

# Morton Indians Roll Over Springlake 34-6

The Morton Indians wrapped up their seventh victory of the season and their third straight conference win in a hurry, Friday night rolling up a decisive 34 to 6 halftime advantage over Springlake and then looking extremely sluggish in a scoreless second half.

The Indians rolled to their best offensive effort of the season in the first half as the passing of quarterback Jack Z. Anderson reached a high degree of effectiveness. But with the game wrapped up, the Morton team let down considerably in the second half and the visitors won the marbles for the second half of play. The Wolves also scored a second half touchdown on a fine 46 yard run but it was nullified by a penalty.

Morton marched to three first downs and 71 yards the first time they had the pigskin and it was Eddie Thompson who skirted left end for the final yard and the score. Ed Dewbre's wobbly kick skidded over the center of the bar for a 7-0 count.

Held to one first down, the Springlake Wolverines punted to Seanev on the local 18. Perry Don handed off the Eddie Thompson and then faked so beautifully himself. One the first play of the second quarter, Butch Nairn took a handoff for the score and this time it was Seanev who booted the PAT.

After holding Springlake, the Indians took over on their own 20 yard line and took one minute and 27 seconds to run four plays for

back Richard Moore, on a quick opener, spurred through the Indian line and was gone quickly for a 67 yard touchdown romp.

The Wolverines pulled big 250 lb. Keith Leonard out of the line to the fullback position to attempt a PAT but he was racked up one the one yard line.

Morton took the kickoff to their own 42 and rolled up three first downs and had the ball on the 2 yard line when the quarter ended. One the first play of the second quarter, Butch Nairn took a handoff for the score and this time it was Seanev who booted the PAT.

After holding Springlake, the Indians took over on their own 20 yard line and took one minute and 27 seconds to run four plays for

the touchdown. Eddie Thompson swung wide around left end for 15 yards and a first down. Brown then found Seanev open up the middle and threw a 30 yard aerial. The little halfback scooted 11 more yards for a 41 yard overall gain. Eddie Thompson then circled the other end for 22 yards and fumbled as he came to the goal line. He recovered the ball on the two.

Seanev it was who got the honor of legging the final two yards for the TD. His kick for the point was blocked and it was 27 to 6 with 6:03 left to play in the half.

Morton had one more drive left before the half. After an unsuccessful fourth down attempt by Springlake, Morton took over on the Wolverines 45 yard line with four min-

utes to play. Jackie Brown tossed a 29 yard aerial to Freddie Thompson who was hauled down on the 16. Willingam got a first down on the six and three plays later it was Nairn who burst over from the two for the final score. Seanev's kick was straight as an arrow.

Dewbre recovered a fumble to give the Indians one more chance with 44 seconds left to play in the first half. Brown tried two passes, completing one to Seanev for 11 yards as the half ended.

The first half was marked by several vicious body blocks and obviously the Morton boys were instructed to be careful the second half. They haven't enough men to be able to afford a bad injury to one or two key men. The result of this let up was lethargic. The Indians looked sluggish the entire second half, failing to block as the passer went back to pass, and not getting as much push into their drives. For the second half the Indians were outgained and out first downed, but neither team managed to get another six pointer. A 27 yard run up the middle by Seanev and a 23 yard romp around end by Eddie Thompson were the two near breakout runs for Morton.

Dean Jones, Doug Louder and Dick Moore managed to grind out five first downs for Springlake, 3 of them coming in a game ending push. But Morton reserves got a good workout, especially in the backfield. Morton's boys also seemed to show the strain of all the running in that first half — they pooped out in the final 8 or 10 minutes.

The Indians rolled up 249 yards in the first half and 137 of it came by passing. Brown completed first half passes for 41, 28, 28, 25, and 13 yards — 5 completions in just six pass attempts. Fortunately, for the Indians, Springlake receivers were butterfingers. On two occasions, a Springlake man had a pass thrown right in his hands, in the clear, four or five yards from the nearest defender — only to drop passes from quarterback Gene Stephens. The Indians also wound up with a nice punting average of 38 yards on 3 boots, from Collins and Seanev. On ball possession, the Indians had the worst night. They fumbled the pig-

Irrigation Meeting  
Set Nov. 14 - 15

The Administrative Assistant to President Eisenhower, Jack Z. Anderson, Washington, D. C., will speak at an Irrigation Conference which will be of interest to farmers, agricultural leaders and the irrigation equipment industry scheduled Nov. 14 - 15 at the Lubbock Hotel in Lubbock.

This Conference is being sponsored by the newly formed Texas Inter Industry Irrigation Council. Top irrigation specialists from throughout the United States will take part in the program.

"Irrigation Farming — A Key To Better Living" is the theme of the initial conference. This will be the first State-wide conference of its kind in Texas and almost every problem on a state wide basis in connection with irrigation will be considered.

Farmers and business men who have wanted more knowledge of irrigation in your area now have the opportunity to obtain the best such information available.

