NUMBER VI

New Warehouse Construction To Start Soon

We expect to begin construction of the new cotton warehouse southwest of Morton within approximately 30 days, Fred Payne, who recently moved here from Lovington, N. M., told members of the Morton Jaycees Monday.

Payne was introduced by Bill Glassford, president of the club.

Mr. and Mrs. Payne are now residing in the LeRoy Johnson home in southeast Morton.

Payne told the group that inside storage for some 5,000 to 7,500 bales of cotton would be ready by ginning season, according to plans.

Under our operation, he said, we will be able to save producers the cost of longer hauls to warehouses, and have their cotton in storage where they may inspect it at a minute's notice.

This, he continued, should find favor with the farmers of this area.

Depending on the crop, he said, the warehouse would employ between 30 and 60 people during the fall. Some six or eight are expected to be employed full time.

As additional storage is required, he continued, we will build.

Sheriff Posse Rides at Spur Fri., Sat., Sun.

Cochran County Sheriff Posse riders are going to be in "tall" company this weekend when they battle more than 36 posses for the championship in the posse division of the Spur Roundup at Spur, Sat.

The local posse, if enough riders come out, has an excellent chance of raising high and perhaps grabbing one of the three top trophies. But their competition will perhaps be the toughest they'll face all year long.

Among the other posses who have promised to send a delegation are such worthy competition as the Dawson County Posse, the Heckler County Posse, the Hereford Riding Club, the Roosevelt County Mounted Patrol, the Santa Rosa Palomino Club, the Smyrna Beach Saddle Club of Florida and the XIT Rangers of Dalhart. These are just a few.

The Roundup will be a huge combination of events. Beginning on Friday it will include saddle hoop, polo and relay events, a coffee, a barbecue, a pancake supper, the big parade, convention dance, Sunday horseback church services, and a pinetop polo game.

Local posse members have asked that all local riders who are interested help them nail down and bring home this trophy by riding in the big parade Saturday afternoon.

It will be the second competition of the young summer for the local Possemen who already have captured one trophy.

Few Days Left To Get That Auto Inspection

Auto inspection deadline is April 15th.

That should be enough said, according to district inspectors who have been making the rounds for the past two months and who have given ample advance publicity for the past six months.

However, in case it isn't enough, let it be added that Highway Patrolmen have been advised to begin issuing tickets to those who fail to comply on Saturday morning.

Better step by at Allsup, Hawkins, Mahan Motor Co., Miller Mtr. Co., Bodwell Implement Co., or Ed Howell Motor Co., sometime before Saturday.

Missionary Baptist Revival Continues Through Sunday

The annual spring revival which opened last Friday at the Missionary Baptist Church in Morton will continue through services Sunday with Rev. D. L. Wadley of Dallas conducting.

The services are held twice daily, at 10 a. m. and 8 p. m. Wadley is pastor of the Lennox Avenue Baptist Church of Dallas. Prayer service is held each evening at 7:30.

Again Rev. Curtis Carroll, pastor of the local church has issued an invitation to the public to attend any or all of the services.

City Welcomes Interscholastic League Contestants

Chamber Sponsoring Community Meeting To Promote Fat Stock Show, April 22 - 23

The Morton Chamber of Commerce has voted \$100 to the present cemetery improvement fund and has agreed to take into consideration whatever else they can do on the project.

In their meeting last Thursday night, the Chamber laid the groundwork for a fall year of activities by planning their first open call meeting a week from Tuesday night. At that time, meeting in the County Activities Building, the Chamber will ask all interested persons to attend and help work out any last minute plans necessary for the 4-H and FFA Fat Stock Show to be held April 22-23.

President Joy Stripling plans to invite parents of all boys who have stock entered in the show, all businessmen, all Jaycees, and anyone else who wants to help. Though the Chamber is not sponsoring the Fat Stock Show, it is backing it 100 per cent.

The Chamber discussed the need for appointing committees on various projects and for a membership drive. Letters are to be sent out to many prospective members and get acquainted meetings are also to be held with various groups of Cochran and near Bailey County residents.

At the same meeting to discuss the Fat Stock Show, the Chamber will also hear from Miss Lela Petty on ways they can help welcome the 500-800 Home Demonstration women who will be in town for the District Convention, April 28th.

Everyone who wants to help, in any way possible, is requested to attend.

Harold Drennan Elected to Head Morton Jaycees During 1955-56

Harold Drennan, a charter member of the Morton Junior Chamber of Commerce, was elected Monday to head the club another year.

Other officers elected were Dexter Nebhut, Jack Loran, and Ed Howell, directors; S. M. (Smiley) Monroe, first vice-president; Andy Behrendt, second vice-president; J. Doss, treasurer; Bill Bridge, chaplain; T. J. Simpson, state director; the out-going president, Bill Glassford will serve as director.

The newly elected officers will take office the first Monday in May.

Shorty Wardroup Final Rites Held Tuesday

Funeral services were held at the Morton Church of Christ Tuesday at 3 p. m. for Richard Henry (Shorty) Wardroup, 73-year-old Morton Route resident who died at 2 a. m. Sunday morning in the hospital at Lubbock.

Wardroup had been ill for several months and had recently lapsed into a coma at the West Plains Hospital in Lubbock.

Born in Arkansas, in 1881, Wardroup was married to Ruby Morton at Palestine, Texas. She survives, along with three daughters, two sons, eight grandchildren and five great-grandchildren.

Wardroup was a long time Morton farmer at his farm just east of Morton on the County Club road.

Survivors, in addition to the wife, are: Mrs. Tom Arrn, Phoenix, Ariz.; Mrs. Virgil Simmons, Lubbock; and Mrs. Lester Mae, Sioux Falls, South Dakota, all daughters and two sons, M. B. of Dallas and B. W. of Lorenzo.

