Idalou Is Friday's Morton Foe - 8 p.m.

A big, rugged team with two highly rated backfield men, playing a brand of split-T ball much similar to Morton — that's the word on the Idalou Wildcats, Morton's opponents for next Friday night.

The game will be played at Idalou, kickoff time at 8:00 o'clock.

Coaches have no scouting reports on the Cats — and are relying on information passed down the circuit. The Idalou eleven will be a stable team — probably fielding a line a little heavier than Morton, and considerably deeper in reserve strength. Their running plays are similar to ours and they — as far as reports show — don't have an exceptionally fast team. Speed is one of the few things Morton has to really worry about in opposition. They have generally held their own with teams that run through the line.

The Morton team is in pretty good shape physically. Sharon Hawthorne has an injury that could sideline him and Carlton Peters is the victim of a chronic knee injury that was aggravated in the first few minutes of the Plains game. But the Indians have exceeded without any serious injuries. Max Hawthorne will be back bolstering the line considerably.

Coach Alexander expects a tough defensive game, and thinks the Indians will have to show plenty of hustle to win.

Even eating a hot dog is fun when it's State Fair time in Texas. The fun grows by leaps and bounds when it's a foot-long hot dog and you can keep it forever when you "Gatch" it with a movie camera. Whether you're using a movie or a still camera though, it's planning that will let you get pictures like this one and let you come home from the State Fair of Texas with pictures you'll be proud to show your friends.

Friday is Deadline Date for Farmers To Sign Up for Winter Wheat Reserve

Farmers who intend to participate in the 1958 winter wheat acreage reserve program are reminded that October 4th — that's tomorrow — is the last day they may sign an agreement.

According to Roy Hickman, Chairman of the Cochran County Agricultural Stabilization and Conservation Committee, agreements under the 1958 winter wheat acreage reserve program may be signed, modified or canceled up until the deadline.

After that time, failure on the part of the farmer to carry out terms of the agreement could possibly subject him to loss of part or all of the payment he might have earned under the program or even to a civil penalty of 50 per cent of such a payment.

To date 6 Agreements covering 580 acres of 1958 wheat allotment land have been signed in Cochran County.

W. F. Lisenbee Services Held Here, Friday

Funeral services were held at 2 p. m., Friday, September 27, in the First Baptist Church of Morton, for W. F. Lisenbee.

Mr. Lisenbee, 83, retired farmer, passed away at 4:30 a. m., Thursday, Sept. 26, at his home in Morton.

The Rev. Ollis S. Robinson, pastor of the First Baptist Church, officiated at the rites assisted by Rev. A. R. Coleman, pastor of the First Baptist's Mission church, the Emmanuel Mission.

Mr. Lisenbee was born in Denton County in 1874, and moved to Eastland County when a boy. He came to the Plains in 1921 from Comanche County, Texas and settled near Lamesa, in the Hancock Community. He lived there until 1942 and then moved to Seagraves. After a year there he moved to Morton and has resided here ever since.

He was converted at the age of 15 and joined the Baptist church. He was ordained as a Deacon in 1911 and served as Sunday School Superintendent in several different places.

Mr. Lisenbee was married to Annie Vines in Eastland County on the 12th of August, 1894.

To this union were born 10 children, five sons and five daughters.

Survivors include the widow of Morton, Rhoda of Morton; Mrs. J. B. Dudley of Fresno, Calif.; W. L. Lisenbee of Kermit; Mrs. Dee Ramsey of Seagraves; Mrs. S. A. Ramsey of Morton; Mrs. I. L. Ashley of Lamesa; Joe T. Lisenbee of Andrews; and Elsworth of Seagraves, Wesley and Paul Lisenbee are deceased.

Other survivors include a sister, Mrs. J. B. Cloud of Beaumont, California; 24 grandchildren and 16 great-grandchildren.

Pall bearers were the grandsons: Eldon, T. G. and Darrell Petree, J. T. Travis and Delbert Lisenbee, Gerald Ramsey, and Buford Dudley.

Burial was in Lamesa Memorial Park at 5:30.

Out of town friends and relatives attending the funeral included: Mr. and Mrs. W. L. Lisenbee, and Travis, Linda, Gerv, Thera Mae, Patsy, Reta Jean of Kermit; Mr. and Mrs. Dee Petree, Eldon, T. G. and Darrell of Seagraves; Mr. and Mrs. Joe Lisenbee and Jerome, of Andrews; Mr. and Mrs. I. L. Ashley, Lamesa; Mr. and Mrs. Elsworth Lisenbee and Delbert, Larry and Wesley of Seagraves.

Also, Mrs. Ava Lisenbee and daughter, Leola Ann of Overton; Mrs. G. W. Hicks of Rochester, Tex.; Mr. and Mrs. Biddy Winter, Virgil and Jay of Idalou; Mr. George Lisenbee of Idalou; Mr. and Mrs. Henry Galvin and son Daniel and Mrs. Maude Lisenbee of Whiteface; Mrs. Elmer Lisenbee of Levelland; J. T. Lisenbee of Hobbs, New Mexico and Mr. and Mrs. Page Nelson of Lamesa.

