THREE WAY SCHOOL WILL OPEN 27TH; STAFF NEARLY COMPLETE

The Three Way School will open Monday, August 27th with a general assembly called for 9 A. M. to which all parents and patrons of the Three Way School District have been invited.

Registration for High School students will be as follows:

Friday August 24 all Juniors & Seniors will register from 8 a.m. to 9 a.m. Freshmen and Sophomores will register the following hour from 9 until 10 a.m.

All grade students will register on the following Monday. Parents of First Grade children who were not enumerated on the census are asked to accompany their child to school on the first day or to send a birth certificate. This birth certificate will be returned.

Buses will run for the first time Monday, August 27. They will run at the regular time. Lunch will also be served for the first time on the same day. Price for lunches is the same as last year, 25c, and children will be allowed to drink all the milk they want at no additional charge.

The school has reached an agreement with the same insurance firm as last year to insure all school children. The price of this insurance is \$2 per child. This insures the child while he is in school or under the supervision of any school activity. This also covers any accidents which might occur while going to and from school or buses. All parents are urged by the school board to take this insurance for their children. This insurance will last for the entire school year. It may be purchased on the first day of school.

Morrison President of State Six Man Coaching Ass'n

Coch Claude Morrison of Bula has been elevated to the presidency of the State Six Man Coaches Association.

Morrison was accorded the honor by his fellow coaches at the State Meeting at Kerrville last week. He also coached the West All Stars.

In one of his first actions since being elected president of the group, Morrison was talking with the rest of the state's coaches at the state convention at Lubbock this week and was in high hopes that the Six Man coaches group will be absorbed by the bigger Association and that the Six-Man All Star game will be continued.

However, Morrison emphasized, this was still in the planning stage.

Don Jones Will Speak On Cotton Problems

Don Jones, Superintendent of the Agricultural Experiment Station at Lubbock will be in Morton on Friday night, August 17, at 8:00 p.m. in the County Activities Building.

Nearly 40 years of experience in breeding and testing cotton grown on the South Plains will be Jones' qualifications as he talks about the severely damaging bacterial blight that has swept our cotton this year, irrigation for greater yields, and a great many pertinent problems in cotton raising.

Jones will give the latest information on how farmers can best combat the "blight" which County Agent Homer Thompson has said may spread 80 to 90 percent of the bales of cotton in this county and which has recorded at least some damage in nearly every cotton field.

"Fun Night" Set For Aug. 21st At Whiteface

The Whiteface Home Demonstration Club is sponsoring a Community Fun Night on Aug. 21, at 7:30 p.m. at the American Legion Building in Whiteface.

Home made ice cream, cake, coffee and pies will be served by the club members.

Everyone is invited. Plenty of fun and entertainment await the crowd according to the secretary-treasurer of the Whiteface Home Demonstration Club.

1 1/2 MILLION LOANED HERE BY LOCAL FHA

Farmers and ranchers in Texas obtained loans totaling \$1,416,000 through the Farmer's Home Administration during the year ending June 30. Walter T. McKay, the agency's State Director at Dallas announced this week. A total of 18,348 families were served by the agency during this period.

Two hundred fifty-two farm families in Cochran County obtained loans totaling \$1,570,441. Ermon A. Miller, FHA Acting County supervisor at Morton reports.

Credit was advanced to buy feed, seed, fertilizer, equipment, livestock and other farm operating items needed to place farms on an efficient operating basis and to buy and improve family-type farms.

Funds were advanced also for soil and water conservation purposes and to meet emergency needs.

County Farmer's Home Administration Committee members must approve each loan application before funds can be advanced. The committee determines all loan applicants' eligibility and certifies the value of farms to be purchased or improved. It also makes recommendations on loan approvals and servicing actions.

Applicants are approved as eligible only if other lenders cannot adequately supply their credit needs and only if prospects are favorable for their being able to improve their farming and repay their loans. Families are expected to refinance their loans with other lenders as soon as they are in a position to do so.

Entomology M't'g. Friday, Aug. 21 For 4-H Boys

Friday morning, August 17, at 9:00 a.m. their will be an entomology meeting in the Banquet Room of the County Activities Building.

The meeting is for 4-H boys, the parents and leaders who are interested in insects, insecticides, and control of insects. W. H. Cunningham, District Entomologist will be at the meeting to last about two hours, and principally designed to help in identification of insects & explanation of control.

ELWOOD HARRIS IS NAMED TO HEAD COUNTY POLIO FUND DRIVE

Elwood Harris, active here in the Last Frontier Fair, Rodeo, and Junior Chamber of Commerce work, was named Cochran County Polio Fund Drive Chairman for 1957, at a called meeting of the county chapter of the National Foundation last Friday. It was announced by Mrs. Roy Hickman, permanent chairman.

