VOL XVII Serving 'Texas' Last Frontier MOROTON, TEXAS, THURSDAY, FEBRUARY 6, 1958 NUMBER FORTY - NINE

1st Homecoming Slated Saturday At Causey, N. M.

The seniors of Causey High School, Causey, New Mexico, are sponsoring the first annual homecoming of Exes on February 8, 1958.

"We would like to have all the former students, teachers, and friends of the Causey, Lingo, Richard, and Garrison schools (now consolidated with Causey) on hand for homecoming," said the representative of the school.

The activities will begin with registration at 4:50 Saturday afternoon and at 4:30 the seniors will start serving Enchiladas and the supper is to be followed by an hour for visiting.

At 7:00 the basketball games will start with the Causey High girls playing against a Dora team, followed by the boys game. Half-time ceremonies will include the coronation of the Homecoming Queen & King.

Although it is not necessary, the class would appreciate it very much if those who are planning to attend the Enchilada Supper would contact them, stating the number of plates they would like. Plates will be \$1.00 and 50 cents.

Services Held At Littlefield, Monday, 2:30

Funeral services were held for Mrs. T. E. Grigsby, Littlefield, 79, mother of Mrs. Gay Gattis of Morton, at the Littlefield Drive Church of Christ, 2:30 p.m. Monday.

Mrs. Grigsby, who died in Texarkana Hospital at 3:20 a.m. Saturday, had been hospitalized about 5 weeks after being in an auto accident during last Christmas week, as she and a daughter returned from a visit to Tennessee.

Minister T. R. Dennis conducted the final rites and burial was in the Littlefield Cemetery under the direction of the Hammons Funeral Home.

Mrs. Grigsby was born in Mississippi and was married in Tennessee. Her husband died in 1948 and is also buried at Littlefield.

They moved to Texas around 1917. She had been a member of the church since she was a child.

Mr. Grigsby farmed after he moved to Littlefield and his wife had been a homemaker.

Survivors include seven daughters: Mrs. Fred Wetherford, Abilene; Mrs. Guy Gattis, Morton; Mrs. Bob Langley, Globe, Ariz.; Mrs. Lloyd Couch, Texarkana; Mrs. Jack Spriggs, Mrs. George H. Goad and Mrs. Otto Everett, all of Ft. Worth.

Her only son is deceased.

Also surviving are 15 grandchildren and 6 great-grandchildren.

Mrs. Grigsby would have been 80 years old in early March and had eagerly awaited the date.

Those attending the funeral from Morton include Mr. and Mrs. Byron Willis, Mr. and Mrs. Harry Richardson, Mr. and Mrs. Hugh Hanson, Mr. and Mrs. Moudy, Mrs. J. M. Philbrick, Mrs. B. White, Henry Chesbir, Alvin Ray and Woodrow Zuber.

At Whiteface followed with \$50.40 and the Elementary School chipped in with another \$40.41.

The total money raised in the Whiteface schools was \$167.21.

Elsewhere in Whiteface \$292.21 was collected to run the total over the \$459 mark.

With the Junior High paving the way, with \$76.40; the High School

4 CANDIDATES ANNOUNCE; 2 IN COUNTY; 1 IN CITY; 1 IN BAILEY COUNTY

McCall Announces in Bailey County

R. P. McCall, long time Enoch resident, has announced his candidacy for re-election to the seat as Bailey County Commissioner Precinct 4.

McCall, who has already drawn a pair of opponents, has asked the Tribune to list his candidacy since the paper's circulation is in the midst of the voting precinct.

McCall said he had no statement to make at this time except to announce his candidacy for the position.

Rites Pending for Ollie S. Robinson, 1st Baptist Pastor

Funeral services were pending late Wednesday night at the Singleton Funeral Home in Morton, for 52-year-old Rev. Ollie S. Robinson, pastor of the First Baptist Church, who died late Tuesday at the Cochran County Hospital.

The family and friends of brother Robinson were awaiting the expected arrival around midnight Wednesday of more members of the family before setting the time for rites.

Rev. Robinson, a pastor of the church here for more than six years, died at 11:40 p.m. Tuesday at the hospital where he was in an oxygen tent following suffering of a stroke earlier in the evening. He had been rushed to the hospital unconscious at about 6:30 p.m. and never regained consciousness.

Rev. Robinson had suffered a light stroke about two years ago. He had been in somewhat failing health on and off since that time but continued to fill the pulpit.

The affable, popular pastor had come to Morton from his native state of Oklahoma just under 7 years ago. He had been doing mission work in Oklahoma before accepting the Morton pastorate.

Under Rev. Robinson's tenure as pastor the fine, huge, new auditorium was constructed.

Immediate survivors include a son and daughter at home, and two married daughters, both living in Oklahoma, in addition to the widow.

Services Held At Littlefield, Monday, 2:30

Funeral services were held for Mrs. T. E. Grigsby, Littlefield, 79, mother of Mrs. Gay Gattis of Morton, at the Littlefield Drive Church of Christ, 2:30 p.m. Monday.

Mrs. Grigsby, who died in Texarkana Hospital at 3:20 a.m. Saturday, had been hospitalized about 5 weeks after being in an auto accident during last Christmas week, as she and a daughter returned from a visit to Tennessee.

Sharp Eyes, Steady Hands Help Indians Avenge Lone Defeat of Season; Beat Friona By 78-49 Margin

Thirsting for revenge for their only defeat of the season — a 51 to 49 defeat at Friona — the Morton Indians unleashed three periods of their fury upon the Chiefs on the Indian Court Tuesday and finally came out with a 78 to 49, lopsided triumph.

Nearly as lopsided was the 66 to 43 defeat the Morton Maids suffered at the hands of Friona's loop heading girls team.

The Indians win narrowed the District 3-A title chase to just two teams — for all intents and purposes — Morton and Sudan.

The victory for Friona's girls just about gave them the District 3-A regular season title.

The boys game will probably be decided in Sudan next Tuesday.

Johnnie Hand was the awesome, overpowering force for Friona's girls, plus the fact that Morton's girls could do nothing in the first half. After trailing 42 to 16 at the midway juncture, the Maids stayed with Friona, even cut the lead to 18 points on one occasion, but the dismal first half sounded the death bell.

The terrific Miss Hand poured in 12 points in the first period to pace a 23 to 9 lead. She added 8 more in the second period and finished with 31 points for the final period.

Jean Boggs added 20 points for the winners. Dolores Stephenson got 18 for Morton and Mary Ellen Thompson, 17. One of the big factors that hurt was Berniece Fincher getting only 2 points.

In the boys game the situation was reversed. Paced by Gary Middleton who poured in 13 points in the first quarter, Morton took a 26 to 11 lead before the first quarter buzzer sounded. The Indians were obviously out to atone for their one defeat earlier in the season.

