SCHOOL ATTORNEYS ASK SUMMARY JUDGEMENT IN CASE OF STOCKDALES VS. MORTON SCHOOLS

The attorneys for the Morton Independent School District in the case of Fred Stockdale and wife Alice vs. the School District, have petitioned Judge Victor Lindsey for a Summary Judgment in the case.

REAPPOINTED CNTY AUDITOR

County Auditor, Joe Nicewarner, who completed his first two year term in the office July 31, has been reappointed County Auditor. It was decreed by the Tribune this week in a check of the minutes of a recent District Court session.

First Bale For Bailey County?

Casey Gin of Maple reported the first bale of cotton ginned last Thursday from cotton raised on the H. T. Clark place (no relation to H. T. Clark of Morton).

Premium to \$200

The premium for the first bale of cotton raised in Cochran County this year, has increased above the \$50 in cash mark. It was reported this week by the Morton Jaycees.

for Judge Lindsey to throw out the case on the grounds that insufficient cause has been shown to try the case.

It was the first legal move recorded in the case file since the Board had answered original charges. A proposed compromise offered by Stockdale's attorneys and a counter compromise offered by Clinton, were evidently both rejected, though there is nothing in writing to that effect.

In requesting Summary Judgment in the case Attorney Clinton alleges six points.

I. He points out the Plaintiff's request for Judicial review of the facts in the case.

II. He maintains that Mrs. Stockdale was advised on or about February 12, her work was not satisfactory and maintains on or about April 15 she was advised her contract would not be renewed.

III. He states teachers are elected by the Board and are given

Hobbs Family Injured Tuesday In Auto Mishap

Five Hobbs, New Mexico residents were treated, three of them being hospitalized, early Tuesday, when an auto in which they were riding, missed a curve, smashed into a row of protective rails, and then rolled over two and one half times.

Shirley Ann Jones, 7 years old, and Pamela Sue Jones, 5, remained in the Cochran County Hospital Tuesday night and their mother, Mrs. Warda Jean Jones was taken to a Lubbock Hospital for further treatment.

The father, Hersell Lonnie Jones and a son, Thomas Jones, 6, were treated and released.

The family was riding in a 1953 Ford, heading toward Hobbs, about 4 miles and a half south of Lehman, on Highway 214. Mrs. Jones evidently fell asleep at the wheel, and investigating officers said. The car went out of control on a curve.

The family was in a hurry to get back to Hobbs to get their children in school. The accident occurred around 8:20 a.m.

Mrs. Jones, the most serious hurt, was said to have a broken hip and possible internal injuries. Pamela suffered a fractured shoulder. The father had a dep out on his head. Other injuries were not announced.

It was the second accident in the area within 12 hours. A group of Lubbock men were treated, but not hospitalized around 11 p.m. on Monday night when a late model Pontiac smashed into a sand bank, just west of Lehman, a few miles from the other mishap.

Jack Moore, Don Hodge, and J. C. Moore, all of Lubbock, were treated and released.

The accident had occurred at about 10 o'clock but the men at first thought they were alright, and then about an hour later decided to go to the hospital for treatment of assorted cuts and bruises.

Both cars in the two one-car accidents were badly damaged.

Important Meet'g At Whiteface

Farmers of the Whiteface Community and other interested farmers are reminded tonight of the meeting to be held at 8:00 in the Elementary School auditorium at Whiteface.

The Sub-Committee on Salt Water Pollution will report on findings resulting from a study they have made on this very urgent problem.

The meeting was called by J. R. Kuykendall, Chairman of the Cochran County Program Building Committee.

The Committee on Salt Water Pollution is composed of Ed Burton, Don Valentine, Floss Baldwin, and H. L. Graham.

Farmers who have had an analysis run on their water are urged to bring this information to the meeting which will be attended by Tom McFarland of the High Plains Water District who will make a report.

It is hoped representatives of the State Water Board of Engineers & State Department of Public Health will attend.

Other Sub-Committee members will make reports on their fields of study which include: new sources of income; better telephone service; Natural Gas as a Source of Fuel Supply; and others.

a written contract which he says Mrs. Stockdale does not have, nor allege to have.

