Friday - Saturday

VOL XVII Serving Texas' Last Frontier MORTON, TEXAS, THURSDAY, MARCH 14, 1957 NUMBER 2

COUNTY FAT STOCK SHOW TO OPEN FRIDAY

LOCAL FARM LEADERS DISAGREE WITH POAGE, WIRE MAHON TO RESIST ANTI WEST TEXAS BILL

Plans were completed at a called meeting of Cochran County Farm Leaders here Monday night to open an offensive against most of Rep. Bob Poage's anti-West Texas Cotton Bill — styled H. R. 5686, "a bill to require separate levels of support for light and heavy spotted cotton, to amend the cotton acreage allotment provisions of the Agricultural Adjustment Act of 1938, and for other purposes."

Apparently local farm leaders believe Rep. Poage's words "and West Texas out of the cotton business, or at least, badly cripple it." In attendance at Monday night's meeting were directors of the Cochran County Farm Bureau and Cochran County Cotton Growers Association.

Commissioner George Mahon of this district had provided directors and others with copies of the bill which was to be introduced by Rep. Bob Poage in Washington, D. C., Tuesday morning.

Telegrams detailing Monday night's action by local farmers were sent to Rep. Mahon and George W. Pfeifferberger, executive vice-president of the Plains Cotton Growers, Inc., both of whom were in Washington.

The telegrams sent as night letters for delivery Tuesday morning, had to be called to Amarillo since no office of Western Union could be contacted in Lubbock after the group adjourned after midnight.

Monday night's meeting was called to order by LeRoy Johnson, the president of the county Farm Bureau. Also in attendance was J. D. Hawthorne, president of the Cotton Growers of Cochran County, and several others.

After taking the Poage bill up, section by section, the local group on motion by Merlin Roberts, past president of the Bureau, practically drew up a new bill providing for a reverse of almost everything asked for in the Poage bill.

The only part of the Poage bill not attacked was that which would "in the case of cotton shall include separate levels of support substantially reflecting commercial prices for light & heavy spotted cotton."

According to Rep. Mahon, the Poage bill would abolish in Texas, but not in other states, the provision of existing law in regard to trends in cotton acreage, and that it would fix county cotton allotments in Texas on the basis of the past three years rather than five years as is now the law.

Also, Rep. Mahon pointed out in a news release that the Poage bill calls for modification in present law with respect to new grower allotments and farm consolidations.

Rep. Mahon wrote that the Sec. of Agriculture could provide the spot cotton loan without special legislation and that he had joined the West Texans earlier this year in personally urging Secretary Ezra Taft Benson and the department to announce such a loan.

ABSENTEE VOTING OPENS TODAY IN SPECIAL SENATORIAL VOTING

Absentee voting in the Special State Senatorial election will open today (Thursday), in Cochran County, and absentee voting for the coming school elections will begin Monday, according to County and District Clerk Mrs. Lee Taylor.

The Senatorial election balloting will close on the 29th of this month, as far as absentee voting goes, and the election will be held in the County Activities Building on April 2nd. In Morton there will be no City Elections on that date, our present City officials having another year to go on their term.

The school election absentee voting, for all precincts and for all independent districts will be at the Clerk's office also. It will end on April 2nd and the elections are to be held on April 6th in the various school houses, with the exception of the Precinct 4 county trustee voting which will be held in the Neely Ward community building, formerly the schoolhouse.

Auction Sale Set For Saturday At 10 O'Clock

A sizable crowd of buyers and a real good turnout of animals are expected for the annual Cochran County 4-H and FFA Fat Stock show Friday and Saturday at the County Barn.

Several new plans are to be used for the first time this year by the show planners in an effort to get good prices, show only top quality animals, and reward the boys who have done the best job.

Roy Gentry is General Chairman of the show and he and his staff have worked long and hard the past two months setting up the 1957 show.

By the official deadline Wednesday, here's the way the tabulation was checked out unofficially:

In the swine division, 89 animals entered by 14 Morton 4-H boys; 13 Whiteface FFA boys, 16 Morton FFA boys and 7 Three Way FFA boys.

In the calf division, 10 animals, entered by 2 Cochran 4-H boys, 2 Whiteface FFA boys and 7 Morton FFA boys.

In the lamb division, 21 animals, entered by 3 Whiteface FFA boys and 7 Morton FFA boys.

Judges will be Jack Creel, of Gifford - Hill - Western in Lubbock, on Herdsman and Showmanship, and Ray Mowrey, of the animal husbandry department at Texas Tech as stock judge. They will be assisted by the departmental superintendents.

The superintendents are: Fat Swine — Arthur Ward assisted by Ken Coffman and John Wheeler; Swine — Bud Warren, assisted by Dew Tucker and Mr. Johnson; Sheep — Merlin Roberts, assisted by Roy Allsup and Thomas Lynch.

An effort was being made Wednesday to secure the services of an out of county FFA teacher to help with the showmanship judging.

Hank Matthews will again be the auctioneer.

Roy Gentry, at a final meeting on Tuesday, went over some of the plans and answered some questions on specific problems. At that time pledge cards for purchases of 10 hogs and seven lambs had already been turned in, these pledges guaranteeing a floor price purchase, the first time this system has been tried here.

Entry deadline was Wednesday at 5:00 o'clock and all animals are to be sifted at the weighing scales.

Only 80 percent of the hogs are to be sold and 60 percent of the lambs.

Only members regularly enrolled in the FFA chapters and the 4-H Chapters at Whiteface, Morton Three Way and Eola, plus Cochran 4-Hers were eligible to enter.

All animals have to be in place by 9 a. m. Friday, though the superintendents agreed there would be time Friday morning to weigh in the calves, swine and sheep are to be brought in Thursday afternoon after 1:00 p. m. Judging starts at 10 a. m. Friday and the auction sale will get underway at 10 a. m. Saturday.