Friona did slightly better, both on offense and defense in the second quarter and Morton went to the rest with a commanding 40 to 24 bulge.

The third quarter and first three minutes of the final stanza were the final undoing of Friona. By the third stop Morton had managed a 56 to 30 lead and in the first three minutes of the final period they had zoomed the margin to nearly 40 points — 71 to 33 when the regulars retired for the remainder of the game. Friona closed the gap fast in the final five minutes looping in 16 points to 7 for Morton.

There were only a few striking differences to the game as compared with that played at Friona. It was thought Gattis' spring would be the big factor but he hit only 8 points. Middleton, who paced the Indians at Friona, while Gattis didn't even suit up, also paced the way at Morton. He hit 9 of 10 shots taken during the night and hit all four of his free throws for 22 markers.

Middleton's last shot in the third quarter, was the only shot he missed in the entire game. He was allowed to rest the entire fourth period.

Rhodes, who paced Friona when the Indians met them at Friona, was top scorer for the Chiefs. Both he and Middleton came within three points of the same scoring they did previously. But the biggest difference was the team play of the entire Morton team and the poor showing of Friona's Fairchild.

Morton outbounded the Chiefs 52 to 36 in the game and outshot them, 427 to 215.

About the only trouble Morton had at all was in their haste to run up a score, they committed a lot of errors, 18 to be exact. However, the opposition was so harassed, they too committed 18 miscues.

Friona got 79 shots at the basket to Morton's 61 — but in the final period, both teams were wasting a lot of opportunities to score as the game began to turn into a rough and tumble affair. The first three minutes of the fourth period found Morton pouring in 15 points as they fast broke time and again over the Chiefs.

Brownlow chipped in with 17 of the points, Eddie Thompson had 11 and Gattis and Flanagan each had 8. Woods, who played only in the second half, got only two points but snagged 10 rebounds.

Gattis fouled out of the game in the fourth quarter while both Dickson and Castleberry fouled out for Friona.

PANCAKE SUPPER SATURDAY BY AIR EXPLORER SCOUTS

Cochran County's Activity Building will be the scene, Saturday at 5:00 p. m. for the serving of a pancake supper by the newly formed Morton Air Explorer Post.

Supper will be served from 5:00 until 8:30 p.m. with tickets 50c per person.

The public is cordially invited and urged to attend. Tickets may be purchased at the door or from members of the Air Explorer unit.

The new scout group is composed of older Scouts who are undergoing a course in several phases of air study at Reese Air Base each week.

Funds made from the pancake supper will be used to help defray expenses of the group and to help get the new unit firmly established.

NOTHING NEW — JUST OLD STUFF BEING TURNED OVER

No, it wasn't the results of a recent liquor raid — all that beer and whiskey you saw the liquor control board pick up at the Courthouse this week.

The alcohol was evidence to be used in four cases which were tried in court and the alcohol was then removed to Lubbock.

In the amount turned over were 32 cases of quart beer, 20 cases of canned beer, 2 cases of whiskey, and six cases of wine. All but one pled guilty — all were found guilty.

WHITEFACE CLEARS \$450 FOR MARCH OF DIMES SCHOOLS CONTRIBUTE \$167 OF THIS TOTAL

The Whiteface Community paced the way as the final two weeks of the Cochran County March of Dimes drive got underway, with a donation of \$459.42.

Again, as in the case of the Morton and Bledsoe drives, the schools played a big role.

With the Junior High paving the way, with \$76.40; the High School

JAYCEES AWAITING SCHEDULE FOR TAAF BASKETBALL MEET

Morton Jaycees were awaiting the final word on the scheduling of the TAAF Basketball Tourney at Morton so they could get out some advance publicity.

The local group will sponsor the tourney which is to start either on Saturday night of this week or on next Tuesday night. The schedule is to be drawn up in Lubbock so until it is released there is no way of knowing when the games will be played.

The tourney will cover five or six evenings running with three or four games a night slated depending upon the number of teams that are entered in the meet.

Admission will be 35 cents and 75 cents per night. All games will be called by South Plains Officials who are members of the SPOCA and the winner of the meet will win a place in the State Tourney at Ft. Worth, and \$200 in expense money on which to make the trip.

Efforts to contact TAAF league secretary Bill Nance at Lubbock Wednesday to get the pairings of the tourney were unsuccessful.

LABOR RATES STILL PREVAIL

The following copy of a telegram sent by the Manager of the Texas Employment Commission:

Wage findings effective January 7 cotton harvest Cochran County: second and third pulling irrigated \$1.50 to \$1.55 per hundredweight, first and second pulling dryland \$1.50 per hundredweight. Rate less than \$1.55 for pulling is not applicable to Mexican contract workers.

The note is signed, Ed McDonald, Regional Director Bureau of Employment Security.

COUNTY'S FIRST TRAFFIC DEATH OF 1958 IS SPANISH - AMERICAN MAN

Cochran County had its first traffic death Saturday night — or rather Sunday morning when an auto bearing five Spanish - American men failed to negotiate a turn near Pat Hatcher's farm and overturned killing one instantly.

Local officers said when they got to the scene beer cans were strewn all over the area and it appeared all were drunk.

Dead, apparently instantly, was Jose Perez. The body was taken to Singleton Funeral Home and on Sunday was taken overland to Roswell where his family lives.

The others: Johnnie Ruiz, Esquivel Mendoza, Andres Duran and Reynunda Mendoza were treated and jailed. Duran was believed to have been driving.

One of the men is a contract laborer.

The Tribune did not learn if any charges were filed by the Highway Patrol.

Sandefer Seeks Position On City Commission

Walt Sandefer, Jr., Morton manager for Wallace Theatres, has become the first announced candidate for city offices which will be up for grabs in April.

Sandefer filed with the City as a candidate for one of the two City Commission posts.

At this writing Sandefer was the only announced candidate, but the City Manager, Joe Seagler, said he expected a couple more applications within a short time.

None of the present officeholders have indicated a desire, as yet to run for reelection.

ACREAGE RESERVE DATE SET UP

The closing date for filing Cotton Acreage Reserve Agreements has been changed to February 20th, it was announced here this week through a news release from the office of Ruth McGee, Cochran County A.S.C.

Mrs. McGee, office manager of the Cochran County Agricultural Stabilization Committee said, in the release, "Agreements that have been filed may be withdrawn by written request to the county committee before Feb. 20, 1958. Farmers who have not filed and agreement will be eligible to file applications between now and February 20th, within the limitation of funds available."

LABOR RATES STILL PREVAIL

The following copy of a telegram sent by the Manager of the Texas Employment Commission:

Wage findings effective January 7 cotton harvest Cochran County: second and third pulling irrigated \$1.50 to \$1.55 per hundredweight, first and second pulling dryland \$1.50 per hundredweight. Rate less than \$1.55 for pulling is not applicable to Mexican contract workers.

