PEQUES HOUSTON IS NEW BOARD PRESIDENT

SCHOOL BOARD RE-HIRE TEACHERS, COACHES; ADOPTS NEW SCHEDULE ON PERSONAL PROP. TAX

At their first meeting following the April trustee election, members of the Morton Board of Education Monday night elected new officers, rehired all teachers in the main plant subject to incoming designations, extended for one year the three coaches contracts with increased salaries, and ordered maintenance and transportation bills totaling \$6,726.14 due in April, to be paid.

Elected by fellow board members to head the Morton board for the 1958-59 year was Peques Houston, O. B. (Buck) Huckabee was named vice-president and Roy Brown, secretary.

Outgoing officers were Gene Thompson, president; and Jack Wallace, secretary. The post of vice-president had not been filled since the resignation of Gene Benham last year.

The election of new officers followed the canvassing of the April 5 school election which saw 610 votes cast in the following manner: O. B. Huckabee, 332; W. C. Van Landingham, 228; Lloyd C. Miller, 27; and Bill Wood, 274.

(Three ballots were mutilated in that the names of two candidates had been written in and no mark-throughs had been made.)

Huckabee and Vanlandingham were ordered duly elected for 3 year terms.

Other action Monday night included the adoption of a new schedule for the rendition of personal property for taxation and a report that the City of Morton Council and the County Commissioner's Court were ready to meet with the Morton school board in an attempt to work out a joint method of real estate tax evaluation.

Morton Coop Gin Annual Meeting Set For Tonight

The Cochran County Barn will be the scene, tonight, (Thursday), at 8:30 p.m., for the annual Morton Coop Gin barbecue dinner and membership meeting.

The barbecue will be served beginning at 6:30 p.m. and the business meeting is slated for 8:00 p.m. The auditors report on the condition of the gin will be read to the stockholders, directors will be elected, and other annual business attended to.

All members are urged to be on hand, if possible, by J. R. Kuykendall, manager.

Melba's Flowers Opens on Square

Melba's Flowers, one of Morton's newest firms, opened its doors to the public Wednesday.

Mrs. Ruel (Melba) Kelly, who is operating the floral shop, announced that although they were not established in the new business, formal opening has been scheduled for the next Dollar Day.

Associated with Mrs. Kelly is Mrs. Roy Hill who will also be available at the shop as Lazier's consultant.

Melba's flowers is located on the northside of the square in the building that Tarver Furniture Company moved out of last week.

The shop, which is already a member of the South Plains Florist Association, will feature potted plants, cut flowers, artificial flowers, small gifts, and novelty lines. Mrs. Kelly pointed out that they are in a position to wire flowers to other areas as requested.

Melba's Flowers carries the phone number 2971, which is listed in See (ME) Page four

STUDENTS TURN TO SCIENTIFIC IDEAS

Increase In Science Interest Noted

Students in Moscow have nothing on the students at Morton High School. At Monday night's meeting of the Morton Board of Education, Superintendent John Barnes told the group that pre-registration of students for next year brought forth more requests than usual for classes in the Sciences.

Explaining later, Supt. Barnes said that with next year's tenth and eleventh grades pre-registered, & taking into account the incoming freshman class in general science, indications are for some 80 to 90 students in general science, 61 in biology, 18 in chemistry and 18 in physics.

This, he pointed out, represents a definite increase in the enrollment in biology, chemistry, and the requiring of a complete new class in physics.

Supt. Barnes explained this as a "normal trend to our needs" because youth will react properly if given the correct information. (General information on Sputniks, Explorer rockets, and satellites, no doubt.)

Possibilities are for one full time science instructor and two part time instructors.

And, that isn't all, pre-registration indicates that one-half year of trigonometry will be offered next year with solid geometry if a few more students request the trigonometry course. Solid geometry was taught this year.

Although no Spanish was offered this year, pre-registration indicates at least two sections in Spanish another year.

Jaycees Sponsor Volleyball Meet

Plans for the independent volleyball tournament here Monday and Tuesday, April 21-22, and Friday and Saturday, April 25-26, were completed at Monday's regular non-meeting of the Morton Jaycees, Elwood Harris, president, presiding.

S. M. Monroe, chairman of the tournament, reported that he had extended an invitation to 32 teams and 16 had already accepted.

