## New Directors of Rodeo Inherit Rugged Problems; Meet This Week

The new directors officially took over the Last Frontier Rodeo Association reins Saturday as they met with the old directors for a final accounting of how things are in a financial way. With the accounting they also inherited a tremendous problem that must be settled before another rodeo can be held.

J. W. McDermott, Ray Griffith and Bill Crane met with the new directors. Outgoing directors Ern Poirado and Lem Chesher were not present.

McDermott said, after the meeting the association is completely out of debt. The rodeo plant has been completely paid for and the association has about \$300 in the bank.

Incoming directors will meet to elect their officers this week and will also appoint the fifth and sixth director that is always named each year. This year's directors are Luke Cole, representing the Lion's Club; J. T. Holloman of the Javelines; Lee Belcher representing the Sheriff's Posse and Don Hoffman of the Roping Club.

The most immediate and pressing problem concerns the lighting of the arena. Plans have been drafted for the old and new directors and anyone who has been associated with the rodeo association long enough to know about the original contract, to meet with the REA officials and ask them to support their original contract, McDermott said.

He pointed out that the difference between having a rodeo and not having one may depend upon the lights.

REA officials have set a minimum bill several times higher than what has been paid and have stipulated it must be paid before the lights can be turned on. Those in the know have estimated the price could not be paid. It's far too high, they say. The rodeo can't pay it without operating at a loss, is their contention.

The same situation prevailed in the softball league setup this year but the league officials solved it by switching to the use of Morton Power and Light service at a considerable savings, thanks to an offer by local manager, Earl Crum. The Softball League could not have operated this year without this help.

Some of the REA men have expressed a desire to work something out and some of the rodeo group have indicated they feel a raise at a reasonable cost is not going to be objectionable.

Another problem cropped up last week when indications were that some in the county favor conducting the rodeo and the proposed fair at the same time. That also would have to be settled before plans on the rodeo can continue.

A SOLUTION CAN BE REACHED . . . In nearly every community there was once, or will come sometime a day when the community is disturbed over the problem of what is being done to give the city a Cemetery, of which they can be proud.

In the older cities of the north and the east, most of these problems have long ago been faced and forgotten. Thus, what seems to us a tremendous problem would have an outsider amazed.

It sometimes seems, the smaller the community, the more important it is to have well supported, well kept cemetery. And yet, those who have faced the problem well know, the smaller the community, the harder it is to secure and keep the support.

Something must be done about our cemetery. In this fact there seems to be little discord. Everyone thinks it, everyone says it. But what should be done, is a far, far different matter. For if ever there was a question in which the answer can reflect vastly different viewpoints, this is one.

## Posse Grabs Another Trophy For 3rd Place

The Cochran County Sheriff's Posse is off and running again. After three straight shows in which they "failed to scratch", the group added another trophy to their collection Friday as third place winners in the Hereford show.

It took approximately 16 riders to pull the trick at Hereford, one spokesman said, considerably under the number usually needed to place in the top three. Half-County's riders captured the top prize.

Cochran County met stiff competition with 16 other entries in the parade. It was their second trophy of the young season.

But the torrential rain, which dropped an average of about an inch of water in the city of Morton, came at such a rapid rate that it came in around windows and glass panes in many houses and business locations. The rain which was measurable fell within a space of about 45 minutes. Continuing rains for another one and one-half hours added another 1.1 of an inch.

The rain started in Morton about 8:00 and the heavy fall continued until about 8:45 p.m.

The Soil Conservation Office gauge registered .98 of an inch. A gauge in the southeast measured the 1.4 and one in the north recorded 1.1 inches.

The heavier part of the shower dwindled to nothing about 4 miles west of town and four miles north. It continued almost to Whiteface in the east in varying amounts and several miles south fields were watered.

There was no available report as to how many farmers would have to replant due to hail and how many would have to replant because the heavy rains washed out the ends of their rows.

At the cemetery, what looked like a veritable flood was just turned into a muddy, well watered field by morning. The ground eagerly drank up most of the excess water.

Overall opinion of most farmers was that it certainly did a lot more good than it did damage.

Adding to the confusion was the fact that the regular Monday fire drill was scheduled just about the time the heaviest winds and rains came. When the blast from the fire whistle went off, many didn't even wait they headed for the storm cellars.

Realizing the confusion it might cause, the alarm sander didn't give the last two blasts and that made matters even worse for those who had no way of knowing were sure two blasts meant that Morton was headed for a tornado.

It's a problem in which we all have a stake. The longer we bicker, the more shameful the disgrace.

Lots in a Lubbock Cemetery won't build Morton, anymore than will petty grievances against County Commissioners, City officials, Cemetery Association officers past or present.

Don't wait until the issue is forced. Get together and pull together, today.

## Another Rain Falls: Inch of Water In Hour

One hundred Cochran Countians, children and adults, heralded the opening of the swimming pool Wednesday by flocking to the pool for their first 1955 swim, despite cloudy skies and slightly breezy weather.

The pool opened under the management of Charlie Painter. He began at once to enroll children and adults into swimming classes which will be started whenever enough are enrolled to make a full class.

Painter said the pool will be open until 8 p.m. evenings until the weather gets hot enough so that residents demand later hours. Admission is the same as last year.

The pool and its filters have been thoroughly cleaned and the pool has been repainted. Lifeguards are on duty at all times.

83 Pay Homage To Dead In Our Memorial Rites

Eighty-three people, including a veteran's color guard and rifle squad composed of American Legion and VFW members, under the command of past-VFW Post Commander Homer Thompson, gathered at the Morton Cemetery Monday morning at 9 a.m. to hear brief Memorial Day services.

Jesse Brookshire, Minister of the Morton Church of Christ spoke of the obligations "we the living" have to remember the dead and of the inspiration that can be obtained from meditating about those who have gone before us.

"The things which are unseen are eternal," Brookshire told the group gathered there. We honor the dead for their influence upon the living, he pointed out. "We have a definite need of leaving ourselves with the unseen world. With proper thinking, memorials and cemeteries can become very valuable properties to us," he said.

He felt that when we pause to pay tribute to those who have gone before us we develop an appreciation for what they did and what they strived to do. He thought that the quietness and solitude of a cemetery visit gave us new hope and bore down the weight of world, life problems we all have. And last, but not least, he pointed out that in our modern day haste of living, when we visit the cemetery we suddenly develop or rekindle a new haste, a haste to reform and to do right because of the constant reminder that life is short.

The site of the services was over the grave of Jack Lytle, son of Mr. and Mrs. Ed Lytle of Morton. Jack was one of Morton's many young men who died in the service of his country.

Immediately following Minister Brookshire's words, the firing squad fired three volleys over the graves and little Robert Thompson sounded taps.

The members of the local veteran's organizations then placed poppies wreaths on the graves of Morton's ex-servicemen.

Methodists Open Vacation School Monday, June 6

The Vacation Church School of the Methodist Church will begin June 6th and close on June 17th. The school will be held from 3 to 5 p.m. this year. All children from the ages of 4 to 14 are urged to attend.

The teachers and assistants are Mesdames Willard Henry, Woodrow Cunningham, C. H. Silvers, W. J. Waltrip, N. H. Steed, Sr., Leon Stinson, Robert Cross, McAnnelly. The primary teachers include Mesdames Buck Freeland D. E. Benham, Don Hoffman, Ed Newman, Richard Key, and Mary Ruth DeBord.

