W. R. Hillman Rites Are Held At Petersburg

Services were held at 2 p.m. on Monday, at the Petersburg First Baptist Church for William R. Hillman, 72, retired farmer and father of Herb Hillman of Morton.

Mr. Hillman died at 6 p.m. Saturday in Plainsview Hospital and Clinic following a five week illness.

Dr. J. Harvey Scott, pastor, and Rev. John Ferguson, pastor of the First Baptist church, officiated at the service and burial was in the Petersburg Cemetery.

A native of Fordyce, Ark., Mr. Hillman moved to Petersburg four years ago from Linden where he had resided the past ten years. He lived at Plainsview from 1936 to 1944 and Mr. Hillman was a member of the Baptist Church.

Lioness' Funeral Home handled the arrangements.

Mr. Hillman had suffered a stroke several weeks ago, and after being critical for a couple of weeks, was reported "doing better."

Survivors include the wife; four daughters, Mrs. Harvey Fielder, Shreveport, La.; Mrs. Tommy Byrd, Petersburg; and Mrs. Robert Sloan and Mrs. Billy Lambert, both of Midland; five sons, Herbert of Morton; Roy of Petersburg; Jack, Foyce and Earl, all of Kress; and 17 grandchildren and five great-grandchildren.

Among those from Morton who attended the funeral were Mr. and Mrs. Connie Baker, Mr. and Mrs. Woodrow Price, Roy Gentry, Amos Taylor and Jake Wylie.

Grover Ward Seriously Injured In Tractor Mishap on His Farm Here

Grover Ward, long time Morton area farmer, was in serious condition in the Methodist Hospital in Lubbock late Monday afternoon, after being transferred there by Singleton Funeral Home ambulance of Morton, following a mishap in the cotton field, Monday morning, which resulted in his being run over by his tractor.

Although several persons were in the field, two miles south and 1 1/2 miles west of Star Route Grocery, when the mishap occurred, none actually witnessed the start of the mishap. Immediately after the accident began, others rushed to his aid, phone for an ambulance and

CITY WILL REPLACE AND ADD STREET MARKERS

The Morton City Commission at a called meeting Tuesday afternoon, took steps to fulfill an agreement made with the Morton Lions club several years ago, to maintain the city's street markers.

A Lion's Club committee of Roy Tarver, Sr., and R. C. Strickland, both of whom were Lions when an agreement was made some eight or nine years ago, appeared before the body Tuesday to remind the Commissioners of this agreement.

The city then took action on a unanimously approved motion, to take inventory of street markers on hand, and to erect those on hand and replace broken signs.

The Lions club had put on a drive to get the street signs and house numbers. They had erected a portion of the street markers, some of which have been broken since, and some which apparently never were erected.

They then made an agreement for the city to finish the job and maintain the signs, it was recalled.

City Clerk Joe Seagler noted that a lot of the street signs are still on hand and that quite a few of the house numbers also exist. Plans are to be made to get as many of the house numbers as are on hand in the hands of citizens who will use them on their homes.

Also, Mr. Strickland, Van Greene, and Seagler, are to serve on a committee which will check the local phone directory for mistakes in addresses, and correct them before the printing of the new directory. They were informed they have 2 weeks to complete this project.

It was pointed out that through several years of reprintings of the directory, the coming and going of lots of citizens, and the failure of most homes to have house numbers an unusually large number of mistaken addresses are found in the last phone directory.

BORN SAME PLACE, DIED SAME PLACE MRS. POLLARD DIES FEW HOURS AFTER LEARNING OF HER HUSBAND'S DEATH

Twice, in the space of only 4 days, sadness came to the house of the Pollard family, three brothers and one sister of whom are residents of the "Last Frontier" area.

Tuesday, the Pollards were notified of the death of their mother, Mrs. J. S. Pollard, of Melrose.

Her husband had died four days earlier, but Mrs. Pollard learned of his death only a few hours before she died.

Services almost identical with those held for her husband on Monday of this week, will be held today (Thursday) at 3 p.m.

Mrs. Pollard had been ill for a year or more, and had suffered 2 strokes previously. Her children, afraid of the reaction the news might have on the health of their 86

Culprits 'Harvest' Joe Cook's Cotton, Sacks and All

"Tell 'em when they get through with my cotton sacks to bring them back - I'll appreciate it," Joe Cook said this week of whoever or whatever it was removed from 3 cotton sacks and some 200 pounds of seedcotton from his Morton farm last Friday.

"And," he added, "it'll be alright if they bring the cotton back next fall."

Mr. Cook operates a small cotton farm within the city limits, just a few blocks west of the Cochran County square.

He said the loss included two 12-foot sacks, and one 10-foot sack.

Legion Votes to Have Turkey Shoot Christmas Party

Members of the Jesse R. Bond American Legion Post, Morton, voted Thursday night to sponsor a Christmas party for children, to work toward the re-organization of a military funeral squad, and to sponsor a turkey shoot, Saturday, Dec. 13.

The turkey shoot would be in association with the area U. S. Marine Corps recruiting unit.

Further details are to be announced as more plans are worked out.

Dystrophy March Set Here Tuesday

A house to house canvass will be made in Morton Tuesday night in efforts to raise funds for research into muscular dystrophy.

Members of the Wesleyan Service Guild, sponsors of the drive, will meet at the church at 7:30 and proceed from there on the city-wide march.

Mrs. Carlton Limer, Guild president, and chairman of the drive, announced that 25 percent of the funds contributed here will be kept in the area to aid in the treatment of sufferers of the disease, of which there are eight known cases, two of these are relatives of local residents.

Husbands of Guild members have been invited to join the drive which will be followed by a social period, in Fellowship Hall.

Refreshments will be served by members of the hospitality committee.

Elected Vice Pres. of Area Group

In a meeting of the South Plains City Secretaries and Clerk's Association, Friday, at Crosbyton, Joe Seagler, City Clerk of Morton, was named vice president of the group.

E. T. House of Lorenzo was named president of the organization which is affiliated with District 3, - 19 counties - of the League of Texas Municipalities.

Seagler was a director in the organization last year.

The group also made plans to hold its next meeting, on February 20th, in Morton.

Workers Named For Coming Drive For Polio Funds

The regularly monthly meeting of the Cochran County Chapter of the National Foundation for Infantile Paralysis, which would ordinarily fall on Thanksgiving Day, has been postponed until December 4th, Sammie Leveritt, Fund Drive Chairman has advised.

The meeting will be held at 7:30 p.m., Thursday, December 4th, in the Cochran County Library, located in the Activities Building.