Three trophies, costing \$16.50, will be awarded following the tournament.

Plans call for gametime at 6:30 p.m. in the Morton gyms. Further details will be available as registration is completed.

Admission for all will be 25c per individual. This includes players - since no fee is charged for non-players.

State ASC Men Tour the County

Members of the State ASC Committee visited Cochran County last Thursday. Those members making the visit were Allen Webb of Dimmitt and Carlton Wertz of Raymondville.

The Cochran County ASC Committee, consisting of Max Bowers, Buck Huckabee and Roy Hickman took these men on a tour of Cochran County and the State Committee members were pleasantly surprised to see so much good land in the county and to see so much of it in a good state of cultivation and so many irrigation wells; in fact Mr. Wertz made the statement, "That it was like visiting another world."

Farming conditions, farming methods and farming problems were so much different from those the farmers in the Rio Grande Valley have that he was very interested in learning something about them.

Since the State Committee has to work with all farmers in the State, Mr. Webb knows the conditions on the Plains very well, but he said that he was surprised at the developments in Cochran County. The members of the State Committee are anxious to know a lot more about the state, and to learn more about various problems in all the counties of the state so they may be in a position to know the problems of the local county committees in each of the counties of the state.

Two Are Added To Star Route Coop Bd. of Directors

Francis Shifflett and Carl Knott were elected to two-year terms on the board of directors of the Star Route Coop Gin at the membership annual meeting held Tuesday evening in the Cochran County Activities building.

Outgoing members were E. V. Thompson and M. A. Tanner. Hold-over members are Ralph DeBord, J. C. O'Brien and F. H. Lightner. Roy D. Greer is manager of the gin.

Fried chicken supper was served to 225 members and their guests at the meeting. It was prepared and served by the W.M. C. ladies of the Assembly of God Church, Morton.

Guest speakers were Roy B. Davis of the Cooperative Oil Mill, Dan Davis of the Plains Cooperative Cotton Association, and Gordon Willy of the Plains Cooperative Compress, all of Lubbock.

To serve with Lion President elect Gentry, the club elected: Tip Windom, 1st vice-president; J. C. Reynolds, 2nd vice-president; E. L. (Snoball) Willis, 3rd vice-president; Lloyd Miller, secretary; C. E. Luper, treasurer; Denton Thompson, song leader; Don Allsup, tailor; and Joe Seagler, Lion Tamer.

Roy Tarver, Sr. was elected a director for one year; R. C. Strickland for 2 years; and Van Greene for two years.

Babe Vanlandingham became a new member of the club.

Miller and Luper were re-elected to the posts they have held for the past year.

LIONS CLUB MUSICAL COMEDY OPENS TONITE

The curtain rings up at 8:13 p.m. tonight (Thursday) and Friday night on the Morton Lion's Club production: "Around the World in A Daze," featuring 100 local persons in the cast.

The show, a musical comedy directed by Miss Janis Slater, a representative of the production company which designed the show, is the story of a pair of quiz show winners, Mable Mullins portrayed by Mrs. Maurice Lewallen and Casper Perkins, played by Rupert McCasland, and a trip around the world they win. The adventures they have are hilarious and cleverly described. The show is put on in nine colorful scenes, at the Cochran County Auditorium, each night. Proceeds will go to the Morton Babe Ruth League program.

A host of local persons will have parts in the production. For instance, Denise Rose and Sue Cooper will appear as the two airline hostesses who lyrically introduce Casper and Mable to each new place they visit.

Other airline hostesses will include Patricia Davenport, Marka Kennedy, Susie Hawkins and Myrland Cox.

A Polka Chorus will be composed of Carrie Ann Mullinax, Margaret Cook, and Edna Cook, who will be singing at the Morton Wednesday.

Rev. H. Walker is New Pastor of First Baptist

Rev. Houston Walker of Lubbock, who was called by the First Baptist Church last Sunday night, accepted the position of pastor, Wednesday night.

Rev. Walker fills the position left vacant upon the recent death of Bro. Ollie S. Robinson.

Rev. and Mrs. Walker have four children at home and one married daughter, Mrs. John Herod of Lubbock. The children at home are Sharron, 12; Elsie, 14; Victor, 16; and John, 18.

