COUNTY'S MARCH OF DIMES DRIVE IS EXTENDED INTO FEBRUARY

The Cochran County March of Dimes campaign has been extended. It was announced this week by Charles Jones, County Chairman, and Jim L. Kidd, drive chairman.

"Due to our late harvest and our subsequent slow start on this County's March of Dimes program, we have decided," said Jones, "to follow many of our surrounding counties' example, upon recommendation of our District Representative of the Polio Foundation, and extend our March of Dimes campaign to Feb. 15, 1958.

"All over this area," Jones continued, "there seems to be a disinterest that needs to be overcome. Many tend to feel that the Salk Vaccine has ended the fight against polio. To a large extent it has in vaccinated people, but unvaccinated people still are in as much danger of contracting polio as before.

"Our County's goal is \$4,000 for Dimes dollars. We need this much to assure modern up-to-date treatment for cases still under treatment.

"Part of this sum goes to the national foundation to help pay for 30 years in which we borrowed money to treat new cases, and another part goes to the research program which is continuing its program of studying virus and virus produced conditions which has helped to give us new information about viruses and the effect of viruses upon cells of the body. Dr. Salk has just released the information that they have discovered that three kinds of Cancer cells seem to be caused by viruses.

"We may rest assured," Jones concluded, "that our March of Dimes dollars are not going to be dormant if they are not needed for polio treatment, but will go to aid in research that may eventually give us treatment for another dreaded disease, Cancer. I would like to thank those who have been working on the various projects and I would like to urge other clubs and organizations to plan something to aid this year's program."

LATE CONTRIBUTIONS PUT TOTAL OVER \$1,200 MARK

Late contributions to the March of Dimes sent the total over the \$1,200 mark late Wednesday, according to Bill A. Crane, treasurer.

Crane, in a list prepared for publication before the last minute deposits, listed 1,072 in the fund thus far, a little over one fourth of the County's goal.

Several more events were still on the agenda and the 15 day extension promised to bring other projects.

The Morton Elementary School, under direction of Principal Jerry Barton, collected a total of \$169.71 for the March of Dimes and of this total, \$35.06 was collected by the East Side Elementary School. This was revealed in further figures this week. This boosted the total collected directly by student contributions to about \$296.

Another project sponsored by the Morton Public Schools, and under the direction of Jim Kidd, County Drive chairman for the MOD, was the March of Dimes Pancake Supper and Musical Program held on Saturday, January 25, at the County Activity building.

Approximately 200 people were served pancakes, bacon, coffee & milk by the Morton Future Homemakers under the direction of Mrs. Mabel Sanders, O. D. Vernon following men faculty members participating: John Barnes, Jerry Barton, Harold Drennan, Jim Kidd, Duane Knott, Calvin Ott, Bob Pierce, Leonard Simon, Elmo Smith, Dub Hodges and Bob Travis.

There was also a very good turn out for the musical following the supper. This event was headed by John Brown, directing the Morton Band and Henry Hornsby directing the Morton Choir.

These combined events added ab-

out \$200 to the March of Dimes. Donations of Food to the pancake supper helped in keeping expenses for the event to a minimum. Bell Milk Company provided the milk. Quaker Oats Company furnished the Aunt Jemima Pancake mix, & local grocers also cooperated greatly. Truett's Food Store provided the coffee and half of the bacon. Doss Food was responsible for the securing of syrup from West-Tex Products Company of Abilene.

These two projects, sponsored through the Morton Public Schools, have added about \$496 to the local county drive.

Mother's March Netted \$212.32

The Young Matrons Study Club, sponsoring the Mother's March on Polio, stopped at houses where a porch light was burning and knocked on every door possible and received donations for the March of Dimes last Thursday.

During the hour and one-half the group braved the cold and worked. They collected \$212.32.

Merrill Infant's Rites Saturday

Graveside services were held at 3 p.m. Saturday in the City of Lubbock Cemetery for Jeannie Merrill, infant daughter of Mr. and Mrs. Bobby Merrill of Rt. 4 Lubbock.

The infant, born at 3:14 a.m. on Friday in Taylor Hospital, died at 5:20 a.m. Saturday. The father of the child is a nephew of J. L. Merrill, Mrs. Bernice Amyx, and Mrs. Amos Taylor of Morton and has visited here numerous times.