Burial was in the Morton Cemetery under the direction of the Singleton Funeral Home of Morton.

Widening Project For Highway 290 About to Start

The State Highway department division located at Morton is awaiting final orders to proceed on approximately 15.5 miles of paving in Cochran County according to Highway Superintendent Olen Harris.

The paving work would include a stretch 5.5 miles, from Highway 290 south to FTM 769.

The other work, consisting mainly of expanding the paving from the Morton City Limits 10 miles west on 290 to the Maple Road.

Right-of-way has been purchased by Cochran County through the Commissioner's Court to increase the paving to a 40 foot right-of-way.

SALK POLIO VACCINE IS LICENSED, TUESDAY FIRST ORDER SENT FROM MORTON, SATURDAY

With the announced success of the new polio vaccine and the subsequent licensing by the Health authorities minutes afterward, the wheels were set in motion last Tuesday for the gigantic task of providing polio vaccine for all of those who want it either for themselves or for their children.

Here in Morton the first order had already been sent off last Saturday afternoon at 1 p. m. as promised by Luke Cole, manager of the Cochran County Hospital. An order was placed for enough vaccine for all who had brought their \$5 deposit.

Dr. Dan Brown County Health Officer said Tuesday evening as soon as they were notified it was ready for pickup local authorities would secure the vaccine. Millions of doses were already stock-piled by at least one manufacturer Eli Lilly of Indianapolis and were expected to be released immediately.

The second registration of persons wanting Salk polio vaccine for their family will begin Friday morning at 9 a. m. according to Cole.

Persons desiring the vaccine, must post \$5 deposit with Mrs. Homer Thompson or Miss Mary Graham at the Cochran County hospital. A second order is being made up.

The manager advised that "at best, it takes three to four weeks to secure the vaccine". He added, "I'm sure, that you heard as I have, by newspapers, radio and TV, that adults should not ask for the polio vaccine until all the youngsters have been taken care of."

VFW Post Slates Officer Election

Election of officers for the coming year is scheduled for tonight, Thursday, at the local Veterans of Foreign Wars post, it was announced last week by Homer Thompson, present post commander.

The meeting begins at 8 p. m. All post members are urged to attend. Refreshments will be served.

Whiteface Has Seven Men In Regional Meet

The Whiteface Antelopes placed third behind Sundown and O'Donnell last Friday afternoon in the District 9-B track and field events at Lubbock, and in doing so qualified seven men for the regional competition.

Reece Washington, Bob Baldrige and Weldon Curbo took top honors for Whiteface, Washington taking the 880-yard-run with a time of 2:03.4 and Baldrige coping the mile run in 4:56.4. Curbo and Peters tied for first in the high jump at 5 foot 8 inches.

Sundown amassed a total of 47 and one third points to beat O'Donnell with 43 and nine tenths points. Whiteface had 25 and eleven fifteenths to beat out Hopewille with 13 and seven ninths.

In addition to Washington and Baldrige who topped expected wins, Curbo and Peters who tied for a first place, Whiteface qualified Peters with a third in the broad jump, L. S. Salsar, Jr., with a second in the pole vault and a second place mile relay team.

The regionals will be held a week from Saturday, on April 23rd, also at Texas Tech stadium.

Jr. High Chorus Will Perform At Plainview

The Junior High chorus will travel to Plainview Saturday for their friendly criticism performance along with junior high choruses from several area schools.

The judging will be the same as for the high school choruses however the choir will not be in competition. A plaque will be awarded the top chorus of all attending.

Joe Carroll, Director of Choirs at Morton, will take a 44-voice group to Plainview.

Rainfall Helps Settle Dust Tuesday Night

Hot on the heels of another bad, blowing duster, Morton and Cochran County received some relief Tuesday night when the area received about .19 inch of rainfall, beginning at 8:30 p. m. and lasting more than a half hour.

The moisture wasn't enough to compensate for the long drought that has plagued this and many other counties on the Plains but it did water down the surface land and stop the heavy blowing that had choked the country since about noon.

Winds estimated at from 30-50 miles per hour continued through the afternoon and accompanied the rainfall.

The combination of wind, sand and moisture caused some damage throughout the area but nothing of a serious nature.

Bids Called On Water and Sewer Construction County HDC Completes Plans For THDA Meet

Sealed bids for the construction work on the water and sewer lines to be built in Morton through the recent revenue bond issue are being accepted by the City Commission, up until 5 p. m. May 2nd, according to a notice to bidders advertised in the Tribune this week.

The bids call for 9,709 feet of eight-inch sewer line; 408 feet of six-inch water line; 2,590 feet of two-inch water line plus the valves, manholes etc. necessary.

Plans and specifications have been drawn up by the engineer, Ralph W. Douglas of Littlefield and may be obtained from him. A cashier's check or certified check for 5 percent of the total bid amount must accompany the bid.

The notice was signed by Mayor J. C. Reynolds.

Merlin Roberts New President Of Farm Bureau

Merlin Roberts has been elected president of the Cochran County Farm Bureau at a meeting held in Morton Friday night.

Roberts takes office immediately replacing LeRoy Johnson who served during the past year. The announcement of other officers will come as soon as those elected certify that they will qualify.

Whiteface Has Seven Men In Regional Meet

The Whiteface Antelopes placed third behind Sundown and O'Donnell last Friday afternoon in the District 9-B track and field events at Lubbock, and in doing so qualified seven men for the regional competition.

Reece Washington, Bob Baldrige and Weldon Curbo took top honors for Whiteface, Washington taking the 880-yard-run with a time of 2:03.4 and Baldrige coping the mile run in 4:56.4. Curbo and Peters tied for first in the high jump at 5 foot 8 inches.