All chairmen and willing workers are urged to be on hand. Time for the Fund Drive, held each January, is rapidly drawing near.

Meanwhile Leveritt named his volunteer leaders in the Fund Drive, who have accepted posts. He asked that as many as possible be at the meeting. Drive officers and chairmen are as follows:

General Chairman, Leveritt; Assistant Chairman, Mrs. G. F. Cooper, Jr.; Woman's Chairman, Mrs. J. C. Reynolds; Men's Organization, J. T. Holloman and Roy Gentry; Sports, S. M. Monroe and Babe Van Landingham; Mother's March, Mrs. Bill Harris; Morton Schools, Jerry Barton; Bedsee Schools, T. F. Singleton; Whiteface Schools, R. K. McCoy; Teenage Chairman, Jim Pyburn; Special Gifts, H. T. Golden; Treasurer, Mrs. Bob Allen; Fundraiser Community, Virgil Colman; Bedsee, Mrs. Alvie Harris; Johnson, Mrs. Ralph Burt Whiteface; Mrs. Truman Swinney; County Line, Mrs. Vernon Blackley; Scrape Out, Ken Coffman; Camp Fire Girls, Mrs. M. C. Ledbetter; Secretary, Mrs. Maurice Lewallen.

New Scout Exec. For This District Takes Over Dec. 1

Alfred Groves, 22, formerly of Farmersville, Texas, will assume the position of District Scout executive for the George White District on December 1.

Groves completed his Bachelor of Science degree at Abilene Christian College in 1958. He is a member of the Church of Christ.

Groves has a varied and wide Scouting background. He came up through the ranks of the Boy Scout movement to attain the rank of Eagle Scout. He has served as a Senior Patrol leader and in the past year has been elected as a vigil in the Order of the Arrow, an honor camping organization of the Boy Scouts of America.

He has served as a District Commissioner and for the past seven years as an assistant and director of the waterfront activities in camps of the Circle Ten Council, with headquarters in Dallas.

Groves will assume his responsibilities on December 1st and his territory will include the counties of Bailey, Lamb, Cochran, and Hockley. He will reside in Levelland.

New Findings On County Farm Wage

The following telegram from the Regional Director, Department of Labor, was received by the Manager of the Texas Employment Commission, Lubbock and sent on to the Morton Tribune, November 25th:

Wage findings effective November 25 cotton harvest Cochran County: First pulling irrigated and dryland \$1.50 per hundredweight. Second pulling irrigated, \$1.55 per hundredweight. Rates less than \$1.55 for pulling or not applicable to Mexican Contract workers.

Ella Jane Kirk was born, November 18, 1872, at Haralson County, Georgia. She was the last remaining child of her parents, Mr. and Mrs. Jack Kirk both deceased.

She married J. S. Pollard on March 13, 1892, in Haralson County, Georgia. Mr. Pollard and her husband had lived at Melrose since 1945. Previously, since 1932, they had farmed at Stogall.

Survivors include four sons, H. G. Pollard of Morton, L. E. Pollard of Enochs, Carl Pollard of Stogall, and Charles Pollard of McAlester, New Mexico; three daughters, Mrs. Marvin Holt of Stogall; Mrs. Gollie Sullivan of Lovington; Mrs. Mexico and Mrs. Ruth McDaniel of Farmington, New Mexico; 14 grandchildren and 10 great-grandchildren.

Mrs. J. S. Pollard Rites Set Today At First Baptist

Funeral services will be held for Mrs. J. S. Pollard, today (Thursday), at 3 p.m., in the First Baptist Church at Morton.

Rev. J. E. Moore, pastor of the Mulshoe First Baptist Church will conduct the services assisted by Rev. Alvie Moore, pastor of the Hicks Chapel Baptist Church and Rev. Houston Walker, pastor of the Morton First Baptist Church.

Burial was in the Morton Memorial Cemetery under the direction of Singleton Funeral Home of this city.

Mr. Pollard had been in the hospital at Clovis for three weeks after falling and breaking a hip at his home 25 miles north of Melrose, New Mexico. He died at 11:00 a.m. Saturday morning and Singleton ambulance service here transferred the body to Morton, Saturday.

John Stephen Pollard was born at Haralson County Georgia on February 16, 1872 and approximately 20 years later, on March 13, 1892, he married the former Miss Ella Jane Kirk at Haralson County. A member of the Baptist Church for 50 years, he had farmed in the Stogall Community for 21 years prior to 1945 when he and his wife moved to the Melrose area. He also had done some farming there before retiring.

The wife, one other son, Charles Pollard of McAlester, N. M., and two other daughters, Mrs. Gollie Sullivan of Lovington and Mrs. Ruth McDaniel of Farmington, already named. Also 14 grandchildren and 10 great-grandchildren survive.

J. S. Pollard Rites Held Monday at First Baptist

Final rites were held in the First Baptist Church, here Monday, at 3 p.m. for J. S. Pollard, 86 year old father of H. G. Pollard of Morton and three other area persons.

The former area resident was also the father of L. E. Pollard of Enochs, Carl Pollard of Stogall & Mrs. Marvin Holt of Stogall. He lived near Melrose, N. M.

Rev. J. E. Moore of the Mulshoe Missionary Baptist Church conducted the services assisted by Rev. Alvie Moore of the Hicks Chapel Baptist Church and Rev. Houston Walker, pastor of the Morton First Baptist Church.

Burial was in the Morton Memorial Cemetery under the direction of Singleton Funeral Home of this city.

Hanna, Willis Buy Posse Orders Plains Parts House New Shirts for Coming Season

Announcement was made this week of the purchase of the Walker's Auto Parts in Plains by Buddy Hanna and Byron Willis of Morton.

Hanna, who had been associated with Allsup Chevrolet Company here as a parts man for a number of years, has lately been employed at Tarver Furniture Co.

Purchase of the Plains parts business was completed last week. It was purchased from Melvin Walker, who operated the only parts business in Plains.

The firm's name has been changed to Buddy's Auto Parts, and is located on the east-west highway through Plains.

Hanna will be manager - operator of the firm.

Big Dollar Day Set for Monday

What is usually one of the biggest Dollar Days in Morton will come up next Monday, December 1st, the last Dollar Day before Christmas.

Local merchants are featuring a large variety of Dollar Day bargains, a great many of which will be noted in the weekend edition of the Dollar Day Special.

And, since Dollar Day falls on Monday, December 1st, it will officially usher in the Christmas season in Morton. City Christmas lights are expected to be turned on Monday night, the 1st, as has been the case for the past few years.