The future of irrigation in Texas, which ranks second only to California, future water supplies and potentials for increase in irrigation will all be discussed at the conference. Harry P. Earleigh, Bureau of Reclamation, Austin, will lead this discussion.

Farmers may be interested in knowing more about how soils respond to irrigation. The top man for this subject in the United States, R. M. Hagan, University of California, will discuss this problem.

Labor everywhere is a big problem and all of the research on this subject will be brought to the conference by R. C. Mueller of San Francisco. Then, financing is an important item in irrigation economy. E. J. Dugan, Vice - President, U. S. National Bank, Denver, Colo., who has had years of experience financing irrigation installations in Colorado, will talk on this subject.

These are only a part of the many fine talks that will be presented at the two - day irrigation conference.

Although planned and sponsored by a Texas organization, the meeting will be of National importance to the irrigation industry and farmers and businessmen from throughout this area, the State and Nation are invited to attend.

**VISITING FROM OKLAHOMA**  
Mrs. Truman, Benham of Lawton Oklahoma is visiting her parents, Mr. and Mrs. Roy Allsup and Mr. and Mrs. C. C. Benham.

**1,000 Attended Chevrolet Showing**  
Some 1,000 area persons turned out Thursday and Friday to view the new 1958 Chevrolets at Allsup Chevrolet Company, Don Allsup estimated, Friday night.

Free coffee and doughnuts were served. Six door prizes were awarded.

Persons who missed Thursday's and Friday's showing may drop by anytime for a view of the new models. "You're always welcome at Allsup Chevrolet," Allsup says.

Door prize winners were R. C. Ward of Morton, Jimmy Webb of Morton, L. E. Warren of Maple, J. R. Rody of Morton, H. A. Lamb Jr., of Morton and D. E. Benham of Morton.

VOLUME V "Serving Texas' Last Frontier" MORTON, TEXAS, SUNDAY, NOVEMBER 3, 1957 "Covers Texas' Last Frontier Like the Dust" NUMBER NINE

Robert E. Hornberger, left, Dallas oilman and real estate developer, presents the fossilized thigh bone of a prehistoric elephant to Dr. David Clark, assistant professor of geology at Southern Methodist University.

### Three Way News . . .

By Mrs. FRANK GRIFFITH

**MEETING TODAY**  
A training union zone meeting is to be held today at the Watson Baptist Church (Sunday, Nov. 3).

**ATTEND SISTERS' FUNERAL**

Second Grade — Joy Eubanks & Jimmie Kizer.

Third Grade — Lynda Jordan & James Kinde.  
Fourth Grade — Claude Hobgood and Katherine Masten.  
Fifth Grade — Pam Bowers and Johnny Dwart.  
Sixth Grade — Kay Lemons and Johnny Tucker.  
Seventh Grade — Chiquita Kizer and George Halley.

Eighth Grade — Kathy Pollard & Frank Stegall.  
High school candidates are:  
Freshmen — Connie DeHoyas and Kenny Sims.  
Sophomores — Jane Garvin and Charles Latimer.  
Juniors — Nan Johnson and Leslie Fine.  
Seniors — Bonnie Batteas and George Taylor.

**P.T.A. MEETING SET FOR MONDAY, NOVEMBER 18**  
A Parent - Teacher meeting will be held Monday, November 18. The (Continued On Page Four)

### CIVIL SUIT AGAINST MORTON SCHOOLS IS DISMISSED BY DISTRICT JUDGE AFTER DISMISSAL MOTION BY LAWYERS FOR THE PLAINTIFF

The much-discussed civil suit brought by Fred Stockdale and wife Alice against the Morton Independent School District, ended abruptly in dismissal, Thursday morning, a few minutes after it was scheduled to get underway.

But the dismissal order had nothing to do with the request for summary judgment which had been filed by the defendant, the schools.

The dismissal order was issued by Judge Victor H. Lindsey of the 72nd District Court after a motion for dismissal was filed by the Plaintiff.

In the motion for dismissal, at-

orney Earl Allison, of the firm of Allison and Allison, Levelland, representing Fred Stockdale and wife Alice, said their decision to ask for dismissal was prompted by a desire to have portions of the school policy "which can not be condoned," corrected by the best method.

It went on to say that many patrons of the school had asked the suit be pushed in order to straighten out these methods, but claimed to be desirous of saving the school "unjustified expenses" that would be incurred if the case were carried further.

Then it recommended these af-

fair could be straightened out by the patrons' fundamental rightful methods, in the election of school trustees.

Judge Lindsey granted the dismissal and adjourned the Pettit Jury which had convened Monday and Wednesday for Criminal Cases and had been held over an additional day, Thursday, in case the civil suit was tried.

The Plaintiff also agreed to pay the court costs and in Judge Lindsey's order it decreed the Plaintiff would pay the expenses of the proceeding, thus far.

