SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Some good results are coming in where sprinkler irrigation is used. Grain sorghums can be planted in close rows either on dry lands or irrigated land. On dry land, usually the seeding rate is increased only a very little. On irrigated land, best results are obtained by increasing the seeding rate to about double the normal rate and using a high nitrogen fertilizer.

H. E. King, a cooperor with the Cochran Soil Conservation District, planted about 25 or 30 acres of grain sorghums last spring in 14 inch rows and obtained some interesting results:

The field had been cropped in cotton and grain sorghums for the last few years. In the fall of 1956, barley was drilled in the residue of grain sorghums after it was combined and fertilized with nitrogen fertilizer. Last spring Mr. King harvested about 20 bushels of barley per acre and immediately stored the barley residue, ran a tandem over it, applied approximately 200 pounds of nitrogen fertilizer (13-0-0) and drilled the grain sorghum in 14 inch spacings. The grain sorghums were irrigated with a sprinkler system and the only cultivation they received was one trip over with a narrow when the grain sorghum was a few inches tall to help control weeds. After that the grain sorghums grew the weeds, and being close spaced and having more cover on the ground, shaded the weeds out.

When the grain sorghum was harvested it averaged about 4637 pounds per acre. The same variety of grain sorghum in 20 inch rows and no fertilizer averaged about 1625 pounds per acre.

The 522 pounds of extra grain sorghum was not the only increase considering about twice as much residue was left on the soil for protection and rotting to become organic matter, plus, the 20 bushels of barley that was harvested, and the added protection and cover from the residue, plus the fact that it took about two thirds less time and expense to cultivate the close-spaced grain sorghum, especially his hybrids, in close spaced rows.

Saturday Is Deadline for Reservations For Tour Of South Carolina Textile Mill, With Area Cotton Growers

LUBBOCK - A March 15 deadline for reservations has been set by the Plains Cotton Growers, Inc., The Plains Ginners Association, and the Lubbock Cotton Exchange on a proposed cotton textile mill tour at Greenwood, S. C., April 21-25.

Roy Forkner, chairman of the tour committee, said a deadline date for accepting reservations is necessary in order that American Cotton Manufacturers Institute, who will be host to the tour group, may be notified how many will make the trip and arrangements be made accordingly.

The tour is open to farmers, ginners, buyers or others in the cotton industry and open both to men and women. The group will leave Lubbock by chartered airplane early the first day, arrive in Greenwood at 10:30 a. m. The second day and morning of the third day will be spent in mill tours and the group will depart for Lubbock the afternoon of the third day.

Estimated cost of the tour is \$140 per person. A deposit of \$50 should accompany each reservation. Checks should be made to "Plains Mill Tour", in care of the Plains Cotton Growers, Room 220 Lubbock National Building, Lubbock, Texas.

A \$10,000 accident policy will be furnished and deposits made on reservations will be returned if it is impossible for someone to make the tour.

One of the purposes of this tour is to see how cotton is being used in mills and acquaint producers with the industry.

FORMER BULA TEACHER ON DALLAS PRESS PROGRAM

Mrs. Orie B. Wilson of Wheeler, former Bula teacher and co-author with Mrs. Cleo Tom Terry of "The Housewife Tree" will appear Saturday on the North Texas District, Texas Woman's Press Association meeting at Vick's Restaurant in Dallas.

TEXAS DAY PROGRAM WAS FEATURE OF RECENT TOWN AND COUNTRY STUDY CLUB MEETING

The Town and Country Study Club met at the County Activity Building with Mrs. Alton Ainsworth, Mrs. Tom Williams, Mrs. Max Bowers, Mrs. Jim Kidd and Mrs. Elmo Smith as hostesses.

The program was the Texas Day program entitled "Mt. Ladies Fashions." Mrs. Bill Glassford gave a report on the "New Legislation." Following this was a style show portraying the fashions during the history of Texas. Mrs. Smith acted as narrator with Mrs. Don Sanford portraying the Indian; Mrs. Max Bowers the Spanish period; Mrs. Alvie Harris and Mrs. Keith Kennedy the Colonial period; Mrs. Smith the "Flapper."

Tunisian President Habib Bourguiba

Prime Minister Habib Bourguiba of Tunisia was born August 3, 1903, in Monastir, Tunisia. His father was a Tunisian Army officer, and his grandfather was one of the leaders of a rebellion in the nineteenth century against illegal taxes. Bourguiba studied at the College Sadiki and the Lycée Carnot in Tunis and at the Faculté de Droit in Paris. After his return from Paris he worked with the Destour party, representing nationalist opposition to the French, until, convinced that the party was not working for the Tunisian people, he formed the Neo-Destour party in 1934.

He spent the next eleven years working for Tunisian independence although often jailed by the French. After World War II, Bourguiba continued his efforts and in 1949 the Neo-Destour party sponsored a cabinet in Tunis after the French agreed to discuss "internal autonomy" for Tunisia. But in December, 1951, the French announced that they intended to keep Tunisia indefinitely under French rule. In January, 1952, the Tunisians appealed to the United Nations, and France retaliated with a series of repressions and Bourguiba was again jailed. In 1954 Premier Mendès-France started negotiations with a new nationalist cabinet formed by the Neo-Destour party for internal autonomy in Tunisia.

Home rule for Tunisia was announced on June 3, 1955, and Bourguiba returned home in triumph March 20, 1956, the independence of Tunisia was declared and on March 25, representatives were elected by the Tunisian people to a Constituent Assembly. Bourguiba was selected to serve as Minister of Foreign Affairs and Minister of Defense, as well as to hold the post of Prime Minister.

Prime Minister Bourguiba has said of Tunisia, "the liberty of individuals and of nations is sacred in our eyes." A part of Tunisia's foreign policy is the end of the Algerian-French war. Bourguiba has said frankly that a weakness of the West is that it includes colonial powers who are trying to maintain their rule over other peoples by force.

Mrs. Ralph Burt Is Hostess for Lehman HD Club

The Lehman Home Demonstration Club met in the home of Mrs. Ralph Burt on March 5th with 4 regular members and the Home Demonstration Agent, Miss Perry, in attendance.

Roll call was answered with "a fashion note."

Miss Perry gave an interesting demonstration on new fabrics, its use and care.

Refreshments of strawberry short cake and hot chocolate were served to Mesdames Edward Brumby, F. L. Fred, Tim Brooks, Miss Perry, and the hostess, Mrs. Ralph Burt.