Paving Program, If It Comes to Pass, Will Be Up to the Citizens of Morton

As far as can be determined, the status on possible future paving in Morton remains just as it was two weeks ago when the city signed an agreement with Howard A. Schmieding and Associates of Portales, engineers, of a possible paving project.

The engineer's representative in Morton that night had indicated in a short time he would probably have a crew in Morton shooting proposed grades, etc. But there was no definite word on this as the agreement called for no pay unless a contract letting was called for.

On a first-things-first basis, it was agreed, the public would have to first indicate a genuine desire to get paving and a willingness to pay for it, before the paving of any streets is to be considered.

The city does not have the funds for a major paving project. The main cost must be borne by the taxpayers, or else by a bond issue, and this latter idea is not planned at this time.

Senior Club Auction Set for 'Square'

Seniors of Morton High School, and their parents who are working with them in their current Senior Club project, have one week in which to gather items which will be sold at auction a week from Saturday, December 6th, on the square.

H. M. Christian said this week a lot of items had already been collected for the auction and reminded folks who have something to donate they can do so by contacting him or Willard Cox.

The proceeds of the Senior Club project will go toward the Senior Trip to be taken next spring.

Once Again Our Slip Was Showing

Sugar wasn't that low in price, really, but Truett's Food Store sold it at that price - really!

The Tribune's mistake changed the price of sugar from ten pounds for 98c to ten pounds for 89c - this was in last week's ad, folks; our apologies are extended.

151 ATHLETES TO BE HONORED JOE KERBELL, TEXAS TECH ASSISTANT COACH TO SPEAK AT ATHLETIC BANQUET HERE MONDAY

Joe Kerbell, long time, well known, high school football coach on the South Plains, and now an assistant coach at Texas Tech, will be the principal speaker next Monday night, December 1st, when the Morton Athletic Boosters honor all of Morton School's athletes with an Athletic Banquet.

Kerbell, who coached the famous Golden Sandies of Amarillo to a lot of state honors, came to Tech last year and is regarded by many as the man being groomed as head football coach at Tech - when Deed Weaver steps up into the athletic directorship. Of course this has been only speculation - but is regarded as a highly likely move.

The well known Kerbell has always been popular with fans.

All tickets sold will be on an advance sale basis no later than Saturday, according to H. M. Christian, president of the Booster group.

Tickets are on sale at St. Clair Variety Store, M and M Barber Shop, the Morton Tribune, Tarver Furniture, Morton Drug Store, the Malt Shop and Garland's Drive-In.

Shirts sell for \$1.50 each. The more than 150 student athletes in the junior high and high schools, boys and girls, will be honored guests of the Boosters.

Ticket sale must be shut off at an early hour, according to Mr. Christian, so that an accurate prediction can be made as to how many to fix for.

TEC REPORT LISTS COCHRAN COTTON GINNING AT 34,876 BALES

The latest report from the Texas Employment Commission, dated November 24, and received on Wednesday of this week at the Tribune office, lists 34,876 bales of Cochran County's cotton crop ginned, an estimated 58 percent of the total crop.

The report, which is from three days to a week old before it has been compiled and sent out, still is estimating a 60,000 bale cotton crop for Cochran County, lists the crop condition as "good," the cotton as 90 percent open, 58 percent harvested, with gins working 18 hours per day. The report listed as pulling wage, \$1.75, one of only 4 counties in that category. However, a late release from the TEC listed the pulling wage at \$1.50.

Lions Hear Talk On Traffic Safety

The Morton Lions Club had five guests at its regular weekly luncheon meeting, Wednesday, when Fred Marshall, of the Texas Highway Patrol, spoke to the group on Traffic safety.

Highway patrolman T. A. Rowland of Morton was also on hand along with Truman Anglin, Morton, Bill Pegues, District Scout Executive from Lubbock and an out of town insurance man.

The Lions agreed to "go their part" on the street lighting for Christmas.

Next Wednesday, members of the Morton Indian football team will be the guests of the club.

REPORTED "BETTER"

The condition of Mrs. Bea Yarborough of Morton, injured in a vehicle mishap last week, was listed this week as "better." She underwent x-rays which showed she had several broken ribs and chest injuries.

INDIANS OPEN CAGE SEASON WITH 63 TO 41 TRIUMPH OVER BULA; GALS WIN THREE STRAIGHT BEFORE LOSING TO BULA GIRLS, 58 to 29

The Morton Indians opened their basketball season a day early on Tuesday night of this week with a 63 to 41 victory over the Bula Bulldogs, in a game marked only by the definite need for workouts and experience for both teams.

The Morton Maids, similarly in need of a lot of work, found the best type of competition available in a smooth working, good defensive Bula girls' team that handed the Maids their first loss in four starts, gaining a 58 to 29 triumph.

The Bula girls were easily the show of the night as they won their 10th game in 11 starts against high school competition this year. They also have played the Wayland Queen's twice.

But the Maids had nothing to be ashamed of in losing to Bula. The well known area girls team, once again coached by Carly Risinger, may well become the best of a long line of great Bula girls teams. Perhaps a trifle less potent in scoring punch, this year's Bula girls boast a well drilled defensive group, and Risinger demonstrated in play here Monday, he has two teams that are almost equally well balanced. After Morton had stayed with Bula, 11 to 11 in the first six minutes of play, suddenly the Bula defensive loop tightened and the visitors thereafter, in the remaining 10 minutes of the first half, limited Morton to two points while scoring 22 of their own. The half-time count was 33 to 13 and it wasn't just plain cold shooting that engulfed the Morton girls. They found themselves unable to move well, in a constant state of harassment by Bula guards, consequently not getting good shots, often throwing the ball away.

Usually high scoring Bernice F. ncher was held to 11 points and Norma Paganon got 10. For Bula it was Carol Cooke 15, Sandra Angel 17, Jackie Risinger 10 and Linda Holt, 8.

Nevertheless the Morton girls did a creditable job the first, third, and fourth periods against a team that has brood: bonten Muleshoe, William Dinning, each twice, has split with Huls Center, and defeated Fricca, Whiteface and now Morton.

Earlier in the season Morton's Maids posted victories over Pop, Whiteface, and Three Way.

The boys looked fair in running up a 21 to 9 first quarter lead, hitting 10 of 25 shots and committing only three errors. But the shooting suddenly went awry in the second period dropping from 400 per, to 200 per, and the Indians had a 33-30 halftime lead. The Indians increased the margin to 47 to 28 at the three quarter stop, and then with second stringers playing the entire fourth period, outscored the Bula boys, 16 to 13.