The Rev. Wayland Dowd, minister of the Woodrow Methodist church officiated. Burial was under the direction of Franklin - Mallett Funeral Home.

Survivors include the parents & one brother, Quin; grandparents, Mr. and Mrs. M. F. Merrill and O. R. Moore, Rt. 4 Lubbock; great-grandparents, Mrs. J. R. Moore, Rt. 4, Mr. and Mrs. J. M. Burch of Mineral Wells, and Mrs. S. W. Welch of Brownfield.

Mr. and Mrs. J. L. Merrill and Mrs. Bernice Amyx of Morton attended the services.

Special Show Saturday Morning At Rose Theatre

Local kids, and their parents if they so desire, will get a day early preview of Sunday and Monday's film for the Rose Theatre, Saturday morning, and will also have an opportunity to take home a registered Pekingese pup — and a variety of dog food.

The special promotion, in the form of a kid's show, is an advertisement of the new Walt Disney feature length film, "Old Yeller," — the story of a typical plain old yellow colored dog and his adventures.

Box office opens at 9:45 and the area's youngsters — and oldsters — have just 15 minutes to get there for the showing which will begin at 10 p.m. sharp.

Admission for the special Saturday morning show will be 30 cents for children and 65 cents for adults — the same that will be charged when the regular showing is held on Sunday and Monday.

The registered Pekingese pup is to be given away on one of the admission ticket stubs. It will be given away immediately after the feature performance.

In addition to the dog, the lucky winner will receive:

- An assortment of pet supplies from Piggly Wiggly Food Store.
- Five pounds of Purina Dog Chow from Lindsey Feed and Seed.
- Five pounds of Gaines Dog Meal from Lackey Grocery and Mkt.
- Five pounds of Gaines Dog Meal from Doss Super Store.
- Five pounds of Gaines Dog Meal from Willis Food Store.
- Two and one-half pounds of Purina Dog Chow from Seaney's Groc.
- Four cans of dog food from J&B Food Store.

FRIDAY IS FINAL POLL TAX DAY

With only two days remaining in which to pay their poll taxes, Cochran County residents were being reminded again this week by Mrs. Otha Denny, Tax Assessor Collector that January 31 is the deadline — that's Friday night.

As of 5 p.m. Wednesday, the total was still below the hoped for total, — numbering only 1136.

Would be voters would have to troop into the tax office at the rate of about 150 each day today and tomorrow, to bring the total up to the standard of last off-election year.

Cochran County's all-time record, as far as modern information goes, was in 1952 when 2,006 poll taxes were paid. But, with the County entering a prolonged drought period, the number of poll taxes paid began to dwindle each year. In 1953 they fell to 1266 and in 1955 they were off to 936 — though the fact that both of these were non election years tended to cut the total.

In 1956 they climbed again to 1770 and last year a total of 1940. It seems highly unlikely that the total can reach that 1940 figure this year but it should reach at least 1250 and could get to 1,500 with a last minute rush.

The last off-election year, a year in which County and some

state officials were elected, but no national elections were held, found 1562 poll taxes paid — and that is the mark the County is now shooting at — the only mark on which a fair comparison can be drawn.

Funeral services were held at the First Methodist Church in Idalou, Tuesday for S. O. Wall, 81, a brother-in-law of J. H. Taack of Morton.

Officiating at the 3 p.m. rites was Rev. Don Davidson, the Rev. Joe Mosenbocker, pastor of the First Baptist Church and the Rev. William McReynolds Methodist pastor.

Wall, a retired ginnee, died at 7:30 a.m. Monday at his residence in Idalou after an illness of about one week.

Burial was in Idalou cemetery under the direction of Rix Funeral Home of Lubbock.

Survivors include the widow, two sons, a daughter, three step-daughters; a brother, a half brother; 14 grandchildren and two great-grandchildren.

Mr. and Mrs. J. H. Taack of Morton attended the services.

consolation winner will be awarded by the district headquarters. The meet will be a one game elimination event for the championship but all first round losers can compete for the consolation title.

Morton High School has no home games that week but does have their final district 3-A game slated at Sudan that Tuesday.

