★ Lite
by Bill Ellis

I suppose that if there was one thing which Texas Tech football fans heard last week, prior to the Texas game, enough times that it almost became trite, it was something like this:

Yes, they slaughtered Iowa State, but wait until they really play SOMEBODY.

Came Saturday night, and this same Tech team played the University of Texas on their home field. Texas was ranked eighth in the nation, and most of you know by now that the Red Raiders of Texas Tech were victorious.

What we want to ask these skeptics is "Now what do you say?"

Our friend and newspaper compatriot from Dimmitt, Don Nelson, jokingly invited us to call him collect after the game, if Tech should do the impossible and beat the Longhorns, Nelson being an alumnus of the University.

So we did call him Saturday night, and he offered congratulations.

Nelson stated that he was driving to Dimmitt from Lubbock and trying to pick up the game broadcast on his car radio. He had complained during the first half of not being able to hear the broadcast very well.

Upon arriving home, Nelson found a better station. "However, during the second half, I was complaining because I could hear it too well," Nelson told us.

Tech may or may not win the Southwest Conference title this season. Playing the rugged SWC schedule week after week and going undefeated has proven to be too much for more than one high-rated team in the league.

However, the date September 30 will go down as the one when the Red and Black of Texas Tech made believers out of a lot of "Doubting Thomases" probably as many herein West Texas as in the Austin area.

Listening to the broadcast the other night, we forgot somewhat about our anxiety over the game as we made note of the various "jargon" used by the broadcaster.

Everyone knows that sports-writers and sportscasters have a language of their own, but it seems that today's sportscasters are attempting to outdo each other in the use of colorful terms.

At least, that was our impression as we listened to the game.

Connie Alexander, heir apparent to the deceased Kern Tips' place as number one Southwest Conference broadcaster for the Humble network, was the man at the mike last Saturday.

It was late in the game before we started making note of some of his terms, which we believe he must have stayed up nights to collect.

Once, the Longhorns stopped Tech's John Scovell. However, as Alexander put it, they "gummed his carburetor." Another time, as the Tech player was tackled, it "jelled his progress."

Once when Tech's defense was able to stop the University's talented Chris Gilbert after a short gain, Alexander came up with the fact that Tech had "grappled Gilbert grassward." This without so much as a mild stutter.

Another time, Alexander announced to the world that they "lowered him to the landscape." Another player was "dragged to the turf," and still another was "struck to terra firma."

At one time when the Tech quarterback was calling the signals, according to Alexander he was "prescribing the play."

Late in the game, some changes were made in the line-ups, and the announcer told of several players leaving the game, and added as another left that he also "trots over to Splinterville (the bench)."

Then, as time was running out, Alexander noted that "The noose is growing tight around the necks of the Longhorns."

Some of these terms are pardonable, if not enjoyable during the course of a broadcast. But as a steady diet, it sometimes becomes too much.

Kern Tips used a certain amount of "jargon," we admit -- and got away with it. But there was just one Kern Tips.

HURRICANE RELIEF CHECK . . . Robert Neelley (center) and Tom Jarboe, left, secretary and treasurer of the Friona Lions Club are in a charitable mood as they prepare a \$720

check for mailing to Lions in South Texas, who will use the money for Hurricane Beulah victims. Looking on is Boss Lion Gary Brown.

Change In Trend: A Rate Decrease

Deaf Smith County Electric Cooperative announced Friday, a rate reduction that will amount to approximately \$40,000 in savings to its members per year.

In addition to reductions in the Farm-Home Rate, small Commercial Rate and Irrigation Rate, the Cooperative plans to return nearly \$250,000 in cash refunds to the membership.

The rate readjustment, which will become effective after December 31, 1967, is the result of a comprehensive rate study which began over a year ago.

The Deaf Smith County Electric Cooperative Board of Directors approved the rate reduction in order to help relieve the financial strain placed on area farmers by depressed market prices and high farm operating costs.

The Cooperatives has been returning Capital Credit checks to its' members on ten year pay-back schedule for the past six years on a first in-first out basis. The Board of Directors adopted a by-law change which will allow the Cooperative to pay up to 50% of the total cash paid back from the most recent years' patronage. For

instance, at the Annual Meeting in April of 1966, over \$145,000,00 in Capital Credits for the year 1956 will be returned. In addition to this amount, approximately \$100,000,00 in refunds will be paid on patronage for the year 1967.

This will make approximately a quarter of a million dollars in cash available to members of the Cooperative plus \$40,000,00 savings in rate decreases. In effect, this will put nearly \$300,000,00 into the hands of farmers which should have a tremendous impact on the economy of the area.

In order to reduce the cost of electrical energy for irrigation pumping, two additional months of one cent electricity has been added. This makes electricity cost the farmers 1¢ per KWH during the month of October, November, December, January, February, and March. During the months of April through September, the cost will be 1.5¢ per KWH. By reducing the cost from 1.5¢ per KWH to 1¢ per KWH in the months of October and March, irrigators should be able to save a substantial amount of money each year.

Although members of Deaf Smith County Electric Cooperative already enjoy the lowest irrigation rates in the Southwest, the Cooperative's Board of Directors felt that a rate reduction was needed to help combat the "Cost - Price Squeeze" and aid in the con-

Lions Aid South Texans

Friona's Lions Club, in compliance with a statewide emergency call, has contributed \$10 per member to help Hurricane Beulah victims in South Texas. The club mailed a check for \$720 to South Texas Lions last week.

In addition, a fund has been established at Friona State Bank, and anyone wishing to further contribute may do so. "Lions Club members in that part of the state will administer the funds so that there will be no administrative cost taken from donations," said Gary Brown, local Lions Club president.

Those wishing to contribute to the hurricane victim fund should do so within the next week so that the money can be sent, Brown stated.

tinued growth of the area's agricultural economy.

In its 30 years of operation, the Cooperative has never had a rate increase. As a matter of fact, the only rate adjustments have always been decrease.

Four Seek Queen Title

Four girls are candidates for Homecoming Queen at Friona High School. The queen will be named as part of the pre-game ceremonies Friday night.

Candidates are Linda Carson, a junior, daughter of Mr. and Mrs. David Carson; Missy Renner, a junior, daughter of Mr. and Mrs. John Renner; Kathy Cook, a senior, daughter of Mr. and Mrs. Raymond Cook, and Diana Wilson, a senior, daughter of Mr. and Mrs. Elvin Wilson.

Binghams Announce Change In Business

Dean and John Bingham announced this week the dissolution of their real estate business partnership. Dean has sold his interest in the business to John, and plans to move to Amarillo to pursue other business interests.

John Bingham plans to continue to operate the business, which is located at 1102 Main. After October 15, Mr. and Mrs. Dean Bingham will be at home at 6406 Dreyfuss in Amarillo. Bingham says he plans to devote his time to farming interests he holds near Amarillo.

"We have enjoyed a good business in Friona, and want to thank the people of the Friona area who have made it possible," Dean Bingham stated.

Dean Bingham came to the Friona area in 1954, opening the Hub Real Estate Company. In 1956, he came to Friona as a partner in Douglas-Bingham Land Company. The partner-

ship built a new building at the corner of Main on Highway 60, moving into it in March of 1957.

In 1960, Dean purchased the interest of Joe Douglas in the business, and the following year John joined the firm, becoming a partner in 1962.

Of his 13 years in the real estate business in the area, Dean states that he has watched the area grow tremendously. "You could still buy good irrigated land for \$150 per acre in 1954. Now, the average price is around \$700 per acre," Bingham says.

FRIDAY

Lockney Is Foe For Homecoming

Another rugged district opponent, Lockney, will provide the opposition for the Friona Chiefs Friday night at Chiefs Stadium. The contest is the first this season which begins at 7:30 p.m. It also will be Homecoming for the Chiefs.

Both teams will be out to break into the win column in district standings. Lockney bowed to Memphis, 26-13, the same score by which Friona lost to Olton in its district opener.

"Lockney is the only team this season to score against Memphis, a team which prides itself in its defense," said Coach Don Light this week as he prepared his team for the game.

