VOL XVII Serving 'Texas' Last Frontier MORTON, TEXAS, THURSDAY, JANUARY 16, 1958 NUMBER FORTY-SIX

HARLEM ROAD KINGS TO MEET LOCAL BASKETBALL TEAM, SAT.

Morton basketball fans, who in the past several years have seen several touring basketball teams, will have a chance to see a repeat performance Saturday night as the famous Harlem Road Kings, who played here previously, meet the Morton Chiefs in a game sponsored by the Morton Jaycees.

Bobby Grund's zany basketballers will meet the Chiefs at 8:00 p.m. in the High School gymnasium. Tickets will sell, at the gate only, \$1.00 for adults and 50 cents for students. The show, as always in a game of this sort, will produce a combination of trick shooting and humorous antics by the Road Kings who seldom find competition that calls for hard playing. They won 149 and lost 7 last season and in that span ran up 58 victories. They have a tall, sharp shooting, clever ball handling troupe and the local team isn't coming out with the expectations of winning. They simply will do the best they can with the

professional group and help provide a full evening of entertainment.

Jaycee proceeds, as usual, will go into the many Jaycee projects undertaken each year.

The Chiefs are an independent team of local boys who compete in one of the area Texas Amateur Athletic Federation leagues.

John Deere Day Next Thursday

McAlister - Huggins, area John Deere dealers, will observe their annual "John Deere Day" on Thursday, January 23, it was announced this week by Gene Huggins.

Plans call for a plowing demonstration at 10 a.m., just east of Silvers Butane Plant, Morton; the lunch at 12 noon in the Cochran County Banquet Room; and a free western musical comedy movie, "The Ace Ranchero," to be shown at 1 p.m. in the county auditorium.

Also, the company will demonstrate its new dynamometer for farmers interested in learning the efficiency of their tractors, regardless of make.

The dynamometer is designed to show farmers how they can bring their tractors to peak operating power, at minimum cost, it was announced.

In addition to the "John Deere Day" demonstration of the dynamometer, which measures efficiency from the power take-off shaft, farmers may register for five free tractor checkups to be given later. All that is necessary to be eligible is or the farmer to register during "John Deere Day."

The John Deere movie schedule will include the western comedy & sight - seeing tour of modern farming practices.

Tom McAlister and Huggins not only invite, but urge all farmers and their families to plan to make it a full day with John Deere.

Former Resident Ill At Muleshoe

Tom Morgan, Bailey County Commissioner and former Morton resident, has been brought home from the Mayer Clinic at Lubbock early this week.

Morgan, now living in Muleshoe, is suffering from heart trouble and had been hospitalized for a week. He is under oxygen at his home and is still considered a very sick man.

Morgan, who operated a barber shop in Morton for many years, is now farming in Bailey County as well as serving as commissioner.

No. 12 - Indians "Rough" 'Necks' By 65 to 36 Score

Morton's eager Indians out-roughed the Sundown Roughnecks to capture their third win from the Hockley Counties, Tuesday night - this one by a 65 to 36 count.

The Roughnecks, finding themselves far behind (19 to 7) at the end of the first quarter, began to inject a note of roughness into the game, and in spurts, appeared to be getting away with it. But Coach Travis' charges put on their wings and fast-broke the Hockley Counties until they had two of the Sundowners so mad they couldn't even keep from looking mad. As the going got rough, Morton lost its high scorer, Ed Gattis, as he bumped up a knee in collision with his own man. But that only made the Morton boys more determined. Firing over 400 in every quarter, the local boys made it 34 to 15 at the halfway post and 47 to 24 at the three-quarter pole.

Clayton Flanagan, who took the burden of the Roughneck roughing, calmly flipped in 12 straight free throws to pace the scoring with 16 tallies. All other starters except Gattis hit double figures. Brownlow had 13 Middleton 12, and Eddie Thompson 10. Brother Freddie got five fouls in his brief fourth quarter stay but he squared accounts with some of the Roughnecks roughest - and also hit two baskets.

Hanks had 15 points to lead the Sundowners who made only 10 field goals in the game.

Flanagan pulled off 17 rebounds to easily lead that department.

The Morton girls lost a real thriller, 59 to 55 as Sundown pulled into a seven point lead in the final quarter and forestalled Morton's efforts to get back in the game.

Dolores Stephenson caged 24 to lead both teams but Morton's fall came as Mary Ellen Thompson fouled out of the tight game in the third quarter. At that juncture the score was nearly even.

Mary Ellen got 20 points for the Indian Maids. Mary Dominguez got 23 to pace Sundown.

The Morton reserves lost a tight 47 to 44 decision to Sundown's 'B' team.

Can you vote this July? It takes a POLL TAX

New Manager for Morton Laundry

Morton has a new businessman and wife this week - operating an old business.

Mr. and Mrs. Hoher Hill (the wife is Jo Beth Hill) are operating the Morton Laundry, and invite area folks to drop by and visit with them.

The laundry was formerly operated by Mr. Chandler.

Farmers Invited To Vegetable M'tg. January 23rd

Any Cochran County farmer interested in growing vegetables in 1958, is invited to a vegetable program meeting January 30.

The meeting will be held on that Thursday morning at 9:00 a.m. until noon in Muleshoe.