And Mrs. Beale Kelly, Lamesa; Mrs. Beale Morris, Lamesa; Mr. and Mrs. Hassie Lisenbee and daughter Sherry, Peros; Mrs. Ernest Hawkins, Kathy, Lou Ann and Roy of Commerce; Mr. and Mrs. Wayne Marshall, Lubbock; Mr. and Mrs. Borlie Taylor, Lubbock; Miss Rolya Ramsey, Plainview; Mrs. Clara Mae Wilson, Lamesa; Mrs. Ethel Nelson, Lamesa; Mr. and Mrs. Arthur Seifers, Littlefield; Mrs. Porter Hammonds, Midland; Mr. and Mrs. Ralph Renfro, Odessa; and Mr. and Mrs. Bud Bessire, O'Donnell.

CONGRESSMAN GEORGE MAHON TO SPEAK HERE TONIGHT AT ANNUAL FARM BUREAU ELECTION OF DIRECTORS AND OFFICERS

The Cochran County Farm Bureau members will hold their most important meeting of the year, tonight at 8 p. m. at the Cochran County Activities Building when they conduct two very important pieces of business, and also will hear an address by Cong. George Mahon.

Mahon, whom Cochran farm organizations have called on many times in the past few years of "rough sledding" for farmers, will be the Bureau's guest of honor.

Some lucky Farm Bureau member may have another pleasurable experience — that of hearing his or her name called out as the winner of \$50 door prize. As has been the custom of the group, at all regular meetings for the past year, the names of all paid up members are placed in a container and a drawing is held. If the person whose name is drawn is present, he or she wins the door prize.

There will be the election of 1958 County Farm Bureau Directors. The directors of the County Farm Bureau will also serve as the Directors of the Frontier Farm Association for 1958. (The Frontier Farm Association is the name given to the County organization for handling Mexican Nationals for farmers and the offices of the two organizations are together. Snooky Russell has been employed as the manager.)

Business of the evening will include discussion of resolutions to be submitted to the State Farm Bureau Convention and voting on the resolutions by members.

These annually prepared resolutions are among the most important things handled yearly by each individual Bureau. They represent

the combined thinking of the area on farm policies needed to help the agricultural outlook. True, the local resolutions often are not adopted by state Farm Bureau representatives, but nevertheless, to be heard before the state group they must come out of local meetings.

The Farm Bureau of the area has been emphasizing for a long time that more representation at meetings is the only way this area can be heard from on a state level.

The Bureau has not said what Congressman Mahon will use as his topic for the evening.

LeRoy Johnson, President of the Bureau has urged all members to

attend. Doughnuts, coffee and soft drinks will be served after Mr. Mahon's speech.

Survivors include five sons, Eustis of Roscoe, Bill of Abilene, Herman of Sweetwater, Tommy of Dallas and J. L. of Morton; three daughters, Mrs. George Overby and Mrs. Harry Mitchell of Sweetwater; a sister of Monroe, Louisiana, eleven grandchildren and six great-grandchildren.

Mother Nations had visited in Morton many times. Those attending the funeral from Morton were Mr. and Mrs. J. L. Nations, Mr. and Mrs. R. D. Batts and Mr. Melvin Coffman.

Details may be found in the ad which appears on page five of this Tribune.

NO VISITORS

The condition of J. B. Knox, local abstractor, was much better on Wednesday, though he still is not allowed to have visitors in the Cochran County Hospital. Mr. Knox suffered a heart attack last week.

DEER BACK FROM HUNTING

Joek McClellan, Billy Mohrwood, and Earnest Seale, all of Morton, are due back from Colorado today or tomorrow where they went deer hunting as the season opened last Tuesday morning. Several other Cochran County hunters were reported on hunting trips to points in Colorado.

Anyone interested is eligible to enter exhibits in the show. Entries will be received from 8:00 to 10:30 a. m. on Saturday morning. Those brought in later will be shown but cannot compete for prizes.

BEDWELL TO SHOW NEW 5-STAR M-M ON HILL FARM, FRI.

A public demonstration of the all new 5 star M-M tractor will be made Friday, Oct. 4, from 2 to 5 p. m. on the Jim Hill farm southwest of Morton. It was announced this week by Bedwell Implement and Pontiac Company.

The farm is about 2 miles west of the Cochran County Hospital, or just southwest of the schools.

Details may be found in the ad which appears on page five of this Tribune.

MOTRON DRUG Adds Pharmacist

Morton Drug has added a second pharmacist to their staff to better serve the public — according to Charles Jones, owner-manager.

Jones said Wednesday, John Weston, a thoroughly experienced pharmacist, who has been working in Lubbock, joined the Morton Drug staff on Wednesday.

Jones added that there will now be a pharmacist on duty at all times and that Morton Drug would be better able to provide prompt service in filling prescriptions as well as careful service.

Weston hails from south Texas, around the Houston area.

TEXAS FEDERATION PRESIDENT SPEAKS TO LOCAL CLUBWOMEN

Abundant Living Through Service, the administrative theme, was the subject discussed by Mrs. A. J. House of Yukon, Texas, president of the Texas Federation of Women's Clubs at an open meeting of Morton Club women held Saturday afternoon at the Activity Building Dining Room, with the Town and Country Study Club as host.