The tourney will either get underway, Saturday the 8th or Monday the 10th.

The exact number of games and nights will not be known until the complete list of competing teams is in — sometime next week.

There probably will be three games a night, the first two or three nights.

The local club will charge a nominal admission price for each session, will be responsible for hiring referees, and will handle various other duties in connection with the tourney. But the brackets will be drawn up by the Regional TAAF headquarters and trophies for the winner and second place team and

Bailey Co'nty Coop Completing Plans For Meeting Here

Final plans are being completed on the annual membership meeting of the Bailey County Electric Cooperative Association which will be held for the first time, in Morton, on Thursday, February 14th.

The County Auditorium in the Cochran County Activity Building will be the scene of the meeting which annually hears a financial report on the general condition of the cooperative; elects directors (2 this time); and takes action on any other matters that may come before the group.

Two speakers will be W. G. Newton, manager of the South Plains Electric Cooperative and President of the Texas Electric Cooperatives, who will speak to the group on legislation and amendments to the enabling act that was acted upon in the last regular session of legislature; and Leo Forrest, manager of the Deaf Smith County Electric Cooperative who will discuss wholesale power rates.

Jaycee Breakfast For March of Dimes Friday, January 31

The Morton Jaycees will serve a breakfast in the Cochran County Activities Building on Friday morning, January 31, as a March of Dimes project.

The breakfast, similar to the one sponsored last year, will be served from 6:00 a.m. until 8:30 a.m. It will consist of bacon or sausage, toast, eggs, jelly, and coffee and the cost will be \$1.00 each.

Jaycee will have tickets on sale beginning next Monday.

Details of the sale may be found on page four of this publication of the Tribune.

Tomorrow Is Final Day for Census Of School Children In Morton District

Mortonites who do not have their child enumerated on the school's census, or who have reason to believe they know of children who have not been enumerated are asked to notify William (Dub) Hodge, Morton School's Tax Assessor Collector, immediately. It could mean a sizable amount of state aid to the local school district next year.

Friday, January 31, is the final day for enumeration of children of school age. The amount of State Aid to local schools depends directly upon the number of children of school age in the district.

Remember, the fact that they are not in school makes no difference. If they are of school age, they should be enumerated.

Each year several are missed. Maybe they just moved to Morton, or maybe they are six year olds, or will be by next fall. For each of these who is not enumerated, a school doesn't get a student share of state aid. That can amount to a sizable sum in a district that is having financial problems — and most schools do.

Please contact Hodge today if you know someone who may fit that category.

No New Candidate In County Races

No new candidates announced intentions to run for election in any of the county races this past week.

Also, no candidates have announced to the Tribune their candidacy for City of Morton posts which will be decided in an election in April.

A mayor and two City Commissioners will be elected. Several have been mentioned as possible candidates.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The U. S. State Dept. must be said, is a resolute, tenacious stubborn organization. Well, perhaps not when dealing with other nations, but when it comes to shaking dollars out of the U. S. taxpayer it is tenacious.

C. Douglas Dillon, deputy under secretary of this government agency, has asked that Congress now give State Dept. the full \$200 million to add to a fund of \$200 million to make a loan to foreign nations.

But there is just one tiny hitch to this idea. Although since the last session of Congress, the boys at State have had \$200 million to loan to nations requesting same, there have been no requests.

It very much appears that the U. S. can easily give away all the money that the bureaucrats in Washington can wring out of the taxpayers, but as for borrowing, the attitude appears to be "thanks a lot, but no thanks."

And this does seem strange, as Uncle Sam seems to be a most liberal creditor. Recently the British had a little note coming due to U. S. of some \$137 million in principal and interest.

But Britain put up a hard luck story, so entire matter was postponed for at least 45 years.

Thus, it is hard to see why any nation would be hesitant about borrowing from the U. S. But so far, nobody wants any part of the \$200 million foreign loan fund.

Now, of course, it may be possible that State Dept. is pushing and not taking any applications.

They actually asked last Congress for a billion dollar fund.

In one of those often forgotten exercises of Congressional prudence, it was decided to go easily, see what happens. Instead of letting loose of a cool, round billion, Congress decided to split this between two fiscal years, voting only \$200 million for first year.