The note is signed, Ed McDonald, Regional Director Bureau of Employment Security.

HOT CHECK SPREE COMES TO END AT TULIA, TEXAS

Two hot checkers have been on the loose in Morton but one has been nabbed.

Samuel Hunter, who is believed to come from around Dennison or Dallas, was apprehended at Tulia Tuesday. He is charged with forging checks on N. O. Sullivan of Enoch in five counties, Cochran, Hockley, Hale, Bailey and Lamb.

Another hot checker, a Spanish-American, was in Morton last Saturday but has not been apprehended. He gave hot checks on Hulen Coon.

LEGION MEETS TONIGHT AT 7 P.M.

Adjutant Albert Morrow reminds all Legionnaires that tonight, Thursday, is the regular meeting night of the American Legion Post. The group meets in the veterans hall.

ANTelope SPOTTED ON CEMETRY GR'NS

A Morton couple had a long, close glimpse of what is fast becoming a rarity in the county — at least to folks who are not concerned with hunting.

Mr. and Mrs. Duke Merritt and son Dee, while driving past the Morton Memorial Cemetery, spotted and followed a large antelope.

The trio followed, in their vehicle, the animal as it went toward the drive-in theatre and then west to the cliche pit on the Mike Adair place where they lost it.

FATHER, DAUGHTER FORMER RESIDENTS ARE KILLED

Two funeral services were held within a few days of one another last week for a 72-year-old Odessa man and his married daughter, both former Morton residents, who died of injuries sustained in an auto crash near Seagraves.

Vernon Duke, 72, Odessa, was killed at 8:30 a.m. January 28, in a head-on, two-car crash 1/2 mile south of Seagraves on State Highway 51.

His daughter, Mrs. C. P. Coats, also of Odessa, suffered a fractured right leg and pelvis, head injuries and severe lacerations and as Duke's rites were pending, she died in the Seagraves Clinic - Hospital.

The two were riding in a car that collided with a car driven by James Howard (Pete) Flippo, 55, a Gaines County farmer and drilling contractor.

Services were held in Odessa on Friday for Mrs. Coats and were attended by Mr. and Mrs. Roy Hill, Mr. and Mrs. W. A. Wood, and Mrs. Keith Kennedy of Morton.

No information was available to the Tribune except that the Coats and Dukes families formerly lived at Morton for a period of about 4 years. They moved from here about 5 years ago.

SCHOOL STUDY GROUP MEETS TONIGHT TO CONTINUE SEARCH FOR INFORMATION

All Cochran County School administrators and D. E. (Gene) Benham, Chairman of the Cochran County Hale - Akin Committee have urged as many interested persons as can and all 31 committee members to be on hand at 7:30 tonight at the Junior High Cafeteria.

The actual study, which has just recently gotten underway, is a big task — far too big for a group of only 15 to 20 which have been showing up.

Some of the committee members who for one reason or another were unable to make the earlier meetings have the mistaken opinion that the work is done or that they are no longer needed. The actual study will take another month or six weeks.

Some committee reports will be made tonight — but most of the meeting, Benham plans, to spend in sub-committee meetings and in explaining the overall program to new comers.

WHITEFACE JR HIGH AID IN MOD DRIVE

The Junior High School students worked hard to bring in dimes for the March of Dimes. Cards were placed in each room to place their dimes in. The first room to get the card filled was Mr. McMillan's 7B.

Six rooms finished their cards. The Junior High raised \$76.40 in all for the March of Dimes.

Thursday evening, in the High School auditorium the March of Dimes sponsored, Tilson, the Magician, from Matador. It was a program of mystery, comedy, and illusion that everyone enjoyed.

WILL TRY AGAIN — Seeking his second term of office as State Representative from the 99th District, is Robert L. Bowers, Jr., Brownfield businessman, who announced his candidacy for re-election last week.

Bowers, who operates a butane business in Brownfield attended Texas Tech and the University of Texas.

Three Way News . . .

By MISS FRANK GRIFFITH
HIGH SCHOOL ATHLETIC BANQUET HELD AT MORTON
 The High School football banquet was given in the Community Building in Morton, Saturday, February 7. The Pep Club, sponsored by Mrs. Betty Adams hosted the banquet. The tables were decorated with miniature football fields with players on the field. Green and Gold candles flanked the setting. Place cards were white with names in green and miniature gold footballs tied with green ribbon. Serving were the eighth grade girls. They wore white blouses and black skirts. The menu consisted of fruit juice cocktail, baked ham, green beans, potato salad, compressed salad, hot milk, butter, cherry Cobbler, seed tea and ice cream. The invocation was read by Rev. Hughes. Bonnie Battsas, president of the Pep Club served as Mistress of Ceremonies. Gloria DeHoyes, Lovena Long, Narcissa Amalia, and Linda Welch sang, "Chances Are," accompanied by Nan Johnson at the piano. Betty Horton gave a speech, "The Waltz You Saved For Me," was sung by Paula Kindle, Jane Garvin, Patsy Sowder, and Annette High-tower, accompanied by Nan Johnson. Coach Bill Wood recognized the letterman: Glet Lowe, senior; Mike Polard, junior; Bailey Griffith, sophomore; Robert Sandlin, sophomore; Quonon Truebeck, junior; Jesse Ridge, sophomore; James Turlinton, sophomore; Butte Tucker, sophomore; Thomas Coffman, freshman; and Mist Flannum, freshman. Coach Vernard Alexander of Morton High School gave the main address. Guests at the banquet were the football boys, their parents, par-

ents of the pep club members, the school board members and their wives, teachers and their husbands and wives, Rev. and Mrs. C. C. Dorn of Enoch and Coach and Mrs. Alexander of Morton.

MAXINE GANT REPORTED TO BE IMPROVING
 Maxine Gant is reported to be improving. She has been ill several weeks due to an allergy.

ATTENDED BANQUET
 Mr. and Mrs. Zemy Boozer and Drilma of Hise Center were able to attend the football banquet Saturday evening. Drilma was recently discharged from the hospital after receiving severe burns about her face and head.

ON SICK LIST
 On the sick list last week were Mr. Elmer Battsas, Shirley, Wayne and Bonnie Battsas, Mrs. W. C. McDelvey and Cindy Battsas.

GUESTS OF GRIFFITHS
 Guests in the Frank Griffith home Sunday were Mr. and Mrs. Herbert Wilson of Odessa; Mr. and Mrs. J. D. Choate of Pettit, and Mrs. Elmer Fruit of Causey, N. Morton.

FAREWELL PARTY
 A G party honoring Mr. and Mrs. Dolly Ann was given Saturday evening at the Goodland Gin Cafe. The Arns are moving to Milestone. A farewell gift from their friends of the community was presented.