The head of the vast organization concentrated her remarks on the major project of the TFWC during her administration, the Dorothy House Vietnam Scholarship fund.

Mrs. House spoke of the responsibilities of mothers in promoting good habits in their children, the need of spiritual values, and the importance of a youth program to offset the spread of delinquency. Children should be given the opportunity and encouraged to attend church.

Since Americans are becoming so internationally minded, it is important that club women acquaint themselves with the various religions of the world. With a wider understanding of the religions and peoples, we will be better prepared to promote the spread of Christianity, stated the TFWC president.

Three Oriental students are studying in Texas Universities now on scholarships provided by the Dorothy House Vietnam fund.

Mrs. A. T. Cocanougher of Lubbock, Vice President of the 7th District accompanied Mrs. House.

She spoke of the stationary being sold to promote the scholarship fund, and urged clubwomen to buy.

Those attending from the four Federated clubs were Mesdames: H. B. Barker, J. C. Reynolds, S. M. Monroe, Ike Williams, M. A. Silvers, Babe Vanlaningham, T. K. Williamson, Van Green, Bob Haskaby, Sammie Leveritt, Jerry Winder, Bill Bridge, Kenneth McManis, Ruel Kelly, Biddy Hanna, Louis Russell, Raymond Benham, Willard Benham, W. B. Cox, Alvin Harris, Roy Hill, L. E. Huggins, J. L. Kidd, LeRoy Johnson, R. E. Kravon, A. E. Sanders, Tom Williams, Neal Rose, Hume Russell, James St. Clair, Gene Evans, G. A. Gowdy, H. S. Hawkins, J. D. Hawthorne, H. B. King, M. C. Lebetter, Carlton Luper, and Joe Niewarmer.

Bill Strain of Lubbock and Burnett Roberts, Levelland, District Scout executives, were in Morton Wednesday tending to details concerning the coming Scout Fund drive. As yet, no chairman of the drive has been named.

MORTON SCHOOL PARENT-TEACHER GROUP TO BE FORMED IN MEETING AT CAFETERIA

Students of Morton Schools were taking home letters this week reminding parents that tonight is a very important night for the Morton Schools. If all goes well — a Parent-Teachers Association will be organized tonight — something all schools need, and this one has

lacked for a long, long time. Not only given the "go sign" by Supt. John Barnes, but strongly encouraged, the P-T-A "can help foster a better spirit of planning and cooperation between the faculty & school patrons," Barnes said.

Actually, probably only two very important actions will be taken tonight. The officers of the new organization will be named. A nominating committee has already been working on a list of persons who would serve. Nominations will also be open from the floor.

Indians Win No. 3 — Tomahawk Plains Cowboys By 20 to 7 Margin

The Morton Indians, in a game that was slightly more lopsided than the score indicates, posted a third victory of the young season, Friday night, 20 to 7, over a hard fighting but not strong enough Plains Cowboy eleven.

Venman Fitzgerald tallied the 3 yard TD run for Plains and end Dick Ooke made good his second extra point kick after Morton had been penalized on the first try, a low, wide boot.

Plains mounted one threat early in the game, though it didn't come close to giving them a touchdown. The threat was the passing of quarterback Huddleston who completed his first four short jump passes. Main receiver was a rangy, 190 lb. end Williams. But Morton turned this play into a bit of cheer for the sizable throng of backers that made the trip to Plains as Eddie Thompson, Jimmy Cunningham, and Clayton Flanagan intercepted three of the last five passes and could have intercepted two more with a bit more glue on their fingers.

The Indians, after two straight rugged encounters at home, suffered a letdown — making a lot of mistakes — but their biggest bugaboo was an unusual amount of penalties for what has previously been a clean well drilled team.

With the exception of 72 yard kickoff runback, Plains never even threatened to score. Two of their seven, two on passes and one on a 20 yard breakaway end sweep. Only two were gained in ground slugging running plays. In sharp contrast, 11 of Morton's 12 came by the plodding efforts of Naim, Seaney, and Eddie Thompson, plus a couple of well executed end around plays by Freddie Thompson.

Morton tried only two passes in the game and Jackie Brown continued his fine punting, averaging 35 yards on four kicks.

Morton rolled up a 116 yard advantage in yardage, and had a 20-0 shutout with two minutes to play. They fumbled twice inside the 20 yard line to lose two scoring chances, and were victims of a well executed Plains kickoff by speedy Jackie Bess.

One of the highlights of the fray for Plains fans came during the home-half time ceremonies of the homecoming game when the queen was crowned after being driven onto the field in a 1926 Franklin.

Otherwise, it would have to be said, the poor officiating was the most noticeable thing to Morton's fans. Morton had two men slightly injured — Carlton Peters re-injured a bad knee early in the opening quarter and Eddie Thompson twisting an ankle on a play when he was knocked into the player's bench. Max Hawthorne did not suit up on account of illness.

Morton totaled 257 yards, 22 in the air, to 141 for Plains of which 44 was in the air.

Morton's first score came in the opening quarter on a five yard run by Perry Don Seaney, after Naim had set it up with a 13 yard jaunt to the five.