Now, despite the fact that there have been no takers for any part of this sum, State Dept. still wants the balance.

In the meantime, back on Main Street, as evidenced by the round robin of meetings held last summer and fall all through the United States by the Senate Small Business Committee, under Sen. John Sparkman, chairman, independent enterprise in this country needs capital to expand, and to compete.

In addition, loans to American free enterprise, as evidenced by the record so far of the Small Business Administration, are a pretty gilt edge investment.

But above and beyond this point, it is interesting to see that while foreign nations line up at Uncle Sam's free gift window, they are not interested in any loans. No, sir, loans, they feel, are bad business.

And this is just one more reason why the nation's independent businessmen have gone on record so many times through the National Federation of Independent Business for abolishing foreign give-aways. Of course, the bureaucrats spend a lot of their waking hours explaining that a give away is not actually a give-away, but as any Main Street businessman knows, no matter what you call it, throwing money out into the street is still throwing money out into the street.

Causey High School Seniors Planning First Annual Homecoming, February 8

The seniors of Causey High School, Causey, New Mexico, are sponsoring the first annual homecoming of Exos on February 8, 1958.

"We would like to have all the former students, teachers, and friends of the Causey, Lingo, Richard, and Garrison schools (now consolidated with Causey) on hand for homecoming," said the representative of the school.

The activities will begin with registration at 4:00 Saturday afternoon and at 4:30 the seniors will start serving Enchiladas and the supper is to be followed by an hour for visiting.

At 7:00 the basketball games will start with the Causey High girls playing against a Dora team, followed by the boys game. Half-time ceremonies will include the coronation of the Homecoming Queen & King.

Although it is not necessary, the class would appreciate it very much if those who are planning to attend the Enchilada Supper would contact them, stating the number of plates they would like. Plates will be \$1.00 and 50 cents.

COUNTY AGENT

HOMER E. THOMPSON
CLUB TRACTOR PROGRAM
IMPORTANT TO AGRICULTURE

and County Agents.
Last year more than 400 leaders trained in Texas were active in this program.

There will be a district 4-H Tractor school for Adult leaders in Marshall, Texas. The leaders trained in the district school, return to the county or counties and become leaders for the 4-H clubs. This is a joint program sponsored by the Humble Oil Refining Company in cooperation with the Extension Service.

Awards include gold filled medals for county winners. The state winner receives an all expense paid trip to National 4-H Club Congress in Chicago. Twelve scholarships for 12 national winners.

Adults attending these schools will receive training in such fields as tractor safety, proper maintenance, cooling, ignition and fuel systems and the importance of oil and greases in tractor maintenance. The tractor program is designed to be one of "Care and Not Repair." Numerous surveys show that much of the money expended for tractor repairs could have been saved had the operator properly maintained his power unit.

Up to 30 percent can be added to the life of farm machinery by giving it proper winter care.

- Here are a few suggestions:
1. Keep machinery under shelter when not in use.
 2. Coat with grease all bright metal parts, such as plow points, lister wings, mower sickles, etc.
 3. Rubber tires should be blocked up to take the weight of the

machine off of them while in storage.

4. Gasoline should be drained from auxiliary motors.

5. Spark plugs should be removed and three or four ounces of cylinder oil dropped in each cylinder. Turn motor over a few times and replace the plugs.

6. The cooling system on all motors not used during the winter season should be drained.

7. Place cover over engine exhaust pipe to keep out moisture.

8. Lubricate all machinery when it goes into storage and charge all batteries.

9. It's a good idea to remove the battery from the motor and check them regularly to see that they remain fully charged.

10. When machinery is in storage give it a thorough inspection for worn and broken parts. Make note of repairs needed so that the repair job can be done in advance of their next period of use.

All these items are included in proper maintenance and protection for 4-H Club boys who participate in the tractor program.

EGG GRADING SCHOOL HELD
Friday, January 17, an all day Egg Grading School was held in Cochran County at the Agricultural Building. The meeting was attended by 14 retailers and growers. Three men from the State Agricultural Department were on hand to assist the County Agent with the school. They were Mr. Wade, Mr. Coy and Mr. Newcomb.

The morning session was devoted to the egg law, rules and regulations, and color slides showing the interior and exterior quality of an egg.