The order of judging tomorrow will be fat barrows at 10 a. m. and lambs and calves following in that order.

Weight regulations for the fat barrows call for animals from 185 to 258 lbs.

SIX ARE ON SCHOOL BALLOT HERE FOR APRIL 6 TRUSTEE ELECTIONS

Six candidates names will appear on the ballot for trustees of the Independent School District when the ballots are printed this week.

With two petitions to be filled, those of B. H. Tucker and John E. Holloman, these six men have had petitions circulated and filed with the County Ex-Officio Superintendent on their behalf.

Raymond Ross, E. V. Thompson, Hedy Kern Babe Vanlandingham, Lloyd Miller and Willard Cox. At least two of the men, Cox and Ross are former local Board members, and at least Ross is a former local Board president.

It was not known at the Tribune office late Wednesday night if the others had served previously.

The deadline for filing was by 5 o'clock Wednesday, when the offices in the Courthouse close.

W. A. Wood will be election judge, April 6th, at the Morton School building when two Morton Independent District trustees are elected.

Combined on the same ballot in the Morton Independent District election will be the voting for the two local trustees and also the voting for a County at Large trustee. This man will sit on the County School Board consisting of the County Judge, as Ex-Officio Superintendent, one trustee from each of the commissioner's precincts (only Precincts 1 and 4 elect this time & the other 3 elect by ballot), and two local trustees (one elected by ballot and one elected by vote in all precincts).

The candidates elected by the Morton district will begin 3 year terms with the meeting of the Morton Board first held following the election.

Holloman is present President of the School Board and Tucker is filling out an unexpired term.

In addition several other candidates were named for the other school posts. Bledsoe and Whiteface will each elect two independent district trustees, Clide McCormack, Melvin Chandler and John Kennedy are Bledsoe candidates.

J. W. Allen and Leonard Gainer are the Whiteface Board candidates on the ballot. Gainer is now a trustee, seeking re-election and the other present member whose term expires, L. L. Taylor, is not seeking re-election.

In addition to these, all of the

Assembly of God Opens Revival

Rev. and Mrs. Gene Davis of Muleshoe will be the guest evangelists at the Assembly of God Revival meeting which will begin at the Morton church with the Sunday morning service.

The meeting, according to Sister Clarke, will last at least two weeks and possibly longer. Services will be held each evening at 7:45 p. m. and everyone is urged to hear this talented team of evangelists and musicians.

Both are preachers and musicians & they will present a program on Monday with emphasis on the musical side in which many of the local members will take part.

Rev. and Mrs. Clarke, pastors of the local church, also announced progress is being made on the construction of their new church auditorium. The walls are almost ready to go up.

Brother Killed In Accident

Funeral services were held in Alabama recently for Ralph Faust, 55, brother of Mrs. A. R. Coleman of Morton.

Faust, who formerly lived in the community was the victim of an accident near Birmingham, Ala., his home.

Faust lived in Morton with his parents some time ago.

Survivors, in addition to the sister of Morton whose husband is the pastor of the Mission Baptist church created by the local First Baptists, are a brother Hubert Faust, a Baptist preacher at Jacksboro, and two other sisters, Mrs. Sammy Tenant of Artesia, New Mexico & another sister in Artesia.

Immediate survivors include the wife, four sons and three daughters.

Services Held for Truman Hodge Here Wednesday

Funeral services were held at the Church of Christ at 2nd and Filmore, Wednesday afternoon, at 4 o'clock for Truman Carver "TC" Hodges, 51 year old Morton farmer who died suddenly at 11:40 p. m. Monday night at his home.

Affectionately known as "T. C.", to almost all his friends here, Mr. Hodges was laid to rest in the Morton Memorial Cemetery after final rites had been read by Byron Willis assisted by Bro. Denton Thompson, pastor of the church.

Singleton Funeral Home was in charge.

Mr. Hodges, a Cochran County farmer, southwest of Morton, suffered a heart attack at his home, aroused a son who was preparing to take him to the doctor, and then fell across the bed dead before he got dressed.

He was born at Brownwood, April 19, 1905. He married Miss Eula Mae Garner at Turkey, Texas in January of 1926. They moved to Cochran County in December of 1924 and he had farmed here since that time.

He was a member of the Odd Fellows Lodge.

Survivors include his wife, two sons, Norman and John, both of Morton; five daughters, Mrs. Gloria Taylor of Ft. Worth, Mrs. Helen Tinnin of Lamesa, and Margaret, Kay and Connie, all of Morton.

Also, his mother and father, Mr. and Mrs. S. R. Hodges of Quanah, three brothers, J. W. of Stratford, Robert of San Pedro, California, and Jess of Quanah; and six sisters, Mrs. Grace Baumgardner and Mrs. Hallie Farley, both of Quanah; Mrs. Minnie Serna and Mrs. Belle Rose, both of Dallas, Mrs. Sallie Hester of El Monte, Calif., and Mrs. Ann Patterson of Wellington. Six granddaughters also survive.

Brother Dies In Arkansas

Funeral services were held at Charleston, Arkansas, Sunday, March 10th, for Elmer Benham, brother of C. C. Benham of Morton, who died March 7th at Charleston.

Other relatives living at Morton include five nephews, Gene, Willard, Raymond, Glendon and Truman.

Mr. and Mrs. C. C. Benham and Mr. and Mrs. Willard Benham went from here to Charleston for the funeral rites.

Cotton Growers Meeting Tonight

An important meeting of the Cochran County Cotton Growers is to be held here tonight (Thursday) at 8:00 in the County Activities Building Banquet Room.

The local directors to the area organization the Plains Cotton Growers, will be on hand to give special reports on recent directors meetings, and also to point up the important problems facing the organization as they conduct their annual meeting this coming weekend.

Also to be discussed, no doubt, are some pending bits of legislation that will further greatly affect the cotton situation of West Texas.