HOME DEMONSTRATION COUNCIL
 The County Home Demonstration Council will have its regular monthly meeting at 2:00 Tuesday afternoon, February 11, in the Banquet Room of the County Activity Building. Mrs. G. C. Keith, chairman, will preside.

UPHOLSTERING WORKSHOP
 The first meeting of the Upholstering Workshop will be Monday afternoon, February 10, in the American Legion Hall. Work will be started at 2:00 p.m. Other meeting dates will be decided on at this time.

People who would like to attend but do not have a chair to upholster may come and be "helpers." They should plan to attend all meetings. Enrolled for the workshop are Mrs. L. L. Taylor, O. L. Castip, S. J. Bula, C. R. Melton, J. W. Jellicost, L. E. Scoggins, G. C. Keith, Edwin Newman, Frank DeSmet and Arthur Walker.

RADIO PROGRAM
 County Home Demonstration Agents over the district take turns in being on a radio program over Station KFYD, Lubbock. Bob Stephens, Farm Director, interviews the Agents and the program is on the air at 12:15 Saturday afternoon. Cochran County's turn was Feb. 7. We were fortunate in having as a guest on the program, Miss Marie Tribble, Foods and Nutrition Specialist from the Extension Service of Texas A & M College. Miss Tribble said the Food Surveys made over the state show that

most people's diets are insufficient in Vitamins A and C. Whether or not this is true of residents of Cochran County will soon be learned as most of the survey forms have been completed. Vitamins A and C are called the protective vitamins, especially against common colds. If colds are common in your family, you might check your daily menu to be sure you are serving foods containing lots of vitamins A and C.

Both these vitamins are effective in preventing the invasion of cold germs. That's because they help the linings of the nasal passages resist bacterial invasion. These two vitamins, plus a good nutrition, help provide assistance to all types of bacterial infections, not just colds. Good sources of the vitamins are dark green leafy vegetables, citrus fruits, tomatoes, cabbage, and milk, butter, cheese, cantaloupe, strawberries.

Vitamin A also improves the ability to adjust to light and lack of it causes night blindness. Children need vitamin A for proper tooth formation and healing of wounds and burns.

NOTICE TO ALL FARMERS
 We have done a very successful business this past year. We like to think the reason is partly because we have tried to help the farmer in every way we know possible. Again this year we are taking soil samples, having them analyzed, to try to determine the type of fertilizer and how much of it is needed to produce the maximum yield for the limited growing season we have. This is a free service to you, to show our appreciation for your past business, and hoping to have a portion of your future business. If we can be of any assistance to you, we would appreciate your dropping in for a visit.

MARKSMANSHIP BRINGS VICTORIES

Team Shooting Is Big Factor In Local Wins; Hitting 37 Pct. of Shots So Far

A tremendous 376 team shooting average is the biggest single factor to the Morton Indian's 15 victories in 16 games played this season, though last week.

Team averages show that Morton shooters — including all of the times when reserves were in the game — have dunked 314 field goals and missed only 519 shots, a mark which would do credit to any college team.

Naturally this is not to say that the Morton team could beat any college teams. But it is to say that only a few college teams in the nation have averaged .376 shooting in all of their games thus far.

Put with that a 565 free throw percentage — which as a team has climbed nearly 75 points in the last seven games, and you have an indication that Morton fans and Coach Travis have a lot to be proud of.

A look at Morton's "six" man first string and their shooting is even more sensational. You must consider six men as first stringers because every one of the first six has been on the bench at the start of at least one game — though Gattis' game to sit out was because of injuries and not because he was being held out to see how the other five boys would do without him.

And of course, it follows that the only game Morton lost, was the till in which Gattis didn't get to see a single second of playing time.

Individually Gattis is hitting a scorching 50.5 percent of his shots from the field — a mark exceeded by only four boys, including him, at the free throw line. Edward has canned 90 buckets while only missing 88 shots and his 50 percent average has been held through each game of the season except at the

GET IT AT YOUR
FAVORITE
GROCERY

end of the sixth game when he dipped one shot below the 50 per cent level.

Perhaps Gary Middleton's percentage is even more astounding. While Gattis seldom shoots when not right around the circle, Gary consistently pumps the long one-handers in and has maintained a brilliant 43.4 mark — swishing 56 while missing only 73. That's mighty fine shooting from way out.

But for some, the feats of Clayton Flanagan and Clyde Brownlow are even more remarkable. For with Gattis and Middleton the hot shooting was kept up ever since the start of the season. Both Flanagan and Brownlow had loads of trouble hitting baskets the first five or six games. Both have shot well over .400 since that time to up their averages. Now Flanagan has a .387 mark and Brownlow's is .360.

Then there's steady Bill Wood, a good shooter in his own right but one who has devoted more of his time in blocking opposition shots and getting rebounds. Even so his shooting average is .319. How many teams do you know of that have a center, their tallest man, a man who can hit better than 30 percent of his shots, who shoots less than any other man on the team. We'll answer that — none. Any of these five men could, on a team with less potent shooters, be averaging around 20 points per game, maybe a lot higher.

And none of this is meant to underwrite Eddie Thompson. Though his .282 shooting mark is the least of the top six, on no less than two occasions it was his hot shooting from way out that provided the surge to pull Morton away from an opposing team.

The team shooting average of the top six boys alone is an astounding 39.5 percent.

The free throw shooting by the Morton team is considered good for high school — but far from great. Ed Gattis and Clayton Flanagan are the two boys who are holding up the biggest end of the team average. Here again Coach Travis has a lot to be thankful for — that two of the top three free throw shooters are the boys who also get the most shots. Flanagan leads the pack both in percentage and in number of shots. He has swished 70 out of an even 100 attempts for a .700 mark. Next, in averages is Woods who has tossed in 26 while missing only 12 for a .684 mark. Gattis, who has had the second most attempts, after a poor start has upped his mark two two thirds or .667 by canning 48 while missing only 24.

Perhaps the most improved ball player during the season is the man who was the backbone of the team last year — Flanagan. Off to a slow start in nearly every department, Flanagan was almost sure to flash back to his old form sooner or later. The last few games have shown it. He now leads in rebounds and his shooting has improved at a remarkable clip. Gattis is only a rebound behind, but for a long time was 8 or 10 ahead of Flanagan. Though Gattis has played one less game, it must be remembered that Flanagan has fouled out of a majority of the games giving him as much as 8 to 10 less minutes on the floor in lots of games. Neither is averaging 10 rebounds per game but as a team Morton has been out-rebounded only one time. Flanagan has 123 to Gattis' 122. Woods is coming up strong in the past few games with 97.

Morton has made more errors than their opposition in a lot of the games. The reason for most of this is that they play such a fast brand of ball they often are in too much of a hurry to make a good pass or often double dribble or travel. Their fast breaking has given them a lot of points, but has also earned them a lot of errors.

