the rain would let up for just a few days. Operating the best of washin' business in town, Don gets rushed off his feet when it rains so often. Not that he doesn't appreciate the business, but this week he's had to do most of it himself and it almost got the best of him.

Want Color TV, Now?

Walt's got 'em. The color picture screen filters you've been talkin' about. They're made by Eastman Kodak, just fasten them on to the front of your TV screen and get the wonderful effect of color TV. Stop in at City Electric today, for a demonstration, you'll walk out with a screen filter.

Walt's also ready to repair your air-conditioning units with fresh excelsior

Who But A Cleaner?

"Who but a cleaner, should expect to win," Jack Wallace said this week when someone mentioned the Terrapin Derby being sponsored by the Legion and Posse, Sunday.

Jack reasons that his entry, "Chinchilla Pete" should take positively every competitor in the race to the cleaners.

"And," he further reasons, "As long as you're taking something to the cleaners, why not stop in at Nu-Way Cleaners "We just advertise, we give the best service we can," says Jack, "that's all any man can offer."

Out More Often

If you're wondering why Amos Taylor has been harder to locate than usual at Morton Auto Parts, it's because it's candidate season. Candidate Taylor has found out, as many have before him, that coffee time comes up a little more often and becomes a little more expensive when you're candidatin'. He couldn't even be located to decide what he wanted to advertise in this promotion page. You guessed it. He was out Coffeein'.

OUR APOLOGIES that the information on Cochran County's part in the soil erosion relief program, came so late last week that we couldn't give it the play it should have had. We'll try to make up for it this week with a complete explanation of the facts, as are now available.

also...

APOLOGIES TO THE L'Allegros for having to leave their installation story out of print. It was received in time to be set, but at the last minute, with only a limited amount of space, the story just wouldn't fit any of the holes we had to fill. That's the reason, every so often, a story of less importance, is used.

We must...

CALCULATE AHEAD of time, the size of the story, write a head for it, and then work it into the paper. But we cannot help running into snags where we have a story that's too long (and it's too late to reset it.) Naturally, if it tells of an event set for the future, before another paper will be published, we make every effort to rewrite it to get at least a notice of the future meeting in print.

We note that.....

LADAEANE CRAVENS is a sophomore candidate at ENMU to be selected as one of the school's "YUCCA BLOSSOMS". One girl from each class is selected a Yucca Blossom and her portrait is included in the school yearbook. The announcement of winners of these honors was to be made this week at ENMU.

some more...

OF OUR OWN special brand of Morton vandalism was reported again this week. They say all cities have it, but it sometimes seems that Morton's smart alecky set can think of some that no one else ever dreamed of.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

During war American people expect great waste.

But American people have never before been confronted with necessity of maintaining large military establishment without hostilities. Today, about 69% of taxes go for military security.

C. W. Harder

But the question is being asked; how much of this money is actually going for combat efficiency? How much to support armed forces side operations which could be more efficiently handled by trained businessmen?

The military profession does not require business acumen. Military science is as far apart from business as medical practice is from an accountant's work.

The other day the U. S. General Accounting Office had a session with a Congressional subcommittee.

The GAO presented a long list of alleged examples of waste due to mismanagement.

For example, one army post commissary was selling 20 ounce loaves of bread from the Army bakery for six cents. This just about covered the ingredient cost with no allowance made for wages of civilian workers, officers in charge, or cost of the bakery quarters or equipment.

In a study of 32 army commissaries, 1/4 of 208 in continental U. S., the General Accounting Office found that these 32 stores did a \$49 1/2 million business in 1952, and that only 5% of the 302,135 persons authorized to use these commissaries lived on the National Federation of...

the respective army posts. In addition, GAO found they occupied 900,000 square feet of government space, and that approximately \$5 1/2 million in wages to 2,268 employees, of which 1,185 were military personnel, came out of appropriated funds.

At the Army Jeffersonville Depot GAO found \$14 million worth of Quartermaster property largely household and office furniture, deteriorating in the open at the rate of \$ 1/2 million per month.

At the Columbus Depot 523 unused warehouse tractors costing \$475,599 were declared salvage on July 30, 1950 and given away. In 1949 and on June 30, 1950 the army bought 103 new tractors at a \$244,299.41 cost. In 1951 hundreds of tractors were bought.

In wartime 1952 with 2,867,762 enlisted men the army had 263,137 officers, or a ratio of 14.1 enlisted men per officer including flying officers. In 1953 ratio was 10.5 to 1 even with flying officers moved from army to air force.

So a belief arises that with the necessity for big standing military establishment it is necessary to operate it on business basis.

Unfortunately, at present General Accounting Office has little power to stop waste, before it happens; it can only find where the waste has been. Thus there is quite a bit of sentiment to keep the military men out on tactical problems where they belong, and turn over all business matters affecting the armed forces to qualified businessmen.

Many old timers in Washington recall the administration of Theodore Roosevelt who used to require army officers to accompany him on grueling hikes and horse-back rides to remove the fat. Now drastic measures are required to remove the financial fat from defense.

HAD MENTIONED THAT possibility to Ken, a year ago, he'd have thought they're sure enough were teched in the hair.