One Larry Pollard was the big thorn in Morton's side scoring 20 points on 5 baskets and 10 free throws. But he missed another 7 gift shots. Norvel Roberts added 12 points to tie for second high honor in the game.

Morton's scoring was well divided. Jeff Jones scored 12 points, Middleton and Paul Zuber, each 10, Gethright 9 and Brownlee, who fou-

led out of the game, got 8.

Zuber's performance was perhaps the most encouraging. He hit on 5 of six field goal attempts, the only really good performance of the night for Morton, percentage-wise.

Robert hit 5 of 10 for Bula. Morton made only 3 free tosses and missed 12, for a big deficit at that position. Bula caged 13 while missing 12.

The usual large number of errors were prevalent, significant of a first game for both teams. They worked the ball slowly, threw it away far too often, and missed a lot of easy rebound shots. Morton had 11 Bula break-aways for six fast break crisp shots, due to Morton errors.

Lack of height is to be a big problem for Morton as Pollard, not a tall man, showed, by taking a lot of rebounds away from Morton. A new man, Jeff Jones, played the best rebounding game for Morton.

4-H Achievement Plans Are Made Saturday Morning

A committee meeting was held on Saturday morning, November 22, to plan the 4-H Achievement program.

The program will be held at 7:30 on Saturday evening, December 13, in the Banquet Room of the County Activity Building in Morton.

The theme of the Achievement Program will be the 50th anniversary of 4-H Club work in Texas. County medals will be awarded.

The officers of the Morton Junior High 4-H Boys and Girls clubs will be in charge of the decorations. The officers of the County Wide 4-H Club will be in charge of the program. The Whiteface girls' and boys' 7th and 8th grade clubs will be responsible for the refreshments. All of the Committees will have adult leaders to help them.

Present at the Committee meeting Saturday were Larry Hatter, Lynne Froeland, Lois Courtney, Lav Kern, Mrs. W. K. Courtney and Miss Lella Petty, H. D. Agent.

L'Allegros Hear Talk on Buddhism At Recent Meeting

The L'Allegro Study Club met on Thursday, November 6th, in the home of Mrs. Eddie Irwin.

In the absence of the President, Mrs. Truman Doss, the First Vice-President, Mrs. M. A. Silvers presided over the business session.

Mrs. Babe Vanlandingham, chairman of the club project, School

for Exceptional Children, reported that she had contacted Weldon Skinner, Supt. of the Whiteface Schools and he said he would be very happy to help in any way in organizing the school.

Mrs. Duane Knott reported that the Committee on promoting Traffic Safety had contacted several local citizens in regards to being judges for the naming of a monthly winner of the "teenage traffic safety driver of the month" award.

Following a Federation report given by the Federation Director Mrs. A. Froeland, the club voted to

have the dates of all meetings entered on the band calendar for the next year.

Mrs. Tommye Hans had the program for the evening entitled "Buddhism." She stated there are approximately 500 million people who believe in this religion, which has been one of the greatest civilizing forces the Far East has ever known.

It stimulated the arts, contributed culture to China and brought civilization to Japan. Today it is the dominant religion of Burma, Thailand, Tibet, Ceylon, and

During the last ten years the Communists have been trying to convert the believers of this religion to outward kindness. Many people of the world are wondering if religion, because of their ignorance, will submit without resistance to the Communists.

Delicious refreshments were served to the following: Mesdames Edward Alexander, H. B. Barkley, D. Knott, Harold Drennon, Tom Rowden, Rowland, Vanlandingham, Jack Waller, K. Williamson, Irwin, a new member, Mrs. James Greener.

Army Announces European Duty in Special Units

European duty is offered qualified men through a special U. S. Army "Gyroscope" enlistment. M/Sgt. Forrest D. Pesch announced last week when he appeared in Morton.

Qualified men have a choice of joining one of two "Gyroscope" units for duty in Europe. They are the 4th Battle Group, 7th Infantry, 3rd Infantry Division (Replacement Packet), and the 1st Howitzer Battalion, 26th Artillery (Replacement Packet).

These enlistment options are open both to non-prior and prior service personnel who can qualify. Prior service personnel will not be accepted in grades above private first class.

Men enlisting for the 1st Battle Group, 7th Infantry, will receive training at Fort Jackson, S. C., before going overseas. Enlistees for the 1st Howitzer Battalion, 26th Artillery, will train at Fort Chafee, Arkansas. Upon completion of training, all men will join their units on duty in Europe.

Interested persons are urged to contact Sgt. Pesch, Room 204, Federal Bldg., Lubbock, at their earliest convenience.

THIS IS THE ONE FOR WAGONS! 1959 CHEVY
Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical—with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!
Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevies are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steering, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details or why this year—more than ever—Chevy's the one for wagons.

The picture has changed, but the spirit abides...
It is a far cry from the scene of the first Thanksgiving to the festive tables in modern, streamlined homes at which we celebrate the holiday today. But, basic to the proper observance of the Day is the same spirit of devout thankfulness for the blessings vouchsafed to us by a Divine Providence . . . the same steadfast dedication to maintaining those freedoms for which the founders of our country braved the hazards of the New World.

Local Woman Wins \$75 in Selection of Football Winners

Mrs. T. L. McAllister of Morton last week was named one of the winners in a national sporting publication gridiron guessing contest.

Mrs. McAllister placed third in the national contest sponsored by the Sporting News, and last Friday received a check for \$75, third place money.

Mrs. McAllister, and a daughter, Tommye Hans, have been entering the grid guessing contests for several years.

However, Mrs. McAllister had only sent in two entries this year, &

won on her second try. The winner, Cy Heathcote of Milwaukee, picked all 15 winners. Three persons picked 14 out of the 15 winners and their breaking decision was based on which team made the most total yardage during the week. One of the three had a team that made more yardage than Texas Christian, which was Mrs. McAllister's choice.

After five or six years of taking part in the contests, McAllister admits that the best he remembers picking was 12. Mrs. Hans, who said each week they usually sit down and figure the games according to past scores, most of which are listed in the Sporting News, has picked as many as 13 winners.

Several other Mortontonites have mentioned in the past taking part in the contests, but Mrs. McAllister is the first known winner of a prize in the contests.

After winning, Mrs. McAllister remarked she was going to write her son Bill, who is a high school football coach in Texas, that she would be glad to help him, if he needs any advice from an expert. Billy's team recently didn't fare so well in a match against big city competition.

Meanwhile, Tom, who says he has spent several years of his life showing these ladies how to go about handicapping teams, said Tuesday, he felt he was entitled to some of the \$75 award.