IV. He theorizes the policy is not part of the written contract & says Mrs. Stockdale does not allege that it is.

V. He adopts all the original answer as part of his move for summary judgement.

VI. Finally, he says no issue of fact exists and the Plaintiff is not entitled to judgement.

The summation statement reads: "... asks the motion for summary judgement be sustained and the court enter summary judgement in favor of the defendant and against the Plaintiff in this action, and that Plaintiff's suit be dismissed and that Plaintiff, and each of them, take nothing by reason of this suit, for costs and such other general relief to which defendant may show itself justly entitled."

TSTA Worker Will Speak to County Teachers

Mr. Sam B. Culpepper, Director of Field Service for the Texas State Teachers Association, will speak at a meeting of the Cochran County Teachers Association held at Whiteface School Auditorium, 7:30 p.m., on September 26, 1957. Mr. Culpepper will discuss "the new teacher retirement program."

Mr. Culpepper, a graduate of Howard Payne College and Baylor University, has had a rich background of experience in public school work. He has served as a classroom teacher, principal, superintendent of schools, deputy state superintendent in the State Department of Education & director of the Division of Health and Physical Education for the State Department. He has served in his present capacity as Director of Field Service for TSTA since 1950.

He has been active in the affairs of the Texas State Teachers Association for a number of years, has served as a local unit president, a delegate to district, state and national meetings, and a member of the Speakers Committee of TSTA. He is a member of the Texas Association of School Administrators, the American Association of School Administrators, and is a life member of the Texas State Teachers Association and the National Education Association.

And Few Knew How Delicious They Really Were

Fryers for 75c per pound, a little high for this particular time? That's what Snoball Willis thought when he read his ad in the Tribune last week.

Although the overline read 1 and 1/2 lb average, the "pound" sign slipped into the bottom line too.

Our apologies to Willis Food.

Doty invites friends and customers to drop by and view the new structure.

MINUTES APPROVED FOR FOUR SMALLS OF ACTION Commissioner's Court Renewed Surplus Commodities Plan; Nixes Sale of Hospital Land to Local Doctor

By EDDIE IRWIN
Among the minutes approved by the Commissioner's Court Monday, minutes for meetings dating back to May, were several actions taken by the Court that should be of interest to readers.

RENEW PARTICIPATION IN COMMODITIES SURPLUS
The Court recently renewed its participation in the Surplus Commodities Program — "or perhaps we should say the county's participation. County Judge Fred Stockdale told the Commissioner's on Monday, the number of individuals on the grocery list was now only 238, a considerable drop from a couple of years ago when over 900 were on the list."

OUTSIDE AUDITING FIRM HAS NOT BEEN APPOINTED
The Commissioner's also considered the reappointment of an outside auditor back in May, but a motion to rehire the firm of Neimeier and Pearce was not seconded. The matter was tabled and has not been pursued further. One of the Commissioners this week emphasized the action was no reflection on the work of the company that conducted the major audit ordered three years ago, but the court simply thought it might be a good idea to change auditors every once in awhile.

The Court voted \$75 in funds to help pay expenses of the 4-H Roundup and leader to the 4-H Roundup.

The Board was approached by three insurance men in the recent months to furnish lists of the County's insurance, with an eye toward "passing it around." The matter was tabled each time until the County Auditor, Joe Nicewarner,

furnishes the Court with a list of the County's insurance.

Back in the month of June, John C. King was appointed to the Hospital Board, replacing M. D. Sides. The Commissioner's also voted a \$169.90 donation to the 4-H Rifle team to help pay expenses to the state competition.

COUNTY TOO SMALL FOR PURCHASING AGENT PLAN
A motion was made and a discussion held, back in mid-June, of naming one person as purchasing agent for the county, to avoid needless expenditures and keep a more accurate check of immediate expenses. Judge Stockdale read a statute to the group and said the County did not have enough population to do this. The matter was tabled.

The Court approved the sum of \$3,000 for Mrs. Otis Denny's office for extra help, over and above the budget. Later they also approved the hiring of Mrs. Don Hofman as second deputy in the Clerk's office and Mrs. Denny asked for a second deputy in her office. Velda Ruth Baldrige was approved as a 2nd Deputy in the Tax Assessor-Collector's office.