THERE ARE STILL areas in Cochran County and the neighboring Country fringe areas that need rain badly. Still suffering most from the lack of moisture seems to be the northwest corner of our County. Their still hasn't been enough moisture to plant on.

 COUNTY AGENT**

Homer S. Thompson
 On Friday May 21, at 6:30 p.m. a coffee can cooking exercise was held at Bledsoe and Famuliner 4-H Clubs at Famuliner Club House. The girls brought two coffee cans prepared for cooking on open fire coals. One can for the

girl, the other can for a boy. After the food was cooked and eaten, games and songs were the order of the day. It was a well planned meeting, and congratulations to the foods committee and the program committee. About 35 4-H boys and girls and leaders were there.

County Agent Homer E. Thompson prepared the fire, and assisted in the cooking of the food. Corrugated sheet iron was used to prevent the hat coals from getting wet, when the rain came.

The young folks did an outstanding job in carrying out the program. It went over so well that when the activities ceased a short business meeting was held. The club voted to meet regularly twice a month during the summer on the second and fourth Friday evenings. It is the 4-H boys who accepted the responsibility to make plans for the next regular meeting.

THREE 4-H BOYS TO ATTEND 4-H ROUND-UP
 Cochran County will have three 4-H Club boys attending State 4-H Round-Up this year at College Station.

Jerry Bryant and Glenn Ramsey 4-H Club boys from Bledsoe Community and Dan Keith from Whiteface Community.

Jerry was selected to represent the District 2 as 4-H Club delegate. He will go down three days early. He is due there Thursday morning June 3rd. His group will plan and practice on the arrangements for the big group to arrive there Monday, June 7. Dan and Glenn will go down on the chartered bus leaving Lubbock early June 7th. There will be several buses going in a convoy leaving Lubbock at 6:30 a.m. on that date.

All three of these boys participated in the county three day recreational program in April while Miss Lucille Moore, the State Recreational leader, was here and conducted a training school. This was a leadership school in recreation and most worth while for our younger folks.

Storage for Grain Sorghums
 The farmer may be behind the eight ball this fall if commercial warehouse storage is not available. This is a farmers problem. Feed is guaranteed \$2.21 per hundred in the loan. If you cannot store your grain, you cannot get the loan.

It is now anticipated that the summer wheat crop will just about take up all the commercial warehouse space for local crops on the plains and elsewhere. This, if true and we hope to have a bumper grain sorghum crop - then the farmer had better built his farm storage.

The farmer gains 22 cents per hundred on his crop for storage if he used farm storage for his crop. Even if storage is available in commercial warehouse, he loses 22 cents per hundred off his loan price guarantee, if put in commercial warehouse. By storing on farm he keeps 22 cents per hundred.

This is not what the main problem is, as described by authorities, it making sure that the farmer can put his grain in storage in the loan if desired. It can be done only by having storage space for his grain.

Grain bins should be of good construction, water proof and etc. Put on highest ground and room to get trucks be ween them. Line buildings with 30 lbs weight tar paper if necessary.

Insects are a problem in old or new buildings. Paint or spray walls and floors with residual sprays before using. See County Agent for sprays and insect problems in stored grain.

The loan on price support is paid off when delivered to storage. Good storage means the farmer can guarantee quality and the quantity of grain pledged.

There is a facility loans program to assist in financing the farm storage buildings. These structures are not a recourse loan. For small buildings a chattel mortgage or note is sufficient. For large structures a deed of trust may be necessary. The lending agency must agree to loan the money at 4 per cent interest. The loan is up to 80

per cent of the cost of the building with 4 years to pay off in installments. The beauty of this plan is the farmer can write off all the cost of said structure in five years on his income tax plan by taking off 20 per cent of cost each year. No other building can be amortized this fast on the farm.

County Agent E. Thompson recommends that this is a good quick way to have storage farm structures located on your farm. For farmer to get price support on 1954 grain sorghum of \$2.21 per hundred he must provide a space to store it. Do not depend on commercial warehouses, they may be full.

Red Bine 60
 Several farmers have purchased Redbine 60 foundation seed in Cochran County for planting this year. The seed was purchased from Lee C. Coffey, Foundation Seed Section, Texas Texas Agricultural Experiment Station, College Station Texas at 25 cents per pound.

Hub Cadenhead and Hugh Hanson are preparing a grow certified seed from the foundation

Red-bine 60 seed. They will plant it on land that did grow grain sorghums last year. Not other grain sorghums will be planted within 200 yards of field of other grain sorghum varieties of same bloom- ing dates, or 330 yards of sweet or common sudan. This is the isolation requirements. These two will constantly rogue the fields of Red-bine 60 to carry out of the field any stalks not the true red-bine type. An exclusive combine will be used on these fields to keep the seed pure. Weeds will be controlled

throughout the growing season. Jake Reid and M. A. Tanner have also ordered some of these foundation seed of Red-bine 60. Jake also ordered Red Bine 66 variety. These yields will be compared with Martin milo and other varieties grown on similar number of acres. Hub Hanson purchased 150 lbs., Hub Cadenhead 100 lbs., Jake Reid 25 lbs. Red-bine 60 and 25 lbs. Red-bine 66. M. A. Tanner 50 lbs. Red-bine 60. All is foundation seed