Mike Hyer, district representative for the foundation, was here and met with the group.

Mrs. Hickman said that Harris was highly recommended to her by area residents, and that he "graciously" accepted the chairmanship.

In making the announcement, Mrs. Hickman pointed out that J. Leonard Reinsch, Democratic National Convention manager at Chicago, had released this week important information concerning the current polio surge there.

Reinsch quoted Dr. Herman N. Bunderson, nationally famous Head of the Chicago Board of Health, as saying the city had had 676 polio cases and 18 deaths this year. But, Dr. Bunderson pointed out, none of the 676 polio victims had received the full three shot-Salk treatment. He said 72 had received one shot, and 16 others, two shots.

He said the Board of Health had offered the shots at a "nominal cost," and that "now it's up to the parents."

In making the announcement, Mrs. Hickman said this information "might prompt some parents not to neglect giving their children the polio shots."

Since the new Surgeon General Dr. Leroy E. Burney took office last week, he has ended government control of polio vaccine, saying there is now a plentiful supply.

The foundation earlier turned distribution over to the government, and has mainly busied it-

Country Club Family Barbecue Friday Night

The Morton Country Club will be the scene of Family Barbecue Friday, August 17th at about 7:30 or 8:00 p.m. according to Earl Crum, president of the organization and S. M. Monroe, secretary.

Members are asked to bring the meat they wish barbecued to the Country Club by 4:00 p.m. on the evening of the barbecue, so it will have time to be cooked by 7:30

WHITEFACE SCHOOLS TO OPEN ON AUGUST 27TH

The Whiteface Public Schools will officially open August 27th, according to new Supt. Nathan Tubbs. A general assembly in the High School Auditorium for the Junior High and High School students and faculty will open to school term.

Pre-registration for senior high school will be as follows:

Thurs. Aug. 23 - 9 to 12 a.m. enroll the 12th grade.

Thurs. Aug. 23 - 1 p.m. to 3 pm enroll the 11th grade.

Fri. Aug. 24 - 9 to 12 a.m. Enroll the 10th grade.

Fri. Aug. 24 - 1 to 3 p.m. enroll the 9th grade.

A general faculty meeting and breakfast will be held Thursday morning August 23 at 8:00 in the cafeteria. A watermelon feast has been set for Friday, August 24th, at 7:30 p.m. for all employees, faculty, trustees and their families.

The Whiteface schools have a completed faculty for the 1956-57

LOCAL FACULTY NEARLY COMPLETE

Morton schools will open their doors for the new fall term on Sept 3rd, according to Supt. John Barnes.

Buses will run on the opening day and lunch will be served and school will be in session for the full day.

Registration will be on Wednesday and Thursday, the week prior to school opening, August 29 & 30th.

A full faculty meeting will be held on Friday morning, Aug. 31, at 7:30 a.m. in the cafeteria. The faculty will eat breakfast together.

Barnes, told school board members at the regular Board Meeting on Monday, all but three faculty members have been hired for the coming year. He needs a science teacher, and has not yet elected the two principals.

At the Board meeting, Barnes & the Board worked out a new policy manual which will go into effect as school starts this year.

FHA Closed Next Monday, Tuesday

The Farmer's Home Administration office will be closed Monday and Tuesday, August 27th and 28th. The office personnel will be attending an area conference in Plainview.

MAPLE YOUTH IS PARALYZED WITH POLIO

A two year old Maple boy, Wayne Kelly, remained partially paralyzed from polio in the Methodist Hospital at Lubbock this week.

Wayne, who was two last March, was stricken on Monday, July 30th, taken to the local hospital & then transferred to Lubbock. He was reported this week to be paralyzed in the legs and one leg was having spasms. However, according to friends of the family at Maple, it is believed maybe Wayne can be moved to the Lubbock home of a brother of Mr. Kelly, within a few days.

BLED SOE FACULTY COMPLETE; SCHOOL OPENS ON SEPTEMBER 3

The 1956-57 session of school at Bledsoe will begin September 3.

Registration for all students who expect to attend school at Bledsoe this year will be from 9:00 a.m. to 12:00 noon, August 31.

Buses will run on registration day as usual.

There will be a faculty meeting at 1:30 p.m. on August 31.