Friona came out of its game against Olton with no injuries which will hamper the team this

week. Halfback Tony Perea, who suffered muscle spasms against Olton, was pronounced fit in early week workouts.

Lockney's season record is 1-3, exactly the reverse of Friona's. The Longhorns' victory was a 35-13 romp over winless Post of District 4-AA.

The Longhorns have 11 lettermen and six starters back from their 1966 team. Halfback Tommy Ball sparks the veteran backfield, aided by fullback Tim Stansell and quarterback Randy Henderson.

Like Friona, Lockney lost a lot of linemen by graduation, but did have three men returning. They are end Van Bradley and guards Robert Cook and Jim Jeffress.

Other lettermen are quarter-

back Tandy Johnston, tackle Larry McCain, end Carlton Johnston and Jim Kropp and guard Alex Ochoa.

The game is the ninth meeting on the gridiron between teams from Lockney and Friona. The Chiefs, thanks to three straight wins, hold a 5-3 series edge. Last year's game was the closest margin in the series, as Friona won 13-12. They won the 1965 game in another squeaker, 12-7.

The series has been very close. In the eight games played to date, Lockney has scored 117 points, against 102 for Friona.

Coach Light has a personal 3-0 record against the Longhorns and his teams have scored 53 points while allowing 33 to Lockney.

HARVEST UNDERWAY . . . Earl Drake was one of several Friona area farmers who began harvesting maize this week. Drake was cutting on the Clyde Goodvine farm. Summer-like weather allowed the maize to ripen swiftly the past week, and another similar week would see a lot of maize being cut.

Lovelace Announces

Chas. Lovelace, who is serving as sheriff of Parmer County has authorized this newspaper to announce his candidacy to succeed himself, subject to the Democratic Primary next May.

In making public his candidacy for re-election, Sheriff Lovelace issued the following statement.

"In announcing my candidacy for nomination for the office of sheriff, subject to the will of the voters in the Primary in May, I wish to express my sincere thanks and appreciation to the people of Parmer County and the surrounding area for the cooperation given me in the past and if elected I pledge my continued best efforts and full time devotion to the duties of the office of sheriff of Parmer County in the future."

"I shall appreciate your support."

Chas. Lovelace

New Feed Yard To Get First Cattle

Paul Morgan, manager of Hi-Plains Feed Yards, told the Friona Star this week that the new feedlot would receive its initial load of cattle this weekend, some 800 head.

"We will have several thousand head by the end of the month," Morgan said. He also announced that the lot's feed mill would be started this week.

The new feed yard is expected to host an open house sometime in the near future. Announcement along this line will be forthcoming.

Hub Store Open House

Mr. and Mrs. Glen Williams are holding an open house Saturday at the newly-remodeled Hub Store, eight miles south of Friona, which they recently opened.

The store will feature free coffee and doughnuts all day Saturday, as well as free favors for the children.

Mr. and Mrs. Williams invite all of their friends to stop by and visit with them Saturday, or anytime they are near Hub. Williams formerly was employed at Friona Motors as salesman.

Struve Gins First Cotton

Steve Struve grew the first bale of cotton ginned in Friona. It was ginned at Chester Gin Thursday Sept. 28, having been planted on April 23 and irrigated only one time, that being an every-other row affair.

The cotton was Gregg 25V, and was ginned from a 1900 pounds of seed cotton. The bale weighed 480 pounds, and yielded 940 pounds of seed.

THIS IS FRIONA . . . Who would expect to find a banana tree growing in Friona? Not only did a Star photographer find a banana tree, he found one with a monkey in it. This photograph was made in the backyard of the home of Mr. and Mrs. W.J. Nazworth who live at the corner of Ninth & Ashland. The Nazworths have a large number of plants growing in their yard which the average person would not expect to find growing outdoors in this section of Texas. The monkey, whose name is Tinker, belongs to Mr. and Mrs. Aubrey Rhodes who are neighbors of the Nazworths.

PARTNERSHIP DISSOLVED . . . John Bingham, left, has purchased the interests in Dean Bingham in Bingham Land Co. The two have been partners the past six years. Dean has been in business in the area 13 years. He plans to move to Amarillo.

Scouts To Repair Toys

Friona Boy Scout Troop 56 has adopted as a project the repairing of old toys to give to needy children at Christmas, and is soliciting old toys no longer wanted by Friona residents.

Those having old toys, or piece cans of paint are requested to bring them to the Scout meeting behind the American Legion Hall after 7 p.m. Mondays or call Scoutmaster Pete Hollis.

Hollis said he now has four new boys in the troop, bringing the number of Scouts to 22.

Pause And Reflect

by Nelson Lewis

Memories came crowding back during the Matze Days parade the other Friday. The beautifully rebuilt Model T Ford touring car sounded its horn as it passed in front of us. All at once we were back in high school and going to the Junior play. In the five mile trip three tires went flat. There was no spare, they cost extra, as did bumpers, tops, and self starters. The tire had to be pulled, pried and persuaded off the wheel, then patched, replaced and pumped up by hand. This was not too bad during daylight hours unless the rain was pouring down. Fixing a "puncture" after dark was something else. There were no trouble lights and you did not leave your lights on unless you let your motor run because the whole contraption was hooked up to a magneto which generated electricity as you drove along.

Automobiles and roads present a question much like the one about the chicken and the egg -- which came first? Before the auto became popular, smooth hard topped roads were not too important, but when Henry Ford, Louis Chevrolet, Harvey Firestone and a host of others put the nation on wheels the road builders arose to the challenge.

In 1893 the Duryea brothers built what is believed to be the first gasoline powered car in America.

From that meager start we can now account for at least 1876 makes of cars and trucks built in the United States.

Not all were gasoline jobs. We well remember riding in a Stanley Steamer and on Edison Electric.

The first driving lessons, at the time of World War I, were in a two cylinder Maxwell, the car, or "auto" as it was called, and the student driver were both 1908 models! The gear shift was a lever outside the frame of the auto and the horn was sounded by squeezing a huge rubber bulb.

Yes they were the good old days we remarked as we stood watching the parade, but it sure was nice not to have to hand-crank the machine when we started home! Good thing too -- they haven't furnished cranks with cars for years.

Something was said about the Missus being the only "crank" in the auto and that brought on a crank about the "nut" holding the steering wheel.

American industry has come a long way in the last 50 years -- wonder if free enterprise and the law of supply and demand had anything to do with it?

Services Set Friday For Alvin C. Price

Funeral services for Alvin C. Price, 41, will be conducted at 2:30 p.m. Friday at the Assembly of God Church in Muleshoe.

Price was found dead Monday afternoon by a daughter upon her return from school. He was pronounced dead by Justice of the Peace Jim Roberts, and was examined by physicians at Parmer County Community Hospital.

Price, who had a history of heart trouble, had been dismissed from the hospital only the past Friday. He lived at 212 West Seventh.

Survivors include his wife, Bertha Fay, of the home, three daughters; Betty Jo Williams, and Shirley Sue Osborn of Friona and Wanda Jean Price of the home; his mother, Lennie Smalting of Broken Bow, Okla., two brothers, Winford of Muleshoe and Calvin of Oregon and a sister, Maxine Smith of Battiest, Okla., Two granddaughters also survive.

Price had been employed as a welder at Friona Feed Yards. The family had lived in Friona since November of 1964.

INERT ATTORNEY GENERAL

Herewith, a brief legal brief, for attention of the Attorney General of the United States.

Hubert Geroid (Rap) Brown said: "There is a conspiracy to run black people out of America, but we are going to burn it down before we leave . . . If Washington don't turn around, you should burn Washington down . . . I consider myself neither morally nor legally bound to obey laws made by a body in which I have no representation. Do not deceive yourself into believing that penalties will deter men from the course they believe is right. We stand on the eve of a black revolution."

Stokely Carmichael has said: "In Newark, we applied war tactics of the guerrillas. We are preparing groups of urban guerrillas for our defense in the cities. The price of these rebellions is a high price that one must pay. This fight is not going to be a simple street meeting. It is going to be a fight to the death. . . we will kill first and we will aim for the head."

