MORTON, TEXAS, THURSDAY, MARCH 6, 1958

NUMBER ONE

## INDIANS BOW-OUT OF REGIONALS

### PLAINS TRIPS MORTON CAGERS AT LUBBOCK, BY 47 TO 41 COUNT

The Morton Indians reached the end of the road in the first game of the Regionals Saturday as they dropped a 47 to 41 decision to the Plains Cowboys, a team they had beaten decisively during the earlier part of the season.

And just as they were stunned when Morton lost the final district football game to Friona, so were the Morton fans amazed to almost

lost in the most unexpected manner — they committed too many fouls and they couldn't hit their long shots.

Coach Bobby Travis lads, who in two previous games had taken Plains, 49 to 44 and 59 to 41; were not outstuffed. They got the most rebounds by a comfortable edge; made less errors; got far and away the most shots from the field. But in his bevy of hot shooters who as a team had posted a fine .380 shooting average, Coach Travis could find no one who could hit the basket. Plains, whom Morton knew to be a hot shooting team, simply dropped in 40 per cent of their 37 shots while Morton got 78 flings at the basket and could hit only 25.3 per cent. Who'd a thought the Indians would get "outshot" in the tourney?

### Meeting Monday On Entry Into Babe Ruth Loop

Whether or not Morton will have one or more entries in Babe Ruth League play, must be decided within the next week or so, it was explained this week by a couple of visiting businessmen representing Whiteface and Sundown.

These two towns, which had entries in a league with Levelland this past year, now must find out how many more teams or they will also play in Babe Ruth League ball. Levelland has formed a loop of its own.

Monday, all of those interested in the Babe Ruth venture, including those who take part in the formation of the softball league, are asked to be on hand at the District Courtroom at 8:00. At that time the fate of Morton's entry into the league will be decided. It is also hoped the arrangements for playing in the softball league can be worked out at the same meeting.

Any local team wanting to be a part of the league, must furnish \$30 in the first season which the league will use to purchase equipment, including uniforms. Then it must furnish \$200 each remaining year if it is included in the league.

The money can come from one source, or broken down into a group of sponsors, would figure out about \$18 apiece for 17 sponsors the first year and \$12 apiece thereafter.

Since Whiteface has no lighted park, these would have to play all their games away from home, it being a night league. Morton, if it could work out a suitable agreement with the softball league, and if the softball park could be improved with additional lights, would play its home games here and all games with Whiteface on the Morton field. Otherwise, they would have to use the Sundown field which would mean all league games would be played in Sundown.

The chances are there would be lots of interest among the Morton boys. The real question is: how hard would sponsors be to find?

More than likely the Softball League would be willing to arrange its schedule so Babe Ruth ball could be played on the local diamond two nights a week. But, is it possible to get better lighting, a necessity for baseball, that is not necessary for softball, just more comfortable.

### Cochran County Spelling Bee Set Weds., March 26

Cochran County's edition of the annual Avalanche Journal sponsored South Plains Spelling Bees, will be held on March 26th, it was reported this week from the office of County Judge Fred Stockdale, director of the County Bee.

Students from Morton, Bledsoe and Whiteface Junior High Schools will compete for the honor of representing the County in the area competition at Lubbock, April 12. The winner from that district contest will go to Washington, D. C. to represent the area in the national finals.

The County Bee is being held on a Wednesday afternoon this year instead of the usual Saturday contest. Exact time and location of the Bee, and the names of judges, etc., have not yet been announced.

## SIX SEEK COUNCIL SEATS

### HUME RUSSELL AND ROYTARVER, JR. ARE ONLY MAYOR CANDIDATES ON APRIL 1ST CITY BALLOT

The City election took a curious turn, only a day or so before the deadline for announced candidacies it was reported through the City Manager's office.

One announced mayoral candidate, withdrew his name and instead became a candidate for City Councilman. That would be Amos Taylor, who had previously filed his name as a mayor candidate.

Taylor became the sixth candidate for Council, the others being: Walter G. Sandefer, H. T. Golden, Roy Gentry, E. L. (Snoball) Willis and Don Allsup. Allsup had filed late last week.

A present Councilman, Hume Russell, filed for the office of mayor with one opponent, previously announced Roy Tarver, Jr.

The deadline for filing was Monday night. Thus the ballot for the April 1st vote is now complete.

The list of candidates was the largest in many a year, and, since as always in a small community, the voting turnout is often light, there still may be a write-in candidate or two at the last minute.

### Four Names Are Petitioned for Morton School Trustee Election

The names of four candidates for school trustee have been submitted in the Morton Independent School District election to be held April 5th.

Two petitions were filed in the office of County Judge Fred Stockdale. The first, filed last week, was filed in behalf of Lloyd Miller and Bill Woods.

Early this week a petition was filed bearing the names of O. B. Huckabee and Babe Vanlandingham, incumbents.

The deadline for filing was believed to have been Wednesday at midnight but Ex - Office Superintendent Fred Stockdale was out of town all this week and unavailable for an opinion.

Wood is a new candidate on the ballot but the other three have been on the ballot before. Huckabee was elected to the board three years ago and Babe Van was appointed to the Board recently to fill the vacancy created by the resignation of Gene Benham. Van had run 4th in the field of candidates last time. Miller was also on the last ballot as an unsuccessful candidate.

### Dad - Daughter Supper, March 17

The annual "Dad and Daughter" box supper for Camp Fire girls will be held Monday, March 17, at 8 p.m. in the Morton School lunch room. It was announced this week by Mrs. M. C. Ledbetter, a member of the Camp Fire board of directors.

The event, marking the birthday of Camp Fire, will be for all Blue Birds, Camp Fire, and Horizon club members and their "Dads."

### Fate of County's Red Cross Chapter Hangs In The Balance; Meet Tonite

If there is anyone in Cochran County with a genuine interest in the American Red Cross — interest enough to help keep a chapter in Morton by pledging to serve in a capacity of Cochran County director, now is the time to step forward.

M. C. Ledbetter, who has been

### Auto Inspection For This County Badly Lagging

L. E. Wilhite, Lubbock office representative for the State Highway Automobile Inspection program, warned this week, Cochran County doesn't seem to be taking advantage of the nine month period allotted to complete inspection.

In the first 7 months only about one-third of the cars in the County have been inspected. That is, if the department can base its figures on the amount inspected at the local stations.