Rev. Walker, who preached here at a stewardship emphasis some three years ago, comes to Morton from the Arnett Baptist Church of Lubbock where he has served for the past one and one-half years. Prior to that he was at Hamlin for two and one-half years & at Rule for five and one-half years.

A native of New Mexico, Rev. Walker received his B. A. degree from Highlands University, Las Vegas, N. M. His Th. M. was bestowed upon him by Southwestern Baptist Seminary at Ft. Worth.

He has been living in Texas for the past fourteen years, and has been active in Baptist association work, particularly vacation Bible School work. He has been engaged to sing and to preach in revivals throughout West Texas.

While at Hamlin and Rule Rev. Walker was a member of the Rotary club.

Rev. and Mrs. Walker and family plan to remain in Lubbock until school is out, moving here around June 1, but he will conduct services here Wednesdays and Sundays.

Burnie Haley Is New Manager Of Theatres

Burnie Haley, who has been associated with the Wallace Theatres at Tahoka for the past year, took over operation of the local Wallace Theatres last week.

Burnie and wife and daughter, 13-year-old Barbara Ann, moved into the old T. J. Simpson home last week.

Haley is thoroughly experienced in the entertainment and amusement business. A native of Brady, he formerly spent a good many years with the Jefferson Amusement Company of Beaumont.

Bud Nairn Has Lubbock Office

Bud Nairn, Morton electrical contractor and builder, announced this week that he had opened offices in Lubbock, although he will maintain an office and his home here.

His firm will be known as the A & N Electric, electrical contractors.

Maple Baptist Meeting Will End

Sunday will be the last day of Rev. C. J. Merritt's Revival meeting at the Maple Baptist Church. Services will continue each evening throughout the week at 7:45 p.m.

Rev. Merritt is from the Progress Community in Bailey County. The pastor of the Maple Baptist Church is Bro. W. H. Hughes.

Area residents are cordially invited to attend.

17 True Bills Brought; Indictment Returned on "Murder With Malice"

Seventeen true bills were returned by a 72nd District Court April Grand Jury in session here earlier this week.

The Grand Jurors, directed by District Attorney George Gilkerson, returned an unusually heavy slate of cases and, among other things, brought an indictment against R. Barker, charged with murder with malice.

Mrs. Barker's bond was set at \$3,000, but she has been hospitalized at Big Spring, ever since the death of her mentally retarded child.

Four persons were billed who are not now in custody. One was charged with wife desertion; one was billed for forgery and passing of a forged instrument; one was charged with swindling, and the other was billed on two counts of burglary.

J. E. FOUST DIES IN PORTALES

Funeral services were conducted Wednesday at 2 p.m. at the Methodist Church in Portales, for J. E. Foust, Sr., 63, former resident of Lamb and Bailey counties, who died early Monday in a hospital at Portales.

Burial was in the Littlefield Cemetery.

Foust lived in Littlefield from about 1929 to 1941 when he moved to Enochs. After farming there for several years, he moved to Spade.

The widow, four sons, four brothers, and three sisters survive in addition to eight grandchildren. He was related to several Mortontites.

I. C. ENOCHS RITES TUESDAY

Funeral services were held at the Capital Street Methodist Church in Jackson, Mississippi, Tuesday, for I. C. Enochs, 65, founder of the Bailey County town of Enochs.

Enochs died at his home in Lubbock Saturday afternoon, following a heart attack.

A retired farmer and native of Mississippi, in 1920 Enochs moved to Texas and owned extensive property in West Texas.

Indian Trackmen To Regionals, Fri.

A seven man Morton High School track team will journey to Lubbock Friday for the preliminaries of the Class B track competition.

Coch Alexander said this week the competition is rugged but he was cheered by the fact that his boys have been improving steadily the past two weeks. He looks for a strong showing in the Broad Jump and in the Mile relay.

Pancake Supper At Bula Schools Friday Night

BULA (Sp.) - There will be a Pancake Supper on Friday, April 18, from 6:30 to 9 o'clock at the Bula Lunchroom.

Plates will be 50 cents and 25 cents and the supper is for the benefit of the Cancer Drive.