According to J. E. Roane, Supt. of Schools at Bledsoe, the faculty will remain the same as last year, all teachers possessing college or college degree and all of them experienced in the teaching field. On the faculty are: Mrs. Helen Dye, 1st and 2nd grades; Mrs. Myrtle Howard, 3rd and 4th grades; Mrs. Lois Selman, 5th and 6th grades, and commercial subjects; Mrs. Myrtle Austin, Homemaking; J. O. Elliott, science; J. D. (Bob) Dye, grade principal, social subjects, 7th and 8th grades; Joe W. Conaway, social subjects in High School and coach; Mrs. Katherine C. Brink, English; and J. E. Roane, Supt. and Math.

Church of Christ Meeting to End Sunday at Enochs

The Gospel meeting at the Enochs Church of Christ continues Monday of next week, the last service scheduled for Bro. Claude Walkup on Sunday, August 19.

Bro. Walkup is from Gould, Okla. Meetings are being conducted each evening at 8:00 p.m.

1st Graders Will Get Shots After School Starts

In answer to the question of several parents on when first grade students are to have their shots, the school nurse, Mrs. Fred Collins said this week that the required shots for those who do not already have them, plus the other shots some parents will want their children to have, will be administered after school gets underway.

Lonnie Gene Autry Remains In 'Very Critical' Condition

The condition of Lonnie Gene Autry, son of Mr. and Mrs. J. E. Autry who was injured in an auto mishap, a few weeks ago, remains critical his father said Wednesday of this week in reminding the Tribune that Lonnie is still supposed to have visitors.

Autry, contacted this week, said in some ways the boys appeared a lot better and in some ways his condition was not good. There is

Woman Is Fined For Transportation Of Liquor

A 33-year-old white woman, who has been living at Whiteface but came to this area from Farmerville, Louisiana, has been jailed, fined, and fined \$100 and costs on a charge of illegal transportation of alcoholic beverages.

Mary Mitchell Murrell, arrested Tuesday night, pled guilty before Judge Fred Stockdale on Wednesday morning and was fined \$100 and costs, which comes to \$128.30. She paid her fine and was released.

When stopped near Whiteface, she had in her possession four cases of beer, one half gallon of wine and one pint of whiskey.

1st Baptist Church Revival Continues

Rev. Abe Hester, Jr., pastor of the College Avenue Baptist Church of Lubbock, continues his two a day meetings at the First Baptist Church of Morton this week through Sunday.

With Rev. Hester bringing the messages at 7 a.m. and 8 p.m., and John Ward of Plainview leading the song service, the revival meeting has been in progress since Sunday, Rev. Ollie S. Robinson, pastor of the church, has issued a cordial invitation to all to attend.

4-H Rally Day Next Thursday At Commun. Bldg

A rally day for 4-H club boys and girls in Cochran County has been set for Thursday, August 23. The program is to begin at two o'clock in the afternoon and continue until 10 p.m.

Activities planned for the county-wide meeting are crafts, skating and a night party with a picnic supper for an added attraction.

The gathering place will be in the Banquet Room of the County Building. Letters have gone out to all 4-H members announcing the meeting.

Fighting Fish In Canada

In Western Canada anglers call these Northern pike "jackfish", but whatever the name, they're big, fighting beauties. The pike displayed by this fisherman at Lake Wapetwa in Prince Albert National Park, Saskatchewan, weigh 9 1/2 and 15 1/2 pounds. Canada abounds in fine fishing waters. (Photo from Canadian Government Travel Bureau)

BYRON JACKSON POUNDS REESE IN TOURNEY GAME WEDNESDAY

Winners Pour It On With 24 to 2 Victory In 5 Inning Tilt

Byron - Jackson of Lubbock, in a wild hitting spree here Wednesday, surprised a meagre crowd by hammering out a lopsided victory over Reese Air Base to advance into the quarter-final round of the Invitational Softball Tourney.

The Lubbock team, runner-ups in Lubbock's City championships last Saturday night, made full use of a flock of hits and a surprisingly poor fielding Reese team for the victory. They got two runs in the 1st stanza and then used five hits and five Reese errors, a walk and a pair of hit batsmen to score 10 times in the second inning to turn the game into a rout.

It was the only game on tap for Wednesday night, and left only a trio of teams still in the winner's bracket. In addition to Byron - Jackson, Clovis and St. Elizabeth's of Lubbock have yet to taste defeat. Byron Jackson will play the Clovis - St. Elizabeth's winner on Saturday or Monday night.

The final score was 24 to 2 as the Byron Jackson boys scored in every inning. They tallied two runs in the first, 10 in the second, six in the third, three in the fourth and two in the 5th.

Davis led the batting attack for the winners, hitting for the circuit with a home run, a triple, double and a single. It was the worst beating ever handed a team in a local tourney.