Wilhite said there probably were some who had their cars inspected somewhere else. But he felt the 30 per cent figure was pretty close. "It means," Wilhite said, with only about 35 working days left, Cochran Counties still have more than two thirds of their cars to be inspected." And, he pointed out there are now only two approved checking stations in Morton, where there have been four or five in recent years.

The deadline for the current inspection year is April 15th.

### Free Chick Day Is Planned By Baker Feed - Seed

Baker Feed, Seed, and Fertilizer announced this week they would sponsor a Free Chick Day, a week from Tuesday, on March 18th.

At that time they will give away 50 free chicks to each person who purchases 100 lbs. of chick starter.

Anyone interested in raising a group of chickens is invited to stop by and make this offer their starting point.

### Camp Fire Girls To Attend Church In Uniforms

Camp Fire directors Monday gave enthusiastic approval to plans for all Camp Fire girls to attend the church of their choice Sunday, March 16, in their Camp Fire uniforms.

The church attendance is part of the observation of the birthday of Camp Fire, Marc 17.

Other action centered around a discussion of the possibility of sending youths to the Red Cross swimmer school this summer at Ardmore, Okla.

Cost per student is \$50. They must already be good swimmers and must be 18 years of age. Upon graduation from the week - long school they would receive a Red Cross life saving certificate and be eligible to teach others in life saving practices.

Attending Monday were Elmo Smith, president of the board; Mrs. Joe Gipson, treasurer; Mrs. Ira Brown, secretary; Mrs. Lloyd Miller, chairman of the leaders' association; and Mrs. M. C. Ledbetter, regional representative.

### Bula, Friona Win Girls Bi-District Basketball Tilts

Two girls' teams in which a good deal of area folks have an interest won their way into the regionals this weekend with victories in bi-district tilts.

The Bula girls, though pressed harder than they expected, tallied the final seven points in a game with Roosevelt to triumph over a perennial Bula jinx team and win a 61-54 decision.

Carol Cooke's 40 point spree was the big show for Bula and Betty Halford scored the other 21.

Friona, loser of only one game, edged a past Hale Center's Owlets by a two point margin to win the bi-district Class A clash.

Johnneye Hand, the big girl for Friona, managed only 20 points — she has a 30 point average. But her team mate Charlotte Bock added 23 to take up slack.

### Rain, Fog, Slick Roads Are Blamed for Accidents; Nine Persons Escape Serious Injury In Two Mishaps

Rain, snow, freezing weather, thick fog, and slimy mud piled on the roads were blamed for two auto accidents in Cochran County on Monday and Tuesday of this week — which sent several persons to the hospital — but none of them were injured seriously.

On Monday night, on a slight curve, 5 miles west of Whiteface, a 1956 Chevrolet in which 5 persons were riding, was almost demolished as it overturned at about 8:30 p.m.

Marvin Leon Lamb, 21, a sailor home on leave was the driver of the vehicle. Marvin's wife, a married sister, Mrs. Lennie Stephens; and a brother, 17 year old Wayland Leroy Lamb were all in the car. They were taken to the Cochran County Hospital where they were X-Rayed and then released.

The following night, at about the same time (8:15 p.m.), just a few miles further west on the same road, another mishap occurred in which four men were slightly injured.

At the intersection of FM 1779 and State Road 125, a car driven by King Luther White, Jr., of Morton, evidently hit the intersection at too great a speed. It vaulted across the pavement and up the railroad embankment, but did not overturn.

The 1951 Ford was not badly damaged but White, 28, received chest injuries which kept him hospitalized overnight; Billy Don Renfro of Morton was unhurt; Homer L. Wyatt of Morton received a broken foot and B. E. Cortez required stitches to mend a cut on his mouth.

The men all came to Morton recently and are working as line-men for two different companies according to the investigating State Highway Patrolman.

### Exa Kaye Ainsworth Still In Running For National Merit Scholarships

Exa Kaye Ainsworth, daughter of Mr. and Mrs. Alton Ainsworth, is the lone Morton High School senior awarded a Certificate of Merit as a result of their outstanding performances in the 1957 - 58 National Merit Scholarship Program, according to Principal Jim L. Kidd of Morton High School.

Exa Kaye has received the Certificate which attests to the high academic promise of the students. High scores on two college aptitude tests led to the nationally recognized academic honors for the seniors. She is one of less than one half of one percent of the seniors in each state who received the award.

Exa is one of 7300 finalists in the current National Merit Scholarship competition which began last October with the testing of 256,000 of the nation's most able high school seniors. Over 1000 of the finalists will be awarded \$5 million in Merit Scholarships, as a result of the final judging now being conducted. Winners will be announced about May 1, 1958.

The names of the students will be sent to over 1500 colleges, universities, and other scholarship granting agencies for consideration for thousands of other scholarships.

## WEEKEND SNOW BRINGS HALF-INCH OF MOISTURE

A weekend snowfall that deposited about 5 inches of snow in Cochran County, followed by a drizzling Monday, added 49 inches of moisture to the County's already "good start" for 1958, according to the gauge at the Soil Conservation office.

Added with January's 1.27 inch moisture and February's .26, the total went over 2 inches for the

first 65 days of the year — a good bit above the average of the past few years.

Also helping to whet the farmers' appetite for a good crop year was the fact that the August - December rainfall last year was far above normal — all tending to add to the fine underground season.

And, the weatherman gave indi-

cations it wasn't going to let up. After a sunshiny afternoon on Wednesday, he promised a return of low clouds, fog and mist, if not rain, for the remainder of this week.

The hours are now from 8 a.m. until 5 p.m. on weekdays. The office is closed on Saturdays.

### Indian Track Team Promising; Several Lettermen Are Returning

Eddie Thompson won first in the district broad jump last year with a 21 foot 8 inch leap and took 3rd in Regional competition. He also was fourth in the district in the 100 yard dash.

Clayton Flanagan placed fourth in the district in the high hurdles. Bill Wood was fourth in the 220 in the district competition.

Butch Nairn, as a freshman, in the freshman division last year, copped 19 out of 22 points made by Morton freshmen.

Murvin Gathright, as a freshman in the mile run, running in the High School division, won 3rd in the mile run.