In the afternoon, eggs furnished by Nesbitt's Produce and Truett's Food Store were graded and classed by use of candling machines & egg scales. Sheets of paper were furnished with check lists of eggs for grades to determine and check the eggs graded.

The law does not affect the grower or producer of eggs as long as he claims no grade. In other words the producer can produce and sell eggs as in the past (or as if no law had ever been passed); so long as he does not claim a grade. All grocery stores who sell eggs must have a retailer's license. The County Agent's office has egg license application forms if you do not have a retailer's license.

The law went into effect in Sept. 1957. In 180 days the law will be enforced. Therefore the enforcement date is Feb. 17, 1958.

4-H RIFLE MEETING
4-H Club Rifle meeting organization on January 20, 1958. A county meeting of 4-H Club boys, girls, parents and leaders met in the Banquet Room, Activities Building, to re-organize. Twenty-eight people attended.

A film was shown on "How to Shoot A Rifle." Mr. Ken Coffman, Adult leader, and rifle instructor for the clubs was present and gave excellent instructions on positions and safety to the group. Ralph Cadjew was present and he will assist in this program. Several parents were on hand. Much work will be done on safety beginning in February. The kinds of rifles and sights to be used were discussed.

4-H CLUB MEETINGS
All 4-H Clubs held their regular

meetings in January with the exception of the County - Wide group. Four adult leaders met with three of the 4-H Clubs. They were: T. F. Singleton of the Bledsoe 4-H Club; Paul Blackwell, 5th and 6th Grades, Morton; and Jim Middleton and Bill Burkett with the 7th, 8th and 9th grades Morton.

The Whiteface boys and girls 4-H Clubs met jointly and saw two films, "Miracles of Paradise Valley," and "How to Shoot a Rifle." Both are films on safety. At Bledsoe the boys and girls also met together. "Miracle of Paradise Valley" was shown to this group.

In the Morton Clubs, the 5th & 6th Grades had discussions on boys demonstrations and some of these boys discussed their individual demonstrations to the group. The program for this year, requested by the club members, was outlined to the group by the Agent.

Some of the programs the boys have requested include rifle shooting and safety, safety films, entomology, tractor maintenance, recreation and electrical demonstrations.

Attendance in the Clubs for January was as follows: Whiteface, 150; 5th and 6th grades, Morton, 28; Morton 7th, 8th, and 9th grades, 54; & Bledsoe 44.

FARM AND HOME DEV.

There were 6 families present on January 23 and discussed records and taxation with the County Agricultural and home agents and Mr. Cecil Parker, Extension Farm Management Specialist.

At this meeting Mr. Parker discussed principally income tax man-

agement and records or farm operations and expenses. This included both income and expenses with capital gains and losses, depreciation, etc. The farmers listed their beginning and ending inventory for 1957-58. Farmers are being encouraged to keep better records to be able to determine the net income of each enterprise of the farm.

Senator RALPH YARBOROUGH Writes from DC

A 60-year-old farmer, who owns 300 acres of land near Jarrell in Williamson County, recently wrote me for assistance. His case is typical of a number I have had called to my attention in recent months.

This family farmer during the drought years had borrowed over \$6,000 from the Farmers Home Administration, and had managed to repay all of it, except \$300. The final \$300 was due last September, but he had signed an application for extension of the loan so he could repay the \$300 next September.

He wrote me that FHA officials had turned down his extension and had demanded payment of the loan by Dec. 31, 1947, else they were going to foreclose the mortgage, take his cows and one second-hand tractor, which would force him off the land. On Christmas Eve, with no money on hand to meet the FHA payment demand, this elderly farmer wrote to inquire if there was anything I could do. When I questioned FHA officials about the demand, they said it was just a mistake and quickly agreed to extend the time.

But not before I found out that higher-ups in FHA officialdom had just arbitrarily ruled that "this old man should pay that \$300 now because it's too small an amount to carry on the books." To me, this is a shocking case of maladministration of a federal program intended to help farmers struggling to make a living on the farm. It is not the first such case I have heard, but it is probably the worst. It is a part of the plan being used to drive small farmers off the land. It reflects one reason why Texans have been leaving their farms at the rate of 8,000 a year for the past five years. The drought, the floods, and the hard money policy are driving the little farmer from the land just like the Agriculture department wants, because USDA officials just don't believe in small farmers.