Reese was a beaten team from the start. Wednesday, Tupa, a usually reliable pitcher, was blasted.

Woman Is Fined For Transportation Of Liquor

A 33-year-old white woman, who has been living at Whiteface but came to this area from Farmerville, Louisiana, has been jailed, fined, and fined \$100 and costs on a charge of illegal transportation of alcoholic beverages.

When stopped near Whiteface, she had in her possession four cases of beer, one half gallon of wine and one pint of whiskey.

Revival Set For Bledsoe Methodist Church

The Bledsoe Methodist Church has planned 8 days of fine preaching services to begin August 19, that's Sunday, and continue through Sunday, August 26th, according to Kael Quisenberry, pastor of the church.

The pastor announced this week, Rev. J. B. Stewart of Tahoka will be the guest speaker during the 8-day series. Rev. Stewart will conduct two meetings each day, at 7:45 a.m. and 7:45 p.m. The pastor said "you will find a warm welcome in these services."

Tax Equal. Board Will Try To Finish Work Today

Cochran County Commissioners and the County Tax Equalization Board will finish up their work in assessing taxes for the year, today, if at all possible. Judge Fred Stockdale said Wednesday after the group had worked their way to the "L's" on the individual tax roll.

Judge Stockdale re-affirmed that the assessing of oil company property was taken care of.

ISSUES GRID CALL AT THREE WAY H. SCHOOL

COACH BILL WOOD

Coach Bill Wood has called a meeting for Thursday, August 16, at 8 p.m. for all Three Way High school boys interested in playing football.

OTHA DENNY RESPONDING TO RAY TREATMENTS IN HOUSTON HOSPITAL

Mrs. Otha Denny returned from Houston where Mr. Denny is a patient in M. D. Anderson Hospital and Tumor Institute. Mr. Denny has begun to respond to X-Ray treatments on his neck and head. He will be in the hospital a month or more.

GERALDINE RAMSEY, BURLIE TAYLOR ARE MARRIED IN DOUBLE RING CEREMONY AT FIRST BAPTIST CHURCH

Miss Geraldine Ramsey, daughter of Mr. and Mrs. S. A. Ramsey of Morton, and Burlie W. Taylor, son of Mrs. Lee Taylor of Morton, Texas and Burlie F. Taylor of Medisto, California, were united in marriage in a double ring ceremony at the First Baptist Church of Morton, Monday August 16th.

Rev. Curtis Carroll officiated at the 6 p.m. double-ring ceremony.

The bride was given in marriage by her father and was attended by Mrs. Joyce Marshall, her sister, of Lubbock, as Matron of Honor & Miss Belva Jean Ramsey, of Morton, also a sister, as bridesmaid.

Jack Taylor of Morton, brother of the bridegroom served as best man.

Candlelighters were Misses Peggy Jo Ramsey and Lynette Taylor, both of Morton, sisters of the bride and they were escorted by Travis Lisenbee and Jerry Lisenbee, both of Kemit, cousins of the bride.

Flower girl was Rebecca Lujan Taylor, niece of the bridegroom of Morton, and she was escorted by Mac Wesley Hancock, III, nephew of the bridegroom.

Ushers were Wayman Marshall of Lubbock, Gerald Ramsey and Kenneth McMaster of Morton and Joe Petree of Seagraves.

The background for the ceremony was an arch of white flowers with shades of lavender intermingled. Silver bells completed the central group with baskets of white flowers on either side of the arch. Branches of eucalyptus at the ends of the platform completed the background.

Mrs. L. L. Price accompanied Miss Patzy Sylbert who sang "Because" and "I Love You Truly."

The bride wore a princess style dress with tulle lace over tulle. Flowers in veil of white silk, placed under simulated pearls and veiled with imported lace complemented her attire. She carried a bouquet

of pink rosebuds atop a white bicorne. Her attendants, including the candlelighters, had orchid organza dresses over tulle with cascade bouquets of orchid carnations.

The home of the bride's parents was the scene of the reception following the ceremony. A four-tiered wedding cake, topped with miniature bride and bridegroom was served by the sister of the bridegroom, Mrs. Mac W. Hancock, Jr. Mrs. T. D. Marshall poured the punch. Assisting with the hostess duties were Mrs. W. L. Lisenbee of Kemit and Miss Elza Ramsey of Morton, aunts of the bride; Mesdames Sammie Williams and Fred Stockdale of Morton and Misses Delores Stephenson, Jackie Outlaw, Mrs. Gathright and sisters of the bride.

The table was laid with a lace over orchid cloth. The crystal appointments were highlighted by a group of burning white tapers. The orchid cascade bouquets of the wedding party added color to the table scene. The floral arrangements throughout the house were also carrying out the brides colors in shades of orchid, magenta, purple and pinks.