Takes Part in Play At Texas Tech

A Morton man, Louis Young, is a member of the cast and stage crew of a play, "Orpheus Descending," a Tennessee Williams production, to be presented by the Texas Tech Speech department in the speech department auditorium on Jan. 29 - 31 and Feb. 3 - 5.

Ronald Scholz will direct the play which has just been released for amateur production. The story tells of a handsome, guileless youth and a woman storekeeper. The youth, Orpheus who is a guitar player, is a rural Orpheus who descends to rescue his love in a town infested with gossip, intrigue and violence.

Table titled '4-H CLUB MEMBERS (Residence)' showing membership statistics for 1954, 1955, 1956, and 1957. Categories include Total Members, Farm, Rural Nonfarm, and Urban. Percent increase is shown for 1957 over 1954 and 1956.

The urban or "city" 4-H Club no longer an exception in Extension work, according to statistics released by the USDA. The number of 4-H'ers living in urban areas has increased more than 28 percent since 1954. Country cousins are fast becoming city folks, while the distinction between farm and city boys and girls is virtually non-existent. Proof of these changing times and people can be found during the National 4-H Club Congress in Chicago where approximately 1,500 youth assemble annually. The date this year is Nov. 30 to Dec. 4.

Christmas Merry Ice Cream Snowmen

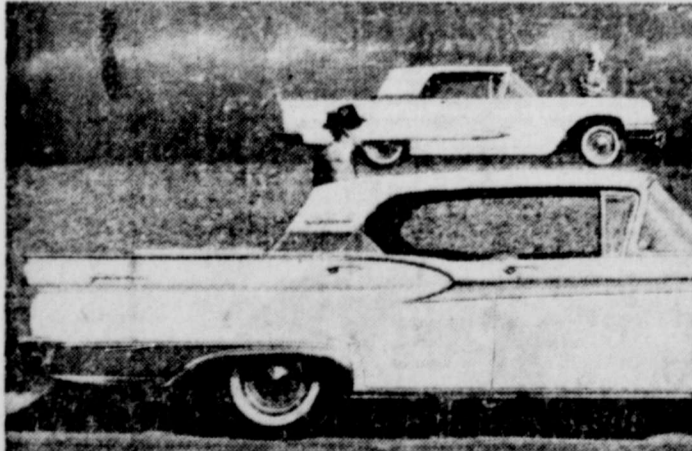

ICE CREAM SNOWMEN are a refreshing dessert at a holiday dinner. They are delightful surprise refreshments at a children's party, too. With a couple of trays of ice cream in the refrigerator they're easy to make—a scoopful of ice cream with features of maraschino cherries, well drained and chilled, makes each snowman easy to assemble in a jiffy.

You can be sure of velvety smooth ice cream if you make it with condensed milk. It needs only one beating while freezing, and it's always delicious.

MAGIC SNOWMAN ICE CREAM (Makes 1 1/2 pints) 1/2 cup (1/4 15-oz. can) 1 1/2 teaspoons vanilla extract sweetened condensed milk 1 cup heavy cream 1/2 cup water

Set refrigerator control at coldest point. Combine sweetened condensed milk, water and vanilla. Chill. Whip cream to custard-like consistency. Fold into chilled mixture. Pour into freezing tray. Cover tray with waxed paper. Freeze to a firm mush, about 1 hour. Turn into chilled bowl. Break up with fork, then beat with rotary egg beater until fluffy but not melted. Quickly return to tray, cover tray with waxed paper. Return to freezing unit. Freeze until firm.

A NEW SERIES in the 1959 Ford line—the Galaxie—captures more of the taste and styling flavor of the Thunderbird than any other Ford model. Compared here, the Galaxie Town Victoria in the foreground bears a strong resemblance to the 1959 four-passenger Thunderbird—especially in the roof area, yet it is priced to sell only \$48 above comparable models in the Ford Fairlane 500 series. The new luxury series includes six different body styles and will be available at Ford dealerships in early December.

Monday Is Dollar Day In Morton

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

The U. S. Department of Justice recently stopped from acquiring any interest in any Utah brewery, and for a period of five years cannot acquire another brewery anywhere in the U. S. except by consent of the court.

Thus, the conclusion of this case proves that nation's anti-trust laws have very sharp teeth, indeed, but unless they are used to bite down on violations, they are of little use.

Of course, this case concerns beer, but the principle is the same on any commodity.

And while it can perhaps be argued that breaking up monopoly in beer is not perhaps the greatest national problem, this same line of endeavor in the banking industry, in the dairy industry, and many others, where giant mergers have turned over market after market to almost virtual monopolies, could do a great deal toward protecting both the consumer and also restoring free enterprise to the market place.

In fact, a case such as won against this brewer, with many long term stipulations, is quite a deterrent to even considering monopoly forming mergers.

With this beer case behind them to serve as precedent not only for drastic recourse, but also speedy action, it will be interesting to see what new fields the anti-trust division of the Justice Dept. will move into.

It has been said, whenever two lawyers gather, there is always argument on how enforceable anti-trust laws are.

This one case would seem to establish that the only barrier to swift and effective anti-monopoly action is governmental apathy toward enforcement.

Lone Star 4-H Champs Win Chicago Trip

Young Texas 4-H residents of Carson, Fayette, Kent and Wichita Counties will be among the 4-H delegates at the 1958 National 4-H Club Congress opening in Chicago on Nov. 29. They have won state honors in the 4-H Safety, Entomology, Soil and Water Conservation, and Electric programs and have been awarded all-expense trips to the Windy City. These programs are conducted by the Cooperative Extension Service and arranged by the National Committee on Boys and Girls Club Work.

N. Warminski, Jeanette Pfeiffer, Ray Dunlap, Olen Bailey. Life is much safer in White Deer since Norman Warminski, 16, has been participating in the 4-H Safety project General Motors is rewarding him with a trip to Club Congress.

Two serious accidents on the Warminski farm which involved his younger brothers marked the beginning of safety awareness for this young man.

His survey resulted in laying electric wires underground, and attaching lightning rods to buildings. The workshop was transferred to a Quonset building and gasoline storage was moved away from wires. The windmill pump was enclosed, and safety devices were incorporated into plans for a new home.

Young Warminski joined his sister in over 30 demonstrations on "The Use of Volatile Liquids on the Farm and in the Home." The pair also tested drinking water on 10 farms and found nine contaminated.

This safety-minded 4-H'er is a member of the Carson County Red Cross and Disaster Committee, and also of the Civil Defense Ground Observer Corps.

Bugs Rate High There's more to an insect than meets the eye, according to the young entomologist Jeanette Pfeiffer, 15, of Carmine. In her 4-H Entomology project she learned all about harmful and beneficial insects, and how to control the bad ones.

