## BAILEY COUNTY COOP MEMBERSHIP MEETING TO BE HELD HERE, FRIDAY

Cotton John, well known farm voice of Radio Station KGNC Amarillo for many years, will be on hand tomorrow when the Bailey County Electric Cooperative holds its annual meeting — the first ever held in Morton.

A prominent attendee of important area farm meetings who has an early morning radio program and who often tape records portions of the meetings to play back on the radio, Cotton John has a long list of faithful listeners all over the Panhandle and South Plains.

The annual meeting of the membership of the Cooperative will be held Friday, at 2 p. m. in the Cochran County Auditorium.

The membership will be eligible for \$800 in door prizes to be given away at the meeting including a grand prize of an electric welder.

The purposes of the meeting, as outlined by the Manager of the Cooperative will be to take action on the following:

1. Receive a financial report, a progress report, and report on the general condition of the cooperative.
2. Elect two directors.
3. Appoint a nominating committee for the annual meeting to be held in 1959.
4. Consider and take action upon any other matters that might be presented or come before the meeting.

W. G. Newton, Manager of the

South Plains Electric Cooperative and President of Texas Electric Cooperatives has been invited to talk to the members about legislation and amendments to the enabling Act that was acted upon in the last regular session of the legislature.

Senator Andy Rogers, Senator Preston Smith, Representative Robert Bowers, and Representative Jess Osborne are being invited to the meeting and each will be given an opportunity to say something.

Leo Forrest, Manager of the Deaf Smith County Electric Cooperative at Hereford, has been invited to discuss wholesale power rates. This is a very important matter with the cooperative and all of the members will want to know more about power costs to the cooperative.

The nominating committee consisting of Robert Blackwood, C. B. Watkins, Ross Goodwin, Loyd Stephens, and W. E. Meyers, met on January 6, Robert Blackwood was elected as chairman of the com-

mittee. The committee then made the following nominations: E. W. Locker and C. P. Calvert, District I; Elbert Nowell and Joe Harbin, District II. These people, with any nominations made by petition or from the floor, will be voted on at the meeting in Morton on February 14.

Joe Sooter, President of the Cooperative retires from the Board after six years of faithful service. During the time Mr. Sooter has served as a member of the Board, he has an almost 100 percent Board meeting attendance. He has conducted the meetings in a businesslike, dignified manner. Joe operates a farm in the West Camp community.

R. L. Kimbrough lives north of Muleshoe and has been on the board six years.

Other members of the board are Thurlo Branscum of the Earth Springlake area, C. G. Damron of

Needmore, R. L. Davis of Maple, Roy Young of Bula, and Glenn Thompson of Morton.

This is the first annual meeting of the cooperative that has been held in any location in the area served by the cooperative other than in Muleshoe. Members are urged to attend, especially the ma-

nages in South Bailey and in Cochran Counties that have previously felt it was too far to go to attend the meeting.

The public is also invited.

Local Director Thompson said the local Camp Fire girls will serve coffee and doughnuts after the meeting adjourns.

Her withdrawal left the race wide open with no candidates as yet announced.

## Hospital Will Demand Deposit

The Cochran County Hospital Board took a step Tuesday night it had contemplated before — the vote to require a deposit for admission of patients.

In a motion made by C. B. Evans and seconded by F. L. Fred the group voted "to require a deposit upon admission of medical patients of \$75; surgical patients, \$100 and obstetrical patients, \$75."

The Board had discussed at at least two previous meetings the need for a deposit for hospital care and had previously given permission for the manager to demand a deposit in cases where the patient had an outstanding, unpaid bill.

Gage Knox is chairman of the Cochran County Hospital Board and John King is vice-chairman. In the absence of secretary — elect J. W. McDermott, associate secretary C. B. Evans has taken over this post.

## PLAYOFF FRIDAY AT LEVELLAND

The Morton Indians and the Sudan Hornets, who have split a pair of one point decisions in two basketball meetings this season have a third try at it tomorrow night — Friday — at 8:00 p. m. at Levelland.