Any growers who are growing vegetables in 1958 should by all means attend this meeting, according to County Agent Homer Thompson.

Thompson said the location of the meeting had not yet been designated but advised that a call to the County Agent's office in Muleshoe, upon arrival there, will find the exact location.

On the agenda for the day will be the following speakers:

9:00 to 9:35 - Soils and Fertilizers by W. F. Bennett, Soil Chemist, A & M College.

9:35 to 10:05 - Production, by B. G. Hancock, Extension Horticulturist.

10:05 to 10:45 - Plant Disease & Control, by Dr. Harlan E. Smith, Plant Pathologist.

10:45 to 11:05 - Insects and Their Control by Joe Cole, Associate Horticulturist.

11:05 to 11:35 - Marketing by J. F. Roseborough, Horticultural Marketing Specialist.

11:35 to noon - Questions and Answers.

Legion Tonight

The American Legion will hold its regular third Thursday night meeting (tonight) at 8 o'clock in the Veteran's Hall, Morton.

All Legionnaires who can be invited to attend.

POLL TAXES SURGE OVER 500; AS DEADLINE FOR PAYMENT IS NIGH

Paid poll taxes jumped another 128 in Cochran County over the past week but were still running far off the potential, it was revealed on Wednesday.

Total paid poll taxes climbed to 562 - 128 over the figure that had paid this time last week. A few more probably were added in Whiteface but the 562 total includes only those sold out of the Morton office.

Mrs. Otha Denny, Tax Assessor - Collector reminded this week that Vern Bebee at the Bebee Insurance Agency in Whiteface is selling poll taxes and will be selling car tags on February 1st.

At the present rate approximately 850 to 1,000 would be paid which will fall several hundred below the potential - even though another 250 or more exemptions would qualify persons to vote.

Efforts were renewed however to get people to vote as the local Jaycees had printed some 2,000 circulars which were distributed in

Services Held for Denny Infant At Lubbock

Funeral services for E'Laine Denny, infant daughter of Mr. and Mrs. Jim Denny of Lovington, were conducted at 2 p.m. Saturday in Franklin - Mallett Funeral Chapel in Lubbock.

The baby is the infant granddaughter of Mrs. Otha Denny of Morton.

Burial was in Tech Memorial Park.

The five - week old girl died Friday morning. She was dead on arrival at a Lovington Hospital. The family had recently moved to Lovington from Lubbock.

The infant was either already dead or unconscious when the parents woke up and discovered her. They rushed her to the hospital. Cause of death was listed as acute indigestion.

The infant, a twin, is survived by one brother and one sister the paternal grandmother, Mrs. Denny; the maternal grandparents, Mr. & Mrs. Estil Cryer, Elida, N. M.; great - grandparents, C. W. Denny of Andrews and Mr. and Mrs. W. H. Cryer, Elida; and great - great-grandfather, J. M. Tomlinson, Clovis.

Mrs. R. Nail Rites Are Held At Amarillo

Mr. and Mrs. L. B. Childs received word Saturday afternoon of the death of a very dear and close friend, Mrs. Raymond (Faye) Nail of Amarillo - also well known to a host of Mortonites.

Mrs. Nail, 50 years old, suffered a fatal heart attack at her home in Amarillo around noon, Saturday, while apparently on the road to recovery from two light attacks earlier in the week.

Funeral services were held on Tuesday at 2 p.m. at a Methodist Church in Amarillo and burial was in Amarillo.

The Childs left immediately for Amarillo when they heard of Mrs. Nail's death and then returned to Morton on Sunday night and also attended the funeral, Tuesday.

Mrs. Childs had talked with Mrs. Nail on Friday, after she came home from the hospital and she said she was supposed to be hospitalized but had felt so good they said she could be home. She arose and did some light work about the house Saturday and then suffered the fatal attack. She had suffered from heart trouble for some time.

Mr. Nail is Arrow Shirt salesman for this area and has been for the past 12 years or more. The couple were so close they spent nearly all Christmases together - including the past Christmas when the Nails visited in Morton. A great many of Morton's residents had met the couple on their frequent visits here.

Survivors, in addition to the husband, include two grown children and Mrs. Nail's mother.

Lions Club Votes MOD Donation

Neal Rose, president of the Morton Lions Club told members at the regular luncheon meeting Wednesday, that it would be impossible to bring the Eastern New Mexico University production, "Swanee" to Morton this year but that the university officials would be glad to try to work out plans to present the show in Morton next year.

The club also heard that District Governor Bill Smith will make his official club visit on February 26.

The club heard a financial report and voted to make contributions to the March of Dimes.

The program was the showing of a Safety film by Lion Homer Thompson entitled "The Miracle of Pleasant Valley."

Five Area Telephone Cooperative In Annual Meeting at Muleshoe, Sat.

The second annual meeting of the members of the Five Area Telephone Cooperative will be held at Muleshoe Saturday afternoon (Jan. 18) at 2 o'clock, with a program of interest to all members and \$100 worth of door prizes to be received by members on hand for the session.

Only members in attendance will be eligible to receive the various prizes that will be awarded.

The gathering will hear the com-

grocery sacks by the local food markets, Tuesday, and which are also being worn as lapel tags by a number of clerks.

Mrs. Otha Denny, Assessor - Collector said the lapel tags had already caused considerable talk & several persons had been reminded off the fact they hadn't paid their poll tax by these tags.