## Swimming Pool Opens

Stanley Bowers, Whiteface Grocer Died Monday

WHITEFACE (Sp.) - Funeral services for Stanley A. Bowers 53-year-old Whiteface grocer and former Lubbock resident were conducted in Lubbock, Tuesday at 3 p.m. at the First Methodist Church.

The middle-aged Whiteface man had suffered a heart attack only recently and was hospitalized in the Methodist Hospital at Lubbock.

Dr. J. Chess Lovern, pastor and Rev. E. H. Crandall, Methodist minister officiated at the final rites. Burial followed in the City of Lubbock Cemetery under the direction of the Sanders Funeral Home.

Bowers formerly operated a grocery in Bledsoe and at one time lived in Plains and Lubbock. He had operated the Red and White Grocery at Whiteface for the past three years.

He was a 32nd degree Mason, member of the Scottish Rite and also a Shriner.

Surviving him are his wife, two sons Bob G. of Lubbock and Stanley of Whiteface; one daughter, Mrs. Ray Showalter of Whiteface; one step-daughter, Mrs. Mary Casey of Whiteface; three sisters, Mrs. Johnnie Goldwater, Lubbock, Mrs. Raymond Myers, Ft. Worth, and Mrs. C. D. Thornton, Houston, and one brother, U. Bowers of Lubbock.

Palmetto Polo Sunday Afternoon At Rodeo Arena

The first regularly scheduled league Palmetto Polo match will be played in Morton Sunday when one of seven other teams in the Brownfield area polo league will come to Morton to test the strength of the newly formed Cochran County Sheriff Posse Palmetto Polo team.

The opposition will be furnished by the Dawson County Sheriff Posse team and the scene of the event will be the Last Frontier Rodeo arena, northeast of Morton.

Morton's team will return the match at Lamesa at the Old Settlers reunion on July 4th.

T. J. Simpson and J. T. Holloman, representing the Cochran County Posse, went to a meeting in Brownfield Monday night and took part in the formation of the 8-city league. One director will be appointed from each posse and winner in the district competition this summer will then play winners of another district. Eventually a state champion will be named.

Comprising the league, in addition to the Cochran County Sheriff Posse of Morton and the Dawson County Sheriff Posse of Lamesa, are a Lovington team, a team from the Slaton Riders, Hale County Posse of Plainview, the Lubbock County Posse of Lubbock, the Terry County Posse of Brownfield and the Lynn County Posse of Tahoka.

Each posse will play 14 games, two against each opposing team and the total points scored in the two games will be used to name the winner.

Local FHA Offices Close from June 6 thru June 8

The Farmers Home Administration offices here will close Monday, 6, 7, and 8 to allow office personnel to attend a district meeting scheduled at Amarillo, it was announced this week by Robert Cross, county supervisor.

## Travelogue Is Program, Friday At Auditorium

Mrs. J. B. Casey, for the past several years a resident of Manila in the Philippines, will give a travelogue on life and customs in the Philippines Friday night, at 8 p.m. at the Cochran County Auditorium.

Speaking and showing slides and displaying native costumes under the auspices of the 1936 Study Club, Mrs. Casey is a sister of Mrs. L. F. Hargrove of Morton and a daughter of Mrs. Elizabeth Greer, also of this city.

Mrs. Casey's husband is with the "Islands of America" staff in the "Voice" and will return to his job for another two year stay, in the near future.

Tickets are on sale by club members and at the door. The Club is earmarking profits for the Cemetery Fund.

Everyone is cordially invited to attend.

Final Rites for Mrs. Ellen Weaks Held Monday

Mrs. Ellen D. Weaks, 82-year-old mother of Clyde Weaks and Joe Weaks of Morton died at her home in Lubbock Saturday evening and was buried in Lubbock Monday, following funeral services at the Central Baptist Church of Lubbock.

A resident of Lubbock for 38 years, she was preceded in death by her husband in 1948. Five other sons and two daughters survive.

Rev. Austin Steadman officiated at the funeral services and burial was in Memorial Park Cemetery under the direction of the Sanders Funeral Home. The grandsons were pallbearers. Mrs. Weaks had been ill several months.

Survivors, in addition to the sons of Morton, are: Leo of Kellogg, Idaho; Preston and John of Crosbyton; and Paris and W. E. of Lubbock, the other sons, and the daughters, Mrs. Steve Hyatt and Mrs. Ruby Stevenson of Lubbock. A brother, Omar Sullivan of Portales and a sister, Mrs. Sally Osborn of Canyon also survive.

Mrs. M. Jackson Died Saturday; Services, Monday

Last rites were held in Morton, Monday afternoon at 2:30 at the First Methodist Church for Mrs. Maggie Jackson, 82-year-old Morton resident who died at her home Saturday morning.

Rev. S. Frank Weir officiated at the services of the long time Morton resident who had been ill for about a year. She'd been a long time member of the Morton First Methodist Church.

Margaret Sims Jackson was born, February 17, 1873 near Ft. Payne, Alabama. She married James Marion Jackson, February 20, 1890 and moved to Wood County Texas in 1893.

In the early days of this territory and of this County, her home was always opened to pioneer preachers who were touring the area.

## Brother Dies In Okla. Hospital

Funeral services were held in Littlefield, Friday, at the First Methodist Church at 2 p.m. for John W. Wood, 61, brother of T. H. Wood of Morton.

The Littlefield man died Wednesday in a Clinton, Oklahoma hospital after suffering a heart attack earlier in the week. He was visiting a sister at Weatherford, Okla.

A resident of Littlefield for 30 years, he is survived by his wife, a daughter, three sisters and a grandson in addition to the brother of Morton. Burial was in the Littlefield Cemetery.

MOVE TO HEREFORD

Mr. and Mrs. Perry Demere and daughters went to San Angelo over the weekend preparatory to moving to Hereford where Demere will go to work for the Hereford Brand, as a linotype operator. They plan to move this weekend.

Alexander Held On Burglary Count

Walter Charles Alexander, 43-year-old of Lubbock, former Motonite, was being held in lieu of a \$2,000 peace bond at Lubbock, Tuesday on a charge of burglary after reportedly being "caught in the act" of burglarizing the James Service Station.

Alexander was out on bond following his conviction in Morton last year, and subsequent appeal can be found in today's Tribune. Classified section.

Harris' Opened Fruit Stand

Mr. and Mrs. James Harris, formerly of Hereford, have opened their new business, the Morton Fruit Stand, located across the street east of Mahan Motor Co.

Featuring fresh vegetables being trucked in each Tuesday and Friday evening, the Harris' have invited everyone to stop by and get acquainted. Their opening specials can be found in today's Tribune. Classified section.

The Harris' have three children, term on that count.

Sprinkler Put In Action On Cemetery Grounds

A sprinkler system was placed in action Monday at the local cemetery. Installation was under the direction of Lorin Distributing Co. (See CEMETERY, page five)

POSSE TO RIDE AT SLATON, FRIDAY

The Cochran County Sheriff Posse will be after another trophy at Slaton, Friday at their annual rodeo there. Fresh from capturing a third place at Hereford, the local riders have a little added advantage in pulling out the local riders.