So ended the Court Discussion of the suit filed against the Morton School District when the Board failed to offer a teaching contract to Mrs. Fred Stockdale for the

current school year. While the Plaintiff paid the court costs — which up to the moment of dismissal figured "around \$15," according to Tom Clinton, lawyer for the school — the school district was still "out" the expenses for hiring a lawyer to defend them (\$500.) And, the taxpayers of Cochran County were "out" approximately \$185 in Jury fees paid to the petit jurors who had to stand by, but were never used.

One outlet would remain open for the schools to get their money back. They could sue for damages (the cost of their lawyer) — if they

### VOTERS CAST BALLOTS TUESDAY ON THREE STATE AMENDMENTS

Texas goes to the polls again next Tuesday to vote on three amendments to the Constitution, offered by the last session of Legislature.

Here's the way they'll appear on the ballot.

1

**FOR:**  
The Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

**AGAINST:**  
The Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

2

**FOR:**  
The Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty - Five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty - One Dollars (\$21) per month and on the total yearly expenditure out of State funds for assistance to needy aged, needy blind, and needy children from Forty - Two Million Dollars (\$42,000,000) per year to Forty - Seven Million Dollars (\$47,000,000) per year, and allocating and appropriating additional sums, supplementing current legislative appropriations, for payment of assistance grants.

**AGAINST:**  
The Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty - Five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty - One Dollars (\$21) per month and on the total yearly expenditure out of State funds for assistance to needy aged, needy blind, and needy

children from Forty - Two Million Dollars (\$42,000,000) per year to Forty - Seven Million Dollars (\$47,000,000) per year, and allocating and appropriating additional sums, supplementing current legislative appropriations, for payment of assistance grants.

3

**FOR:**  
The Amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State.

**AGAINST:**  
The Amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State.

Voting will be held in each precinct, Tuesday, from 8 a. m. until 7 p. m.

In Morton, Pct. One, will vote at the County Activities Building, W. E. Angle is election judge and clerks are J. B. Knox, Truman Smith and Hume Russell.

At Whiteface, Pct. Two, voting is at the School Building, T. A. Keith is election judge and clerks are L. W. Bills, J. T. Lawrence and John Russell.

In Pct. Three, Bledsoe, voting is in the school with Fred Young as judge aided by Buford Webb, Melvin Chandler and Alvie Harris.

Pct. 4, Neely Ward, will vote at the former school building under the guidance of B. R. Stovall. He will have as clerks, U. F. Wells, (Continued On Page Five)

### Families Enjoy Get Together

A family get-together was enjoyed by some of the members of the Richburg and Dunlap families on Sunday, October 20, at the home of Andy Dunlap at Morton.

Forty - seven persons enjoyed dinner and the day. One member of the Richburg family was unable to attend. Brothers and sisters of the Richburg family attending were: Mr. and Mrs. Lonnie Richburg, Estelline; Mr. and Mrs. Monroe Richburg, Fort Sumner, New Mex.; Mr. and Mrs. B. G. Dunlap, Ft. Worth; Mr. and Mrs. Frank Stroup of Paradise.

Other members of the families were Mr. and Mrs. Cecil Adams Jr. and Mrs. Canton Richburg and Sandra Estillene; Mr. and Mrs. A. O. Gidden, Bettye and Sue, of Memphis; Mrs. George Clements & Eddie; Mr. and Mrs. Otis Baker, Gera, Jan and Judy, El Paso; Mr. and Mrs. Hershel Belew, Earth; Mr. and Mrs. Orville Phifer, Pandi and Perri of Tahoka; Mrs. W. C. Harms; Mr. and Mrs. Roy Allison, Alma Jean and Rickie, Springtown; Alma Plumlee, Ft. Worth; Mr. and Mrs. J. B. Dunlap, Gary and Kenny; Odessa; Mr. and Mrs. Andy Dunlap and Bennie; Morton; Mr. and Mrs. E. A. Bass, Jr., Mitzel and Sheryl, Mueshoe.

Other members of the families were Mr. and Mrs. Cecil Adams Jr. and Mrs. Canton Richburg and Sandra Estillene; Mr. and Mrs. A. O. Gidden, Bettye and Sue, of Memphis; Mrs. George Clements & Eddie; Mr. and Mrs. Otis Baker, Gera, Jan and Judy, El Paso; Mr. and Mrs. Hershel Belew, Earth; Mr. and Mrs. Orville Phifer, Pandi and Perri of Tahoka; Mrs. W. C. Harms; Mr. and Mrs. Roy Allison, Alma Jean and Rickie, Springtown; Alma Plumlee, Ft. Worth; Mr. and Mrs. J. B. Dunlap, Gary and Kenny; Odessa; Mr. and Mrs. Andy Dunlap and Bennie; Morton; Mr. and Mrs. E. A. Bass, Jr., Mitzel and Sheryl, Mueshoe.

### Junior 4H's Elected Officers

The Junior High 4-H girls had their first meeting on Wednesday October 30th.