The next meeting will be in the home of Mrs. Fred on March 15 at 2:00 p.m. All the ladies in the Lehman Community are invited.

Home Demonstration Council Names Delegates to District Meeting

The Cochran County Home Demonstration Council met in regular session in the banquet room of the County Activity Building at 2:00 p.m. on March 11th.

Mrs. G. C. Keith called the meeting to order. Twelve officers and members answered the roll.

The first order of business was to elect a secretary - treasurer to fill the vacancy created by the resignation of Mrs. Woodrow Self. Mrs. Lonzo Scoggins was elected.

The appreciation supper for the Commissioner's Court was discussed and was set for May 16th.

The T. H. D. A. chairman for 1958 was elected. Mrs. Arvel Snodgrass was reelected.

Mrs. Arvel Snodgrass, Mrs. Arthur Walker, and Mrs. Lonzo Scoggins were elected as delegates to represent Cochran County at our District 2 THDA meeting in Big Spring, April 17.

Miss Petty discussed the military workshop that she is attending at Texas Tech. She showed some of the hats she is working on.

She also announced tentative plans for a drapery workshop later this month.

She reported the ladies who replenished chairs at the recent workshop were very pleased with what they learned.

Guild Continues Study of 'Mark'

Mrs. Bill Wood was hostess to the Wesleyan Service Guild on Monday night in the recreation room of the First Methodist Church.

Mrs. Raymond Ross gave the invocation and benediction at the opening and close of the meeting.

She also conducted a business session, at which time members decided to furnish carpeting for three of the rooms in the educational department.

The study, "The Gospel According to St. Mark" was continued by Mrs. Fred Stockdale.

Refreshments were served to Mesdames Ross, Wood, Stockdale, J. R. Kuykendall, Carl England, Hardy Rhyme, E. O. Willingham, Ethel Raney, Ed Howell, L. V. Trantham, Joe Seagler, Alton Ainsworth and Miss Leila Petty.

The next meeting will be held Monday night, March 24, in the church with Mrs. John L. McGee as hostess.

Methodist Ladies Begin New Study

Fourteen Methodist Women met at 2:30 Tuesday afternoon, March 11 in Fellowship Hall of the First Methodist Church, to begin the fourth W. S. C. S. study of the year, "The Gospel of Mark."

Mrs. John Crowder, who studied the course in the School of Missions last August is teaching the course.

As background material such questions as who, what, why and to whom were answered. The first four chapters of the gospel were read and discussed by the group.

Those present for the meeting were Mesdames John Crowder, L. E. Hargrove, Elizabeth Greer, J. W. Covington, Leon Stinson, J. N. Burnett, E. L. Cox, D. E. Benham, A. S. Key, H. S. Hawkins, Paul Gunter, Curtis Chapman, E. C. Newman and W. W. Smith.

Barrett, Henry Are New Appointees To Hospital Board

L. W. Barrett and Willard Henry took seats on the Cochran County Hospital Board at the regular meeting Tuesday at the Hospital.

The two new board members only recently accepted positions on the Board. Barrett replaces J. W. McDermott, and is an appointee of Dan Holloman, Commissioner of Precinct One. Henry replaces E. C. Wynn, of Precinct Four and is an appointee of Commissioner So-nars Dewbre.

The two men attended the first meeting since their appointment. Tuesday and a full board was on hand to transact business.

Gase Knox is Chairman of the Board and Tuesday, C. B. Evans was elected permanent secretary of the Board.

Other members of the Board are J. C. King and F. L. Fred.

Gwen Baker Is Engaged

Mr. and Mrs. Jack Baker announce the engagement and approaching marriage of their daughter, Gwendolyn, to Billy Doyle Simpson, son of Mr. and Mrs. Bill Simpson of Star Route, Baileyboro, Texas.

Gwendolyn is a senior at Morton High School and has attended Morton schools all her life.

Billy attended Three Way schools and graduated there in 1956.

The couple plan to wed in Morton on March 22.

Lions to Attend Zone Meeting

Members of the Morton Lions Club will attend a District 2-T1 Zone meeting in Levelland on March 25th, at 8 a.m., in the Cal Boykin Hotel (now known as the San Andres Hotel.)

Red Cross Still Needing Reorganization

The fate of Cochran County's Red Cross chapter remained in doubt this week when only two persons showed up at a meeting set up with the purpose of re-organizing the chapter.

M. C. Ledbetter, County Chapter chairman said he would make one more attempt to re-organize the chapter by appealing to local service clubs to see if there is any interest in maintaining a chapter in Morton.

Whitharral Lions To Be Chartered

The Whitharral Lions Club will observe Charter Night tonight, Thursday, March 13, at Whitharral.

Members of area Lions clubs have been invited to attend the Ladies' Night gathering of the new club.

Babe Ruth Loop Still In Doubt

Fathers of boys of Babe Ruth baseball league age will be contacted this next week to see if enough interest can be found to organize a Babe Ruth League, or at least teams to compete in a league, in Morton.

Four persons interested in the formation of a league attended a called meeting on Monday of this week.

If interested, please contact Eddie Irvin at the Tribune office.

VISITING IN MORTON

Master Sgt. William Scoggin returned Sunday from a stay at Quito, Ecuador where he had been doing Missionary Work.

Sgt. Scoggin, in the USAF, has been transferred to Waco, Texas. He had been in Ecuador two years.

Sgt. Scoggin and daughters, Senette and Senise are here visiting.

Also visiting here is Mrs. Louis Linquist of San Antonio.

NEED FOR QUALITY SEED STRESSED BY AGENT

Good cotton planting seed can rarely be obtained from weather damaged cotton, therefore, I urge every farmer in Cochran County to be on the look-out. It is especially important this year when most of the planting seed has been damaged to get the best seed available. Cheap, or poor quality seed can be the most expensive investment a farmer can make.

One effective method to improve seed quality is to delint and "Grade" the seed. A delinting and "grading" the flouters can raise the quality of seed. Remember about 50 percent of good seed will not emerge—and many seed can be considered not "viable" when germination test is low. Even seed that tests 70 per cent may have 7 to 10 per cent not viable even though it germinated in the test.

Time of planting too has a great deal to do with seedling diseases. Seed planted under ideal weather conditions for growth seem to be resistant to seedling diseases, while seed planted under adverse conditions particularly sensitive seed may fail to emerge even in the absence of disease. Plant the best seed available and don't plant too early. Wait until the ground warms up.