Debre split the uprights with

Mid-month 'Sing'

The regular mid-month singing will be held at the Trinity Baptist Church, Sunday, October 20, from 2:30 to 4 p. m.

The Tribuna erred in a story last week giving the wrong date for the sing.

The public is cordially invited to attend.

Scoreboard Will Be Erected Here

Morton will have a new stadium scoreboard — it has been announced by the Morton Athletic Boosters who have been discussing the project for many months.

The project was adopted by the group Monday night after a group interested members had already secured pledges to cover a majority of the cost.

Several members of the club expressed the desire to have the new scoreboard erected in time for the Ralls game — a week from Friday, but the board will not be ordered until the payments are insured.

The new board would be of the electric variety, controlled from the pressbox. It would be much similar to the one at Plains' field.

Dollar Day Monday

Monday another Dollar Day rolls around in Morton — and as usual — the Dollar Day Special will be published to bring the merchant's message to you residents of Texas Last Frontier.

Look for your copy in the mail Saturday or Monday if you live in the rural areas and, if you live in Morton, your copy will be in the Sunday mail.

Merchants wishing to advertise in the paper, should turn in their ad copy today.

Williams Rites Held Wednesday

Funeral services were held on Wednesday afternoon at the Colored Baptist Church of Morton for Bobby Wayne Williams, two-month old son of Lottie Williams of Morton.

The youngster died at 2 p. m., Tuesday in the Cochran County Hospital.

Rev. D. C. Mullins officiated at the final rites.

Interment was in the Morton Memorial Cemetery under the direction of Singleton Funeral Home of Morton.

Bledsoe Reports Enrollment Rise

Supt. J. E. Roane of Bledsoe School said this week the Texas enrollment for his school is up approximately ten students from last year.

At a time when most of the small schools have been showing a decline in enrollment, Roane said he had two less students from New Mexico, but an overall increase.

He also said school was progressing fine and commented that every teacher on his staff has a College degree, and at least one year of experience and several have master's degrees.

One of Supt. Roane's teachers received high words of praise from a job educator.

Joe P. Harris, Director of the Summer Institute at Southern Methodist University, wrote Mr. Roane that Joe D. Ellett, Bledsoe Science teacher, was "one of the most prized participants" in the Summer Institute in Science and Mathematics sponsored by the National Science Foundation.

Gardner - Ross Is New Firm Name

H. T. Gardner, a Morton area farmer since 1933, has become the new partner member in the local International - Harvester farm implement dealership.

The firm, formerly known as Banks - Ross Implement Co., will now operate under the name of Gardner - Ross.

Raymond Ross and E. L. Banks, the latter of Lubbock, formerly operated the business with Ross as the managing partner. Mr. Banks had been ill for some time and when a fire swept the Banks - Ross dealership last May and destroyed the building, Mr. Banks decided he wouldn't continue in the firm and Gardner is the new partner.

With the addition of a new name, Raymond Ross also announced a Tuesday morning for the International Harvester dealership. Yesterday, Wednesday — they hoped to complete a move into the Reynolds Tire Building, across the street from the present location where they set up temporary headquarters after the fire. There new location is next door west to Bedwell Implement, or directly across the street south of the old Morton Auto Parts Building — where they have been temporarily located.

Farm Labor Group To Go After 81 Additional 'Hands'

The Frontier Farm Ass'n., officially recognized the stepped up cotton crop harvesting this week when they brought in 65 hands for their members and plan to go after an additional 81 this weekend.

Louis "Snooky" Russell, manager of the new farm labor group, said Tuesday, they arrived early Tuesday morning from South Texas with the 65 hands and immediately the hands were turned over to members of the Frontier Farm Ass'n. The buses will probably arrive with the additional 81 hands either late Saturday or Sunday.

Visiting In Bowie

Mr. and Mrs. J. H. Tangle are in Bowie to spend 2 weeks with their daughter, Mrs. Floyd Jackson and family.

HD Club Displays At Flower Show

Each Home Demonstration Club will have an exhibit at the Flower Show in the Activity Building on October 5. The exhibits will be put in place on Friday and will be open to the public at 1:00 o'clock on Saturday afternoon.

H. D. Council To Elect Officers

The Cochran County Home Demonstration Council will have its regular meeting at 2:00 o'clock on Tuesday afternoon, October 8, in the County Activity Building.

Among the important items on the agenda will be the election of officers for 1958.

FLOWER SHOW IS SATURDAY

The Cochran County Garden Club will have its annual Flower Show entitled "Autumn Harvest" on Saturday, October 5th, at the Cochran County Activities Building, from 1:00 p. m. to 8:00 p. m. — admission free to all.

Anyone interested is eligible to enter exhibits in the show. Entries will be received from 8:00 to 10:30 a. m. on Saturday morning. Those brought in later will be shown but cannot compete for prizes.

Mother Booster Group Organized

A Mother's Boosters Club has been formed to have a part in aiding the athletic program at Morton High School.

At a formulation meeting last week, attended by approximately 28 mothers, the group organized and elected officers. They held another meeting this week — Tuesday night — but took no definite action except to work on a previously begun project.