A group of Jaycees are also interested in hawking the poll taxes at the ball games the remainder of this month.

Cousin Dies At Slaton

Funeral services were conducted at 9 a.m. Monday at St. Joseph's Catholic Church in Slaton for Mrs. Eva Gertrude Hilbers, Rt. 2, Slaton, who died Saturday in Mercy Hospital in Slaton.

She was a cousin of G. G. Nesbitt of Morton.

Msgr. T. D. O'Brien officiated at the funeral for the 80 year old Mrs. Hilbers. Rosary was read at 7:30 p.m. Sunday at the home. Burial was in Englewood Cemetery under the direction of Williams Funeral Home.

Survivors included her husband, George, a son Clifford of Lorenzo; a daughter, Mrs. Bernadine Herring of Hurley, N. M.; seven brothers and three sisters.

Mr. and Mrs. G. G. Nesbitt and Mrs. Louise Fly attended the funeral from Morton.

School Nurse Asks For Childrens Clothes, Shoes

Anyone having on hand clothes for school children which are in decent condition but which they do not have any use for are urged to donate them to the School Nurse's office for distribution where needed.

Shoes especially are in demand according to Mrs. Bob Cross, the school nurse.

The items should be brought to the elementary upper grades building - across the street from the Morton Laundry. The Nurse's office is the first door on the right as you enter the north doors.

Mobile Unit Is Here Today

The S & H Green Stamp mobile redemption unit will be at Piggly Wiggly, Morton, all day today (Thursday) it was announced last week by Orville Tigler, owner of Piggly Wiggly.

Persons desiring to have Green Stamp books redeemed need only to bring the books to the unit, select the merchandise they desire, and it will be mailed to them then at no additional cost.

Two Seek Commissioner Pct. 4 Post

Mrs. R. A. Yeats Rites Are Held At Winters, Tex.

Funeral services were held in the Methodist Church at Winters, Texas Friday for Mrs. R. A. Yeats mother of Joe Yeats of Morton.

Mrs. Yeats, who would have been 102 years old on February 2nd, died following an attack of acute indigestion as she lived with a daughter Mrs. Evelyn Mills of Abilene on Wednesday, Jan. 8. She had lived with Mrs. Mills for the past two years and had previously lived with her son here in Morton.

Born at Montgomery, Alabama in 1856, Mrs. Yeats was nine years old when President Lincoln was assassinated. She married at the age of 19 and she and her husband came to Texas in 1880. They lived at Kosse and five years later they helped found the town of Winters.

Together with 13 families they came to the new land settled by the Winters Land Company out of Ballinger. They lived there until her husband died 18 years ago at the age of 82. Mr. Yeats farmed.

Mrs. Yeats continued to live at the old family home built in 1900 until about 7 years ago when she began dividing her time living with her seven living children.

Mrs. Yeats was the last living charter member of the Winters Methodist church founded 70 years ago. She and her husband donated the land on which it was built.

Burial was in the old cemetery at Winters where her husband and one of her two deceased daughters are buried. The other daughter died before the turn of the century in Alabama and was buried there.

Survivors include five sons; Robert, of Artesia, N. M.; Joe of Morton; George of Roby; Rev. Emmett Yeats of Roby; and Henry Alva of Dallas; two daughters, Mrs. Bob Coker of Hot Springs and Mrs. Halle Mills of Abilene. Also surviving are 25 grandchildren and 39 great-grandchildren.

Confined to a wheel chair with arthritis for many years, Mrs. Yeats still had a vivid memory, though her hearing and eyesight were only fair.

Final Clearance At Minnie's, Childs'

Minnie's and Childs' announced this week a re-grouping of merchandise for final clearance during their annual January clearance.

Details may be found on page 3 of this publication of the Tribune.

Indians Seek No. 13 At Friona, Friday

It'll be the Morton Indians facing the old No. 13 jinx tomorrow night as they travel to Friona to play their second District 3-A tilt of the young basketball season.

The Morton boys and girls will be after their second straight conference wins. The boys will be after their 13th win without a loss this season.

Though the season is so young only scattered information has reached Morton about the district foes, Friona is thought to have the strongest conference team Morton will face this season. Last year it was Friona who dealt the Indians their only conference loss.

The Friona girls, defending district champions, are again expected to have a tough team - perhaps second only to Sudan. Here again the strength of the league teams is not yet known around Morton.

Falaidio Trevino Rites To Be Held 5p.m., Today

Funeral services will be held this evening (Thursday) at 5 p.m. for Falaidio Trevino, around 75, Spanish - American resident of Morton for many years.

Trevino, who is not known to have any relatives living, has been living alone here for several years. He was taken to the Cochran County Hospital Tuesday and died on Wednesday.

Singleton Funeral Home had not completed arrangements for the burial Wednesday afternoon but advised the service would probably be conducted by Father Fred Hyland, Pastor of St. Anne's Catholic Church and burial would be in the Morton Memorial Cemetery.

Amends By - Laws Farm Labor Group

The Frontier Farm Labor Association, in their meeting held last Thursday, voted to amend the by-laws of the organization and to remove the restriction that says a man must be a Farm Bureau member to become a member of the Farm Labor group.