Any farmer or businessman interested in the welfare of West Texas, and the welfare of our area as a cotton producing area, is welcome to attend tonight's meeting.

Rowden Purchases Sehon Interest In P & B Automotive

W. G. Baker of the P and B Automotive Service of Morton announced this week that Tom Rowden of Morton has purchased Parnell Sehon's interest in the firm and joined the local firm Monday.

Mr. and Mrs. Sehon are moving to Tulsa, Oklahoma where he has purchased an interest in a super market.

Rowden, who has been associated with two of Morton's larger automobile dealerships and service houses for a number of years, has been engaged in the automotive repair service for many years, and has attended numerous schools of automotive repair.

The firm specializes in the Bear Safety Service for auto front ends.

Williams Rites Held at Sundown Last Sunday

Funeral services were held at Sundown, Sunday, at 3 p. m., in the First Baptist Church, for John C. Williams, 57, father of Mrs. Mary (Speedy) Lindsey of Morton.

Mr. Williams, a Sundown resident for 8 years, died in the Renegar - Campbell Hospital at Levelland, after suffering a stroke, Saturday. He had formerly lived at Plano.

Burial was in the Morton Memorial Cemetery under the direction of the George Price Funeral Home of Levelland.

Survivors include his wife, the 1 daughter, two grandsons; and one sister, Mrs. Ory Kelson, Winsboro.

Red Cross Sets Meeting Tonight; Hodge Is Chairman

W. J. (Dub) Hodge, new County Fund Drive chairman of the Cochran County chapter of the ARC, said Wednesday a meeting will be held tonight, (Thursday), at 7:30 at Joe's Place (formerly Kelly's Drive Inn), to set up the fund drive.

All volunteer workers are requested to be on hand to make plans.

Among the volunteer drive workers already named are Mrs. Alvie Harris of Bledsoe, Mrs. O. D. Chesler of Fannuliner, Mrs. Orville Snodgrass of the southern part of the county below Lehman, and Mrs. Kenneth Pyburn of Neely Ward & Griffith. A Whiteface volunteer is yet to be named.

Attends Regional Campfire Meeting

Mrs. M. C. Ledbetter, Regional representative from the local Camp Fire Council, attended the annual meeting of Region IV, of the Camp Fire Girls, Inc., in Corpus Christi, on Friday and Saturday last week.

Approximately four hundred Camp Fire Girls, volunteers and professional staff members from Texas, Oklahoma, New Mexico, Arkansas and Louisiana, the area comprising Region IV, attended the meeting.

Miss Martha Allen, National Director and Mrs. Hazel McCauley, Director Department of Personnel and Training were among the National staff present and gave emphasis during the conference to ways in which Camp Fire Girls services could be extended and made more effective at the local level.

Meeting Continues For Methodists

The Revival at the First Methodist church is attracting good crowds to the services now being conducted it was announced this week.

The services will continue each morning at 7 o'clock and each evening at 8 o'clock. The Rev. R. Luther Kirk of Plainview, is doing the preaching and Rev. Will M. Culwell of Muleshoe is leading the singing and working with the young people.

The Revival will continue through next Sunday night, the 17th. The public is most cordially invited in all the services. Come and enjoy the great preaching and fine song services.

We are expecting a record attendance in Sunday School next Sunday. Bring the entire family and help to make it a great day, both at Sunday School and Worship services. Bro. James E. Hargell pastor of the church said this week.

Vernons Sell Out East Side Cafe To Willinghams

Two familiar faces quit the square last Friday, Mr. and Mrs. O. D. Vernon, who for the past six years have operated the Eastside Cafe here.

March 17 would have marked an anniversary year in the cafe business for the Vernons.

Taking their places are Mr. and Mrs. R. D. Willingham, experienced cafe operators at Sudan, and already residents of the county for quite a few months.

Mr. and Mrs. Willingham will host an official opening a week from Wednesday, March 20th, and will serve coffee and doughnuts free all day long.

O. D. has announced he is leaving today (Thursday) for Mayo Brothers' Clinic at Rochester, Minnesota, for a complete checkup. Mrs. Vernon will accompany him there.

In announcing their retirement from the business, the O. D. Vernons expressed their sincere appreciation for the "wonderful patronage" given them over the years. And, to Mr. and Mrs. Willingham, they wished the best.

The Vernons sold their equipment to the Willinghams, and gave them a lease on the building.

It was in October, 1954, that the Vernons completed the stone building that now houses the Eastside Cafe. Prior to that they had operated from a wooden building that was located on the same lot.

Before entering the cafe business, O. D. was associated with the City ward department. He has been a resident of Cochran County for the past 31 years.

Missionary Baptists Having Meeting

Rev. J. T. Jones of Port Arthur, is bringing a series of sermons at the Morton Missionary Baptist church.

The series, which began Wednesday night, will continue through Sunday morning.

Nightly services begin at 7:30 o'clock. The public is cordially invited to attend.

Rev. Jones is a former resident of Lamesa.

'Finger Chopping' Getting To Be A Habit Here

Former County Judge Glenn Thompson this week became the third local man in two months to sever at least part of one of his fingers in an unusual mishap.

Thompson lost nearly the first joint of the middle finger on one of his hands Sunday as an automobile hood fell, pinning his finger. He had the severed portion of the finger sewed back on.

Only a few weeks ago, W. H. Mahan, local Ford dealer, lost part of three fingers on one hand caught in an overhead door at his Ford dealership in Morton.

A little over six weeks ago, Leonard Coleman, local Gifford - Hill - Western manager lost at least part of one finger caught in a car door.

Research Group Meets Saturday At Plainview

The Regional Council of the High Plains Station of the Texas Research Foundation will meet at the Hilton Hotel at 11 a. m. Saturday, March 16th after a luncheon they will visit the station at Halfway, just 9 miles east of Otton. Harold Hinn, chairman of the Council, is host to the meeting.