Below is a three year average test on irrigated cotton at Lubbock, Texas, Experiment Station for years 1934, 35 and 36 by variety:

31; Arala 1517 C 664, 34; Rogers' Texcala 5455, 639, 33; Northern Star 11, 651, 31; Hi-Bred, 648, 23; Lockett 140, 645, 50 and Floyd 85, 644, 31.

Lined in order are the variety, the 3 year average yield, staple length:

Watson's Empire, 739, 32; Durr No. 7, 725, 29; Western Standard, 722, 31; Delapine T75A, 765, 32; Paymaster 101, 701, 31; Paymaster 54B, 700, 31; Lankart No. 57 - 5, 678, 31; Lockett Standard No. 1, 680, 30; Stearnmaster, 682, 31; 699-ghtmaster, 675, 31; C. A. 119, 666, 31.

It is all farmers should pick out any one of the top 10 varieties and plant the seed, the one that could do a better job, quality better, and market improved for all concerned. This is something to think about. We must improve and cut corners.

A Main Dish That's Light As A Breeze

DEAL FOR A LUNCHEON DISH, especially on meatless days, is this appetite-satisfying cheese puff—rich in the protein furnished by eggs, milk and American cheese. (You can use either sharp or mild, as your taste dictates.) Almost equal in importance to its nutritional value is the texture and lightness of this soufflé-type dish. Since quick-cooking tapioca is the thickener used, it is certain to have these twin virtues at every making. Serve the puff as a meatless dish with asparagus spears, fresh, frozen or canned, and crisp-crust French bread.

CHEESE PUFF
 3 tablespoons quick-cooking tapioca 3/4 cup grated American cheese
 1 teaspoon salt 3 egg whites
 1 cup milk 3 egg yolks

Combine quick-cooking tapioca, salt, and milk in saucepan. Place over medium heat and cook until mixture comes to a boil, stirring constantly. Remove from heat; add cheese and stir until melted. Allow to cool slightly while beating eggs.
 Beat egg whites until stiff. Beat egg yolks until thick and lemon colored. Add tapioca mixture to egg yolks and mix well. Fold into egg whites.
 Turn into 1 1/2-quart baking dish. Place in pan of hot water and bake in moderate oven (350° F.) 50 minutes, or until puff is firm. Makes 4 or 5 servings.

NOTE: This may also be baked in custard cups. Bake in moderate oven (350° F.) 30 minutes, or until firm.

YOUR HOME with Penny Edwards

Instead of shaking a dry mop out the window, use this effective cleaning method. Run the nozzle of your vacuum cleaner carefully over the mop, and all the dust will be cleaned off in no time.

To prevent cake icing from sticking to the wax paper in which it is wrapped for the lunch box, butter the part of the wax paper which the icing touches.

A hand towel fastened around the neck with a clothespin may be used as a bib for young guests or for your own children. The towels are easy to wash, you're sure to have enough to go around, and they cover the whole front.

After you wash woolen gloves, stick round clothespins in each finger and thumb. This will keep them from shrinking and will also help dry the fingers more rapidly.

Don't worry when the party winds up in the kitchen—every hostess can be proud of the appearance of her gleaming porcelain enamel appliances. And no fear of cigarette burns, glass rings, food stains. Cleaning porcelain enamel requires just a soap and water once-over-lightly.

If you're tired of fumbling for the light switch in the dark, paint it with luminous paint.

SESAME MEETING CALLED NEXT WEDNESDAY 7:30 P. M., COUNTY ACTIVITIES BUILDING

"Texas Sesame Growers, Inc. will hold a special meeting at the County Activities Building in Morton Wednesday, March 19, to help farmers plan their 1953 sesame crop. Robert L. Parker, executive vice-president of the organization, notified the Tribune by telegram Wednesday.

The meeting will be at 7:30 p.m. with County Agent Homer Thompson in charge. Both Parker and Thompson will be present. The new high yield sesame headquarters in Midleton will be on hand to discuss the sesame program. Growers from Cochran and neighboring counties are invited to attend.

The outstanding performance of sesame in 1952 despite bad weather and low prices of other crops has resulted in more farmer interest this year than at any time since the start of sesame production over five years ago," Parker said.

He said that the average price of No. 1 quality seed from the High Plains in 1952 was \$10.45 per hundred, the highest price on record. And he pointed out that sesame showed in October and threshed in January still graded No. 1 quality.

High Plains farmers averaged \$80 per acre gross for their sesame crop and some individuals grossed as much as \$120 per acre," Parker stated.

More money on sesame last year than on cotton."

Improved machinery and harvest methods developed by farmers have greatly reduced labor costs & further simplifying the crop. Much of the High Plains sesame last year was harvested by custom operators.

Yields of sesame produced in Texas jumped to seven million bushels in 1952, more than double the 1951 production, and 17 times more than the first commercial crop grown in 1933. The Texas High Plains produced six and one-half million pounds of the total crop.

Texas Sesame Growers, Inc., a farmer's corporation, has its headquarters in Paris and a High Plains headquarters in Midleton. All farmers interested are invited.

Dad - Daughter Get Together

The annual "Dad and Daughter" box supper for Camp Fire girls will be held Monday night, Mar. 17, at 8 o'clock in the Morton School lunchroom.

The supper observing the birthday of Camp Fire will be for Blue Birds, Camp Fire, and Horizon Club members and their "Dads."

ted to attend the special sesame meeting in Morton, Parker announced. A documentary color film showing the crop is produced, harvested and marketed will be shown and refreshments will be served.

Joe Besseda Grain Company of Whiteface is the local dealer for Texas Sesame Growers, Inc. and will have seed available for planting and also will receive the sesame in the fall.

Lions, Jaycees Name Directors To Rodeo Ass'n.

The Morton Lions Club and the Morton Jaycees in meetings held in the past two weeks have named their 1953 directors to the Texas Last Frontier Rodeo Association.

The Lions club vice-president Roy Gentry, as their director and the Jaycees' Sam J. Sammy Lovett, Joe Springer was the Jaycees representative last year.

The Rodeo directors, it was announced, are considering changing the date of the Cochran County rodeo to the first of the holidays.

HORIZON CLUB MET

The Horizon Girls met Tuesday, March 11th. They planned on a St. Patrick's Day party to be given Friday, March 14, at the M. C. Ledbetter home and also made further plans for a Father and Daughter banquet Monday at the Morton Junior High Cafeteria.