Sundown amassed a total of 47 and one third points to beat O'Donnell with 43 and nine tenths points. Whiteface had 25 and eleven fifteenths to beat out Hopewille with 13 and seven ninths.

In addition to Washington and Baldrige who topped expected wins, Curbo and Peters who tied for a first place, Whiteface qualified Peters with a third in the broad jump, L. S. Salsar, Jr., with a second in the pole vault and a second place mile relay team.

The regionals will be held a week from Saturday, on April 23rd, also at Texas Tech stadium.

BANQUET PLANNED

5-A Literary Events In Morton Friday; Track At Lubbock Saturday

The District 5-A University Interscholastic League competition in literary and track events will be unraveled at Morton and at Lubbock this weekend.

Morton will host the literary events tomorrow, April 15th, with approximately 100 students from Brownfield, Littlefield, Slaton, Post, Tahoka and Morton represented.

There will be entries in debate, declamation, slide rule, typing, spelling, ready writing, poetry reading, shorthand, number sense and extemporaneous speaking.

Faculty members of the Morton schools plus others from the schools participating will be judges for the various events, according to Morton Superintendent H. A. Owens, chairman of the activities for this district.

Events will be held in the various classrooms at the local school. The one act play competition has already been held two weeks ago. Morton did not enter.

The track and field events will be held at Lubbock on Saturday. Texas Tech stadium as it has been in the past, will be the site of the district competition from which winners and some runners-up will qualify for further competition in the state meet.

It will be the first time Morton has ever been host to the District 5-A competition.

Color Guard Slates District Competition

Cochran County's American Legion color guard some of whose members took part in last year's national competition which won them eighth place in the nation, will compete Saturday at Haskell for honors in the 19th district.

The convention, starting Saturday, will continue through Sunday.

Heading the local delegation will be Tubby Holloman, local post commander.

LOCAL STUDENT WINS AWARDS ON ESSAY

Charlene Brent, senior student of Morton High School, and daughter of Mr. and Mrs. C. T. Brent of Morton was given an honorable mention on a paper recently submitted to the Advertising Club of Lubbock. The essays were written in Journalism class as entries into a national contest for papers on the subject of How Advertising Affects Our Lives. There were three winners in the area contest, first place will be submitted to New York, and three honorable mentions.

Under communication not requiring actions an invitation was extended by the Chamber of Commerce to Council members to attend a meeting at 6:30 on Tuesday evening, April 19, concerning the Livestock Show. The meeting will be in the auditorium.

Mrs. Dexter Nebhut, Recreation Chairman, announced a recreation training school for the evenings of May 4 and 5. Miss Lucille Moore, State Recreation Specialist, will conduct the school for Recreation Leaders in Home Demonstration and 4-H Clubs. Women, men, boys and girls will attend the meeting which will be in the Recreation Hall.

Mrs. Elmer Gardner, 4-H Committee Chairman, read the dates of the league. A district camp for older girls and boys will be held at Lubbock May 31, June 1 and 2. The district camp for girls will be held June 21, 22, 23 at Lubbock. The 4-H Round-Up will be at College Station June 8, 9, 10. The date for the County Camp has not been set.

Other committees having reports were Yearbook, EEE, and Finance. It was voted to postpone making plans for the dinner for the Commissioners' Court party until the May Council.

Mrs. Aubrey Russell of Lubbock, District Agent for the Extension Service, was present, and made a short talk to the Council.

Mrs. W. B. Barnett, County T. H. D. A. Chairman, presided while further plans were made for the district meeting of the Texas Home Demonstration Association which will have its annual meeting in Morton on April 28. Mrs. Wilmer Smith of Wilson, vice-president for the district, was introduced and heard reports from the various committees that had been appointed to take care of the details for the meeting. Mrs. Smith said the district would be honored by having their state president, Mrs. John Goughly of Hico, as a special guest that day.

Attending the meeting were Mesdames Keith and Barnett, Whiteface; V. Blackley and C. C. Benham, County Line; H. T. Gardner, Bernard Nebhut, Dexter Nebhut, and Elmer Gardner, Friendly Circle; Charlie Sanders, Lloyd Wampkin, and Charles Compton, Lehman.

Also Mrs. Russell, Mrs. Smith, and Miss Lela Petty, County Home Demonstration Agent.

Most Problems Worked Out; Plan Box Supper To Raise League Funds

The final arrangements on lights, actual starting date, and number of teams to enter were the only three things that remained to be solved in the Morton Softball League, after a meeting held Monday night.

Eight teams that intend to enter the league were represented and a 9th team that might enter was also discussed as a group of some twenty players and commissioners set up their basic plans for operation.

Perhaps the most important move they made was to set a box supper for May 6th in the County Auditorium. At that time the league will attempt to raise a little money to get the league started.

Minor improvements are to be made on the field, the purchase of some loudspeaker equipment was discussed, and putting a little money in the kitty to start the league was outlined as a need.

Two teams from Muleshoe, Bula, West Side, Maple and Enochs, of the old league were definitely in the fold. Hawkins Oldsmobile was expected in Collins Packing Co. and Llano Grande Gasoline Plant were the new entrants who announced they would field a team.

Exact date of the opening is not yet set. It will be either the third or fourth Monday in May, depending upon the various area school commencement exercise dates.

Present plans call for a league to operate somewhat similar to the one of last year. Main differences would be the sponsorship of the invitational tourney in the middle of the season rather than at the end, a change in the all star balloting plan; and stronger rules designed to curb flaring of tempers on the field.

R. M. Waller, J. O. (Jim) Hill and Maurice Lewallen will head the league as commissioners this season. No workable solution has been announced to procure umpires.

The Gasoline Plant entry, was announced Monday night by Rex Little, Plant Superintendent. The League made a special ruling that anyone working at the plant could be on the roster, as well as members of their immediate family. Little said that they didn't expect to field a strong team, indicating that several hadn't ever played softball. But he did feel that, with a larger roster to take care of their changing shift regulations at the Plant, would enable the Plant to field a team each game.