WASHINGTON AND "SMALL BUSINESS"
 BY C. WILSON HARDER
 Some economists hold that one out of seven jobs in the U. S. based on the present phase of the automotive industry.
 If such be true, then a good share of the present business decline can perhaps be traced directly to the machinations of Big Oil in making it unprofitable for independent operations to succeed in this industry.
 Aspects of this situation are brought out in the recently published report of the C. W. Harder hearings held in Oregon by the Senate Small Business Committee with Sen. Edward Thyne and Sen. Wayne Morse present.
 J. S. Baker, partner in a service station operating firm in North Portland, Oregon, and representing the Oregon Gasoline Dealers Association gave some very interesting testimony.
 Among other things, he said in 1950 he was paying 22.2 cents per gallon for gasoline, and selling it for 27.9 cents per gallon, or a gross profit of 5.7 cents. At the time of his testimony, he was being forced to pay 27.4 cents per gallon, and sell it for 29.5 cents.
 What does this mean, he asked. Merely that the consumer is paying 2 cents more per gallon while the service station made 2 cents per gallon less profit.
 He also pointed out that the major oil companies are making millions from forcing the sale of specified brands of batteries, tires and other accessories through the stations.
 "Today," he said, "I could sell you a battery at retail price from
 which I would make a reasonable profit and have this price be below the wholesale price of an equivalent battery by my major oil company supplier. Under what conceivable justification is it that last year one tire manufacturer paid one major oil company a kickback of tens of millions of dollars for sales of tires the oil company had never handled and never had a cent invested in, but merely provided a more or less willing chain of retail outlets with the practices I have just described?"
 He said there is no doubt major oil companies realize it is illegal to insist on exclusive contracts, yet through financial coercion applied indirectly, they keep the station operators in line.
 Some of the other witnesses reported that the major oil company representative has complete control over setting the prices in any station.
 If competitive situations of a price war make prices necessary that are lower than the station can operate on without a loss, a subsidy will be granted.
 But these subsidy agreements are never in writing, always given verbally, and often operator waits for long periods for payment while in meantime his family is in want.
 All in all, the testimony taken by the Senate Small Business Committee did not present a very pretty picture of how things are going in the land of the free.
 As a result, it is quite possible that this session of Congress will vote extra money to carry on intensive investigation and possible prosecution in the sphere of major oil. It very much appears the situation cannot be permitted to continue.

 Recently a service station attendant changed the oil in a car with 23,000 miles on the speedometer. He noticed that a lubrication job was also badly needed, so he politely suggested it to the driver. She replied, willingly enough, "Go ahead if you want to... but I thought all that was done at the factory!"
 Of course, this couldn't happen to you, but with cars getting more and more complicated every year, proper and frequent lubrication is more important than ever.
 Phillips 66 Dealers specialize in lubrication. They have complete charts and specifications for all makes of cars, and what's more, they use them! Stop in next chance you get and watch how thorough Phillips 66 attendants are when they lubricate a car... it's a pleasant surprise for most motorists!

Plainview, Tex., Man Reports— Improved Cotton and Sorghum Yields With Phillips 66 Ammonia

Martin Schur, Plainview, Tex., says: "I farm 420 acres, and last year I ran 30,000 pounds of Phillips 66 Agricultural Ammonia through my rig. That shows how I depend on this fertilizer to give me high yields of cotton and maize. I put all my Phillips 66 ammonia down pre-plant, in order to get the job out of the way before the busy spring season."

Other Southwestern farmers have discovered that 82% nitrogen from top quality Phillips 66 Agricultural Ammonia helps them get more profit per acre through higher yields. They get more cotton that classes higher at the gin . . . yields of sorghum grain and ensilage are increased . . . and profits on wheat are increased through higher yields of grain and extended grazing periods.

Phillips 66 Agricultural Ammonia contains 82% nitrogen and gives you more nitrogen per dollar than any other form of commercial fertilizer available.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Rohstedt
Emeritus Professor of Animal Husbandry
University of Wisconsin

Selling Farm Fertility

Many landlord-tenant agreements specifically provide that no hay or straw may be sold off the farm. This stipulation recognizes the manurial value of these and other feeds that after having passed through the digestive tract of farm animals are, with good management, worth nearly as much as if these feeds had been plowed under as fertilizer.

