These things made the job difficult, but they didn't beat the Maids or Indians, who both stayed within winning distance until the final few seconds of the game and then lost good chances to even the score or go on to victory.

The Maids surely missed forward Mary Ellen Thompson who gathered four fouls almost as soon as the official, a Mr. Phillips, could toot the whistle. She tossed in 14 points after this fourth infraction but was fouled out of the game on the first play of the second half. The Morton boys had a good lead

in their first quarter but the complexion began to fade quickly as they became harassed with excess-

ive fouls. Morton lost three men & Friona, two. These were the best rebounders they had. In the final 3

or 4 minutes, with only Eddie Thompson and Gary Middleton of the

regulars left, Morton still had a chance to win the game. But they