Several of the teams still have problems to settle before they can take the field. Hawkins has not yet announced anything definite. West Side was still needing a manager, Monday night. Bula lost its pitcher recently. Enochs had not even held a meeting until Monday night, following the league meeting.

The lighting problem was to be worked out by officials of the softball league and the rodeo league. Morton Power and Light representatives and members of the Bailey County Electric Cooperative had expressed the will to work out something for the good of both companies and the fans of the two summer sporting events.

Jr. - Sr. Banquet For Bledsoe High Set for April 29

BLEDSOE (Spl.)—The annual Junior-Senior banquet of Bledsoe High will be held in the Cal Boykin Hotel at Levelland, it was announced this week.

The banquet will be held April 29th, with Roy Bass secured as the after dinner speaker to the 40 or so persons who will attend.

The public is cordially invited to attend the services.

6 Bills Brought By Grand Jury Session Monday

Six indictments were brought by the 72nd District Grand Jury which met here Monday, but no date for a criminal jury has been set by Judge Victor H. Lindsey.

The Grand Jury had ten counts to consider, passed three of them to the next grand jury and reduced the charge on another to a misdemeanor.

They returned no "no bills".

Bills were returned against: Clarence Newell, theft of over \$50; Glen Clem, two counts of forgery and passing; Charlie Rodriguez and Felix Mendiola, each one count of burglary; and Gilberto Garcia, attempted murder.

No criminal jury will be called this month.

District Scouting Camporee To Be Held Here, Friday-Saturday

The Mustang District of the South Plains Council will sponsor a district camporee Friday and Saturday of this week, April 15-16 at the local County Park.

Morton plays host to the event for the first time. It will include, according to Roblin Sullender, camp director a Friday Night campfire by Post 109 under the direction of Frank Waide and an Indian Dance Saturday night by Troop 101 of Morton.

Local Scouts and Scouters will have charge of the various phases of study and learning that will be handled in the two day events.

John Stockdale and Jerry Hansen will handle the safe swimming for troops class. Homer Thompson and Wayne Smith will discuss nature study. Dalton Oden and Greg Zielinski, under the direction of D. R. Stringer, will handle signaling.

Lee Benham and Clayton Flanagan will instruct in compass reading and Sam Drum will talk about knots. Competitive events will be conducted by Truman Harris and J. O. Harris. Tommy Hawkins, Dave Mitchell and Wayne Walthall will instruct in fire building and water boiling.

Flint and steel for fire by Sharon Hawthorne and Bob Camp. Jerry Kilcrease and Bill Cox will explain the art of judgement, in determining heights, and distances in the field. Tent Pitching will be instructed by Max Hawthorne and Richard Houston.

All of these scouts in the instructional phase are members of Elia Oden's Explorer Scouts of Morton.

The instruction is intended to help the boys prepare for the annual Council Camporee, at which Morton has amassed high honors in scouting proficiency for the past several years.

Indian Nine Loses 1st Game In Conference

Morton's Indians lost their first conference baseball game of the season last Tuesday, April 5th as they bowed to Whitharral 13-5 after blowing a 1st inning 4-0 lead.

Morton managed four unearned runs, according to the school paper War Whoop, but then went behind as the Panthers' hurler, Lonnie Stephenson held Morton batters well in check.

Dick Kennedy took the loss for the Morton moundmen but was relieved by Bill Evans in the 4th.

Committees On Fat Stock Show Are To Meet

A final committee meeting preparing for the Fat Stock Show, to iron out details and to approve the work of the Livestock committee on rules and regulations will be held Saturday morning at 9 a. m., according to County Agent Homer Thompson.

The meeting will be held in the banquet room and shouldn't take very long, the agent said. However, it is a necessary meeting to insure the success of the Fat Stock Show April 22-23.

Slight Damage In Auto Mishap

Only slight damage to one car and fairly heavy damage to the other was reported in a Saturday afternoon collision in downtown Morton in front of the alley to the side of Hawkins Oldsmobile Co. A Pontiac driven by Ronnie Gast sustained rather heavy damage on the right front grill and fender, but was able to be driven. The other car involved in the wreck had only a few dents and scratches. No one was injured requiring hospitalization, a baby in the Gast car did suffer a bruise.

Highlights and Sidelights FROM Your State CAPITOL

By Vern Sanford Texas Press Association

AUSTIN, Tex. - Easter bunny brought the golden egg! That, in an egg-shell, describes developments in the Capital City over the week-end.

House members returned to Austin from the Easter holiday to discover that members of the revenue and tax committee who remained on the job, had brought out a compromise tax bill. It promised \$45,000,000 in new money.

Chairman Stanton Stone and House Speaker Jim Lindsey regard it as their number-one project for the week.

Although the committee sidetracked Gov. Allan Shivers' single-shot bill and adopted Chairman Stone's omnibus bill, Governor Shivers said it was a workable basis for providing what is needed.

Actually the bill gives Governor Shivers more than half of his announced desires. He praised the committee and asked that the balance of his "program" be restored somewhere along the way.

Approved by the committee was the one-cent per back tax increase on cigarettes, asked by the governor. Also included was a one-cent per gallon gasoline tax which was half what the governor suggested.

An increase in beer operators license fees was injected into the bill as a concession to strong House sentiment to include beer in the new money scheme. A fourth tax item was diesel fuel at 1.5 cent per gallon.

Under the proposed levies, \$25,000,000 would be added to highway improvements annually, and \$20,000,000 would go into the general fund.

House Speaker Jim Lindsey took a strong stand for the compromise plan. Governor Shivers complimented him for the progress made over the long week-end.