The couple left following the reception on a wedding trip to Colorado Springs, with the bride selecting a grey dress with black accessories and a corsage of pink rosebuds. Following the wedding trip they are at home in Lubbock where the bridegroom, who has completed one term at Texas Tech plans to enroll in the fall term.

Both bride and groom are graduates of Morton High School.

THREE WAY NEWS...

GUEST OF CARL POLLARDS
Visiting in the Carl Pollard home and the Marvin Holt home the past week-end were Mr. and Mrs. Norman McDaniel of Lovington.

REVIVAL CONTINUES

Band, Choral and Instrumental action are featured through 17th. Concerts, picnics, dance parties add to the bill of fare. Enrolled from Morton are: Ed Lindsey, Billy G. Ray, Hilda Bedwell and Christine Co-

With Your... COUNTY AGENT

COVER CROP
Farmers who have land not producing at this time and wish to establish cover on it to prevent blowing and to build the land, are at the time now when they need to.

The engagement of Miss Wilma Hixenbaugh to A. C. Kenneth T. Wynn, son of Mr. and Mrs. E. C. Wynn of Morton, has been announced by her father, Archie Hixenbaugh, of Cheyenne, Wyo.

On Sunday, August 22 at 2:30 P.M. the wedding will be solemnized in the First Baptist Church of Cheyenne, Wyo.

The bride elect is a graduate of Cheyenne High School and is presently employed by the Wyoming Game and Fish Commission.

Wynn graduated from Morton High school and is serving with the Air Force at Warren Air Force Base in Cheyenne, Wyo.

start preparation. For those who have irrigation, & to establish this cover, please check at your County ASC office. For example, you can apply fertilizer up to 50 lbs. of phosphorus and 20 lbs. nitrogen and receive payment to cover most of this cost (about 30 cts.). In addition, grass and legume mixtures can be planted at the specified rates in handbook & receive payments for about 50 percent of the cost in seed. This practice can be a big help to the farmer who are now thinking about establishing a cover crop on land between now and before October 1st. A good method of applying fertilizer to land as this is to spread on top of the land and turn under when you are preparing your land.

CONTROL OF JOHNSON GRASS
Covering of Johnson grass is very effective with spot oiler or knapsack sprayer. This means spraying on the base of the grass or that portion 1 1/2 inches above the ground. If Johnson grass is green and growing this method is most effective.

Napthas is the spray material recommended. These hot days, it is better, cheaper and more effective to cut down on evaporation by mixing naptha and diesel oil, equal parts. Kerosene can be substituted for diesel.

The East All Stars, with a closing rush that netted them a pair of touchdowns in the final minute and a half, defeated Coach Claude Morrison's West All Stars at the 6-Man Coaching clinic two weeks ago at Kerrville.

Morrison's boys, with possession of the ball on their own 20 yard line and a little over 2 minutes & a half to play, trailed 37-36. They were moving easily five yards at a time and were trying to stall the scoring until there was only a half minute or so to play. They moved to the East 20 yard line and then fumbled the ball. Immediately they had to change their type of play. The East scooped up the ball and ran for a touchdown. In a couple of plays later they recovered another fumble and iced the game.

The final score of 50-36 was the closest of any of the six man All-Star classics and Morrison had a lot of praise both for the fine boys on the winning East team and for his own team. Morrison lauded the play of all his boys, said his team was weak in only one spot, and termed the untimely fumble as the turning point. Up till then he felt his boys could and would win. He had a 22-18 halftime lead.

Morrison also said, Carl Hallford, Gerald Neel and Dick Blanton did a fine job. He said four of the All Stars had Southwest Conference football scholarships, debunking the theory that Six Man players are not sought by college coaches.

Morrison's Boys Lose All Star Grid Battle

The East All Stars, with a closing rush that netted them a pair of touchdowns in the final minute and a half, defeated Coach Claude Morrison's West All Stars at the 6-Man Coaching clinic two weeks ago at Kerrville.