And Gary Willingham, running in the freshman division, copped 3rd in the 100 yard dash and 2nd in the 75 yard dash.

The bulk of the squad, minus the basketball players, have been

out this week.

By attending the school, Thompson said, the adult leaders will be eligible to teach tractor maintenance in a school to be held locally.

See (TRACK) Page five

### Adult Leaders Will Attend Tractor School

County Agent Homer Thompson and as many of his County 4-H adult leaders as can make it, plan to attend a two day tractor maintenance school in Lubbock next Tuesday and Wednesday.

By attending the school, Thompson said, the adult leaders will be eligible to teach tractor maintenance in a school to be held locally.

### Revival Meeting Will Conclude

The spring revival which began at the Morton First Baptist Church Sunday morning, March 2, will continue through Sunday, March 9.

Rev. W. L. Cass of the Greenhill Baptist Church of Snyder is conducting the services each weekday morning at 7:30 o'clock, and each evening at 8 o'clock.

Attendance is reported as good at both the morning and evening services.

The public is cordially invited to attend the services.

### School Close On Friday; Teachers Meet at Odessa

Morton Schools will be closed on Friday of this week it was reported by Supt. John Barnes.

Teachers will be in Odessa attending the annual spring teacher's meeting.

### Mission Band Will Direct Services at Church, Sunday

The Voluntary Mission Band from Wayland Baptist College will be in Morton at the Mission Church of the First Baptist, Sunday, March 9, and will have charge of both the morning and evening services.

Everyone is cordially invited to attend.

### Rainfall To Date

Rainfall Through March 5th — 2.02 inches

### City Hall Will Remain Open At Noon Hour

The City Hall is now remaining open during the noon hour it was announced this week by the office of the City Secretary.

Commissioners, Monday, decided that the office should remain open all day during weekdays in order to accommodate those who can find no other time to come by without getting special leave from their work.

The hours are now from 8 a.m. until 5 p.m. on weekdays. The office is closed on Saturdays.

### Gospel Meeting To End Sunday

Attendance is reported to be increasing at the Church of Christ, 202 Southwest 2nd, Morton, meeting now in progress.

Bro. J. P. Lusby, minister at Pleasant Valley, Amarillo, is conducting the services. Bro. Denton Thompson, minister, is leading the song services.

The meeting which began Sunday will continue through Sunday, March 9.

Services are week days at 7:30 pm and 7 pm Sunday.

Everyone is cordially invited to attend.

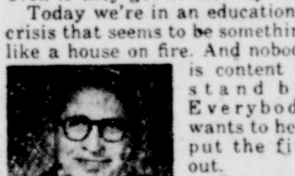

### Legion Will Meet

The regular first Thursday night meeting of the Jesse Bond American Legion post will be held tonight (Thursday) at 8 o'clock in the Veterans Hall here.

A possible program honoring post commanders will be considered.

## BETTER SCHOOLS AND YOU

When a house is on fire, most people are unable to just stand around and watch. They want to do something to put the fire out — even if they get in the way of the fire department.

Today we're in an educational crisis that seems to be something like a house on fire. And nobody is content to stand by. Everybody wants to help put the fire out.

Commendable as this is, there are certain dangers. If willing efforts prevent basic control of the situation, the house may burn down because of too many fire-fighters, not too few.

Since October fourth, when Russia shot at the moon, more people than ever before are interested in our schools. People who had almost abdicated their responsibility for schools are now advancing plans to improve our educational structure. Many of these plans are based on cursory study and little real understanding of how our schools operate and what they are trying to do.

Many state legislatures are now in session and high in the hupper are bills for education. Some of these bills may call for binding regulations on the curriculum. In such bills, I think, danger lurks.

The reason I say this is that it's much easier to get a law on the books than to get it off. If

our law-makers put regulations into effect which govern what should be taught throughout the state today, those regulations will hamstring many schools immediately and most school years from now when the present crisis has changed.

If curriculum laws are passed to deal with today's technological shortage, that's very much like pouring water on a burned-down house. The men who will build our moons are already through school. The children now in school need education that will fit them for the future of world leadership.

The public has a responsibility right now during these state and national legislative sessions to examine every proposed bill regarding education carefully. See if it is a stopgap measure for today or a piece of legislation that will benefit the future. Let's not have laws that will force a narrow education today on children who will have to deal with a broad future tomorrow.

## BETTER SCHOOLS BUILD BETTER COMMUNITIES

This week is Texas Public Schools Week. School patrons have been urged to visit their schools and see what is going on. In the past few months the importance of our educational system has been brought to the forefront.

In Morton the schools are no less important. If you are uncertain about some policy of the school; if you have a question concerning the operation; if you are interested in the financial structure — visit the school, not just this week, but any week and get the answers to your questions first hand.

**Lena Mills to Wed Carl Proctor**

GRIFFITH (Spl.) — Mr. and Mrs. John Mills of the Griffith community announce the engagement and approaching marriage of their daughter Lena Mae to Carl Proctor, son of Mr. and Mrs. Sam Proctor of Morton.

A double-ring ceremony will be held in the home of the bridegroom's parents on March 5 at 2:30 p.m.

After a short wedding trip the couple plan to make their home in Morton.

**Home Demonstration Agent**

MISS LEILA PETTY  
NATIONAL 4-H CLUB WEEK

Over two million 4-H'ers across the nation are celebrating National 4-H Club Week this week. Character development and good citizenship are the most important goals of 4-H members. In his message to Texas 4-H Club members, Governor Daniel said, 4-H Clubs have contributed much to the ma-

terial wealth of Texas and the Nation, but the Club members themselves are our richest resource. 4-H Clubs are a proving ground for the training of future leaders.

All 4-H Club members are expected to work on a home project or demonstration. The demonstrations are of such variety that whether girls and boys live in the country or in towns they are able to choose something they can do. Girls may take food preparation, canning, freezing, clothing, dress, home improvement, landscaping, poultry, gardening, safety, electricity, leadership, home economics, public speaking, recreation, dairy foods, stock, etc.

**COUNTY HD COUNCIL**

The Cochran County Home Demonstration Council will have its regular meeting at 2:30 on Thursday afternoon, March 11, in the Banquet Room of the County Building, Mrs. G. C. Keith, Chairman, will preside.