## Lubbock Men Charged With Abduction

Three Lubbock men are being held, one in Levelland and two in Phoenix, Arizona on charges of abducting two Morton women, one minor, Monday night.

The two in Phoenix are to be returned to Morton sometime today or tomorrow.

The men are Earnest Eljer, Kenneth Riley and Charles Stephenson, ages not listed. Stephenson is in the jail at Levelland after having been apprehended by Morton officers.

The episode began when the men picked up the Morton women around town, according to the story of one of the women who left them. Rosewell, reported to authorities when she came back to Lubbock by bus and caught a ride with friends at Morton. Stephenson also left her at Roswell and hitch-hiked back to Lubbock.

The other two men and a 17-year old minor went on to Phoenix where they were picked up.

POSSE TO RIDE AT SLATON, FRIDAY

The Cochran County Sheriff Posse will be after another trophy at Slaton, Friday at their annual rodeo there. Fresh from capturing a third place at Hereford, the local riders have a little added advantage in pulling out the local riders.

All Pony League ball players, 14 years of age, are to report to the Softball Park tonight at 8 p.m.

W. W. Williamson Appointed To Bank Committee

W. W. Williamson, president of The First State Bank of Morton has been appointed a member of the State Bank Committee he was notified this week by letter from William A. Philippott, Jr., secretary of the organization.

Williamson told the Tribune Tuesday, the office is one in which committee members are asked to help boost practices which are supported by the State Bank and are asked to give opinions on proposed banking legislation, etc.

"Your selection to serve on this committee," Philippott wrote, "met with the unanimous approval of our administrative Council. With such sound bankers making up the personnel of TBA Committees," he continued, "the achievements of President Garrett's (the organization's president) administration are made certain. We hope you'll accept this assignment."

Methodists Open Vacation School Monday, June 6

The Vacation Church School of the Methodist Church will begin June 6th and close on June 17th. The school will be held from 3 to 5 p.m. this year. All children from the ages of 4 to 14 are urged to attend.

# Highlights and Sidelights FROM Your State CAPITOL

By Vern Sanford  
AUSTIN, Texas — It's amazing how quickly pennies can grow into millions of dollars.

See, it is with pennies that Texas is solving its financial problem.

Big discussion of the week has been the proposed two cents increase in gasoline taxes. Right here, that big topic has been the increase in cigarette taxes and the hike to 1c per bottle (\$1.30 per barrel) in beer taxes.

With these topics before them, the Legislators came back almost to where they started — namely Gov. Allan Shivers' original tax recommendations. Tossed out by the Senators, after many hearings on numerous phases of taxation, were virtually all other tax proposals.

When the tax bill bogged down in the Senate, Governor Shivers threw in a surprise strategy move.

By message, he told the House and Senate — now working with pay — that if they wanted to end this session, he would call them back in a special session when they could be paid \$25 a day.

Gov. Ben Ramsey and Speaker Jim Lindsey at once recognized that the session could complete the tax code, unblock the billion and a half dollar appropriation bill, and finish its job.

Filibuster Record Busted  
For the third time during the 1933 Legislative session, a new milestone mark was established by

has received more rain this year than it did throughout 1934.

Recent almost statewide rains have changed Texas' crop outlook from "dismal failure" to "fairly good" according to Agricultural Commissioner John C. White. Rain came too late to help the wheat and oats, says White, but benefits to pasturelands were rated "excellent". He pointed out the need for a normal amount of moisture the rest of the year.

Probe in Senate  
Lack of information prompted them to approve veterans land deals as a matter of routine. So said two state officials testifying in the Senate phase of the Land Office investigations.

State Comptroller Robert S. Calvert and State Auditor C. H. Cavness were the witnesses.

Cavness showed a form used by Giles to request funds for loans. Bearing the seal of the land board, the form carried no signature other than Giles'.

"Nothing came to us to cause us to have any suspicions," Cavness said, adding that he had assumed the deals had been approved by a majority of the three-member board.

Governor Shivers and Atty. Gen. John Ben Shepperd recently have made affidavits to the effect that they were absent from board meetings on certain dates when the minutes cited that they were present.

From San Antonio, the district attorney's office announced it was demanding the maximum 10-year prison term for Giles, in his scheduled trial on charges of accepting a \$30,000 bribe. Also that C. V. Wynn and Arthur McKenzie of San Antonio, charged with offering the bribe, would "turn state's evidence" against Giles.

Week-end discussion of a further postponement of the trial was based on the reported employment of an unnamed member of the Legislature as counsel. This is automatic grounds for continuance until 30 days after adjournment of the Legislature.

Short Snorts  
Venue in the future income tax trial of George B. Parr, political boss of the Duval County area, has been transferred to Austin.

Sen. William H. Moore of Bryan has pending in the Senate a resolution to investigate Southwest Commerce athletic recruiting following accusations against A&M College.

A Senate committee struck from the House-passed "unfair sales" bill authority for a trade association to sue a merchant for selling goods below cost. Sponsors said they wanted that provision because an individual merchant might hesitate to sue — and give housewives the idea he was trying to keep them from buying as cheaply as possible.

Cuts in allowable oil production, made by the Railroad Commis-

The Great "Liberator"

sion, whittled the State's prospective revenue from oil. June allowable was cut 64,820 barrels daily, and July 67,219.

The Senate joined the House in passing Rep. Dulph Briscoe's stringent bill regulating veterans' land sales and outlawing block deals. Briscoe's constitutional amendment replaces the Governor and Attorney General as Veterans Land Board members. Two appointive members would serve with the land commissioner.

## Know Your Government . . . REPORT FROM AUSTIN

This week has been one of the most unproductive weeks of the entire Session as far as real accomplishments are concerned. The Senate has become embroiled in another filibuster, which has consumed two full days of the Senate's time. The filibuster delayed consideration of HB 669 by the Senate Committee. House Bill 669, as you probably know, is the Tax Bill which was passed by the House about two weeks ago, and has been before the Senate State Affairs Committee for hearings and consideration. Under the rules of the Senate, which are the same as in the House in this respect, no committee can meet (without unanimous consent) while the Senate is in session. So the result was that the Senate Committee was delayed two days in getting down to serious consideration of the Tax Bill.