The two teams will meet in the game that will decide which of the two teams is the actual district round robin winner. The winner will enter the tourney as first place team and will, if able to win the tourney, represent the district against the 4-A winner. However, the two teams could meet again in the tourney, and, if one team wins the Friday night game and the other wins the tourney, they will have still another playoff to decide the bi-district competitor.

## HOSPITAL BOARD ENDS DR BROWNS OFFICE LEASE

Members of the Cochran County Hospital Board voted at a meeting Tuesday night, to ask Dr. Dan M. Brown to remove his offices from the Cochran County Hospital by April 1st.

The Board members, in their minutes, and in a letter they sent to Dr. Brown did not state the reasons for their action but Hospital Manager Earnest Seale told a Tribune reporter Wednesday Dr. Brown was advised of the reasons.

Connected Wednesday morning, Dr. Brown said he had made no plans as yet.

The action was voted unanimously by four members of the six man board who were present at the meeting. E. C. Wynn was not present and J. W. McDermott, a recently appointed member was not present and according to Commissioner Holloman of Pet. One has said he will not accept the appointment. Holloman has not yet found a man who will accept the post.

Members present and voting the issue were Gage Knox, F. L. Fred,

## HOSPITAL BOARD ENDS DR BROWNS OFFICE LEASE

J. C. King and C. B. Evans.

To quote the minutes "motion was made by F. L. Fred and second by C. B. Evans that Dr. Dan M. Brown be asked to remove his practice from the offices of Cochran County Hospital by April 1, 1958. A vote was taken and the motion carried unanimously.

A letter of notification was written to Dr. Brown and signed by the Board."

Asked how the office space was leased out, Seale said it had been the custom to lease it a year at a time to the doctors, from April 1 to March 31 of the next year.

He said he did not know for sure if Dr. Brown had received a written contract for last year.

He also said, upon question, no specific doctor has been given a lease to the space, but only that he has the names of some doctors to contact.

In effect, the asking of Dr. Brown to remove his office was simply not to renew the lease on the office.

## LEE TAYLOR GETS OUT OF COUNTY CLERK'S RACE

Cochran County had an unexpected turn of events in the political races this week when not only were there no new candidates but one already announced candidate withdrew from the race.

County and District Clerk Mrs. Lee Taylor, announced this week she was withdrawing from the race.

"I am withdrawing as a candidate for County and District Clerk," Mrs. Taylor said, "even though I love the work and have fine personnel to work with, I am choosing not to seek the office. I also wish to state that I will not seek any other office."

Mrs. Taylor declined to give a reason for her withdrawal other than to say she didn't know if she could stand another four years.

Her withdrawal left the race wide open with no candidates as yet announced.

## LEE TAYLOR GETS OUT OF COUNTY CLERK'S RACE

Okmulgee. Deacons in the church served as pallbearers.

At Okmulgee, Rev. A. L. Lowrey, Oklahoma City, Missionary affiliated and was assisted by Rev. Stanley Taylor, pastor of the Second Baptist Church at Okmulgee.

The Okmulgee church was the scene of Rev. Robinson's acceptance of the Lord in February of 1932 and subsequent surrendering to the ministry.

Three of the deacons of the church when Rev. Robinson was ordained to preach on January 25, 1935, were pallbearers at the Okmulgee rites and burial was in the Okmulgee Cemetery beside his father in a family plot. Buchanan Funeral Home handled those arrangements and burial.

Ollie Scott Robinson was born at Hoyt, Oklahoma on July 14, 1905.

His family lived as neighbors to the family of his wife-to-be whom he knew since he was about nine years. They married at Okmulgee on Aug. 6, 1927, and at that time he was working for a furniture company.

In 1929, Mr. Robinson became a Mason and was past master of the Masonic Lodge at Okmulgee.

After being converted in February, Rev. Robinson was ordained a deacon at Okmulgee in September of 1932. Mr. and Mrs. Robinson and children moved to Ponca City, Oklahoma, and on Nov. 4, 1934, he preached his first sermon at the First Baptist Church at Nuy Aka, Okla. About 1937 he left to move to Shawnee where he attended the Oklahoma Baptist University there. Later he attended the Southwestern Seminary at Ft. Worth. He had many part time pastorates while attending school and then moved to Davenport, Oklahoma where he held his first full time pastorate. He moved on to the Lawrence Avenue Baptist Church at Oklahoma City.