The amendment passed without a dissenting vote, according to L. F. Russell.

In other business the group heard a financial report and then heard and took part in a question and answer session on the contracts of Mexican Nationals. The men answering the questions were Roger Bursett and Mr. Gonzalez of the U. S. Department of Labor office.

The meeting was presided over by Lloyd Miller.

Russell this week urged all non members of the association who are users of Mexican Nationals to join the organization for the remainder of this year until August 1, for \$10. All memberships expire on August 1st. Russel said a probable reduction in yearly dues is likely to be voted for next year. He pointed out the advantages of new farmers joining the Farm Labor group before August would be to secure labor for irrigation and cotton choppin.

Russell said the present directors of the Farm Labor group would remain in office until sometime in the fall.

St. Clair's Sale Opens Tomorrow

St. Clair's Department store will be closed today (Thursday) in preparation for their January clearance which begins Friday at 9 a.m.

Details of the clearance may be found on page seven of this publication of the Tribune.

FHA Talent and Style Show Tonight At Auditorium

The Morton FHA will sponsor a Style and Talent Show tonight, on January 16th, at 8 p.m. in the County Auditorium.

The public is cordially invited to attend. Admission is 25 cents for children and 50c for adults.

March of Dimes Drive Well Underway As Mothers March, Coffee Are Set

Though off to a rather slow start - at least publicly-wise, the Cochran County March of Dimes Drive for 1958 announced three more events scheduled.

The organization said that the Young Matron's Study Club will head the Mother's March on Jan. 23rd.

Citizens who have not made a donation any other way - or those who are able to make an additional donation - are urged to turn on a porchlight between the hours of 6:30 to 8 p.m. Members of the club will conduct the march.

Bill Crone, Cochran County treasurer has accepted the duties as treasurer for the March of Dimes for 1958. All clubs and organizations that have March of Dimes funds are urged to turn them in to Mr. Crone.

Another event, coming up two days earlier, is the Come As You Age Coffee for women, next Tuesday morning at the C. B. Jones home.

The Coffee will be held from 9:00 until 11:00 a.m. Several ladies will co-host this project and all ladies of the community are urged to be on hand for this session. Coffee & homemade doughnuts will be served.

It is hoped that mothers will pick

County Wide 4-H Club Will Meet

The County - Wide 4-H Club will meet at 9:30 Saturday morning, January 18 it was announced this week by Miss Leila Petty, Home Demonstration Agent.

The group will meet in Miss Petty's office.

The club is for girls in High School or any others who would like to belong to the group of older girls.

Boosters Meet Next Monday

The Morton Athletic Boosters will hold their first meeting under their new slate of officers next Monday night in the high school library.

All present members and all of last years members who have not yet paid their dues for the new year are urged to attend and take part in the discussion of how the Morton game teams are faring.

One project to be discussed will be the planned inter school boxing program the club hopes to sponsor. A committee on this project will make a report.

To Speak to County Teachers

Dr. Thomas M. Spencer, president of South Plains College to be located at Levelland, will address a meeting of the Cochran County Teacher's Association at Bledsoe on Thursday, January 23rd (next week) at 7:30 p.m.

Dr. Spencer will speak on the Future plans and program of the Junior College which is scheduled to open in September of this year in Levelland.

Drive - In Theatre Will Be Open

The Indian Drive - In will open Saturday and Sunday nights unless snow falls, Walter Sandefur, manager of the local Wallace Theatre announced this week.

Scheduled for showing is "Fury at Showdown."

HAD SURGERY

Mrs. W. L. Foust underwent major surgery at the Methodist Hospital in Lubbock Wednesday morning to have a goiter removed.

Word received late Wednesday indicated everything seemed to have gone along very well and she was reported doing well.

These were the only two new candidates to announce this week. Dewbre's announcement means every present County office holder whose term expires December 31, has announced for re-election.

These were the only two new candidates to announce this week. Dewbre's announcement means every present County office holder whose term expires December 31, has announced for re-election.

ED ON THE BATTLEFIELD.

Thompson sent out letters to the groups he felt would be interested stating they were invited to attend or send a representative. Plans are to start the school at 9:00 a.m. and complete it about 4:00 p.m.

Mr. Gene Cupp, State Department of agriculture, will be here to assist with the school. He will try to answer all questions on the new egg law and tell what records and necessary as well as weighing and candling eggs.

"I realize we can not teach you how to grade eggs in one day," the Agent said, "but we can help you understand the methods required."

Egg Grading School Tomorrow

County Agent Homer Thompson again this week reminded those interested of the all-day Egg Grading School Friday (tomorrow) January 17, in the Banquet Room of the County Agricultural Building.

Thompson sent out letters to the groups he felt would be interested stating they were invited to attend or send a representative. Plans are to start the school at 9:00 a.m. and complete it about 4:00 p.m.

Mr. Gene Cupp, State Department of agriculture, will be here to assist with the school. He will try to answer all questions on the new egg law and tell what records and necessary as well as weighing and candling eggs.

"I realize we can not teach you how to grade eggs in one day," the Agent said, "but we can help you understand the methods required."

3 Way vs Primm In Benefit Game Saturday Night

The basketball game at Three Way Saturday night featuring the Three Way Cranes and Primm Drug of Brownfield, will be a March of Dimes Benefit game sponsored by the Three Way P-TA it was announced this week.