This latest filibuster was conducted by no other than our own Senator Kilmer Corbin of Lubbock. I can say frankly that all members of the House from our area have been embarrassed by the antics of our Senator. He has not only embarrassed the House members from his area, but he has also written a serry page in the legislative records, and has placed a black mark against our area. If his reasons for the filibuster had been sincere, one could excuse him for it, but he obtained the floor to speak against SJR 1, which is the constitutional amendment resolution which would submit to the people the question as to whether or not they wanted to authorize a 100 million dollar bond issue to be used for the development of water conservation projects on the rivers of this State. You will remember that I have strenuously opposed this SJR 1, and spoke against it when it passed the House several weeks ago. You will remember also that the House substituted a water user's tax to replace the 3c per hundred dollar valuation ad valorem tax as was provided in the original SJR 1 as it was introduced and passed in the Senate on March 22nd. After it was amended by the House to provide for the substitution of the water user's tax for the ad valorem levy, and amended further by the House to provide that the six-man board would be elected by the people instead of being appointed by the Governor, then it went to a conference committee composed of five members from the House and five members from the Senate. This conference committee rewrote the resolution so as to make the resolution exactly the same as it was when originally introduced in the Senate, except for a few minor changes. But the conference report provided for the 100 million dollar bond issue, the 3c per hundred dollars ad valorem tax and the six-man appointive committee, so I say, for all practical purposes, that the conference committee's resolution was the same resolution as was the original SJR 1. I was against the provisions of this resolution when we had it before the House two weeks ago, and I shall oppose adoption of the conference committee report and intend to speak against it. My reasons are that I think a 100 million dollar fund in the hands of an appointive board might invite the biggest political scandal this State has ever experienced. I certainly would have no fear of any appointments to the Board which our present Governor might make, for he has a perfect record, as far as I know, of always appointing men of the highest caliber to State boards and Commissions since he has been the

thought it was a good thing then, or either was not paying attention to what was going on. Any way the fact remains and the Record shows that he voted FOR SJR 1. Now, he comes along, some two months later and says that he thinks SJR 1 is bad legislation. Yes, he conducts a filibuster, which he says is in protest against such terrible legislation, yet as soon as he had held the floor a few minutes longer than Senator Waggoner did when he filibustered a few weeks ago, he sat down satisfied that he had saved West Texas from this terrible amendment resolution. Even though the delay which he had caused by the filibuster had cost the State of Texas at least \$25,000.00, he still says that he has done his district a great service. How much influence did his 28 hours and 15 minutes have on the other Senators? Well, I think the answer was given by the Senate this morning when they approved the conference committee report by something like 23 to 4, so it looks like the Senator's influence is somewhat limited, and that the State's \$25,000.00 is just plain wasted. The Senator seems to be in a rather awkward position in that he voted FOR the resolution when it was originally passed by the Senate, and then some 60 days later becomes the world's champion filibuster (whatever that may be worth) because he says he is against it. I am wondering if the Senator is really interested in the welfare of the people of his district as much as becoming the world's champion filibuster, with the publicity that goes with such dubious honor. I am willing to leave that question to you.

The rules of our United States and our own State Senate, which permit such filibusters, should be changed in my opinion. There have been very few instances in the history of our country when the use of the filibuster made any real contribution to the welfare of the people or to the country. It is an outmoded legislative device, which I think has become a vehicle on which politicians ride in order that they may be seen by the people. I know of no recent filibusters which have, in my opinion, made any real contribution to the welfare of our country. Privately most Senators will fess and fume about filibusters, when they are being conducted by the other fellow, but will jealously guard the device for they think that they might possibly want to use it sometime themselves. The truth is, however, that the device is rarely ever used by a Senator who is really working for the best interests of his state and nation. It is usually used only by those few who seek newspaper publicity, and who are interested primarily in themselves and their political future. I am glad that we have a twenty-minute debate limitation in the House. If the 150 Members of the House could filibuster, I fear that very little could ever be accomplished.

The end of the Session is not in sight. The filibuster in the Senate and the further fact that it seems hard to find anyone who wants to be taxed, makes the date of final adjournment very uncertain. It looks to me like another two weeks at least. Some of the Members are becoming very restless since their pay has stopped, but I take the position that since the Legislature itself proposed the constitutional amendment which provided that our pay should be \$25.00 per day for the first 120 days, and then nothing thereafter, that we should all be willing to stay as long as is necessary to solve the problems of our State. The Tax Bill is the key. We must levy some more taxes before we can pass the General Appropriation Bill, which runs considerably more than will be available for expenditure without additional taxes. I think we should stay here and finish the job and not have to come back for Special Session. Many members want to adjourn

get paid, I appreciate the position of some of the Members for whom it is a real sacrifice to stay here without pay, yet I think that we promised the people that we would either do our job in 120 days, or work some overtime without pay. The Governor has indicated that if the Members decide that they would rather have a Special Session with pay than to stay a little while longer without pay, then he would call a Special Session. Personally, I think that if we would get down to doing our job, that we could finish up in two weeks at the outside, and I am going to propose a sine die adjournment resolution at this time. All we need to do is to stop the filibusters and other unnecessary delay tactics and get down to the business of State in earnest, finish our job and go home. The people at home will help too by realizing the help that

## Ask Your Preacher

where the Bible tells that inspired men ever invited alien sinners to the altar to pray for salvation. This practice is very general in religious circles today, and perhaps is practiced in the church where you worship. You are well acquainted with your preacher, and if the apostles instructed man to do such, surely your preacher can show it to you in your Bible. So just go to him in a friendly sort of way and ask him where alien sinners were told to pray that they might thus be saved. Don't hesitate to ask him, surely he will feel honored that you come to him for Bible information.

I read in the Bible of an alien sinner being engaged in prayer, when a Heaven-sent man came to him to tell him what to do. A case of this kind is found in Acts 22. Saul, who had been one of the worst enemies of Christianity, had been convinced of the error of his ways. He inquired of the Lord, on the Damascus road as to what he must do. Jesus told him to go into the city and there it would be told him what he must do. So he went to the city and while waiting for that information he was engaged in prayer. (No one told him to pray.) Ananias came to tell Saul what God would have him do, and found him engaged in prayer. He did not tell him to "pray on" as many preachers will do today. He was to tell him what God wanted done. So he stopped the prayer. He did say "And now why tarriest thou? Arise, and be baptized, and wash away thy sins, calling on the name of the Lord." (Acts 22:16). To arise, means "to get up." So Ananias told Saul to get up from his praying and do something else.

In Acts the second chapter a great multitude of sinners were condemned by the preaching of the apostle Peter. When they asked him and the rest of the apostles: "Men and brethren, what shall we do?" (Acts 2:37). I do know that it would have been a good time for these inspired men to tell them to pray through to salvation, but according to your Bible, that is not what they said. Your Bible reads: "Repent and be baptized, everyone of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Spirit." (Acts 2:38). So instead of their being told to come to the altar of prayer, they were told to "repent and be baptized for the remission of sins."

Jesus said: "Not every one that saith unto me, Lord, Lord, shall enter the kingdom of Heaven; but he that doeth the will of my Father which is in Heaven." (Mat. 7:21)

None of these statements resemble the religious practices of men who invite alien sinners to the altar to pray for salvation.

So I am just wondering if your preacher knows where inspired men ever followed a course like that.

**"YOUR BUSINESS APPRECIATED"**

Headlines..

By Eddie Irwin

WE WERE ESPECIALLY glad

to note that Connie Carter, hard working son of school custodian B. Carter received a \$100 scholarship in the awards out at the school commencement last week.

JUST MISSED Salutorian

honors, which also carry a scholarship, by a few grade points and the scholarship award came as a kind of surprise.

THERE'S MUCH can be done

about our fire protection in Morton for a little while. City's talking about installing some time clocks for the nightwatchman to check for the city is spending much money installing fire hydrants in the new water line construction. But as for the fire trucks, etc., it takes a lot of money

and, that'll probably have to wait until next year.

WED FIGURED the city was

in pretty fair shape as far as fire protection was concerned. But the fire at Hub's and a couple more that gave us quite a fire loss, which will no doubt bring up our fire insurance rate a little, coupled with the report the city got back from insurance inspectors, doesn't make the picture look very pretty.