A meeting of the Texas Home Demonstration Committee will be held immediately following the adjournment of Council. Mrs. Arvel Snodgrass is chairman of this committee. Delegates to the district meeting of the Association will be elected at this time, also a County T.H.D.A. chairman.

Nominees for delegates to the District meeting are Mrs. Arthur Walker, Whiteface; Mrs. I. Z. Scroggins, Friendly Circle; Mrs. Arvel Snodgrass, Lahoma; Mrs. Ralph Harrison, F.O.R.; and Mrs. Joe Sutton, Lady Fair.

Nominees for County T.H.D.A. Chairman are Mrs. Arthur Walker and Mrs. Arvel Snodgrass.

The district meeting will be held in Big Spring on April 17.

**FREEZING AVACADOES**

Avacadoes are cheaper now than usual. You might like to freeze some for future use.

Avacadoes are best frozen as purees: unsweetened for salads & sandwiches, sweetened for ice cream and milk shakes. They are not satisfactorily frozen whole or sliced.

Select avacadoes that are soft ripe, not hard or mushy, with skins free from dark blemishes. Peel the fruit, cut in half, remove pit, mash pulp. Pack in one of the following ways:

Unsweetened pack: Add 1/2 teaspoon crystalline ascorbic acid to each pint of puree. Pack into containers leaving head space. Seal and freeze.

Sugar pack: Mix 1/2 cup sugar with each pint of puree. Pack into containers leaving head space. Seal and freeze.

**SERVE HOT POTATO SALAD**

Some like it hot, some like it cold potato salad, that is. Hot salad is made differently from the familiar cold salad, but is another appetizing way to serve potatoes in cold weather. Here's a recipe that offers 5 or 6 servings of 1/2 cup each.

Assemble these ingredients: 3 diced raw potatoes; 4 slices bacon; 1/4 cup finely chopped onion; 1 tablespoon flour; 1 teaspoon powdered dry mustard; 1 teaspoon salt; 1 tablespoon sugar; 1/2 cup water; 1 egg, beaten; 1/4 cup vinegar.

To make: Cook potatoes in a small amount of boiling salted water until tender. Drain. Cook bacon in fry pan until crisp. Remove from pan and chop. Using 2 tablespoons of the bacon fat, cook onions until golden brown. Blend flour, mustard, salt and sugar into the fat. Stir in the water and boil for 2 minutes. Add about 2 tablespoons of the hot mixture to the beaten egg, then stir this into the rest of the mixture. Add vinegar and reheat. Pour the hot dressing over the hot diced potatoes. Mix in the chopped bacon. Serve hot.

**CALORIES IN POTATOES**

Potatoes are filling, but not necessarily fattening. One medium-sized potato has about 100 calories . . . about the same as an apple, pear or banana. If you watch your weight, go easy on the trimmings. It's the gravy, butter, or other fat that piles up the calories.

**PRUNING SHRUBS**

When to prune shrubs is a problem which concerns many home owners.

An easy rule to remember is this: if shrubs bloom early, prune them early. The reason is fairly obvious. Early blooming shrubs start forming buds for next year's flowers right after their petals fall in the spring.

Incidentally, the jasmines now in bloom would all be improved considerably if all dead branches were removed.

Something to remember should another heavy snow fall in this area. Brush the snow off of shrubs and small trees. Many evergreens were permanently injured because the heavy snow split the limbs. The snow is beautiful on the shrubs but the weight is too much for the branches to bear.

**VISITED HERE**

Carrol Shelton of Beaver, Okla. spent Sunday until Tuesday visiting his parents Mr. and Mrs. J. C. Shelton and sister Mrs. Kenneth Watts and family.

 Mr. and Mrs. A. C. Stanley of Seminole spent Monday and Monday night with Mr. Stanley's mother, Mrs. L. W. Barrett and Mr. Barrett.

There are some service stations where your car's battery will be treated like a stepchild. The attendant forgets all about it. But not at Phillips 66 Stations! Among the first things we look at when you drive in is that very important little character—your battery. We check the water, inspect the terminals, give it loving care. After all, if it goes dead... so does your car. When you do need a new battery, we'll install a powerful new Phillips 66 Trop-Artic® Battery, and we'll back it with a written guarantee! Drive in and see us soon. You'll like our service... and our products!

**WASHINGTON AND "SMALL BUSINESS"**  
 By C. WILSON HARDER

From all reports, from all over the nation, this past holiday season postal service was the slowest, most inefficient in history.

Actually, it was not the fault of the postal employees, as their still aching backs will bear witness.

Called "junk mail," illegitimate mail, or any other name, it is becoming increasingly apparent that the amendment to the postal rate increase bill by Rep. Rhodes of Pennsylvania is a very sound one. His amendment provides that no one user of the second or third class mails shall be subsidized more than \$100,000 in a year.

Writing in the Denver Post, that great newspaper's outstanding columnist, Kessoe Fleming, recently reported some weird happenings in post office of Mile High city while holiday mailing rush was getting underway.

One big food company decided to send through the mail free samples of mashed potatoes to Denver householders. The samples weighed 5.5 ounces, or three to a pound. Thus on basis of 200,000 home deliveries, Mr. Fleming estimates weary postman toled around 66,000 pounds, or 33 tons of mashed potatoes.

The huge company that perpetrated this feat for the million paid at the rate of 4.5 cents per package, or a total of around \$9,000, which figured out less than 14 cents per pound.

"By contrast," wrote Mr. Fleming, "We, the ever lovin' people pay about \$1.20 per pound to send first class and air mail."

Pointing out that the Post Office Dept. claims that junk mail in 1936 cost a half billion more to handle than was paid for this service, Mr. Fleming reported that right while the mashed potato storm was in progress, an agent for the junk mail industries came to Denver and insisted the junk mailers are not subsidized. It's really the people who are subsidized because of all the junk they get for nothing.

Thus, his contention was that people should be grateful for this free junk, forgetting that out of their tax money this year will come at least \$600 million to pay for this service.

Of course, pending before Congress is a bill to raise first class postage to four cents. First class makes money for the post office, hence the aim to increase profit making end of the business is asked. On several occasions national independent businessmen, looking through the National Federation of Independent Business, have opposed such a move.

Thus, the amendment to the bill put on it by Rep. Rhodes seems as most important. Thus, for example, some of the big national magazines now subsidized up to as much as \$10 million per year would have to pay for this service after the first \$100,000 worth of subsidy. Obviously, they are going to battle this.