Miss Pfeiffer was one of four girls in the Round Top-Carmine Community Sr. 4-H Club who exhibited insect collections at Fayette County and district fairs. Her team won blue and red awards, and she was high individual. Her collection consists of 36 insects from 12 different species. She also has entered two spelling "bees".

This year Miss Pfeiffer attended a training course and is now a junior entomology leader. The Hercules Powder Co. sponsored her.

Top Conservationist Ray Dunlap, 17, of Jayton has successfully completed work in the 4-H Soil and Water Conservation program.

Dunlap has witnessed the tragedy of erosion and flooding. He was forced to put into practice good conservation methods to prevent erosion. He has the largest tank stocked with fish as a further conservation measure. Young Dunlap was awarded the Hornaday Medal for distinguished service to conservation. Only 40 of these medals have been given out since 1920. In recognition of his accomplishments, the Firestone Tire & Rubber Company has provided his trip award.

Knows Electricity The 4-H Electric program holds no mystery for Olen Bailey, 17, of Wichita Falls. As a matter of fact he is a guiding light for Wichita County. He has been county 4-H leader in electricity for the past five years. In 1957 and 1958 he had the grand champion entries in the county electric show. He has been a county and district Texas Electric Company winner in 1954 and 1957. Not content with being an electrical live wire, Bailey also has a well rounded program of field crops, poultry, cattle and swine raising, tractor maintenance and safety projects. His steer last year was graded as prime at the Dallas Fair and brought the top price for commercial steers at the show. Bailey has won 101 ribbons and \$450 in prize money in local, district, and state contests. The Westinghouse Educational Foundation supports the 4-H Electric program.

Wing Club Hosts Families at Dinner

Busy Fingers Sewing Club host a Thanksgiving dinner for families, Thursday night, Nov. 20th, in the Banquet Room of the Activities Building.

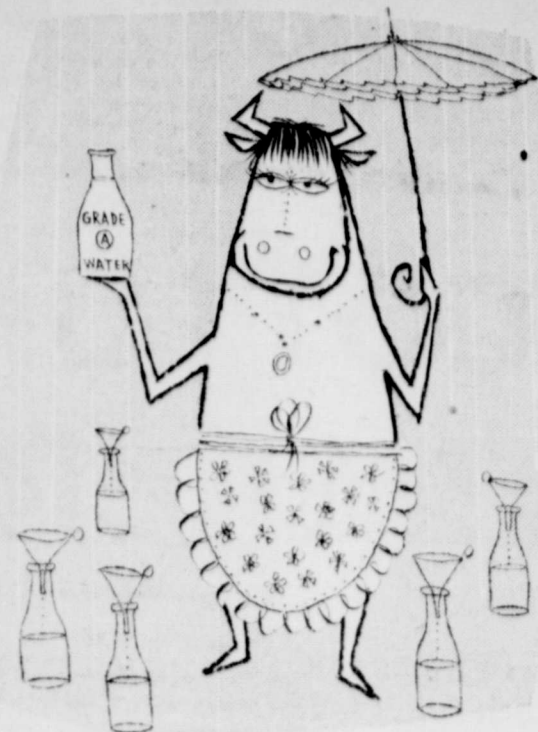

The traditional dinner was served on an attractively decorated table with a center piece of "Plenty" flanked with white and yellow crystalline ornaments.

Members and guests present were Mrs. Lindell Bates and Mesdames Henry Beards and Henrietta; Rolly Hill, T. Roberts, Ralph Merritt, Fred Sammie Williams, L. W. Bar, Selma Young, John L. McGee, Baker, Erchell Roddy, Dar-Jimmie and Jere; Mr. and Mrs. J. S. Boydston of Lubbock and Blah Newton.

The next meeting of the club is scheduled for the 27th with Mrs. Rolly Hill.

Mrs. Lindell Bates are the parents of a daughter, Beverly Gay. The little girl, 6 lbs., 14 oz., arrived on the 19th, and the Tribune in-terprets in the hospital news, as a son instead of a daugh-ter.

Mrs. Bates have another daugh-ter, Paula Jean, aged 5. The gran-children are Mr. and Mrs. Vernon of Morton and Mr. and Mrs. B. Wright of Morton.

"Let 'em dig stock tanks... I'm saving my own!" Mrs. Boyne's owner also remembers the death years. Texas cattlemen, members of the Texas Beef Council, have built thousands of stock tanks on the ranges to catch rainfall which will help them produce more and better beef.

4-Teens Entertain Audience; Gary Middleton Troupe Tops Local Talent

In a near three hour show, which kept an estimated 250 persons, mostly local teen agers jumpin' and foot stompin' most of the evening, the now famous "Four Teens" put on a rock and roll revue for local viewers at the County Activities Building last Friday night featuring the versatile singing, guitar playing and song writing talent of Jimmy Peters of Whiteface, and a local talent contest won by Gary Middleton and accompanists, also rock and roll variety.

The Morton Jaycees, sponsors of the appearance of the fast rising quartet, had a good but not spec-tacular crowd at the show — one exceptionally large considering a number of conflicting programs go-ing on both in Morton and in the

surrounding area, of interest to a number of Mortonites.

The "Teens" opened the show with a selection of some six or eight numbers, surrendered the spotlight to 15 acts of local talent which were judged, and then came back for some ten or more numbers. In ad-dition they played accompaniment for several of the acts, and the ma-jority of the local crowd seemed pleased at the performance. Young Middleton, also a guitar player, a song writer, and song stylist, was accompanied by Loy Kern, Gary's father, Jim Middleton, and the local "Quintones." This aggregation was also called back for a four or five number encore at the end of the show.

Voted in second place in the lo-cal talent division was Jimmy and Timmie Postree and third was Mar-y Nell Stegall of Whiteface.

The Jaycees, who met the guaran-tee for the visiting group, consid-ered the show a big success in bring-ing to Morton a type of enter-tainment for the young folks that is highly popular these days.

Former Bula Girl Leads Clarendon Basketball Team

The Dean of the Clarendon Junior College of Clarendon, Texas, Oliver J. Abel, reports that Myr-lene Nichols, daughter of Mr. and Mrs. L. E. Nichols, Route Two, Mor-ton, has been selected as co-captain of the "Clarendon Comets," a National Amateur Athletic Union Basketball girls team, sponsored by the college.