SEEN THE LETTER, but

stan both the fibbons on the City got one and they're not too well pleased with the content of our trucks, hoses, etc. We have some fire hose on order, not enough to cut our rate down but it all helps.

WHEN YOU CONSIDER the

strides taken by the City in the past. They've accomplished a lot and they've spent a lot of money. Some of it, no doubt, should have been spent in years gone by.

MISTAKES WE had listed in

the paper that the Negro school would be out on the 27th in Morton and it seems that we were misinformed. It was out a week earlier and the Commencement was held on the 20th according to Mrs. Lulu Blandford, they had a real fine school year and something new and better is going to be available next year, if present plans are carried out.

MORTON NEGROS come of

high school age and they, together with the three we already had will go to Levelland to school. As you may or may not have known, we have no provisions for a high school in Morton for the Negro children and they've been under a slight handicap trying to teach them and the grade school and Junior high.

CHILDREN WILL be driven to

Levelland each day by bus and Levelland has a real fine Negro school where these high school children will be more than welcome.

IT MAY OR MAY NOT appeal

to the general public, stamps, the savings kind, are fixin' to leave the scene of Morton's laundries. Local laundrymen got together this week and announced, effective June 15th, no more savings stamps will be offered by their business establishments.

THEY OBSERVE, has been the

tremendous cost of the stamps. Just can't afford 'em one of the laundrymen said.

THOROUGHLY around the

grounds, Simpson began to find people who had seen Bonnie. One man spotted her near the cemetery. Another noticed her west of the cemetery. Still another had seen her near the caliche pit on highway 290, west of Morton.

AFTER HED' ORIGINALLY

turned her out to graze, T. J. found Bonnie penned up at a farmer's place about five miles south and west of Morton. She'd been penned up about two hours. In just about an hour's time T. J. figured she ran nearly 14 miles. He hasn't yet figured out what scared her.

THE 1936 STUDY CLUB

sponsored traveltogue, Friday night, if you're looking for a different type of program. Most of the discussion, slides, etc. will be centered around life in the Philippines.

SERIES OF IDEAS on what is

causing so many dog poisonings around here is that some farmers may have left some dead chickens lying around that had been treated with nux vomica or copperas, two preparations that are used as tonics for chickens but which would be very poisonous to a dog.

THAT'S WHAT one dog that

was poisoned got a hold of. Seems that the preparations contain some small quantities of poison. Anyone using it, certainly should be careful about leaving it around or leaving dead chickens around that have been fed the preparations.

OF THIS, the lady who wrote

a letter to the editor a few weeks ago about her dog being poisoned, might be able to replace that dog if she'd leave her address. One woman called in to find out where she lived so that they could replace the dog with a collie pup.

NICE PROGRAM out at the

cemetery on Memorial Day Monday morning. The crowds still weren't what they should be but the South Plains never has been very strong for placing much importance on the observance of Memorial Day.

ONLY A HANDFUL of business-

es that even closed during the Memorial services and we know of only the bank, the county offices and the Post office that closed all day long.

ONE OF THESE days, perhaps

next year, most of the area towns are going to follow the lead of Lubbock and close up shop during the holiday.

HADN'T HEARD this Little

League business is really catching on fast. It's caused a lot of commotion and excitement and when the boys fell out for practice Monday, there was a real swarm of youngsters on hand.

A BOY WHO is still not

enrolled, there may be still time to get him started but you'll have to move fast. Saturday will more than likely be too late. Get him out to the softball park at 5 p.m. tonight if he's going to want to play Little League ball in Morton this summer.

TO ROY TARVER, Jr. who

with this issue officially becomes a Morton merchant. Roy Jr. has always been fond of Morton and its people and we always felt he'd some day come back to Morton to go into business. This week, Saturday in fact, he opens his furniture store on the north side of the square.

BOTH HE AND Ray's Hard-

ware are having a big drawing on Dollar Day, so don't forget to drop by both places and register for the awards.

THINK THOSE rains have

helped, look around at the crops in the county. There's some corn, and some cotton, and several other crops that seem to be coming along just fine. Last year at this time things weren't looking nearly so good.

TWO OF OUR fine citizens

have agreed to take the ball on the County Fair and get it rolling. We won't name them until an official announcement comes out, but if the first rumors are true, we feel like the success of the Fair is al-

ready be a baseball fan. For

there is no substitute for the all around hustle these kids offer in their games.

HOW FAR A HORSE could

go if it was turned loose and not watched for about three hours? T. J. Simpson never did, until Saturday. Then he turned his horse "Bonnie" out to graze at the rodeo grounds. About an hour later he went back and his horse was nowhere to be seen.

REPORT WE'VE gotten is

four inches on a farm just southwest of Morton and next door, their gauge registered 2. So you can well see it was the most spotted rain we've received in a long time. It would be, due to the peculiarity of the storm, almost impossible to total the damage without spending the time to visit each and every farm in the area.

ENOCHS HOMEMAKERS

WITH MRS. BOYDSTUN MEET IN LUBBOCK

The Enochs Homemakers club met with Mrs. J. S. Boydston of Lubbock as hostess. We visited "The Serenaders" program at 12:30 on KCBD-TV. It was one of the members birthday, Mrs. C. W. Van so they serenaded her with the birth-day song. We had lunch of barbecued chicken with all the so they serenaded her with the lovely new home of the hostess. At three o'clock we visited the "Recipe Roundup" on KDUB-TV. We made a sight-seeing tour of the town to see some of the beautiful new homes and pretty yards. We journeyed back to the home of the hostess where she served refreshments of delicious cake and ice cream to Mrs. C. W. Van, Mrs. L. G. Harris, Mrs. L. J. Jones and the hostess. The next meeting will be June 9th at the home of Mrs. M. J. Gibson. While in Lubbock, the ladies purchased 22 more Evergreen trees for the Enochs Cemetery.

ON VACATION

Mr. and Mrs. M. L. Doyle and daughter left Thursday night for Oklahoma City where they will spend a few days with a daughter and family before a short trip to Lake Texhoma. They expect to be gone about one week.

Jaycees Discuss Cemetery Problem

With Mayor J. C. Reynolds as their guest, invited to attend the meeting to clarify the various problems in the present cemetery association program, the Morton Jaycees discussed the situation at their luncheon meeting Monday and promised the mayor their wholehearted support to get something worked out.

Mayor Reynolds responded, by saying that he couldn't promise what will be done but he was sure that everyone was working toward the best solution to the problem and he would do all he could to see that whatever needs to be done, gets done.

The cemetery discussion was the only major topic discussed by the Jaycees, two of whose members were elected to positions on the Cemetery Association. The group dismissed a few minutes early to make a trip to the cemetery and see what has been done.

Also discussed briefly were a letter from the Blackwood Brothers, advising they will try to work out a fall re-booking for Morton and the need for another City of Morton dog inoculation program this summer.

TO HOSPITAL AGAIN

Rev. Ollie S. Robinson left Sunday at noon, by air for John S. Sealey Hospital and Clinic where he is to undergo a series of tests.

Government . . .