Methodist Plan Cover Dish Supper Next Wednesday

All Methodist families are invited and urged to attend the cover dish supper scheduled for Wednesday night, Mar. 19, at 7 o'clock in Fellowship Hall of the First Methodist church, Morton. It has been announced by Rev. James E. Harrell, pastor.

Dr. Dallas D. Dennison, Brownfield Methodist church district superintendent, will speak immediately after the supper.

Dr. Dennison will be here three days next week for visitation in connection with the Methodist meeting to begin on Friday night, Mar. 28. The meeting will continue through Easter Sunday with Rev. Hubert H. Bratcher, Pampa Methodist district superintendent, conducting the meeting.

Twarn't So — That Price Tag On 3 Pkgs. of Jello

It just ain't so. Prices just ain't that bad. It was all an error that the Tribune listed Willis Food Store as offering three packages of Jello for 1.00.

Snoball, to your customers we extend our apologies.

Cotton Quiz

HOW MUCH OF THE WORLD'S COTTON DOES THE UNITED STATES SUPPLY?

ALTHOUGH SOME COTTON IS GROWN IN 60 COUNTRIES, THE U.S. GROWS MORE THAN HALF THE WORLD'S SUPPLY.

... to Write Creatively

By Maureen Applegate
Associate Professor of Education, State College, La Crosse, Wis.

Letter and note writing make up more than ninety per cent of the writing done. Since letter writing is the major writing job of adults, we must write letters at school at every opportunity that presents itself and create other opportunities to do so. Regularity in letter writing is a good habit and the time to establish such habits is in youth.

A letter is the greatest bargain in the world; it can carry happiness over all the United States for three cents, the price of three sticks of chewing gum. Impress on the children that they must be particularly careful how their letters look and what they say since a person's letter is really that person himself with a three-cent stamp on it.

Impress on yourself the importance of the beginning of the letter. Have you decided in your mind who is going to receive your letter? It's a good idea to read the last letter from your friend in order to answer any questions he may have put in. Remember how it annoys you when a friend forgets to answer your questions?

Next, make a list of items you want to write about. These need not be anything more than a word or two, but they will serve as pegs on which to hang your thoughts.

And now, let's say you've made your list of items—so how shall we begin?

"How to begin?"

"Why, plunge right in!"

That is a good way—but there are a couple of tips I can give you about that plunge. One is to avoid an opening like this:

"I didn't have anything else to do."

"So I thought I'd write to you."

Goodness knows, maybe that's true, but we mustn't tell all we know in this world. Now another tip:

"Don't begin your letter with an apology—it will do no good, and it's bad psychology."

After you really begin your letter, the items get checked off your list, one after another. Now—how are your brakes? What's a tip for the ending?

"Don't suspend it—End it!"

These are to be real letters—the best kind of letters, so remember—develop your paragraphs; tease the sense of your letter with word pictures; plan your letters; get off to a fast start and come to a fast stop.

Democracy In The Sudan

In order to realize the full meaning of democracy within their nation, the people of the Sudan have adopted a traditional American concept—the "town meeting" where residents of the smallest village take an active role.

The Sudanese Government has deliberately encouraged decentralization of political power to the level of local councils: municipal councils for large cities like Khartoum and Port Sudan; local councils for smaller towns, and district councils which cover many small villages. This process of decentralization is strongly significant in view of the Sudan's past history of a number of centralized governments. Under the Condominium of 1899, the country was divided into thirteen provinces which were administered by agents of the central government. Now the field of public security, education, and agriculture has been transferred to the local level. In Khartoum, the municipal council recently carried out a housing program for several thousand poor families.

This decentralization has received much support from the traditional Arab council, or Mejlis, which had regulated the affairs of many tribes in the Sudan, and through a system of "Sheik's Courts" had assumed considerable administrative, judicial and financial powers.

As a result of intense interest in local politics, rural elections now involve vigorous campaigns which provide an excellent stepping stone to higher elective office.

Wonderful World by Waldman

The farmer today outproduces his 1915 counterpart by more than a 100% thanks to a host of mechanical marvels designed to help him.

Flame weeding, a process that destroys one of the major causes of crop failure, is fast, safe, sure.

Irrigation pumps help regulate the amount of water each acre of land gets. New fuel powered pump engines up to 1,000 hours without oil change.

For tractor power, the same fuel minimizes carbon, reduces engine wear, cuts engine repair bills in half. In fact, in all the above mechanical aids, this fuel, I.P. Coats, enables the farmer to produce more—and better—food for you.

AS TIME GOES B(U)Y!

WORKING 6 MINUTES REQUIRED TO BAKEN OUT 1 LB. LOAF OF BREAD

Ivan Skavinsky Skavar, the average Russian industrial worker, labors five times as long to fill his family's market basket as does Joe Smith, the typical American laborer.

In a talk before the National Food Conference, held recently in Washington, D. C., Vice President Nixon pointed out that Joe Smith can buy a pound loaf of enriched bread with six minutes of labor, according to figures compiled by the United States Bureau of Labor Statistics. Ivan works 34 minutes for the same amount of bread which does not equal the U. S. loaf nutritionally.

Ivan works 192 minutes for a pound of beef. Joe Smith buys it with 11 minutes of labor. Joe works 25 minutes to add a pound of sliced bacon to the family larder. Ivan has to stay on the job 131 minutes to buy the same amount from a Moscow State store.

A grouping of 11 foreign countries, according to the work time required to buy food, indicates that the American worker spent less than one-fifth as much time to pay for a given quantity of food as the Soviet worker. He (the American) spent from 20 to 36 per cent as much as the Italian, Austrian, or French workers; from 39 to 48 per cent as much time as the Dutch, West Germans, Irish or Swiss; and from 62 to 71 per cent as much time as the Danish, British, or Norwegian workers.

Joe Smith works 4 minutes for a pound of flour. Irishmen and Norwegians are runners-up. They work six minutes for their pound of flour. Again, tops in the flour field is Russia, where 27 minutes of work are necessary.

French bread is in demand in many countries, but not-so-lucky-Pierre works 20 minutes for a pound of it.