Likewise, so will concerns such as the huge soap company which spent \$500,000 plastering the nation with sample boxes of a new detergent, which cost the taxpayers \$1,500,000 over what the soap company paid. Also of interest will be editorial stand of big magazines on this issue. It's kind of difficult to urge economy one week, a subsidy for self the next week.

**Volleyball Meet Again Sponsored At Pep School**

The annual "Outsiders" Volleyball" tournament has been set for Pep, Texas, March 21-22. It was announced last week by James Dietsing, senior class president.

The tournament is sponsored by the Pep Senior Class.

Teams interested in playing should write Dietsing, Senior Class President, Pep, Texas, at Pep School.

The phone number to call is WEBster 3-2182.

The following information is required: name of team, name of place, distinguish between the men's and women's teams and the name of the manager—his address and telephone number.

Teams are urged to enter as quickly as possible.

**force.** That is a far cry from the 14 per cent unemployment figure that Texas knew in the worst of the depression. But the man who is out of work today cannot find much comfort in the knowledge that many more men were jobless during the depression.

The major part of the unemployment is in small businesses, on farms and in small towns.

Small business enterprises are still in a disturbing rate. In Texas last year, there were 466 small business failures—which is 44 per cent above the 1956 figures and close to twice the number of such failures in 1954.

These are facts. It would be foolish to ignore them. They do not in my considered opinion, call for pessimism about the future. They do call for careful, prudent study and for positive, soundly conceived action to prevent our nation from sliding down into really hard times.

Congress is aware of the problem and to take steps to meet it is not to express any loss of confidence in the future of the country.

We can assure the future by tackling head-on the problems of the present. That is what Americans have always done. It is a procedure that has always worked out successfully. We have every reason to feel confident it will work again.

**AT AUCTIONEER'S SCHOOL**

John E. (Tubby) Holloman left by plane Saturday for Kansas City where he is attending auctioneer's school. He expects to return in approximately two weeks.

**For Sale**

Tongue and groove edges and wide nailing flange simplify modernizing with Forestone acoustical tile. New fissured pattern blends perfectly with walls and furnishings. Tiles are nailed or stapled to lurring strips. A 10 by 12 ceiling can be beautified for around \$31.

**U. S. SENATOR RALPH YARBOROUGH** (right) and Guy Jackson of Anahuac, president of the National Reclamation Association, turn the globe to Texas in discussing reclamation problems. Both attended a meeting of the Senate Interior and Insular Affairs Committee where Senator Yarborough called for action on an irrigation project for Cameron County.

It's like getting back 15¢ on every gas dollar!

Here's the biggest savings story of the year! And here's why.

It all starts with Ford's new dream of a drive called Cruise-O-Matic... the newest, most versatile, most automatic of them all! Two new driving ranges let you choose your starts for the road conditions that exist. For example, in most of the driving you'll do, you can take off slowly as a spring lamb if you wish. And on snow, ice or any slippery road surface, with the extra driving range you can get sure-footed starts that are steady and silky-smooth.

Now, team this all-new automatic with Ford's new Thunderbird-powered V-8 (with up to 300 hp) and you get as much as 15¢ better gas mileage, too! That's because a special gas-saving rear axle ratio is used to give you all the savings of "built-in" overdrive economy.

And based on factory suggested retail delivered prices, a Cruise-O-Matic Ford is priced lowest of the low-price three with comparable equipment.

So, with Thunderbird go... down-to-earth gas savings... plus Ford's traditionally low prices and high resale return... you have the best reasons in the world to make yourself a deal on a beautiful new Cruise-O-Matic Ford!

COME IN, ACTION TEST A

(continued from page one)

working out four weeks and have already entered two practice meets.

The Indians fared very well even without Flanagan, Wood, Thompson and others on the basketball team. They were third in the triangular meet with Levelland and Brownfield but later copped first place in a three way meet with Lockney and Idalou.

The coaches have had terrific response to the track call with perhaps the biggest group of boys to ever turn out. With the possibility of fielding a real strong team in track meets — instead of just a few individuals — Morton offers fans a real fine show if they will come out to the meets. The coaches have issued a call to sports lovers to be sure to attend some of the meets. A schedule will be released as soon as possible.

Here is a list of the boys on the roster and what events they will compete in:

Clayton Flanagan, hurdles, high jump, shot put, and discus throw.

Joekie Brown, hurdles.

Perve Seanes, hurdles, 100, 200, and 400 and 440 relay and mile relay.

Cyde Brownlow, hurdles, high jump, broad jump, and the dashes and 440 relay.

Butch Nairn, hurdles, broad jump, 100, 200 and 440, discus, the shot put, and the relay teams.

Bill Wood, hurdles, and distance run, 440 or other dashes.

Dick Christian, hurdler, dashman, relayman.

Bob Pehoun, hurdler.

Gary Middleton, high jumper, broad jumper.

Jeff Jones, high jumper, broad jumper.

Ray Tucker, high jumper, sprinter and relayman.

### J. E. Harrells To Attend Lecture Series

Rev. and Mrs. J. E. Harrell of the Morton First Methodist Church will attend the Willson and Denton lectures to be held at McMurry College, Abilene, March 11-14.

Presenting the Willson lectures will be Dr. Fred Hollaway, president of Drew University, and R. Umphrey Lee, chancellor of SMU.

Giving the Denton lectures will be Dr. George Fallon, chairman of the Evangelism of the Methodist church.

Rev. and Mrs. Harrell will leave here Monday. The lecture will close Friday.

Tommy Morrison, high jumper, dashman, and relayman.

Paul Zuber, high jumper, broad jumper, dashman, and relayman.

Eddie Thompson, broad jumper, dashman and relayman.

Bob Christian dashman and relayman.

Dewayne Miller, dashman and relayman.

Bill Foust, dashman and relayman.

Bill Ed Thompson, dashes and relays.

Jim St. Clair dashes and relays, discus and shot put.

Freddie Thompson mile relay & shot put.

Richard Houston, 440 yard dash.

Jimmy Collins, dash, relay, discus and shot put.

Earbest Wilson, 440 yard dash, mile relay, 880 yard run, shotput.

Hanna, 440 yard dash.