Cash crop farming unless good soil management is practiced, is apt to run down the farm. Live stock farming, however, is much more dependable in maintaining and even improving the fertility of the farm.

According to Morrison's *Feeds and Feeding*, each ton of hay, clover in this case, that is sold off the farm, loses the farmer \$8.66 by way of the commercial value of the nitrogen, phosphorus and potash that are contained in the hay. A ton of oats sold loses \$7.79, oat straw \$4.79 and fluid milk \$2.31.

A ton weight of cattle and pigs contains more nitrogen, phosphorus and potash in their carcasses than any of these feeds. Nevertheless, considering that on the average they assimilate only about 20 per cent of these chemical elements while putting 80 per cent back into manure, they lose the owner only \$2.11 and \$1.76 respectively.

DOT MEETING SCHEDULED FOR AUSTIN MAY 31

The second annual statewide meeting of the Democrats of Texas will be held at the City Coliseum, Austin, May 31, DOT Chairman Mrs. R. D. Randolph has announced.

District Judge James Sewell of Corsicana, former chairman of the Democratic Advisory Council, and U. S. Senator Ralph Yarborough will be two of a panel of political leaders who will speak.

The DOT was organized at a meeting May 18, 1957, at Austin.

You can't shut out CANCER this way

NEAR AND DEAR are two of cancer's most potent allies. Too many Americans needlessly lose their lives to cancer because they put off going to their doctors.

Many cancers are curable if treated in time. Even 15 years ago, medical science saved 1 out of 4 cancer patients. Today, it's saving 1 in 3. The odds would be even better if people would have a health checkup annually and be alert to cancer's danger signals:

1. Unusual bleeding or discharge
2. A lump or thickening in the breast or elsewhere
3. A sore that does not heal
4. Change in bowel or bladder habits
5. Hoarseness or cough
6. Indigestion or difficulty in swallowing
7. Change in a wart or mole

If your signal lasts more than two weeks, go to your doctor to learn if it means cancer.

Having a health checkup every year is the smart thing to do.

And it's equally smart to send a check to "Cancer," c/o your local post office to help in the continuing fight against this merciless killer.

Growth of City Is Still Evident

Morton continued to show signs of growth this week as Higginbotham-Bartlett Company completed interior remodeling, Tarver Furniture Company flashed a new sign, and Byron's Auto Supply began a re-building job on the north front.

Byron Willis said he wouldn't exactly call his work re-building as yet, since a lot of tearing out had to be accomplished first.

Other activity, found elsewhere in this publication of the Tribune of Morton, includes two new firms, and other building.

High Plains Gets State Committeeman

Allen Webb Gets Appointment to Post

For the first time in history the High Plains cotton producing area of Texas has a representative from this area as a member of the Texas State Agricultural Stabilization and Conservation Committee.

Allen Webb of Dimmitt, Castro County, was named a member of the State Committee January 7.

A Castro County cotton producer and farmer, Webb will give High Plains farmers a voice in acreage allotments and other matters pertaining to the State ASC committee that they have never had prior to now.

It was about two years ago that the PCG, Inc. recommended Webb's name to the State Republican Committee as a possible ASC committee member.

The 37-year-old Webb was born in Castro County and operates some 1100 acres there, owning 320 acres and renting 780 acres. He produces cotton, wheat and grain sorghum.

Webb attended Tech. 1937-41 and majored in vocational agriculture. During WWII he was a pilot in the AF and was discharged with the rank of Lieutenant.

Thanks Parents For Cooperation

Last week was the second round of conferences between parents & teachers of their children in the Morton Elementary School.

The turnout of parents was even greater than last fall when there were some 300 conferences. The spring conference week resulted in 400 conferences from an enrollment of 400 pupils. Most of those parents who could not make it to school were contacted by telephone or letter.

Principal Jerry Barton appreciates the response from parents in picking up their child's report card twice each year and finding out from the teacher so many things that no report card could explain.

Met Tuesday

WHITEFACE (Spl.) — The Whiteface Girl Scouts met Tuesday, April 15. They played records, sang songs, and then one troop had first aid lessons while the others studied knot tying. Then the entire group played games before they dismissed.