Rev. Robinson then spent two years as State Missionary of Oklahoma before taking the pastorate of the Harvard Avenue Baptist Church at Tulsa, Okla.

He later pastored the Sequoia Baptist Church and the 3rd Avenue Church at Miami, Okla, before coming to Morton on the 22 of July, 1951.

Rev. Robinson was the oldest in a family of six children. The four immediately following him all died at an early age, two brothers and two sisters. One brother, Owen Fred Robinson of Baldwin Park, California and his mother, Mrs. Tomia Robinson of Okmulgee survive.

In his immediate family survivors include his wife, two married daughters, (Nina) Mrs. Bill Thorne of Tulsa, and (Betty) Mrs. Paul Hinrichs of Norman; two children at home, Thomas Paul, 11, and Linda Sue, 7, and one grandchild, Lisa Ninette Hinrichs.

At his request the rites were a wholly Christian service, with no Masonic rites, as he had tried to devote his entire life to church work since being ordained. He had suffered a light stroke about two years ago and took a three month leave of absence shortly thereafter but he had been ill ever since. He found mission work less trying but was extremely fond of pastorates and was an almost constant worker at visitation, even in his illness.

Mortonites who made the trip to Oklahoma to attend the funeral there included Mr. and Mrs. T. D. Marshall, Truett McCauston, Dub Henry, Charles Jones, R. A. Thompson and the family.

## City Has No New Office Seekers

There are no new candidates in the April City elections for Morton.

City Manager Joe Seagler said Wednesday, only Walter Sandefur, Jr., has filed for the position of Councilman. None of the present officeholders, Hume Russell, and Tip Windom, Councilmen, or J. C. Reynolds, mayor, have indicated a desire to serve an additional term of office.

All three posts will be up for election in April for two year terms of office.

## Last Second Shot Gives Sudan Victory; 45 to 44; Teams Tied for District Title

A driving, floor-length dribble & an easy lay-up shot a split second before the final buzzer sounded, sent the Morton Indians down to their second defeat of the season Tuesday night as Sudan grabbed a tie for the regular season leadership, each team with 6 wins & 2 losses.

Sudan also poured it on the local girls to push our Maids into 3rd place in the district.

Appropriately enough it was the dynamic speedster, Dan Wood, on an individual solo dash that won the game for Sudan as the timekeeper, bewildered by the excitement, forgot to turn the clock on no less than a dozen times in the final five minutes.

But, though local fans screamed in agony as the clock failed to tick off the seconds, and though they were unhappy enough about the failure of the officials to call a traveling error on Wood on that crucial play — yet it wasn't these things that beat Morton — they only carried the material load.

In actuality, it was a definite faltering with a six point lead in the final quarter that beat the Indians. In the stress of a heated last minute flurry they were unable to shake the jitters and hold the ball with finesse. Add to this the fact that they had four field goal tries dip in the net and hop out in the last canto, and you see that they could have, and should have won. The final emphasis to Morton's need of experience in playing under pressure came as Ed Gattis' sank a one handed push shot with 5 seconds to play — the basket that put Morton ahead by a 44 to 43 margin. Even with the clock not started, this should have

## Rev. Robinson Rites Here, Also In Oklahoma

Funeral services were held in Morton and Okmulgee, Oklahoma, Friday and Saturday, for Rev. Ollie S. Robinson, 52, pastor of the First Baptist Church of Morton, who died Tuesday, February 3, at the Cochran County Hospital.

Rites were held in Morton at his church at 10 a. m. Friday, before the body was taken overland to Okmulgee for 3:30 p. m. rites at the Second Baptist Church there.

The Rev. Mr. Robinson, pastor of the local church since he was called, July 15, 1951, suffered a cerebral hemorrhage, about 6:15 p. m. after coming home from a typical day of visitation. He was immediately rushed to the Cochran County Hospital where he died at 11:40 that night.