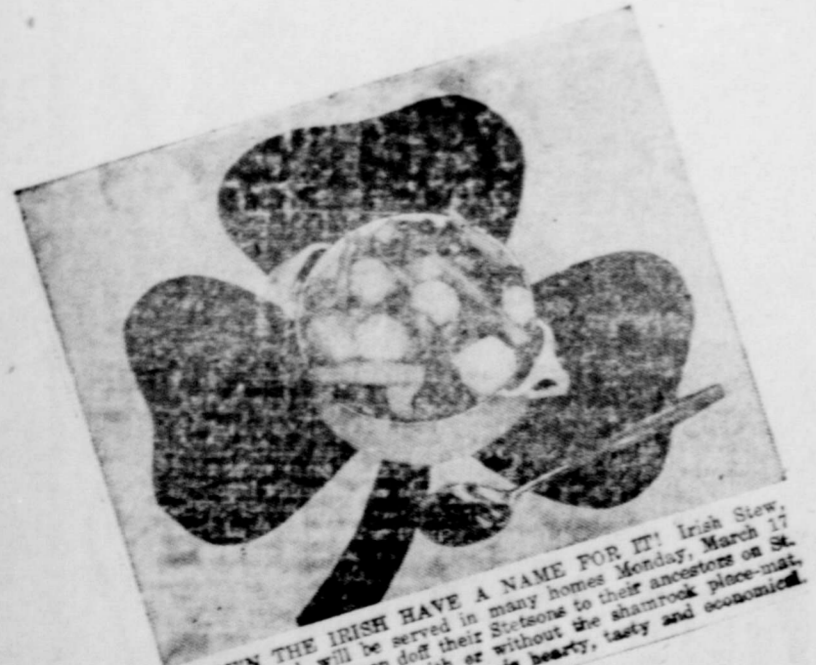

Modern Art In The Arab World

Painting in the Arab World is undergoing a revival and is changing radically in style as well as in content. Modern Arab painters are capturing the spirit of the age, absorbing and reflecting the renaissance of the peoples of the area.

Arab painters for some time have been experimenting with different styles elaborated by the various modern art schools all over the world. Gradually they have been experimenting with direction and the art which has emerged is their own: an Arab spiritual heritage of the Arabs. It is truly national, yet of international appeal.

One of the leaders of this new Arab school is Ezzeidin Hammouda, an Egyptian who has contributed a great deal to neo-Arab art. With the rest of his contemporaries, Hammouda passed through the mill until he crystallized his own style which echoes the Arab mind and soul with its hopes, aspirations, problems and love of the translucent Hammouda's paintings are, however, unmistakably personal. Few have been able to surpass his sensitive lines, his stained-glass transparent colors. He has been described as a coloristic poet. The painting above illustrates, even in black and white, his sensitive touch and graceful line.

SUREN THE IRISH HAVE A NAME FOR IT! Irish Stew, Texas-styled, will be served in many homes Monday, March 17 when Texas Irishmen doff their Stetsons to their ancestors on St. Patrick's Day. Served with or without the shamrock pie-meat, the Texas Beef Council's stew is hearty, tasty and economical.

COTTON WINNER

Jorja Blackmon of Shallowater, Texas, wears a two-piece cotton outfit in a statewide 4-H and sews cotton. Jorja has grown 100-ears crop all her own in 1952.

WARREN, GARY BAILEY
CHANGED WEDDING VOWS
FRANK GRIFFITH
Vows were repeated at 11:30 a. m. at the Church of the Holy Trinity, 22, at the home of Mrs. O. A. Warren, daughter of Mrs. O. A. Warren of the Air Force Base at Clovis, N. M.

fore an altar featuring an archway of greenery and white carnations flanked by candelabra holding pink tapers.
Traditional wedding music was played by Mrs. John Gunter of Enochs who also accompanied Misses Annonie Hightower and Joann Hoedge as they sang "Because," and "Whither Thou Goest."
Given in marriage by her father the bride wore a waltz length gown of white brocaded cotton satin fashioned with a portrait neckline and bouffant skirt. The brief sleeves were complimented with long tapered lace mitts. Her elbow length silk illusion veil was attached to a tiara of iridescent sequins and seed pearls. She carried a white Bible topped with a pink feathered carnation and net with pink satin ribbons tied in love knots.
The Maid of Honor, Miss June McCrow of Ruidoso, N. M., niece of the bride, wore a waltz length dress of pink cotton satin featuring a full skirt, portrait neckline,

and three quarter length sleeves and a cumberbund. She wore a matching tiara, white gloves and a deep pink carnation corsage.
The bridesmaids Mrs. E. E. McCrow of Ruidoso, N. M., and Mrs. Carl Hogue of Brownfield, sisters of the bride, wore a blue cotton satin dress, styled identical to the dress of the Maid of Honor. Tiaras, white gloves and pink corsages completed their attire.
A 2-C John C. Stocker of Clovis served as best man. Ushers were S-Sgt. Peter Krohnre and A. 2-C. Bill Moore of Clovis. The bridegroom and his attendants wore full dress Air Force uniforms.
Candle lighters were Robbie Brown, cousin of the bride and Joella McCrow niece of the bride. The bridesmaids wore pink and blue cotton satin fashioned as the other attendants with matching corsages and white gloves.
The couple are at home at 706 Ave. D in Portales, N. M.

Garden Club
Reconvenes after
3 Month Layoff
The Cochran County Garden Club began its meetings again after a 3 month recession with the theme for the new year "Around the Calendar With Flowers."
Miss Lonora Jackson, president, urged members to attend the District I Board meeting and Short Course at Texas Tech on March 26.
"Prune your plants for beauty's sake as well as growth," states Miss Leila Petty, HD Agent.
Plant flowering trees in clumps for more shade, in front of picture window for privacy and beauty, place trees where shade will fall on the house when the days temperature is at its height. These were words from Mrs. Bobby Travis as she spoke on "Flowering Trees Work Magic on Small Lots."
Mrs. Jerry Barton, the hostess, served a salad plate to the following members: Mesdames H. A. Barnes, Murry Crone, Roy Gunnels R. J. Hill, T. D. Marshall, T. M. Tanner, Fred Young, Bill Lee, Bobby Travis, Ollie Robinson and Miss Leila Petty and Miss Lonora Jackson.
The club meets in the home of Mrs. L. A. Cochran on March 17.