Mrs. E. V. (Gene) Thompson has been named President of the club and Mrs. J. D. Hawthorne is Vice-President. Mrs. Elma Seaney is the Secretary.

The mothers will view films of the ball games and will have as projects — things that they can do to help the athletic program. A first project has been the establishment of a "training table" — a project used by many schools, to insure athletes, receiving the proper amount of food and the right kind of food.

The gridders, who work out each afternoon following school, usually have a pretty strenuous workout, and need a heavier lunch than is usually served under the school lunch program. This basically, is the need they have decided to try to eliminate. The Quarterback Club — or more properly — the Athletic Boosters, have agreed to help on the financial aspects of this program but the mothers will try to make the necessary arrangements and draw up the menu.

Also being discussed, but not yet passed on, are plans for social activities for the players following the games, etc.

Band Parents Meeting Tonight

The Morton Band Boosters will hold their second meeting of the new school year tonight at 7 p. m. at the Band Hall, according to Gene Huggins, president.

Huggins said there was quite a bit of business to be attended to & urged all members to attend.

Farm Meeting Set Thurs, October 10

Another meeting for farmers will be held Thursday evening, October 10, in the Agricultural Building, Morton, Texas, on cotton defoliation.

Mr. Earnest Thaxton, State Experiment Station, who has charge of cotton defoliation on the Experiment farm, will be here to give information on the results the past several years on cotton defoliation and to answer questions that farmers may have.

Methods of defoliation, when to defoliate, chemicals used in defoliation, and results obtained will also be discussed.

Local Farm Tour Next Wednesday

Wednesday, October 9, Cochran County will hold a farm tour for farmers and businessmen who are interested. On this tour you will see fertilizers on cotton, varieties of cotton, irrigated and non-irrigated, sesame, hybrid rain sorghum, — both irrigated and non irrigated, varieties of hybrids, spraying Johnson grass in cotton Dalaport, grass harvesting, new dairy units, and other things.

This is the day following the Annual Field Tour of the Lubbock Experiment Station on October 8. (See story elsewhere)

Here Discussing Scout Fund Drive

Bill Strain of Lubbock and Burnett Roberts, Levelland, District Scout executives, were in Morton Wednesday tending to details concerning the coming Scout Fund drive. As yet, no chairman of the drive has been named.

RULES ON COTTON BALE BAGGING TO BE ENFORCED, ORDER SAYS

Fred Payne, one of the owners of Producer's Warehouse, formerly known as the Cotton Warehouse, of Morton, has received a recent visit from a member of the local personnel of the Commodity Stabilization Service, concerning enforcement of the rule on packaging of Loan Cotton.

Payne said this week that the rule, which has been in effect for two years now, is just now being enforced to the extent that he, and other warehousemen, have been instructed personally to see that it is complied with on all loan cotton.

In an effort to see that every cotton farmer understands it, so they won't complain if the rule is invoked on their cotton, Payne has turned over the commentary on the packaging, to the Tribune, for publication.

Addressed to the warehousemen, the commentary says: "It has been reported to us that the bagging which some bagging suppliers have been selling to ginners is not sufficiently strong to properly wrap both heads of the bale and that it is not sufficiently strong to adequately protect the cotton."

As you know, Section 427.806 (b) of 1957 Cotton Bulletin I requires, among other things, that the bagging must be sufficiently strong to adequately protect the cotton and that the heads of the bales must be completely covered. When the warehouseman signs the Agreement of Warehousemen on CCC Cotton Form A, he also certifies that the heads of bales of loan cotton are completely covered with bagging.

ADAM INDUSTRIES

176 West 74th Street
New York 23, N. Y.

These requirements were made a part of the Cotton Loan Program because the past packaging of American cotton has never been satisfactory from the standpoint of maximum protection of the cotton against loss or damage. This has led to criticism throughout the world, particularly in foreign markets, of the appearance of American bales. With the strong competition that American cotton is now getting from synthetics in this country and from foreign cotton abroad, the need for better protection of our bales has greatly increased. Increased protection is doubly important for cotton put under loan because this cotton may stay in storage for a longer loan period. In addition, the warehouseman's representative on the CCC committee of the National Cotton Compress and Cotton Warehouse Association advocated the inclusion of the current requirements in the Cotton Loan Program so as to improve the packaging of American cotton.

In view of the reports which we have received on this matter, we plan to do all we can to see that cotton entering the loan is properly wrapped with good bagging. Among other things, we plan to have our field personnel make an inspection of cotton placed under loan in various areas to determine if it is properly wrapped. If it is found that the bagging is not sufficiently strong and does not completely cover the heads of bales or is not sufficiently strong to adequately protect the cotton, we will be compelled to take appropriate action.

If you accept cotton which is improperly wrapped, for storage in your warehouse, we would suggest that you take whatever action is necessary to make certain you do not execute the "Agreement of Warehouseman" on CCC Cotton Form A covering any such cotton until it is properly wrapped. If the matter of improperly wrapped cotton is a problem in your area, you may find it advisable to notify your customers (farmers and ginners) of the action which is being taken so that every effort can be made to see that the cotton is properly wrapped in order that there will be no occasion for the farmer to be denied a CCC loan on his cotton, if he should desire to obtain one.