LLANO GRANDE'S VALUATION IS SET AT \$549,150
Lloyd Croslin, attorney for the Llano - Grande Corporation appeared before the Board asking the tax evaluation of Llano Grande Plant be set at \$500,000. The Commissioners then all voted to set the evaluation in question at \$549,150.

The Court approved a month's extra hired help out at the Park last summer, and of course, set up the swimming pool operation which had already been published.

They approved the County Budget at the judge's hearing a month ago. The minutes of the meeting record the budget showed the County's evaluation to be about \$30 million, and estimated tax collection was 20 per cent. (Ed Note: County Auditor Joe Nicewarner said he would have a completed copy of the budget and other pertinent information ready sometime this month and the Tribune will secure it and present a breakdown, soon.)

PUBLIC WEIGHER WAS APPOINTED BY COURT
At the request of E. C. Payne the Court appointed Wallace Lumpkin as Public Weigher. The office is located in the County Jail building. See (County Business) Page Four

150 Masons Here For Dedication

Some 150 area Masons attended the formal dedication last Thursday night of the new F. & A. M. Antelope Lodge hall here.

Guests were welcomed by Roy Tarver, Jr., worshipful master.

A barbecue dinner was served to guests and local members in the Cochran County Activities Building luncheon room prior to moving to the new hall where a Master degree was conferred by area Masons.

R. V. Vialille, of Levelland, district deputy, expressed area member's appreciation for the work of the Antelope lodge.

Two charter members, R. T. Tarver, Sr., and J. L. Winder, were present.

Included in the guest list were Masons from Denver City, Plains, Levelland, Sundown, Anton, Oilton, Muleshoe and Lubbock.

MORTON FACES MULESHOE IN BIG GAME FRIDAY

The Morton Indians face what may well be the toughest team they will meet all season long, Friday at Indian Stadium, when they encounter age old rivals, the Muleshoe Mules.

The tough Class 1AA favorites will no doubt carry into the game a two-touchdown or more favoritism. This will be based on solid past performance and facts. But, you never base anything on determination, and the determined Indians, will remember losing a 7 to 0 decision at Muleshoe last year. They felt they could have won that one with a break or two, and are determined to make up for it.

The Mules must rate as favorites, on paper. THIS is the year, for the Mules. Winners of five of ten games last year, the Mules are roaring back this year with no less than 13 returning lettermen, and eight of them were first stringers last year. Only at center will they have a non-letterman.

The line is big and burly, though not a lot bigger than ours comparing first stringers only. The back field is swift and sure, and the attack is varied, making the Mules a complex team to set up a defense against. They'll pass (completed 5 of 7 tries in their first two games this year), sweep end, burst into the middle, or use many varied tricky formations off their Split T attack.

Coch Wayne Mantooth's charges have been impressive in coming back for a fourth quarter. 14-13 win over Clovis and a 56 to 7 clobbering of Sudan. So sure are they of their running prowess, that they have chosen to run every extra point attempt thus far this season, and they haven't failed yet, making ten straight.

The attack is built around two men, both seniors, in the backfield, and have between them most of the offensive assets needed on a team. Fullback Bill Black, a 170 lb. senior, is an all-around athlete. He is a powerhouse, runner inside, and a swift outside. His punting can be tremendous, having had several punts over 50 yards last year and one already this year.

Quarterback Dickie Johnson, a shifty 150 pounder can handle the keeper exceptionally well and has scored two touchdowns and four extra points. He passes well and last year called nearly every play during the season — so he is well experienced.

But there are plenty of others to back these boys up. A pair of Sophomores have done most of the real shining in the two early games. Donnie Shafer and Darrell Oliver, both of whom lettered as

freshmen last year, have been doing most of the scabbacking with help from junior, Lee Roy Corrales.

Don Alexander, Bob Sanders, & the Turner twins, Royce and Doyle, are all returning seniors in the line which will be a little more experienced than Morton's.

Where Muleshoe will have the big advantage is in depth. The Mules have a 220 pounder sitting on the bench, along with 17 others, while the Morton squad numbers only 17 when all men are well... and two were on the injured list early this week.

Defense was Morton's strong suit against Seagraves and a repeat performance should go a long way toward slowing down the Mule scoring parade. This, plus incentive & spirit which the boys now have for the first time in many a year, and some glue fingered pass receivers, could give the fans a big show for their money Friday night, at 8 p.m.