The United States Code reads: "Whoever incites, sets on foot, assists, or engages in any rebellion or insurrection against the authority of the United States or the laws thereof, or gives aid or comfort thereto, shall be fined not more than \$10,000 or imprisoned not more than 10 years, or both.

"If two or more persons . . . conspire to overthrow, put down, or destroy by force the government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States . . . they shall be fined not more than \$20,000 or imprisoned not more than 20 years, or both.

"Whoever . . . abets, advises, or teaches the duty, necessity, desirability, or propriety of overthrowing the government of the United States . . . or the government of any political subdivision therein, by force or violence, or by the assassination of any officer of any such government . . . shall be fined not more than \$20,000 or imprisoned not more than 20 years, or both."

The law of the land, as quoted from the US Code, is very clear.

The statements of Messrs. Brown and Carmichael are equally clear.

The inert silence of the Attorney General of the United States is not clear.

Committees Named

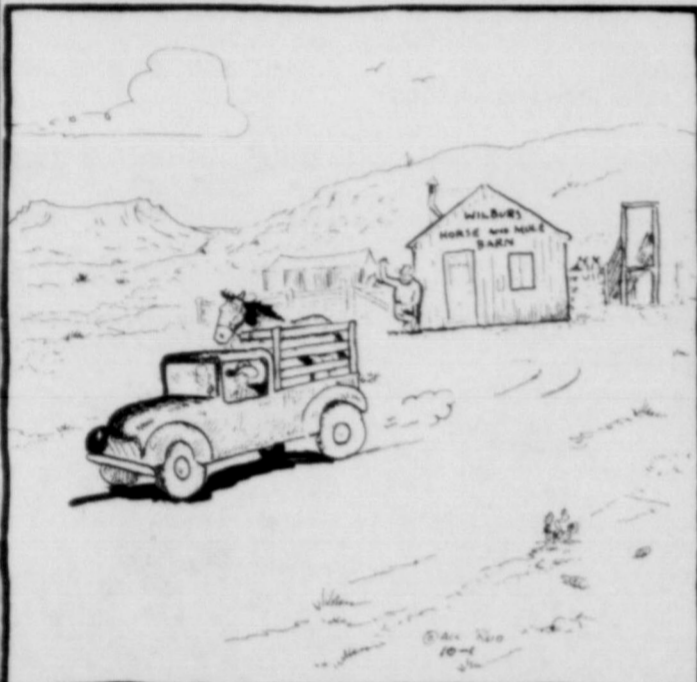

Parmer County Community Hospital Auxiliary met Tuesday, October 3, at 10 a.m. in the board meeting room of the hospital. Mrs. Paul Spring presided, with twelve members present. Mrs. Spring reported on the completion of a summer project. Some window drapes were repaired and most were replaced in the clinic offices.

The annual rummage sale is scheduled to begin Friday, October 20. The doors will be opened Friday and Saturday afternoons for three or four weekends. The Eric Rushing building has been leased for the sale. The new furnishings committee was directed to replace or repair the pads on the rocking chairs in the hospital rooms. The Auxiliary also voted to buy two new electrical Hi-Lo beds for rooms in the old wing. Committee appointments for this year are:

Television: Mrs. Frank Spring, Mrs. J.T. Gee, Mrs. H.K. Kendrick and Mrs. Ross Ayers.
Rummage Sale: Mrs. Claude Osborn, Mrs. Sloan Osborn, Mrs. Roy Clements, Mrs. Earl Drake and Mrs. Loyd Shackelford.
Sewing: Mrs. Herschel Johnson, Mrs. H.C. Kendrick, Mrs. A.W. Anthony, Sr., Mrs. John Gaede and Mrs. J.H. Boyle.
Children's Corner: Mrs. Robert Alexander and Mrs. Robbie Osborn.
Hospitality: Mrs. J.C. Claiborn, Mrs. Earl Chester, Mrs. A.W. Anthony Jr. and Mrs. John Bengler.
Lobby and New Furnishings: Mrs. Dan Ethridge, Mrs. Dick Rockey, Mrs. Charles Allen and Mrs. H.L. Outland.
Membership: Mrs. G.B. Buske and Mrs. W.M. Stewart.
Disaster: Mrs. J.G. McFarland and Mrs. Roy Clements.
The next regular meeting is scheduled for Tuesday, November 7, at 10 a.m. All ladies interested are encouraged to join.

Mustangs Run Chiefs Back To Reservation

In the old days on the Plains, Indian Chiefs used to tame wild mustangs for their use as mounts.

However there was no taming of the Olton Mustangs last Friday as far as the Friona Chiefs were concerned. The Mustangs ran wild most of the night, and the result was a 26-13 Olton win in the opening District 3-AA contest.

Olton, the district favorite, turned loose a whole corral full of "wild horses," which Friona never was able to contain, with any regularity.

The Mustangs drove 80 yards to score the game's first touchdown using only nine plays and doing it with rightful ease. Big play was a 41-yard scamper by fullback Sel Sanchez. Halfback Kenneth Johnson got the score from five yards out, and it was 7-0 with 3:48 left in the opening quarter as Steve Spainbooted the point.

Friona put the ball in play, and the Chiefs had something going, with three first downs in a row, before the drive stalled at midfield and the team was forced to punt.

Olton started at its 33, and again were ignited by Sanchez, whose great second-effort re-

sulted in a 40-yard gain to the Friona 11. Halfback Benny Alken, the Mustangs' leading scorer, got it across in two carries, and Spain's boot, his 11th of 12 tries this season, made it 14-0 with 7:47 left in the half.

Stout defensive work by the Chiefs kept the Olton lead from being even larger at halftime, as the Mustangs recovered a bad pitchout on the Friona 35, and marched to the nine in six plays. However, the charging Friona line caused Olton's quarterback to fumble on fourth down, preventing any further damage.

Olton started the second half right where they had left off, however. Taking over the ball near midfield, the Mustangs scored on a 50-yard pass-and-run play, Johnny Lewis to Charles McClain. McClain took the pass at about the Friona 40, and several defenders made a stab at him, but none slowed his progress. Joe Moet blocked the point try, but it was 20-0, Olton, with 3:13 gone in the third quarter.

Later in the third period, Olton drove to the 25, where a field goal try was low.

A booming Olton punt, which was killed at the Friona five,

got the Chiefs in a hole as the third quarter ended, and eventually led to Olton's last TD.

Penalties set the Chiefs back, to their one, and their fourth down punt gave Olton good field position at the Friona 35. The fired-up Mustangs scored in seven plays, with Bobby Turner going the last two yards. A try for two points failed, leaving the score at 26-0 with 9:51 to play in the game.

Friona drove following the kickoff to the Olton 19, where a fourth-down pass fell incomplete.

However, the Chiefs got the ball back near midfield, and set out to dent the scoreboard.

Johnny Barker hit Jim Schlenker on a nice pass play, Schlenker rambling to the Olton nine, where a jarring tackle separated him from the ball. However, Johnny Baxter was there to recover for Friona, giving the Chiefs first and goal.

Barker hit Larry Graves in the end zone for the score, and Sahara Gonzales' kick was blocked, making the score 26-6, with only 2:09 left in the game.

But the aroused Chiefs weren't through for the night. Olton fumbled on their first

play from scrimmage, and Friona got the ball at the Mustang 40.

A pass interference penalty was called against the Mustangs with 30 seconds left, giving Friona a first and goal situation at the Olton one. Barker nosed the ball across, and Gonzales' kick made it 26-13 with 26 seconds on the clock.

Friona almost got another chance, as Olton fumbled the kickoff, but a Mustang player won the wrestling match for the ball, and Olton finally was able to kill the clock and put an end to the Friona rally.

Sanchez and Alken were the leading ground-gainers in the contest, with 104 and 79 yards respectively. Eddie Barker led Friona with 67 yards on eleven carries. The last-ditch rally enabled Friona to tie Olton in first downs, although the Mustangs otherwise had a big statistical lead.