This is the first meeting since the Council was organized in October of 1956. At that time they set up the High Plains Station and made the Grand Jury panel for the next term of District Court.

Serving on the Commission were L. E. Huggins, Mrs. J. C. Reynolds, Alvie Harris, George Williams, Sr. and Nathan Tubb.

The names of the jury panel members were not available as the Tribune went to press.

Raymond Ross New Scoutmaster, Calls Meeting of Boys Saturday

Raymond Ross, newly appointed Morton Troop 101 Scoutmaster, has issued a call for all present Scouts and all boys 11-12 or 13 years old who would like to be Scouts, to gather at the Scout Hut in Morton at 4 p. m. Saturday evening.

Raymond, who was formerly a local Scoutmaster, agreed to take over the troop when Bill Bridges, present Scoutmaster for the past couple of years, was forced to resign because of other personal obligations.

In unanimously approving the new Scoutmaster, the Morton Lions Club, sponsors of the Troop, through Lion Boss Fred Stockdale, expressed their sincere appreciation for the fine job Mr. Bridges has done.

Ross announced Wednesday afternoon he will have as an assistant Scoutmaster Joe Carothers, a recent newcomer to Morton, who is employed by Morton Electrical Supply.

5 Local Scouts To Be Elevated To Eagle Ranks

Morton's Troop 101 Scouts will once again, reach unbelievable heights Friday when five more of their members will be elevated to the rank of Eagle Scout, highest ranking in Scout work.

The elevation will come at a district awards dinner at the San Andres Hotel in Levelland Friday night.

The honor is all the more significant when it is remembered seven members of this troop were elevated to Eagle rank just last year. The five at this session will be tops in the district as were the seven last year. The total of 12 Eagle Scouts out of one Explorer group is a tremendous testimonial to the work of the local Scouts and to the able leadership of Elra Oden, their leader.

Jury Commission Names Panels

A five-member Jury Commission of the Spring term of District Court, met Wednesday at Morton and selected the Pettit Jury panels and the Grand Jury panel for the next term of District Court.

Serving on the Commission were L. E. Huggins, Mrs. J. C. Reynolds, Alvie Harris, George Williams, Sr. and Nathan Tubb.

The names of the jury panel members were not available as the Tribune went to press.

1st Baptists Revival Continues

Continuing this week at the First Baptist Church in Morton was the twice-daily Revival meeting with Rev. Jake Setser, pastor of the Dellview Baptist Church of San Antonio doing the preaching.

Services are held at 10 a. m. and at 8 p. m. Harold Drennan is conducting the song service.

Jr. Class Selling Ham Dinners Next Sunday

The Junior Class of Morton High school are sponsoring a Ham dinner with all the trimmings, on Sunday, March 17, from 12:00 until 2 o'clock.

Tickets will be \$1.25 for adults and 75 cents for children and can be purchased from any member of the Junior class or at the door.

The banquet room of the County Activities Building will be the scene.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

By Lee H. Williamson
SCS, Big Spring

Irrigation wells are being started up and systems put into operation to apply a pre-planting application of water to cropland. Have you made a plan to guide you in applying this and future application? Do you know how much water to apply without waste or leaching? Do you know how to estimate the moisture in your soil? Do you know whether or not your irrigation system is operating as it should to put out the most water with the least pumping cost? If your answer to the above questions is "no" or "I am not sure," then the chances are that you will not realize as much profit from your irrigated acres as you should. In many instances a negative answer to one of the above questions could contribute to a loss from farming operations.

You should have a plan to use as a guide in applying irrigation

water. The plan should be based on your soil, topography of the land, amount of water available, crops to be grown, and the type of irrigation system to be used. You should include in your irrigation plan, information as to when you expect to irrigate and how much water you expect to apply at each application.

It should indicate what course will be taken in case of a pumping plant failure or substantial decrease in the capacity of your water supply. If your plan of irrigation includes crops that require different amounts of water it should guide you in when and how much to apply to each. These and many other items should be pretty well worked out and written down before the irrigation season is too far along. The plan should be definite, but it must be flexible enough to allow revisions necessitated by weather, insects, unforeseen conditions of crop growth, tillage operations and other factors that might influence farming including market conditions.

More than likely you are getting along with a pre-planting irrigation. Are you applying the proper or desired amount of water or are you making too heavy an application? Too much water will penetrate below a point where it can be recovered by plants. As water goes into the ground it dissolves and carries downward a lot of plant nutrients. These nutrients may be carried out of reach of plant roots if too much water is applied. At the same time too little water applied at this time may be insufficient to prevent the plants going into stress from lack of moisture before the next planned irrigation is made. Enough water should be applied at this time to bring the soil profile for the plant water extraction zone up to field capacity.

What depth does this zone reach? Take a look at your plan to see what crops will be planted on each acre and how deep roots are expected to go. The water holding capacity of the soil is also an important factor in determining how much water to apply. Future applications will be controlled largely by, among other things, what yield is expected from the crop and the fertility level of your soil.

There are several mechanical & electrical instruments on the market that will help determine soil moisture. Most of these are expensive and require variable amounts and expense for maintenance. A reliable method of estimating soil moisture is the "feel" or ball method. Details of this method of estimating soil moisture are available at the office of your local Soil Conservation District or from Soil Conservation Service technicians assisting the district.

During a recent trip I saw many irrigation systems that were operating very inefficiently. Some of the sprinkler systems were barely discharging water with enough velocity to cause the heads to rotate. Many had leaks at joints. Some were overpowered and using more fuel than necessary. Quite a few were operating at extremely high pressures or were getting very bad distribution of water on land. We even found several fields with dry spots. This was especially true in cases where excessive moves of the sprinkler line were made. Main lines and sprinkler lines of excessive length accounted for much of the inefficient operation. Loss due

GET IT AT YOUR FAVORITE GROCERY

All Interested Farmers Invited to Monday's Important PCG Meeting

Everyone interested in cotton has been given a cordial invitation to attend the annual meeting of the Plains Cotton Growers Association to be held at the Fair Park Coliseum, Lubbock, Monday March 18, starting at 10 a.m.