RUSH TO BEDSIDE OF BROTHER, MR. BARTO RAMSEY

Mr. S. A. Ramsey, Miss Alva Ramsey, and relatives from Plainview and Littlefield, left Wednesday night for Phoenix, Ariz., to be at the bedside of their brother, Mr. Barto Ramsey who was reported in critical condition from a kidney ailment. The ailing man was a recent visitor to Morton.

Farm Labor Group Has Charter; Now Signing Farmers

Louis (Snooky) Russell, Manager of the Frontier Farm Association, this week advised that the newly formed organization is going full blast and is ready to serve any of the area farmers having a need to contract Latin American labor.

The office, located in the Baker Feed and Seed building, together with the Farm Bureau, has received its approval of charter through the Department of Labor at Dallas and has already had a large group of applications sent off for approval.

Farmers who missed signing up by the Sept. 15 deadline, can now sign up for receiving labor help, and should do so as early as possible so their application can be approved and be ready when they need the labor.

KERR MIDDLETON OF LUBBOCK GETS SEALCOATING CONTRACT

Kerr and Middleton, well known contractors of Lubbock, have been awarded a road building contract for Cochran County, the result of seal coat construction on the Sandown Cutoff Road in Precinct No. 2; a distance of some 12 miles.

A low bid of \$11,914.50 won the contract for Kerr over the only other bid submitted by Thomson of Lubbock whose bid was \$13,518.

Commissioner Ran Holloman issued the motion to accept the bid, and Commissioner Gilbert Keith seconded it. All voted aye.

The costs are only approximate, since the exact distance of the road to be seal coated has not yet been determined. However, the KM unit price was considerably under the other bid. The contract calls for No. 7 grade aggregate tonnage, which was said by the engineer, Noble James, of Lubbock Engineering Co. to be a good grade.

The road to be seal coated, is located in Precinct 2 and is known as the Sandown cutoff. It starts on Texas Highway 214, below Lehman, and extends approximately 12 mi.

The construction of the road will be effected quickly. The contract calls for the company to begin on it within 7 days of the awarding of the contract and to complete it within 5 days — barring weather or other natural difficulties.

Engineer James, who was also officially hired at Monday's meeting, said the cost was considerably under what he had estimated it would be. He also told the Court there was no question about the good reputation of the two companies that bid. He assured Commissioner Keith that the surface

would be rolled.

The engineer's fee, at 5 per cent, will amount to approximately \$595.

Both Kerr and Middleton, co-owners of the firm, formerly worked with the Texas Highway Department.

Most of the rest of the meeting Monday was spent in approving Commissioner's Court minutes from May through August.

Soil Conservation Supervisor Election Set For October 1

On Tuesday, October 1, an election will be held in the Neely Ward School House for a supervisor of the Cochran Soil Conservation District.

The election will be held at 3:00 p.m.

Soil Conservation districts are divided into five zones. A supervisor is elected by the landowners in the zone for a tenure of office of five years. By rotating the election zones, one supervisor's term expires each year.

This year the election will be in District four. The zone consists of all land in Precinct four, located west of Star Route Grocery. All resident landowners in this zone are qualified to vote. D. A. Ramsey is the present supervisor in Zone Four.

A Soil Conservation District is a subdivision of our state government. It is completely independent and has the privilege of requesting help from any agency or organization. The district governing body, or supervisors, serve without pay. They receive an expense payment for attending meetings. Usually the supervisors meet one day each month to conduct their business.

Present supervisors, other than Ramsey, are: D. E. Benham, Marvin Lassiter, H. H. (Hobb) Rosson, and Max Bowers.

Former Resident Joins Cobb's Firm At Odessa

Woodie Combs, who moved to Denver City from Morton to take over the operation of the St. Clair Ben Franklin store there, is moving to Cobb's new Odessa Store.

While in Denver City, Combs served as director of the Jaycees, a member of the City Council, and director of the Chamber of Commerce. He joined the St. Clair firm in 1941.

Mr. and Mrs. Combs have four children, Larry, Tommy, Bobby, & La Nita.