The game will be played Saturday, January 18 at the Three Way Gym and admission will be left to the individual fan. All of the proceeds will go to the Bailey County March of Dimes.

Game time is 8:00 p.m. Both of the TAAF teams are undefeated in Texas Loop play, Three Way having maulled Morton, 71 to 42 and the Druggists having shellacked a Whiteface entry, 78 to 45 in the opening games for the teams.

Pre-league play favorite is the rangy Brownfield team stocked with ex-college players.

This Family Had A Friend

WARREN G. MOORE of Tyler, Commander of the Texas Department of the American Legion, points to the March of Dimes container that represents a friend in need to the 1958 March of Dimes Poster Family. With the exception of the father, Maj. Joseph L. Solomon, USAF, of Warner Robbins, Ga., the entire family were stricken with polio in a single week in 1963. Still faced with extensive March of Dimes-financed treatment are Little Joe, 9, and twins, Sandy and Lindy, 6.

Chiefs Lose Two; Three Way Wins

The Morton Chiefs lost their first two starts in the Texas League of the TAAF and Whiteface lost their first start last Saturday night, but the Three Way Cranes won their bid lifter Monday night.

The three area teams, all playing in the same league, fared this way:

Saturday night Morton dropped a 42 to 26 decision to Seagraves on the Morton Court.

Also on Saturday, Primm Drug of Wellman overwhelmed the White face entry in their first game.

Whiteface was slated to meet the Muleshoe team but the score of that game was unknown as this story was written.

Bill and Cecil Mann paced the Three Way team in their opening game as they ran up a topheavy and on Morton and then saw the Chiefs cut the gap to 18 points in a 12 point spree early in the fourth quarter. However Three Way won easily with a closing rush.

Leonard Simon paced Morton in their game Saturday night with 14 points and John Autry got runner-up honors. Monday, against Three Way, Autry was top point getter

for Morton.

Saturday night, Morton does not have a league game. Whiteface is at Muleshoe and Three Way is, the host to Primm Drug.

Methodist Women Open Study on Mission Work

On Tuesday afternoon, January 14, twenty-three Methodist women began a study of missionary work in Japan at the home of Mrs. J. D. Hawthorne with Mrs. Robert Huckabay as co-hostesses.

The Hawthorne home had been transferred into the Teahouse of the January Moon. Japanese lanterns, dolls, figurines, floral arrangements, pictures, and China lent authentic atmosphere to the entrance hall and the spacious den. Both hostesses wore Japanese costumes.

A Japanese luncheon was served in Japanese style with guests seated on cushions on the floor. The menu included fortune cakes, oyako domburi, su-no-mono, imported rice cakes, and jasmine tea.

Mrs. D. E. Benham gave the devotional using a missionary hymn, suitable scriptural passages and the true story of a Japanese girl who studied in America for six years and returned to her native land to found a famous girls school.

Mrs. Bob Huckabay, teacher of the course, presented the background study, stressing Japanese customs, games and language.

Mrs. Elizabeth Greer gave a map study and emphasized the population problem confronting a mountainous country no larger than Montana with its teeming thousands to be fed.

Mrs. Hawthorne led the closing prayer to conclude a most auspicious beginning of a new study in the W.S.C.S. The next session will be held at the church next Tuesday afternoon. The nursery will be open.

Those present for the tea were Mesdames C. W. Howard, H. S. Hawkins, D. E. Benham, L. F. Hargrove, Raymond Ross, Bill Glassford, Bobby Adams, John Crowder, L. A. Cochran, Glen Benham, Vernard Alexander, J. N. Burnett, M. C. Ledbetter, Elizabeth Greer, Lessye Silvers, Peggy Houston, Willard Benham, Oma Lytle, C. C. Benham, E. L. Cox, Bob Huckabay, J. D. Hawthorne and W. W. Smith.

By HOMER E. THOMPSON
MORE ON INSECTICIDES

Tolerances of insecticide residues in the tissues of animals for human consumption and the refusal to establish tolerances in milk by the Federal Food and Drug Administration has necessitated some changes in the recommendations for the use of chemicals.

As of today here is what is recommended:

(1) DAIRY CATTLE — The only insecticide approved for direct application to the animal is one-tenth percent pyrethrum with one percent piperonyl butoxide.

(2) BEEF CATTLE — Methoxychlor or Toxaphene at five-tenths per cent strength. Do not apply within 30 days of slaughter. Use no D.D.T.

(3) SHEEP and GOATS — DDT, Methoxychlor or Toxaphene. Hold thirty days before slaughter.

(4) SWINE — DDT or Methoxychlor. Do not apply within thirty days of slaughter.

Tolene, a systematic insecticide, is approved for the control of cattle grubs. Approval came too late for its use in Texas this year. It will be marketed this year under the trade name of several companies. It will probably be available and the time for its use will be November 1958 or after the hefly season and before the grub develops.

Tolene is administered to cattle orally in the form of bolus or as

a liquid by the use of a dose syringe.

LIMITATIONS & PRECAUTIONS

(1) Treatments must not be made later than 60 days before slaughter of the animals.

(2) Lactating cows should not be treated.