I believe this trend of the vanishing family farm is one of the most serious problems facing America. We need a positive program to help the national farm economy.

First, the government must do an about face and extend credit to our family farmers, not continue to cancel it.

Second, we should raise price supports to 90 per cent of parity for several years — until the Texas farmers can get a chance to recover financially from the seven years of drought and the year of floods.

Third, I strongly advocate increasing support of our soil and water conservation programs. This includes expansion of the basic soil conservation program; periodic emergency soil rebuilding program such as the \$20 million plan I led in passing last session; more money for building water conservation projects on our creeks and rivers; expansion of the Great Plains program.

Fourth, we need to fight inflation at all levels with special emphasis on opposing moves to increase REA interest rates.

District Officers Visited Local Jaycee Group

District Vice - President, Wright Carlisle of Rails, and National Director Walter Rabourn of Monahan were on hand Monday for the weekly meeting of the Morton Junior Chamber of Commerce.

Carlisle discussed two ideas brought before the district tri-regional meeting and the local club cast its vote for one and against the other.

The proposal they voted for was for the State Jaycees to expend \$10,000 in a campaign to get the salary of state legislators raised.

The club voted against a proposed change in the state by-laws.

Rabourn discussed four steps to emphasize in each club to help the State of Texas Jaycees raise their national rating from 33rd, which is now how they rank among all states.

He discussed membership drives, extension of other clubs, orientation of new members, and projects on Community Development Surveys.

INDIANS, MAIDS RAP SUDAN TO GAIN TIE FOR LEAD IN DISTRICT BASKETBALL RACE; FRIONA LOSES

The Morton Maids and the Indians pulled into a tie for the district leadership in both divisions. The Maids' victory was most secure, 58 to 51, in a game that was turned into a real tight scoring duel in the last half until with only seconds to play Sudan guards, in an attempt to gain possession of the ball, let Morton forwards get open under the basket for a couple of game clinching field goals.

The boys game was a scorching nip and tuck affair right down to the final wire. Gary Middleton finally broke it up with a free throw to break a 48-48 tie with only 26 seconds to play. Morton got one more shot from the court (luckily not the rebound) and stalled on the fading seconds for the 48-48 win.

A poor first quarter for Sudan and a not-so-good third stanza for Morton was the thing that made the girls' game such a tight squeeze. Morton had a 14-2 first period lead and ran that to 22 to 4 early in the second quarter. Sudan finally managed 20 points at the half-way mark to 34 for Morton.

But the Sudan girls who did an excellent job on defense being careful not to foul, should have been guarding just a little tighter and giving up a foul shot or two. The Morton forwards got only six free throw attempts in the whole game. Jordan, also playing a relatively clean game, fouled only 13 times, but the extra free throws Sudan got couldn't make up the deficit.

Sudan cut the gap to 42 to 36 in the third quarter and cut it to only three points twice in the hectic final period. But, when they got within range to move out ahead, Morton would get home free with an under the basket shot and Berniece Fincher dropped in two crucial hook shots.

by a 47 to 43 count the same night, tying Morton for the district lead. The Morton girls win over Sudan was the first district defeat by the Sudan girls and left Morton, Sudan and Friona tied for the lead.

May Come Home

Church for Price of Small Home

Building a completely new house of worship for the price of a small home is the record of the South Sheridan Baptist Church, Denver, Colorado.

Rev. Clifford Morton, Pastor, reports that the entire church was put up at a total cost of \$13,500 through using the time, labor and money saving advantages of a pre-engineered truss-steel building manufactured by the Wonder Building Corporation of America, 30 N. LaSalle St., Chicago.

According to Rev. Morton, approximately \$9,000 was spent on cost of materials, and \$4,500 for labor. "If the time element had not been important, we would have used donated labor, thereby cutting our labor cost in half. As it was, the structure itself was erected in only 3 weeks," he added.

The new steel church measures 32 x 70. Seating capacity is normally 275, but 300 can be seated if necessary.