BIGGEST BOOSTERS OF ALL — Shown above are five reasons why the Morton football and basketball teams will be well supported this year. The girls are the five cheerleaders of Morton High: Sara Jo

Wallace, Myrta Cox, Mary Lee Ledbetter, Barbara Waltrip and Peggy Patterson are shown on the campus of SMU at Dallas where they attended a cheer leaders school, August 25-30. The girls took

two second places and a first for their efforts at Dallas and in competition with all 400 girls who attended the school, they placed third in their division. Zodie Ledbetter, a younger sister of Mary Lee, will be

the mascot this year. The girls will be leading the cheers come Friday as Morton faces Muleshoe on the Indian's field.

The girls reported the school in Dallas was very beneficial and entertaining.

Urges Public To Learn More About Laws Regarding School Buses

These state agencies joined this week in urging the continuation of a state-wide program to acquaint the public with the Texas law regarding all vehicles to stop when approaching a school bus loading, or unloading children.

Grandad Cloud Returns from Calif.

Grandad C. A. Cloud, an oldtime Morton resident, returned to Morton last Thursday from California where he spent a three-month visit. He made the trip back with his daughter, Mrs. Willie Rose, and a granddaughter, Mrs. Ray Miller of Dallas, Mrs. Rose's daughter. Grandad Cloud moved to Morton with his family in 1925 from Washburn, Taylor County. While in California he visited his daughter, Mrs. Myrtle Franklin and family at Visalia, Mrs. Eva Elms and family at Strathmore, and Miss Inez Cloud at Exeter. Grandad Cloud also visited his

Safety are making a joint request that school superintendents, newspapers, radio stations, and television stations participate in efforts to acquaint drivers with the school bus law. "Superintendents and news editors performed an outstanding public service in this safety campaign last year," said J. W. Edgar, Commissioner of Education. "Yet 7 lives were lost during the school year, in collisions involving school buses. There is a continuing need for a program of safety education. There were two more fatalities during 1956-57 than were reported to the Department of Public Safety in 1955-56. The total number of accidents reported declined, however, from 379 to 335. (During the past year the Highway Department erected signs on all major roads warning motorists of the safety measure.) The law says in effect, that upon meeting or overtaking a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver of any vehicle shall stop immediately before passing. After coming to a stop the driver of the vehicle can proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Pre Flower Show Demonstration to Be Open to The Public, September 27

Check your Garden Catalogue or visit your florist or feed stores for bulbs and plants now for Spring blooms," stated Mrs. Ollie Robinson at the Cochran County Garden Club meeting, Monday, Sept. 16. To have indoor blooms this winter start bulbs now. Follow these simple rules:
 No. 1. Roots must be developed before any other growth. By removing light, keeping temperature down.
 No. 2. Keep bulbs shaded for a short time before placing in sunlight to promote stem growth.
 No. 3. Place in sunny window, turn daily.
 No. 4. Keep the air moist.
 No. 5. Buy good named bulbs, well rounded and firm, two inches or more through, states Mrs. W. K. Lindsey.

Neely Moves To Andrews; Station Remains Open

John Neely, for the past two years, co-owner, manager of Hogan and Neely Oil Company, Cosden Oil Co., Wholesaler and retailer in Morton, has moved back to Andrews, Texas.

Neely, who moved his family to Andrews in time for the start of school last week, joined them on Friday of this past week after making temporary arrangements for the operation of the Cosden business here.

Neely, who was to report back to work for the U. S. Post Office Department in Andrews, said that T. L. Cash of Levelland will handle the wholesaling in Morton and Wilson Hedge is operating the station.

In thanking those Mortontites who befriended him and his family during the past two years, Neely said they were sorry to be leaving but was returning to work for the Post Office Department which he has nearly 18 years of seniority.

Bridge Tourney Is Scheduled

A bridge tournament will be held at the Morton Country Club beginning Monday, Sept. 23, at 8:00 P.M. The second and third nights of play will be September 20th & October 7th.

Admission will be \$1.00 each night.

Tuesday, Sept. 24th, is Bingo night - \$1.00 admission includes the ten games played. Gift certificates are awarded winners.

Non-members are cordially invited and club members reminded to attend both of the above activities.

TRAIN AT LACKLAND

Kensy D. Chaney and Robert L. Taylor, Star Rt. One, both of Morton, are at Lackland Air Force Base, San Antonio, for basic training following their enlistment in the U. S. Air Force.