(3) Only one treatment is required. A single treatment of about an ounce of the chemical is required for a 600-pound animal. Each bolus has a total weight of 1.32 ounces, of which 40 percent is the insecticidal chemical. Accordingly, 2 such boluses would be required per animal. Overdoses can cause toxic symptoms in cattle.

HOG OUTLOOK FOR 1958

Statistics show that prices received by farmers for hogs in 1957 show good gains over the prices received by farmers for hogs in 1957.

Price increases such as those in 1956 - 1957 encourage more hog production. If production of hogs increase a great deal, which is expected, prices in the fall of 1958 could be much lower than at the present time advises an Extension Economist.

Market analysts think that the spring farrowings in 1958 will show a minimum increase of 7 percent, and they could be larger; and prices to farmers will react as they have in the past. That may mean a quick drop.

For example, the 1954 spring crop increased 10 per cent and prices to farmers fell 23 per cent the following September. In 1955 the spring crop increased 9 per cent and prices to farmers fell 29 per cent the following September.

Three big reasons for expected large pig crops in 1958 are:

(1) Bumper harvests of feed crops this year make more spring farrowings in 1958 highly probable.

(2) Hog prices in 1957 have been good, and may encourage more production.

(3) The number of bushels of corn that could be bought with the price of a hundred pounds of hogs has averaged above 12 for many years. This September, it ran to a high of 16.6 bushels and is expected to run between 14 and 15 during the present breeding season. This situation almost invariably leads to increased farrowings.

POLIO INFORMATION FOR US TO TALK AND THINK ABOUT

For immediate action — People of all ages need the Salk polio vaccine. Infants up to two years old need to be taken care of first as this age and any child of preschool age needs this protection

more than any other age group.

So you don't scare easily — nevertheless, get Salk vaccine for your whole family. Polio hits men and women harder than it hits children. Remember your neighbors Salk shots don't protect you. Salk shots are safe. One shot is better than none. Two shots are better than one. Three shots will give you maximum protection. Vaccinate before too late.

Take one Salk polio shot today. Take one Salk shot two weeks later and the third Salk shot seven months later.

For your information — vaccine has changed the picture. Last year, two out of every five new victims of paralytic polio were under five years of age. The highest rate was among the one and two year olds. Yet today, millions of children in this 0 - 5 year age group have not been vaccinated according to the National Foundation for Infantile Paralysis.

The Extension Service is being called upon to help disseminate this important information.

According to Time Magazine an article quote, "Public apathy is forcing manufacturers of Salk polio vaccine to destroy hundreds of thousands of doses. About 25 million shots are stockpiled, with little demand during the season of low incidence when the public tends to forget polio, and unused vaccine must be destroyed after 6 months."

Destroying vaccine? Yes, people are letting vaccine go out of date when there are still millions to be vaccinated. We have worked 20 years to end polio. We have found a vaccine 90 per cent effective. We are now frustrated by human procrastination and just plain cussedness.

You can help. Research tells us that person to person conversation does more to promote the use of vaccine than any other single item. You can start thinking and talking.

The March of Dimes is now in action to raise funds to insure continuation of rehabilitation and research so badly needed. Of course, we will still need money to care for some of those who are neglecting vaccination for themselves and for

their children.

The United States Public Health tabulations as of Aug. 1, 1957 reveals:

Of the estimated 109,000,000 age 39 and under — 70,000,000 had one or more inoculations, but only 22,000,000 had completed the series of 3 inoculations and 39,000,000 hadn't had a single shot.

Remember the vaccine protects only those who have had the inoculations. The immunity of your friends and neighbors cannot protect you. Although the vaccine prevents paralytic polio from occurring it does not eliminate the polio viruses that cause this disease.

Two inoculations of the vaccine offer 80 per cent protection for at least one polio season. The third inoculation increases protection up to 90 per cent and gives longer lasting immunity.

The vaccine is difficult to produce and must meet time consuming tests for safety and effectiveness. No vaccine reaches the market which has not met strict government requirements. It does lose its effectiveness after 6 months and lots that remain on the shelf for that period of time must be discarded.

Lets stimulate an all out campaign during the winter months to encourage vaccinations for everyone.

In 1956 there were 15,400 reported cases of polio. This was 41 per cent less than that reported in 1955. A 59 per cent decline from the average yearly incidence 1951 to '55.

In 1957, up to July 27, less than half as many polio cases (2,244) had been reported as in 1956 at the same time (4,546) with only one third of the cases reported as paralytic.

No vaccine has ever been 100

per cent effective. A few individuals are not capable of responding to vaccines. But in nearly every instance cases occurred among the vaccinated individuals before they had the necessary series of three properly spaced shots.

These facts and figures were obtained from "The National Foundation for Infantile Paralysis."

Want you help spread the word, so we can use the MOD funds to care for those already stricken and to apply the funds on research. Yes, 90 per cent of the future victims can be prevented if everyone takes three little shots of the Salk polio vaccine.

Indians Win No. 11 — Girls, Boys Both Rap Springlake in District 3-A

The Morton Indians racked up victory number 11 in spectacular and easy fashion last Friday night as they hammered out a 32 to 22 triumph over the Springlake Wolverines in their first District 3-A match — the regulars playing less than two thirds of the game.