The win snapped Friona's three game winning streak this season, and also stopped the Chiefs' three-year hex they had enjoyed over the Mustangs, beginning in 1964. Olton now has a 6-3 series lead over Friona.

LEGAL NOTICE

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 2550
 Notice is given that GEORGE D. ZETZSCHE, Rt. 5, Hereford, Texas, and ROBERT ZETZSCHE, Box 937, Friona, Texas, applicants, seek a permit from the Texas Water Rights Commission, to divert and use 1,131 acre-feet of water yearly from existing fifty (50) acre-foot capacity reservoir on Tierra Blanca Creek, tributary of Palo Duro Creek, tributary of Prairie Dog Town Fork Red River, tributary of Red River, Red River Basin for irrigation of 377 acres of land in Abner Taylor Survey No. 443, Abstract No. 489, nineteen (19) miles west of Hereford, Deaf Smith County, Texas.
 Midpoint of dam is 4960 feet northeast of southwest corner of above cited Abner Taylor Survey No. 443, all being more fully set out in the application.
 Application No. 2550 was accepted for filing by the Texas Water Rights Commission on September 11, 1967, and a hearing thereon will be held by the

Commission in its office at Austin, Texas, on Thursday, November 9, 1967, at 2:00 o'clock p.m. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2.
 Joe D. Carter
 Chairman
 Texas Water Rights Commission

DATE: September 11, 1967
 52-4tc

THE STATE OF TEXAS, COUNTY OF PARMER; KNOW ALL MEN BY THESE PRESENTS: Notice is hereby given that the partnership lately subsisting between O.D. Bingham and John E. Bingham, of Friona, County of Parmer, Texas, under the firm name of "Dean Bingham Land Company", was dissolved by mutual consent, on the 22nd day of September, 1967. All debts owing to the said partnership are to be received by the said O.D. Bingham and/or John E. Bingham and either partner is allowed to use the name of the firm in liquidation of all debts due to and from the partnership.
 John E. Bingham
 O.D. Bingham
 October 2nd, 1967.

TO VIETNAM . . . 1st Lt. Gary McLaughlin and his mother, Mrs. Francis Davis, are shown reviewing a yearbook with highlights of Gary's senior year at Friona High School. Lt. McLaughlin has been in Friona on a month's furlough prior to going to Vietnam.

Lt. Gary McLaughlin Leaves For Vietnam

First Lieutenant Gary McLaughlin left Sunday after a month's furlough. He is due in Vietnam October 23, where he will begin a year's tour of duty. McLaughlin has been visiting in the home of his mother, Mrs. Francis Davis.
 Lieutenant McLaughlin has been in the Infantry the past 23 months, 19 of which he spent in Northern Germany. He left Sunday for Fort Jackson, Miss. On October 5, he is to leave for the Canal Zone for a two-week "jungle warfare school," which he describes as a survival course, prior to leaving for Vietnam.
 A 1965 graduate of Panhandle A&M College (Okla.) with a major in physical education, McLaughlin graduated from Friona High School in 1959. He attended West Texas State University two years, and also was employed by the Parmer County ASCS office prior to finishing his college work.
 Lt. McLaughlin pointed out that today's army is a "young army." He said "My company in Germany averaged about 21.8 years of age. The army is changing drastically, and it's kinda hard for some of the old-timers to take," he added.
 McLaughlin will be at least the 10th Friona area serviceman to go to Vietnam. At least four, Larry Elmore, Angel Aleman, S.D. Balze and Jerry Parker, are back from their tour of duty there.
 At least five other area servicemen are known to be in Vietnam at the present. They are Bill Loanman, Jimmy Baxton, Rex Bracken and Aaron Drager. Ronnie Reed will follow McLaughlin to Southeast Asia by a few days.
 "This war is no different than those which preceded it," Lt. McLaughlin told a Friona Star reporter last week. "The only thing is, it's just a little more personal to some of us."

Bookmobile Schedule Given

The High Plains Bookmobile will make its regular stops in the Friona area the next few days.
 On Thursday, the bookmobile stops in Oklahoma Lane (9:35-10:20), Rhea (11:45-12 noon), Friona Elementary School (1:15-1:45) and Black (2-3 p.m.)
 Friday, the Bookmobile stops at Hub (8:45-9:45), at White's Elevator (10-11 a.m.), Laz-buddle (12 noon-1 p.m.) and Clay's Corner (1:15-2:15).
 Then on Saturday, the Bookmobile comes to Friona for a 1-4 p.m. stop at City Park.
 Mrs. Rose Redinger, Lawrence, Okla., recently returned to her home after spending a week visiting her sisters, Mrs. Paul Strickland and Mrs. Lucy Mae Stokes.

 Good Only At Affiliated Food Stores.

STORE COUPON

Bovina Man Winner In Weekly Contest

John Wilson of Bovina stole the show in the fourth week of the Friona Star's Cotton Bowl football contest, becoming the first entrant in the 1967 contest to correctly pick 15 games in a given week.
 Wilson was the only contestant entering the fourth week's contest to come out with a score of 15, so he won the weekly first prize of \$5.
 Eleven contestants correctly picked 14 games, and from this group came the second and third place winners.
 Eugene Bandy emerged from the pack for second place, on the basis of the tie-breaker guess, Bandy, with 14, guessed the Olton-Friona score at 24-14, missing the actual score by three total points. Peggy Monroe came in third missing, the score by six points.
 Wilson's only miss was a common one picking Texas over Texas Tech, when the Red Raiders actually came out on top. Bandy missed that game as well as picking Dallas over the Los Angeles Rams. Mrs. Monroe missed Tech-Texas and Hale Center-Dimmitt.

contest will be two tickets to the 1968 Cotton Bowl, along with hotel accommodations and \$40 expense money.
 Runners-up gets two tickets to the Sun Bowl and \$25 expense money.

FARLAND BOTTOMS
 Guest Singer Here Sunday

Farland Bottoms, music and youth director at the Geyer Springs First Baptist Church of Little Rock, Ark., will appear before Friona's First Baptist Church in view of a call for the similar position at the local church.
 Bottoms is a graduate of East Texas Baptist College in Marshall, with a degree in music education. He is married and the father of two children, aged two and eight months.
 He attended high school at Port Neches.

Too Many Bills
 Someone criticized the U.S. House of Representatives for not passing but six of the bills presented to them during the current session. Fellow we know says we shouldn't worry too much, considering some that have been put before them, six is plenty!

Back To School Night Programs Set Oct. 9-10

The annual "Back to School" night programs, sponsored by the Friona Parent-Teacher Organization will be held next Monday and Tuesday, October 9-10.
 On Monday, the first and second grade parents are invited to come to the school to meet the teachers and find out what the teaching objectives are for the year.
 First grade parents will meet from 7:30 to 8:30 p.m. at their children's rooms. Second grade parents will report from 8 to 9 p.m.

Sell Pak-A-Sak
 Darrell Thompson announced this week that he has sold Pak-A-Sak 7-11 grocery to Mr. and Mrs. Elma C. Seaney of Morton.
 Mr. and Mrs. Seaney have been in the grocery business in Morton. In fact, they still have a store there, although they have intentions of selling it and moving to Friona.

Daringly new! Chevrolet's new line of Super Sports for '68.

Computer-tuned suspension systems. Improved shock absorbers. New double-cushioned rubber body mounts. They all team up to bring you the smoothest, most silent Chevrolet ride ever. A fresh new idea in ventilation comes standard on every 1968 Camaro and Corvette. It's Astro Ventilation, a system that lets air in, but keeps noise and wind out. You'll appreciate all the proved safety features on the '68 Chevrolets, including the GM-developed energy-absorbing steering column and many new ones. More style. More performance. More all-around value. One look tells you these are for the man who loves driving. One demonstration drive shows why!

Be smart! Be sure! Buy now at your Chevrolet dealer's.