WANTED BY THE FBI

FLENOY PAYNE

A complaint was filed before the U.S. Commissioner at Clarinda, Missouri, on September 22, 1952, charging Payne with a violation of Title 18 U. S. Code, Section 1073, in that he fled from the State of Missouri to avoid prosecution for the crime of murder. Payne is described as follows: Age 47, born July 18, 1909, Scott, Missouri. Height, 5' 11"; Weight, 129 lbs; 160 pounds; Build, slender; Hair, black; Eyes, brown; Complexion, brown. Occupation, laborer, farmer; Scars and marks, cut scar on right forehead, cut scar on chin, spot and cut scar on left forearm, vaccination scar on left arm, cut scar on lower right buttock, two spot scars on back of right hand, cut scar on back of head; Remarks, may be wearing mustache, has a loud voice. Payne has been convicted previously for murder. He is reportedly armed with a pistol at all times and should be considered extremely dangerous. Any person having information concerning the whereabouts of Flenoy Payne is requested to contact the Director of the Federal Bureau of Investigation, United States Department of Justice, Washington, D. C., or the Special Agent in Charge of the Federal Bureau of Investigation Office nearest his city.

CARD OF THANKS

MAY WE TAKE this means of thanking our good friends and neighbors of Enoch and Bula for plowing and hoeing our crop and also to thank the ladies that served lunch while we were in Hot Springs on sickness, May God bless each of you. The T. A. Thomas family 23-1tp

CARD OF THANKS

May we take this means of thanking all our friends and neighbors who came to us in our time of sorrow. Words could never express our appreciation for all the wonderful food and beautiful flowers which were sent. May God bless each one of you. The W. R. Jeffries family The J. O. Dane family The Bennett family 24-1tp

Reese Airmen, Byron-Jackson, Clovis, St. Elizabeth Advance

Byron-Jackson Nips Maple, 6 to 4, Clovis Edges Causey 6 in First Round Softball Tourney Thrillers

Reese Airmen, Byron-Jackson, Clovis, St. Elizabeth advance in the first round of the 1956 national softball tourney, Tuesday, by hammering Whiteface 7 to 0.

White Maple got five hits off L. W. Utley of Byron-Jackson, and the Lubbock team made four errors. But the key to this loss was that Lamar, who walked six men and hit two, did all of this in the first two innings. His five inning windup was exceptionally fine but the Lubbock men got the six early runs and made them stand up.

Another key was the clutch plays by Byron-Jackson, such as the one ending the game, and Utley's ability to halt Maple in the clutch. In each of the last four innings, a Maple threat was raised in twice the tying runs were on second and third with one out.

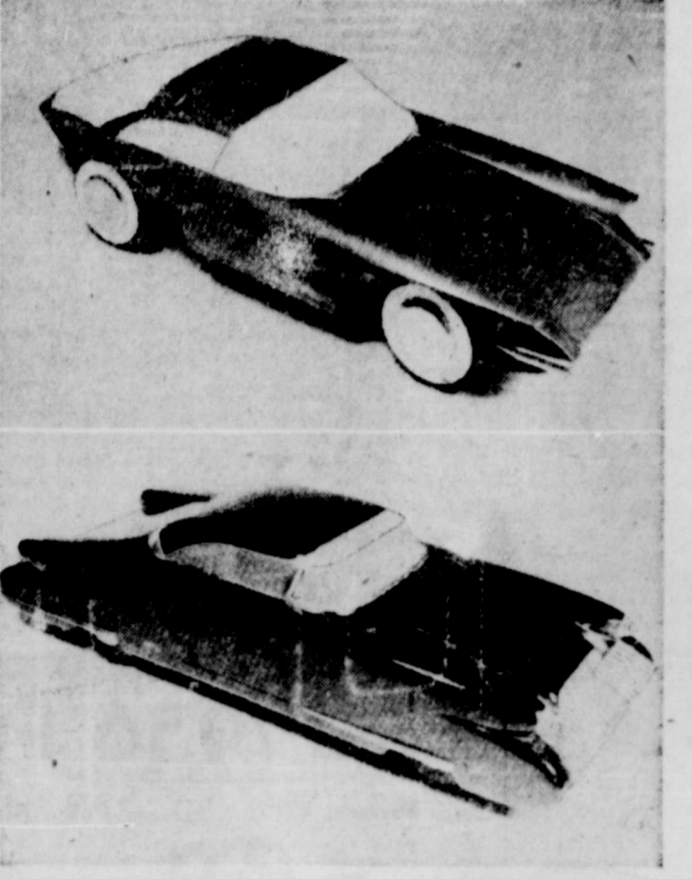

Clovis, though getting only seven

Father Halfmann Tosses No Hitter At Whiteface

Father Halfmann pitched a no hit game and batted in two runs with a first inning home run as the St. Elizabeth team advanced in the all winner bracket of the invitational softball tourney, Tuesday, by hammering Whiteface 7 to 0.

One batted ball was a doubtful one as a hard hit ball slashed into the third baseman's glove on one hot hop and then eluded him. It was scored as an error, one of five charged to St. Elizabeth's. In addition Father Halfmann walked 2 and struck out 11.