Congressman Jamie Whitten of Mississippi, chairman of the U. S. House of Representatives Agricultural Appropriations Committee, is slated to be the principal speaker.

Not only is Rep. Whitten described as an authority on cotton programs, but his words should be well received in this area because he is an exponent of some ideas that have

been received with favor around the South Plains, such as — the elimination of acreage restrictions as such, but a support price only on domestically sold cotton, the rest to be sold on the world market. Among other reports to be made will be one on the association's finances as of Feb. 28, 1957.

Total assets of the association now stand at \$168,253.76 with the sum of \$165,382.04 in available cash and the balance in office equipment. Income from the 1956 cotton crop to date shows returns from Cochran County: business, \$20.00; ginners, \$289.74 and farmers, \$4,091.10. Farmers contribute 15c per bale to the association, ginners 1c per

YOU GET MORE WHEN YOU GO Golden Rocket

GOLDEN ROCKET IS HOLIDAY SEDAN

CHECK THESE BIG-CAR EXTRA-VALUE FEATURES . . . YOU GET THEM ALL AT NO EXTRA COST!

Rocket T-400 Engine • 8.50 x 14 Tires • Custom Trim • Oil Filter Turn Signals • Foot-Operated Parking Brake • Four-Barrel Carburetor!

Big-car pleasure is a standard feature with Oldsmobile . . . even on the lowest-priced Rocket. For proof, take a good look at the fine details of the Golden Rocket 88. We're talking about the extra features that add so much to the value of your car, yet don't add an extra penny to the price of your Olds.

For example, you don't pay extra for the big-car performance of Oldsmobile's Rocket Engine.* The peace-making action of its high-compression power gives you economy when you want it, power when you need it.

*277-h.p. Rocket T-400 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., optional at extra cost.

Compare Oldsmobile's extra-value features with any car at any price! You'll soon find out that you get more when you go Golden Rocket 88. And this Rocket fits your pocket. Be our guest . . . take a Rocket Test, soon.

ALL THIS AND J2

Be our guest for a J-2 test! Oldsmobile's sensational new engineering advance presents two-stage engine control through progressive carburetion. STAGE ONE for smooth operation and better economy. STAGE TWO, for a quick surge of active power when the situation demands it.

It's like two engines in one!

Legals

LEGAL NO. 116
 CITATION BY PUBLICATION
 THE STATE OF TEXAS
 TO: Charles Allen Hans, Defendant.
 YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Cochran County, at the Courthouse in Morton, Texas by filing a written answer at or before 10 o'clock A.M. of the first forty-two days from the date of the issuance of this citation, same being the 8 day of April A. D. 1957, to Plaintiff's Petition filed in said court, on the 17 day of January A. D. 1957, in this cause, numbered 1136 on the docket of said court and styled Tommy B. Hans, Plaintiff, vs. Charles Allen Hans, Defendant.
 A brief statement of the nature of this suit is as follows, to-wit: That Plaintiff, Tommy B. Hans, prays for divorce from the defendant, Charles Allen Hans, and alleges harsh and cruel treatment as is more fully shown by Plaintiff's Petition on file in this suit.
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
 Issued and given under my hand

MORTON, WHITEFACE BOYS WIN IN HOCKLEY STOCK SHOW LAST WEEK

Morton and Whiteface FFA boys did a bang-up job of "prepping" for the Cochran County Fat Stock Show at Levelland last Saturday, walking off with some of the highest honors in that show, and boys of both groups placing very well.
 Morton's Kirby Hoffman, a veteran Fat Stock Show entrant by this time, showed the Grand Champion Lamb of the Hockley County Show and the Morton FFA boys had the best Pen of five lambs in the entire show.
 Bobby Neal, one of James Carroll's charges at Whiteface had the Reserve Champion Steer of the entire Hockley Show as a member of the Whiteface FFA. In addition, first places in the swine division shown by Whiteface included Jimmy Graham's Berkshire and Billy Brunson and Bobby Neal's Chester Whites, all from Whiteface FFA.
 Neal also had the 5th place calf in the Hockley Show, one of the best shows ever held there, both from the standpoint of interest and from the standpoint of sales.
 Local men who attended the show continually remarked how well the prices held up and how well the show was conducted.
 Other placings by Morton included: Paul Zuber, lamb, 2nd in the heavyweight fine wool class; Craig Graham, lamb, 4th in the light-weight fine wool class; Kirby Hoffman, lamb, 5th in the lightweight, fine wool class; Paul Zuber, calf, 2nd in the lightweight, dry lot division; Clyde Brownlow, calf, 10th in the heavyweight, dry lot class; Tommy Holloway, swine, 2 Duroc heavies placed 5th and 6th, Charlie Silhan, Joe Silhan, Max Hawthorne and Jim Jeffries also showed animals.
 Others from Whiteface included: Bobby Neal, calf, 5th place; Jimmy Collins, calf, failed to place; O. L. Castle, 2 lambs, 3rd and 4th; Clifford Williams, 2 lambs, a 2nd and 4th; Davie Castle, lamb, 5th; James Ashmore, lamb, 6th; Charles McClure, swine, crossbred, 5th; Larry Stegall, swine, crossbred, 6th; Bobby Neal, swine, Poland China, 5th and Ed Whitehorn, swine, Duroc Jersey, 13th. Also showing animals from Whiteface were Nathan Moore, Don Rhodes, Bob Riddle, Franklin Henderson, and Lewis Sims.