CONTEST RULES

1. Pick the winners of the 16 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be post-marked on Friday to be eligible, if mailed.
4. The leading contestant at the close of 12 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$40 expense money and reservations at the Adolphus Hotel for two nights. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season ticket to the Friona Chief games next fall.
5. Only one entry per person.
6. Contestants must be 12 years of age or older.
7. Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.
8. Weekly prizes of \$5, \$3 and \$2 will be awarded to first, second and third place winners.

At Home In Parmer County

By CRICKET TAYLOR
County HD Agent

4-H enrollment is still in progress. It is hoped this will be completed by the end of October. Leaders are still needed in the Bovina Club. Lazbuddie has a new adult leader, Mrs. Malcolm Carthel. Having been a 4-H member she is well qualified to become a good leader. She remarked when visiting with her that she would not take anything for the things she learned in 4-H.

HOME DEMONSTRATION CLUB MEMBERS have a treat in store for October and November. The Rural Homemaker Day in Amarillo, October 12, as guests, is a day that clubs look forward to attending. The luncheon at the Country Club and the program activities are always very interesting. In November the Annual Luncheon of Home Demonstration Club members is an event that is always enjoyable. The report of the two delegates, Mrs. C.C. Graef and Mrs. Elmer Deyke will be given. From a brief report the meeting was the best State meeting of Home Demonstration members in several years, and Parmer County Extension Club members won't want to miss the luncheon.

SEWING KNOWLEDGE WORTHWHILE

Values derived from a study of clothing construction are important whether or not one makes all of their garments, only a part of them, or merely cares for the clothing.

First, standards, workmanship and good fit learned in construction serves as a basis for selection of ready-made garments. Also an appreciation of the importance of clothing, to the individual and opportunity for creativity is gained. The one who has knowledge and skill in construction has ability to alter and repair clothing which is a means of extending the family clothing dollar.

HOUSECLEANING HINTS:

Only Clean Clean cloths can do a job without smearing dirt around.

-Wash cleaning cloths as soon as they look dirty.

-Treated dust cloths will pick up every bit of the dust and leave a nice shine on furniture.

-Treating cloths -- here's how:

Add 2 teaspoon turpentine to a jar of hot sudsy water. Put in a few dust cloths and screw cover on jar. Let soak overnight. Wring out cloths and hang to dry. Use for dusting - repeat after using.

-Collect all the cleaning supplies and tools you need for the cleaning job. Use a basket, with a handle or a small cardboard box or plastic caddy with handle, to carry supplies from place to place while cleaning. Cans with lids make good containers for dusting, polishing, and cleaning cloths. Keep polish, window cleaner, and other supplies in "cleaning caddy," to save steps and time.

-Safety first - if mops and oily cloths are put away in closed closet they can start a fire.

-Keep oily or treated cloths in closed containers.

Skunks aren't the only small animals that will take offense at the sharp attack naphthalene or para make on their sensitive sinus tracts. Householders and garden owners are discovering many new uses for mothballs, from protecting against mildew to keeping rabbits out of their carrot patches!

Sugar Beet Harvest Delayed To Oct. 9

Jay Boston, President of the Texas-New Mexico Sugar Beet Growers Association, Inc., has this week advised the members that the commencement of harvest of sugar beets has been delayed until Monday, October 9, 1967, and Boston also requested the members to reciprocate with Holly in this delayed harvest date by the growers digging the quota which farmers will be requested to dig at that time.

Holly Sugar Corporation has purchased and installed a new \$8,000.00 automatic polarimeter, sugar content testing device, which eliminates the human error possible under the previous system of checking sugar content.

Holly has also explained to the Board of Directors of the Association that it has prepared individual decals for each truck which will be distributed by the fieldmen, and which will be of considerable benefit to the growers in avoiding any

possible mixup in contract and pool numbers. Holly has also improved the scale houses at the plant, which improvements will make for much more efficient and time saving operation, and will eliminate possible mistakes and at the same time be more convenient for the truck drivers.

Witherspoon, Executive Secretary, states that since the Board has negotiated the additional benefits for the 1968 crop, including the increase in the scale price and the accelerated harvest, that Holly has further agreed that the first payment for both the years 1968 and 1967 will be much larger, and will be based on 90% of the net selling price of the previous crop, and in addition thereto, for the first time the growers will have a minimum price guarantee of 83 cents above the New York average raw price less 3 cents for additional bulk storage, if any is required.

HART WINNERS . . . Evelyn, Karene and Holly Hart display three of the animals and only a few of the rosettes and ribbons won by the Harts during the state Milking Shorthorn Show, held in conjunction with the Panhandle-South Plains Fair at Lubbock last week.

Late Planting Of Wheat Advised

Wheat producers in Parmer County are advised to plant wheat at the latest possible date to avoid damage from wheat streak mosaic virus.

The virus and microscopic wheat curl mites which transmit the disease build up in volunteer wheat in the summer, points out Bob Berry, area plant pathologist.

When there is no live wheat, only a limited number of the mites and virus survive in weedy grasses to infect early planted wheat in the fall.

There are three practices which can reduce losses from the disease: (1) destroy volunteer wheat, (2) delay planting until the latest possible date, and (3) plant disease resistant varieties.

All volunteer wheat in the fields to be seeded should be destroyed two to three weeks before the planting time, says the pathologist. The same procedure is recommended for adjoining fields a week or two before planting.

As a further aid in controlling the disease, growers are urged to plant as late as practical - until the first frost or the latest recommended date in the area (September 20-October 15). If wheat is not up until October or later, it usually escapes severe infestation by the mites and virus.

Resistant varieties may not be well adapted to this area, points out the pathologist, but such varieties as Bison, Triumph, Commanche and Kiowa have proved well in Kansas. The Scout and Kaw varieties have also offered resistant in some Kansas tests.

Wheat streak mosaic has caused serious economic losses to Texas wheat growers since 1962. Up to 50 per cent of the seeded wheat acreage has either been lost or severely damaged in some counties since that time. Losses in yield can range up to 100 per cent when the mosaic infects early-seeded fall plants.

Late planting of wheat will naturally result in less grazing, points out the pathologist, but this method of controlling the disease will pay good dividends next spring since the outlook continues bright for wheat prices in 1968.

DELEGATES NAMED . . . Walter Carlton, left, and Charles Short will be Friona's delegates to the National FFA Convention next week in Kansas City. Standing is FFA chapter advisor Benny Pryor. The boys catch a special train for the convention on Monday.

FHS Pair To Attend Meeting

Charles Short and Walter Carlton will represent Friona Future Farmers chapter at the national FFA convention in Kansas City October 11-13.

The FHS students will leave Monday, October 9 from Amarillo, where they will board a Santa Fe Chief special train, which will take youngsters to the convention from as far away as California.

One car will be added to the special train at Amarillo, made

up of FFA representatives from the Panhandle area. During the convention, Phillip Johnson will receive his American Farmer degree.

USING SOFT BAIT—Surf, salt water, and even fresh water fishermen often find it difficult to keep soft bait such as shrimp, liver, crab, etc., from coming off the hook.

Get rid of this worry by tying such bait to the hook with thread.

Carry a spool of strong thread in your pocket. Then, if rushing water tends to wash away your offering, you have the remedy at hand.

HEAR THIS!

The smallest muscle in the human body is the *stapedius*, which controls the stirrup bone in the middle ear; it is less than 1/20th of an inch in length.

Pamper Your Laundry Says County HD Agent

Pampering your laundry goes a long way towards saving ironing time, says Cricket B. Taylor, Extension County Home Demonstration Agent.

The agent suggests the following ways to get good results from easy-care fabrics and prevent laundry wrinkles: Wash in small loads -- big loads can compress garments and wrinkle them.

Wash easy-care fabrics often. Don't wait for heavy soil to build up. Fresh soil and stains are easy to remove. The longer the delay in washing the harder it is to get out stains.

Pretreat greasy soil with cleaning fluid, full strength liquid detergent or detergent paste. Work detergent into fabric and soak 10 to 15 minutes for color fast fabrics.

Use cool or warm water. If necessary to soil removal, you may use hot water for washing, but do not spin out the wash water until it feels cool to the hands. Adjusting controls by hand -- if necessary -- can save ironing.