Three Way News . . .
By Mrs. FRANK GRIFFITH
IS SHOWER HONOREE
A bridal shower honoring Mrs. Gary W. Bailey, nee Velta Warren, was given in the home of Mrs. Carrie Huff, Saturday, March 8, from 2 to 5 o'clock.
Hostesses were Mesdames Huff, Elmer Batteas, D. P. Brinker, Morris Gant, Baker Johnson and Adolph Wittner.
Cake, punch, candy mints, and nuts were served from a table laid with a white lace cloth centered with a crystal punch bowl.
GUESTS OF LINDLEYS
Guests in the D. C. Lindley home over the weekend were Mr. and Mrs. Sam Ruthart and children of Seminole, Texas. Ruthart is a brother of Mrs. Lindley.
VISITED RELATIVES
Mrs. Jerry Barton, the hostess, and Mrs. W. C. McColevey and Gayle were in Lubbock, Friday and spent the night with relatives.
ATTENDED ERNEST TUBBS SHOW AT LUBBOCK
Mr. and Mrs. A. H. Darlock and Mrs. Carrie Huff and Kenneth attended the Ernest Tubbs program at Lubbock last week.

ON SICK LIST
Gayle McColevey is on the sick list.
VISITED AT SUNDOWN
Mr. and Mrs. Elmer Batteas and children, and Mrs. J. L. Batteas and Cindy visited relatives at Sundown, Sunday.

WASHINGTON AND "SMALL BUSINESS"
By C. WILSON HARDER

The proposed new Federal Budget is not destined for easy sailing through Congress. Totalling \$74.9 billion, it is by far the largest peacetime budget ever asked by Congress.
And there are some hard facts developing out of consideration of this budget.
One of the most inescapable and unpalatable parts of the whole budget is the fact that \$8 billion of this must be used to pay the interest on the national debt.
In other words, almost 11 cents out of every tax dollar collected must be used to pay on interest on the debt.
This is a huge sum. Yet, faced with the necessity of paying out \$8 billion for interest, the budget requests almost another \$4 billion to be thrown away in form of give-aways. Thus, there is combined to pay off on past dead horses, and to give-away on present dead horses almost 17% of entire federal budget.
Or looking at it another way, huge as the current budget request is, it just about equals what the U. S. has thrown away in foreign give-aways and other global WPA schemes in the past few years.
In fact, government appears to be getting so confused over this tax matter, that it is now even considering taxing itself.
A major recommendation was that a tax of 2.5 cents per gallon be placed on jet fuels. While it is true that in a short while, there will be some commercial jet airliners in operation, their fuel consumption will be but a drop in the bucket compared to the necessary military use of jet fuels.
Thus, if this proposed new tax were to bring in any appreciable new revenue, it would be collected on fuel used to protect the United States. This would be carrying the taxing situation to the 6th degree of ludicrousness.
It was rather a shock to Washington that in a recent issue of a popular national magazine, General Douglas MacArthur sharply assailed the present taxing policies in the U. S. Many had long assumed that military men are not overly concerned with the weight of taxes.
Yet the nation's outstanding military leader, and hailed by many foreign experts as the greatest military expert of the age, states flatly that there seems to be no restraint on the lust for taxes and recalls how Lenin, propagator of Russian communism, predicted in the 1920's the United States would eventually spend itself into bankruptcy.
General MacArthur also recommends the sure cure to excessive governmental spending which between federal and local is now taking one-third of the national income. That cure is to shut off the sources of taxes, thus forcing economy on government.
And the General also states that it has been charged, without any challenge, that this year the government of the United States proposes to spend more than all the rest of the governments in the world combined will spend.
In this connection it is not to be forgotten in Korea General MacArthur ordered "Operation Meat Axe" which meant destroy the enemy at every occasion. What apparently is needed now is the same type of operation on non-essential government spending, before all independent enterprise in America is throttled.

Friendly Circle HD Club Meets

The Friendly Circle Home Demonstration Club met in the home of Mrs. L. Z. Scoggins, Friday, March 7, 1958.
Opening exercises was a Bible reading by the hostess. Roll call was answered by a fashion note.
The program was very interesting and informative, a demonstration by Miss Petty, HD Agent on "New Fabrics — Their Use and Care."
A new member was added, Mrs. L. B. Kelso.
At the close of the meeting Mrs. Scoggins served a refreshment plate to Mrs. H. T. Gardner, Mrs. Jake Reid, Mrs. C. G. Koozitz, Miss Petty, Mrs. J. W. Jeffcoat, and Mrs. L. B. Kelso.
The next meeting will be March 21, in the home of Mrs. Jake Reid. Roll call will be "It's in the News." Program will be "Yard Furniture Even a Woman Can Make."
A craft will be decided upon and Craft Day will be observed on April 18.

PONTIAC SWEEPS NASCAR SAFETY HIGHWAY PASSING TESTS!

Pontiac again proves it is AMERICA'S NUMBER 1 ROAD CAR
In the year's toughest test of SAFETY, HANDLING AND PERFORMANCE!

HOUSEWIFE VICKI WOOD AND HER '58 PONTIAC taught men drivers a lesson in winning the 50 m.p.h. safe passing event. The elated Mrs. Wood reported, "... our new Pontiac handled and performed like a dream ... so smooth and easy I couldn't believe it".
Winner of the 30 m.p.h. passing event and high over-all winner of the safety tests with his standard 4-door Pontiac Catalina, magazine auto expert Jim McMichael cracked, "I could have told them before the tests started—this '58 Pontiac is in a class by itself".
Chances are you'll never be up against the precise and exacting demands that NASCAR puts on test cars and drivers. But you can put Pontiac through your own everyday driving paces and learn why test drivers call Pontiac America's Number 1 Road Car.
You'll discover that the industry's hottest team of engineers has created a car so advanced in basic design that it brings with it a totally new kind of driving. Give the nod to its Tempest 395 V-8 with power trimmed precisely to your wish. Corner it, park it, maneuver it to the point of abuse and you marvel at your absolute command in every type of driving situation. Come in—drive and safety-test America's Number 1 Road Car. You'll discover it's by far the biggest money's worth on the market!

ATTEND WORKERS CONFERENCE

Six representatives from the Morton First Methodist Church attended the Brownfield Methodist Church district adult workshop at the Loveland First Methodist Church last week.

The pastors' work shop was conducted by Dr. Denver D. Dennison, district superintendent. Layleaders conducted the other groups. Attending from here were Mr. and Mrs. Jennings Waltrip, Mr. & Mrs. Leon Stinson, Pegues Houston and Rev. J. E. Harrell.

Kress, Tex., Man Reports—

"2,000-lb.-Per-Acre Increase From Irrigated Maize."