31 Parents Bring Six Year Olds to Preschool Meeting

Thirty-one parents were on hand Tuesday at the Morton Elementary school at a special preschool tour for next Fall's first graders, and 39 first graders-to-be out of 98 on the census, showed up.
 The group toured the first two grades of the school, the newcomers being welcomed by each class, and later most of the parents made a trip to the nurses office with the young charges where the children were given free shots needed for all first graders. Many parents took advantage of the offer for the free diphtheria, small pox and whooping cough shots for their youngsters that will enroll in September.
 Principal Jerry Barton and the School Health Nurse, Mrs. Collins, did the guiding of the tour and Mrs. Collins gave the shots.
 School officials were well pleased with the turnout. The group was entertained by the Junior High Choir under the direction of Joe Carroll.
 Mr. Barton urged the parents to not let this be the last time they attend schools, stressing that the success or failure of the youngsters as students usually rests with the parents and their attitude. He also gave them a list of several ways to help the children and the school.

Camp Fires Plan Pancake Supper

The Camp Fire Council of Morton will serve a pancake supper in the Banquet Room of the County Activities Building on Friday evening, March 22nd, it was announced Wednesday.
 The Council, with all proceeds to go to the local Council's camping expenses for next summer, will host the supper beginning at 5:30. Tickets will go on sale soon.

Book Lovers Meet At Bula Tonight

Book Lovers meet tonight (Thursday), in the home of Mrs. Osie Wilson, at the Bula School.
 Morton members are to meet at the home of Mrs. Carl England at 7:30.
 and the seal of said court at Morton, Texas, this 18 day of February A. D. 1957.
 Attest: Mrs. Lee Taylor, Clerk District Court Cochran County, Texas (SEAL) 51-4tc

Auto Inspection Badly Lagging

With auto inspection deadline rapidly approaching, Cochran County auto inspection totals are running slightly ahead of other counties in the area, but still are lagging far behind what they should be.
 According to Area representative I. W. White, of Lubbock as of March 1st, 972 of 2900 approximate county vehicles had been inspected in the local garages. Some additions to this total might be locals who have had their vehicles inspected out of town. However, some of the local inspections are also probably out of county vehicles.
 White figured roughly 34 percent of the vehicles had been inspected with only a short time remaining before the April 15 deadline.
 White also cautioned there are only 3 inspection stations in Morton this year: Hawkins Oldsmobile, Allsup Chevrolet, and Ed Howell Motor Co. Before there have been as many as seven local stations. This is very important as far as time is concerned in the last few days before the deadline.

Whiteface May Form Lions Club

Four guests were on hand for the Morton Lions Club meeting Wednesday noon, Nathan Tubb, Supt. of the Whiteface Schools, District Judge Victor Lindsey, local First Methodist Church pastor, Rev. James Harrell, and visiting Methodist Evangelist, Dr. Luther Kirk of Plainview.
 Each of the members had a few words to say and Supt. Tubb brought the glad news that a Lions Club may be formed again at Whiteface. He told the local club that 24 turned out for a meeting at a club formation held at Whiteface earlier this week.
 The Lions briefly discussed the appearance of the Barber Shop quarters in Morton tomorrow night, (Friday) under sponsorship of the Lions. They mentioned the regret of the conflicts of the date with a trio of revivals but promised that the quartet show will run about two and a half hours and urged all to come by after church and they would still hear plenty of quartet music.
 The group also unanimously approved the appointment of Raymond Ross as Troop 101 Scoutmaster.
 Lion President Fred Stockdale asked the officers to remember a Lions Ladies Night Zone Meeting at Levelland, March 21st.

Band Boosters Will Sponsor 'Serencders' Show

The Morton Band Boosters will sponsor the Serencders from KCTID-TV, Lubbock, in a program at the Cochran County Auditorium on Thursday, March 28, at 8:00 p.m.
 Some local talent will also be featured and a special "pie and cake" auction will be held immediately following the program with the Serencders as auctioneers.
 Tickets are now on sale and may be purchased from any band member or by contacting a band parent. Admission will be 75c for adults and 25c for youth (through the 12th grade).
 All proceeds will go to the local club.
 Mrs. A. E. Sanders, Mrs. Bob Huckabay and Mrs. John Crowder reminded local folks once again this week its time to enter their favorite hobby collection in the 1st annual Camp Fire girls' Hobby Show to be held the 29th and 30th of this month. See one of these ladies to make arrangements to enter your display.

Bandsmen to Hear Navy Concert

Many members of the Morton High School Band plan to attend the U. S. Navy Band Concert at the Municipal Auditorium in Lubbock on Saturday, March 23.
 The appearance of this group offers the local students a chance to hear one of the very finest bands in the world. Morton members will attend the matinee performance and will go to Lubbock either in school bus or private cars.

Polio Meeting Is Called Off

The meeting set for tonight (Thursday), to elect the new officers of the Cochran County Chapter of the National Foundation for Infantile Paralysis, has been cancelled. The meeting was cancelled due to the fact that three churches are having meetings at this time.
 A new date for the meeting will be announced later.

Jr. Class Play Set For March 22nd

The Junior Class will present a play entitled "The People vs Maxine Lowe," Friday, March 22, at 8 p.m. in the County Auditorium. Tickets will be available Monday March 18.

Hobby Show

All proceeds will go to the local club.
 Mrs. A. E. Sanders, Mrs. Bob Huckabay and Mrs. John Crowder reminded local folks once again this week its time to enter their favorite hobby collection in the 1st annual Camp Fire girls' Hobby Show to be held the 29th and 30th of this month. See one of these ladies to make arrangements to enter your display.

Dependable Pumping Power

New 800-6A power unit develops 148 hp on LP gas and 134 hp on natural gas at 1200 rpm.

Here's another dependable MM power unit designed to furnish low-cost, trouble-free performance. Smooth, 6-cylinder high-turbulence power and counter-balanced crankshaft reduce torsional vibration for longer engine life.

MM heavy-duty power units are noted for their long life. Nine models to choose from. Stop in soon. Let's talk over your power needs.