(Continued from page two) of the Legislature in passing a tax bill for you simply cannot pass a tax bill which will not hurt anyone. Somebody has to pay the cost of government, and we cannot continue to raise our tax monies by adding more taxes on those who are already paying most of the cost of government. I hope that all of us will give serious thought to this suggestion and try to realize fully the hard task before the Legislature. We cannot shut our eyes to the needs of our colleges, public schools, state hospitals and special

LEGAL NOTICE NO. 68 To any Sheriff or any Constable within the State of Texas— GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Cochran County, Texas, the accompanying citation of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

O FRANK L. HALL, Defendant,

Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Cochran County at the Courthouse thereof, in Morton, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 11th day of July A.D. 1955, to Plaintiff's Petition filed in said court, on the 23 day of May A.D. 1955, in this cause, numbered 1072 on the docket of said court and styled Barbara Jeffries Hall, Plaintiff, vs. Frank L. Hall, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: This is an action by the plaintiff Barbara Jeffries Hall, against the defendant Frank L. Hall wherein the plaintiff sues the defendant for a divorce and restoration of her maiden name, and as grounds for such action the plaintiff alleges that defendant was incapable of entering into a marriage contract by reason of the fact that he was not legally divorced from a former wife, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and make due return as the law directs. Issued and given under my hand and the seal of said court at Morton, Texas, this 25th day of May A.D. 1955.

Attest: Mrs. Lee Taylor Clerk District Court Cochran County, Texas (SEAL) 12-4 to

NOTICE OF BOARD OF EQUALIZATION MEETING In obedience to the order of the Board of Equalization, regularly hereby given that said Board of Equalization will be in Session at its regular meeting place in the Court House in the town of Morton, Cochran County, Texas, at 10:00 o'clock A.M. on Tuesday the 28th day of June, 1955, for the purpose

of determining, fixing and equalizing the value of any and all taxable property situated in Cochran County, Texas, for taxable purposes for the year 1955, and any and all persons interested or having business with said Board are hereby notified to be present.

Mrs. Lee Taylor County Clerk, Cochran County, Texas Cochran County, Morton, Texas. 1 day of June, 1955. 13-1tc

LEGAL NO. 65 THE STATE OF TEXAS COUNTY OF COCHRAN

To any Sheriff or any Constable within the State of Texas— GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Cochran County, Texas, the accompanying citation of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: EDWARD A. HAND, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable DISTRICT COURT OF COCHRAN County at the Court house thereof, in MORTON Texas by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of JUNE A.D. 1955, to Plaintiff's Petition filed in said court, on the 1st day of September A.D. 1954 in this cause, numbered 1033 on the docket of said court and styled DONNIE HAND, plaintiff vs. EDWARD A. HAND, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: This is an action by the plaintiff Donnie Hand, against the defendant Edward A. Hand wherein the said Plaintiff sues Defendant for a divorce, for custody of their minor child, James Hand, and for reasonable support and maintenance for said minor child, and as grounds for such action the plaintiff alleges cruel treatment, neglect and non-support on the part of the defendant which renders their further living together insupportable; as is more fully set out in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and make due return as the law directs. Issued and given under my hand and the seal of said court at Morton, Texas, this 22nd day of April A.D. 1955.

Attest: Mrs. Lee Taylor Clerk, DISTRICT Court of COCHRAN County, Texas (SEAL)

FREEZING PINEAPPLE Now that pineapples are coming on the market in pleasing numbers, thrifty homemakers will take advantage of the plentiful supply to freeze some for future use.

Pineapples are easy to freeze: Wash, peel and slice. Remove cores. Leave in slices, crush, or cut in chunks. Cover with cold syrup using 2 cups sugar to 4 cups juice and water; or sprinkle sugar over pineapple in enamel pan before packing; or freeze without sugar. Seal and freeze immediately.

Bulletin No. 175, "Frozen Foods", has directions for freezing other foods.

JOHN NEWS A joint camp for 4-H Club boys and girls in District 2 is being held in Lubbock, May 31, June 1 and 2. This is the first time a joint camp has been held on a district wide basis in this district. Extension Agents, Adult Leaders, six girls and six boys are planning to go from this county.

Mrs. Richard Key and Mrs. C. R. Melton are the adult leaders who will accompany the girls. The 4-H Club girls attending are Mary Ann Smith and Laquita Todd from Whiteface; Patsy Webb from Bied, soe; Dixie Lovelace, Brenda Brotherton and Sharon Melton from Morton.

This is a Conservation Camp. Class periods will be held in Soil Conservation and Wildlife. Other activities will be Leadership, Recreation and Relationships. Each club member will write a short story on "My Trip to Conservation Camp" at the last camp session.

INSECT CONTROL Cut worms may be controlled by sprinkling 5% DDT powder around the plants, working into the ground with a rake, then leave a dust on top of the ground around the plants.

H-D Council Entertains Comm. Court The Cochran County Home Demonstration Council entertained the Commissioner's Court last Friday evening with a chicken supper at the Cochran County Activities Building.

The welcoming talk was given by Retha Riley. The response came from Judge Fred Stockdale.

The club's extension work was explained by Mrs. Aubrey Russell, of Lubbock, District Agent. Each club president gave a report of her club's activities for the past year and their plans for the future.

Mrs. G. C. Keith, president of the Council gave a short talk and Homer Thompson, County Agent, also spoke. Miss Petty, HD Agent was unable to attend.

The evening closed with a movie entitled, "America The Beautiful." Families represented at the meeting were: Mr. and Mrs. W. B. Barnett, Mr. and Mrs. G. C. Keith, and Mr. and Mrs. Clark of Whiteface; Mr. and Mrs. Charles Sanders and Mr. and Mrs. Loyd Wemkin of Lehman; Mrs. Bernard Nebhut, Mr. and Mrs. H. T. Gardner, Mr. and Mrs. Woodrow Self and Mr. and Mrs. Dexter Nebhut of Morton; Mr. and Mrs. Gene Benham, Mr. and Mrs. Vernon Blackley, and Mr. and Mrs. Virgil Riley of County Line and Mr. and Mrs. Homer Hudson, Mr. and Mrs. Fred Stockdale and Mrs. Aubrey Russell, special guests.

VISIT RELATIVES HERE Mr. and Mrs. Coen Craft and children of Lampasas spent Tuesday and Wednesday visiting in the homes of John Holloman, John E. Holloman, Ran Holloman and J. T. Holloman. Craft is a nephew of Mrs. John A. Holloman.

H-D Council Entertains Comm. Court The Cochran County Home Demonstration Council entertained the Commissioner's Court last Friday evening with a chicken supper at the Cochran County Activities Building.

The welcoming talk was given by Retha Riley. The response came from Judge Fred Stockdale.

The club's extension work was explained by Mrs. Aubrey Russell, of Lubbock, District Agent. Each club president gave a report of her club's activities for the past year and their plans for the future.

Mrs. G. C. Keith, president of the Council gave a short talk and Homer Thompson, County Agent, also spoke. Miss Petty, HD Agent was unable to attend.