For stamina, contenders in the Olympic Games of ancient Greece trained on cheese! They believed it had a divine origin and it was their custom to offer the fairest cheeses to the gods on Olympus

Oddly Enough

During the Dark Ages, the art of cheesemaking was carried on under church protection. Secret formulas for making certain rare cheeses were held as a part of the priceless total wealth of monasteries.

Cheddar goes under a hundred different names

Cheddar goes under a hundred different names in this country - among them being "American," "Longhorn," "stora," "Herkimer," "hoop," "old-fashioned," and others. All are basically the same, though they range from very mild to well aged and cured mellow or very sharp. Some sections like white cheese - others prefer it colored. But all are good - and good for you! High in protein, easily digested, excellent source of vital amino acids, cheese is a "basic seven" food. No matter what you call it, it's wonderful.

For stamina, contenders in the Olympic Games of ancient Greece trained on cheese! They believed it had a divine origin and it was their custom to offer the fairest cheeses to the gods on Olympus

Most popular variety of all, in the United States, say Kraft Foods officials, is Cheddar. The United States produces nearly 650,000 tons of cheese every year, almost 500,000 tons of which is Cheddar. That means every man, woman and child eats about 8 pounds of cheese yearly, of which more than three-fourths is Cheddar.

Cheddar goes under a hundred different names in this country - among them being "American," "Longhorn," "stora," "Herkimer," "hoop," "old-fashioned," and others. By Eddie Irwin
WELL SIR, if you are looking for something to do tonight—the ones you should be at one of two important meetings—and

certainly...
EVERYONE WITH A child in school system should be very interested in the P-TA organization they are trying to form at meeting tonight. If you have a resident of Morton for a

GET IT AT YOUR FAVORITE GROCERY

OUR MAIN BUSINESS IS SELLING FORDS AND WE'RE LOADED WITH CARS WE'VE TAKEN IN TRADE!

219 West Washington Phone 4431

YOUR HOMETOWN FORD DEALER

year or more you couldn't fail to know what problems we've had in our schools. And those who have been residents three years or more can make the newcomers feel them about the various problems we've wrestled around in our Morton schools.

are we implying...
ANYTHING about the way our schools have been run? Are we intimating our schools have had more troubles than others? Definitely not. We feel very strongly that a huge percent of our public have been over a lack of public contact with the schools, and a lack of public understanding of school policies. We'd even go so far as to say that a number of our serious misunderstandings would have been averted had we had a P-TA—a group of parents interested enough in the welfare of the kids, the school, and the faculty, to attend meetings and find out what is really going on.

in these times...
WHEN SCHOOLS all over the nation are being forced to change policies of operation to keep pace with increased enrollment and a change in educational standards, every school in the country has a lot of problems. And, though we may not want the fact is—fact is, any of them can wake up to real serious problems, any morning.

problems blown clear out of proportion by misinformation, or no advance information at all.

these problems...
ARE DISTASTEFUL to talk about in public. In fact, often they aren't talked about in public and few are aired in the newspaper because they are problems that have already gotten out of hand before they are even discussed at a school board meeting. And, in nearly every instance, they get out of hand because someone didn't know the whole story—and others are just waiting for a chance to tear up at all. We've got 'em here, just as every town's got 'em—persons who never stop to consider what trouble they're causing until they've already done it.

a P-TA can...
HELP SOLVE a good many of these problems before they become major issues. If you have a child in the schools, you owe it to your child, yourself, and your community to attend these P-TA meetings whenever possible. Tonight would be an excellent time to start.

another big meeting...
BEING HELD tonight is the annual Farm Bureau meeting where officers are elected and local Farm Bureau policy is formulated and passed on to the state Farm Bureau. National Farm Bureau policy is formulated by the votes cast by delegates who come from state meetings. These delegates have in turn come from local and district meetings. The only vote any area or individual has is the vote he as an individual member can cast at the local meeting.

It's your Farm Bureau...
YOU, WHO ARE members. If you fail to attend the meetings and

MONDAY IS DOLLAR DAY IN MORTON

VISITING HERE
Mr. and Mrs. Mike Bolton of Kermit are visiting with Mrs. Beuce Bolton, Mr. and Mrs. John Daniels, Mrs. J. D. Tipton and Mrs. Tone Young. Mr. Bolton will go to the service and Mrs. Bolton will remain in Morton.

help set the policy, you haven't a grape coming as to what agricultural plans the Bureau supports.

if you fail to...
HELP nominate and elect the officers and directors, how can you expect anyone to listen when you complain of what the directors are doing or supporting?

our very interesting...
FOOTBALL TEAM should provide us with a tremendous Homecoming crowd later this month as we play Falls. That is, if victories have anything to do with pulling a crowd. Already we've won more games than hardly anyone can remember us winning at the start of a season. And, with losing teams, we have had some of the best Homecoming parties you ever expect to see. Just hope the boys keep up the good work and we'll have "sexes" all over the place on the day of the big homecoming.