Melvin F. Walter, who farms 1,100 acres near Kress, Tex., says: "I put down 100 pounds of Phillips 66 Agricultural Ammonia on irrigated maize and got a 2,000-pound increase in grain per acre. I also made 50 bushels of wheat per acre using 100 pounds of Phillips 66 ammonia."

Other Southwestern farmers have discovered that the 82% nitrogen in top quality Phillips 66 Agricultural Ammonia helps them get more profit per acre through higher yields. They get more cotton that classes higher at the gin, yields of grain sorghum and ensilage are increased, more marketable vegetables are harvested, and profits on wheat are increased through better forage and higher yields of grain.

Phillips 66 Agricultural Ammonia contains 82% nitrogen and gives you more nitrogen per dollar than any other form of commercial fertilizer available.

Phillips 66 Order Your Supply Of Phillips 66 Agricultural Ammonia Today!

56 to 54 COUNT EDGES BULA FRIONA FAILS IN BID FOR CLASS 'A' REGIONALS; BULA GIRLS FALL IN REGIONAL FINALS TO BOVINA

3 Bula Girls Are Named to All - Regional

Bula's girls equalled the Class B Regional winner, Bovina, in the number of girls placed on the all-regional girls basketball team for Class B, selected at Canyon, Saturday night.

Betty Hallford made the team as a forward while Opal Bogard and Summye Reynolds made the team as guards. Only the fact that they were defeated in the final game stood in the way of Carol Cooke & Janelle Seagler also being named to the top team.

Hot shooting Janice Richards, Kay Locke and Nita Estes also a pair of guards from Bovina got the nod also for the top team. Benjamin Lakeview and Texline also had players on the team.

The two area girls teams which most Last Frontier area fans were interested in, failed to survive the regional competition at Lubbock & Canyon, Saturday.

Bula's girls lost out in the final game at Canyon, to Bovina, after having ousted their perennial up-setter, Roosevelt in the bi-district. Friona, winner of District 3A, & bi-district winner over Friona, did about the same thing the Morton boys did — they lost in the first regional game to White Deer, the team that eventually won the Class A title.

Outscoring Friona 22 to 11 in the second quarter was the blow that crushed the 3A titlists after a close 13 - 12 first quarter. After the big second period bulge they pulled away easily for a 30 to 29 third quarter lead and the Does finally went on to win, 74 to 54.

Johnny Hand of Friona got 28 points and her peppery little running mate, Boggess, got 21 but the games' high scorer was Mary Ann Freeman who poured in 27 points.

White Deer then stumbled over the ropes girls team by an easy 77 to 61 count to take the Class A title.

The AA title (Morton will be in the conference with them next year) was won by Abernathy, still undefeated this season as they outscored DeLeon, 58 to 32.

Bula won it's afternoon game by coming from behind an early deficit to beat Texline, 54 to 47, after trailing 18 to 15 at the end of the first 8 minutes.

Gail Dennis tallied 35 points for Texline, against Bula, but she missed 17 free throws in the process and her teammates managed only 6 other field goals in the game.

Betty Hallford paced Bula with 21, Carol Cooke added 17 and Janelle Seagler had 6. Substitute Sandra Spence scored 10 very important points.

In the night game Bula just failed to find the range against Bovina, a team they were favored to beat.

It was a real thriller, 56 to 54, and was won in the last minutes of the game when Janice Richards hit the last two of her 23 points for a 4 point lead, 56 to 52. Betty Hallford cut the margin to 56 to 54 but the Bula girls never got another shot as Bovina stalled the remaining 20 seconds for victory.

The game was close all the way with Bula trailing, 19 to 18 at the first stop; leading 32 to 30 at the half and the teams being tied 45 to 45 at the three quarter stop.

Bula's Betty Hallford had 29 points but the best Carol Cooke and Janelle Seagler could do was 13 & 12 points to nearly break even with Joan Ezell and Nancy Compson, who had 13 and 10.

Bovina won the game at the free throw line according to the final box score released, making 12 free tosses to 6 for Bula. The box did not list the fouls, nor the missed free tosses. Bula had two more field goals than their opponent, but the Bula girls, who have been the bridesmaids almost every year for the past six or seven, once again just couldn't get up quite enough steam to become the bride.

Mary Hiner Named President of Ladies Golf Association

The Ladies Golf Association met Monday night in the home of Mrs. Roy Tarver, Jr., with nine members present.

The group elected officers for the year including: President, Mary Hiner; Vice - President, Jeanne Monroe; Secretary, Lillian Williamson; and Golf Committee: Odessa Williamson, Era Willis and LaVerne McMaster.

Blackie Reynolds was elected director for the High Plains Association.

Members present were Lillian Silvers, Mary Barnes, Katie Van, Mary Evans, Blackie Reynolds, Mary Hiner, Jeanne Monroe and Lillian Williamson.

Billy Wall Is Navy Enlistee

Billy Earl Wall of Route 1, Morton, Texas, husband of Mrs. Ardys O. Wall and son of Mr. and Mrs. Earriton R. Wall, also of Route 1, Morton, enlisted in the U. S. Navy on March 4.

He has departed for San Diego, Calif., where he will receive his basic training. He will remain there for about ten weeks before returning home on two weeks leave.

He attended both Morton grade school and high school and Three Way High school before entering the service. He also farmed for Brad Stovall of Route 1, Morton.

TEXAS' Betty Cracker Homemaker of Tomorrow is 17-year-old Judy Talley of Moody high school, Moody, Texas. She will receive a \$1,500 scholarship from General Mills for gaining the highest score in the state in a written homemaking examination.

INDIAN TRACK TEAM, STRONG IN NUMBER, SHOWN IN EXPERIENCE, RUNS AT CROSBYTON, SATURDAY

A good size (in numbers) team of boys will trek to Crosbyton on Saturday to compete in the Crosbyton Relays — recognized as one of the outstanding track meets for small schools.