S. Hawthorne, 440 yard dash.

Max Hawthorne, 880 run.

Gandy, shot put, discus.

Hoffman, shot put, discus.

Lacey, shot put, discus.

Murvin Gotbright, mile run.

Gary Coffman, mile run.

Ed Gattis, mile run.

Ewene Tarleton, mile run.

Bill Gray, mile run.

Davis, mile run.

Of course, these are only tentative events for which the boys are competing. They won't all compete in all these events listed, nor will they necessarily compete in any.

### ENMU Band Plans Tour of Area High Schools

PORTALES, March 5th (Spl.) — The tenth annual tour of the Eastern New Mexico University concert band will open with a home concert Sunday (March 9) at 3

p.m. in the University theatre. The public is invited to hear the group before it begins its 14 concert spring trek.

Although Morton is not on the tour agenda this year, Morton does still have a Morton boy on the tour, Johnny Stockdale is a member of the band.

High schools in Melrose, Throckmurt, Ft. Sumner, Hobbs, Ed, Phantales and Clovis in New Mexico, and Amarillo, Friona, Muleshoe, Oilton and Littlefield in Texas will hear the band under the direction of Floren Thompson.

Directing the tour is G. Walter Scott, dean of admissions.

# FREDIA BOYKIN, DON LOWE EXCHANGED VOWS IN CEREMONY AT FIRST BAPTIST SUN., MAR. 2

MRS. DON LOWE

Marriage vows were repeated at 3 p.m., March 2, at the First Baptist Church of Morton, uniting Miss Fredia Boykin, daughter of Mrs. Mary Boykin of National City, Calif., and Don Lowe, son of Mr. & Mrs. Jack Lowe of Maple.

The Rev. A. R. Coleman of Morton performed the double-ring ceremony before an archway of tall baskets of yellow roses. The white carpeted bridal aisle was lit with cathedral tapers entwined with white satin bows.

Miss Christine Gray of Morton was the pianist who accompanied Miss Sara Jo Wallace of Morton as she sang: "Because," "I Love You Truly," and "Whither Thou Goest."

Given in marriage by her grandfather, the bride wore white French chantilly flounce lace and nylon tulle over net and edged at the back with tiny lace covered buttons. It was designed with scalloped portrait neckline embroidered with iridescent sequins and seed pearls. The sleeves coming to a point at the hand had tiny lace covered buttons at the wrist and were trimmed to match the neck.

From the bodice, a panel of nylon tulle ruffles inset the front skirt and was accented by an overlay of scalloped edge lace which swept into a cathedral train. Her tiered veil was embroidered with iridescent sequins and seed pearl trim.

The bride carried yellow roses atop a white Bible. She wore the wedding dress which belonged to the sister of the groom for the something borrowed; a garter for the something blue; white pearls given her by the groom as the something new and her mother's wedding band as the something old. She also wore a penny in her shoe.

Candle-lighters were Herbie Greener of Pop and Tootie Hodnett of Goodland.

The Maid of Honor, Miss Jackie Outlaw of Abilene, wore a waist-length dress of yellow organza chiffon, fashioned with a princess style and neckline over tulle. Her matching tulle was made of tulle and seeded pearls. She carried yellow carnations encircled by lighter yellow ribbon cascading from the bouquet.

Attending as bridesmaids were Mrs. Wayland Altman, sister of the groom; Mrs. Arlen Simpson and Miss Myrlan Cox, all of Morton. They wore identical dresses and tiaras and carried bouquets. J. L. Hutcheson of Maple and Mike Lyles of Brownwood, cousins of the bridegroom, were ring bearers. The rings were tied to canes with ribbon.

The flower girls, Roquetta Mitchell and Diane McCasland of Morton wore identical yellow organza with pearl trimmed bandeau. They carried baskets of rose petals. Ronald Coleman of Morton served as best man. Groomsman were Mickey Sowder of Lubbock, Buck Tyson of Maple, and Glen Lowe of Maple, cousin of the groom.

Following the wedding a reception was held in the home of the Harold Drennans.

Miss Maryellen Thompson presided at the white leather brides' book.

The table was laid with full skirted, yellow, floor-length cloth. Crystal appointments completed the setting. The five-tiered wedding cake was topped with a miniature bride and groom. The bridesmaids bouquets decorated the table. Miss Delores Stephenson and Miss Towana Cravens served the cake and punch.

For going away the bride chose a navy and white cotton knit suit with red patent accessories, white hat and gloves, and her corsage from her bouquet.

The bride is a graduate of Morton High School and the groom is a graduate of Three Way High School and attended Texas Tech. The newlyweds will make their home in Goodland where he is engaged in farming.

## Southern Baptists Plan Evangelistic Crusades for Area

A meeting of the Southern Baptist Churches of Hockley and Cochran counties was held in the First Baptist Church of Ropesville on Thursday, Feb. 20. Beginning at 4:30 p.m. with a meeting of representatives from the sixteen churches and two missions comprising the Hockley Cochran Baptist Association, the meeting was presided over by Rev. Gaston Green of the First Baptist Church of Sundown, Texas.

In this meeting much business was transacted and plans were outlined for a Simultaneous Evangelistic Crusade. A steering committee was elected to make detailed plans and promote the Crusade in this area. Rev. J. B. Hennigan of Fellowship Baptist Church is Chairman of Evangelism. Those on the steering committee are: Rev. Calvin White, Trinity Baptist of Levelland, Prayer chairman; Rev. Maple Avery, First Baptist of Levelland, Census chairman; Rev. M. D. Durham, Whitharral, Enrollment chairman; Wayne Clark, Sundown, Publicity chairman; Rev. R. C. Guest, Fairview, Fellowship chairman; Rev. John Cole, Ropesville, Finance chairman; Rev. Gaston Green, Sundown, Attendance chairman; Tom Williams, Blodsoe, Music chairman.

The program for the evening was on "Evangelism." It was climaxed with a challenging message on "Personal Evangelism" by Rev. J. B. Hennigan, a stirring message on "The Church and Evangelism" by Rev. Gaston Green, a testimony by Bill Knight of Fellowship and Mick Green playing "The Old Rugged Cross" on his steel guitar.

The highlight of the evening was a challenging and interesting message on "Evangelism" by Dr. C. B. Jackson of Dallas. In the message he demonstrated the simplicity of winning a lost person to Christ. He closed by asking all of those present to covenant with him to witness more for Christ. A great number of people accepted this challenge.