The evening closed with a movie entitled, "America The Beautiful." Families represented at the meeting were: Mr. and Mrs. W. B. Barnett, Mr. and Mrs. G. C. Keith, and Mr. and Mrs. Clark of Whiteface; Mr. and Mrs. Charles Sanders and Mr. and Mrs. Loyd Wemkin of Lehman; Mrs. Bernard Nebhut, Mr. and Mrs. H. T. Gardner, Mr. and Mrs. Woodrow Self and Mr. and Mrs. Dexter Nebhut of Morton; Mr. and Mrs. Gene Benham, Mr. and Mrs. Vernon Blackley, and Mr. and Mrs. Virgil Riley of County Line and Mr. and Mrs. Homer Hudson, Mr. and Mrs. Fred Stockdale and Mrs. Aubrey Russell, special guests.

VISIT RELATIVES HERE Mr. and Mrs. Coen Craft and children of Lampasas spent Tuesday and Wednesday visiting in the homes of John Holloman, John E. Holloman, Ran Holloman and J. T. Holloman. Craft is a nephew of Mrs. John A. Holloman.

**L'ALLEGROS INSTALL 1955-56 OFFICERS**

Mrs. Truman Doss hosted the L'Allegro study club for installation of officers at her home May 20th. Assisting Mrs. Doss as hostesses were Mrs. Robert Cross, Bill Proctor, Bob Dunham. A hort business meeting was conducted by Mrs. Tom Rowden. Mrs. Wayne Walthall read the club history, and Mrs. Bob Dunham gave yearly financial report. Mrs. LeRoy Johnson, outgoing president of Town and Country study club installed the officers in an impressive ceremony. She used an artist easel explaining that the president was the artist and by careful planning could paint a lovely and useful picture by using each color on the case. These colors represented each officer. She explained the significance of her color and how she should add to the painting. The officers were installed: President Mrs. T. A. Rowland; 1st vice president; Mrs. Robert Cross, second vice president; Mrs. Wayne Walthall secretary; Mrs. Bill Proctor; Treasurer, Mrs. Van Greene; Corresponding Secretary, Mrs. Svl Greener; Parliamentarian, Mrs. T. K. Williamson; Reporter, Mrs. Charles McDermott; Historian, Mrs. H. B. Barker. After the installation, Mrs. J. B. Casey who has recently returned with her family from the Philippines Islands was introduced by the new president, Mrs. T. A. Rowland. Mrs. Casey gave a most impressive lecture and showed slides of highlights of her stay in Manila.

**"OLD AGE IS A DISEASE"**  
(Author's name below)

For centuries Physicians have known, that what we now consider a ripe old age, is many years short of how long we really should live. Modern research is discovering the cures for some of the diseases that cause "Old Age." Many years have been added to your life expectancy.

A good start is to consult your Physician at the first sign of any illness, before complications take precious days from your life. There are many new Geriatric medicines your Physician can prescribe, that will help you to conquer "Old Age."

**Cemetery . . .**  
(Continued from page One)

Volunteer help came from everywhere. Members of the cemetery association and Jaycees provided help in the installation.

A county maintainer leveled the extreme west and east sections, the area was then disced by Sam Proctor, who cares for the cemetery.

Welding, necessary for installation of the sprinkler system, was done by Raymond Hoffman.

S. M. (Smiley) Monroe, president of the cemetery association, has announced that as quickly as possible grass will be planted on all the area now plowed.

Still short of funds, the association is looking for means to finance their purchases, and numerous clubs have announced projects to raise funds.

On the State and Federal roads 1536 people were killed in 1961. In 1952 the toll was reduced to 1455 dead. In 1953 the figure was 1369 and in 1954 it was 1392. Through March, 1965, the toll was 292 dead and for the same period in 1964 it was 329.

The NFFIP on Salk Vaccine

NEW YORK — In the hope of clarifying the situation with respect to the Salk vaccine, which Basil O'Connor, president of the National Foundation for Infantile Paralysis, said had become unnecessarily involved through a confusion of voices Mr. O'Connor issued today the following statement:

without anyone indicating what it means or what it involves. The National Foundation has no authority to control the distribution of the Salk vaccine. It does, however, know what "control" means and involves because it participated for two polio seasons in the controlled distribution of gamma globulin.

CHIROPRACTORS TO MEET

## Daughter, Son-In-Law of Mrs. Greer, Say "Life In Philippine Has Been Rewarding"

For the John B. Casey family, outstanding value she believes living in Manila, Philippine Islands they have received in their experience.

Mrs. Casey, who will speak of her experiences and show slides in the County Auditorium Friday night, and her husband, recently interviewed at their home in Abilene. They're on leave, from the Philippines where Casey has been and will again be stationed with the Voice of America.

Mrs. Casey, the daughter of Mrs. Elizabeth Greer of Morton and the sister of Mrs. L. F. Hargrove of Morton, has listed a lot of the

(1) A sense of pride on the part of Casey in being employed by the government project, "Voice of America," because he feels that this work is very worthwhile in improving the position of the U. S. in world affairs.

(2) Opportunities of Mrs. Casey, well known here as Betty, to teach square dancing to many people of the Philippines and of other nationalities. (She taught square dancing in Abilene several years.)

(3) Observation of the customs of the Filipinos.

(4) Friendships with numerous well educated and prominent Filipino families.

(5) Chance to travel to other countries, including a round-the-world trip en route home.

(6) Broaden experience of the Caseys' three children in attending school in the Philippines.

The Caseys, who arrived home May 14, will report back to Manila in July, as John has accepted another two-year assignment there

with the "Voice of America."

Rosanne, their 17-year-old daughter, graduated this April from the American School in Manila, the equivalent of a U. S. private school including high school. She will remain in the States to enter some school in this country.

**Sons Back to Manila**  
Benny, 13, and Tommy, 11, the Caseys' sons, will return to Manila with their parents, Benny will be in the eighth grade and Tommy the sixth next term. They attend a missionary school taught by Filipinos and in which the Casey boys are among only six Americans enrolled. The boys have learned to speak tagalog, the Philippine national language.

Casey's job with the "Voice of America" is the technical supervision of the maintenance and operation of transmitting equipment.

The "Voice's" function in Manila is entirely to relay programs originating in Washington, D. C. Those programs are sent on to Manila from the U. S. West Coast by short wave. Casey and his co-workers relay them beaming each program to the particular spot in the world for which it is intended.

Many different languages and dialects are included in the "Voice" broadcasts which Casey's group relays. They are beamed to Thailand, Burma, China, Japan, Korea, Indonesia and Russia.

**68 'Voice' Employees**  
Eight Americans and 60 Filipinos carry on the "Voice's" work at Manila. The installations consist of a receiving station and a transmitting station. The project is known as the Manila Relay Base.

Casey was engineer here for Radio Station KRBC 13 years and for Station KBST Big Spring, three years.

The old and the new, the primitive and the ultramodern are strikingly existent side by side in the Philippines, the Caseys said.

Modern apartment houses and office buildings stand beside bombed out shells of older structures ravaged by World War II. Long lines of automobiles and trucks compete with carts drawn by water buffalo. Fine theatres, restaurants, residences adorn Manila.

**35-Mile Drive**  
Driving daily the 35 miles from home to the "Voice" station, and 35 miles back, Casey passes rice paddies, crude carts, the native huts roofed with nipa palm, banana trees, papaya and mango trees, beautiful modern homes, and various types of Philippine factories that make such things as noodles and wooden sandals, and tanneries that turn water buffalo hide into leather.

The Caseys attend the Union Church of Manila, composed of Protestants of all denominations. Members belong to 24 different nationalities.