So spectacular was the Indians first half scoring barrage as they came undisturbed for the season — they had carried only 9 men in the "A" string so far this season, but Friday — they played 14 men — starting up five more after the game started to give them a last practice workout. The major hold down the score some 30 points or more and perhaps the margin of victory that much — but the experience was good for these reserves who'll one day be doing the first string duty for Morton.

The substitution was also good for the morale of the Wolverines & perhaps even helped the Morton boys a little. It, of course, played havoc with the point - a - game averages of several Morton boys & cut down the team shooting average some 10 points. Morton ran up a 12 to 9 lead and when the victory came with several minutes to play in the first half had a 30 to 11 lead. They led 36 to 11 at the half. They had fired a blazing 444 shooting more the first half.

In the third period Morton tallied only five points to 10 for Springlake and with four minutes to play as the regulars came back to finish up the game. Morton hadn't scored in the fourth period. It was 41 to 27. The regulars were cold when they first came back but finished in a rush to outscore Springlake 11 to 4 in the final four minutes.

The limited service forced Gattis to surrender the game's high scoring honors to Springlakes Joe Ellis. The little 5 foot one inch sprigplug earned 7 of 25 shots — most of them from long range to collect 15 points. But he got only four of 15 while the regulars were playing.

Gattis had 11 and Flanagan, 10 for Morton. Gattis hit only 5 of 12 shots to fall back down to a still amazing 500 shooting average on the season. Eddie Thompson's 3 of 5 and Clyde Brownlow's 4 of 8 were the best marks for the night. Tom Messer had 9 points for Springlake. Morton's free throw shooting was considerably better than it has been. The Indians made six of eight attempts.

Springlake caged only 9 of 21 free throws. No one fouled out of the game. Clayton Flanagan was back to his old form rebounding, pulling in 12 of them. Morton collected 52 re-

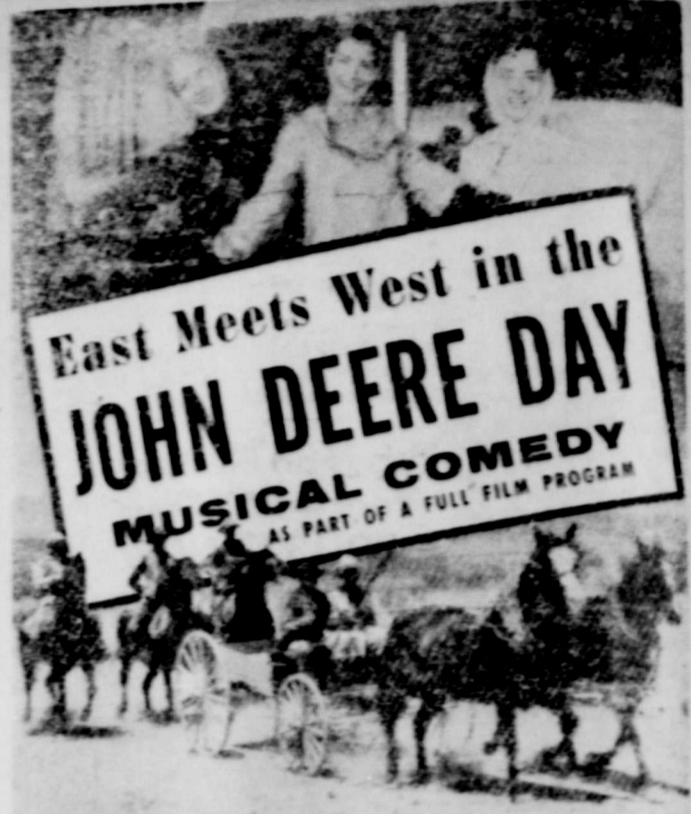

bounds to only 27 for the Wolverines.

The Morton girls worked over the Springlake girls in almost equally impressive fashion though it was in one period where they got their tremendous edge. They outscored the visitors 23 to 7 in the second quarter after a tight 10 to 10 first quarter. The teams tied 13 to 13 in the third period and Morton outpointed them 19 to 11 in the final stanza.

Berniece Fincher tallied 23 points — pace Morton and Mary Ellen Thompson caged 18. Flanagan had eight and Stephenson had 14. For Springlake it was Wayne Rutherford with 13; Billy Watson with 12; and Lavonne Bibbie with 10. The final score of 65 to 41 put the Morton girls at the top of the district race and gave them their 6th victory in 5 games.

WANTED HERE

We and Mrs. Frank York of Ft. Worth visited Mr. York's sister, Mrs. Essie B. Sports, Tuesday. The Yorks formerly lived at Morton for a number of years.

MAKE TRIP TO ROTAN

Mr. and Mrs. E. L. Cox of Morton were in Rotan last Wednesday. Mrs. Cox received a medical checkup. She recently underwent surgery there.

Better Cotton Is Now in Demand Report States

Texas cotton farmers are offered one of the greatest opportunities in history in 1954, says the president of the Dallas Cotton Exchange, reports the Texas Cottonseed Crushers' Association.

A strong demand exists for good grades of cotton of every type grown in all areas of the state, according to Jack N. Craugh, who

heads the exchange at Dallas.

The farmers who plant good seed, handle their crop properly during the season, and then harvest and gin for quality, have the prospect of selling all their cotton on the spot market at a price above the 1953 last level, Craugh believes.