Four Morton people were on hand representing two local churches.

From the Morton First Baptist on hand were Mr. and Mrs. Walter L. Taylor. From the Immanuel Mission Baptist church were Rev. A. R. Coleman and Mrs. Bruce Keller.

## REGIONALS -

(continued from page one)

15 points to Plains from the foul line and herein lay the defeat.

Morton fans weren't bitter — merely disappointed. Perhaps a foul or two difference in the game would have given the Indians a victory. Certainly there were several instances where Mortonites felt a foul was made but not called. But the overwhelming feeling was that we had plenty of shots — enough to win, — and simply were 'cold' from the field.

Biggest damage was done by Jim Williams, 6 foot 3 inch Cowboy center who tossed in 9 field goals and 7 free throws for 25 points. He grabbed off 13 rebounds, the same number as Gattis. Harmon Meixner added 12 points and Duane Rowland had 7 for the winners. For Morton, Gattis had 13 points, Flanagan 12, and the other four each had 4 points.

Not a single Morton first stringer hit his season average or better though Clayton Flanagan and Eddie Thompson came close. It was the first quarter that dealt Morton so much misery. They trailed 6 to 0 and 13 to 2 before Gattis, ad-

ded three points for a 13 to 5 score.

The Indians outscored Plains 13 to 11 and 12 to 9 in the next two periods but those free throws piling up, hurt considerably. Even so, by the early three minutes of the 4th quarter Morton had taken its first lead, 35 to 33 and stretched it to 37 to 33. Thereafter, Plains got a total of 11 free throws, cashed in on 8 of them, and pulled away while the Indians tried vainly not to foul. For the final three periods Morton had a near 300 shooting mark but they couldn't erase that 2 baskets in 18 attempts in the first quarter.

Gattis was the lone Mortonite singled out for all-regional honors.

Morton out-rebounded the Plains team, 39 to 28, counting only the clearcut rebounds. However, some sportswriters give a rebound to the man who comes down with the ball, regardless of whether or not he is tied up before he can get rid of the ball. Williams did come out

with a number of rebounds that were tied up. Plains made 21 errors to only 12 for Morton, one of the Indians better games on erring.

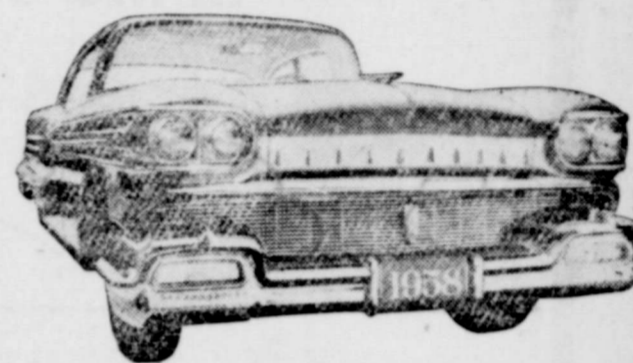

Plains went on to win the night game from Gruver who had upset Big Lake in the other morning game. Thus, there is a slight possibility that the state champion Class A team will be one Morton had beaten twice. However, the Plains team, won't be conceded too much chance to win the title. That 40 per cent shooting that prevailed in both the morning and night game, could give them the championship.

## Certified Growers Meeting Friday At Aggie Auditorium, Texas Tech

The annual meeting of Certified Growers will be held in the Aggie Memorial Auditorium, Texas Tech, Lubbock starting at 1:30 p.m. Friday, March 7. The meeting will end at 12:00 noon, Saturday, March 8.

Dean W. L. Stangel, Texas Tech will give the welcome and open the meeting at 1:30, immediately after registration.

The following topics will be discussed: Use of Winter Growth Test Plots in Merchandizing Hybrid Sorghums by Jim Lindsey; New Varietal Releases and Comments on Winter Test Plots by Dr. Lee Coffey, Agronomist, College Station, Texas; Current Status of Rules & Regulations by a representative of State Seed and Plant Board; Hybrid Sorghums by Dr. N. W. Kramer, Agronomist, Experiment Station, Lubbock.

Honorable John C. White will speak at a banquet on the Campus at 7:00 p.m. Friday night to coincide Friday's program.

Saturday's session will open with a film on Hybrid Sorghums. Then Mr. Ellis Taylor, Paymaster, Texas Tech, will give Trends in Use of Hybrid Sorghum Seed followed by Potential Utilization of Sorghum Grain by Bill Nelson, Grain Sorghum Producer's Association, Amarillo.

A representative of the Texas Agricultural Extension Service will

## Whiteface Schools Observe Week By 'Open House'

WHITEFACE (Spl.) — The Whiteface School observed Texas Public School Week this week. The school held an open house Tuesday evening, from 6:00 to 9:00 p.m. Each room had one exhibit of work the students had done during the year.

Literature on modern day education entitled, "Hogs, Ax Handles, and Woodpeckers," was given to the parents. A new N.E.A. (T.S.T.A.) film was shown to the visitors. The film subject presented the education of a teacher as a special kind of education. Cookies and coffee were served.

give details on the Texas Hybrid Grain Sorghum Contest. Dr. J. D. Bilbro, Research Agronomist, Experiment Station, Lubbock, will give "Cotton for 1958." Dr. H. E. Smith, Plant Pathologist, Texas Extension Service will discuss Plant Diseases. The meeting will close with a 30 minute business meeting.

## Sundown Is Host To Whiteface Girl Scouts & Brownies

Sundown Girl Scouts and Brownies were hostesses to Whiteface Girl Scouts Saturday, February 22 from 1:30 to 4:00 in the Sundown gym.

After playing games and singing songs, refreshments of cake & punch were served. The Brownies from Whiteface presented a play.

Those attending were Sue Abbott, Linda Baker, Judy Cooksey, Peggy De Smet, Lee French, Cindy Jo Fridley, Stacy Gainer, Beverly Hill, Linda Howell, Elaine Howell, Kay King, Mickey McKissack, Katy Mitchell, Patsy Perrin, Cindy Salsar, Carolyn Samsel, Shirley Summerlin, and Elaine Stone.