Mrs. Casey (Betty) is called upon at times to contribute square dancing groups on programs where examples of U. S. customs are desired. The U. S. Embassy forwards such requests to her, asking her to provide such entertainment—and she does so.

BACK FROM GRAND PRAIRIE  
Mr. and Mrs. J. A. Vernon returned to Morton last Saturday following a three weeks' visit to Dallas, Ft. Worth and Grand Prairie. At Grand Prairie, Mrs. Vernon underwent treatments and had a rest at Milling Sanitorium.

SISTER AGAINST SISTER Linda Darnell and Faith Domergue portray two sisters who find themselves in love with the same man in "This Is My Love," Allan Dowling-RKO production in Pathecolor, Rick Jason is the man who shares their love and Dan Durva is Miss Domergue's suspicious husband in this explosive drama of family life behind closed doors.

Morton Edges Bula, 11-7; Maple Gets Lopsided Victory Over Llano-Grande

Morton kept on the winning trail Thursday night as they posted an 11-7 triumph over Bula, but not before the Bulldogs had given them a nip and tuck battle all the way. In the second game, Maple got on the winner's side of the ledger behind Don Lamar's two hit pitching and swamped the refinery workers, 18-5.

Morton's victory came in the 7th inning. For the second time in the game they took full advantage of errors to rack up three runs and Ben Keuhler's home run provided the other. But for the fact that they started Keuhler on the mound, Morton might have won more easily. Bula tallied twice in the first inning and two more times off Keuhler in the second, all on walks, before Carl Kernell came in to stem the tide. Actually, Kernell's feat was perhaps the most important of the game to Morton. The bases were loaded, no one was out and two runs were in. The first batter Kernell pitched to hit to third base for a double play and Kernell fanned Skinner.

Bula came back to do some hitting later but they also took advantage of Morton feinting lapses to score two runs which actually tied the score at 7-7. Wayne Caffey hurled creditable ball for the losers, allowing just eight scattered hits. The Morton boys were hitting the ball hard but most of the hits were high flies.

Bula wasn't hitting in the clutch nearly as well. They collected only six hits in the game but took advantage of those early walks. The loss was Bula's first and the win was Morton's second.

In the second game, actually Maple tallied 23 runs before the time limit ran out. But the Plantmen asked that the game be called before they got their final bat and thus the score reverted back to the last even inning.

Bridges, on the mound for Llano-Grande, was bashed for a lot of hits for the second consecutive game. However, it was the errors behind him that caused him to "give up" in the second inning. The first inning had been a scoreless, hitless inning for both teams. Mickey Sowder, Joe Sowder and

Bill Mann clobbered out round trippers for Maple and Ed Neutzler chipped in with two doubles and two singles in five trips to the plate.

Actually, Don Lamar wasn't nearly as effective as the two hitters would indicate. The score more accurately portrays his pitching effort which wasn't as good as the one he tossed at Morton on opening night. Walks, hit batters, wild pitches and some Maple errors plagued Don a lot more than timely hits. Llano-Grande scored all five of their runs in the 4th inning.

As for Maple, eight runs they collected in the second inning were all unearned. Three errors started all the upset. They also had three unearned runs the rest of the way.

Llano-Grande was losing their second game while Maple was evening their record and a win and a loss.

Morton, Clovis Split Two Tilts

Morton's softball team, using a pair of Enochs players in the second game, split even in a double header with the Clovis Redbirds here Saturday night as they won the thrill packed opener, 7 to 6 and dropped the second tilt, 7 to 4.

Neal Rose's team had a real battle on their hands in the lid-lifter. With Carl Kernell on the mound all the way they took an early 1-0 lead and then a nip and tuck battle ensued. With the score tied at 6-6 in the last half of the 7th inning, Ralph Soliz caught the left fielder playing way in behind 3rd base. He poked a fly ball over his head for the game winning hit.

In the second game, Clovis took an early 4-0 lead and withstood a brief Morton outburst in the 5th for the easy win. Morton started Wynn, a new hurler to these parts on the mound and he was hit hard enough to produce the first five Clovis tallies. Johnny Van came out in the 5th, gave up a single and a home run to the first two hitters and then throttled the opposition the rest of the way. He allowed three hits in three innings and walked one man while fanning two.

Carl Hallford, Enoch's catcher also started the second but these were the only non-Morton team players who saw action. The local team plans a return engagement as soon as it can be arranged.

Two Tied For City Softball

Morton, and Howard Shaw Construction, Sunday each posted victories in their first two games of the season last week and, through games played last Friday night were leading the City Softball League.

Morton and Howard Shaw were rained out of their games slated for Monday night.

It was a little early to tell about comparative strengths and weaknesses. Morton won both of their games by coming from behind. Both were close battles. Carl Kernell was the winner each time.

Howard Shaw had the most power hitting of the young season in their two games but faced a dispute in possible illegalities in their second game.

Enochs stumbled and fell, Tuesday night losing 19-9 to Bula for their 1st loss.

SOFTBALL STANDINGS: Morton 2 0 1.000, H-Shaw 2 0 1.000, Bula 2 1 .666, Enochs 2 1 .666, Maple 1 1 .500, Printers 1 2 .333, Refinery 2 0 .000, REA 0 3 .000

Howard Shaw And Enochs Post Second City League Triumphs

Howard Shaw and Enochs joined Morton at the top of the City Softball League Friday night as they both lashed out topheavy victories to post their second triumphs without defeat.

Shaw entered an agreement with the Muleshoe Printers to play just seven men and to pitch Claude Mantooth, both agreements contrary to rules set up but okayed by one of the Commissioners. The Sunday then toyed with the Printers, winning 15 to 8.

Mantooth never bore down and his mates, though using only two outfielders and three infielders, covered the field very well. The burly pitcher smashed out three home runs in five times at bat, was twice safe on errors, scored five times and batted in six tallies.

Sundown collected 10 hits and took advantage of seven Muleshoe errors.

For the Printers Lewellan was the hurler. He walked one man

and fanned five. Mantooth hit two batters and walked four, giving up just seven hits. Barber's double and a single paced the losers. Lacey collected two singles.

In the second game, Johnny Van hurled his second masterpiece in two appearances as he limited the usually fair hitting REA to one hit and fanned seven men for the 1st league shutout of the year. But he didn't have to be so stingy. His teammates pounded out 20 hits and tallied 25 runs in the 26 to 0 calamity.

Only Arnold Gross' double down the left field line kept Johnny from posting a no-hit shutout. He hit two batters and fanned none and until two were out in the last inning the Enochs team had turned in the first errorless performance of the season. But L. Pollard dropped an easy popup to third base for the only Enochs miscue.

As for the Enochs batting attack they had to pick up two roving

ing players and one of them was the star of the game. Blackie Lacey hammered out five hits including a home run and two doubles, scored three times and batted in six tallies.

Hallford had four hits and tallied four runs. Enochs collected two more homers, including one by Lloyd Pollard and scored 13 times in the third frame. Gross

went all the way on the mound for the REA team in losing their 2nd game of the season without a victory.

HOME FROM HOSPITAL

Rev. Ollie S. Robinson was back home, last Thursday after a checkup in a Lubbock hospital following an illness.