We Are Now Distributor for REDI - RAIN Sprinkler Systems

BEDWELL IMPLEMENT Co. MORTON, TEXAS

Senator Preston Smith

This Capitol Hill is caught up in a volcano of sensation that makes the 54th Legislature's scandals seem small by comparison.

Actually, however, progress is being made daily on important legislative programs, but the series of hearings and investigations going on here are overshadowing any notion of achievements right now.

Waggoner Carr, House Speaker, recognized the certain threat to the prestige of the House when Rep. James Cox of Conroe was charged with allegedly offering to accept a bribe to kill his own bill to outlaw Naturopathy in Texas.

Carr, solemnly and seriously made an epochal speech in which he said:

"When one individual in a group this large does commit a wrong, any effort to cover it up... to whitewash it... merely results in reflections being cast upon every member of the group. I assure you that the blameless will not be blamed for any breach while I am speaker if I can possibly help it... the overwhelming majority of the many men and women who have served in this House have maintained high standards of respect, honesty, integrity and conduct."

The speaker said: "We will take all necessary steps to keep our house in order. This we will do swiftly, fearlessly, always staying with the right and letting the chips fall where they may... always protecting the constitutional and legal rights of those accused... always remembering that a man is presumed to be innocent until proven guilty."

This the most recent sensation surrounding the 55th Legislature was placed "out on the table" in plain view by the House speaker.

And his actions seemed to have reflected the new trend of thinking regarding scandals... a growing sentiment is detected in the House and Senate to face these things with the chips down.

Athletic Boosters To Meet Again Next Monday Nite

The Morton Athletic boosters had their hands so full of ideas Monday night, that they made little actual headway in determining how to promote a money making project that will help relieve the burden of some of their commitments.

However, so many ideas were advanced that appeared to have merit, the group called a special meeting for next Monday night to hear reports on their projects.

The group was told that a trampoline has been ordered by the school, the second actual purchase made since the group formed a couple of months ago.

The organization now boasts 33 members with potentialities for a great many more. Ten members attended Monday's meeting.

The proposed new football scoreboard was discussed but no action was taken. It was decided before the board is ordered, a group of plans of the actual board, as it will look, should be drawn up and taken to prospective advertisers to get an idea of how it will sell and to allow actual figuring with sheet metal men, carpenters, and painters to see what it would cost.

Next Monday's meeting will be held at 7:30 p.m. in the County Activities Building or in the High School. Films will be shown.

CONNIE HUDSON, BOBBY FIELDER WED IN PORTALES CEREMONY

In a ceremony performed at the Church of Christ in Portales, February 27, Miss Connie Hudson and Bobby Fielder were wed.

Connie, the daughter of Mr. and Mrs. C. G. Hudson, now of Morton, attended and graduated from High School at Causey, New Mexico.

Fielder, now stationed in the U. S. Army, is the son of Mr. and Mrs. Harry Fielder of Shreveport, La. He attended school and graduated from Lindon High School.

The ceremony was performed at 9:30 p.m. with Mr. and Mrs. Olen Click as attendants.

The couple left immediately on a short wedding trip to Alamogordo, New Mexico. Fielder then returned to his base in Virginia.

Mrs. Fielder plans to stay in Morton with her parents until her

husband, who has been in the Army since last September, knows where he will be stationed next.

ANOTHER EXAMPLE OF NATURE'S CAMOUFLAGE IS REPRESENTED IN THE TAPIR THE WOLING ARE BORN WITH STRIPES AND SCANS WHICH LATER DISAPPEAR AS THEY GROW OLDER

Young or old, you need the benefits provided by vitamins. These vitamins make up dietary deficiencies, promote general good health... help prevent seasonal colds that seem to attack so many. See us, today for your supply!

DOING BETTER

Eshell Roddy was reported recovering nicely this week after an auto accident two weeks ago that left him with bac kand internal injuries that required a body cast for a while. Last Thursday he told folks who saw him downtown he was doing alright but would be glad when he could have the heavy wrap removed.

HOSTS BUSY FINGERS

Mrs. Willie Taylor entertained in her home for the Busy Fingers Sewing Club, Thursday, March 7th.

After a short business meeting, refreshments were served to ten members on hand.

The next meeting will be in the home of Mrs. Sammie Williams on Thursday, March 21, at 2:30 p.m.

NOTICE TO STOCKHOLDERS of VACTRON Corporation. you are invited to attend a meeting at the District Courtroom in Morton, Thursday evening, at 8 o'clock. - valuable information, public invited -

REPRESENTATIVE BOB BOWERS'...

WEEKLY LETTER

The investigations are continuing into the L. C. T. Insurance receivership and the case of former member, James E. Cox, whose resignation was accepted this week.

Since last week the scope of the special Cox committee has been extended to cover any and all matters that might come to the attention of the committee during the present investigation.

Jaycees Will Decide Monday Their Role in Fair

Two guests were on hand for the Morton Jaycee luncheon Monday as the group decided to go after a new, local promotion idea, if one is available, rather than the Appreciation Day project and also decided to wait a week before deciding what actual role they should take in a County Fair for 1957.

Sammie Leveritt and Mr. Kennedy a Mineapolis - Moline representative were the guests.

Eloved Harris, vice - president of the group asked the Jaycees to do what they could to help rush the Fat Stock show this weekend. He also told the group the Fair Association was a little in debt from the last Fair.

School Board President Tommy Holloman asked the Jaycees to seriously consider the school bond elections coming up, and to be sure to vote. He expressed the desire a group of eligible men's names will be submitted this week. The deadline for filing was Wednesday evening of this week. The elections are set for April 8th.

Whiteface FFA's Hold Banquet

The Whiteface Chapter of Future Farmers of America recently held their annual Father, Son and Awards Banquet. Mr. R. K. McCoy, Elementary School Principal made a very interesting talk on the opportunities available to students of vocational agriculture, such as: degree advancement, leadership contests, and judging teams (livestock, dairy, grass, dairy products, land, and poultry) that a student of Vocational Agriculture can be on.