Joe Ivy Purchases Registered Bull

PETERBOROUGH, N. H. (Spl.) — Joe M. Ivy, Pettit, has purchased the registered Guernsey bull, Marzano View Violet's Dandy, according to the American Guernsey Cattle Club.

The bull was bought from Lonnie One, Albuquerque, N. Mexico. The dam is Violet of Aloha and the sire, Ador Johann Dandy.

apparently will lower the assessment on autos, pickups, and trucks, leave the assessment on livestock and other items at similar figures with slight increases in assessment on heavy machinery.

In rehiring of all teachers, subject to incoming resignations, the motion was applied to the main plant with postponement of the East side Elementary staff until a later date.

In extending the contracts of the coaches for one year, Vernard Alexander was named Athletic Director with an increase in salary of \$800 for the year, bringing his salary to \$5,700.

Coach Bobby Travis salary was increased \$600 per year, bringing his salary to \$5,100 and Coach Richard Means received a \$250 increase in salary, bringing his total to \$4,250.

Separate motions were considered in the rehiring of the coaches, one motion on the increased salaries, and one motion on the extending of their contracts for one year. Both motions received unanimous support, after a motion for a two-year extension in contracts was withdrawn.

During the discussion the Superintendent was asked the financial standing of the athletic fund. He said that the board had appropriated \$2,500 from the general fund for this purpose, and that possibly \$1,500 or more of this would be needed to supplement the income from sports this year. He indicated the income from sporting events was better than in the past.

Included in the April statements was the cost of the new washshed for the school buses.

Prior to adjournment, the board asked the Superintendent to get an estimate on cost of repairing warped window frames in the high school library. Also, one member asked that other members of the board look over the old auditorium at their first opportunity.

Present at the meeting were all members of the board: Houston, Hackabee, Brown, Vanlandingham, Thompson, Wallace, and Raymond Ross; the Supt. of Schools, John Barnes, and Tribune representative Bill Glassford.

A 2-C George Ware Honored With 'Airman of Month' Award In Japan

A 2-c George E. Ware, son of Mr. and Mrs. L. W. (Shorty) Ware, of Morton, has been named Airman of the Month in his overseas unit, the 6921st Radio Group, Mobile.

Graduate of the University of Texas, winner of a citizenship award in high school, and holder of the Gold Key in Journalism — are among the honors accumulated by A 2-c Ware.

According to a dispatch from an Air Force paper, here is the information concerning Ware's naming for honor:

"Airman Ware was chosen Airman of the Month not only because of his complex job, but also for his high character and morals which he has displayed throughout his tour in the Air Force.

Born in Friona, Texas, he began his formal education in the town of Muleshoe. At Muleshoe High School, he was class president and a member of the Student Council during his senior year. In addition, he worked as editor of the year book and student directory.

All this time was not spent in just academic study; to gain extra money and practical experience he worked part time as a bookkeeper. As a result of showing this extra initiative, he was presented with the Citizenship Award when he graduated. His hobbies in high school were photography and the collection of stamps and coins.

In 1952 Airman Ware entered the University of Texas. While there he served as assistant dietitian in Seton Hospital, dietician of the men's Student Coop (Campus Guild), business manager of the Texas Good Neighbor Commission, accountant for the Contingent Expense Committee of the Texas Legislature, Military Section editor of the college Year Book, and member of the Arts and Sciences Assembly of the Student Assembly.

Moreover, he participated in the World University Services Committee and Forum Speakers Committee and, consequently, by participating in such, was admitted into the Alpha Phi Omega Fraternity, and received the Outstanding Award for 1954 - 1955, and the Gold Key in Journalism.

After graduation from the University of Texas, he enlisted in the United States Air Force in January 1956. Next, he traveled to Kelly AFB and the University of Syracuse and received primary and secondary training in intelligence work. He was then assigned to the 6921st Radio Group, Mobile.

Now, at First Radio, he is the Assistant Educational Coordinator

tical good. This positive view has earned for him the respect of his fellow workers and he is constantly called upon for counsel and advice.

Airman Ware is a model Airman. He is courteous and respectful to all and an earnest and hard worker.

A 2-C George E. Ware

Besides furthering his own education, he devotes his time toward instructing in the classes.