Wash only long enough to remove soil.

Rinse in water that feels cool or cold to the hands (below 98 degrees F.)

Shorten the water extraction

time after wash and rinse cycles, if not automatically done by your machine.

When clothes are nearly dry, tumble for 10 minutes without heat.

Remove immediately and hang.

Many new models of washers and dryers have durable press or wash and wear settings which automatically regulate or "program" short cycles and desirable temperatures for washing, spinning and drying, she points out. This makes hand regulation of controls unnecessary.

Frionans Attend Bankers Convention In New York

Three Friona couples returned the past week from New York City, where they attended the 93rd annual convention of the American Bankers Association.

Mr. and Mrs. Sloan H. Osborn, Mr. and Mrs. David Carson and Mr. and Mrs. Charles Allen, representing Friona State Bank, made the trip.

The Friona residents were among some 10,415 who registered for the convention.

Speakers on the program included William B. Camp, Comptroller of the Currency, Secretary of State Dean Rusk and Gov. N.T. Tiemann of Nebraska.

The group also saw some Broadway productions, including "Hello, Dolly," visited the Stock Exchange on Wall Street, and saw an American League baseball game between the New York Yankees and Detroit Tigers.

FOR ALL SEASONS

Sunglasses can protect your eyes from a full year's worth of glare—be it from Indian Summer foliage, a wonderland of snow, Easter Parade sidewalks, or vacation beaches. To see how well your sunglasses eliminate harsh, squint-producing glare, find a spot of reflected light and peer at it through the glasses. If the spot disappears, chances are you're wearing a pair of Cool-Ray Polaroid Sunglasses.

MAKE it yourself . . . be a winner in the fall fashion parade with this Paris Original. Here are some professional tips from Talon, makers of quality thread: "For a custom made look, detailing is important. Select thread according to fabric weight in a shade darker than the fabric . . . it appears lighter when stitched. For multi-colored plaid use the dominant fabric color or one thread color on top, another on bottom." It's Vogue pattern #1802 by the famous designer Pierre Cardin.

Please DO Eat The Daisies

Tom has made an ear of a pop corn named "strawberry" corn into a daisy that can be eaten after it has been used as a party favor or a decoration for a flower show or fair booth.

On The Farm In Parmer County

County Agent

COMMITTEES DISCUSS PLANS
The Crops and the Livestock Sub-Committees of the Parmer County Program Building Committee held planning meetings this past week. The purpose of these meetings was to decide what are the major problems in crops and livestock and set up some educational programs and result demonstrations that will be informative and help solve some of these problems.

CROPS COMMITTEE
The Crops Committee met Sept. 25 at Bovina. Members of the committee attending the meeting were: Arlin Hartzog, A.W. Anthony Jr., Jimmy Mabry, Tom Caldwell, Donald Christian, Herman Gerles, Prentice Mills and Bill Boling.

Some of the problems the committee felt should be worked on this coming year are as follows: Controlling weeds, johnsongrass and water grass; correct use of chemicals and residue problems; new insect and disease problems in grain sorghum (mite and maize dwarf mosaic virus); outcrosses or wild plants in sorghum.

Dr. Robert Metzger, Area Agronomist, met with the committee and helped coordinate educational programs and activities that would assist in solving some of the problems or areas listed above.

LIVESTOCK COMMITTEE
The Livestock Committee met Sept. 29 at Bovina to discuss problems concerning livestock in the county.

Dr. Lowell Schake, Area Livestock Specialist, met with the committee to help set up some educational activities for 1968.

The committee felt that at least three areas in livestock production should be worked on this coming year. These problems were: (1) background stocker and feeder cattle for the particular operation (2) future markets and how it can be used (3) and demonstrations on use or value of manure from feedlots as a source of fertilizer.

The trend to more concentrated livestock units continues to climb as livestock men look for new ways to produce hogs more efficiently and profitably. Confinement feeding of hogs has several important advantages.

Farmers can save time with better feed and manure handling equipment. There is less labor as confinement units become more mechanized.

But with confinement, other problems arise. Diseases often can get a foothold when many animals are being raised in close quarters. To help solve this problem, animal scientists have provided farmers with an important management tool. That tool is feed additives for disease prevention.

Antibiotics have been used for a number of years to prevent some of the common types of pig diseases. Now, by using a more effective additive, Aureo S.P. 250, pigs receive a broad range of protection against such diseases as scours, atrophic rhinitis and cervical abscesses. An additional advantage proved through on farm tests, is that this additive provides important growth promotion. Hogs get a faster start, are protected from disease, and thus make more efficient use of feed for better gains.

After pigs reach 75 pounds, livestock specialists recommend continuing with a feed that includes Aureomycin through the finishing period. In this way, pigs, in confinement receive needed health protection to produce more profits in confinement hog operations.

FFA FAVORITES Becky Elliott, left, has been chosen FFA Sweetheart by the Friona FFA Chapter for the 1967-68 school year, and Jan Welch has been named FFA Flawgirl. Becky is the daughter of Mr. and Mrs. Doyle Elliott and Jan is the daughter of Mr. and Mrs. Louis Welch.

Girl Scouts Pack Servicemen Gifts

Following a brief business meeting at the regular meeting of Girl Scout Troop 244 at Union Congregational Church Monday afternoon, refreshments were served by Lisa Cummings and Holly Hart.

Members of the troop have been working on a service project and brought items and packed ditty bags to be mailed to servicemen in Viet Nam for Christmas gifts. The regular meeting for next week has been cancelled.

Plans were made for an all day hike, cook-out and outdoor outing at the Spohn Ranch west

of town for Saturday, October 14.

Leaders present were Mrs. Dan Lacewell, Mrs. Kenneth Moore, Mrs. Watson Whaley, and Connie Whaley. Girl Scouts attending were Cindy Cason, Lisa Cummings, Sherlene Clayton, Debbie Erdman, Sandra Fulks, Terri Fallwell, Holly Hart, Glenna Holt and Jeanine Jarboe.

Also DeVonn Light, Connie Lindeman, Judy Massey, Hope Mays, Kenna Moore, Becky Walker, Stacy Wheeler, Pam Wilcox and Judy Massey.

Club Members See Slides Of Europe

Mrs. Frank A. Spring, who was a special guest at the Wednesday afternoon meeting of Friona Woman's Club in Federated Club House, presented a travelogue of her trip to Europe earlier this year and showed a number of slides she had made.

Karene Milner, also a guest, presented two piano selections. They were "Laros Theme from

Doctor Zhivago," and "If Ever I Would Leave You."

Refreshments were served to twelve members the guests on the program and Mrs. Joe Shields of Amarillo, by the hostesses Mrs. E.G. Adams and Mrs. Joe Moyer.

The club collect in Italy, directed by Mrs. Mabelle Hartwell, closed the program.

Society

Local Study Club Has Low-Calorie Program

Members and guests of Progressive Study Club were entertained with a program on weight watching last Tuesday evening in the Federated Club House.

Mrs. Lee Spring and Mrs. Tom Pruett divided the group into teams and led them in a few rousing relay races. The losing team paid a forfeit by jumping ropes, twirling hoola-hoops, and exercising for the enjoyment of the rest of the audience.

Mrs. Don Reeve led the group in singing a medley of amusing dieting songs.

Mrs. Bob Alexander read poetry for the meditation.

During the business session it was announced that the club earned \$230.30 during Maize Days on the annual Money Doll project. The money will go to assist Parmer County Community Hospital.

Hostesses, Mrs. John Fred White and Mrs. Bill Ellis served low-calorie refreshments of strawberry jello whip, wafers,

coffee and tea to members and the following guests; Mrs. Ron Davenport, Mrs. Dale Carey, Mrs. Jon M. Roden, Mrs. Raymond Euler, Mrs. Haywood Vaughn, Mrs. Clyde Woodard and Mrs. Jimmy Mabry.