The meeting was called to order and officers were elected as follows:

President, Lois Courtney.  
Vice President, Frankie McKinney.

Secretary, Paula Burnett.  
Reporter, Linda Sargent.  
The president chose as song leader, Nelda Coffman and Carol Corder.

### Order for Suit Dismissal

Here is Judge Lindsey's Order for Dismissal, in which is included most of the text for the Plaintiffs plea for dismissal.

IN THE 72ND JUDICIAL DISTRICT COURT OF COCHRAN COUNTY, TEXAS  
Civil Action File No. 1155

**ORDER OF DISMISSAL**

On this the 31st day of October, 1957, came on to be heard the above entitled and numbered cause, wherein Alice Stockdale and husband, Fred Stockdale are Plaintiff and Morton Independent School District is Defendant, and came the parties by their respective attorneys and upon the call of the case, the Plaintiff made and presented to the Court the following motion to dismiss said cause:

"Plaintiff respectfully makes and presents this motion for dismissal and as grounds therefor would show to the Court the following:

"Although some portions of the policies of the present administration of the Morton Independent School District can not be condoned, the best method of correction must be considered. Many of the patrons have urged this action as the proper step for correction, but the continued prosecution of this action would force an unjustified expenditure of the common funds of the Patrons of the school.

"THEREFORE, Plaintiff prays that this action be dismissed in order that the patrons of the school may have the opportunity of pursuing their fundamental right in directing their system through the election of trustees."

The Court having heard and considered said motion and having determined that a cross action has not been filed in this cause, finds that said motion should be granted.

It is accordingly ORDERED, ADJUDGED AND DECREED that this cause be and the same is hereby dismissed with prejudice, and the cost of this proceeding is hereby adjudged against the Plaintiff.

Victor H. Lindsey,  
Judge, Presiding

By Eddie Irwin

VERY LITTLE has been said, at least in this area, about the proposed amendments to the Texas' constitution which you should be voting either for or against next Tuesday.

because so little . . .

HAS BEEN SAID, only a small amount of people are expected to take the time to vote — and this isn't good. It isn't good because a small turnout will usually endorse nearly any proposal in Texas. Unless a strong effort was made in a large enough sector, to vote down the proposal. In either of these possibilities the results are not good — only a small minority group is making the law of the land.

we hope you'll

TAKE THE trouble to vote. We have no real suggestion as to how you should vote. We haven't even made up our own mind. But we do intend to vote.

a lot of folks . . .

ARE WONDERING just what the three Amendments are all about. We've heard it said several times, "if this is water legislation, this amendment were asked to vote for, then what are all the members of Legislature doing in Austin squabbling about water legislation.

as best we can . . .

UNDERSTAND IT, here's the answer to that problem that has so many folks puzzled. This amendment proposed, simply sets up a fund by which water projects that are approved by the Legislature can be carried out. In other words, you as citizens of Texas probably know that often we have had the Legislature pass a particular plan; whatever you want to call it, and then they have to sit back and wait for the comptroller to say there are enough funds in the treasury to carry it out. Sometimes there isn't — and a bill is just written the time spent drawing it up — nothing more.

this is simply . . .

A WAY FOR the boys who are so interested in water legislation, to lay some groundwork before the legislation is passed. Please don't confuse the meaning of the word "simply" used in this last statement. It isn't simple at all. Nor is it to be spoken of off - handedly. When you talk in terms of \$200,000,000 that's two hundred million dollars — you are talking in terms far over the common man's head.

just to be frank . . .

WE DON'T LIKE THE idea of putting up that kind of money to be loaned out as the legislature is to later see fit. We'd like to know, to whom, for what, before we see those bonds issued. Remember, someone is going to pay for the \$200,000,000. Or, to rephrase it, any part of this \$200,000,000 that at any time in the future is loaned but not paid back, will be paid for by you and I.

we don't oppose . . .

WATER LEGISLATION. Certainly, we need some water plans. Even though we have no streams to dam, no rivers to control, that doesn't mean we have no stake in water legislation. Someday, it may be Cochran County that is asking a loan from this fund for building reservoirs, or some type of rain water catcher. We don't know.

But still, we just don't like the idea of the way this bill is put out to set up a \$200,000,000 fund without knowing who is going to tap it, and what for. We'd rather see the legislation first.

AIRMAN ROBERT TAYLOR

**Airman Taylor Is Transferred To Mississippi**

Airman Robert Taylor, son of Mr. and Mrs. Willie Taylor of Route 1, Morton, has completed basic training at Lackland AFB and has been assigned to Keesler Air Base at Hattiesburg, Mississippi.

Airman Taylor, who entered the service on Sept. 4th, hopes to be home on leave around Christmas time.

A graduate of Morton High School in the spring of 1956, Airman Taylor completed one year of College at North Texas State studying electronics. He has been assigned to a radio training school at Keesler.