There were eighty - six parents, members, and guests of the members present for the occasion. Those invited to attend were: the Whiteface Board of Education, the Superintendent of Schools, the High School male faculty, and the honorary members of the chapter. The FFA officers conferred the honorary Chapter Farmer degree on Mr. F. S. Baldwin and R. K. McCoy for the splendid work which they have so generously given the chapter members. The Chapter Sweetheart, Beverly Welch presented to each a framed certificate and a gold Chapter farmer pin.

The Vocational Agriculture teacher, James M. Carroll, presented Certificates of Merit to the following Vocational Agriculture members: Radio Broadcasting, Neil Allen, Bobby Neal, Bob Garrett and Pete Whittenburg; History of FFA and Quiz: Billy Newton and Raymond Hines; Junior Chapter Conducting: Franklin Henderson, James Ashmore, Jimmy Collins, Nathan Moore, Ed Whitehorn, and O'dell Scribner; Senior Chapter Conducting: Mike McCoy, Charles McCure, Billy Cox, Charles Lyons, Ju an Remas, Clifford Williams, Ysidoro Remas, and Robert Riddle.

The banquet meal was prepared by Mrs. Westbrook and the other members of the lunchroom staff. The Whiteface Chapter will be showing their projects at Morton, this weekend, and showed at Levelland last weekend.

What the Christian Churches Believe by Don Elliott, First Christian Church, Morton, Texas

Ever since February of 1956, when the First Christian Church (Disciples of Christ) was started in Morton, many people have asked just exactly what we do believe, and for what do we stand. Now in this series of articles on "What the Christian Churches Believe," we hope to present some of our major beliefs and concerns. Listed below are some of the things which these articles will discuss, and while this list represents most of the views by a majority of the brethren in our churches, it does not claim to present all of the beliefs.

It should be pointed out that it is not our desire or intent to use this series as a mean of attacking or degrading the beliefs of other churches and denominations. Rather our purpose is only to present our beliefs with the hope that each person who reads them will become more aware of his own beliefs, and will realize that although some differences do exist, Christians everywhere have the one basic goal of presenting Christ to a troubled world. To say that other people's beliefs are wrong merely because they are different from our own is not only foolish but it is to do something which only God has the right to do, and that is to judge our fellow Christians, (Matthew 7:1, Romans 14:4).

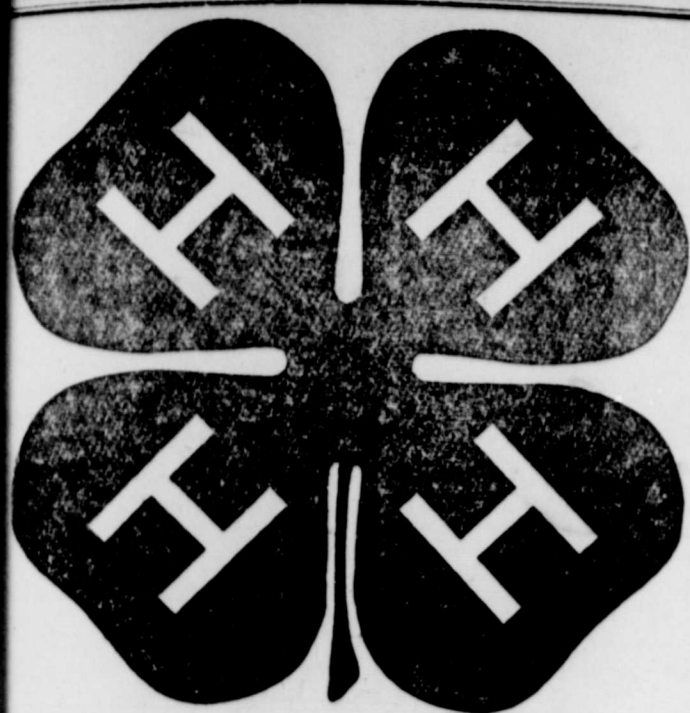

So it is that we now present our beliefs, because they have been meaningful to us as valid interpretations of God's way.

- We believe: 1. There is one God and Creator - sustainer and director of the universe, who loves us and saves us through Jesus Christ, His Son. 2. That man is free to accept Christ through faith or to reject Him; but only those who are willing to place their complete faith in Christ and fully obey His gospel are elected by God through Christ to receive salvation. 3. That salvation is a process of growth in knowledge and grace. That conversion is the voluntary turning of mind and heart through faith, repentance, confession, and baptism to the way of Jesus Christ, and in no way depends on visions or voices. 4. In baptism by immersion as an act of obedience unto the example and command of our Lord. 5. In the Bible as God's word. We look to the New Testament as the rule of faith and practice, and stress the right of private interpretation of the scriptures and individual freedom of opinion. 6. In observing the Lord's Supper weekly as a memorial and as a continuing fellowship with Christ. That all believers in Christ may freely partake of this memorial. 7. We believe in the "congregational" form of church government and we strive to use democratic procedures in conducting our business. This is in accord with the fact that no other large Protestant body is more distinctly of American origin and democratic temper, than is the Christian church. 8. In the concept of the priesthood of all believers, that each member is able to minister to the congregations, and to intercede through Christ to God for his fellow Christians, his fellow man, and himself. 9. In cooperative efforts among ourselves through a missionary society in sending out missionaries and establishing new churches and in cooperative efforts with all churches in any way that will advance, in the spirit of Christ's love, the kingdom of God on earth. 10. In no official creed or theology except the confession: "Thou art the Christ, the Son of the Living God." Matthew 16:16. We trust that you will follow the explanations of these beliefs in forthcoming issues of this paper, and will feel welcome to come and visit with us at any time in our Sunday morning worship service at 11 o'clock. We are now temporarily meeting in the Veteran's Hall in Morton. Please address any correspondence or questions which you may have to Don Elliott, care of the First Christian Church, Morton, Texas.