Myrlene graduated from Bula High School in 1957 with an out-standing record with one of Bula's all time top girls basketball teams. She was picked on all-tournament teams at tournaments held at Dimmitt, Abernathy and Duncanville. She was selected all-district three years during her high school participa-tion. She was also picked to play on the all-star team in the Nation-al AAU tournament at St. Joseph Missouri in the spring of 1957. Myr-lene entered Clarendon Junior Col-lege in September of 1957 and im-mediately earned a starting berth at forward for the Clarendon Comets. She was not to be denied fur-ther honors, and in the semi-final game of the 1958 National Tourna-ment she was the top scoring play-er for the Comets, who at that time were ranked sixth in the nation.

When the 1958-'59 season opens for its first home game at the College Gym, Tuesday, December 2nd, Myrlene will be helping lead a new team which is topeheavy with freshmen, but showing promise of another very successful year, and another trip to the National Tourna-ment at St. Joseph, Mo., in March of 1959.

Sheriff Posse Has Holiday Dinner at Tuesday Meeting

Members of the Cochran County Sheriff Posse, Tuesday night, in a meeting at the Cochran County Ac-tivities Building, held a Thanksgiv-ing dinner.

Guests of the club included Den-ton Thompson and family and Mr. and Mrs. R. J. Merritt of Morton, and Ralph Garza of San Antonio.

The group enjoyed a dinner of turkey, ham and trimmings and after the dinner enjoyed games of "12" and bridge.

Members attending included: Oh-len Ray, Bob Richards, Emmett Jones, Jess Clayton and children, W. A. Corder, Herb Hillman, Mrs. Ran Holloman, Mrs. J. T. Holla-man and children, and Messers & Mesdames Buster Betts and family, Roy Gentry and family, Leonard Gandy and family, Bob Mayon and family, Ern Polvado, Jake Welle, all of Morton and Mr. and Mrs. Gerald Tucker of Morton, and Mrs. E. W. Tucker, of Muleshoe, also members of the Posse.

HERE FOR THE HOLIDAYS

Miss Deanna Rose, daughter of Mr. and Mrs. Neal Rose of Morton, arrived this week from North Texas State College to spend the holidays here.

Meeting Postponed

The regular meeting of the Mor-ton City Commission, next Monday, has been postponed. It was agreed by the Commission members at the called meeting, Tuesday.

One member could not be per-hand for the meeting, and it was noted that when the meeting does fall on the 1st of the month, it is a bad time to try to get bills in and paid, since many firms will get their bills sent out small bills or 5th.

ANNOUNCING!

We are installing saw type Delinting Equipment upon completing our STRAIGHT ACID PLANT. Our SAW DELINTING PLANT should be ready by February 1st.

—STRAIGHT ACID—

Straight acid using 93 percent Sulphuric Acid is a relatively new process of chemically delinting cotton seed and is now an accepted process by all of the better known seed breeders in the Cotton Belt —

WHY STRAIGHT ACID?

1. Green or wet seed are not harmed in the delinting process.
2. The process is continuous, not in batches.
3. Heat is used only after the lint is removed. (no heat required to remove lint)
4. Water is used as a neutralizer
5. Will not eat the sacks
6. Does a more thorough job on seed borne diseases.
7. Will stand more cold weather when planted
8. Germination is increased

— Many More Reasons, Too

OUR STRAIGHT ACID PLANT WILL BE IN OPERATION IN ABOUT TWO WEEKS

Local Case Implement Dealers are Honored Guests at Reception at Nassau, Bahama, Islands Estate

NASSAU, BAHAMAS, November 21. (Sp1) - Two Morton people, Mr. and Mrs. Marvin Woolam, local dealers of J. I. Case Company, are attending a special reception in their honor as winners of the Case Eagle or 25M Award for outstanding sales performance.

The reception was held during the company's 1959 World Premiere of new farm and industrial equipment here at the famous Emerald Beach Hotel.

The special reception was at the ocean-side Nassau residence of Mare B. Rottman, president of the J. I. Case Company.

More than 500 Case dealers from all over the world are arriving over a two month period in chartered 4-engine DC-7s and Constellations to take part in the Pre-

miere. Their trip to Nassau, according to a company news release, constitutes the largest civilian air-lift in history, involving more than 15,000, 000 passenger miles.

Town and Country Study Club Will Donate Articles to Mental Hospital

The idea of the American Civilization Club was the topic for a talk given Wednesday to members of the Town and Country Study Club.

Mrs. Samford was introduced by Mrs. LeRoy Johnson, program chairman.

At a short business session, prior to the program, Mrs. Keith Kennedy, president, announced Mrs. Walden Novson as the first recipient of the new P. E. Education to the Constitution Committee.

She also read a letter of resignation from Mrs. Raymond Benham which the club voted to accept.

The president also urged all members to bring to the next meeting, quilt scraps, handkerchiefs, personal gifts and women's underwear, sizes 36 to 46 unsuited for shipment to the Wichita Falls Mental Hospital.

The club meets Dec. 3 in the home of Mrs. Tom McAlister, with Mrs. Carl Ray, co-hostess.

Members present were Mesdames Fred Stockdale, Max Bowers, Elmo Smith, Knowlton, H. M. Christian, Johnson, Roy Hill, Samford, A. A. Fralin, Alton Ainsworth,

Boys Win, 52 to 40; Girls Lose Thriller, 56 to 55 in Games With Whiteface

The Morton boys won their second game in a row and the Morton girls lost their second game in a row, Tuesday night as the two local high school teams met Whiteface in a double header.

The girls, who won their first 3 games earlier this season, including a win over Whiteface, dropped a real heartbreaker, 56 to 55, in a game that saw Morton shoot a basket just a split second after the final buzzer sounded.

With one second to go their was a tip-off in front of the basket. A Morton girl got the tip, whirled and shot, the ball falling in. But the buzzer had sounded just before she was able to get the shot off.

The boys had an easier time in their game, but Whiteface closed strong, Morton winning 52 to 40.

Morton's full court press had the Antelopes groggy the first half and Coach Bobby Travis' boys took a 21 to 12 halftime lead. However, the game was tightly officiated and Morton lost its midway in the third period and another Paul Zuber, soon after the fourth period got underway. Coach Travis called for a bit of ball handling the final six minutes of the game and Morton held the ball most of the time, losing six more points of the lead, in the process. The margin was cut to 47 to 40 with only about a minute to go. Then Mervin Gathright got a pair of free throws, hit them, and just as the gun fired he took a long one handed shot from near the center court. He made the basket and was fouled and also cashed in on the gift toss.

For Morton the scoring was once again evenly divided, three men in a tie with 12 points. Jones, Brownlow and Middleton each had 12 for Morton while the game's high scorer was Whiteface's Rhodes who dropped in 17 points.