At the present time, he has completed four courses: two in business law, one in office management, & one in Military Policy. Despite his accomplishments, he has not relaxed, for he is enrolled in a International Political Relations Course and is taking an ECI Intelligence course and USAFI Russian language course.

Colonel Gerald E. Cranch, his commander, recommended him in this manner:

"Airman Ware is a firm believer in man's ability to perfect himself by industrious application of self to work at hand and the utilization of every free moment for the prac-

er. He enjoys the trust and confidence of his superiors who do not hesitate to remark that he is quite capable of performing almost any task with a minimum of supervision.

Three Way Girls Will Attend State Meeting

THREE WAY SCHOOL (Spl.) — Delegates to the State F.H.A. meeting to be held in San Antonio on April 18 - 19 are Nan Johnson and Virginia Klutts of Three Way.

Nan is the daughter of Mr. and Mrs. Baker Johnson, and Virginia's parents are Mr. and Mrs. Bob Klutts.

The girls were selected by the chapter members in an open election. Close runners-up were Jane Garvin and Paula Kindle.

Selection was based on high scholastic averages, the F.H.A. degree obtained and their own personality. Seniors and those attending in past years were not eligible.

Mrs. Nan Dyer, chapter sponsor, and he two girls will leave from Lubbock on a chartered bus with other girls from this area. They have reservations at the White Plaza Hotel.

Mr. and Mrs. Phyllis Rainby of ... announce the birth of a ... Mark Rainby, weigh- ... pounds and five ounces, ... April 3.

TWO LOCAL GIRLS TO RECEIVE FHA DEGREES AT STATE MEETING

Two of Morton's F. H. A. members have received a great honor. Barbara Waltrip and Judy Mc-

Quiston have received their recommendation for their State Degree. In order to receive the state F. H. A. degree you must have had three years of homemaking and must receive a Junior and a Chapter degree.

Both girls are officers of the F. H. A. Chapter. Barbara is Treasurer and has been elected as next year's President. Judy is President of the Chapter this year. They each have worked very hard to make the chapter a better one, one of which the local girls can be proud.

They will receive their degrees at San Antonio. They will leave Lubbock at six o'clock Thursday morning, April 17 (today). They plan to arrive at San Antonio around four or five o'clock this afternoon.

Also going on the trip will be Karen Harlesson, Mary Lee Ledbetter and Mrs. Sanders. Mary is to receive her chapter degree and Karen will receive her Junior de-

gree. Mary holds the office of Secretary in the Chapter. Karen isn't an officer but is one of the best members. These have been chosen from the many girls who have tr-

Nelda Rountree Engagement Is Announced

Mr. and Mrs. L. L. Rountree of Rt. 2, Morton, Texas announce the engagement and approaching marriage of their daughter, Nelda to Thomas Calvin Lynch, son of Mr. and Mrs. T. E. Lynch of Morton.

The wedding date has been set for May 17th at the Missionary Baptist Church in Morton.

The bridegroom to be is a graduate of Morton Schools and the bride to be is presently attending Morton High.

led for their degrees and they will represent those.

In May, eighteen girls will receive their Junior degrees and seven will receive Chapter Degrees. The State meeting will open on Friday morning and will come to a close around noon, Saturday.

Mrs. Willingham Is Hostess for Wesleyan Guild

Mrs. E. O. Willingham hosted the regular meeting of Wesleyan Service Guild at her home on Monday night.

Mrs. Raymond Ross, president, read two excerpts from recent issues of "Together" and presided for a brief business session, at which time the organization decided to present a Life Membership pin to a valued member of the Guild.

George Gilkerson Speaks to F-TA

District Attorney George Gilkerson told the Morton P-TA, at their final meeting of the year Tuesday night, parents are becoming too busy to spend time with their children, and don't realize it until it is too late.

Gilkerson outlined the importance of the home, the church and the school as the triangle which holds up the world a child grows in.

Gilkerson urged both fathers & mothers to devote more time to the home.

Neal Rose was installed as incoming president along with the rest of his officers that will serve beginning immediately. However, the meeting was the last regular session of the group this school year.

Wood Snack Bar Useful, Attractive

An eating bar is becoming a popular feature of the modern home for several very good reasons. It can be a step-saver and a space-saver because it is usually located closer to the food preparation area than a dining room and takes up much less square footage.