Water for nearly \$60,000,000 in construction before it can reach the governor, is the \$1,500,000 biennial appropriation now in conference committee.

Governor Shivers regretfully left the scene of action. He went with the Shivers to Chicago where she will receive treatment for an ear ailment. She had a mastoid operation last year.

Before leaving Texas, the governor stated that he felt the current 120-day session, due to expire May 10, might run two weeks beyond the four-month mark. Legislators now drawing \$25 per day draw no pay after 120 days, unless a new session is called. Shivers has expressed his dislike for special sessions.

BROOKSHIRES PLAN CALIFORNIA JOURNEY

Mr. and Mrs. Jesse Brookshire will leave Monday, April 18th for California where Jesse will conduct two Church meetings.

Charges File Up Charges continued to mount against Bascom Giles, former commissioner of the general land office. Latest were four felony theft charges placed against Giles by District Attorney Les Procter of Travis County. It brought the total charges to date to \$1,065,688. Also charged on four felony theft counts was J. Paul Little, Crystal City attorney. Giles and Little were each accused separately of theft from the state in four veterans land transactions last year in Zavala County. The total amount involved was \$377,344. Giles Is Defended Stanley L. Fry, a Reeves County landowner, testified before the Senate investigating committee that Giles was a "hard trader for the state." "Giles," said Fry, "argued and sweated over land prices and traded just as hard as if it was his own personal money." Sen. Jimmy Phillips, chairman of the committee, asked Fry: "Did you pay Giles anything, or any employment of the board?" "Not a dime," was the witness' answer. Land Program's Future Despite a "no" vote by Attorney General John Ben Shepperd, the veterans land program may be extended to veterans of World War I and Korea. Other members of the land board - Governor Shivers and Land Commissioner J. Earl Rudder - voted to urge the legislature to offer the people a constitutional amendment on the question. Shepperd said that while he favored the philosophy of veterans land benefits, he would withhold his approval of any new program until the legislature enacts "clear and strict regulations" as to its administration. Meanwhile, veterans organizations were to decide whether to ask the program's continuation. A hearing is set for April 18 on Sen. George Moffett's bill designed to add another \$100,000,000 to the veterans land program, via a constitutional amendment. SHORT SNORTS: Navigation was taken out of the Trinity River Authority bill by the House. Unemployment compensation benefits will be increased from \$20 to \$25 under a bill passed by the Senate. A bill to permit the state to fix minimum prices on natural gas has failed so far to get House approval. Water conservation groups won a round when the Senate decided to let the people vote on a \$100,000,000 bond issue next September. The House is debating a counter bond plan. Final action sent to the governor a bill to put "Section 1302B" trust companies stocks under state securities control. Also passed was one of the major corrective insurance bills dealing with fire and casualty companies. Both houses have approved an increase in drivers' license fees to \$2 (every two years), effective September 1. It will permit the hiring of 200 additional highway patrolmen. A bill to prohibit the carrying of pistols in automobiles was withdrawn after a swarm of protests by motorists. Pensions of \$100 per month for teachers, after 10 years of service, are called for in a proposed constitutional amendment passed by the Senate. Passed by both Houses and awaiting concurrence in amendments was a bill to ban objectionable comic books. The House has refused to consider a bill calling for removal from office of elected public officials who refuse to give testimony when their agencies are being investigated.

How To Survive In An Atomic Attack Film Subject

A film entitled "Survival Under Atomic Attack" will be shown at the County auditorium Monday, April 18, at 8 p.m. Anyone interested in learning the essential steps toward protection under Atomic attack is invited to attend, according to Homer Thompson, County agent.

Thompson advised county farmers that the atomic film will be highly educational and another film "Cash In On Corn" will also be shown giving the ten necessary steps toward producing 100 bushels per acre.

Efforts were underway, at the time the Tribune went to press, according to the agent, to secure a specialist in soil building to speak and help explain some of the steps

in the film. Thompson emphasized that the first film is certainly one that every one should see, including the women. The steps toward protecting oneself, without special protective clothing etc., could save your life.

Band Bake Sale Saturday P. M.

The band will have their final Bake Sale Saturday April 16. It will begin at one p.m. at Smith Furniture.

Orders will be taken by Band members from anyone wanting bake products. Each member will contribute to the sale as they want this one to be the biggest they have had.

If wanting a good home made cake or pie let the band know or drop by Smith Furniture Saturday.

The members of the band would like to thank each person who have bought products in previous sales. They are using the funds for their San Antonio trip where they are hoping to represent Morton well.

New Dodge Truck Cabs Offer Added Vision

The 2,321 square inches of glass area in Custom and Custom Regal cabs of the new C-3 Series Dodge Trucks offers 98 per cent of full circular vision for additional safety and driving comfort. Full wrap-around windshields and wrap-around rear windows are offered for added safety and handling ease. Cab headlining is acoustical material which reduces noise and insulates against heat and cold.

New Dodge Trucks On Display at Miller Motor Co.

Seven engines with 12 different horsepower ratings will power the new C-3 Series of Dodge Job Rated trucks announced this week by Ermon Miller of Miller Motor Co., Dodge Truck dealer for this area.

He says the new trucks have more entirely new and improved features than any Dodge truck models ever introduced.

Greatly increased power, new styling, new cabs with wrap-around windshields and rear windows, increased glass area, new automatic transmissions, and the expansion of power steering and power brakes into additional models are but a few of the new features designed to reduce hauling costs, improve driver comfort, and increase safety, he says.

Realizing the wide difference in power needs of individual truck owners, Dodge Truck engineers designed the new trucks with a wide choice of 6-cylinder and V-8 engines ranging from 108 to 202 horsepower to meet approximately 98 per cent of all hauling needs.

Maximum gross vehicle weight ratings of the new trucks range from 4,250 to 40,000 pounds, while gross combination weights range up to 60,000 pounds.