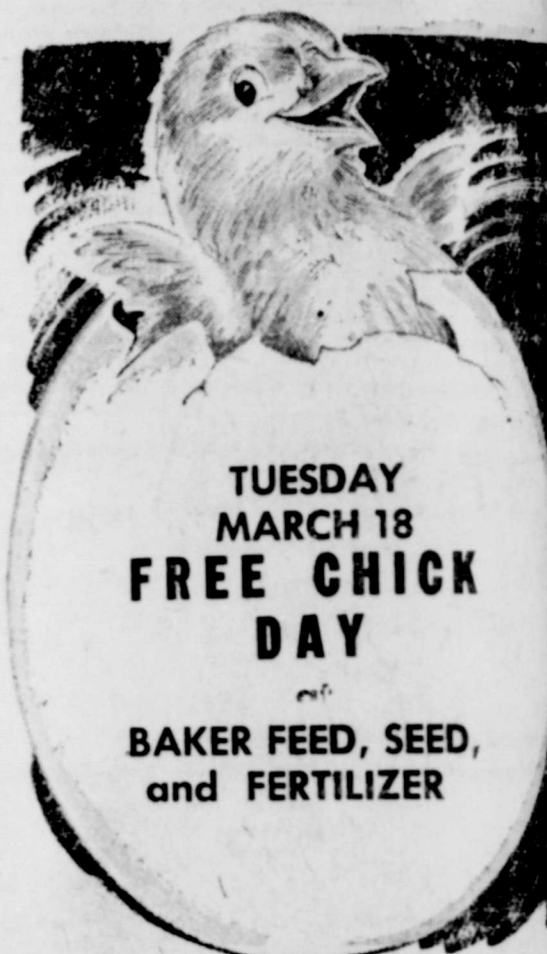

Morton will be forced to compete with Class AA Schools rather than in the lower division since they are replacing a AA school in the competition. However, Coach Vernard Alexander says he has a large group of untested boys and expects to do all right.

The fact that they are competing in a higher bracket should make little or no difference. The distances and times can still be compared to Indian and Friona, both of which will be in the competition.

Coach Alexander also hopes to book another meet next weekend, with any outstanding team should do right well as the District meet will be at Friona the following weekend.

Alexander has 36 boys who are willing to run in one or more events and even if he doesn't come up with any outstanding team, the fact, winning track teams with heavy teams with one or two top

Headlines..

By Eddie Irwin

ELECTION TIME IS fast rolling around — especially near are the City and School Trustee elections. And, it would seem, a lot of folks are exhibiting a more than passing interest in the voting. At least, the candidates themselves seem to be. We've been asked several times how things were going.

for many years... WE'VE BEEN AN ardent supporter of elections where there are several candidates. Since jobs such as small city positions, school board trusteeships, etc. don't pay off in anything but headaches for many people, usually you can't get a bonified 'race' unless there are some major issues. Therefore, people just seem to naturally assume there must be bitter issues if more than one slate of candidates come out. And there may be bitter issues in each of these elections. We certainly wouldn't take the stand to say there weren't, not

knowing anymore about it than we do. But if there are, then only one side has come to us with their story, and the other must feel they can accomplish little good by coming to us with their story.

we have been conscious...

OR THOUGHT WE were, for the past year or so, that both our schools and city were doing alright. We've heard a few complaints, a man always will, you just can't please everyone, but our associations with both the city and the school administrators, led us to believe they were working fairly well together. We felt there had been less friction in the city fathers, and among the school trustees, than we reasoned it easier to get three men to see more nearly eye to eye than it is seven.

be that as it may...

THERE ARE ISSUES. There always will be. Far too often what is mistaken for a bona fide issue, a real reason for wanting a change in administration, is often a personal dislike. If you add these in, there will always be a lot more

issues. THAT IS OFTEN turned into an issue is when a group of people are dissatisfied because a man hired to 'run' things, gets too much authority. There are always some who think the City Manager shouldn't manage the city; the Superintendent shouldn't superintend the schools; these people, it seems to us, get a wrong impression on just what are the duties of certain office holders — whether they be elected, appointed, or hired.

to make far too many decisions each year that are decisions for the Superintendent to make — and probably the Superintendent is too often called upon to make a decision that should have been up to the Principal.

when you eliminate all...

OF THESE so called issues, you may find there are not many issues at all. You might find the City is running smoothly and the only reason there are so many candidates is because each of them has been asked to run because friends thought he could do a good job.

you might find...

THE SCHOOLS are running more smoothly than they have in a good many years and you might find that any so called issues are built up more on "personal" disagreements, or haggling over policies, than on real issues.

if there are...

ANY SERIOUS issues, backed up by facts, we'd like to hear them, backed up by facts. And, we strongly suggest that you, as voters, make sure all the issues you are told about are backed up by facts.

so much, and probably...

TOO MUCH for the elections. If everyone votes that's the best way to make sure we elect the person whom the people think is best suited for the job.

we have the chance...

IF FATES are with us, of seeing our alma mater play basketball on TV Saturday. But the possible appearance hinges on whether or not they can defeat St. John's University, tonight, at Madison Square Garden, in the National Invitational Tourney.

though the school...

BUTLER UNIVERSITY, is fairly well known in the midwest, few persons around here seem to have heard of it. It's located at Indianapolis, Indiana, and, incidently, is also the alma mater of County Judge Fred Stockdale.

the winner of the...

GAME TONIGHT will play Utah in the quarter finals of the NIT on Saturday afternoon, and it will be the second game Saturday. Be-

Jaycee - Ettes Set Party Saturday

The Morton Jaycee - Ettes met Tuesday, March 11, in the home of Mrs. Marlin Roberts for the regular business meeting.

Mrs. Eddie Irwin presided. The group decided to gather old clothing that was still wearable and to deliver it to the teachers in the East Elementary School to distribute it where most needed.

A date was set to meet and mend whatever among the clothes gathered needs mending.

The club also voted for each member to take a book for the library at the East Elementary School.

It was voted that on election day the members will offer rides to persons needing a ride to and from the polls.

The group planned a party for next Saturday night, March 15, in

the Eddie Irwin home. There was one visitor present at the meeting, Mrs. Albert Buck. Members present were Mesdames Fred Payne, L. F. Russell, Dexter Nebhut, Roy Tarver, Jr., Sammy Leverett, Buddy Hanna, Irwin, and the hostess, Mrs. Roberts.

The next regular meeting is on March 25 and will be in the L. F. Russell home.

VISITED MRS. LINDSEY

Mrs. Vincent Vialle, Mrs. Virgil Humphreys, and Mrs. Myrtle Fry of Loveland and Mr. and Mrs. Cecil Lindsey and Mrs. Walter Sandefer spent Sunday with their mother and grandmother, Mrs. W. A. Lindsey.

BACK FROM FISHING TRIP

Mr. and Mrs. W. W. Williamson returned last Thursday from a week-long fishing trip at Lake Kemp, and reported a big catch.