Frequently a snack bar can be made to give additional use to a wall between a kitchen and dining room or a kitchen and family room.

A snack bar helps to create the informal atmosphere that is a part of today's living. With the emphasis on informality and warmth, woods of the western pine region are becoming increasingly popular for the snack bar area.

AROUND

(continued from page one)

street Hodges, Carol Bridges, Mary Ruth Cook, Billy Crockett and Maxine Heflin.

A scene entitled "Springtime In the Smokies" features Cricket Hickman, Lessey Silvers, Dorothy Rose, Blanche Reynolds and Tommy Brown. Also appearing are Eltha Russell, Betty Greene, Katie Van Landingham, Mildred McDermott, Naomi Thompson, Jewel Chesnut, Pat Mullinax, Kathryn Miller, and Peggy Allison.

Neal Rose, Roy Hickman, L. E. Huggins, Sammy Leverett, Courtney Sanders and Carlton Luper are featured in another scene, Henry Clay Hornsby's voice is heard as the lead male singer.

The popular quiz show "To Tell The Truth" is one scene. Van Greene, M. C. Ledbetter, Virginia Moore, Jim Kidd, John E. Holloman, Bob Willingham, Patty Alexander, Dolores Knott, Martha Wright, John Barnes, Bernard Alexander, Bob Travis, Venita Fralin, Tommy Harts and Sue Travis are in this scene.

Some of the best humor will be when six local businessmen trot out on the stage as "The Sultan's Sweeties." J. W. McDermott, J. C. Reynolds, Truman Doss, Harold Yarnock, E. L. Willis and Joe Seagler will portray these glamorous women.

Several small school children & pre-school age children will be seen in an enchanting Fairyland scene.

All in all, the show promises to be a worthy successor to the Little Missouri which were put on here for many years and discontinued a couple of years ago. Tickets will be on sale at the door.

Wood Snack Bar Useful, Attractive

An eating bar is becoming a popular feature of the modern home for several very good reasons. It can be a step-saver and a space-saver because it is usually located closer to the food preparation area than a dining room and takes up much less square footage. Frequently a snack bar can be made to give additional use to a wall between a kitchen and dining room or a kitchen and family room. A snack bar helps to create the informal atmosphere that is a part of today's living. With the emphasis on informality and warmth, woods of the western pine region are becoming increasingly popular for the snack bar area.

AROUND

(continued from page one) are: Hodges, Carol Bridges, Mary Ruth Coon, Billy Crockett and Maxine Hefflin.

A scene entitled "Springtime in the Smokies" features Cricket Hickman, Lessie Silvers, Dorothy Rose, Blackie Reynolds and Tommy Brown. Also appearing are Eltha Russell, Betty Greene, Katie Van Landingham, Mildred McDermott, Naomi Thompson, Jewel Chesler, Pat Mullinax, Kathryn Miller, and Peggy Allsup.

Neal Rose, Roy Hickman, L. E. Huggins, Sammy Leverett, Courtney Sanders and Carlton Luper are featured in another scene. Henry Clay Hornsby's voice is heard as the lead male singer.

The popular quiz show "To Tell The Truth" is one scene. Van Greene, M. C. Ledbetter, Virginia Moore, Jim Kidd, John E. Holloman, Red Willingham, Patty Alexander, Dolores Knott, Martha Wright, John Barnes, Vernard Alexander, Bob Travis, Venida Fralin, Tommy Hans and Sue Travis are in this scene.

Several small school children & pre-school age children will be seen in an enchanting Fairyland scene. All in all, the show promises to be a worthy successor to the Lions Minstrels which were put on here for many years and discontinued a couple of years ago. Tickets will be on sale at the door.

COTTON GROWERS

Seed is scarce... make everyone pay off! Treat your cotton seed furrows with ORTHO Soil Treater X - the new ORTHO soil fungicide.

You need no special equipment with this easy planter-box treatment. Just sift the dust (1 1/2 lbs. per bushel) directly on the seed in the planter-box. It's as simple as that! The dust gun material filters down into the furrow and forms a "protected zone" around the seed and seedling. With planter attached dust equipment, apply 10-12 lbs. of ORTHO Soil Treater X per acre.