But one of Travis' boys strongest points — in fact probably the strongest point of all is their defensive strength. That is to be reckoned also. Most winning teams that rely on good marksmanship or high shooting averages, are also top defensive clubs. They choose to play offensively to their own player's strength and rely on forcing the opposition to shoot from their weakest positions. Only a few boys in this season have managed to consistently get through the Indian's defense.

As they enter the final three loop contests and the District meet, the Indians sport a fine average performance — to just maintain that average the remaining three games should mean victory for Morton. The big bugaboo is not to have a letdown. They don't need great nights if they just play up to par the rest of the way.

RETURNS HOME

Mrs. Hattie Groves of Morton, proprietor of the Coffee Shop on the north side of the square in Morton, has returned from the Edgar Renegar Hospital at Levelland on Tuesday. She was taken to the hospital Saturday, when flu and other complications sapped her strength. She was reported able to be up on Tuesday.

HOME FROM HOSPITAL

J. M. Waller came home Tuesday from Veteran's Hospital at Amarillo where he has been for the past several weeks. He is reported feeling fine.

Bushland, Tex., Man Reports—

"I Cut 2,190 Tons of Ensilage From 104 Acres of Maize"

Leo Bezner, Bushland, Tex., says: "I put down 80 pounds of Phillips 66 Agricultural Ammonia pre-plant on 104 acres of irrigated maize land. I cut 2,190 tons of ensilage, or slightly more than 21 tons per acre. I use Phillips 66 Ammonia to help increase yields on all my cash crops."

Other Southwestern farmers have discovered that the 82% nitrogen in top quality Phillips 66 Agricultural Ammonia helps them to get more profit per acre, through higher

yields and lower production costs.

They have found that, by using Phillips 66 Agricultural Ammonia, they get more cotton that grades out higher at the gin; yields of sorghum grain and ensilage are increased; more marketable vegetables are harvested, and profits on wheat are increased through better forage, and higher yields of grain.

See your Phillips 66 Agricultural Ammonia distributor about profitable Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer.

Water Dev. Plan For State of Texas Due By May

Senator Lyndon B. Johnson has been assured by the Chief of Army Engineers that the mock-up of a Texas water program he requested last summer will be ready by the end of April.

Senator Johnson asked the Army Engineers and the Bureau of Reclamation to collaborate on the development of an integrated water development plan for Texas. He has been told by Maj. Gen. E. C. Itchner, chief of engineers, that full collaboration exists between the Engineers and Bureau.

"Also," Gen. Itchner wrote the Senator, "the Corps and Bureau are coordinating their activities with the efforts of the State of Texas as represented by the State Board of Water Engineers and other state agencies."

THE STATE OF TEXAS

TO: American Cancer Fund and its unknown members, shareholders, officers, and representatives, and the persons who own stock or interests in and who constitute American Cancer Fund as an entity, corporation, association, firm, company or partnership, if it be any of such; and to the unknown devisees or devisees under a purported will of Clifford Mooers, deceased, dated September 24, 1956, admitted to probate in Kendall County, Texas, on December 10, 1956, and the unknown owners or claimants of any interest in the estate of such decedent or in any property standing in his name at the time of his death on November 13, 1956, including the lands and interests therein described in such suit and as described and identified in this caption, which are owned or claimed by such unknown claimants as devisees under such purported will.

Defendants, each of whose identity than claimants American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, and Betty Nuss, Chester Green, R. J. Kelly, Mrs. Gladys Van Felt, Genevieve Conroy, Ralph Dahlstrom, Sven Lundahl, Russell Baughman, Charley McCaskey, Allen H. Ellington, Paul S. Ofen, and Mrs. A. G. Koenig, as executor under the will of A. G. Koenig, deceased, and the widow, and Elizabeth Koenig, a feme sole, as the only heirs of A. G. Koenig, deceased; John T. Claybourne, Frank Dennis, Mrs. C. W. Farley, (and husband, C. W. Farley), Tom Walters, Leonard Ward, Bruno Brandt, W. B. Davis, and John W. Clark, individually and as constituting and representative of that class of five-year employees given cash legacies of \$500.00 each under the terms of such purported will of such decedent.

Said suit styled "Dolores Mooers, A Widow, v. H. B. Fuqua, Independent Executor, et al.," being numbered 1525 on the docket of such court and a brief statement of the nature of the suit being as follows:

Plaintiff seeking equitable review asks to set aside a settlement made with her husband, Clifford Mooers, dated May 1, 1956, and this Court's decree of approval entered the next day in cause No. 1464, styled "Ex Parte: Clifford Mooers and Wife, Dolores Mooers," recorded in the minutes, Vol. 6, p. 636, and asks an accounting and for a declaration fixing the identity of the residuary devisee under a purported will of such husband as admitted to probate December 10, 1956, in which suit it is claimed that plaintiff as the wife of such decedent for 27 years before his death was induced to consent to such property settlement and decree by the fraud of her husband and his agents, consisting of false representations and concealment of material facts as to the nature, extent and value of the community property and of the plaintiff's true interest therein at such time, and because of further false promises to bequeath and on account of mistake induced by fraud of her said husband and coercion; and it is claimed that a fraud was also practiced by such decedent on this Court, and that the proceedings did not comply with Article 2824a.

It is further claimed in such suit that all or substantially all property in decedent's name at the time of such settlement and at the time of his death was community property, and that had the wife received those properties awarded to her in such settlement, such

Texas Division, Inc., a Texas corporation, who have been joined as defendants in such suit for personal service.

GREETING: You and each of you are hereby commanded to appear by filing a written answer to plaintiff's petition before the Second 38th Judicial District Court of Kendall County, Texas, in the Courtroom in the City of Ectoria, Kendall County, Texas, at or before ten o'clock a.m. on the Monday next following the expiration of 42 days from the date of issuance of this citation, said Monday being the 17th day of March, 1958, and then and there to answer the original petition of Dolores Mooers, a widow, as plaintiff, filed in said court on the 30th day of January, 1958, against H. B. Fuqua as Independent Executor under a purported will of Clifford Mooers, deceased, and in which suit the other named defendants are those persons first named in this writ and to whom it is above directed, and other defendants to be cited personally are:

American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation, and Betty Nuss, Chester Green, R. J. Kelly, Mrs. Gladys Van Felt, Genevieve Conroy, Ralph Dahlstrom, Sven Lundahl, Russell Baughman, Charley McCaskey, Allen H. Ellington, Paul S. Ofen, and Mrs. A. G. Koenig, as executor under the will of A. G. Koenig, deceased, and the widow, and Elizabeth Koenig, a feme sole, as the only heirs of A. G. Koenig, deceased; John T. Claybourne, Frank Dennis, Mrs. C. W. Farley, (and husband, C. W. Farley), Tom Walters, Leonard Ward, Bruno Brandt, W. B. Davis, and John W. Clark, individually and as constituting and representative of that class of five-year employees given cash legacies of \$500.00 each under the terms of such purported will of such decedent.