Texas Boys Win Honors

TEEN-AGE DREAM CARS—Someday you may be riding in automobiles that look like these smartly-styled miniatures. These "dreams" won first place awards for their builders in the 1956 Fisher Body Craftsman's Guild model car competition. Upper car was designed and built by Anthony K. Mauldin, Fort Worth. Lower car is the work of John T. Williams, Dallas.

Fellow Voters:

I'm back on the campaign road... I hope to see each of you, but if I don't... PLEASE VOTE for me... your vote will certainly be appreciated.

300 Attend IOOF Meet at Duck Pond

Some 263 persons, including a sizable group from Morton, registered Saturday night for the annual Bull Lake session of the IOOF held at the government game preserve, located approximately half way between Enochs and Muleshoe.

It was estimated that more than 300 were in attendance at the encampment at what is known as "the duck pond" in the preserve. Visitors ranged from East Texas to N. Mexico. A barbecue was served & degree work was conferred.

Among those from here attending were Mr. and Mrs. Kenneth Pyburn, Mr. and Mrs. Roy Turney, Mr. and Mrs. O. H. Barnett, Mr. and Mrs. J. O. Barnett, Mr. and Mrs. Guy Reed, Mr. and Mrs. Olen Harris and Mr. and Mrs. Billy Proctor.

Raymond Gage of Circleback, deputy grand master was in charge.

Reese Airmen Pound Muleshoe By 11-3 Margin

Reese Air Base, 3265 Squadron, taking advantage of a flock of Muleshoe errors and some timely hits, racked up an 11-3 triumph over the Bailey Countians in the first game of the softball tourney here Friday night.

Reese, defending champions of the tourney, had several new faces on their squad. But it was one of last year's pitchers, Taupa, who held Muleshoe to seven hits and stopped them in the clutch. The game was close for three innings before the Airmen blew it wide open.

Reese then played Maple a five inning exhibition game and won it, 8-7 after a tough fight. One of Friday's scheduled games was called off because Portales pulled out of the tourney.

Farmers May Get Some Tax Relief

Drought stricken farmers have been provided income tax relief on the sale of livestock by public law 629, approved June 29, 1956.

When a farmer has to sell his livestock, in excess of the number that he usually sells in his ordinary business, due to a drought, he can consider the sale as an involuntary conversion. The tax relief provisions relating to involuntary conversions have in the past applied to such things as the burning of your house, losses by flood, etc. on which insurance is collected. No tax is due on the sale of property due to an involuntary conversion if the property is replaced with like kind within a specified period, generally before the end of the following year.

TEXT OF PLAINS COTTON GROWERS STATEMENT ON THE COTTON PROBLEM IN W. TEXAS IS REVEALED HERE

This is a statement from the Plains Cotton Growers, Inc., Lubbock, Texas, an organization representing cotton producers, ginners, oil mills, compresses, cotton merchants, and other businesses on the Plains. This organization is not a political pressure group, but an association dedicated to research, service, improvement, and promotion of Plains cotton.

Before presenting our case may we state that we are fully aware what a big and sometimes thankless job the State Committee has. This statement is not to criticize, but to offer what we think to be constructive suggestions as to the fair and equitable distribution of the state reserve in our state.

We present the following points for your consideration:

1. The history of West Texas is one of constantly expanding cotton production, due to the favorable soil topography and climatic conditions for efficient production. The following table indicates the trend of this expansion in 13 counties for the past forty years.

1915-1924	32,585 bales in the Plains counties of 3,075,465 bales in the state
1925-1934	283,277 bales, of 3,885,638 in the state, 9.8 percent.
1935-1944	486,734 bales of 3,146,865 in the state, 15.4 percent.
1945-1954	897,841 bales of 3,437,686

1954 — 123,229 A.
1955 — 123,434 A.
1956 — 255,245 A.

3 yr. Avg — 167,245 A.
Equivalent to — 2.25 pct of State allotment.

18. Our position is supported by the Plains Cotton Growers, the West Texas Chamber of Commerce, the Trans-Pecos Association, and by the Farm Bureau (A statewide organization) which has made it an official state policy to ask that the state committee be permitted a maximum of 2 percent for all purposes.

19. Ten percent of the 7,400,000 acres is a tremendous responsibility to put on a committee, especially with the wide variations which exist in the state of Texas. What group of men is really qualified to allocate such important amount of land and money? Granting full hardship only serves to create others. With such tremendous amount at stake, the pressures on the committee make it impossible to allocate acreage fairly.