The Rev. L. A. Sartain, pastor of the First Baptist Church of Ft. Worth, and a long time friend of Rev. Robinson brought the message at the Morton service. Two of Brother Robinson's 25 persons who had surrendered to the ministry under him, during 23 years and 3 months of preaching, also aided in the services. They were Rev. E. J. Price of Lum's Chapel Church of Littlefield who brought the obituary and Rev. Gene Whitlow, of the First Baptist Church of Almagordo, New Mexico, who brought the scripture and prayer.

Singleton Funeral Home of Morton was in charge of arrangements here and transported the body to

## Community Sings To Be Planned

A Community sing group is to be planned Sunday if enough interest is generated by way of a meeting at the County Activity Building.

The meeting, scheduled for 2:00 p. m., is to see if a number of folks are interested in having regular Community sings of Sunday afternoons. Just how often they would be held would be decided after an interested group gathers.

The idea, originating among a group of local ladies, received enough instantaneous response that they decided to see what could be done. So, they called the meeting.

Anyone interested in singing is urged to attend. Coffee will be served. The group plans to invite duets, trios, quartets, and other ensembles and soloists to sing, as well as to reserve a major portion of the program for those who like to sing as a group.

## Road Block to Be Set Up Saturday As Scouts Sell Palio Passes to Motorists

If you just happen to be driving along, and you think you're minding your own business, Saturday, and you suddenly run into a road block, think nothing of it — they're not trying to put you in jail.

The highways leading into and out of Morton will be blocked for a three hour period Saturday, 2:00 p. m. until 5:00 p. m., while the March of Dimes backers try to peddle "palio passes."

The project, to be carried on by local Boy Scouts, with all proceeds to the County MOD Fund, has the backing and support of City Officials, the Volunteer Fire Department, and the cooperation of the Cochran County Sheriff's Department.

The palio pass, carried by the driver or put in the corner of the windshield, guarantees safe passage into and out of Morton.

The group is hoping a big afternoon will enable them to make a sizable dent in the nearly \$2,000 that the drive this year is still shy.

## Attending Texas Beauty Show

Mr. and Mrs. Roy Weekes are in Dallas this week where she is attending the annual All Texas Beauty Show, and he is receiving training in fire and casualty work.

Mrs. Dortha Weekes, owner & operator of Dortha's Beauty Salon here, reports that the new spring trend in hair fashions is the "siren lift" and that it will compliment the "chemise look."

Among guests appearing on the Dallas program is Mrs. Lucella Bailey of Duluth, Minn., style director of the National Hair Fashion Committee.

She says the hairdressers industry is now the fourth leading professional industry in the world, is now on a medical standard. The hairstylist does an "artistic operation," not a thing of tools, rather of methods.

Following their business appointments the Weekes will visit relatives in the Dallas - Ft. Worth area, returning this weekend to Morton.

## HALE AKIN SCHOOL STUDY CONTINUES

Cochran County's Hale - Akin Committee — which gets more numerous each session due to increased interest in the program of studying Cochran County schools, met last Thursday in the Junior High Cafeteria and had another lively sub-committee session as the group made it study of a list of questions which the state legislature is seeking an answer on.

The group will have one more general session as soon as the state sends out copies of the questionnaire to every member of the county group. In addition at least one of the sub-committees plans a session at Whiteface Thursday night trying to get their own county questionnaire into shape to present it to the teachers of the county.

Meanwhile the 31 member county group, of which Gene Benham is County Chairman, emphasized that they want as many persons as are interested in this important study to meet with them and to volunteer to work with the sub-committees.

The sub-committee on teacher supply will try to get at least 88 volunteers to each interview one teacher and get one of the questionnaires filled out.

## New Patrolman

Three Way leading nearly all the way, lost the game when they apparently had it whipped up. A four point lead with a minute to go was held until Ropesville hit two field goals and the Dusters added a free throw. But with 26 seconds to play, Eddie Swente tried to drive under for a game clinching basket and was called for charging. Ropes promptly dropped in the free throw and got a bonus, resulting in an 11-10 victory.

Primm Drug had a tough first quarter with Crosbyton, leading only 13 to 11, but later turned on the steam for the evening's biggest score at 31 to 46 victory.