Said suit styled "Dolores Mooers, A Widow, v. H. B. Fuqua, Independent Executor, et al.," being numbered 1525 on the docket of such court and a brief statement of the nature of the suit being as follows:

Plaintiff seeking equitable review asks to set aside a settlement made with her husband, Clifford Mooers, dated May 1, 1956, and this Court's decree of approval entered the next day in cause No. 1464, styled "Ex Parte: Clifford Mooers and Wife, Dolores Mooers," recorded in the minutes, Vol. 6, p. 636, and asks an accounting and for a declaration fixing the identity of the residuary devisee under a purported will of such husband as admitted to probate December 10, 1956, in which suit it is claimed that plaintiff as the wife of such decedent for 27 years before his death was induced to consent to such property settlement and decree by the fraud of her husband and his agents, consisting of false representations and concealment of material facts as to the nature, extent and value of the community property and of the plaintiff's true interest therein at such time, and because of further false promises to bequeath and on account of mistake induced by fraud of her said husband and coercion; and it is claimed that a fraud was also practiced by such decedent on this Court, and that the proceedings did not comply with Article 2824a.

It is further claimed in such suit that all or substantially all property in decedent's name at the time of such settlement and at the time of his death was community property, and that had the wife received those properties awarded to her in such settlement, such

were greatly less than her share at such time, and such contract was grossly unjust and disadvantageous to her, but that there was further material fraud and deceit practiced on her as to those properties which it was recited she was to receive under such settlement because of failure of title and of inability to deliver and failure to deliver personal property of the kind and value which it was represented such wife should receive.

Plaintiff offers to do equity and makes a continuing tender to restore that which she has received and asserts that due to her situation, inexperience, ignorance and deception she could not discover such fraud and deceit.

It is further claimed that since such husband's death the defendant H. B. Fuqua, acting as Independent Executor under the purported will of such husband, has come into possession of, but has not distributed all of those properties which the husband wrongfully took under such settlement and decree and in which plaintiff had a continuing equitable ownership and interest, and that the other defendants are claiming to own or have some interest in such properties, cash legacies and residuary devisee under such purported will, and that among such properties are lands and interests in lands within the State of Texas, including those described, listed and identified in such petition, including the following:

COCHRAN COUNTY: 1. A 1/2 mineral interest in all of Labor 18, League 127, of the Coe County School Lands, and containing 177.12 acres, and being fully described in deed recorded in Vol. 20, p. 464, Deed Records of Cochran County, and located in Cochran County.

2. A 1/2 mineral interest in all of Labor 4, League 128, of the Coe County School Lands, and containing 177.12 acres, and being the same land described in deed recorded in Vol. 20, at p. 461, Deed Records of Cochran County, and located in Cochran County.

3. A 1/2 mineral interest in all of Labor 3, in League 128, of the Coe County School Lands, and containing 177.12 acres, more or less, being the same land and described in a deed recorded in Vol. 20, at p. 463, of the Deed Records of Cochran County, Texas, located in Cochran County, Texas.

4. A 1/2 mineral interest in all of Labor 22, League 127, of the Coe County School Lands, and containing 177.12 acres, and being the same land described in a deed of record in Vol. 20, p. 533, of the Deed Records of Cochran County, and located in Cochran County.

The State of Texas To The Sheriff or any Constable of any County of the State of Texas, GREETING:

You are hereby commanded to serve the foregoing citation by making publication thereof in some newspaper, of legal circulation, published in the County of Cochran for four (4) consecutive weeks, the first publication to be at least 28 days before the return day of this caption.

Herein Fail Not, but on the return day heretofore named, have you then and there before said court this writ, with your return thereon, showing how you have executed the same.

Issued and given under my hand and seal of said court in Jourdure, Texas, this 30th day of January, 1958. (SEAL)

During the cruise the O'Brien will visit the Hawaiian Islands; New Zealand; Japan; the Philippine Islands, American Samoa; and Hong Kong, B. C. C.

Mulshoe Couple Honored Wednesday On Golden Wedding Anniversary

Mr. and Mrs. C. R. Farrell of Mulshoe, parents of Mrs. J. C. Buchanan of Morton were honored on Wednesday with a reception from 3:30 to 6:30 p.m. in Fellowship Hall of the First Methodist Church in Mulshoe.

BETTER SCHOOLS — AND YOU

by HENRY TOY, Jr., President National Citizens Council for Better Schools

JUST WHAT SHOULD A SCHOOL DO? Ever since the first Colonists decided to build a school, American communities have had to decide what their schools should accomplish. In the 1700's, the decision was fairly simple. Today, the decision is extremely complicated.

Except for Thomas Jefferson and a few other men, probably no body dreamed of the day when almost every teenager would get a high school education. And even Thomas Jefferson couldn't envision a world as complex as ours, where individual boys and girls would have to know as much as our high school students are taught today.

Some people even thought that if you tried to educate everybody, there would be too many people for every available job. Well, just the reverse has happened. With education, our population has opened up new fields of knowledge and new industries. In the middle of the twentieth century, we find ourselves living in a world crying out for skilled manpower on every hand.

There's a big public debate going on about the shortage of scientists and mathematicians, for example. Some people contend that we ought to get into a race with Russia. But there are more of us who think we ought to be encouraging scientists in our classrooms for entirely different reasons. First of all, we want scientists to man the laboratories of new industries that are springing up all around us. These industries promise us a better, more productive future, and we need the skilled manpower to run them.

Besides, we ought to be encouraging our youth to go into careers that interest them, careers that will make them creative adults. If there are future scientists in our classrooms, by all means they should be encouraged with everything at our command to give them the opportunity to become scientists. But we ought to do that for our future poets, too, and our future statesmen, businessmen, farmers, labor leaders, everything we'll need for the future.

As I said at the beginning, the decision about what our schools should accomplish is not an easy one. And it's different for my community than for the one next door. The way communities are handling this decision in many places is to hold a community conference on education. They set aside a day when the teachers and ordinary citizens get together to talk about what the local schools should teach the local children.

If you'd like to hold a community conference in your community, write me for a conference kit that shows how one could be set up. Just write to Better Schools, 9 East 40th Street, New York 16, New York, and I'll send you a conference kit right away.

BETTER SCHOOLS BUILD BETTER COMMUNITIES

Farm Income Tax Due Feb. 15th

February 15 is an important tax date for most farm and ranch families according to Homer E. Thompson, County Agricultural Agent.