## Burnie Mills, Wife Honored With Going Away Fete

A "Good Luck" and "Hurry Back" dinner for Mr. and Mrs. Burnie Wayne Mills was held Sunday afternoon in the home of Mr. and Mrs. John Vandeventer of Morton.

Mrs. Mills is the daughter of the Vandeventers. Her husband, Burnie, was inducted into the Army on Monday and left for Amarillo for basic training.

Guests at the dinner were Mr. and Mrs. C. S. Vandeventer of Enochs; Mr. and Mrs. Chester Petree and boys of Maple; Mr. and Mrs. Jack Burris of Levelland; Mr. & Mrs. Gilbert Gilliam and children of Morton; Mr. and Mrs. Calvin Johnson and children of Griffiths; Clyde Ward of Morton; Mr. and Mrs. Cecil Kirk and daughter of Morton; and Mr. and Mrs. John Mills of Griffith, Burnie's parents.

## Worth Marshall Accepted Into Tech Fraternity

LUBBOCK (Spl.) — A Morton student at Texas Tech is among 21 new initiates to Delta Sigma Pi professional business fraternity at Tech, according to an announcement recently released.

Worth Marshall, son of Mr. and Mrs. T. D. Marshall, and a Junior Finance major, at Tech, was the only Cochran Countian. An overall 1.25 grade average was one of the requirements for admission into the fraternity.

## Cancer Films Available for Club Showings

Mrs. Otha Denny, who is County Cancer Fund chairman, once again reminded all clubs this week, any club interested in showing of cancer films may do so by contacting her or Mrs. Willard Cox. Mrs. Denny said it takes three weeks for the films to arrive after the date of ordering. If the club will only let her know in plenty of time, the films will be here for the proper meeting.

### NEW TAXES IN SIGHT

## OIL FLOW RESTRICTIONS ARE CUTTING INTO STATE'S INCOME

By VERN SANFORD

AUSTIN - What will happen to Texas without a sure flow of oil money to grease the wheels of government business?

(Only this week the State Board of Education set a 4% per cent average increase in what taxpayers will pay in the 1958-59 minimum foundation school program.)

(A Texas Legislative Council Committee is now studying the possibilities of a sale tax or a state income tax for presentation to the next regular session of the Legislature.)

March oil allowable was set at 2,517,249 barrels a day (a drop of \$1,814 barrels a day from February) with only nine producing days. Railroad Commission said the cutback to the lowest level since pre-World War II days was necessitated by excess stocks.

Over-supply developed this way, according to officials; Texas production was shoved to record highs a year ago to supply Europe while the Suez Canal was closed. Then Suez reopened, Middle East Oil flowed to Europe again and Texas was left holding unwanted surplus. Further aggravating the situation was the "outlet" of foreign oil into the U. S. as a part of a market from Texas production.

Digging into causes and effects in Gov. Price Daniel's Oil Imports Study Commission. At first-round hearings in Austin these views were presented:

By Gov. DANIEL - Texas is facing its most serious economic threat in 25 years. "Mandatory federal controls" are apparently the only way to stop excessive importing.

By State Comptroller ROBERT S. CALVERT - Continuation of the present oil production pattern for another 30 days would put the state \$20,000,000 further in the red by the end of the current fiscal period. This would mean a \$32,000,000 shortage rather than the \$12,000,000 deficit estimated earlier.

By MAURICE ACRES, Texas Employment Commission - Employment in the Texas oil industry has declined 8,000 since last July. A drop of five per cent in oil employment takes 250,000,000 in wages from the Texas economy.

By A. T. MULLINS, General Land Office - One company has said it will stop seeking oil from state-owned lands, and others have said they will, unless the state reduces lease prices.

By J. WARREN HITT, Texas Education Agency - Approximately 31.3 per cent of state school money comes from the oil and gas industry.

By MARSHALL FORMBY - Texas Highway Commission Chairman - Reduced oil production would eventually cut back construction of highways.

By JOHN H. WINTERS, Commissioner of Public Welfare - Loss of oil revenue could reduce payments to the aged, the blind and dependent children.

By Rep. MAX SMITH, House Appropriations Chairman - Next Legislature faces the prospect of spending money it doesn't have or finding new sources of taxation.

Dr. PHILIP E. COLDWELL, Dallas Federal Reserve Bank - Imports are only partly to blame for Texas oil troubles. Problem of oversupply is world-wide and likely will continue for some time.

French Robertson of Abilene is chairman of the Study Commission. Gov. Daniel called hearings held today "very successful" next meeting is to be March 18 in Abilene.

Meantime, the governor has wired governors of 20 other states asking them to join in the effort to get federal government action limiting imports.

PRISON FARM COTTON CUT - Texas taxpayers face an extra burden unless the Prison System can get a more favorable cotton acreage allotment, says Gen. Mgr. O. B. Ellis.

Ellis protested to the U. S. Dept. of Agriculture that acreage for prison farms has been cut disproportionately, costing the system \$2,500,000 in income.

CREDIT ORDER HOLDS - Credit insurance rates in Texas will be slashed by about 50 per cent beginning May 1 - despite protest from affected companies.

### Kiwanka's Name New Officers

The Kiwanka Camp Fire Group met Tuesday, March 4, in the home of Mrs. E. O. Willingham.

The girls elected officers for the next three months and they are as follows:

President, Eva Jane Mapes, Vice President, Nancy Jackson; Secretary, Deanie Doty; Reporter, Shirley Turney; Song Leader, Evelyn Butler.

The girls present were Linda Ly-

### Circleback Baptist Revival Announc'd

A cordial invitation has been given the public to attend a revival meeting starting Friday, March 28, and continuing through Sunday, April 8, at the Circleback Baptist Church, Circleback.

Rev. Crome Merritt, evangelist of Progress, will preach at the 10 a.m. and evening services. Prayer service will begin at 7:45 each evening with song service following at 8:35 o'clock.

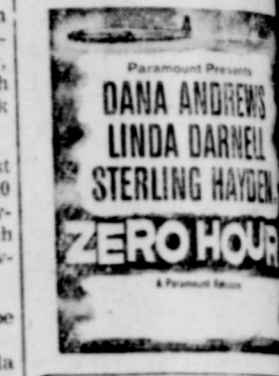

John Leverett of Lubbock will be in charge of the song service.

Rev. G. W. Fine, former Bala pastor, is the pastor at Circleback.