Johnson had 27 points for the Primm team, one less than Ropes Blackmont whose 28 was high for the night.

Seagraves had 28 points to point Crosbyton in defeat and Pollard's 14 was top for Three Way.

Seagraves turned in the only real upset of the night when they defeated K & K Food of Post, 22 to 12. It was only the second loss for K & K of the season of play. Seagraves just sped to an early lead and pulled away each time the Foodmen came back.

Muleshoe handed Morton the worst opening round losing, a 24 to 26 bouncing in which only three men managed to score for Morton. The Seagraves Cougars took an early lead and were never threatened, holding Morton to 12 points in the first three periods.

Elders 15 points was high for Muleshoe. Bill Lee had 12 for Morton and Benny Hall had 8.

Levelled, Seminole and Nabor's Conoco of Lubbock joined to share in the winner's circle of the TAAF basketball "tournament" Tuesday night at the end of the first round of play.

Levelled had the toughest time as they off by Spade 28 to 22. James Payne, ex-Lake great passed the win, tallying 28 points but it was Sam Williams of the losers who had 22 to lead the game.

Seminole had a considerably easier time in winning 44 to 22 over Columbus. Curton of Seagraves, W. Burgham had a 22 point score for Seminole and McCabe had 9.

The Kinnison brothers paired the winners, M. Kinnison getting 15.

Plainview, Tex., Man Reports—  
**"I Got a 2,000-lb.-per-acre Increase on 575 Acres of Grain Sorghum."**

Lem Brock, of Plainview, Tex., says: "I put down 100 pounds of Phillips 66 Agricultural Ammonia on 575 acres of irrigated maize land, and got an average of 2,000 pounds of grain increase per acre. I also put down 100 pounds of Phillips ammonia on castor beans and got an increase of 500 pounds of beans per acre. Also, by using Phillips 66 ammonia I got 1 1/2 bales of cotton to the acre in an unseasonable cotton year."

Other Southwestern farmers have discovered that the 82% nitrogen in top quality Phillips 66 Agricultural Ammonia helps them to get more profit per acre, through higher yields and lower production costs.

They have found that, by using Phillips 66 Ammonia, they get more cotton that grades out higher at the gin; yields of grain sorghum grain and ensilage are increased; more marketable vegetables are harvested, and profits on wheat are increased through better forage, and higher yields of grain.

See your Phillips 66 Agricultural Ammonia distributor about profitable Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer.

**THE STATE OF TEXAS**

American Cancer Fund and its known members, shareholders, officers, and representatives, and the persons who own stock or interests in and who constitute American Cancer Fund as an entity, corporation, association, firm, company or partnership, if it be any such; and to the unknown devisees or devisees under a purported will of Clifford Mooers, deceased, dated September 24, 1956, admitted to probate in Kendall County, Texas, on December 10, 1956, and the unknown owners or claimants of any interest in the estate of such decedent or in any property situated in his name at the time of his death on November 13, 1956, including the lands and interests therein described in such suit and as described and identified in this citation, which are owned or claimed by such unknown claimants as devisees under such purported will, defendants, each of whose identity and residence are unknown other than claimants American Cancer Society, Inc., a New York corporation, Texas Division, Inc., a Texas corporation, who have been joined as defendants in this suit for personal service.

**GREETING:**

You and each of you are hereby commanded to appear by filing a written answer to plaintiff's petition before the Second 38th Judicial District Court of Kendall County, Texas, in the Courthouse in the City of Boerne, Kendall County, Texas, at or before ten o'clock a. m. on the Monday next following the expiration of 42 days from the date of issuance of this citation, said Monday being the 17th day of March, 1958, and then and there to answer the original petition of Dolores Mooers, a widow, as plaintiff, filed in said court on the 30th day of January, 1958, against H. B. Fuqua as Independent Executor under a purported will of Clifford Mooers, deceased, and in which suit the other named defendants are those persons first named in this writ and to whom it is above directed, and other defendants to be cited personally are:

American Cancer Society, Inc., a New York corporation, and American Cancer Society, Texas Division, Inc., a Texas corporation,

and Betty Nuss, Chester Green, R. J. Kelly, Mrs. Gladys Van Pelt, Genevieve Conroy, Ralph Dahlstrom, Swen Lundahl, Russell Baughman, Charley McClaskey, Allen H. Ellingson, Paul S. Oles, and Mrs. A. G. Koenig, as executrix under the will of A. G. Koenig, deceased, and the said Mrs. A. G. Koenig, a widow, and Elizabeth Koenig, a feme sole, as the only heirs of A. G. Koenig, deceased; John T. Claybourne, Frank Demus, Mrs. C. W. Farley (and husband, C. W. Farley), Tom Walters, Leonard Ward, Brum Brandt, W. B. Davis, and John W. Clark, individually and as constituting and representative of that class of five-year employees given cash legacies of \$500.00 each under the terms of such purported will of said decedent.

Said suit styled "Dolores Mooers, A Widow, v. H. B. Fuqua, Independent Executor, et al.," being numbered 1525 on the docket of such court and a brief statement of the nature of the suit being as follows:

Plaintiff seeking equitable review asks to set aside a settlement made with her husband, Clifford Mooers, dated May 1, 1956, and this Court's decree of approval entered the next day in cause No. 1464, styled "Ex Parte: Clifford Mooers and Wife, Dolores Mooers," recorded in the minutes, Vol. 6, p. 656, and asks an accounting and for a declaration fixing the identity of the residuary devisee under a purported will of such husband as admitted to probate December 10, 1956, in which suit it is claimed that plaintiff as the wife of such decedent for 27 years before his death was induced to consent to such property settlement and decree by the fraud of her husband and his agents, consisting of false representations and concealment of material facts as to the nature, extent and value of the community property and of the plaintiff's true interest therein at such time, and because of further false promises to bequeath and on account of mistake induced by fraud of her said husband and coercion; and it is claimed that a fraud was also practiced by such decedent on this Court, and that the proceedings did not comply with Article 2624a.

It is further claimed in such suit that all or substantially all property in decedent's name at the time of such settlement and at the time of his death was community property, and that had the wife received those properties awarded to her in such settlement, such were greatly less than her share at such time, and such contract was grossly unjust and disadvantageous to her, but that there was further material fraud and deceit practiced on her as to those properties which it was recited she was to receive under such settlement because of failure of title and of consideration in material part and inability to deliver and failure to deliver personal property of the kind and value which it was represented such wife should receive.

Plaintiff offers to do equity and makes a continuing tender to restore that which she has received

and asserts that due to her situation, inexperience, ignorance and deception she could not sooner have discovered such fraud and brought this action.

It is further claimed that since such husband's death the defendant H. B. Fuqua, acting as Independent Executor under the purported will of such husband, has come into possession of but has not distributed all of those properties which the husband wrongfully took under such settlement and decree and in which plaintiff had a continuing equitable ownership and interest, and that the other defendants are claiming to own or have some interest in such properties and estate as the respective cash legatees and residuary devisee under such purported will; and that among such properties are lands and interests in lands within the State of Texas including those described, listed and identified in such petition, including the following:

**COCHRAN COUNTY:**

3. A 1/2 mineral interest in all of Labor 3, in League 128, of the Coke County School Lands, and containing 177.12 acres, more or less, being the same land and described in a deed recorded in Vol. 20, p. 463, of the Deed Records of Cochran County, Texas, located in Cochran County, Texas.

4. A 1/2 mineral interest in all of Labor 22, League 127, of the Coke County School Lands, and containing 177.12 acres, and being the same land described in a deed of record in Vol. 20, p. 433, of the Deed Records of Cochran County, and located in Cochran County.

The State of Texas To The Sheriff or any Constable of any County of the State of Texas: GREETING:

You are hereby commanded to serve the foregoing citation by making publication thereof in some newspaper, of legal circulation, published in the County of Cochran for four (4) consecutive weeks, the first publication to be at least 28 days before the return day of the citation.

Herein Fail Not, but on the re-

turn day hereinabove named, have you then and there before said court this writ, with your return thereon, showing how you have executed the same.