Specific needs of individual truck users also are met by a variety of axles, springs, transmissions, frames and other components.

Since 64 per cent of the 10,000,000 trucks in use in the United States are in the low-tonnage classifications comprising 1/2, 3/4, and 1-ton models special attention was paid to that huge market in designing the new Dodge trucks, Miller reports.

Offered in that low-tonnage classification is the option of a 110-horsepower 6-cylinder engine or a new 168-horsepower Power-Dome V-8 engine. The latter represents an increase of 24 horsepower over the V-8 engine powering the previous C-1 low-tonnage line and which recently established new economy, acceleration and mountain climbing marks under AAA Contest Board supervision.

Four entirely new cabs are offered in the low-tonnage line and also in most all of the new C-3 models. Each cab has approximately 62 inches of hip-room and 59 inches of shoulder room to provide comfortable space for three large men. The new wrap-around windshield with 1,023 square inches of glass area virtually eliminates corner blind spots, says Miller.

The 2,321 square inches of glass area in the new cabs with wrap-around windshields offers 98 per cent of full circular vision. Cab interiors also are featured by new instrument panel styling and 3-

tone interior trim combinations. Three body lengths and two body styles (low-side and high-side) are offered in the new pick-up and express models. Three new Town Panel models — standard, deluxe, and custom regal — are offered to suit individual requirements.

Twenty-two stake or platform models in four lengths are available from 1/2-ton through 2 1/2-ton models.

Three basic Power-Dome V-8 engines — all using regular grades of gasoline — power the low-tonnage, the medium-tonnage and the high-tonnage trucks in the new C-3 Series. The V-8 horsepower ratings are 169, 175, 193 and 202.

Highest V-8 horsepower in the preceding C-1 Series was 172.

The new C-3 Route-Van delivery truck is powered by a 6-cylinder 103-horsepower engine. Other 6-cylinder engines are 110, 112, 114, 120, 125, 136 and 171 horsepower.

Displacements in the engines range from 230.2 to 413.1 cubic inches.

Many Varieties Of Fish Available Report States
COLLEGE STATION—Few food shoppers realize how many varieties of fish are available on the market.

From salt cod to caviar, there are fishery products to fit any budget. Mae Belle Smith, Extension specialist in consumer education, says although there are only about seven species of fish well known to the average person, there are about 200 varieties sold in the United States plus about 40 varieties of shellfish.

Regardless of price, fish from both salt and fresh water contribute generously to nutritional needs. As protective foods, they provide high-quality protein as well as essential minerals and vitamins.

Ask the dealer what species of fish and shellfish he has. There may be some kinds unfamiliar that are good buys. Select fresh fish that have bright, clear, moist eyes; firm elastic flesh; fresh red gills, not gray or brown; scales with a sheen that cling closely to the body and the color of the entire fish be bright and clear, not faded.

Select fish in hard frozen packages which are carefully wrapped and displayed in a frozen food cabinet. The wrapping should be of moisture-vapor-proof material. There should be little or no air space between the fish and the

Whiteface Edges Morton, Bledsoe In Junior High Track Competition

WHITEFACE (Spl.) — Whiteface trackmen edged Morton and Bledsoe in junior high competition at Whiteface last week but Morton and Whiteface had a close scoring duel before the final win-

ner was determined. Tonnie Smether's crew at Whiteface amassed 49½ points to 40½ for Jim Middleton's Morton Junior High trackmen. Bledsoe garnered 15 points, just enough to keep Morton from catching the Antelope team.

The results, by events, follow: 50-yard dash: Allen (W), Miller (M), Brownlow (B), and McClellan (W).

High Jump: Graham (W), Zuber (M), and Middleton (M). 75 - yard dash: Allen (W), Davenport (M), Brownlow (B) and Seanev (M).

"Village Smithy" Is True Scot

If the village blacksmith in Olney, Maryland, resembles the Scotsman on the Savings Bond poster above, it's more than just a coincidence. They're one and the same. When Artist Gib Crockett selected the thrift theme for his Savings Bond poster, he chose as his model 79-year-old Samuel Josiah Finneyrock, a true Scotsman who plies his trade in the little Maryland town just 18 miles north of the White House. A blacksmith who hasn't shed a horse in 16 years, Mr. Finneyrock nevertheless keeps busy at his forge making chimney initials and other ornaments for homeowners, repairing machinery, and otherwise serving as handyman for the neighborhood. One of the few old-time "village smithies" left in the United States, he observes: "No, I don't have a spreading chestnut tree to work under. A blight killed them all around here 40 years ago." Mr. Finneyrock not only has contributed his smiling countenance to the nation-wide promotion of Savings Bonds, but he also is a regular purchaser of what he calls his "good, safe investment." The poster is now being widely displayed

Morton Girls 2nd In Dist. Volleyball

The Morton High school girls volleyball team placed second in the district volleyball competition at Levelland, Wednesday, after a full day's round of activity.

Post's girls took the championship with four teams competing in the event. In addition to Post and Morton, Levelland and Tahoka took part in the competition.

Bula Nine In 19-2 Triumph

Bula's vastly experienced baseball team handed the 1st year Morton Indian nine a 19-2 whalloping

on the local diamond in the third game of the conference season for the locals.

Bula, reigning conference champs have most of last year's conference winning team intact this season. Morton is competing for the first time in several years.

ENMU FACULTY MEN WORK WITH BAND

Floren Thompson and C. M. Stookey of the Eastern New Mexico University Department of Music, were in Morton Tuesday night of this week working with John Bealmear and his Morton High school band in preparation for the spring contests. The two ENMU men worked for better than two hours with the local band.

WILL PERFORM AT AWARDS BANQUET

The Morton girls High School quintet will participate in the musical program at Muleshoe High school's annual band awards banquet Friday night.