**To Preach at First Christian**

Danny Manning, a Texas Tech student who is studying for the ministry, will conduct the services Sunday morning at the Morton First Christian Church, in the Veteran's Hall.

Sunday school begins at 10 a.m. and preaching will be at 11 a.m.

**Wild Animal Exhibit Coming**

The Coneland Exhibit, a zoo on wheels, will move into Morton for a three day stand early next week, sponsored by the Morton Jaycees.

Featuring a large number of venomous and non-venomous snakes, lizards, ocelots, a porcupine, alligators, a Gila monster, a monkey, a parrot and many other items, the show, in a trailer, will be open to adults for 25 cents and to children under 12 for 15 cents.

Scott Lamb, owner of the exhibit, has called the show highly educational for youngsters. Scott and wife operate the show which will be located on the square three days of next week.

Other things to be on exhibit include an authentic Egyptian mummy, said to be thousands of years old, a skunked human head, and many stuffed animals. The Lambs have a collection said to be valued at \$25,000. They have a permanent zoo in Denver, Colo.

A NEW AND EXPANDED LINE OF STATION WAGONS BY FORD, producer of the most popular wagons, is offered for 1958. New to the line is the six-passenger Ford Ranch Wagon (above), one of Ford's six new models built on body shells entirely separate from the Ford passenger cars. Ford spent \$185,000,000 on changes, including safety dual headlights, new jet intake grille and massive bumper, sculptured metal treatment throughout the car's exterior, and twin safety taillights as well as a completely new power train from engine to axle, all-new Cruise-O-Matic Drive and optional Ford-Aire suspension. The 1958 Fords will be displayed at all Ford dealerships beginning November 7.

**NOVEMBER 7TH IS "U" DAY — DAY OF UNVEILING OF NEW FORD FOR 1958 — AT DEALER SHOWROOMS**

The 1958 Ford car line featuring major styling changes, the most efficient engines in the cars history, a new automatic transmission and new optional air suspension, will go on display at Ford dealerships Nov. 7. J. O. Wright, Ford Motor Company vice-president and Ford Division general manager, announced today.

"At a cost of \$185,000,000 we have developed a new Ford that incorporates some of the most extensive changes ever made in the car," Mr. Wright said.

Historically, auto companies have made basic changes in their cars every three years, he pointed out.

**Morton Was Early 'Maid of Cotton' Contest Entrant; Miss Martha Wright**

Morton and Cochran County had its first entrant in the South Plains 'Maid of Cotton' contest this week with the announcement by the L'Al Negro Shady Club of Morton that they were sponsoring the entrance of Miss Martha Wright, 21 year old Morton Junior High School teacher.

**Invited to Attend Armistice Breckf'st**

All veterans, their wives, families, and friends are invited to the Veteran's Day breakfast to be held at the Veteran's Hall here Monday, Nov. 11, from 6 a.m. to 8:30 a.m., it has been announced by H. T. Golden, post commander.

Members of the post promise everyone "all they can eat" for one dollar.

**Adult Classes Are Still Open for Enrollment Here**

Supt. John Barnes reminded Mortontites this week that there is still time to enroll in typing and book-keeping classes to be offered on an adult education level, at the Morton schools, on Tuesday and Thursday nights, beginning soon after the first of November.

Those interested in the course, 2 hours each week, should contact the Superintendent about further details. The cost is \$28.50 for one and \$53 for both courses.

The course will be offered through the National Extension University program.

"But in its 1958 models, Ford has actually created fundamental design and engineering changes just at one year after its completely new 1957 model," he said.

Demonstrating this change are twenty-one models on two separate wheelbases; the Fairlane & Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 300 and the station wagon, measuring 202 inches.

The external appearance of the new car features Ford's sculptured-in-metal treatment in which styling lines are molded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the

massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights, and Power Flow hood. New sheet metal treatment incorporates redesigned front fenders, new roof with seven front-to-rear flutes or grooves and trunk lid and rear quarter panel innovations. From the rear, the 1958 Ford is distinctive with a "V" sculptured trunk lid flaring into twin safety oval taillights.

Ford introduces the newest and most modern V-8 overhead valve engines in its 1958 line — the 332 and 352 cubic inch displacement engines. The result of more than 25 years' sales and engineering leadership in V-8 engines, these engines combine new highs of efficiency, durability and economy with the added time and cost savings of quick service accessibility.

The new 332 cubic inch engine, which will be standard on the Fairlane, Fairlane 500 and station wagon series, is available as an extra cost option in the Custom and Custom 300 series. The 352 cubic inch engine is an extra high performance option on the Fairlane, Fairlane 500 and the station wagon series. The economical "Mileage Maker" six is available for most models and the 292 cubic inch V-8 engine is standard on the Custom and Custom 300 series.

The new engines feature completely machined, wedge-type combustion chambers, larger cooling running valve, new carburetion and exhaust porting and direct flow intake for peak performance at all engine speeds. Each engine is electronically mass balanced while running at operating speed and temperature under its own power.