February 15 is the deadline for filing your income tax return if you qualify as a farmer by having received at least two-thirds of your total gross income from agricultural operations. Farmers who filed an estimate (1040 ES) and paid their estimated tax by January 15,

have until April 15 to file a final return for 1957.

Information on many points on farmer's tax questions are explained in detail in the 1958 Farmer's Tax Guide.

You may have a copy by calling at your County Extension office in the County Activities Building.

This publication is written in simple language, according to the Agent and will be helpful for your reference during the year.

A study of the reference should aid the farmer considerably when working out his own return or talking with a tax consultant.

their Golden Wedding Anniversary. Mr. and Mrs. Farrell were wed on February 5, 1908 in Manning, Iowa. They moved to Mulshoe in January, 1918. They have three sons and five daughters, and 15 grandchildren and six great grandchildren.

Jaycettes Met for Monthly Social

The Morton Jaycee - Ettes met January 28 in the home of Mrs. Tabby Holloman for their monthly social.

The club accepted the resignation of Mrs. John Barnes. Nine members and one guest were on hand. The guest was Mrs. Babe Vanlandingham.

Members present were Mesdames Sammy Leverett, Fred Payne,

Snooky Russell, Roy Turner, Jr., Dexter Nebhut, Buddy Hanna, Jerry Barton, Eddie Irwin and Mrs. Holloman.

The next meeting will be in the home of Mrs. Dexter Nebhut on February 11. All Jaycee wives are invited.

Engagement Told Muriel Snodgrass To Wed Saturday

BLEDSOE, TEXAS (Spl.) — Mr. and Mrs. Arvel "Toad" Snodgrass, who live at Star Route Two, Morton, announce the engagement and approaching marriage of their daughter, Muriel Zo, to James L. Wilson, son of Mr. and Mrs. Robert Wilson of Spade.

The wedding will be solemnized Saturday, February 8, in Spade. Officiating will be Rev. Bill Wadley, pastor of the Baptist Church, in Spade.

Belva Ramsey Gets Wayland Post

PLAINVIEW (Spl.) — Belva Ramsey, daughter of Mr. and Mrs. S. A. Ramsey, Morton, has been elected to the Wayland Baptist College Student Government court system, according to Maurice Sharp, dean of students.

The Wayland Student Government constitution provides for student courts to handle infractions of campus rules. Members of these courts, some of whom are elected and some appointed, are given the major responsibility for the Way-

land honor system.

Above the lower courts and serving as court of appeals is the SGA Supreme Court, presided over by Chief Justice Leslie Thompson. Plainview. Major offenses and constitutional matters also come before this body.

Miss Ramsey, a sophomore education major, is a member of the Ferguson Hall Court. A guard on the famous Hutchinson Flying Quads of Wayland, four-year national AAU champions in women's basketball, she is also a member of the Wayland Athletes for Christ.

Miller's father is W. F. Miller, who lives on Route 1, Lorenzo.

LEGAL NOTICE

NO. 137

CITATION BY PUBLICATION THE STATE OF TEXAS TO Jack Carthel Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Cochran County at the Court House thereof, in Morton, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty - two days from the date of the issuance of this citation, same being the 22 day of February A. D. 1958, to Plaintiff's Petition on file in said court on the 10 day of January A. D. 1958, in this cause, numbered 1182 on the docket of said court and styled Mary Carthel, Plaintiff, vs. Jack Carthel, Defendant.

A brief statement of the nature of this suit is as follows to-wit:

SUIT FOR DIVORCE as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served with-in ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Morton, Texas, this 10 day of January A. D. 1958.

If You Can't Go South

If you can't go South for the winter—and most of us can't—then you'd better be sure your car is in trim for several months more of cold weather driving.

Drive in to your nearest Phillips 66 Station now and have done what needs to be done. You ought to have your battery tested and serviced. You'll want plenty of Phillips 66 Anti-freeze in your radiator. And how about your tires? Do you need a new set of Phillips 66 snow treads?

Our mid-winter check-up also includes getting the right winter greases in the right places, and a change to fresh Phillips 66 Trop-A-Tic Motor Oil. Come in now. Don't risk a "freeze-up."

Shower Hosted For Recent Bride

Miss LaJuan Wesson, who recently wed Douglas Zuber, was honored January 12 with a bridal shower in the W. B. Cox home here. Hostesses were Mesdames Cox, Faye Collins, O. D. Chesshir, Tru-

man Doss, and Jack Baker; and Misses Mary Ellen Thompson, Susie Hawkins, Nancy Cagle, Ray Ann Ross, Peggy Patterson, Sue Cooper and Myrian Cox. Decorations included a lace tablecloth over blue featuring a blue and white centerpiece. Colors were completed with white and blue cakes. Among guests calling were Mrs.

Ernest Whittenburg, Mrs. Buck Smith, and Mrs. W. B. Barnett, all of Lubbock; Mrs. Dee Keck, Levelland; and Mesdames Truman Smith, Lewis Russell, Denton Thompson, Ronald Coleman, Roy Tarter, Jr., H. C. Shakespeare, T. T. Smith, Pete Lindsey, Jr., Vernon Blackley, M. C. Ledbetter, and H. L. Shakespeare and Misses Dolores Stephenson, Towana Cravens, Janice Lebow, Kay Doss, Mary Ledbetter and Vera Tillery.

With Your... COUNTY AGENT

By HOMER E. THOMPSON
GOOD SEED SAVES MONEY
If you buy seed, it will pay to buy certified seed. You can figure for yourself that the high quality seed is the best buy. Here is the way to figure it. Multiply the germination times the purity, then divide the results by the list price per pound. You will be surprised at how many times the seed that

cost less per pound will be the most expensive on a live seed basis. Then too, there are other advantages to buying good seed. Such things as freedom from noxious weeds can save on cultivating cost. Also variety mixtures can cause extra harvesting costs because of differences in heights. Certified seed, of course, has been tested for purity and freedom from noxious weeds and also for germination & adaptability to local growing conditions. All this information is given on a certified tag on the bag when selling as certified seed.

Want to urge all farmers who are planting cotton seed grown in 1952 to have a germination and purity test run on the seed to know where they stand. Send a quart of the seed to State Seed Testing Laboratory, Agricultural Building, Texas Tech, Lubbock, with \$2.50 for testing fee requesting germination and purity test be run on the quart of cotton seed.

RATS ARE MORE NUMEROUS AND ARE ALSO MORE COSTLY

Farmers are urged to kill their rats now during the winter season. A campaign on killing rats is necessary for control. Just one farmer killing his rats will not solve the problem. All farmers in the community should kill rats together in a span of not over three weeks. To do this effectively the neighbors should get together and plan the time and method.

This office will be glad to work with any group who is interested by holding one demonstration in a neighborhood. Neighbors could attend and go back to their homes and do the same thing on their respective farms.