Surprise Party Fetes Class Teacher, Member

A surprise birthday party in the home of Mrs. W.D. Buske Tuesday morning was a courtesy for Mrs. Curtis Murphree, teacher of the Homemakers Sunday School class of First Baptist Church, Mrs. Ray White a member of the class, was also a guest of honor.

The refreshment table was covered with a white cloth and centered with a floral arrangement. The birthday cake was strawberry with white icing and pink and green leaves. A silver

Young Homemakers Observe Special Week

The Lazbuddie Young Homemakers sponsored several events in observance of Young Homemakers Week. Monday, Mrs. Billie Mason and Mrs. Darla Ivy interviewed Mayor Wilbur LeVeque of Muleshoe and he signed a proclamation designating September 17-23 as Young Homemaker Week.

A basket of fruit was prepared and delivered to the convalescent home in Muleshoe by members of the chapter.

Highlight of the week was a tea in Lazbuddie High School homemaking department. Members of surrounding chapters were interviewed.

Those present included Paula Fairchild, Patsy Bandy, Paula O'Brian and Johnny Massie, Friona; Judith Jones and Carolyn Clayton, Springlake; Earth; Billie Mason, Eva Dean Ivy, Sherrie Menefee, Linda Elliott, Jane Blackburn, Jimmie Briggs and Marlene McDonald, Lazbuddie; and Bennie O'Brian Morton.

Fifteen Attend WMU Royal Service

Fifteen persons were present for the Tuesday morning Woman's Missionary Union royal service at First Baptist Church. The program was a group study of the Buddhist faith in California and Hawaii.

Mrs. Nelson Lewis showed some slides made in Thailand.

Others present included Mesdames Joe Talley, Jackie Hight, F.G. Crofford, O.B. Moyer, C. W. Dixon, Bill Foll, O.C. Rhodes Cleatus Rhodes, Spencer Hough, T.E. Wood, Johnny Mars, Charles Allen, Wesley Hardisty and Joe S. Menefee.

LLL Class Has New Officers

The LLL Class of First Baptist Church held an installation supper in the Fellowship Hall of the Church last Tuesday evening. Mrs. Bill Foll installed the new officers of the class with the theme "More Love To Thee." She presented a booklet on prayer to each of the new officers.

Those being installed were: Mrs. Mal Manchee, President; Mrs. Lionel Young, Vice President; Mrs. Sam Mears, Secretary; Mrs. Charles Howe, Treasurer; Mrs. Don McManaman, Social and Program Chairman, Group Captains, Mrs. Richard Adkins, Mrs. Pat Ferguson, and Mrs. Dwan Menefee; and Mrs. Ed Hicks, Teacher.

Decorations in the Fellowship Hall carried out a Fall Theme.

Varieties of salads were served to the following: Mmes. Dale Widner, Jim Dixon, Harvey Neal, Mal Manchee, Lionel Young, Don McManaman, Charles Howe, Ed Hicks, Jimmy Maynard, Leon Coffey, Dale Hart, Sam Mears, M.C. Osborn, and Clarence Monroe.

The condition of Harrison Gee, who is a surgical patient at Northwest Texas Hospital, Amarillo, is reported to be satisfactory. If his current rate of improvement continues, he expects to be dismissed from the hospital late this week.

Karla Lee Wright Born In Ethiopia

The baby girl born to Rev. and Mrs. Gordon Wright of Addis Ababa, Ethiopia, September 14 has been named Karla Lee. She was born in Kagnew Army Hospital in Asmara, Ethiopia and weighed 8 lbs. 1 oz.

The Wrights are missionaries at Addis Ababa. They have an older daughter, Janna, who is five. Mrs. C.W. Wright, Friona, is the paternal grandmother.

Fronans Visit In Oklahoma

Mrs. E.B. Brannon and Mrs. L.R. Hand spent several days last week visiting in the homes of Mrs. Brannon's brother and sister-in-law, Mr. and Mrs. E.P. Lee and other relatives and friends at Ada, Okla. During the weekend L.R. Hand and Mr. and Mrs. Dub Bush and son, Lance Ray, of Wichita Falls went to Ada.

The hands were accompanied home by Mrs. Bush and Lance Ray. Mrs. Brannon remained in Ada for a longer visit.

Monte Sue Welch Pledges Ko Jo Kai

Monte Welch, daughter of Mr. and Mrs. Nelson Welch, 1001 Maple Ave., is a pledge for Ko Jo Kai social club at Abilene Christian College.

To be eligible for membership in a social club, a student must have completed 30 semester hours have at last a 2.0 grade point average and have attended ACC for at least one semester.

A sophomore student training for nursing, Miss Welch is a 1966 graduate of Friona High School.

KATHY COOK

DIANA WILSON

MISSY RENNER

LINDA CARSON

QUEEN CANDIDATES . . . Four girls seeking the Friona High School Homecoming Queen title this week are shown here. They are Kathy Cook, daughter of Mr. and Mrs. Raymond Cook, Diana Wilson, daughter of Mr. and Mrs. Elvin Wilson, Missy Renner, daughter of Mr. and Mrs. John Renner and Linda Carson, daughter of Mr. and Mrs. David Carson.

Hyde Home Scene Of Family Reunion

A reunion of the children of the late Mr. and Mrs. C.E. Hyde of Walters, Oklahoma, was held recently in the home of Mr. and Mrs. H.A. Hyde, Friona. All nine of the children are living. Mrs. Eva Mitchell, Okemah, Oklahoma, who is eighty years of age is the oldest, Walter Hyde, 59, of Wichita Falls, is the youngest.

Five of Hyde's sisters and one of his brothers were present. They were Mrs. Eva Mitchell, Mrs. Nola Badger, Stillwater, Okla., Mrs. Nettie Pippin, Lawton, Okla., Mrs. Ruby George, Prescott, Arizona; Mrs. Viola Gray and Walter Hyde, Wichita Falls.

Others attending were Mr. and Mrs. Otilie Holden and children, Wink, Texas; Mr. and Mrs. Edwin George, Lubbock, Texas; Mr. and Mrs. Thomas

Alair Jr. and children, Springlake, K.C. Gray, Wichita Falls, and the husband of Mrs. George. Visitors began arriving Thursday afternoon and some of them stayed until Monday.

Mr. and Mrs. O.T. Patterson returned home from Atlanta, Georgia recently. They visited in the home of Mr. and Mrs. Oil Wood and children and attended "The Atlanta Cyclorama."

This event was a colorful depiction of the Battle For Atlanta during the Civil War. Mrs. Wood is Patterson's daughter.

WMU Elects Officers For GA's, Sunbeams

As a general meeting of Woman's Missionary Union of First Baptist Church recently the following officers were elected to serve during the coming year for Girls Auxiliary and Sunbeams.

Mrs. Pat Ferguson, GA director; Mrs. Paul Coker, Mrs. Jim Johnston, Mrs. Don Eitel, Mrs. Jerry Hinkle, Mrs. Doyce Barnett, Mrs. Delton Lewellen,

Mrs. Don McManaman and Mrs. Leon Coffey, counselors.

Mrs. Herbert Day, sunbeam director; Mrs. Dan Lacewell, Mrs. Harry Hamilton, Mrs. Phillip Weatherly and Mrs. O. C. Rhodes, counselors.

Others attending the meeting were Mrs. Bill Foil, Mrs. Stanley Bengt, Mrs. C.W. Dixon, Mrs. Ina Coker, Mrs. David Smith, and Mrs. D.G. McClellan and Dinky.

Girl Added To Stubbs Family

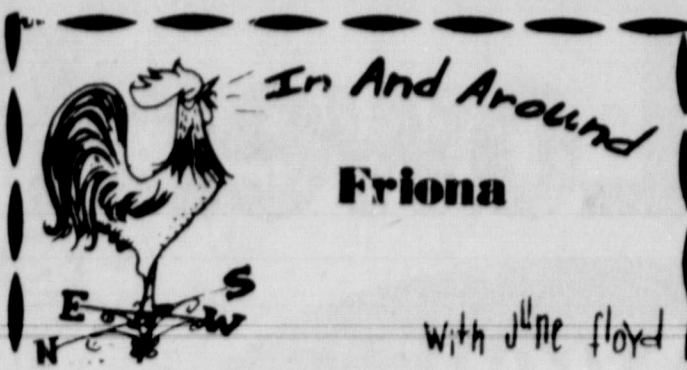

Mr. and Mrs. Don Stubbs, Littlefield, became parents of a baby girl at 12:45 p.m. Friday, September 29 at Littlefield Hospital and Clinic. She was named Dana Michelle and weighed 7 lbs. 2 ozs.