Cruise-O-Matic, an automatic transmission combining instantaneous "solid" response with nearly imperceptible up-shifting is new for 1958. Coupled with the four-Venturi 332 and 352 cubic inch engines and a low rear axle ratio, Cruise-O-Matic provides a new power train that combines overdrive economy with automatic transmission convenience, first such combination in the industry. The new transmission introduces a new drive position for solid feel take-off or all-out acceleration through all three gear ranges. An improved Fordomatic transmission also is available.

Also new will be air suspension, optional for Ford Fairlans, Fairlane 500's and station wagons with V-8 engines and automatic trans-

missions in 1958. Air domes, made of especially strengthened rubber reinforced with steel sleeves, substitute for springs at each wheel. Air pressure inside the domes, which is supplied by a compressor and air storage tank, varies according to the weight of passengers and luggage to keep the car at a constant height and optimum springing for a boulevard ride. Switches on the car's doors operate valves to quickly readjust height and balance when passengers enter or alight. Other valves make slower adjustments for luggage, etc.

Ford also continues its policy of improving safety packaging for driver and passengers, which it pioneered in its 1956 models. The deep center steering wheel, shatter-proof rear view mirror and safety door locks, standard in all models, and

the optional seat belts and padded instrument panel and sun visors all have been improved for 1958. Exterior trim and interior fabrics and color treatments will be new for 1958 as will distinctive two-tone combinations of new colors. Optional equipment includes a full line of power assists, two models of transistorized radios, two models of air conditioning units, and two types of heaters.

**What Makes You The World's Best Shopper?\***

**\* IT'S THOSE CLIPPINGS IN YOUR HAND!**

It's a fact that American women are the most qualified shoppers in the world. Because of the intensity of newspaper advertising, American women have more information about more products, and so can compare value and price to get the most for their money. The largest single advertising voice in our country is the local newspaper. And what's more, take it with you when you shop. Or you can clip the ads out, as reminders to you to take advantage of the bargain you read about.

**SHOP THE STORES THAT ADVERTISE IN YOUR HOMETOWN NEWSPAPER!**

**TEXAS PRESS ASSOCIATION**

**Lions Selling Plains Yearbooks**

The Morton Lions' Club had four guests when they met at their regular weekly luncheon meeting on Wednesday.

One of the guests C. H. Janeway, of the High Plains Station at Halfway, was in town visiting and inviting those who have not been to see the first crop of the station, to make the visit now, before the crop is harvested.

Janeway said approximately 30 Cochran Countians were in a group which recently toured the station. Lion President Neal Rose reported, when all ticket money is counted, the Lions will realize approximately \$100 on the magic show which appeared here, Tuesday.

The Lions then heard from Bob Wilson, publisher of the South Plains Yearbook. They voted to try to sell the volumes in Morton and will receive \$1.25 for each copy they sell. Anyone wishing to purchase a copy of the book, may do so by contacting any member of the Morton Lions Club.

### Three Way —

(Continued from Page One)

3rd and 4th grades have been asked to present a program at the meeting.

#### HOME COMING WAS HELD

The Three Way Homecoming events were held last Saturday with registration beginning at 5 p.m.

Supper was served in the school cafeteria from 6 to 8. The High School team was host to Nazareth in a football game and at halftime the Pep Squad presented the football hero, Robert Sandlin, Captain Mike Pollard crowned the football sweetheart, Gayle McCelvey.

Following the game a meeting of ex-students was held in the gym. The graduation class of each year were recognized.

New officers elected were Joe Souder, president and Christine Avery recording and corresponding secretary.

More than 75 ex-students returned to the Three Way campus for the Homecoming celebration.

#### WCS MET

The Monument Lake W.S.C.S. met Monday afternoon in the home of Mrs. Cecil Cole. The program was on "Our Home Mission centers in Race." Refreshments were served to those attending.

#### WMU MET MONDAY

Three Way Baptist WMU met Monday at the church. Following the business meeting and program.

### IF THE SHOE FITS, WEAR IT

is an old saying we all know, and I am sure no one wears shoes long that do not fit.

Likewise — an EXCELLENT RULE TO FOLLOW is "Take YOUR OWN MEDICINE."

It is important to know that every prescription from your doctor is for a definite purpose and for a patient that he has examined. He never intended the drug he prescribed you to be used for anyone else. Some people are sensitive to certain medicines and the dose for you may be wrong for someone else. It is unwise to take a drug that was prescribed for another person. Also it is an excellent rule to destroy leftover medicines.

We PHARMACISTS at the MORTON DRUG are specialists in filling your Doctor's Prescriptions to help him adapt medications to your special needs.

Complete Prescription Stock enables us to fill prescriptions from Doctors all over the area. Modern Research has enabled even a PHARMACY in the smaller towns to carry the most up to date medicines.