For poisons to use, would recommend NON - coagulants. These are safer and just as effective. Use both the water and bait method simultaneously. This non - coagulant rat bait costs you from \$17 to \$20 per hundred. If you have very many rats, you'll need close to 100 pounds. This is a fast killer, but sure. Put out fresh bait regularly, at least once, better twice a week. Rats drink; so have the poison which is soluble in water placed in containers near feeding places, along with the treated bait. This way rats can eat and drink too.

These non - coagulants prevent blood from clotting and cause death from internal hemorrhages. A rat or mouse must eat some of the poisoned bait every day for 5 or 6 days before fatal hemorrhaging. Place the baits where rats and mice can feed on it. Nail a board on the side of a wall connecting it to the floor where the runways are. Place baits and water under this board.

Each rat is estimated to cost you over \$10.00 each per year. A hundred rats could cost you \$1,000 per year damage; so let's get after them — by all working together. Rats are increasing and now is the time to work on them.

Suggest a few neighbors get together and meet at one place. We will be glad to demonstrate on this place. Then all who attend can go back home and do the same thing. It will be of little value, if only one farmer kills his rats and his neighbors do not. Rats travel at night and they migrate for great distances advises the County Agent.

FIGHTING LEATHERNECK
Shown above is Pte. James E. Cross, 26 year old son of Mrs. Nora Sutton of Morton, who recently became an Open Light Heavyweight Golden Gloves Title. Jimmy, a 5' 10 1/2", 162 lb. Leatherneck recently won the North Memphis Golden Gloves title on a single punch at Memphis, Tennessee. The left-handed Cross delivered a knockout punch in 42 seconds of the second round. He has had quite a background of fighting. He has won 17 of 20 amateur fights, winning his 1st title in 1955 in the West Texas Novice Regional Welterweight finals. In 1956 he was East New Mexico Regional Novice Middleweight Champ. Last year he went to the finals of the 6th Naval District Tournament after winning the North Memphis and Navy Memphis light-heavyweight titles, and finishing as runner-up in the Memphis city finals.

Birthday, Going-Away Dinner Honors Two

Mr. and Mrs. Bill Simpson of Enchs were hosts to a semi-formal dinner at their home Sunday. The occasion for the dinner was for the honoring of their son Arlen, who is leaving for the Army on February 9th; and at the same time to honor Mrs. Mary Simpson of O'Donnell and mark her 71st birthday. She is the mother of Bill Simpson.

Others attending were: Mrs. Arlen Simpson, wife of one of the honorees; Mr. and Mrs. Sonny DeWire and Donnie of Morton; Mr. and Mrs. Howard Simpson of O'Donnell, Billy Simpson and Gwen Baker of Morton.

Billy Simpson is now employed by the Bell Milk Co. and has moved to Morton.

Special Hours for Optometrist Can Be Arranged, Sat.
 Dr. Shays E. Crume, optometrist announced last week that in addition to being at the Morton Hotel each Wednesday from 10 a. m. to 6 p. m., he will be here by appointment, Saturday afternoons. Dr. Crume is a native of the New Mexico area west of Lingo.

Senator RALPH YARBOROUGH Writes from DC -

for funds to rebuild flood damaged land. These counties include Bowie, Brazos, Kaufman, Coke, Hall, Hood, Parker, Robertson, Rockwell, Rannels and Tarrant. In addition, applications from 11 other Texas counties are now pending and will probably be approved within the next few days. Those needing funds for rebuilding flood-damaged lands include Denton, Dickens, King, Lipscomb, and Madison. Those requesting funds for rebuilding wind eroded land include Collingsworth, Dickens, Donley, Lipscomb, Moore and Sherman. Note that Lipscomb and Collingsworth are in particularly bad shape, both with some areas needing funds to rebuild washed out soil and another part needing wind erosion treatment. Despite the fact that our neighboring state of Oklahoma secured \$250,000 under this program last year, it has been virtually impossible until recently to break the barrier of red tape and mis-

information to get these funds for Texas soil rebuilding. To this day, not a penny of the \$20 million allocation has been sent to Texas to repair drought damage. At first Agriculture Secretary Ezra Benson's staff tried to say the fund didn't even apply to drought damage. We convinced them they were wrong on that, but they still haven't approved any funds for wind erosion. We intend to press the matter until they do.

All farmers whose land was seriously damaged by flood or drought erosion by water or by wind, may qualify under the program for these funds to be used specifically for soil rebuilding practices. Full information on the program can be secured from your County Agriculture Stabilization and Conservation or G. F. Osborn, state officer, ASC, College Station, or U. S. Senator Ralph Yarborough, 202 Senate Building, Washington, D. C.

Fredia Boykin, Don Lowe Are Engaged

The Morton Baptist Church will be the scene of the March 7 wedding of Miss Fredia Boykin and Don Lowe.

Rev. A. R. Coleman will be officiating.

The engagement and approaching marriage was announced by Miss Boykin's grandparents, Mr. and Mrs. T. H. Wood of Morton. Lowe's parents are Mr. and Mrs. Jack Lowe of Maple.

Dear Friends:

The agreement between the United States and Russia, signed this week as I believe, one of the most important events of many years. It is an agreement to speed exchanges of persons, movies and radio-television broadcasts between this Nation and Russia.

Weapons alone hold no security for the United States or any other country. The best we can hope for from the intercontinental ballistic missile or any other weapon is a stalemate. But we would be fooling ourselves if we thought that they could bring us anything beyond a stalemate.

True security will come only when war is no longer an instrument of national policy.

We must be realistic. I have little faith in outlawing war as an instrument of national policy merely through pacts of renunciation—either of acts of aggression or of specific weapons.

Efforts to outlaw war must be accompanied by positive steps to bring people together in cooperation.

When people work together to face a great challenge, they tend to lose their suspicion of each other. They become absorbed in the task before them—and fighting as an instrument of policy fades from the picture.

A great opportunity, in my opinion, is therefore afforded us by the present situation. There are positive steps that we can take in concert with the other nations of the world to face the great challenge presented by our era.

These steps cannot be taken overnight. Making a reality of the "open curtain" policy—which I advocated last July after Russia's Khrushchev had appeared on television screens throughout this country—will require careful preparation. It is an effort that

deserves the best we have. For big one with large pretty horns," there is a great need for bringing the people of the world to a point where they can at least talk to each other.

The barriers of suspicion and distrust will not be broken down by this agreement alone. We cannot expect that . . . will solve the manifold problems of a war-

But it is an essential first step—the beginning of a beginning. We have to take these steps one at a time.

Letters from Texas indicate to me that our people are aware of the dangers facing us—and that they are confident of our national will and ability to face those dangers squarely and cope with them realistically. As is to be expected, Texans are concerned—but not panicky.

We must bring security out of danger.

We must bring lasting peace out of peril.

That is the two-fold challenge facing our nation today.