Court of Honor Set for Sept 26

A Boy Scout Court of Honor is slated to be held, September 26, at 8:00 p.m. in the Cochran County Auditorium it was revealed this week.

According to Scoutmaster Raymond Ross, and Explorer Advisor, Elra Oden, a lot of awards are due to be handed out.

The public, as always, is cordially invited to attend.

Bids Are Sought On School Buses

Bids are being accepted by the Morton school board, through Friday of this week, on two school buses.

The buses, a 1944 model Ford & a 1948 model Chevrolet, are in running shape at this time and may be inspected at the school bus shed.

Bids should be turned in to Supt. John Burnes or Board President E. V. Thompson.

Bula - Three Way To Clash, Friday

Three teams will enter the game decided by Coach Bill Wood's favorites but Coach Bill Wood's team who haven't beaten Bula in a year on the gridiron, will consider it a successful season if they could win only this one game — and they'll be scrapping the way.

Bula had an open date last week after an opening win a week ago against Paint Creek.

DEADLINE FOR SUBMITTING APPLICATIONS FOR REFUND OF FEDERAL GASOLINE TAX

Farmers and ranchmen are reminded that September 30 is the deadline for submitting applications for a refund of the Federal tax on gasoline used for farming purposes since July 1, 1956.

Farm operators who have not filed any claim may obtain Form 2240 — the reporting form — from

local county agricultural agent's office.

The claims will be checked for accuracy and claimants, therefore, should be certain that figures are correct. Sufficient records should also be kept to verify the claim. Claims should be submitted to the same district Internal Revenue office to which income tax returns are sent.

HARVEST COTTON FOR TOP PROFITS ADVISED BY SPECIALT

Proper harvesting and handling of seed cotton can add from \$2.50 to \$15 a bale to the income from this year's cotton crop. Careless methods of harvesting and handling on the other hand can cause great damage to lint quality and lower its value.

Here are suggestions for maintaining the inherent qualities of the crop. Don't harvest cotton when it is wet. Wait until 8 or 9:30 to start harvesting operations regardless of whether hand or machines are used. Cotton harvesting machines should not be operated at night when dew is present.

Machines should be kept clean & in good repair and serviced at the end of each day in accordance with the operator's manual. It must be remembered that the most elaborate gin cannot be expected to remove trash from lint cotton. Advise waiting until leaves are dry before stripper is used. Condition the cotton stripped for 10 days before ginning if necessary by ricking it. A green boll box should be used on the front of a wire-sidled or slat-sided trailer and green bolls caught. The stripper should be equipped with a blower under the elevator and cotton should not be tramped in the trailer.

Cooperation with the ginner in ginning cotton on the gin yard according to method of harvesting, moisture and trash content can add dollars to price of a bale of cotton.

Mechanical harvesting of cotton means much more than putting machines into the field. It includes all aspects of production including plant breeding, field arrangement, soil care, crop residual disposal, seedbed preparation, planting, fertilization, weed, insect and disease control, harvesting and improved ginning.

VISITING IN GEORGIA
Mr. and Mrs. Roy Gentry and family left Morton last Thursday for a trip to Atlanta, Ga., where he was to attend a meeting of lumbermen. They are expected back sometime this week. He is manager of Forrest Lumber Company here.

Whiteface Defense Too Stout for Whitharral Eleven

Rained out their first game of the season against Tatum, two weeks ago, Whiteface's Antelopes made their 1957 debut a good one last Friday night by summoning a stout defense to edge Whitharral's Panthers, 6 to 0, at Whitharral.

Em Broderick's boys were "out-everything'd" except in scoring and fight. In the third period they shook loose 190 lb. fullback Neil Allen for a 65 yard touchdown run. Two key blocks sprung Allen loose and that ended the festivities as far as the final score was concerned.

Whitharral racked up over twice as many first downs, 17, to 8, and nearly twice as much yardage, 229 to 118. But Whiteface bogged the Panthers on the Antelopes' 1, 4, 5, 7, and 13 yard lines and in one stretch of nine downs (Whiteface had the ball only one time, long enough to fumble it) the Antelopes held Whitharral for 8 downs inside the five yard line.

Friday they travel to Ropesville to do battle with the always rugged Eagles.