Women's Society Continues Study of Religion in Japan

The Women's Society of Christian Service met at the Methodist church on Tuesday afternoon for the third lesson of the current study entitled 'Cross and Crisis in Japan.'

A brief business session preceded the program. Announcement was made of the next sub-district meeting to be held in Anton on Thursday, February 13.

Mrs. Bob Huckabay, teacher of the course, gave the devotional. She used Matthew 25: 31-46, the hymn, "In Christ There is No East or West," and an essay from the pen of a Japanese teen-aged girl entitled, "The Americans and Japan." Mrs. J. D. Hawthorne led the opening prayer.

Mrs. John Crowder showed a ten-minute Coronet color film called "Japan, the Land and the People." It portrayed life among 90,000,000 Japanese people, emphasizing their principal occupations & the beauty of their islands.

"Religion and Philosophy in Japan" was discussed by Mrs. Elizabeth Greer. She told of the three leading religions in Japan where 46,000,000 people are Buddhists and only one-half of one percent are Christians.

"A new Japan is coming to birth," declared Mrs. J. D. Hawthorne as she discussed "The Christian Saga in Japan." She cited the influential people in Japanese government posts who are Christians.

Mrs. Bobby Adams spoke on the "Postwar Trends" with youth earnestly seeking a better way of living in a changed Japan.

At the conclusion of the program jasmine tea and imported Japanese cookies were served to fourteen members.

The worship center for the day was of unusual interest. It featured Japanese silks, embroideries, pictures and ceramics from the collection of Mrs. E. C. Nieman. Her son-in-law sent her the colorful exhibit from Japan when he served there with General MacArthur.

Those attending Tuesday's session were Mesdames Elizabeth Greer, Bob Huckabay, J. D. Hawthorne, Bobby Adams, E. L. Cox, John Crowder, J. W. McDermott, L. F. Hargrove, E. C. Nieman, James Harrell, J. N. Barnett, W. C. Bonham, Lessey Silvers, and W. W. Smith.

We have lost one Farm and Home Development demonstrator. This is the Curtis Chapman family. They have moved to town and he is working regularly with the Cochran Power and Light Co.

There are other families which will probably enter the Farm and Home Development demonstrator work this year. Some of the families being contacted are the H. B. Kings, Hubert Taylors, Ed Niemanns', and Paul Gunters'.

60 farmers met in the Auditorium at 8 p.m. with Cecil Parker, Extension Farm Management Specialist. Soon after the meeting began, Mr. Parker opened it to questions and answers. The meeting proved to be very educational and many questions were asked. At 10:30 p.m. Mr. Parker had just about talked himself down.

The purpose of this meeting was to discuss farm records, income tax management, management of transactions to minimize taxes, planning expenditures to save taxes, etc. Much of the discussion was taken up in answers to questions concerning losses and gains, types of income, and recording them on Schedule F of the 1940 income tax reporting form. It was brought out that the treatment of certain types of income on this form as to where it is placed, could make a big difference in the amount of income tax the farmer would have to pay.

At the close of the meeting many farmers came down and thanked Mr. Parker for his contribution as it made for better record keeping and income tax management.

29 Whiteface Girl Scouts Get Pins At Recent Investiture Ceremony

Twenty-nine of the newly organized Girl Scout Troop of Whiteface received their pins at an investiture ceremony held Jan. 21, at 7:00 p.m., at the Elementary Auditorium. The girls were presented their pins by Mrs. Frank DeSmet and Mrs. Ruth Cooksey, Troop Leaders.

Mrs. Paul Baker, Neighborhood Chairman of the Mesquite Neighborhood, Sundown, presented the Troop Leaders, Mrs. DeSmet and Mrs. Cooksey and also the Troop Committee members, Mrs. Lucy Mitchell, Mrs. Nathan Tubb and Mrs. E. C. White, Jr., with their pins.

After the ceremony, an interesting film on Girl Scout work was shown by Mrs. Baker.

Refreshments were served the girls' parents and their friends by the Girl Scouts.

The Boy Scout Troop and the Scoutmaster, Orville J. Rankin, were guests.

Wesleyan Guild Honors Former Members, Recently

The Wesleyan Service Guild met Tuesday night, Jan. 28, in the home of Mrs. Fred Stockdale.