PROMPT PRESCRIPTION SERVICE from one of the PHARMACISTS at the Morton Drug is one of our SERVICES.

the G.A. and Sunbeam organization or treat outing was planned VISITED IN LUBBOCK

and Mrs. Florence Bailey visited Mrs. Frank Griffith and Paula relatives in Lubbock Sunday.

# THANKS, FOLKS!

Chevrolet offers in its 1958 Bel Air series two Impala models, named after and strongly reminiscent of a "dream car" in the GM Motorama. This is the Impala sport coupe, distinctively styled from any angle, and setting a new standard for interior luxury in the low-price field. A new engine, new frame and two new suspension systems are but a few of the many advances. Impalas are grouped with the Bel Airs, and setting a new standard for one of four new series of Chevrolets this year.

—for the WONDERFUL way you received the WONDERFULLY NEW '58 CHEVY

... to each of you let us extend our sincere appreciation for dropping by and viewing our new models ... and if you haven't seen the ALL NEW CHEVY ... come by ... you're always welcome at ...

 (Continued From Page One)  
 be that as it may...  
**YOU DESURE** to vote Tuesday, one way or another on this bill and the other two...  
 one of the other...  
**TWO PROPOSED** amendments would increase the old age assistance to aged needy, and others who fall under the classifications of needy blind, and needy children — at a rate of about \$2.00 per month, per individual. Of this, the state would pay \$1, the federal government, \$1. To do this, as little as it seems, would be to increase the fund for this program by \$5 million.

**LOSE A POUND A DAY... FOR 14 DAYS**  
 WITHOUT SUFFERING HUNGER PANGS OR LOSS OF ENERGY WITH THE KESSAMIN REDUCING PLAN!  
 1. A reducing diet (The Kessamin Diet) prepared by a physician and a dietitian to give best possible diet.  
 2. Vitamin to prevent deficiencies which cause nervousness, irritability and that tired, draggish feeling. Also supplies essential minerals and iron to help prevent nutritional anemia.  
 3. Vitamin plus the herb, Carboxy Methyloleulin, to stimulate normal intestinal elimination.  
 4. The "hunger control" factor, Carboxy Methyloleulin, to reduce hunger if taken according to directions.

**PER YEAR** doesn't sound like much, but for those who really need it, it could do a lot — even in inflation.  
 the other, of course...  
**IS SELF EXPLANATORY**, the subject of establishment of retirement, disability and death pension and for state employees — that is its self-explanatory unless you are puzzled about just who will be affected by this. As we get it, it refers to state departmental employees — of whom Texas has their share.

**Election —**  
 (Continued From Page One)  
 Rev. D. Gray and T. M. Tanner, Election Box 5, part of Precinct 2, at Lehmert, will be presided over by J. W. Pund assisted by P. L. Fred.  
 At White's Gin, Election Box 6, part of Precinct 2, Mrs. Garland Brown will be judge. She will be assisted by Mrs. Hugh Smith.  
 The judges are annually appointed by Commissioner's Court and a special order was entered to put Mrs. Brown as judge of Election Box 5. She replaces Willie Mae Houston who moved to Morton.  
 Ed McClellan is judge of the Special Commissioning board and will be assisted by L. B. Childs and J. A. Mullinan.

**Civil Case —**  
 (Continued From Page One)  
 wished to be involved in further suit.  
 Although the Plaintiff, through its lawyers, had offered an out-of-court settlement, and the defendant had made a counter offer, no agreement of any kind was reached.  
 And, the two points of law that had never previously been settled, will remain for the time being, unanswered.  
 (1) Is the policy manual drawn up individually by most schools and soon to be mandatory for all schools in Texas, a part of the teacher contract?  
 (2) And, are the policies set out in the manual rules which the school board itself cannot change, for what it considers due cause?  
 Almost all members of the School Board, and those connected with the school, were glad to see the suit dismissed. Though they failed to give one inch in their original decision, they had expressed concern over the fact that the schools should give to go to court to preserve their rights.  
 The amount of money saving to the school district by the dismissal