Grandparents are Mr. and Mrs. Steven Stubbs, Farwell, and Mr. and Mrs. Jim Baxter, Friona. Dana has an older sister, Holly, who is three. Holly is visiting in the homes of Mr. and Mrs. Jim Baxter and Mr. and Mrs. Sterling Graham and children this week.

A SNACK THAT BEATS THE OTHERS COLD

Crab meat, mixed with mayonnaise and seasoned with grated onion and curry powder, makes an unusual and taste-teasing cold snack when served on slices of rye bread. Snacks call for a tasty drink, too, and one favorite — Pepsi — beats the others cold.

One of the most delightful affairs of the year will be held in Friona High School cafeteria beginning at 5 p.m. Friday. The annual Future Homemakers of America Tasting Bee will provide residents of Friona an opportunity to eat before going to the Chieftain-Lockney football game.

Each year a wide variety of new salads, desserts and other dishes which are new, unusual and very tasty are served. About the only thing you hear people who have gone through the line complain about is not being able to at least taste everything they would like to.

Nominal prices of \$1.25 for adults and 75¢ for children under ten is being charged and everyone is invited to attend.

My sincere apologies this week go to Charles and Ruby Howell and Charles and Martha Russell. In last week's Star the names of the two couples got switched and the Howells were reported to be on the advisory board of Order of Rainbow For Girls, Friona Assembly #275.

I'm sure it was quite a surprise to the Howells to learn they had been chosen to be on the advisory of an organization in which they did not participate. Probably had it been a school sponsored organization they would have thought one of the children volunteered for them to serve and forgot to advise them about it.

Hope the Russells realized an error had been made and didn't think they had been relieved of their duties. Sorry folks.

The Army Armstrongs, who have recently moved to Friona from Zapata, were somewhat concerned about some residential property they owned during recent floods which were a result of Hurricane Beulah.

Think it was several days before they knew for sure whether they were going to be able to deliver the property to would be buyers on terms formerly agreed upon.

Apparently they like Friona and the surrounding area real well and didn't plan on moving back to the Rio Grande Valley.

The following article was lifted from "Friendly Chat," a publication of Baker Oil Tools, Inc. of Los Angeles, California. Hope you enjoy reading it.

Rogers-McPherson Vows Read Monday

Wedding vows for Carla Rogers, Friona, and Gary McPherson, Hereford, were read Monday afternoon of last week in Hereford.

Miss Rogers, who has been attending Friona High School, has been making her home with Mr. and Mrs. J.L. Collier, for the past several years.

McPherson flew to Augusta, Georgia, Saturday morning. He is serving in the United States Armed Forces. Mrs. McPherson will be at home in Hereford during the absence of her husband.

Attorney Presents Program

Attorney Wayne Thomas of Hereford presented a program entitled "Our Texas Heritage," at the Thursday evening meeting of Black Study Club in the Community House.

The evening began with a buffet dinner with husbands of the members as special guests. Other guests, besides the speaker, were his wife; Mr. and Mrs. Cliff Allmon, Hereford, and Mr. and Mrs. David Bailey, Friona.

Members present included Mr. and Mrs. Fern Barnett, Mr. and Mrs. Tom Presley, Mr. and Mrs. Dick Rocky, Mr. and Mrs. J.B. Sneed, Mr. and Mrs. Travis Stone, Mr. and Mrs. Gene Welch, Mr. and Mrs. Johnny Mars, Jr., Braxton and Mrs. Emma Elmore.

Mr. and Mrs. Braxton were hosts.

By the Side of the Road

LET ME live in a house away from the road, where the cars and the trucks go by; where the noise and the din and the rattle of tin, ring loud through the midnight sky; where the siren shrieks like a fire alarm, and backfires like a cannon roar. I've sold that shack, and I'm not going back to live there any more.

The maple that stood where it looked so good, with seats beneath its shade, was hit by a truck—it was my hard luck—when the brakes failed down the grade.

The sparkling spring with its babbling brook that flowed through the meadow green, along its brink looks a bit like ink, and it smells like gasoline.

I'd like to live by the side of the road and be a friend to man; and freely give of the life I live—I don't believe I can.

I've lost my nerve watching "Dead Man's Curve," where the maimed and dying call; where through the night from a glaring light, strange ghosts dance on my wall.

I'm moving back from that old racetrack, from the din and the traffic's roar, to a little home where the roses bloom, and the birds sing 'round my door; where the trees in bloom give a sweet perfume—a part of an infinite plan; where the sun shines bright, I sleep all night. I feel like a friend to man.

Den 7 Meets In White Home

The first meeting of Den 7 Cub Scouts met in the home of Mrs. Edward White Jr., assistant den mother, Monday afternoon. Chuck Rector will serve as den chief. A den song and yell were selected.

Bryan Snyder and Donnie White were chosen for den reporters for the first six weeks. Entertainment and games were directed by Mrs. Wayne Wilkins, den mother. Cold drinks and cookies were served.

Cubs present included Roy Don Smith, Jody Snitker, Bryan Snyder, Alonzo Strickland, Donnie White and Noel White.

Pack Meeting To Be Thursday

A pack meeting for Pack 56 has been planned for Thursday, October 12 at 7 p.m., at Reeve Field. All cubs and their families are urged to attend by J.C. Beck, Cub Master.

Awards will be presented, there will be a bonfire with group singing and refreshments will be served.

To help teach baby good eating habits is the purpose of a plastic training spoon which fits his or her small mouth and is handy for mother to hold.

This is sold as dishwasher-safe, which means it can also be washed in the very hot suds required to keep it hygienic.

Mr. and Mrs. John Burrow have returned after spending a week visiting in the home of their children, Mr. and Mrs. Jeff Wofford of San Antonio and Mr. and Mrs. Johnny Burrow of Corsicana.

LAZBUDDIE NEWS

By Mrs. C. A. Watson

Visiting in the home of Fred Grahams the past weekend were Mr. and Mrs. Tommie Hall and children, Susan and Athena. The Halls have recently moved to Plano, Texas from New York.

Mr. and Mrs. Jack Templar and children have moved back to Lazbuddie area from Arkansas. They moved there some three years ago.

Mr. and Mrs. Raymond Houston were in Lubbock Monday to visit relatives and to attend to some business.

Mr. and Mrs. John Crim Sr. have moved a house from his farm in the Lazbuddie area to Muleshoe recently where they will make their home.

Mr. and Mrs. James Brown are the parents of a baby girl

born last week in a Wellington hospital. James is a 1962 graduate of Lazbuddie and she graduated from Muleshoe High School. The baby weighed 8 lbs. and has been named Courtney Lynn. Grandparents are Mr. and Mrs. Dee Brown, Lazbuddie and Mr. and Mrs. Bay Wilson of Muleshoe.

Mr. and Mrs. Jimmie Dale Seaton and children returned from Waco the past weekend where they visited her Grandfather, A. Burreson.

Mr. and Mrs. Riley Goodnough and Nola Treider went to Roswell Friday evening to visit with Mrs. Goodnough's mother. They were also in Ruidoso Saturday and Sunday for a short vacation.

The Lazbuddie school Fair will be held in Lazbuddie Mon. Oct. 9.

CATCH UP TO TOMORROW

A World War I pilot trying to get a job flying a jet would have a tough time—like anyone whose know-how isn't up-to-date. But International Correspondence Schools' home study courses keep many people from being up-in-the-air about the latest way of doing things. Over five million men and women are now studying at home by correspondence, according to Dr. John C. Villaume, President of I.C.S. in Scranton, Pa.