The meeting was to honor former members of the Guild.

Scripture was read by Mrs. Carlton Luper and a history of the local Guild was given by Mrs. Raymond Ross who then introduced Mrs. J. D. Hawthorne, president of the W. S. C. S. The program was a condensation of the Study on Japan — Mrs. Bob Huckabay presenting customs, speech and physical facts; Mrs. E. Greer presenting the old religions of Japan; and Mrs. Hawthorne presenting the Christian saga in Japan.

Guests were Mrs. John Alford, Mrs. Charles Cravy and Mrs. V. L. Lawson from Lubbock, Mrs. Lloyd Miller and Mrs. N. W. Buchanan of Morton.

Members of W.S.C.S. present were Mesdames E. Greer, Bob Huckabay, J. D. Hawthorne, and H. M. Christian.

Guild members present were: Mesdames R. C. Ross, J. Raney, Hattie B. Spotts, Carl England, E. O. Willingham, Carlton Luper, Lee Taylor, J. A. Harrell, L. D. Frantham, Ruth McGee, J. R. Keykendall, Fred Stockdale and Miss Lelia Petty.

Farmers Invited To Vegetable M'tg.

Any Cochran County farmer interested in growing vegetables in 1958, is invited to a vegetable program meeting January 30. The meeting will be held on Thursday morning at 9:00 a.m. until noon in Muleshoe. Any growers who are growing vegetables in 1958 should by all means attend this meeting, according to County Agent Homer Thompson.

Case Not Filed Yet

Although the Morton Tribune has been requested to publish the final agreement settling out of court in a recent Civil Suit in District Court, the Tribune is unable to do so in the absence of official filing of the judgement. As soon as word is received in the District Clerk's office the final results of the suit will be filed and the Tribune will then publish the settlement proceedings. The suit in question grew out of a three vehicle motor collision on the western outskirts of Morton early last Spring. Slated to come to trial last week, it was settled out of court.

Important Decisions on Nat'l Defense Are Explained By Lyndon Johnson

Important decisions about our national defense have been made during the last two months. That is the period in which the Senate Preparedness committee has been holding hearings on the Nation's defense status. A great deal remains to be done. But we are already able to report action along the following lines: Removal of overtime limitations on top priority programs. Restoration of basic research programs to former level. Both Vanguard and Jupiter satellite programs assigned top priority and Army authorized to proceed with launching a satellite by use of Jupiter-C test vehicle. Authority given for production and operation deployment of both Thor and Jupiter missile systems. Atlas program accelerated. Polaris development accelerated. Army authorized to proceed immediately with development of a solid propellant missile to replace the Redstone. Office of the Director of Guided Missiles established. Increased anti-submarine warfare accelerated. Strategic Air Command alert, dispersal, and relocation of tankers to northern bases. Air Force authorized to proceed with program to install a warning system for intercontinental ballistic missiles. Army and Air Force capabilities defined, and emphasis given urgency of development of defense against top priority confirmed by ICBM and military aircraft. Full-time special assignment group of consultants to advise the Secretary of Defense on the organization of the department. These are steps in the reaction. But decisive action must be taken in certain areas. Our Strategic Air Force must be modernized and our SAC bases must be stepped up. Our ground and sea forces must be modernized and adequate airlift provided for troops. Our anti-submarine force must be intensified. We must reduce the development of weapons by cutting down on time and by simplifying procurement procedures. These are some of the necessary to improve our posture and to assure our leadership as we go further into the Space Age. We have great confidence in the Soviet Union. We have freedom. We have reliance. And we have and abiding faith in Being to Whom we turn in prayer for help and guidance that is never failing. Secure in our faith, confident we can do what must be done in this hour.

Lions Will Award S. Conser. Place

The Morton Lions Club, during with a custom they have sponsored several years in the Conservation planning a farmer cited for his good soil conservation work. The award, the club's Wednesday meeting, made at a meeting on April. The recipient of the award will be named by the Conservation Supervisor. The award in cooperation with the Lion's Club project for years. In other business the made a donation to the Fund in behalf of the club. The group also discussed a joint meeting with the Jaycees on Monday, 24th, at which time District nor Bill Smith and instructor Joe Childress will meet.