The local girls were asked to bring the musical program while C. M. Stookey, of Eastern New Mexico University will be the speaker of the evening.

Hi-School Chorus Will Be Heard At Revival Meeting

The High School chorus, directed by Joe Carroll, will bring several musical selections to the congregation of the First Missionary Baptist church, Sunday, during the church spring revival.

The group has been working on several sacred music selections. Director Joe Carroll has announced plans to take his group to a different church each year in an effort to give the choir experience and to be able to sing to many people who otherwise would never hear the local group.

Next Sunday, April 24, the junior high chorus will fill the choir loft at the First Methodist Church in Morton also under the direction of Carroll.

Leo Ruzicka Opens Hub Seed Plant

Leo Ruzicka, former part owner of the County Line Gin, has opened a new saw type cottonseed delinting plant at Hub just 20 miles north of Muleshoe.

The plant, with all new equipment, is valued at \$40,000.00.

It features cleaning with the Bauer & Clipper cleaners, saw type delinting with Continental Oil Mill type gins, and treating with the Gustafson Slurry type treater using ether Ceresan or Orthoreide seed protectants.

Ruzicka whose family still resides here, announces that total cost for preparing seed for planting at his plant is only one cent per pound.

He invites all his old customers and friends to contact him for seed treating.

Training Clinic Is Planned for F-Bureau Leaders

Leaders from 17 organized South Plains county Farm Bureaus will attend a training clinic April 19 at the Lubbock Hotel in Lubbock according to H. L. King, Brownfield, state director from District 2.

Don Groves, Des Moines, Iowa, secretary-treasurer of the Iowa Farm Bureau Federation will be speaker at a banquet that night. The veteran Farm Bureau leader

will talk on "The Importance of County Board Members to the Organization."

Purpose of the clinic is to train key county Farm Bureau leaders and employees in maintaining effective service to members programs and efficient office administration.

In a letter to all District 2 county presidents, King urged that each county make special efforts to have maximum attendance of those invited.

"As you know, the growth of our Farm Bureau depends upon the services we render our members."

ship," he said. "This meeting will enable us to build a larger membership through better service-to-member programs."

Attendance is limited to the president, board members, service committeemen, secretary-treasurer, service agent, and office secretary from each county organization.

The meeting will get underway at 1 p.m. and recess at 5:30 p.m. The banquet will be at 7:30 p.m.

Organized counties in District 2 include: Bailey, Briscoe, Castro, Cochran, Crosby, Dickens, Floyd, Lynn, Motley Farmer Swisher Territory and Yoakum.

Know Your Government . . .

By Rep. J. O. Gilham from the Canadian River Dam. With a little more than 30 days left of the 120 day regular session, it becomes increasingly apparent that the Legislature is going to find itself in quite a snarl. There are many bills of considerable importance which have not passed either House. The Calendar of both the House and the Senate are full to overflowing and there appears to be no way to relieve the situation, for many members simply do not want to work and many others come down here primarily to block if they can some of the "must" legislation. For example, we have not passed any of the important water bills up to this time. There seems to be no possibility, in my opinion, that we can ever have complete agreement on some of the water legislation. We debated this week a proposal to submit a constitutional amendment to the people which would authorize the State to set up a \$100,000,000 guaranty fund which would guarantee the bonds of water districts. This proposal as first introduced would impose an ad valorem tax on all the people of the State in order to create a sinking fund to extinguish the \$100 million in bonds. With the help of others, I was successful in getting an amendment on the resolution to substitute a water user's tax instead of the ad valorem levy. This amendment would eliminate the ad valorem tax and simply provide that those who used the water from the various lakes, etc. would pay the cost of retiring the bonds. I think this is fair as far as it goes, but I am still concerned about the fact that I think that the users of water from projects already in operation would have to pay the users tax. Since the users of water from projects already in operation are already paying a user's tax I think it would be unfair to compel them to pay another user's tax, when they would be receiving no additional benefits. I hope to work out some satisfactory amendment this week-end which I hope the author of the resolution will accept.

that the Veteran's Land program be liquidated. There has been no evidence whatsoever that the Governor or the Attorney General had anything to do with these irregularities and both of them have done everything they possibly could to aid the investigation to bring those who are guilty to account for their actions. It seems that the Land Commissioner held a lot of meetings of the Board, without even notifying the Governor and the Attorney General that a meeting would be held. In other words it seems that he just wrote up the minutes of the Board meeting without the knowledge or consent of the other members. It has been brought out also in the investigations that the former Land Commissioner, Mr. Giles, insisted on opening the mail in his office with the doors locked and that the big so-called block deals were never handled by the persons who customarily handled Veteran's land also that Mr. Giles and his cohorts have acquired thousands of acres of land in Minnesota and perhaps some other states and have transferred some very large sums of money to other states. It looks very much like Mr. Giles will be serving some time in a penal institution, along with some of his promoter friends, and that he will probably lose a considerable amount of the big fortune he is reputed to possess. It is hard to understand the thinking of any man, who is already wealthy, who would stoop so low as to defraud the fine veterans of this State, and his own great State of Texas, which has honored him by electing him to a responsible office for nine consecutive terms. Of course, the fact that a man has been indicted does not necessarily mean that he is guilty, yet I think sufficient evidence has already been produced which would indicate beyond any reasonable doubt that our former Land Commissioner is guilty. So far there has been no evidence whatsoever that any other State Official is guilty although it has been brought out that one former State Senator, who is now a Congressman, did accept some rather large fees which he contends were fees for his services as an attorney. It does seem rather incredible that any lawyer could, with a clear conscience, accept almost \$30,000.00 for his services as an attorney. I fear that most of us would look upon such a large fee as being rather exorbitant to put it mildly. I am not saying that this former State Senator is guilty of any complicity in the fraud, but I do say that his fees seem a little high.