20. Reduction of the percentage which the state committee may reserve is the best way to assure fair and equitable distribution of the state allotment. This reduces the bulk of the distribution to a mathematical formula based upon earned history, and will reduce contention, misunderstanding, possible law suits, and all other difficulties contingent to distribution of a large state reserve.

21. The impression has been given that hardships exist only on small or family sized farms. We are in complete sympathy with family size farms and their problems, and recognize they do have hardships, but we also claim that hardships exist on larger farms as well. Higher fixed costs, equipment and land investments, and greater expenses occur. Reducing acreage raises costs per unit of operation to a high degree, efficiency is reduced and cotton becomes less competitive to synthetics and foreign production.

22. The policy of extracting acres away from natural trends will lead to nothing but small farms, a situation certainly not intended by the law. The present average cotton farms across the nation now is only 17.5 acres, this average being composed of many small ones and a much smaller percentage of large ones. If carried too far, the taking away from the large to give to the small could lead to only one situation — that is, we would all be 15 acre farmers — and this certainly is not the intention of the law.

23. West Texas does not have representation of a cotton producer on the state committee. It is not democratic that such a large and important cotton producing area should go completely without a voice on the committee.

24. Many West Texas counties have no irrigation water, and their yield per acre is very low. It therefore required many more acres to make an economic unit.

25. West Texas has been reduced drastically more in acreage than other parts of the State, as evidenced by the following representative county figures; showing percentage reductions of 1956 under 1953, the last year of uncontrolled acreage.

REDUCTIONS

WEST

Dist. 1-S 48 Pct.
Dist. 2-S 40 Pct.
Dist. 1-N 53 Pct.
Dist. 2-N 44 Pct.
Dist. 6 40 Pct.

EAST

Dist. 8-N 14 Pct.
Dist. 9 43 Pct.
Dist. 4 30 Pct.
Dist. 5-N 1 Pct. gain
Dist. 5-S 30 Pct.

16. The state committee has been very inconsistent with respect to distribution of reserve as follows: In 1954 they allotted 80 pct. of the reserve for trends. In 1955 they allotted 62 pct. of reserve for trends. In 1956 they allotted no pct. of reserve for trends.

We see no change in the general situation which would justify this. In 1954 no provision for hardships in the law. In 1955 they allotted 19 pct. for hardship cases. In 1956 they allotted 63 pct. for hardship cases.

We see no change in the general situation which would justify this. 17. The adjustments for small farms during the controlled acreage years are as follows:

made to area 1-S of 1,113,900 acres. The truth is this was an adjustment due to severe drought in 1953, and this was allotted by the USDA in Washington, and not by the state committee, and it had no adverse effect on East Texas. These represent acres which would have been planted if weather conditions had been favorable. The following figures give the true picture:

1953 actually planted	2,259,200 A.
adjustment	1,113,900 A.
Would have planted	3,373,100 A.
Planted in 1952	3,165,500 A.
Actual Increase	207,600 A.

Note that the actual increase was only 207,600 acres instead of the 1,113,000 as claimed by East Texas.

11. The impression has been given that hardships exist only on small or family sized farms. We are in complete sympathy with family size farms and their problems, and recognize they do have hardships, but we also claim that hardships exist on larger farms as well. Higher fixed costs, equipment and land investments, and greater expenses occur. Reducing acreage raises costs per unit of operation to a high degree, efficiency is reduced and cotton becomes less competitive to synthetics and foreign production.

12. The policy of extracting acres away from natural trends will lead to nothing but small farms, a situation certainly not intended by the law. We see no change in the general situation which would justify this. 17. The adjustments for small farms during the controlled acreage years are as follows:

Jaycees Get State "Thanks" for Resolutions Work

The Morton Jaycees had little on the business agenda Monday as they met for their noon luncheon.

They did receive a letter from F. E. Hightower, president of the Texas Jaycees, thanking them for their efforts in getting the County Democratic Convention to pass a pair of resolutions asking for a yearly salary for state legislators and higher pay standards for legislators in Texas.

Hightower did not say how many Jaycee organizations, the state over, were successful in introducing the resolutions.

Committees on the profit making project for the fair, and on getting a price on a loud speaking system, did not have their report ready.

A suggestion from the floor was to sponsor a project that will be for the entertainment of the children.

Serving With Destroyer Squadron

SAN DIEGO, CALIF. — Serving with a fleet destroyer squadron aboard the U. S. S. Stoddard, is William D. Newman, fireman, USN son of Alonzo T. Newman of 115 West First, Morton.

The squadron of four ships returned to San Diego, July 22, after a six month tour of duty in Formosa, Hong Kong and several of the Far East. Among the ports the units visited were Hawaii, Midway, and several of the ports in Japan.