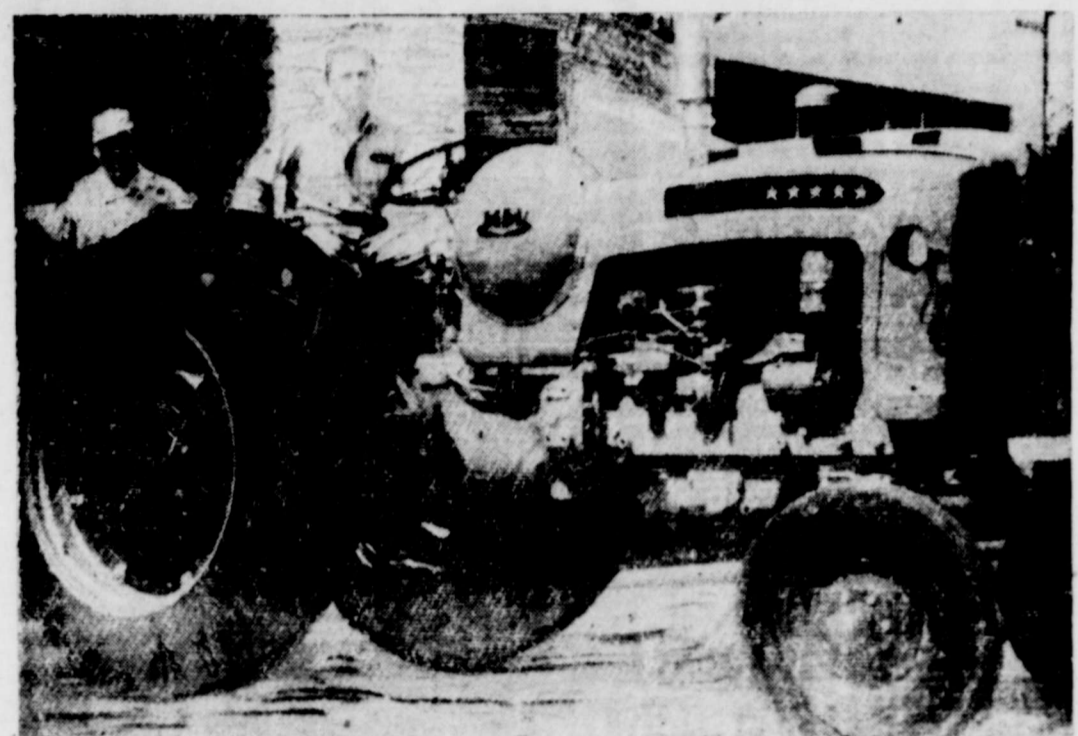

the harvest is...
UNDERWAY WITH a bang. The Frontier Farm Labor Ass'n. came in with 65 cotton pickers early this week and several crews had already arrived over the previous week.

a considerable amount...
OF COTTON has now opened, but there's an awful lot of it not yet open. By the end of the week if the sun will stay out every day, nearly every field should have some cotton open. But it's still too early to predict what the crop will be. We just gotta hope that freeze will hold off.

Book Lovers Meet At Leadbetter

Book Lovers first meeting of the new season was hosted recently in the home of Mrs. M. C. Ledbetter. She was assisted by Mrs. J. A. Gedy.
Mrs. Jess Burns of Whiteface reviewed the "Life of Susie Wong" by Richard Mason.
Attending were Mesdames A. O. Smith and Burns from Whiteface, and Mesdames S. D. Littlefield, Gowdy, A. E. Sanders, Carl England, Bill Harris, Ira Brown, D. E. Benham, Ledbetter, Bill Glassford, and Miss Lonora Jackson.
The next regular meeting of the group will be Oct. 10 in the home of Mrs. Ira Brown.

CHANGE TO SHAMROCK 10 W-30 MOTOR OIL NOW AND PROTECT THE LIFE OF YOUR CAR'S ENGINE AND BATTERY

The development of Shamrock 10W-30 Motor Oil is based on the fact that the typical passenger car engine operates most of its useful life in the temperature zone between the cold start and normal operating temperatures. All oils thicken as temperature decreases. The difference between Shamrock 10W-30 and conventional oil is that it thickens less at low temperature. The effect on your car's performance is important. When you change to Shamrock 10W-30, the improvements you'll notice immediately are: (1) that even on the coldest mornings the engine will turn over quickly and easily, and (2) a marked increase in gasoline mileage. These advantages are the most obvious, but not necessarily the most important. Frictional wear in the engine takes place at a very high rate during the first few strokes when starting an engine with little or no lubricant on the cylinder walls. 10W-30 reduces this wear, flowing quickly... replenishing the oil film. At high temperatures a thicker lubricant does a better job of keeping metal surfaces apart. Accordingly, 10W-30 being thick at high temperatures gives your engine full protection at this end of the temperature range, too. With Shamrock 10W-30 in the crankcase you will: (1) extend the life of your car's engine, (2) extend the life of your battery, (3) increase gasoline mileage and (4) reduce the octane requirement. We don't claim miracles for it, but you probably will.