**RECENT SURVEY GETS APPRAISAL OF CAMP FIRE GIRLS PROGRAM**  
 "It has everything I like to do, it's unusual, too."  
 This appraisal of the Camp Fire Girls program — by a 12-year-old member — is typical of the response of two recent research studies conducted by Camp Fire Girls, Inc., Audience Research, Inc., and Opinion and Market Research Division of Gallup.  
 Leaders, their friends, parents and leaders questioned in a depth survey of the Camp Fire Girls for its individuality, its creative program and its "unusuality."  
 Commented a 13-year-old member, "We just do about everything a Camp Fire group could do. We sort of lead the others around our way."  
 And a 16-year-old member summed up her experience by, "We had about everything and a swell time."  
 These were the comments of three parents:  
 "They worked together and learned to do things in a group. It was good training for later life."  
 "They keep getting new ideas... all in time."  
 "They encourage children to do things at home. It gives them initiative."  
 Leaders questioned in a nationwide study of leadership, a comparison study to that done on the program, cited the "varied and comprehensive program" of Camp Fire as one of its chief attributes. They approve of the organization also, the report shows, for its individualized program and the fact that it is home oriented. Leaders also pointed with approval to Camp Fire because it is "unusual and so regimented."  
 Criticism of the Camp Fire program in both studies centered about the program of the older group and the changing needs of teen-agers.  
 Both leaders and parents, the studies show, feel that today's teen-agers are "different" from what they themselves were. The studies highlight what every parent knows — that there is a gap between the interests of parents and those of girls. It was also indicated that the activities which leaders like most were not always the most satisfying to girls.  
 More than half the leaders queried said they feel teen-agers are "different," and cited these reasons: Girls, today have matured more rapidly, they have more activities and advantages open to them, they are characterized by more initiative and sometimes aggressiveness, and they have less respect for parents, teachers, and authority in general.  
 Commented a parent in the depth survey: "Today's teen-age daughter is in many ways — education for example — more advanced than the parent because of TV, magazines and papers."  
 Said another parent, "They are not as dumb as they used to be. They seem more advanced and know about everything in general."  
 To meet the needs of these "different" teen-agers, leaders suggested more social and community-oriented activities for the older groups of Camp Fire Girls.  
 Evaluation of the program for the older girls, as a result of the two studies will be among the topics considered by the National Council, Camp Fire Girls' policymaking body, when it meets in Minneapolis, Nov. 11 and 12.  
 The nationwide leadership study also indicated that Camp Fire, like many other agencies, needs more trained leaders to carry out its program. This problem also will

**FARM AND HOME FIRE DANGER INCREASES**  
**URGENT COLD WEATHER**  
 First cost the nation's farmers an estimated \$142 million last year. During the past 10 years, almost a billion and a half dollars worth of farm property has gone up in flames, according to economists in the USDA's Agricultural Research Service.  
 "Don't let a fire happen on your farm or in your home," is the word of caution from the Texas Farm and Ranch Safety Council.  
 "As the weather becomes colder and heating equipment is put back in to active service, the chances for fire take a big jump," says the Council. They add that the USDA survey shows that farm fires are due to 7 principal causes and most are preventable. The chief causes are: faulty fuses and heaters, combustible roofs, spontaneous combustion, matches and smoking, defective electrical wiring, gasoline and

# VOTE TUESDAY

## 3 PROPOSED CONSTITUTIONAL AMENDMENTS

1. Relates to establishing a retirement, disability, and death compensation fund for officers and employees of the State of Texas.
2. Relates to a proposed increase in the limit on maximum monthly payments to needy aged persons from state funds and on the total yearly expenditure out of State funds for assistance to needy aged, needy blind, and needy children.
3. Relates to the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain politic and corporate bodies of the State of Texas in conservation and development of the water resources of the State.

# VOTE NOVEMBER 5

### Garden Club Changes Date of Annual Book Review — Tea, to November 7

The Cochran County Garden Club announced this week they have changed the date of their annual book review for all Federated club women to next Thursday night. Originally set for Monday, Nov. 4, the change was necessitated as the club's planning committee suddenly realized they had failed to reserve the Banquet Room of the County Activity Building. The Book Review Tea will be held at 8:00 o'clock, Thursday, Nov. 7, in the Activities Building. All Federated Club members are guests of the Garden Club for the evening. Mrs. M. C. Ledbetter will do the book reviewing.

**IS HOSPITALIZED**  
Mr. W. E. Childs is in the Phillips - Dupree Hospital at Levelland.

### Rainbow For Girls Assembly Will Be Instituted, Installed Here, Monday

The Morton Assembly for the Order of the Rainbow for Girls, sponsored by the Order of the Eastern Star 841, will be instituted and installed Monday in official rites at the Banquet Room of the County Activity Building. Twenty officers selected by the Advisory Board will take office & 32 girls will be charter members of the organization. The institution of the Assembly will take place at 7 p.m. The rites will be closed except for Masons and Eastern Star members. The installation of officers, which takes place at 8 p.m. is open to the general public.

Mrs. Martha Marie Whitfield of Dallas, Supreme Inspector of Texas in the Rainbow organization will be the Institution and Installing officer and will be assisted by the Friona Assembly.

The initial rites of a new group are somewhat unusual in that the officers have been appointed by the Advisory Board and will not know until the time of the ceremony the position they will hold. On succeeding years they will be elected by a vote of the Assembly members.

Masons and Eastern Stars are urged to attend both ceremonies & the public is cordially invited to attend the installation at 8 o'clock, Banquet Room, County Activity Building.

**GRADY McHAM NOTED VERY SERIOUSLY ILL AT BIG SPRING VET'S HOSPITAL**

Grady McHam, who lives northwest of Morton and who has been ill on and off with heart trouble for some time, is reported very seriously ill in the hospital at Big Spring.