There will be a shortage of high grade cotton in 1954 of all staple lengths, he said, because of the conditions created by the short crop and bad weather during harvest of the past season.

The American Cotton Industry should be able to export from 5 to 6 million bales next year with little difficulty, providing farmers produce the cotton suitable for export needs, Craugh declared.

The premium for good cotton as compared to low grade cotton should be higher next year because of the demand situation, he said.

Unless Texas and American cotton farmers meet the market demands, Craugh believes that the buyers will turn to foreign cotton and synthetics to meet their needs.

Y-M Study Club Is Hosted By Mrs. Bill Bridge

The Young Matron's Junior Study Club met January 9 in the home of Mrs. Bill Bridge. Twelve members attended the roll call.

Mrs. Dexter Nebhut was welcomed as a new member.

The club voted to accept the responsibility for the Mother's March for the March of Dimes, Jan. 22.

Mrs. Bill Bridge presented a very interesting, well planned program on "Table Setting - Adventure or Duty."

Those attending were Mesdames: Billy Gandy, Buddy Hanna, Weldon Hill, Bob Mayon, Kenneth McMillen, Steve Monroe, Louis Russell, Kenneth Watts, Lowell Webb, Jerry Winder, Dexter Nebhut and the hostess.

VISITED IN MILLSBORO

Mrs. Willie Rose spent last Friday and Saturday in Millsboro visiting Mrs. A. D. Thomas.

H. D. Council Has First Meeting Of The New Year

The Cochran County Home Demonstration Council had its first meeting for 1954 on Tuesday, January 14, in the Banquet Room of the County Activity Building. Mrs. G. C. Keith, Chairman, presided. Mrs. Grand Clifton was acting secretary.

Mrs. C. D. Arnold gave a short devotional at the start of the meeting. Club presidents gave reports of their club activities since the December Council meeting. A Christmas party was held by each club. Mrs. Arvel Snodgrass, County T.H.D.A. Chairman, reminded the Clubs to visit their committee for del equate to the district meeting of the Home Demonstration Association before the February Council. Nominations for County T.H.D.A. Chairman are also elected at this time. The district meeting of the Association will be at Big Spring April 17. The standing rules for the Council were read by Mrs. C. D. Bryant, Vice - Chairman of the Council.

Announcements were made of the following meetings:

1. Egg grading school beginning at 9:30 Friday morning, January 17 in the Activity Building.
2. Luncheon tea meeting at 1:00 p.m., Thursday, Jan. 21, in the Activity Building.
3. The Pre - Upholstering meeting at 2:15 Tuesday afternoon, on January 20 in the Activity Building.
4. The Vegetable Growers meeting at 9:00 a.m., January 20, in Millsboro.
5. The program by a Nutritionist from the National Livestock & Meat Board, Plainsboro High School Auditorium, 2:30 p.m., Jan. 22, and of Seminars in Lull - Walter Auditorium, at 2:00 p.m., Jan. 24.

Mrs. L. E. Scoggins, a member of the Education - Expansion - Citizenship Committee handed a notice to each person present on the "Payment of Poll Tax." The little handbills were printed by the Morton Jaycees. Several Council members went to pay their poll taxes after the Council adjourned.

Several committees met during the morning to make recommendations for the year's work. A short training meeting for secretaries was also held. A covered dish luncheon was enjoyed at the noon hour by the members.

Council members present were: Helen G. Keith, C. W. Ward, Arthur Walker from Whitesboro, Arvel Snodgrass, Lehman, D. A. Ramsey and C. O. Bryant, Lady Fair, J. W. Jefferson, Friendly Circle, C. D. Arnold and A. C. Jones, P.O.R. Club. Secretaries present were Mrs. Grand Clifton, P.O.R.; Mrs. Frank DeHart, Whitesboro; Mrs. L. E. Scoggins, Friendly Circle; and Mrs. T. E. Brooks, Lehman. Miss Lella Petty, County H. D. Agent was also present as was Miss Mae Dee Ann Ramsey.

Friendly Circle Club Met at Home of Mrs. Jeffcoat

The Friendly Circle Home Demonstration Club met January 9 in the home of Mrs. J. W. Jeffcoat.

The Bible reading was Luke 2:25 thru 35 by the hostess.

Roll call was answering the question: "Why I Belong to the Home Demonstration Club."

The program was: (1) My responsibility as an officer and or club member; (2) Demonstration; Dinner for the family. Mrs. Jeffcoat read, "The Good Citizen Goes To A Meeting." Miss Petty made a very tasty liver and which was served to Mesdames Woodrow Sell, Horace Gardner, Dexter Nebhut, Jake Reid, L. E. Scoggins, S. D. Littlefield, Miss Petty and the hostess, Mrs. Jeffcoat. Coffee, cakes, and fruit and nut loaf were also served to those present.

The next meeting will be January 27, in the home of Mrs. Bernard Nebhut at 2 o'clock.

The Friendly Circle Home Demonstration Club members' families are to have a banquet, January 23.

Horizon Club Makes Years Plans

The 9th Grade Horizon Club met at M. C. Ledbetter's on Tuesday, January 14.

They discussed future plans for their Horizon Club.

Those present were Melba Cook, Shirley Miller, Vivian Ledbetter, Marvaine Hoffman, Linda Williams and the reporter, Patsy Armes.