VISIT LORNGHORN CAVERN

Mr. and Mrs. Charles Palmer & family of Morton were recent visitors through the Texas Longhorn Cavern, located in Longhorn Cavern State Park, four miles south of Burnet off U. S. Highway 281.

The cavern is the third largest discovered cave in America. Over eight miles of underground passages have been explored with an end being reached. A two-mile guided tour is conducted several times daily through the cavern's vast rooms and chambers.

WSCS Opens Fall Season With Lunch at Church

On September 10 the Women's Society of Christian Service began the fall season with a well attended luncheon at the church.

Place mats depicted the missionary outreach of the Methodist Women's Division, as did a colorful, new wall map.

Mrs. L. A. Cochran, Secretary of Spiritual Life, gave the devotional basing her thoughts on portions of the Lord's Prayer.

Mrs. John Crowder, Secretary of Missionary Education, showed a thirty-minute film called "The Broken Mask" depicting the problems faced by young Christians, both Negro and White, who attempt to desegregate a Protestant church. The acting was adequate and the film was well received.

Plans were made for the first session of the new study, "Christ, the Church, and Race," which will begin with this week's meeting. (It was held Tuesday) with Mrs. W. W. Smith as teacher.

Mrs. J. D. Hawthorne presided at a short business session. Mrs. Robert Hucakabay dismissed the group with prayer.

The following members were present: Mesdames J. W. McDermott, L. A. Cochran, James Harrell, J. D. Hawthorne, Willard Henry, John Crowder, E. L. Cox, J. W. Covington, H. M. Christian, H. S. Hawkins, Leon Stinson, Tip Windom, C. H. Silvers, Bob Hucakabay, L. F. Hargrove, Don Hoffman, Bob Mayon and W. W. Smith.

L'Allegros Honor New President

The L'Allegro Study Club opened the new club season with a dinner honoring the new President, Mrs. Bob Cross, Thursday evening, September 5th, in the home of Mrs. Harold Drennan.

Hostesses assisting Mrs. Drennan were Mmes. Tom Rowden, Truman Doss and T. A. Rowland.

Other members present were Mmes. H. B. Barker, John Barnes, Dan Brown, Tommie Hans, J. E. Holloman, C. D. Knott, J. C. Reynolds, M. A. Silvers, Orville Tilger, Babe Vanlandingham, Jack Wallace, T. K. Williamson, E. O. Willingham, Van Greene and one visitor Mrs. Bill Lee.

VISIT IN ODESSA

Mrs. Orville Tilger and son, Dale, were in Odessa last week visiting the Arlee Barnards, Barnard, former manager of Cobb's Department Store here, and former partner with Mr. Tilger in Piggy Wigly here. Mr. Barnard is the new manager of the new Cobb's Store there. Mrs. Tilger & Mrs. Barnard are sisters.

VISIT HERE

Ree Faulkner, former Morton High teacher and Cochran County farmer, was in Morton Saturday on business. The Faulkners are now living in Lubbock.

TO VISIT IN ODESSA

Mrs. J. W. Nichols left this week with her sister, Mrs. Romie Kuenstler, for a visit in Odessa with the sister. Mrs. Nichols expects to be there until around Oct. 1.

SON FOR CLEVENGERS

Mr. and Mrs. R. J. Clevenger announce the birth of a boy, Joe Ray, born Wednesday, September 4, at the Phillips-Idage hospital at Loveland. Mother and baby are reported doing fine.

BACK TO SCHOOL

Young Matrons In President's Dinner

The Young Matrons' Junior Study club held their annual president's dinner, Sept. 12th in the home of Mrs. Roy Taavre, Jr., honoring the new president, Mrs. Steve Monroe.

The president was introduced by Vice President Mrs. Louis Russell and she gave the president's greetings.

Mrs. Buddy Hanna presented the yearbook for the new year.

Members present were Mesdames Bill Bridge, Bill Gandy, Buddy Hanna, Bob Mayon, Kenneth McMaster, Steve Monroe, Louis Russell, Roy Taavre, Jr., Kenneth Watts, Lowell Webb, George Williams and Jerry Winder.