FIRST THING THIS week we want to congratulate the Morton ladies who went over to Leveland last week and gave all important help to Leveland enabling them to lead the South Plains Ladies Golf Association standing after the first competition of the summer.

THE LUBBOCK paper didn't give us much credit. They played a part in the future, the low score by the Lubbock woman. Seems to us, the

efforts by Leveland's team were of the most importance newwise, but then, we can't always agree... not even among newspapermen, anyway... OUR WOMEN golfers are getting pretty good. They won their share of honors when you consider that many of them have only been playing about a year or two.

COMPLETED IN about two months is the mission church at Delleias, Chihuahua. Old Mexico, sponsored by the Morton Church of Christ. Congratulations to all the local members who have made the project possible.

OF COMPLETING construction, a project will start in Morton, or perhaps I should say just outside of Morton, because it will border the city limits on the southwest corner, that means a great deal to the community within the next year or so and we hope, many more to come.

COTTON WAREHOUSE, about 174 feet by 190 in size will be erected by the Cotton Warehouse, Inc., a firm previously operating in Lorenzo and Lovington, and now expanding to Morton.

WILL BE A YOUNG gentleman by the name of Fred Payne, who has already moved to Morton and is living in the old Markham house, or Leroy Johnson home, whichever you know it by. It's on the hospital road, across from the softball diamond.

WELCOMED FRED, and his firm to Morton. We hope you'll do the same, as soon as possible.

WILL HANDLE from 5000 to 7500 bales of cotton and if more is needed, they'll build more warehouses later. And, if things got that prosperous around here in a year or two, they might even put in a compress.

THEY'LL OFFER the complete service to farmers and ginners, taking the bale from the ginyard, and seeing that it is stored, compressed, sold or put into the loan whatever is needed.

THEY'LL EMPLOY quite a few hands around crop gathering and ginning season, which could put up to about \$2,000 in payroll into Morton each week. And if you don't think that'll help, just ask some of the local merchants.

GOING BACKWARD, Morton is moving ahead. Not as quickly as we'd like to see it, but certainly moving ahead. And we always welcome any new business.

CONGRATULATIONS to Nadim Waldine, proprietor of Hub Variety whose store was burned about a month ago and who lost a considerable amount of money. He at least salvaged some, over insurance refunds, through his successful fire sale last weekend and this week.

HIS CONFIDENCE in Morton isn't such that he'll decide not to start again. At the last talk we had with him, he was still sure Morton is a good town in which to do business.

TO PUSH, as much as we can, the welcome to the many women who'll be visiting Morton during Texas Home Demonstration Association district meeting here, Thursday, April 28th. We hope, some more of you will help us welcome them.

INSTANCE WHERE, the new

community building is being put to good use. Nearly every day we offer thanks to those who voted FOR the bond issue that made it possible. It has done wonderful things for all of Cochran County.

SOME ADVERTISING material the other day about Sesame, the crop that is no longer experimental and can be grown in Cochran County. According to the information in the advertising material, it's good features are that no shattering loss is incurred, if properly handled; a sound market has been developed; it's a quick and cheap crop to grow.

MORE INFORMATION, Homer Thompson will be glad to tell you about it, or you are welcome to check the story of Sesame, a printed booklet, in our office.

FROM CAUSEY, Donnie Beakley and his grandmother were in the office the other day and he's getting along fine. Might perhaps have to have a little skin grafting on his tummy, but after all, he realized he's very fortunate that the burns weren't even worse.

SOME ORGANIZATION around Causey or Portales gets around to commending the big brother for what was really a very fine bit of cool, calm and collected thinking for a 15-year-old. If the world had a lot more quick thinking youngsters like him (and it may well have) we'd sure be not so likely to worry about what's to come of us.

YOU RUN INTO some suddenly grouchy people this week, try to overlook it. We'll probably be one of the grouches. It's income tax time and the tax man has informed us we must cough up some \$425. And us without a penny.

MISERY LOVES company and we're sure there are a lot more of you in the same spot, so we'll grin just as if we'd gone ahead and paid it in full. Hope we're still able to grin when the little man with the leather stachel comes and goes.

OCCURRED IN Brad Stovall's family, when two cousins died within a few days, one the victim of a heart attack, the other from injuries in an auto accident.

CARRIED A LITTLE item a week or so ago about Brad's cousin, L. R. Elkins of San Angelo who had suffered a heart attack. He was getting better. Then, his sister, out in California was killed in an auto accident. When told of the death of his sister, Elkins died immediately.

ITEM OF THAT nature, Mr. Hudson is reported, "about the same" or "a little improved" after having been moved from the hospital to Borger. He remained unconscious, Tuesday of this week.

T. J. SIMPSON is also getting along fine at his home here.

EVERYWHERE this week is the certification from the University of Michigan that the new Salk polio vaccine is proved 85-90 percent efficient.

THE GREATEST news in the field of medicine in the past 30 years anyway. And, since it has been okayed, it will be licensed and it just remains to get the program underway.

WITH ALL THIS, we received a bulletin this week from the Behrens Drug Company, wholesale distributors in this part of the country for Eli Lilly, that the vaccine will be rushed to pharmacies in this area directly.

POINTS OUT that Lilly and Co., manufacturers of the vaccine, remodeled a five story building in anticipation of the program and already have millions of doses of the vaccine stockpiled, ready for delivery.

WILL BE ALLOTTED a certain amount of the vaccine, and two reserve allocations are kept to meet the needs of the government and to meet emergency needs.

VERY, VERY encouraging. Let's hope not too encouraging. Let's hope that everyone who wants this vaccine will be able to receive it very soon. Too long we've had to watch and wait while polio swallowed up the youth of our nation.