QUALITY YOU CAN MEASURE BY YOUR CAR'S PERFORMANCE

THE GOING'S EXTRA GOOD AND SO'S THE GETTING RIGHT NOW! If you haven't had your hands on a Chevy steering wheel this year, it's high time you hustled over to your Chevrolet dealer's for a performance sample. A tour through town brings out the best in Chevy's easy handling. Then get out on an open stretch of highway and nudge it a little. Feel that heads-up response and the solid, well-balanced way Chevy holds the road. Try a rough piece of road on your return trip and feel how smoothly Chevrolet's suspension rolls with the punches. Back to the showroom for the last revelation—to see how easy it is to own a Chevrolet with a late-season deal!

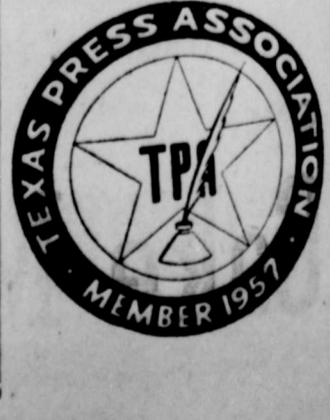

See Your Local Authorized Chevrolet Dealer

TO OPERATE CAFE
Mrs. Leon Reeves will operate the Cafe at the Nichols Gin in Godland this fall.

Class Hears About Teacher's Tour Of Europe

A special treat for the Eighth Grade English Class of Whiteface School was an interview with Miss Mary Ann Vaughn.

Miss Vaughn who is the new music instructor for Whiteface School spent her summer vacation touring Europe. Among the countries visited were England, France, Italy, Germany, Austria, Holland, & Belgium.

The students were especially interested in learning about the customs of the people, their mode of dress, their festivals, kind of homes, transportation, language and religion.

Miss Vaughn delighted them with her accounts of selecting foods, changing American money into foreign exchange, and the difficulties of shopping.

In Rome she told of her visit to Vatican City, seeing the Pope, & hearing him bless the people. Here also she visited the ruins of the Roman Coliseum and the Catacombs.

One amusing event was their bus arriving in a little town of Italy just in time to see a local parade and because of the crowds in the streets they were stranded there until the parade was over.

Other highlights of the interview were the old castles of Austria, the wooden shoes of Holland, and a tour of Berlin. Here the marked contrast between West Berlin and East Berlin was brought out.

Patricia Sims introduced the speaker to the class and Robert Guadalupe expressed the thanks and appreciation of the class to Miss Vaughn for giving time for the interview.

All the members of the class thoroughly enjoyed the interview and as one member of the class so aptly expressed it, "if we had had another hour."

Three Morton Exes Attend Lubbock Christian College

A total of three students from the Morton area of last year are enrolled at Lubbock Christian College in its first semester.

Truman Harris, son of Mrs. J. O. Harris, now of Lubbock; Donald Chessier, son of Mr. and Mrs. O. D. Chessier of Morton; and Betty Sue Sullivan, daughter of Mr. and Mrs. Coy Sullivan are enrolled. Truman and Donald, who entered Morton schools together 12 years ago, went through school together and are now room mates at LCC. Mrs. Harris is their mother.

8th Grade Moms Met at Whiteface

The first meeting of the year of mothers of the Eighth Grade of Whiteface School was held in the Junior High Library, Thursday, September 26, 3:30 p.m. Plans were made for the special activities of the class for the coming school year.

Mothers present were: Mrs. W. L. Warren, A. J. Norris, John Taylor, S. B. Sims, Amos Rowe, Geo. Martin, A. H. Howard, W. L. Mc Nab, Claude Laney, R. D. Hensley, Clara Stone.

Also present were Junior High Principal, R. E. Bradley and Eighth Grade Sponsor, Mrs. Vestamae Smith.

VISITED WALLERS

Mr. and Mrs. Merl Bridges and son of Hereford, were weekend guests in the home of her parents Mr. and Mrs. J. M. Waller.

CONTEST WINNERS

Mr. and Mrs. Raymond Ross will be making a trip to California sometime this month as guests of International Harvester.

Raymond was among the winning salesmen in a recent — and still going on — I-H contest.

By adding more points they could qualify for a trip to Hawaii, but Raymond said they would rather keep the trip stateside, and at the same time they are on the California trip they will be able to attend an I-H national meeting.

The week of October 21 they will take the trip to Los Angeles.

RULLING LEATHER

This convict rider shows great skill and balance in the Saddle Bronc Bustin' Contest, one of the many thrilling features of the 26th annual Texas Prison Rodeo in the prison's million-dollar stadium at Huntsville. The rodeo is held each Sunday during October beginning at 2 p.m.

Local Girls Is Enrolled at Wayland College

PLAINVIEW (Sp.) — Cochran County is represented by Elizabeth Dupler, Rt. 2, Morton, at Wayland Baptist College, which began its 49th year on Sept. 18, according to Dean Cecil Casper. She is among the students from seven countries and 24 states.

Foreign countries and territories represented are Alaska, Columbia, France, Hong Kong, Japan, Philippines, and Okinawa. New Mexico leads out of state areas with 46 students. In second and third places are Oklahoma with 24 and Colorado with 11. California is next with 10 students.

BACK FROM TRIP
 Mr. and Mrs. T. D. Marshall returned from a ten day trip to Paola County, where they visited with friends and relatives he had not seen for 16 years. His father also was with them. T. D. reported several days of good fishing and a seven pound spotted catfish as the prize catch.