ATTENDING MEETING

Dale Bryant, who farms near the Pep Community, and is pastor of the Morton Trinity Baptist Church, is to attend an associational meeting, September 19-20, of the North Colorado Association of Missionary Baptist Churches, at Albuquerque. Others from the area are also expected to attend.

Circus Coming To Morton On Sept. 27th

Tom McLaughlin, advance representative of the all new Carson & Barnes, 3-ring Wild Animal Circus was a caller in the Tribune office the past week and announced the coming of the first real wild animal circus to Morton in years, the date having been set for Friday, September 27, with two performances scheduled, at 2:30 & 8:00 p.m. on the grounds, under the auspices of the local Legion Post.

This will be the first trip through this section of the state for the circus since the combining of the two shows. Presenting twenty feature acts under the "big top" in addition to carrying an enlarged menagerie consisting of lions, tigers, pumas, bears, apes, chimps, monkeys, kangaroo, and also, elephants, llamas, zebu, and featuring Goliath, 4-ton hippopotamus, the circus has been meeting with much success this season. In a few days, the regular advertising trucks will arrive and begin the task of placing the bright posters throughout the surrounding territory.

BAPTIZED BY SON

Mrs. John J. Bryant, Sr., mother of Dale Bryant, pastor of the Trinity Baptist church of Morton and of John J. Bryant, Jr., pastor of the Pleasant Ridge Baptist Church, since the Pettit church has no baptistry, was baptized Sunday in a rather unusual ceremony. She was baptized by her son, John J. Jr., in the baptistry at the Lubbock Missionary Baptist church.

VISIT R. C. STRICKLANDS

Mr. and Mrs. H. J. Marshall of Kopperl and daughter and son in law, Mr. and Mrs. Joe Bob Struggs of Ft. Worth, spent Thursday night with Mr. and Mrs. R. C. Strickland. Mrs. Marshall is Mr. Strickland's sister.

VISIT HERE

Mr. and Mrs. Waymon Marshall of Lubbock visited in Morton over the weekend. He is enrolled at Texas Tech. She is the former Joyce Ramsey of here.

FREEZING DOVES AND OTHER GAME BIRDS

Now is the time to stock the freezer with a fresh supply of doves and other game birds. It's a simple process... Draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the crop and the intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packing.

Wrap individually in moisture-vapor-proof material. Cellophane, aluminum foil, plastic, and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date.

To maintain top quality, store birds at 0 degrees F. or below. From six to nine months is recommended storage period.

PEARS ARE A GOOD BUY NOW

Pears are now available in most Texas markets... fresh or canned and pickled for later use, they will add variety and appeal to year round meals.

When you buy pears, extension specialists suggest you keep these things in mind: Look for fruit that is firm or fairly firm but not hard. Choose clean, unblemished fruit that is well shaped for the variety. Color is not a reliable guide to ripeness in pears. Some varieties are in prime condition when green or greenish yellow, while others may be yellow and yet not ripe enough for eating.

If pears are not fully ripe when purchased, let them ripen in a cool place for a few days. Place them in a fairly tight container. Store them in a fairly humid place at about 60 to 70 degrees F., if possible. Check the pears often for some ripen faster than others. Do not store fully ripened pears too long for they may lose some of their delicate fresh flavor.

The versatile pear fits into any meal. Use in fruit cups and gelatin salads; for refreshing salad, top pear halves with shredded cheese, cranberry sauce, peanut butter, minced chicken, or shrimp. Pears may be stewed, baked or broiled.

Plan for future use... Pears canned or pickled now will taste good next winter, too.

PEAR PICKLES

1 gallon pears
 2 quarts sugar
 1 pint water
 1 quart cider vinegar
 2 1/2 sticks cinnamon
 2 tablespoons whole all spice

Kieffer pears or firm, juicy pears are good pickling pears. Wash the pears, peel, cut in half or quarter and core. Boil the pears for 10 minutes in water to cover. Boil water, sugar, vinegar, and spices tied loosely in cheese cloth. Add the drained pears and let stand overnight in the syrup. Next morning drain off syrup and boil down until thick. Add pears and cook until tender. Do not stir but keep under syrup. Pack hot into sterilized jars. Cover with syrup, seal, and store in a cool, dry place.

IN HOSPITAL

Mrs. V. E. Sublett was taken to the Shamrock Hospital last Friday. She expects to be home this weekend.