Five men fouled out of the rough and tumble game, but Morton, in a good first half, hit the hoop a lot better than they did Monday night, passed the ball better, and showed a better defense. They still had an early season tendency to throw the ball away too often, a problem that also plagued Whiteface considerably.

Morton naved without the services of Perry Den Seamey who was injured in Monday night's game &

Young Matrons

Hear Speech on

American Heritage

The Young Matrons' Junior Study Club met in the home of Mrs. Roy Tarver, Jr., Monday, Nov. 24, at 8:00 p. m., with Mrs. Sammy Levritt as hostess.

The President, Mrs. Lowell Webb called the meeting to order as she asked for the roll call and the reading of the minutes by the Secretary, Mrs. Buddy Hanna.

Motion was made and carried that the club put its meeting dates on the band calendar.

The club members drew names for the Christmas party which is to be held, December 18th.

Another motion was made and carried that each member bring a gift next meeting to send to the Wichita Falls State Hospital.

The President then turned the meeting over to Mrs. Billy Joe Gandy who had the program for the evening. Her subject was: "Safeguarding Our American Heritage."

Her speech was mostly about Teddy Roosevelt. He was the youngest president, ever, in office at the age of 42 and out at the age of 50. He was a great reader and author, & a most successful peacemaker. He was the elder of the Roughriders.

She also reminded the group the president is the head of our American Heritage. At the end of her speech she read the 100th Psalm.

The meeting was adjourned and delicious refreshments were served to Mesdames Bill Bridge, Buddy Hanna, Bill Gandy, Jerry Winder, Jug Hill, Bob Mayon, Louis Russell, Dexter Nebhut, Roy Tarver, Jr., Kenneth McMaster, Lowell Webb, Sammy Levritt, and one guest, Mrs. Jim Pinnell.

Former Local Man To Play for ACC

In Game at Lubbock

Mortentites who would like to get the opportunity to see one of last year's stars, Ed Gattis, in action on the basketball court again, can see him in Lubbock, Friday, Dec. 5th.

At 8:00 p. m., in the S. Wilson school gym, Gattis will be playing for Abilene Christian College's team that will take the floor against the Lubbock Christian College team. It was brought to the Tribune's attention this week.

Gattis, who maintained a phenomenal near 50 per cent shooting average with Morton the past two years, may have been the highest scorer in Morton history, though a record book does not exist, with which to make comparisons.

ANOTHER GIRL

Mr. and Mrs. Hub Cadenhead have another baby girl, born November 19. She has been named Susan Lea, and weighed 7 lbs. 9 oz. The Cadenheads have two other daughters.

Grandparents are Mr. and Mrs. Ted Jackson of Idalou and Mr. and Mrs. Earl Cadenhead of Morton. Two great-grandparents are also living, L. L. Latham of Morton and Mrs. T. W. Cadenhead of Lubbock.

McMurry Chanters Will Sing Here On December 9th

ABILENE (Sp.) — The Chanters, mixed chorus of McMurry College, directed by Dr. Richard C. Von Ende, will be presented in a program at Morton High School at 1:00 p.m. on Tuesday, December 9th.

The Chanters' appearance in Morton will be one of ten which they will make on a four-day fall tour of seven Northwest Texas and New Mexico cities, December 7 - 11.

Other programs are scheduled for the First Methodist Church in Snyder, the First Methodist Church in Hobbs, New Mexico, the First

Methodist Church in Artesia, the First Methodist Church in Mulesh, the Asbury Methodist Church in Lubbock and for school assemblies in Hobbs, Artesia, Muleshoe and Plainview.

Some of the numbers to be sung by the Chanters in their appearance at the high school will include "Glory to God in the Heaven", "The Nleone Creed," "How Excellent Thy Name," "Our Father," "Sourwood Mountain," "Il Est Bel et Bon," "Song of an Indian Child" and "Mary's Little Boy Child."

Soloists for the Chanters are Mary Lou Avilla of San Antonio, David Benningfield of Levelland, Paul Sackett of Pampa, Basil Foy of Sweetwater and Norma Schaefer of Cisco.

To be featured is the McMurry Girls' trio and the McMurry Indianaires.

The Chanters were organized in 1923, the year in which McMurry College was established in Abilene. Each year they make two concert tours in Texas and New Mexico in addition to many appearances in Abilene and surrounding areas.

Indians, Maids To Meet Sudan Next Tuesday

The Morton Indians face what is expected to be their toughest test of the young season, Tuesday night, as they journey to Sudan to meet the Hornets in a game that will have a little of the pressure off, this year, since the two teams are not in the same district.

For the Morton girls, it may be the toughest test of the entire season. Sudan's girls conquered the Abernathy team this year and are a strong early season bet to get into state-championship play.

Once consolation is that if the Morton eagles lose, they won't have long to go to get a chance for revenge — or maybe "get even" — is a better choice of words. They will meet Sudan in a first round game in the Whiteface tournament scheduled for next weekend.

However, of course, the shoe may be on the other foot, and if Morton wins Tuesday, it'll be Sudan looking to get even in the return game.

The Hornets lost their dandy clutch man, Dan Wood, through graduation, but the Sudan girl's team still has the same tall forward who tallied so many points against Morton last season.

On Freshman Team At Knox College

GALESBURG, ILL. (Sp.) — Lee Benham, son of Mr. and Mrs. D. E. Benham, Route 2, Morton, Texas, is on the freshman basketball squad at Knox College, under the coaching of Dean Trevor, Knox Athletic director.

Kitchen Hints

Here's a serving suggestion for topping pancakes, waffles or toasted breads. Add a generous cup of mashed cooked dried apricots to one bar Imperial margarine, blend well and spread on hot foods—so nutritious too.

Make your school box lunches especially different by spreading the sandwiches with a blend of chopped pimiento-stuffed olives which have been folded into one bar Imperial margarine—so tasty with ham or American cheese.

Dress up broiled "franks" with a basting and spread of one half cup chili sauce and one bar Imperial margarine. Spread it on the rolls too.

Give broiled salmon extra flavor by spreading the cooked fish with a blend of one tablespoon chopped chives and one bar Imperial margarine. Serve with baked tomatoes which have also been basted with this spread.

Add a gourmet touch to broiled chicken by spreading it with a blend of one fourth cup sesame seeds and one bar Imperial margarine. Baste it with this spread too and have plenty on hand for serving at table.

Sunday night snacks can be real special when you make toasted English muffins which have been spread with a blend of two teaspoons oregano and one bar Imperial margarine. Simply divine taste and great with cold cuts.
